SUBTITLE I—DEPARTMENT OF TRANSPORTATION

CHAPTER	Sec.
1. ORGANIZATION	101
3. GENERAL DUTIES AND POWERS	301
5. SPECIAL AUTHORITY	501
7. SURFACE TRANSPORTATION BOARD	701

CHAPTER 1—ORGANIZATION

Sec.
101. Purpose.
102. Department of Transportation.
103. Federal Railroad Administration.
104. Federal Highway Administration.
105. National Highway Traffic Safety Administration.
106. Federal Aviation Administration.
107. Federal Transit Administration.
108. Coast Guard.
109. Maritime Administration.
110. Saint Lawrence Seaway Development Corporation.
111. Bureau of Transportation Statistics.
112. Research and Special Programs Administration.
113. Federal Motor Carrier Safety Administration.
114. Transportation Security Administration.
115. Transportation Security Oversight Board.

§ 101. Purpose

(a) The national objectives of general welfare, economic growth and stability, and security of the United States require the development of transportation policies and programs that contribute to providing fast, safe, efficient, and convenient transportation at the lowest cost consistent with those and other national objectives, including the efficient use and conservation of the resources of the United States.

(b) A Department of Transportation is necessary in the public interest and to—

(1) ensure the coordinated and effective administration of the transportation programs of the United States Government;

(2) make easier the development and improvement of coordinated transportation service to be provided by private enterprise to the greatest extent feasible;

(3) encourage cooperation of Federal, State, and local governments, carriers, labor, and other interested persons to achieve transportation objectives;

(4) stimulate technological advances in transportation, through research and development or otherwise;

(5) provide general leadership in identifying and solving transportation problems; and

(6) develop and recommend to the President and Congress transportation policies and programs to achieve transportation objectives considering the needs of the public, users, carriers, industry, labor, and national defense.

§ 102. Department of Transportation

(a) The Department of Transportation is an executive department of the United States Government at the seat of Government.

(b) The head of the Department is the Secretary of Transportation. The Secretary is appointed by the President, by and with the advice and consent of the Senate.

(c) The Department has a Deputy Secretary of Transportation appointed by the President, by and with the advice and consent of the Senate. The Deputy Secretary—

(1) shall carry out duties and powers prescribed by the Secretary; and

(2) acts for the Secretary when the Secretary is absent or unable to serve or when the office of Secretary is vacant.

(d) The Department has an Under Secretary of Transportation for Policy appointed by the President, by and with the advice and consent of the Senate. The Under Secretary shall provide leadership in the development of policy for the Department, supervise the policy activities of Assistant Secretaries with primary responsibility for aviation, international, and other transportation policy development and carry out other powers and duties prescribed by the Secretary. The Under Secretary acts for the Secretary when the Secretary and the Deputy Secretary are absent or unable to serve, or when the offices of Secretary and Deputy Secretary are vacant.

(e) The Department has 4 Assistant Secretaries and a General Counsel appointed by the President, by and with the advice and consent of the Senate. The Department also has an Assistant Secretary of Transportation for Administration appointed in the competitive service by the Secretary, with the approval of the President. They shall carry out duties and powers prescribed by the Secretary. An Assistant Secretary or the General Counsel, in the order prescribed by the Secretary, acts for the Secretary when the Secretary, Deputy Secretary, and Under Secretary of Transportation for Policy are absent or unable to serve, or when the offices of the

Secretary, Deputy Secretary, and Under Secretary of Transportation for Policy¹ are vacant.

(f) The Department shall have a seal that shall be judicially recognized.

(g)² The Department has an Associate Deputy Secretary appointed by the President, by and with the advice and consent of the Senate. The Associate Deputy Secretary shall carry out powers and duties prescribed by the Secretary.

§ 103. Federal Railroad Administration

(a) The Federal Railroad Administration is an administration in the Department of Transportation. To carry out all railroad safety laws of the United States, the Administration is divided on a geographical basis into at least 8 safety offices. The Secretary of Transportation is responsible for all acts taken under those laws and for ensuring that the laws are uniformly administered and enforced among the safety offices.

(b) The head of the Administration is the Administrator who is appointed by the President, by and with the advice and consent of the Senate. The Administrator reports directly to the Secretary.

(c) The Administrator shall carry out—

(1) duties and powers related to railroad safety vested in the Secretary by section 20134(c) and chapters 203–211 of this title, and chapter 213 of this title in carrying out chapters 203–211; and

(2) additional duties and powers prescribed by the Secretary.

(d) A duty or power specified by subsection (c)(1) of this section may be transferred to another part of the Department only when specifically provided by law or a reorganization plan submitted under chapter 9 of title 5. A decision of the Administrator in carrying out those duties or powers and involving notice and hearing required by law is administratively final.

(e) Subject to the provisions of subtitle I of title 40 and title III of the Federal Property and Administrative Services Act of 1949 (41 U.S.C. 251 et seq.), the Secretary of Transportation may make, enter into, and perform such contracts, grants, leases, cooperative agreements, and other similar transactions with Federal or other public agencies (including State and local governments) and private organizations and persons, and make such payments, by way of advance or reimbursement, as the Secretary may determine to be necessary or appropriate to carry out functions of the Federal Railroad Administration. The authority of the Secretary granted by this subsection shall be carried out by the Administrator. Notwithstanding any other provision of this chapter, no authority to enter into con-

¹Section 215(a)(3) of Public Law 107–295 (116 Stat. 2102) amends subsection (e) by striking “Secretary and the Deputy Secretary” each place it appears in the last sentence of subsection (e), and inserting “Secretary, Deputy Secretary, and Under Secretary of Transportation for Policy”. The amendment was carried out in both places, however the text in the second occurrence did not include the word “the” in the matter to be struck, but was executed to reflect the probable intent of Congress.

²Section 215(c) of Public Law 107–295 (116 Stat. 2101) strikes subsection (g) on the date that an individual is appointed to the position of Under Secretary of Transportation for Policy under subsection (d) of this section.

tracts or to make payments under this subsection shall be effective, except as provided for in appropriations Acts.

§ 104. Federal Highway Administration

(a) The Federal Highway Administration is an administration in the Department of Transportation.

(b)(1) The head of the Administration is the Administrator who is appointed by the President, by and with the advice and consent of the Senate. The Administrator reports directly to the Secretary of Transportation.

(2) The Administration has a Deputy Federal Highway Administrator who is appointed by the Secretary, with the approval of the President. The Deputy Administrator shall carry out duties and powers prescribed by the Administrator.

(3) The Administration has an Assistant Federal Highway Administrator appointed in the competitive service by the Secretary, with the approval of the President. The Assistant Administrator is the chief engineer of the Administration. The Assistant Administrator shall carry out duties and powers prescribed by the Administrator.

(c) The Administrator shall carry out—

(1) duties and powers vested in the Secretary by chapter 4 of title 23 for highway safety programs, research, and development related to highway design, construction and maintenance, traffic control devices, identification and surveillance of accident locations, and highway-related aspects of pedestrian safety; and

(2) additional duties and powers prescribed by the Secretary.

(d) Notwithstanding the provisions of sections 101(d) and 144 of title 23, highway bridges determined to be unreasonable obstructions to navigation under the Truman-Hobbs Act may be funded from amounts set aside from the discretionary bridge program. The Secretary shall transfer these allocations and the responsibility for administration of these funds to the United States Coast Guard.

§ 105. National Highway Traffic Safety Administration

(a) The National Highway Traffic Safety Administration is an administration in the Department of Transportation.

(b) The head of the Administration is the Administrator who is appointed by the President, by and with the advice and consent of the Senate. The Administration has a Deputy Administrator who is appointed by the Secretary of Transportation, with the approval of the President.

(c) The Administrator shall carry out—

(1) duties and powers vested in the Secretary by chapter 4 of title 23, except those related to highway design, construction and maintenance, traffic control devices, identification and surveillance of accident locations, and highway-related aspects of pedestrian safety; and

(2) additional duties and powers prescribed by the Secretary.

(d) The Secretary may carry out chapter 301 of this title through the Administrator.

(e) The Administrator shall consult with the Federal Highway Administrator on all matters related to the design, construction, maintenance, and operation of highways.

§ 106. Federal Aviation Administration

(a) The Federal Aviation Administration is an administration in the Department of Transportation.

(b) The head of the Administration is the Administrator. The Administration has a Deputy Administrator. They are appointed by the President, by and with the advice and consent of the Senate. When making an appointment, the President shall consider the fitness of the individual to carry out efficiently the duties and powers of the office. Except as provided in subsection (f) or in other provisions of law, the Administrator reports directly to the Secretary of Transportation. The term of office for any individual appointed as Administrator after August 23, 1994, shall be 5 years.

(c) the Administrator must—

(1) be a citizen of the United States;

(2) be a civilian; and

(3) have experience in a field directly related to aviation.

(d)(1) The Deputy Administrator must be a citizen of the United States and have experience in a field directly related to aviation. An officer on active duty in an armed force may be appointed as Deputy Administrator. However, if the Administrator is a former regular officer of an armed force, the Deputy Administrator may not be an officer on active duty in an armed force, a retired regular officer of an armed force, or a former regular officer of an armed force.

(2) The annual rate of basic pay of the Deputy Administrator shall be set by the Secretary but shall not exceed the annual rate of basic pay payable to the Administrator of the Federal Aviation Administration.

(3) An officer on active duty or a retired officer serving as Deputy Administrator is entitled to hold a rank and grade not lower than that held when appointed as Deputy Administrator. The Deputy Administrator may elect to receive (A) the pay provided by law for the Deputy Administrator, or (B) the pay and allowances or the retired pay of the military grade held. If the Deputy Administrator elects to receive the military pay and allowances or retired pay, the Administration shall reimburse the appropriate military department from funds available for the expenses of the Administration.

(4) The appointment and service of a member of the armed forces as a Deputy Administrator does not affect the status, office, rank, or grade held by that member, or a right or benefit arising from the status, office, rank, or grade. The Secretary of a military department does not control the member when the member is carrying out duties and powers of the Deputy Administrator.

(e) The Administrator and the Deputy Administrator may not have a pecuniary interest in, or own stock in or bonds of, an aeronautical enterprise, or engage in another business, vocation, or employment.

(f) AUTHORITY OF THE SECRETARY AND THE ADMINISTRATOR.—

(1) AUTHORITY OF THE SECRETARY.—Except as provided in paragraph (2), the Secretary of Transportation shall carry out

the duties and powers, and controls the personnel and activities, of the Administration. Neither the Secretary nor the Administrator may submit decisions for the approval of, or be bound by the decisions or recommendations of, a committee, board, or organization established by executive order.

(2) AUTHORITY OF THE ADMINISTRATOR.—The Administrator—

(A) is the final authority for carrying out all functions, powers, and duties of the Administration relating to—

(i) the appointment and employment of all officers and employees of the Administration (other than Presidential and political appointees);

(ii) the acquisition and maintenance of property, services, and equipment of the Administration;

(iii) except as otherwise provided in paragraph (3), the promulgation of regulations, rules, orders, circulars, bulletins, and other official publications of the Administration; and

(iv) any obligation imposed on the Administrator, or power conferred on the Administrator, by the Air Traffic Management System Performance Improvement Act of 1996 (or any amendment made by that Act);

(B) shall offer advice and counsel to the President with respect to the appointment and qualifications of any officer or employee of the Administration to be appointed by the President or as a political appointee;

(C) may delegate, and authorize successive redelegations of, to an officer or employee of the Administration any function, power, or duty conferred upon the Administrator, unless such delegation is prohibited by law; and

(D) except as otherwise provided for in this title, and notwithstanding any other provision of law, shall not be required to coordinate, submit for approval or concurrence, or seek the advice or views of the Secretary or any other officer or employee of the Department of Transportation on any matter with respect to which the Administrator is the final authority.

(3) REGULATIONS.—

(A) IN GENERAL.—In the performance of the functions of the Administrator and the Administration, the Administrator is authorized to issue, rescind, and revise such regulations as are necessary to carry out those functions. The issuance of such regulations shall be governed by the provisions of chapter 5 of title 5. The Administrator shall act upon all petitions for rulemaking no later than 6 months after the date such petitions are filed by dismissing such petitions, by informing the petitioner of an intention to dismiss, or by issuing a notice of proposed rulemaking or advanced notice of proposed rulemaking. The Administrator shall issue a final regulation, or take other final action, not later than 16 months after the last day of the public comment period for the regulations or, in the case of an advanced notice of proposed rulemaking, if issued, not

later than 24 months after the date of publication in the Federal Register of notice of the proposed rulemaking. On February 1 and August 1 of each year the Administrator shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a letter listing each deadline the Administrator missed under this subparagraph during the 6-month period ending on such date, including an explanation for missing the deadline and a projected date on which the action that was subject to the deadline will be taken.

