

S. 601, Boxer, Vitter 1

Boxer, Vitter 1 makes the following changes to the introduced version of the Water Resources Development Act of 2013:

- Establishes an independent commission to recommend Corps of Engineers projects for deauthorization
- Adds additional project modifications
- Clarifies that port prioritization criteria apply once full expenditure of the Harbor Maintenance Trust Fund is achieved
- Clarifies the eligibilities for projects financed through the WIFIA pilot program
- Makes additional technical changes to the bill