(B) APPROVAL OF SECRETARY OF TRANSPORTATION.—(i) The Administrator may not issue a proposed regulation or final regulation that is likely to result in the expenditure by State, local, and tribal governments in the aggregate, or by the private sector, of \$250,000,000 or more (adjusted annually for inflation beginning with the year following the date of the enactment of the Wendell H. Ford Aviation Investment and Reform Act for the 21st Century in any year, or any regulation which is significant, unless the Secretary of Transportation approves the issuance of the regulation in advance. For purposes of this paragraph, a regulation is significant if the Administrator, in consultation with the Secretary (as appropriate), determines that the regulation is likely to—

(I) have an annual effect on the economy of \$250,000,000 or more or adversely affect in a substantial and material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities; or

(II) raise novel or significant legal or policy issues arising out of legal mandates that may substantially and materially affect other transportation modes.

(ii) In an emergency, the Administrator may issue a regulation described in clause (i) without prior approval by the Secretary, but any such emergency regulation is subject to ratification by the Secretary after it is issued and shall be rescinded by the Administrator within 5 days (excluding Saturdays, Sundays, and legal public holidays) after issuance if the Secretary fails to ratify its issuance.

(iii) Any regulation that does not meet the criteria of clause (i), and any regulation or other action that is a routine or frequent action or a procedural action, may be issued by the Administrator without review or approval by the Secretary.

(iv) The Administrator shall submit a copy of any regulation requiring approval by the Secretary under clause (i) to the Secretary, who shall either approve it or return it to the Administrator with comments within 45 days after receiving it.

(C) PERIODIC REVIEW.—(i) Beginning on the date which is 3 years after the date of the enactment of the Air Traffic Management System Performance Improvement

Act of 1996, the Administrator shall review any unusually burdensome regulation issued by the Administrator after such date of enactment beginning not later than 3 years after the effective date of the regulation to determine if the cost assumptions were accurate, the benefit of the regulations, and the need to continue such regulations in force in their present form.

(ii) The Administrator may identify for review under the criteria set forth in clause (i) unusually burdensome regulations that were issued before the date of the enactment of the Air Traffic Management System Performance Improvement Act of 1996 and that have been in force for more than 3 years.

(iii) For purposes of this subparagraph, the term “unusually burdensome regulation” means any regulation that results in the annual expenditure by State, local, and tribal governments in the aggregate, or by the private sector, of \$25,000,000 or more (adjusted annually for inflation beginning with the year following the date of the enactment of the Air Traffic Management System Performance Act of 1996) in any year.

(iv) The periodic review of regulations may be performed by advisory committees and the Management Advisory Council established under subsection (p).

(4) DEFINITION OF POLITICAL APPOINTEE.—For purposes of this subsection, the term “political appointee” means any individual who—

(A) is employed in a position listed in sections 5312 through 5316 of title 5 (relating to the Executive Schedule);

(B) is a limited term appointee, limited emergency appointee, or noncareer appointee in the Senior Executive Service, as defined under paragraphs (5), (6), and (7), respectively, of section 3132(a) of title 5; or

(C) is employed in a position in the executive branch of the Government of a confidential or policy-determining character under schedule C of subpart C of part 213 of title 5 of the Code of Federal Regulations.

(g) DUTIES AND POWERS OF ADMINISTRATOR.—(1) Except as provided in paragraph (2) of this subsection, the Administrator shall carry out—

(A) duties and powers of the Secretary of Transportation under subsection (f) of this section related to aviation safety (except those related to transportation, packaging, marking, or description of hazardous material) and stated in sections 308(b), 1132(c) and (d), 40101(c), 40103(b), 40106(a), 40108, 40109(b), 40113(a), 40113(c), 40113(d), 40113(e), 40114(a), and 40119, chapter 445 (except sections 44501(b), 44502(a)(2), 44502(a)(3), 44502(a)(4), 44503, 44506, 44509, 44510, 44514, and 44515), chapter 447 (except sections 44717, 44718(a), 44718(b), 44719, 44720, 44721(b), 44722, and 44723), chapter 449 (except sections 44903(d), 44904, 44905, 44907–44911, 44913, 44915, and 44931–44934), chapter 451, chapter 453, sections 46104, 46301(d) and (h)(2), 46303(c), 46304–46308,

46310, 46311, and 46313–46316, chapter 465, and sections 47504(b)(related to flight procedures), 47508(a), and 48107 of this title; and

(B) additional duties and powers prescribed by the Secretary of Transportation.

(2) In carrying out sections 40119, 44901, 44903(a)–(c) and (e), 44906, 44912, 44935–44937, 44938(a) and (b), and 48107 of this title, paragraph (1)(A) of this subsection does not apply to duties and powers vested in the Director of Intelligence and Security by section 44931 of this title.

(h) Section 40101(d) of this title applies to duties and powers specified in subsection (g)(1) of this section. Any of those duties and powers may be transferred to another part of the Department only when specifically provided by law or a reorganization plan submitted under chapter 9 of title 5. A decision of the Administrator in carrying out those duties or powers is administratively final.

(i) The Deputy Administrator shall carry out duties and powers prescribed by the Administrator. The Deputy Administrator acts for the Administrator when the Administrator is absent or unable to serve, or when the office of the Administrator is vacant.

(j) There is established within the Federal Aviation Administration an institute to conduct civil aeromedical research under section 44507 of this title. Such institute shall be known as the “Civil Aeromedical Institute”. Research conducted by the institute should take appropriate advantage of capabilities of other government agencies, universities, or the private sector.

(k) AUTHORIZATION OF APPROPRIATIONS FOR OPERATIONS.—

(1) SALARIES, OPERATIONS, AND MAINTENANCE.—There is authorized to be appropriated to the Secretary of Transportation for salaries, operations, and maintenance of the Administration—

- (A) \$7,591,000,000 for fiscal year 2004;
- (B) \$7,732,000,000 for fiscal year 2005;
- (C) \$7,889,000,000 for fiscal year 2006; and
- (D) \$8,064,000,000 for fiscal year 2007.

Such sums shall remain available until expended.

(2) AUTHORIZED EXPENDITURES.—Out of amounts appropriated under paragraph (1), the following expenditures are authorized:

(A) Such sums as may be necessary for fiscal years 2004 through 2007 to support infrastructure systems development for both general aviation and the vertical flight industry.

(B) Such sums as may be necessary for fiscal years 2004 through 2007 to establish helicopter approach procedures using current technologies (such as the Global Positioning System) to support all-weather, emergency medical service for trauma patients.

(C) Such sums as may be necessary for fiscal years 2004 through 2007 to revise existing terminal and en route procedures and instrument flight rules to facilitate the takeoff, flight, and landing of tiltrotor aircraft and to improve the national airspace system by separating such aircraft from congested flight paths of fixed-wing aircraft.

(D) Such sums as may be necessary for fiscal years 2004 through 2007 for the Center for Management Development of the Federal Aviation Administration to operate training courses and to support associated student travel for both residential and field courses.

(E) Such sums as may be necessary for fiscal years 2004 through 2007 to carry out and expand the Air Traffic Control Collegiate Training Initiative.

(F) Such sums as may be necessary for fiscal years 2004 through 2007 for the completion of the Alaska aviation safety project with respect to the 3 dimensional mapping of Alaska's main aviation corridors.

(G) Such sums as may be necessary for fiscal years 2004 through 2007 to carry out the Aviation Safety Reporting System.

(I) PERSONNEL AND SERVICES.—

(1) OFFICERS AND EMPLOYEES.—Except as provided in section subsections (a) and (g) of section 40122, the Administrator is authorized, in the performance of the functions of the Administrator, to appoint, transfer, and fix the compensation of such officers and employees, including attorneys, as may be necessary to carry out the functions of the Administrator and the Administration. In fixing compensation and benefits of officers and employees, the Administrator shall not engage in any type of bargaining, except to the extent provided for in section 40122(a), nor shall the Administrator be bound by any requirement to establish such compensation or benefits at particular levels.

(2) EXPERTS AND CONSULTANTS.—The Administrator is authorized to obtain the services of experts and consultants in accordance with section 3109 of title 5.

(3) TRANSPORTATION AND PER DIEM EXPENSES.—The Administrator is authorized to pay transportation expenses, and per diem in lieu of subsistence expenses, in accordance with chapter 57 of title 5.

(4) USE OF PERSONNEL FROM OTHER AGENCIES.—The Administrator is authorized to utilize the services of personnel of any other Federal agency (as such term is defined under section 551(1) of title 5).

(5) VOLUNTARY SERVICES.—

(A) GENERAL RULE.—In exercising the authority to accept gifts and voluntary services under section 326 of this title, and without regard to section 1342 of title 31, the Administrator may not accept voluntary and uncompensated services if such services are used to displace Federal employees employed on a full-time, part-time, or seasonal basis.

(B) INCIDENTAL EXPENSES.—The Administrator is authorized to provide for incidental expenses, including transportation, lodging, and subsistence, for volunteers who provide voluntary services under this subsection.

(C) LIMITED TREATMENT AS FEDERAL EMPLOYEES.—An individual who provides voluntary services under this subsection shall not be considered a Federal employee for any

purpose other than for purposes of chapter 81 of title 5, relating to compensation for work injuries, and chapter 171 of title 28, relating to tort claims.

(6) CONTRACTS.—The Administrator is authorized to enter into and perform such contracts, leases, cooperative agreements, or other transactions as may be necessary to carry out the functions of the Administrator and the Administration. The Administrator may enter into such contracts, leases, cooperative agreements, and other transactions with any Federal agency (as such term is defined in section 551(1) of title 5) or any instrumentality of the United States, any State, territory, or possession, or political subdivision thereof, any other governmental entity, or any person, firm, association, corporation, or educational institution, on such terms and conditions as the Administrator may consider appropriate.

(m) COOPERATION BY ADMINISTRATOR.—With the consent of appropriate officials, the Administrator may, with or without reimbursement, use or accept the services, equipment, personnel, and facilities of any other Federal agency (as such term is defined in section 551(1) of title 5) and any other public or private entity. The Administrator may also cooperate with appropriate officials of other public and private agencies and instrumentalities concerning the use of services, equipment, personnel, and facilities. The head of each Federal agency shall cooperate with the Administrator in making the services, equipment, personnel, and facilities of the Federal agency available to the Administrator. The head of a Federal agency is authorized, notwithstanding any other provision of law, to transfer to or to receive from the Administration, without reimbursement, supplies, personnel, services, and equipment other than administrative supplies or equipment.

(n) ACQUISITION.—

(1) IN GENERAL.—The Administrator is authorized—

(A) to acquire (by purchase, lease, condemnation, or otherwise), construct, improve, repair, operate, and maintain—

(i) air traffic control facilities and equipment;

(ii) research and testing sites and facilities; and

(iii) such other real and personal property (including office space and patents), or any interest therein, within and outside the continental United States as the Administrator considers necessary;

(B) to lease to others such real and personal property; and

(C) to provide by contract or otherwise for eating facilities and other necessary facilities for the welfare of employees of the Administration at the installations of the Administration, and to acquire, operate, and maintain equipment for these facilities.

(2) TITLE.—Title to any property or interest therein acquired pursuant to this subsection shall be held by the Government of the United States.

(o) TRANSFERS OF FUNDS.—The Administrator is authorized to accept transfers of unobligated balances and unexpended balances of funds appropriated to other Federal agencies (as such term is de-

fined in section 551(1) of title 5) to carry out functions transferred by law to the Administrator or functions transferred pursuant to law to the Administrator on or after the date of the enactment of the Air Traffic Management System Performance Improvement Act of 1996.

(p) **MANAGEMENT ADVISORY COUNCIL AND AIR TRAFFIC SERVICES BOARD.**—

(1) **ESTABLISHMENT.**—Within 3 months after the date of the enactment of the Air Traffic Management System Performance Improvement Act of 1996, the Administrator shall establish an advisory council which shall be known as the Federal Aviation Management Advisory Council (in this subsection referred to as the “Council”). With respect to Administration management, policy, spending, funding, and regulatory matters affecting the aviation industry, the Council may submit comments, recommended modifications, and dissenting views to the Administrator. The Administrator shall include in any submission to Congress, the Secretary, or the general public, and in any submission for publication in the Federal Register, a description of the comments, recommended modifications, and dissenting views received from the Council, together with the reasons for any differences between the views of the Council and the views or actions of the Administrator.

(2) **MEMBERSHIP.**—The Council shall consist of 13 members, who shall consist of—

(A) a designee of the Secretary of Transportation;

(B) a designee of the Secretary of Defense;

(C) 10 members representing aviation interests, appointed by—

(i) in the case of initial appointments to the Council, the President by and with the advice and consent of the Senate, except that initial appointments made after May 1, 2003, shall be made by the Secretary of Transportation; and

(ii) in the case of subsequent appointments to the Council, the Secretary of Transportation; and

(D) 1 member appointed, from among individuals who are the leaders of their respective unions of air traffic control system employees, by the Secretary of Transportation.

(3) **QUALIFICATIONS.**—No officer or employee of the United States Government may be appointed to the Council under paragraph (2)(C) or to the Air Traffic Services Committee.

(4) **FUNCTIONS.**—

(A) **IN GENERAL.**—(i) The Council shall provide advice and counsel to the Administrator on issues which affect or are affected by the operations of the Administrator. The Council shall function as an oversight resource for management, policy, spending, and regulatory matters under the jurisdiction of the Administration.

(ii) The Council shall review the rulemaking cost-benefit analysis process and develop recommendations to improve the analysis and ensure that the public interest is fully protected.

(iii) The Council shall review the process through which the Administration determines to use advisory circulars and service bulletins.

(B) MEETINGS.—The Council shall meet on a regular and periodic basis or at the call of the chairman or of the Administrator.

(C) ACCESS TO DOCUMENTS AND STAFF.—The Administration may give the Council or Air Traffic Services Committee appropriate access to relevant documents and personnel of the Administration, and the Administrator shall make available, consistent with the authority to withhold commercial and other proprietary information under section 552 of title 5 (commonly known as the “Freedom of Information Act”), cost data associated with the acquisition and operation of air traffic service systems. Any member of the Council or Air Traffic Services Committee who receives commercial or other proprietary data from the Administrator shall be subject to the provisions of section 1905 of title 18, pertaining to unauthorized disclosure of such information.

(5) FEDERAL ADVISORY COMMITTEE ACT NOT TO APPLY.—The Federal Advisory Committee Act (5 U.S.C. App.) does not apply to the Council, the Air Traffic Services Committee, or such aviation rulemaking committees as the Administrator shall designate.

(6) ADMINISTRATIVE MATTERS.—

(A) TERMS OF MEMBERS APPOINTED UNDER PARAGRAPH (2)(C).—Members of the Council appointed under paragraph (2)(C) shall be appointed for a term of 3 years. Of the members first appointed by the President under paragraph (2)(C)—

- (i) 3 shall be appointed for terms of 1 year;
- (ii) 4 shall be appointed for terms of 2 years; and
- (iii) 3 shall be appointed for terms of 3 years.

(B) TERM FOR AIR TRAFFIC CONTROL REPRESENTATIVE.—The member appointed under paragraph (2)(D) shall be appointed for a term of 3 years, except that the term of such individual shall end whenever the individual no longer meets the requirements of paragraph (2)(D).

(C) TERMS FOR AIR TRAFFIC SERVICES COMMITTEE MEMBERS.—The members appointed to the Air Traffic Services Committee shall be appointed for a term of 5 years, except that the first members of the Committee shall be the members of the Air Traffic Services Subcommittee of the Council on the day before the date of enactment of the Vision 100—Century of Aviation Reauthorization Act who shall serve in an advisory capacity until such time as the President appoints the members of the Committee under paragraph (7).

(D) REAPPOINTMENT.—An individual may not be appointed to the Committee to more than two 5-year terms.

(E) VACANCY.—Any vacancy on the Council or Committee shall be filled in the same manner as the original appointment, except that any vacancy caused by a member

appointed by the President under paragraph (2)(C)(i) shall be filled by the Secretary in accordance with paragraph (2)(C)(ii). Any member appointed to fill a vacancy occurring before the expiration of the term for which the member's predecessor was appointed shall be appointed for the remainder of that term.

(F) CONTINUATION IN OFFICE.—A member of the Council or Committee whose term expires shall continue to serve until the date on which the member's successor takes office.

(G) REMOVAL.—Any member of the Council appointed under paragraph (2)(D) may be removed for cause by the President or Secretary whoever makes the appointment. Any member of the Committee may be removed for cause by the Secretary.

(H) CLAIMS AGAINST MEMBERS OF COMMITTEE.—

(i) IN GENERAL.—A member appointed to the Committee shall have no personal liability under Federal law with respect to any claim arising out of or resulting from an act or omission by such member within the scope of service as a member of the Committee.

(ii) EFFECT ON OTHER LAW.—This subparagraph shall not be construed—

(I) to affect any other immunity or protection that may be available to a member of the Subcommittee under applicable law with respect to such transactions;

(II) to affect any other right or remedy against the United States under applicable law; or

(III) to limit or alter in any way the immunities that are available under applicable law for Federal officers and employees.

(I) ETHICAL CONSIDERATIONS.—

(i) FINANCIAL DISCLOSURE.—During the entire period that an individual is serving as a member of the Committee, such individual shall be treated as serving as an officer or employee referred to in section 101(f) of the Ethics in Government Act of 1978 for purposes of title I of such Act; except that section 101(d) of such Act shall apply without regard to the number of days of service in the position.

(ii) RESTRICTIONS ON POST-EMPLOYMENT.—For purposes of section 207(c) of title 18, an individual who is a member of the Committee shall be treated as an employee referred to in section 207(c)(2)(A)(i) of such title during the entire period the individual is a member of the Committee; except that subsections (c)(2)(B) and (f) of section 207 of such title shall not apply.

(J) CHAIRMAN; VICE CHAIRMAN.—The Council shall elect a chair and a vice chair from among the members appointed under paragraph (2)(C), each of whom shall serve for a term of 1 year. The vice chair shall perform the duties of the chairman in the absence of the chairman.

(K) TRAVEL AND PER DIEM.—Each member of the Council or Committee shall be paid actual travel expenses, and per diem in lieu of subsistence expenses when away from his or her usual place of residence, in accordance with section 5703 of title 5.

(L) DETAIL OF PERSONNEL FROM THE ADMINISTRATION.—The Administrator shall make available to the Council or Committee such staff, information, and administrative services and assistance as may reasonably be required to enable the Council or Committee to carry out its responsibilities under this subsection.

(7) AIR TRAFFIC SERVICES COMMITTEE.—

(A) ESTABLISHMENT.—The Administrator shall establish a committee that is independent of the Council by converting the Air Traffic Services Subcommittee of the Council, as in effect on the day before the date of enactment of the Vision 100—Century of Aviation Reauthorization Act, into such committee. The committee shall be known as the Air Traffic Services Committee (in this subsection referred to as the “Committee”).

(B) MEMBERSHIP AND QUALIFICATIONS.—Subject to paragraph (6)(C), the Committee shall consist of five members, one of whom shall be the Administrator and shall serve as chairperson. The remaining members shall be appointed by the President with the advice and consent of the Senate and—

(i) shall have a fiduciary responsibility to represent the public interest;

(ii) shall be citizens of the United States; and

(iii) shall be appointed without regard to political affiliation and solely on the basis of their professional experience and expertise in one or more of the following areas and, in the aggregate, should collectively bring to bear expertise in all of the following areas:

(I) Management of large service organizations.

(II) Customer service.

(III) Management of large procurements.

(IV) Information and communications technology.

(V) Organizational development.

(VI) Labor relations.

(C) PROHIBITIONS ON MEMBERS OF COMMITTEE.—No member of the Committee may—

(i) have a pecuniary interest in, or own stock in or bonds of, an aviation or aeronautical enterprise, except an interest in a diversified mutual fund or an interest that is exempt from the application of section 208 of title 18;

(ii) engage in another business related to aviation or aeronautics; or

(iii) be a member of any organization that engages, as a substantial part of its activities, in activities to influence aviation-related legislation.

(D) GENERAL RESPONSIBILITIES.—

(i) OVERSIGHT.—The Committee shall oversee the administration, management, conduct, direction, and supervision of the air traffic control system.

(ii) CONFIDENTIALITY.—The Committee shall ensure that appropriate confidentiality is maintained in the exercise of its duties.

(E) SPECIFIC RESPONSIBILITIES.—The Committee shall have the following specific responsibilities:

(i) STRATEGIC PLANS.—To review, approve, and monitor the strategic plan for the air traffic control system, including the establishment of—

(I) a mission and objectives;

(II) standards of performance relative to such mission and objectives, including safety, efficiency, and productivity; and

(III) annual and long-range strategic plans.

(ii) MODERNIZATION AND IMPROVEMENT.—To review and approve—

(I) methods to accelerate air traffic control modernization and improvements in aviation safety related to air traffic control; and

(II) procurements of air traffic control equipment in excess of \$100,000,000.

(iii) OPERATIONAL PLANS.—To review the operational functions of the air traffic control system, including—

(I) plans for modernization of the air traffic control system;

(II) plans for increasing productivity or implementing cost-saving measures; and

(III) plans for training and education.

(iv) MANAGEMENT.—To—

(I) review and approve the Administrator's appointment of a Chief Operating Officer under section 106(r);

(II) review the Administrator's selection, evaluation, and compensation of senior executives of the Administration who have program management responsibility over significant functions of the air traffic control system;

(III) review and approve the Administrator's plans for any major reorganization of the Administration that would impact on the management of the air traffic control system;

(IV) review and approve the Administrator's cost accounting and financial management structure and technologies to help ensure efficient and cost-effective air traffic control operation; and

(V) review the performance and compensation of managers responsible for major acquisition projects, including the ability of the managers to meet schedule and budget targets.

(v) BUDGET.—To—

- (I) review and make recommendations on the budget request of the Administration related to the air traffic control system prepared by the Administrator;
- (II) submit such budget recommendations to the Secretary; and
- (III) base such budget recommendations on the annual and long-range strategic plans.
- (F) COMMITTEE PERSONNEL MATTERS AND EXPENSES.—
- (i) PERSONNEL MATTERS.—The Committee may appoint and terminate for purposes of employment by the Committee any personnel that may be necessary to enable the Committee to perform its duties, and may procure temporary and intermittent services under section 40122.
- (ii) TRAVEL EXPENSES.—Each member of the Committee shall receive travel expenses, including per diem in lieu of subsistence, in accordance with applicable provisions under subchapter I of chapter 57 of title 5, United States Code.
- (G) ADMINISTRATIVE MATTERS.—
- (i) POWERS OF CHAIR.—Except as otherwise provided by a majority vote of the Committee, the powers of the chairperson shall include—
- (I) establishing committees;
- (II) setting meeting places and times;
- (III) establishing meeting agendas; and
- (IV) developing rules for the conduct of business.
- (ii) MEETINGS.—The Committee shall meet at least quarterly and at such other times as the chairperson determines appropriate.
- (iii) QUORUM.—Three members of the Committee shall constitute a quorum. A majority of members present and voting shall be required for the Committee to take action.
- (H) REPORTS.—
- (i) ANNUAL.—The Committee shall each year report with respect to the conduct of its responsibilities under this title to the Secretary, the Committee on Transportation and Infrastructure of the House of Representatives, and the Committee on Commerce, Science, and Transportation of the Senate.
- (ii) ADDITIONAL REPORT.—If a determination by the Committee under subparagraph (D)(i) that the organization and operation of the air traffic control system are not allowing the Administration to carry out its mission, the Committee shall report such determination to the Secretary, the Committee on Transportation and Infrastructure of the House of Representatives, and the Committee on Commerce, Science, and Transportation of the Senate.
- (iii) ACTION OF ADMINISTRATOR ON REPORT.—Not later than 60 days after the date of a report of the

Committee under this subparagraph, the Administrator shall take action with respect to such report. If the Administrator overturns a recommendation of the Committee, the Administrator shall report such action to the President, the Committee on Transportation and Infrastructure of the House of Representatives, and the Committee on Commerce, Science, and Transportation of the Senate.

(iv) COMPTROLLER GENERAL'S REPORT.—Not later than April 30, 2003, the Comptroller General of the United States shall transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on the success of the Committee in improving the performance of the air traffic control system.

(I) AUTHORIZATION.—There are authorized to be appropriated to the Committee such sums as may be necessary for the Committee to carry out its activities.

(8) AIR TRAFFIC CONTROL SYSTEM DEFINED.—In this section, the term “air traffic control system” has the meaning such term has under section 40102(a).

(q) AIRCRAFT NOISE OMBUDSMAN.—

(1) ESTABLISHMENT.—There shall be in the Administration an Aircraft Noise Ombudsman.

(2) GENERAL DUTIES AND RESPONSIBILITIES.—The Ombudsman shall—

(A) be appointed by the Administrator;

(B) serve as a liaison with the public on issues regarding aircraft noise; and

(C) be consulted when the Administration proposes changes in aircraft routes so as to minimize any increases in aircraft noise over populated areas.

(3) NUMBER OF FULL-TIME EQUIVALENT EMPLOYEES.—The appointment of an Ombudsman under this subsection shall not result in an increase in the number of full-time equivalent employees in the Administration.

(r) CHIEF OPERATING OFFICER.—

(1) IN GENERAL.—

(A) APPOINTMENT.—There shall be a Chief Operating Officer for the air traffic control system to be appointed by the Administrator, with the approval of the Air Traffic Services Committee. The Chief Operating Officer shall report directly to the Administrator and shall be subject to the authority of the Administrator.

(B) QUALIFICATIONS.—The Chief Operating Officer shall have a demonstrated ability in management and knowledge of or experience in aviation.

(C) TERM.—The Chief Operating Officer shall be appointed for a term of 5 years.

(D) REMOVAL.—The Chief Operating Officer shall serve at the pleasure of the Administrator, except that the Administrator shall make every effort to ensure stability

and continuity in the leadership of the air traffic control system.

(E) VACANCY.—Any individual appointed to fill a vacancy in the position of Chief Operating Officer occurring before the expiration of the term for which the individual's predecessor was appointed shall be appointed for the remainder of that term.

(2) COMPENSATION.—

(A) IN GENERAL.—The Chief Operating Officer shall be paid at an annual rate of basic pay to be determined by the Administrator, with the approval of the Air Traffic Services Committee. The annual rate may not exceed the annual compensation paid under section 102 of title 3. The Chief Operating Officer shall be subject to the post-employment provisions of section 207 of title 18 as if the position of Chief Operating Officer were described in section 207(c)(2)(A)(i) of that title.

(B) BONUS.—In addition to the annual rate of basic pay authorized by subparagraph (A), the Chief Operating Officer may receive a bonus for any calendar year not to exceed 30 percent of the annual rate of basic pay, based upon the Administrator's evaluation of the Chief Operating Officer's performance in relation to the performance goals set forth in the performance agreement described in paragraph (3).

(3) ANNUAL PERFORMANCE AGREEMENT.—The Administrator and the Chief Operating Officer, in consultation with the Air Traffic Services Committee, shall enter into an annual performance agreement that sets forth measurable organization and individual goals for the Chief Operating Officer in key operational areas. The agreement shall be subject to review and renegotiation on an annual basis.

(4) ANNUAL PERFORMANCE REPORT.—The Chief Operating Officer shall prepare and transmit to the Secretary of Transportation, the Committee on Transportation and Infrastructure of the House of Representatives, and the Committee on Commerce, Science, and Transportation of the Senate an annual management report containing such information as may be prescribed by the Secretary.

(5) RESPONSIBILITIES.—The Administrator may delegate to the Chief Operating Officer, or any other authority within the Administration responsibilities, including the following:

(A) STRATEGIC PLANS.—To implement the strategic plan of the Administration for the air traffic control system, in order to further—

(i) a mission and objectives;

(ii) standards of performance relative to such mission and objectives, including safety, efficiency, and productivity;

(iii) annual and long-range strategic plans; and

(iv) methods of the Administration to accelerate air traffic control modernization and improvements in aviation safety related to air traffic control.

(B) OPERATIONS.—To oversee the day-to-day operational functions of the Administration for air traffic control, including—

- (i) modernization of the air traffic control system;
- (ii) increasing productivity or implementing cost-saving measures;
- (iii) training and education; and
- (iv) the management of cost-reimbursable contracts.

(C) BUDGET.—To—

- (i) develop a budget request of the Administration related to the air traffic control system;
- (ii) submit such budget request to the Administrator and the Committee; and
- (iii) ensure that the budget request supports the agency's annual and long-range strategic plans for air traffic control services.

§ 107. Federal Transit Administration

(a) The Federal Transit Administration is an administration in the Department of Transportation.

(b) The head of the Administration is the Administrator who is appointed by the President, by and with the advice and consent of the Senate. The Administrator reports directly to the Secretary of Transportation.

(c) The Administrator shall carry out duties and powers prescribed by the Secretary.

§ 108. Coast Guard

(a)(1) The Coast Guard is a part of the Department of Transportation. The Secretary of Transportation exercises all duties and powers related to the Coast Guard vested in the Secretary of the Treasury, and other officers and offices of the Department of Treasury, immediately before April 1, 1967.

(2) Notwithstanding paragraph (1) of this subsection, the Coast Guard, together with the duties and powers of the Coast Guard, shall operate as a service in the Navy as provided under section 3 of title 14.

(b) The Commandant is the Chief of the Coast Guard. In addition to carrying out the duties and powers specified by law, the Commandant shall carry out duties and powers prescribed by the Secretary of Transportation. The Commandant reports directly to the Secretary.

§ 109. Maritime Administration

(a) The Maritime administration transferred by section 2 of the Maritime Act of 1981 (46 App. U.S.C. 1601) is an administration in the Department of Transportation.

(b) The Administrator of the Administration appointed under section 4 of the Maritime Act of 1981 (46 App. U.S.C. 1603) reports directly to the Secretary of Transportation.

§ 110. Saint Lawrence Seaway Development Corporation

(a) The Saint Lawrence Seaway Development Corporation established under section 1 of the Act of May 13, 1954 (33 U.S.C. 981), is subject to the direction and supervision of the Secretary of Transportation.

(b) The Administrator of the Corporation appointed under section 2 of the Act of May 13, 1954 (33 U.S.C. 982), reports directly to the Secretary.

§ 111. Bureau of Transportation Statistics

(a) ESTABLISHMENT.—There is established in the Department of Transportation a Bureau of Transportation Statistics.

(b) DIRECTOR.—

(1) APPOINTMENT.—The Bureau shall be headed by a Director who shall be appointed by the President, by and with the advice and consent of the Senate.

(2) QUALIFICATIONS.—The Director shall be appointed from among individuals who are qualified to serve as the Director by virtue of their training and experience in the compilation and analysis of transportation statistics.

(3) REPORTING.—The Director shall report directly to the Secretary.

(4) TERM.—The term of the Director shall be 4 years. The Director may continue to serve after the expiration of the term until a successor is appointed and confirmed.

(c) RESPONSIBILITIES.—The Director of the Bureau shall be responsible for carrying out the following duties:

(1) COMPILING TRANSPORTATION STATISTICS.—Compiling, analyzing, and publishing a comprehensive set of transportation statistics to provide timely summaries and totals (including industrywide aggregates and multiyear averages) of transportation-related information. Such statistics shall be suitable for conducting cost-benefit studies (including comparisons among individual transportation modes and intermodal transport systems) and shall include information on—

(A) productivity in various parts of the transportation sector;

(B) traffic flows;

(C) travel times;

(D) vehicle weights;

(E) variables influencing traveling behavior, including choice of transportation mode;

(F) travel costs of intracity commuting and intercity trips;

(G) availability of mass transit and the number of passengers served by each mass transit authority;

(H) frequency of vehicle and transportation facility repairs and other interruptions of transportation service;

(I) accidents;

(J) collateral damage to the human and natural environment;

(K) the condition of the transportation system; and

(L) transportation-related variables that influence global competitiveness.

(2) IMPLEMENTING LONG-TERM DATA COLLECTION PROGRAM.—Establishing and implementing, in cooperation with the modal administrators, the States, and other Federal officials a comprehensive, long-term program for the collection and analysis of data relating to the performance of the transportation systems of the United States. Such program shall—

(A) be coordinated with efforts to measure outputs and outcomes of the Department of Transportation and the transportation systems of the United States under the Government Performance and Results Act of 1993 (107 Stat. 285 et seq.) and the amendments made by such Act;

(B) ensure that data is collected under this subsection in a manner which will maximize the ability to compare data from different regions and for different time periods; and

(C) ensure that data collected under this subsection is controlled for accuracy, made relevant to the States and metropolitan planning organizations, and disseminated to the States and other interested parties.

(3) ISSUING GUIDELINES.—Issuing guidelines for the collection of information by the Department of Transportation required for statistics to be compiled under paragraph (1) in order to ensure that such information is accurate, reliable, relevant, and in a form that permits systematic analysis. The Bureau shall review and report to the Secretary of Transportation on the sources and reliability of the statistics proposed by the heads of the operating administrations of the Department to measure outputs and outcomes as required by the Government Performance and Results Act of 1993, and the amendments made by such Act, and shall carry out such other reviews of the sources and reliability of other data collected by the heads of the operating administrations of the Department as shall be requested by the Secretary.

(4) COORDINATING COLLECTION OF INFORMATION.—Coordinating the collection of information by the Department of Transportation required for statistics to be compiled under paragraph (1) with related information-gathering activities conducted by other Federal departments and agencies and collecting appropriate data not elsewhere gathered.

(5) MAKING STATISTICS ACCESSIBLE.—Making the statistics published under this subsection readily accessible.

(6) IDENTIFYING INFORMATION NEEDS.—Identifying information that is needed under paragraph (1) but which is not being collected, reviewing such needs at least annually with the Advisory Council on Transportation Statistics, and making recommendations to appropriate Department of Transportation research officials concerning extramural and intramural research programs to provide such information.

(7) SUPPORTING TRANSPORTATION DECISIONMAKING.—Ensuring that the statistics compiled under paragraph (1) are relevant for transportation decisionmaking by the Federal Gov-

ernment, State and local governments, transportation-related associations, private businesses, and consumers.

(d) INTERMODAL TRANSPORTATION DATA BASE.—

(1) IN GENERAL.—In consultation with the Associate Deputy Secretary, the Assistant Secretaries, and the heads of the operating administrations of the Department of Transportation, the Director shall establish and maintain a transportation data base for all modes of transportation.

(2) USE.—The data base shall be suitable for analyses carried out by the Federal Government, the States, and metropolitan planning organizations.

(3) CONTENTS.—The data base shall include—

(A) information on the volumes and patterns of movement of goods, including local, interregional, and international movement, by all modes of transportation and intermodal combinations, and by relevant classification;

(B) information on the volumes and patterns of movement of people, including local, interregional, and international movements, by all modes of transportation (including bicycle and pedestrian modes) and intermodal combinations, and by relevant classification;

(C) information on the location and connectivity of transportation facilities and services; and

(D) a national accounting of expenditures and capital stocks on each mode of transportation and intermodal combination.

(e) NATIONAL TRANSPORTATION LIBRARY.—

(1) IN GENERAL.—The Director shall establish and maintain a National Transportation Library, which shall contain a collection of statistical and other information needed for transportation decisionmaking at the Federal, State, and local levels.

(2) ACCESS.—The Director shall facilitate and promote access to the Library, with the goal of improving the ability of the transportation community to share information and the ability of the Director to make statistics readily accessible under subsection (c)(5).

(3) COORDINATION.—The Director shall work with other transportation libraries and other transportation information providers, both public and private, to achieve the goal specified in paragraph (2).

(f) NATIONAL TRANSPORTATION ATLAS DATA BASE.—

(1) IN GENERAL.—The Director shall develop and maintain geospatial data bases that depict—

(A) transportation networks;

(B) flows of people, goods, vehicles, and craft over the networks; and

(C) social, economic, and environmental conditions that affect or are affected by the networks.

(2) INTERMODAL NETWORK ANALYSIS.—The data bases shall be able to support intermodal network analysis.

(g) RESEARCH AND DEVELOPMENT GRANTS.—

(1) IN GENERAL.—The Secretary may make grants to, or enter into cooperative agreements or contracts with, public and

nonprofit private entities (including State transportation departments, metropolitan planning organizations, and institutions of higher education) for—

(A) investigation of the subjects specified in subsection (c)(1) and research and development of new methods of data collection, management, integration, dissemination, interpretation, and analysis;

(B) development of electronic clearinghouses of transportation data and related information, as part of the National Transportation Library under subsection (e); and

(C) development and improvement of methods for sharing geographic data, in support of the national transportation atlas data base under subsection (f) and the National Spatial Data Infrastructure developed under Executive Order No. 12906.

(2) LIMITATION.—Not more than \$500,000 of the amounts made available to carry out this section in a fiscal year may be used to carry out this subsection.

(h) LIMITATIONS ON STATUTORY CONSTRUCTION.—Nothing in this section shall be construed—

(1) to authorize the Bureau to require any other department or agency to collect data; or

(2) to reduce the authority of any other officer of the Department of Transportation to collect and disseminate data independently.

(i) PROHIBITION ON CERTAIN DISCLOSURES.—

(1) IN GENERAL.—An officer or employee of the Bureau may not—

(A) make any disclosure in which the data provided by an individual or organization under subsection (c)(2) can be identified;

(B) use the information provided under subsection (c)(2) for a nonstatistical purpose; or

(C) permit anyone other than an individual authorized by the Director to examine any individual report provided under subsection (c)(2).

(2) PROHIBITION ON REQUESTS FOR CERTAIN DATA.—

(A) GOVERNMENT AGENCIES.—No department, bureau, agency, officer, or employee of the United States (except the Director in carrying out this section) may require, for any reason, a copy of any report that has been filed under subsection (c)(2) with the Bureau or retained by an individual respondent.

(B) COURTS.—Any copy of a report described in subparagraph (A) that has been retained by an individual respondent or filed with the Bureau or any of its employees, contractors, or agents—

(i) shall be immune from legal process; and

(ii) shall not, without the consent of the individual concerned, be admitted as evidence or used for any purpose in any action, suit, or other judicial or administrative proceeding.

(C) APPLICABILITY.—This paragraph shall apply only to reports that permit information concerning an indi-

vidual or organization to be reasonably inferred by direct or indirect means.

(3) DATA COLLECTED FOR NONSTATISTICAL PURPOSES.—In a case in which the Bureau is authorized by statute to collect data or information for a nonstatistical purpose, the Director shall clearly distinguish the collection of the data or information, by rule and on the collection instrument, so as to inform a respondent that is requested or required to supply the data or information of the nonstatistical purpose.

(j) TRANSPORTATION STATISTICS ANNUAL REPORT.—The Director shall transmit to the President and Congress a Transportation Statistics Annual Report which shall include information on items referred to in subsection (c)(1), documentation of methods used to obtain and ensure the quality of the statistics presented in the report, and recommendations for improving transportation statistical information.

(k) PROCEEDS OF DATA PRODUCT SALES.—Notwithstanding section 3302 of title 31, United States Code, funds received by the Bureau from the sale of data products, for necessary expenses incurred, may be credited to the Highway Trust Fund (other than the Mass Transit Account) for the purpose of reimbursing the Bureau for the expenses.

§ 112. Research and Special Programs Administration

(a) ESTABLISHMENT.—There is established in the Department of Transportation a Research and Special Programs Administration.

(b) ADMINISTRATOR.—

(1) APPOINTMENT.—The Administration shall be headed by an Administrator who shall be appointed by the President, by and with the advice and consent of the Senate.

(2) REPORTING.—The Administrator shall report directly to the Secretary.

(c) DEPUTY ADMINISTRATOR.—The Administration shall have a Deputy Administrator who shall be appointed by the Secretary of Transportation. The Deputy Administrator shall carry out duties and powers prescribed by the Administrator.

(d) RESPONSIBILITIES OF ADMINISTRATOR.—The Administrator of the Administration shall be responsible for carrying out the following:

(1) HAZMAT TRANSPORTATION SAFETY.—Duties and powers vested in the Secretary of Transportation with respect to hazardous materials transportation safety, except as otherwise delegated by the Secretary.

(2) PIPELINE SAFETY.—Duties and powers vested in the Secretary with respect to pipeline safety.

(3) ACTIVITIES OF VOLPE NATIONAL TRANSPORTATION SYSTEMS CENTER.—Duties and powers vested in the Secretary with respect to activities of the Volpe National Transportation Systems Center.

(4) OTHER.—Such other duties and powers as the Secretary shall prescribe, including such multimodal and intermodal duties as are appropriate.

(e) LIMITATION ON STATUTORY CONSTRUCTION.—Nothing in this section shall affect any delegation of authority, regulation, order, approval, exemption, waiver, contract, or other administrative act of the Secretary with respect to laws administered through the Research and Special Programs Administration of the Department of Transportation on October 24, 1992.

§ 113. Federal Motor Carrier Safety Administration

(a) IN GENERAL.—The Federal Motor Carrier Safety Administration shall be an administration of the Department of Transportation.

(b) SAFETY AS HIGHEST PRIORITY.—In carrying out its duties, the Administration shall consider the assignment and maintenance of safety as the highest priority, recognizing the clear intent, encouragement, and dedication of Congress to the furtherance of the highest degree of safety in motor carrier transportation.

(c) ADMINISTRATOR.—The head of the Administration shall be the Administrator who shall be appointed by the President, by and with the advice and consent of the Senate, and shall be an individual with professional experience in motor carrier safety. The Administrator shall report directly to the Secretary of Transportation.

(d) DEPUTY ADMINISTRATOR.—The Administration shall have a Deputy Administrator appointed by the Secretary, with the approval of the President. The Deputy Administrator shall carry out duties and powers prescribed by the Administrator.

(e) CHIEF SAFETY OFFICER.—The Administration shall have an Assistant Federal Motor Carrier Safety Administrator appointed in the competitive service by the Secretary, with the approval of the President. The Assistant Administrator shall be the Chief Safety Officer of the Administration. The Assistant Administrator shall carry out the duties and powers prescribed by the Administrator.

(f) POWERS AND DUTIES.—The Administrator shall carry out—

(1) duties and powers related to motor carriers or motor carrier safety vested in the Secretary by chapters 5, 51, 55, 57, 59, 133 through 149, 311, 313, 315, and 317 and by section 18 of the Noise Control Act of 1972 (42 U.S.C. 4917; 86 Stat. 1249–1250); except as otherwise delegated by the Secretary to any agency of the Department of Transportation other than the Federal Highway Administration, as of October 8, 1999; and

(2) additional duties and powers prescribed by the Secretary.

(g) LIMITATION ON TRANSFER OF POWERS AND DUTIES.—A duty or power specified in subsection (f)(1) may only be transferred to another part of the Department when specifically provided by law.

(h) EFFECT OF CERTAIN DECISIONS.—A decision of the Administrator involving a duty or power specified in subsection (f)(1) and involving notice and hearing required by law is administratively final.

(i) CONSULTATION.—The Administrator shall consult with the Federal Highway Administrator and with the National Highway Traffic Safety Administrator on matters related to highway and motor carrier safety.

§ 114. Transportation Security Administration

(a) **IN GENERAL.**—The Transportation Security Administration shall be an administration of the Department of Transportation.

(b) **UNDER SECRETARY.**—

(1) **APPOINTMENT.**—The head of the Administration shall be the Under Secretary of Transportation for Security. The Under Secretary shall be appointed by the President, by and with the advice and consent of the Senate.

(2) **QUALIFICATIONS.**—The Under Secretary must—

(A) be a citizen of the United States; and

(B) have experience in a field directly related to transportation or security.

(3) **TERM.**—The term of office of an individual appointed as the Under Secretary shall be 5 years.

(c) **LIMITATION ON OWNERSHIP OF STOCKS AND BONDS.**—The Under Secretary may not own stock in or bonds of a transportation or security enterprise or an enterprise that makes equipment that could be used for security purposes.

(d) **FUNCTIONS.**—The Under Secretary shall be responsible for security in all modes of transportation, including—

(1) carrying out chapter 449, relating to civil aviation security, and related research and development activities; and

(2) security responsibilities over other modes of transportation that are exercised by the Department of Transportation.

(e) **SCREENING OPERATIONS.**—The Under Secretary shall—

(1) be responsible for day-to-day Federal security screening operations for passenger air transportation and intrastate air transportation under sections 44901 and 44935;

(2) develop standards for the hiring and retention of security screening personnel;

(3) train and test security screening personnel; and

(4) be responsible for hiring and training personnel to provide security screening at all airports in the United States where screening is required under section 44901, in consultation with the Secretary of Transportation and the heads of other appropriate Federal agencies and departments.

(f) **ADDITIONAL DUTIES AND POWERS.**—In addition to carrying out the functions specified in subsections (d) and (e), the Under Secretary shall—

(1) receive, assess, and distribute intelligence information related to transportation security;

(2) assess threats to transportation;

(3) develop policies, strategies, and plans for dealing with threats to transportation security;

(4) make other plans related to transportation security, including coordinating countermeasures with appropriate departments, agencies, and instrumentalities of the United States Government;

(5) serve as the primary liaison for transportation security to the intelligence and law enforcement communities;

(6) on a day-to-day basis, manage and provide operational guidance to the field security resources of the Administration,

including Federal Security Managers as provided by section 44933;

(7) enforce security-related regulations and requirements;

(8) identify and undertake research and development activities necessary to enhance transportation security;

(9) inspect, maintain, and test security facilities, equipment, and systems;

(10) ensure the adequacy of security measures for the transportation of cargo;

(11) oversee the implementation, and ensure the adequacy, of security measures at airports and other transportation facilities;

(12) require background checks for airport security screening personnel, individuals with access to secure areas of airports, and other transportation security personnel;

(13) work in conjunction with the Administrator of the Federal Aviation Administration with respect to any actions or activities that may affect aviation safety or air carrier operations;

(14) work with the International Civil Aviation Organization and appropriate aeronautic authorities of foreign governments under section 44907 to address security concerns on passenger flights by foreign air carriers in foreign air transportation; and

(15) carry out such other duties, and exercise such other powers, relating to transportation security as the Under Secretary considers appropriate, to the extent authorized by law.

(g) NATIONAL EMERGENCY RESPONSIBILITIES.—

(1) IN GENERAL.—Subject to the direction and control of the Secretary, the Under Secretary, during a national emergency, shall have the following responsibilities:

(A) To coordinate domestic transportation, including aviation, rail, and other surface transportation, and maritime transportation (including port security).

(B) To coordinate and oversee the transportation-related responsibilities of other departments and agencies of the Federal Government other than the Department of Defense and the military departments.

(C) To coordinate and provide notice to other departments and agencies of the Federal Government, and appropriate agencies of State and local governments, including departments and agencies for transportation, law enforcement, and border control, about threats to transportation.

(D) To carry out such other duties, and exercise such other powers, relating to transportation during a national emergency as the Secretary shall prescribe.

(2) AUTHORITY OF OTHER DEPARTMENTS AND AGENCIES.—The authority of the Under Secretary under this subsection shall not supersede the authority of any other department or agency of the Federal Government under law with respect to transportation or transportation-related matters, whether or not during a national emergency.

(3) CIRCUMSTANCES.—The Secretary shall prescribe the circumstances constituting a national emergency for purposes of this subsection.

(h) MANAGEMENT OF SECURITY INFORMATION.—In consultation with the Transportation Security Oversight Board, the Under Secretary shall—

(1) enter into memoranda of understanding with Federal agencies or other entities to share or otherwise cross-check as necessary data on individuals identified on Federal agency databases who may pose a risk to transportation or national security;

(2) establish procedures for notifying the Administrator of the Federal Aviation Administration, appropriate State and local law enforcement officials, and airport or airline security officers of the identity of individuals known to pose, or suspected of posing, a risk of air piracy or terrorism or a threat to airline or passenger safety;

(3) in consultation with other appropriate Federal agencies and air carriers, establish policies and procedures requiring air carriers—

(A) to use information from government agencies to identify individuals on passenger lists who may be a threat to civil aviation or national security; and

(B) if such an individual is identified, notify appropriate law enforcement agencies, prevent the individual from boarding an aircraft, or take other appropriate action with respect to that individual; and

(4) consider requiring passenger air carriers to share passenger lists with appropriate Federal agencies for the purpose of identifying individuals who may pose a threat to aviation safety or national security.

(i) VIEW OF NTSB.—In taking any action under this section that could affect safety, the Under Secretary shall give great weight to the timely views of the National Transportation Safety Board.

(j) ACQUISITIONS.—

(1) IN GENERAL.—The Under Secretary is authorized—

(A) to acquire (by purchase, lease, condemnation, or otherwise) such real property, or any interest therein, within and outside the continental United States, as the Under Secretary considers necessary;

(B) to acquire (by purchase, lease, condemnation, or otherwise) and to construct, repair, operate, and maintain such personal property (including office space and patents), or any interest therein, within and outside the continental United States, as the Under Secretary considers necessary;

(C) to lease to others such real and personal property and to provide by contract or otherwise for necessary facilities for the welfare of its employees and to acquire, maintain, and operate equipment for these facilities;

(D) to acquire services, including such personal services as the Secretary determines necessary, and to acquire (by purchase, lease, condemnation, or otherwise) and to

construct, repair, operate, and maintain research and testing sites and facilities; and

(E) in cooperation with the Administrator of the Federal Aviation Administration, to utilize the research and development facilities of the Federal Aviation Administration.

(2) TITLE.—Title to any property or interest therein acquired pursuant to this subsection shall be held by the Government of the United States.

(k) TRANSFERS OF FUNDS.—The Under Secretary is authorized to accept transfers of unobligated balances and unexpended balances of funds appropriated to other Federal agencies (as such term is defined in section 551(1) of title 5) to carry out functions transferred, on or after the date of enactment of the Aviation and Transportation Security Act, by law to the Under Secretary.

(l) REGULATIONS.—

(1) IN GENERAL.—The Under Secretary is authorized to issue, rescind, and revise such regulations as are necessary to carry out the functions of the Administration.

(2) EMERGENCY PROCEDURES.—

(A) IN GENERAL.—Notwithstanding any other provision of law or executive order (including an executive order requiring a cost-benefit analysis), if the Under Secretary determines that a regulation or security directive must be issued immediately in order to protect transportation security, the Under Secretary shall issue the regulation or security directive without providing notice or an opportunity for comment and without prior approval of the Secretary.

(B) REVIEW BY TRANSPORTATION SECURITY OVERSIGHT BOARD.—Any regulation or security directive issued under this paragraph shall be subject to review by the Transportation Security Oversight Board established under section 115. Any regulation or security directive issued under this paragraph shall remain effective for a period not to exceed 90 days unless ratified or disapproved by the Board or rescinded by the Under Secretary.

(3) FACTORS TO CONSIDER.—In determining whether to issue, rescind, or revise a regulation under this section, the Under Secretary shall consider, as a factor in the final determination, whether the costs of the regulation are excessive in relation to the enhancement of security the regulation will provide. The Under Secretary may waive requirements for an analysis that estimates the number of lives that will be saved by the regulation and the monetary value of such lives if the Under Secretary determines that it is not feasible to make such an estimate.

(4) AIRWORTHINESS OBJECTIONS BY FAA.—

(A) IN GENERAL.—The Under Secretary shall not take an aviation security action under this title if the Administrator of the Federal Aviation Administration notifies the Under Secretary that the action could adversely affect the airworthiness of an aircraft.

(B) REVIEW BY SECRETARY.—Notwithstanding subparagraph (A), the Under Secretary may take such an action,

after receiving a notification concerning the action from the Administrator under subparagraph (A), if the Secretary of Transportation subsequently approves the action.

(m) PERSONNEL AND SERVICES; COOPERATION BY UNDER SECRETARY.—

(1) AUTHORITY OF UNDER SECRETARY.—In carrying out the functions of the Administration, the Under Secretary shall have the same authority as is provided to the Administrator of the Federal Aviation Administration under subsections (l) and (m) of section 106.

(2) AUTHORITY OF AGENCY HEADS.—The head of a Federal agency shall have the same authority to provide services, supplies, equipment, personnel, and facilities to the Under Secretary as the head has to provide services, supplies, equipment, personnel, and facilities to the Administrator of the Federal Aviation Administration under section 106(m).

(n) PERSONNEL MANAGEMENT SYSTEM.—The personnel management system established by the Administrator of the Federal Aviation Administration under section 40122 shall apply to employees of the Transportation Security Administration, or, subject to the requirements of such section, the Under Secretary may make such modifications to the personnel management system with respect to such employees as the Under Secretary considers appropriate, such as adopting aspects of other personnel systems of the Department of Transportation.

(o) ACQUISITION MANAGEMENT SYSTEM.—The acquisition management system established by the Administrator of the Federal Aviation Administration under section 40110 shall apply to acquisitions of equipment, supplies, and materials by the Transportation Security Administration, or, subject to the requirements of such section, the Under Secretary may make such modifications to the acquisition management system with respect to such acquisitions of equipment, supplies, and materials as the Under Secretary considers appropriate, such as adopting aspects of other acquisition management systems of the Department of Transportation.

(p) AUTHORITY OF INSPECTOR GENERAL.—The Transportation Security Administration shall be subject to the Inspector General Act of 1978 (5 U.S.C. App.) and other laws relating to the authority of the Inspector General of the Department of Transportation.

(q) LAW ENFORCEMENT POWERS.—

(1) IN GENERAL.—The Under Secretary may designate an employee of the Transportation Security Administration or other Federal agency to serve as a law enforcement officer.

(2) POWERS.—While engaged in official duties of the Administration as required to fulfill the responsibilities under this section, a law enforcement officer designated under paragraph (1) may—

(A) carry a firearm;

(B) make an arrest without a warrant for any offense against the United States committed in the presence of the officer, or for any felony cognizable under the laws of the United States if the officer has probable cause to believe that the person to be arrested has committed or is committing the felony; and

(C) seek and execute warrants for arrest or seizure of evidence issued under the authority of the United States upon probable cause that a violation has been committed.

(3) GUIDELINES ON EXERCISE OF AUTHORITY.—The authority provided by this subsection shall be exercised in accordance with guidelines prescribed by the Under Secretary, in consultation with the Attorney General of the United States, and shall include adherence to the Attorney General's policy on use of deadly force.

(4) REVOCATION OR SUSPENSION OF AUTHORITY.—The powers authorized by this subsection may be rescinded or suspended should the Attorney General determine that the Under Secretary has not complied with the guidelines prescribed in paragraph (3) and conveys the determination in writing to the Secretary of Transportation and the Under Secretary.

(r) AUTHORITY TO EXEMPT.—The Under Secretary may grant an exemption from a regulation prescribed in carrying out this section if the Under Secretary determines that the exemption is in the public interest.

(s) NONDISCLOSURE OF SECURITY ACTIVITIES.—

(1) IN GENERAL.—Notwithstanding section 552 of title 5, the Under Secretary shall prescribe regulations prohibiting the disclosure of information obtained or developed in carrying out security under authority of the Aviation and Transportation Security Act (Public Law 107–71) or under chapter 449 of this title if the Under Secretary decides that disclosing the information would—

(A) be an unwarranted invasion of personal privacy;

(B) reveal a trade secret or privileged or confidential commercial or financial information; or

(C) be detrimental to the security of transportation.

(2) AVAILABILITY OF INFORMATION TO CONGRESS.—Paragraph (1) does not authorize information to be withheld from a committee of Congress authorized to have the information.

(3) LIMITATION ON TRANSFERABILITY OF DUTIES.—Except as otherwise provided by law, the Under Secretary may not transfer a duty or power under this subsection to another department, agency, or instrumentality of the United States.

§ 115. Transportation Security Oversight Board

(a) IN GENERAL.—There is established in the Department of Homeland Security a board to be known as the “Transportation Security Oversight Board”.

(b) MEMBERSHIP.—

(1) NUMBER AND APPOINTMENT.—The Board shall be composed of 7 members as follows:

(A) The Secretary of Homeland Security, or the Secretary's designee.

(B) The Secretary of Transportation, or the Secretary's designee.

(C) The Attorney General, or the Attorney General's designee.

(D) The Secretary of Defense, or the Secretary's designee.

(E) The Secretary of the Treasury, or the Secretary's designee.

(F) The Director of the Central Intelligence Agency, or the Director's designee.

(G) One member appointed by the President to represent the National Security Council.

(2) CHAIRPERSON.—The Chairperson of the Board shall be the Secretary of Homeland Security.

(c) DUTIES.—The Board shall—

(1) review and ratify or disapprove any regulation or security directive issued by the Under Secretary of Transportation for security under section 114(1)(2) within 30 days after the date of issuance of such regulation or directive;

(2) facilitate the coordination of intelligence, security, and law enforcement activities affecting transportation;

(3) facilitate the sharing of intelligence, security, and law enforcement information affecting transportation among Federal agencies and with carriers and other transportation providers as appropriate;

(4) explore the technical feasibility of developing a common database of individuals who may pose a threat to transportation or national security;

(5) review plans for transportation security;

(6) make recommendations to the Under Secretary regarding matters reviewed under paragraph (5).

(d) QUARTERLY MEETINGS.—The Board shall meet at least quarterly.

(e) CONSIDERATION OF SECURITY INFORMATION.—A majority of the Board may vote to close a meeting of the Board to the public, except that meetings shall be closed to the public whenever classified, sensitive security information, or information protected in accordance with section 40119(b), will be discussed.

CHAPTER 3—GENERAL DUTIES AND POWERS

SUBCHAPTER I—DUTIES OF THE SECRETARY OF TRANSPORTATION

Sec.

301. Leadership, consultation, and cooperation.

302. Policy standards for transportation.

303. Policy on lands, wildlife and waterfowl refuges, and historic sites.

303a. Development of water transportation.

304. Joint activities with the Secretary of Housing and Urban Development.

305. Transportation investment standards and criteria.

306. Prohibited discrimination.

307. Safety information and intervention in Interstate Commerce Commission proceedings.

308. Reports.

309. High-speed ground transportation.

SUBCHAPTER II—ADMINISTRATIVE

321. Definitions.

322. General powers.

323. Personnel.

324. Members of the armed forces.

325. Advisory committees.

326. Gifts.

327. Administrative working capital fund.

328. Transportation Systems Center working capital fund.

329. Transportation information.

- 330. Research contracts.
- 331. Service, supplies, and facilities at remote places.
- 332. Minority Resource Center.
- 333. Responsibility for rail transportation unification and coordination projects.
- 334. [Repealed]
- 335. [Repealed]
- 336. Civil penalty procedures.
- 337. Budget request for the Director of Intelligence and Security.

SUBCHAPTER III—MISCELLANEOUS

- 351. Judicial review of actions in carrying out certain transferred duties and powers.
- 352. Authority to carry out certain transferred duties and powers.
- 353. Toxicological testing of officers and employees.
- 354. Investigative authority of Inspector General.

SUBCHAPTER I—DUTIES OF THE SECRETARY OF
TRANSPORTATION**§ 301. Leadership, consultation, and cooperation**

The Secretary of Transportation shall—

(1) under the direction of the President, exercise leadership in transportation matters, including those matters affecting national defense and those matters involving national or regional emergencies;

(2) provide leadership in the development of transportation policies and programs, and make recommendations to the President and Congress for their consideration and implementation;

(3) coordinate Federal policy on intermodal transportation and initiate policies to promote efficient intermodal transportation in the United States;

(4) promote and undertake the development, collection, and dissemination of technological, statistical, economic, and other information relevant to domestic and international transportation;

(5) consult and cooperate with the Secretary of Labor in compiling information regarding the status of labor-management contracts and other labor-management problems and in promoting industrial harmony and stable employment conditions in all modes of transportation;

(6) promote and undertake research and development related to transportation, including noise abatement, with particular attention to aircraft noise, and including basic highway vehicle science;

(7) consult with the heads of other departments, agencies, and instrumentalities of the United States Government on the transportation requirements of the Government, including encouraging them to establish and observe policies consistent with maintaining a coordinated transportation system in procuring transportation or in operating their own transport services;

(8) consult and cooperate with State and local governments, carriers, labor, and other interested persons, including, when appropriate, holding informal public hearings; and

(9) develop and coordinate Federal policy on financing transportation infrastructure, including the provision of direct

Federal credit assistance and other techniques used to leverage Federal transportation funds.

§ 302. Policy standards for transportation

(a) The Secretary of Transportation is governed by the transportation policy of sections 10101 and 13101 of this title in addition to other laws.

(b) This subtitle and chapters 221 and 315 of this title do not authorize, without appropriate action by Congress, the adoption, revision, or implementation of a transportation policy or investment standards or criteria.

(c) The Secretary shall consider the needs—

(1) for effectiveness and safety in transportation systems; and

(2) of national defense.

(d)(1) It is the policy of the United States to promote the construction and commercialization of high-speed ground transportation systems by—

(A) conducting economic and technological research;

(B) demonstrating advancements in high-speed ground transportation technologies;

(C) establishing a comprehensive policy for the development of such systems and the effective integration of the various high-speed ground transportation technologies; and

(D) minimizing the long-term risks of investors.

(2) It is the policy of the United States to establish in the shortest time practicable a United States designed and constructed magnetic levitation transportation technology capable of operating along Federal-aid highway rights-of-way, as part of a national transportation system of the United States.

(e) INTERMODAL TRANSPORTATION.—It is the policy of the United States Government to encourage and promote development of a national intermodal transportation system in the United States to move people and goods in an energy-efficient manner, provide the foundation for improved productivity growth, strengthen the Nation's ability to compete in the global economy, and obtain the optimum yield from the Nation's transportation resources.

§ 303. Policy on lands, wildlife and waterfowl refuges, and historic sites

(a) It is the policy of the United States Government that special effort should be made to preserve the natural beauty of the countryside and public park and recreation lands, wildlife and waterfowl refuges, and historic sites.

(b) The Secretary of Transportation shall cooperate and consult with the Secretaries of the Interior, Housing and Urban Development, and Agriculture, and with the States, in developing transportation plans and programs that include measures to maintain or enhance the natural beauty of lands crossed by transportation activities or facilities.

(c) The Secretary may approve a transportation program or project (other than any project for a park road or parkway under section 204 of title 23) requiring the use of publicly owned land of a public park, recreation area, or wildlife and waterfowl refuge of

national, State, or local significance, or land of a historic site of national, State, or local significance (as determined by the Federal, State, or local officials having jurisdiction over the park, area, refuge, or site) only if—

(1) there is no prudent and feasible alternative to using that land; and

(2) the program or project includes all possible planning to minimize harm to the park, recreation area, wildlife and waterfowl refuge, or historic site resulting from the use.

§ 303a. Development of water transportation

(a) POLICY.—It is the policy of Congress—

(1) to promote, encourage, and develop water transportation, service, and facilities for the commerce of the United States; and

(2) to foster and preserve rail and water transportation.

(b) DEFINITION.—In this section, “inland waterway” includes the Great Lakes.

(c) REQUIREMENTS.—The Secretary of Transportation shall—

(1) investigate the types of vessels suitable for different classes of inland waterways to promote, encourage, and develop inland waterway transportation facilities for the commerce of the United States;

(2) investigate water terminals, both for inland waterway traffic and for through traffic by water and rail, including the necessary docks, warehouses, and equipment, and investigate railroad spurs and switches connecting with those water terminals, to develop the types most appropriate for different locations and for transferring passengers or property between water carriers and rail carriers more expeditiously and economically;

(3) consult with communities, cities, and towns about the location of water terminals, and cooperate with them in preparing plans for terminal facilities;

(4) investigate the existing status of water transportation on the different inland waterways of the United States to learn the extent to which—

(A) the waterways are being used to their capacity and are meeting the demands of traffic; and

(B) water carriers using those waterways are interchanging traffic with rail carriers;

(5) investigate other matters that may promote and encourage inland water transportation; and

(6) compile, publish, and distribute information about transportation on inland waterways that the Secretary considers useful to the commercial interests of the United States.

§ 304. Joint activities with the Secretary of Housing and Urban Development

(a) The Secretary of Transportation and the Secretary of Housing and Urban Development shall—

(1) consult and exchange information about their respective transportation policies and activities;

(2) carry out joint planning, research, and other activities;

(3) coordinate assistance for local transportation projects; and

(4) jointly study methods by which policies and programs of the United States Government can ensure that urban transportation systems most effectively serve both transportation needs of the United States and the comprehensively planned development of urban areas.

(b) The Secretaries shall report on April 1 of each year to the President, for submission to Congress, on their studies and other activities under this section, including legislative recommendations they consider desirable.

§ 305. Transportation investment standards and criteria

(a) Subject to sections 301–304 of this title, the Secretary of Transportation shall develop standards and criteria to formulate and economically evaluate all proposals for investing amounts of the United States Government in transportation facilities and equipment. Based on experience, the Secretary shall revise the standards and criteria. When approved by Congress, the Secretary shall prescribe standards and criteria developed or revised under this subsection. This subsection does not apply to—

(1) the acquisition of transportation facilities or equipment by a department, agency, or instrumentality of the Government to provide transportation for its use;

(2) an inter-oceanic canal located outside the 48 contiguous States;

(3) defense features included at the direction of the Department of Defense in designing and constructing civil air, sea, or land transportation;

(4) foreign assistance programs;

(5) water resources projects; or

(6) grant-in-aid programs authorized by law.

(b) A department, agency, or instrumentality of the Government preparing a survey, plan, or report that includes a proposal about which the Secretary has prescribed standards and criteria under subsection (a) of this section shall—

(1) prepare the survey, plan, or report under those standards and criteria and on the basis of information provided by the Secretary on the—

(A) projected growth of transportation needs and traffic in the affected area;

(B) the relative efficiency of various modes of transportation;

(C) the available transportation services in the area; and

(D) the general effect of the proposed investment on existing modes of transportation and on the regional and national economy;

(2) coordinate the survey, plan, or report—

(A) with the Secretary and include the views and comments of the Secretary; and

(B) as appropriate, with other departments, agencies, and instrumentalities of the Government, States, and local governments, and include their views and comments; and

(3) send the survey, plan, or report to the President for disposition under law and procedure established by the President.

§ 306. Prohibited discrimination

(a) In this section, “financial assistance” includes obligation guarantees.

(b) A person in the United States may not be excluded from participating in, be denied the benefits of, or be subject to discrimination under, a project, program, or activity because of race, color, national origin, or sex when any part of the project, program, or activity is financed through financial assistance under section 332 or 333 or chapter 221 or 249 of this title, section 211 or 216 of the Regional Rail Reorganization Act of 1973 (45 U.S.C. 721, 726), or title V of the Railroad Revitalization and Regulatory Reform Act of 1976 (45 U.S.C. 821 et seq.).

(c) When the Secretary of Transportation decides that a person receiving financial assistance under a law referred to in subsection (b) of this section has not complied with that subsection, a Federal civil rights law, or an order or regulation issued under a Federal civil rights law, the Secretary shall notify the person of the decision and require the person to take necessary action to ensure compliance with that subsection.

(d) If a person does not comply with subsection (b) of this section within a reasonable time after receiving a notice under subsection (c) of this section, the Secretary shall take at least one of the following actions:

(1) direct that no more Federal financial assistance be provided the person.

(2) refer the matter to the Attorney General with a recommendation that a civil action be brought against the person.

(3) carry out the duties and powers provided by title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.).

(4) take other action provided by law.

(e) When a matter is referred to the Attorney General under subsection (d)(2) of this section, or when the Attorney General has reason to believe that a person is engaged in a pattern of practice violating this section, the Attorney General may begin a civil action in a district court of the United States for appropriate relief.

§ 307. Safety information and intervention in Interstate Commerce Commission proceedings

(a) The Secretary of Transportation shall inspect promptly the safety compliance record in the Department of Transportation of each person applying to the Interstate Commerce Commission for authority to provide transportation or freight forwarder service. The Secretary shall report the findings of the inspection to the Commission.

(b) When the Secretary is not satisfied with the safety record of a person applying for permanent authority to provide transportation or freight forwarder service, or for approval of a proposed transfer of permanent authority, the Secretary shall intervene and present evidence of the fitness of the person to the Commission in its proceedings.

(c) When requested by the Commission, the Secretary shall—

(1) provide the Commission with a complete report on the safety compliance of a carrier providing transportation or freight forwarder service subject to its jurisdiction;

(2) provide promptly a statement of the safety record of a person applying to the Commission for temporary authority to provide transportation;

(3) intervene and present evidence in a proceeding in which a finding of fitness is required; and

(4) make additional safety compliance surveys and inspections the Commission decides are desirable to allow it to act on an application or to make a finding on the fitness of a carrier.

§ 308. Reports

(a) As soon as practicable after the end of each fiscal year, the Secretary of Transportation shall report to the President, for submission to Congress, on the activities of the Department of Transportation during the prior fiscal year.

(b) The Secretary shall submit to the President and Congress each year a report on the aviation activities of the Department. The report shall include—

(1) collected information the Secretary considers valuable in deciding questions about—

(A) the development and regulation of civil aeronautics;

(B) the use of airspace of the United States; and

(C) the improvement of the air navigation and traffic control system; and

(2) recommendations for additional legislation and other action the Secretary considers necessary.

(c) The Secretary shall submit to Congress each year a report on the conditions of the public ports of the United States, including the—

(1) economic and technological development of the ports;

(2) extent to which the ports contribute to the national welfare and security; and

(3) factors that may impede the continued development of the ports.

(d) **[Repealed by section 1121(h) of Public Law 104-66 (109 Stat. 724).]**

(e)(1) The Secretary shall submit to Congress in March 1998, and in March of each even-numbered year thereafter, a report of estimates by the Secretary on the current performance and condition of public mass transportation systems with recommendations for necessary administrative or legislative changes.

(2) In reporting to Congress under this subsection, the Secretary shall prepare a complete assessment of public transportation facilities in the United States. The Secretary also shall assess future needs for those facilities and estimate future capital requirements and operation and maintenance requirements for one-year, 5-year, and 10-year periods at specified levels of service.

§ 309. High-speed ground transportation

(a) The Secretary of Transportation, in consultation with the Secretaries of Commerce, Energy, and Defense, the Administrator of the Environmental Protection Agency, the Assistant Secretary of the Army for Public Works, and the heads of other interested agencies, shall lead and coordinate Federal efforts in the research and development of high-speed ground transportation technologies in order to foster the implementation of magnetic levitation and high-speed steel wheel on rail transportation systems as alternatives to existing transportation systems.

(b)(1) The Secretary may award contracts and grants for demonstrations to determine the contributions that high-speed ground transportation could make to more efficient, safe, and economical intercity transportation systems. Such demonstrations shall be designed to measure and evaluate such factors as the public response to new equipment, higher speeds, variations in fares, improved comfort and convenience, and more frequent service. In connection with grants and contracts for demonstrations under this section, the Secretary shall provide for financial participation by private industry to the maximum extent practicable.

(2)(A) In connection with the authority provided under paragraph (1), there is established a national high-speed ground transportation technology demonstration program, which shall be separate from the national magnetic levitation prototype development program established under section 1036(b) of the Intermodal Surface Transportation Efficiency Act of 1991 and shall be managed by the Secretary of Transportation.

(B)(i) Any eligible applicant may submit to the Secretary a proposal for demonstration of any advancement in a high-speed ground transportation technology or technologies to be incorporated as a component, subsystem, or system in any revenue service high-speed ground transportation project or system under construction or in operation at the time the application is made.

(ii) Grants or contracts shall be awarded only to eligible applicants showing demonstrable benefit to the research and development, design, construction, or ultimate operation of any maglev technology or high-speed steel wheel on rail technology. Criteria to be considered in evaluating the suitability of a proposal under this paragraph shall include—

- (I) feasibility of guideway or track design and construction;
- (II) safety and reliability;
- (III) impact on the environment in comparison to other high-speed ground transportation technologies;
- (IV) minimization of land use;
- (V) effect on human factors related to high-speed ground transportation;
- (VI) energy and power consumption and cost;
- (VII) integration of high-speed ground transportation systems with other modes of transportation;
- (VIII) actual and projected ridership; and
- (IX) design of signaling, communications, and control systems.

(C) For the purposes of this paragraph, the term “eligible applicant” means any United States private business, State government, local government, organization of State or local government, or any combination thereof. The term does not include any business owned in whole or in part by the Federal Government.

(D) The amount and distribution of grants or contracts made under this paragraph shall be determined by the Secretary. No grant or contract may be awarded under this paragraph to demonstrate a technology to be incorporated into a project or system located in a State that prohibits under State law the expenditure of non-Federal public funds or revenues on the construction or operation of such project or system.

(E) Recipients of grants or contracts made pursuant to this paragraph shall agree to submit a report to the Secretary detailing the results and benefits of the technology demonstration proposed, as required by the Secretary.

(c)(1) In carrying out the responsibilities of the Secretary under this section, the Secretary is authorized to enter into 1 or more cooperative research and development agreements (as defined by section 12 of the Stevenson-Wydler Technology Innovation Act of 1980 (15 U.S.C. 3710a)), and 1 or more funding agreements (as defined by section 201(b) of title 35, United States Code), with United States companies for the purpose of—

(A) conducting research to overcome technical and other barriers to the development and construction of practicable high-speed ground transportation systems and to help advance the basic generic technologies needed for these systems; and

(B) transferring the research and basic generic technologies described in subparagraph (A) to industry in order to help create a viable commercial high-speed ground transportation industry within the United States.

(2) In a cooperative agreement or funding agreement under paragraph (1), the Secretary may agree to provide not more than 80 percent of the cost of any project under the agreement. Not less than 5 percent of the non-Federal entity’s share of the cost of any such project shall be paid in cash.

(3) The research, development, or utilization of any technology pursuant to a cooperative agreement under paragraph (1), including the terms under which such technology may be licensed and the resulting royalties may be distributed, shall be subject to the provisions of the Stevenson-Wydler Technology Innovation Act of 1980 (15 U.S.C. 3701 et seq.).

(4) The research, development, or utilization of any technology pursuant to a funding agreement under paragraph (1), including the determination of all licensing and ownership rights, shall be subject to the provisions of chapter 18 of title 35, United States Code.

(5) At the conclusion of fiscal year 1993 and again at the conclusion of fiscal year 1996, the Secretary shall submit reports to Congress regarding research and technology transfer activities conducted pursuant to the authorization contained in paragraph (1).

(d)(1) Not later than June 1, 1995, the Secretary shall complete and submit to Congress a study of the commercial feasibility of con-

structing 1 or more high-speed ground transportation systems in the United States. Such study shall consist of—

- (A) an economic and financial analysis;
- (B) a technical assessment; and
- (C) recommendations for model legislation for State and local governments to facilitate construction of high-speed ground transportation systems.

(2) The economic and financial analysis referred to in paragraph (1)(A) shall include—

(A) an examination of the potential market for a nationwide high-speed ground transportation network, including a national magnetic levitation ground transportation system;

(B) an examination of the potential markets for short-haul high-speed ground transportation systems and for intercity and long-haul high-speed ground transportation systems, including an assessment of—

(i) the current transportation practices and trends in each market; and

(ii) the extent to which high-speed ground transportation systems would relieve the current or anticipated congestion on other modes of transportation;

(C) projections of the costs of designing, constructing, and operating high-speed ground transportation systems, the extent to which such systems can recover their costs (including capital costs), and the alternative methods available for private and public financing;

(D) the availability of rights-of-way to serve each market, including the extent to which average and maximum speeds would be limited by the curvature of existing rights-of-way and the prospect of increasing speeds through the acquisition of additional rights-of-way without significant relocation of residential, commercial, or industrial facilities;

(E) a comparison of the projected costs of the various competing high-speed ground transportation technologies;

(F) recommendations for funding mechanisms, tax incentives, liability provisions, and changes in statutes and regulations necessary to facilitate the development of individual high-speed ground transportation systems and the completion of a nationwide high-speed ground transportation network;

(G) an examination of the effect of the construction and operation of high-speed ground transportation systems on regional employment and economic growth;

(H) recommendations for the roles appropriate for local, regional, and State governments to facilitate construction of high-speed ground transportation systems, including the roles of regional economic development authorities;

(I) an assessment of the potential for a high-speed ground transportation technology export market;

(J) recommendations regarding the coordination and centralization of Federal efforts relating to high-speed ground transportation;

(K) an examination of the role of the National Railroad Passenger Corporation in the development and operation of high-speed ground transportation systems; and

(L) any other economic or financial analyses the Secretary considers important for carrying out this section.

(3) The technical assessment referred to in paragraph (1)(B) shall include—

(A) an examination of the various technologies developed for use in the transportation of passengers by high-speed ground transportation, including a comparison of the safety (including dangers associated with grade crossings), energy efficiency, operational efficiencies, and environmental impacts of each system;

(B) an examination of the potential role of a United States designed maglev system, developed as a prototype under section 1036(b) of the Intermodal Surface Transportation Efficiency Act of 1991, in relation to the implementation of other high-speed ground transportation technologies and the national transportation system;

(C) an examination of the work being done to establish safety standards for high-speed ground transportation as a result of the enactment of section 7 of the Rail Safety Improvement Act of 1988;

(D) an examination of the need to establish appropriate technological, quality, and environmental standards for high-speed ground transportation systems;

(E) an examination of the significant unresolved technical issues surrounding the design, engineering, construction, and operation of high-speed ground transportation systems, including the potential for the use of existing rights-of-way;

(F) an examination of the effects on air quality, energy consumption, noise, land use, health, and safety as a result of the decreases in traffic volume on other modes of transportation that are expected to result from the full-scale development of high-speed ground transportation systems; and

(G) any other technical assessments the Secretary considers important for carrying out this section.

(e)(1) Within 12 months after the submission of the study required by subsection (d), the Secretary shall establish the national high-speed ground transportation policy (hereinafter in this section referred to as the "Policy").

(2) The Policy shall include—

(A) provisions to promote the design, construction, and operation of high-speed ground transportation systems in the United States;

(B) a determination whether the various competing high-speed ground transportation technologies can be effectively integrated into a national network and, if not, whether 1 or more such technologies should receive preferential encouragement from the Federal Government to enable the development of such a national network;

(C) a strategy for prioritizing the markets and corridors in which the construction of high-speed ground transportation systems should be encouraged; and

(D) provisions designed to promote American competitiveness in the market for high-speed ground transportation technologies.

(3) The Secretary shall solicit comments from the public in the development of the Policy and may consult with other Federal agencies as appropriate in drafting the Policy.

SUBCHAPTER II—ADMINISTRATIVE

§ 321. Definitions

In this subchapter, “aeronautics”, “air commerce”, and “air navigation facility” have the same meanings given those terms in section 40102(a) of this title.

§ 322. General powers

(a) The Secretary of Transportation may prescribe regulations to carry out the duties and powers of the Secretary. An officer of the Department of Transportation may prescribe regulations to carry out the duties and powers of the officer.

(b) The Secretary may delegate, and authorize successive delegations of, duties and powers of the Secretary to an officer or employee of the Department. An officer of the Department may delegate, and authorize successive delegations of, duties and powers of the officer to another officer or employee of the Department. However, the duties and powers specified in sections 103(c)(1), 104(c)(1), and 106(g)(1) of this title may not be delegated to an officer or employee outside the Administration concerned.

(c) On a reimbursable basis when appropriate, the Secretary may, in carrying out aviation duties and powers—

(1) use the available services, equipment, personnel, and facilities of other civilian or military departments, agencies, and instrumentalities of the United States Government, with their consent;

(2) cooperate with those departments, agencies, and instrumentalities in establishing and using aviation services, equipment, and facilities of the Department; and

(3) confer and cooperate with, and use the services, records, and facilities of, State, territorial, municipal, and other agencies.

(d) The Secretary may make expenditures to carry out aviation duties and powers, including expenditures for—

(1) rent and personal services;

(2) travel expenses;

(3) office furniture, equipment, supplies, lawbooks, newspapers, periodicals, and reference books, including exchanges;

(4) printing and binding;

(5) membership in and cooperation with domestic or foreign organizations related to, or a part of, the civil aeronautics industry or the art of aeronautics;

(6) payment of allowances and other benefits to employees stationed in foreign countries to the same extent authorized for members of the Foreign Service of comparable grade;

(7) investigations and studies about aeronautics; and

(8) acquiring, exchanging, operating, and maintaining passenger-carrying aircraft and automobiles and other property.

(e) The Secretary may negotiate, without advertising, the purchase of technical or special property related to air navigation when the Secretary decides that—

(1) making the property would require a substantial initial investment or an extended period of preparation; and

(2) procurement by advertising would likely result in additional cost to the Government by duplication of investment or would result in duplication of necessary preparation that would unreasonably delay procuring the property.

§ 323. Personnel

(a) The Secretary of Transportation may appoint and fix the pay of officers and employees of the Department of Transportation and may prescribe their duties and powers.

(b) The Secretary may procure services under section 3109 of title 5. However, an individual may be paid not more than \$100 a day for services.

§ 324. Members of the armed forces

(a) The Secretary of Transportation—

(1) to ensure that national defense interests are safeguarded properly and that the Secretary is advised properly about the needs and special problems of the armed forces, shall provide for participation of members of the armed forces in carrying out the duties and powers of the Secretary related to the regulation and protection of air traffic, including providing for, and research and development of, air navigation facilities, and the allocation of airspace; and

(2) may provide for participation of members of the armed forces in carrying out other duties and powers of the Secretary.

(b) A member of the Coast Guard on active duty may be appointed, detailed, or assigned to a position in the Department of Transportation, except the position of Secretary, Deputy Secretary, or Assistant Secretary for Administration. A retired member of the Coast Guard may be appointed, detailed, or assigned to a position in the Department.

(c) The Secretary of Transportation and the Secretary of a military department may make cooperative agreements, including agreements on reimbursement as may be considered appropriate by the Secretaries, under which a member of the armed forces may be appointed, detailed, or assigned to the Department of Transportation under this section. The Secretary of Transportation shall send a report each year to the appropriate committees of Congress on agreements made to carry out subsection (a)(2) of this section, including the number, rank, and position of each member appointed, detailed, or assigned under those agreements.

(d) The Secretary of a military department does not control the duties and powers of a member of the armed forces appointed, detailed, or assigned under this section when those duties and powers pertain to the Department of Transportation. A member of the armed forces appointed, detailed, or assigned under subsection (a)(2) of this section may not be charged against a statutory limitation on grades or strengths of the armed forces. The appointment, detail, or assignment and service of a member under this section

to a position in the Department of Transportation does not affect the status, office, rank, or grade held by that member, or a right or benefit arising from that status, office, rank, or grade.

§ 325. Advisory committees

(a) Without regard to the provisions of title 5 governing appointment in the competitive service, the Secretary of Transportation may appoint advisory committees to consult with and advise the Secretary in carrying out the duties and powers of the Secretary.

(b) While attending a committee meeting or otherwise serving at the request of the Secretary, a member of an advisory committee may be paid not more than \$100 a day. A member is entitled to reimbursement for expenses under section 5703 of title 5. This subsection does not apply to individuals regularly employed by the United States Government.

(c) A member of an advisory committee advising the Secretary in carrying out aviation duties and powers may serve for not more than 100 days in a calendar year.

§ 326. Gifts

(a) The Secretary of Transportation may accept and use conditional or unconditional gifts of property for the Department of Transportation. The Secretary may accept a gift of services in carrying out aviation duties and powers. Property accepted under this section and proceeds from that property must be used, as nearly as possible, under the terms of the gift.

(b) The Department has a fund in the Treasury. Disbursements from the fund are made on order of the Secretary. The fund consists of—

- (1) gifts of money;
- (2) income from property accepted under this section and proceeds from the sale of that property; and
- (3) income from securities under subsection (c) of this section.

(c) On request of the Secretary of Transportation, the Secretary of the Treasury may invest and reinvest amounts in the fund in securities of, or in securities whose principal and interest is guaranteed by, the United States Government.

(d) Property accepted under this section is a gift to or for the use of the Government under the Internal Revenue Code of 1954 (26 U.S.C. 1 et seq.).

§ 327. Administrative working capital fund

(a) The Department of Transportation has an administrative working capital fund. Amounts in the fund are available for expenses of operating and maintaining common administrative services the Secretary of Transportation decides are desirable for the efficiency and economy of the Department. The services may include—

- (1) a central supply service for stationery and other supplies and equipment through which adequate stocks may be maintained to meet the requirements of the Department;

- (2) central messenger, mail, telephone, and other communications services;
 - (3) office space;
 - (4) central services for document reproduction, and for graphics and visual aids; and
 - (5) a central library service.
- (b) Amounts in the fund are available without regard to fiscal year limitation. Amounts may be appropriated to the fund.
- (c) The fund consists of—
- (1) amounts appropriated to the fund;
 - (2) the reasonable value of stocks of supplies, equipment, and other assets and inventories on order that the Secretary transfers to the fund, less the related liabilities and unpaid obligations;
 - (3) amounts received from the sale or exchange of property; and
 - (4) payments received for loss or damage to property of the fund.¹²⁰
- (d) The fund shall be reimbursed, in advance, from amounts available to the Department or from other sources, for supplies and services at rates that will approximate the expenses of operation, including the accrual of annual leave and the depreciation of equipment. Amounts in the fund, in excess of amounts transferred or appropriated to maintain the fund, shall be deposited in the Treasury as miscellaneous receipts. All assets, liabilities, and prior losses are considered in determining the amount of the excess.

§ 328. Transportation Systems Center working capital fund

- (a) The Department of Transportation has a Transportation Systems Center working capital fund. Amounts in the fund are available for financing the activities of the Center, including research, development, testing, evaluation, analysis, and related activities the Secretary of Transportation approves, for the Department, other agencies, State and local governments, other public authorities, private organizations, and foreign countries.
- (b) Amounts in the fund are available without regard to fiscal year limitation. Amounts may be appropriated to the fund.
- (c) The capital of the fund consists of—
- (1) amounts appropriated to the fund;
 - (2) net assets of the Center as of October 1, 1980, including unexpended advances made to the Center for which valid obligations were incurred before October 1, 1980;
 - (3) the reasonable value of property and other assets transferred to the fund after September 30, 1980, less the related liabilities and unpaid obligations; and
 - (4) the reasonable value of property and other assets donated to the fund.
- (d) The fund shall be reimbursed or credited with—
- (1) advance payments from applicable funds or appropriations of the Department and other agencies, and with advance payments from other sources, the Secretary authorizes, for—
 - (A) services at rates that will recover the expenses of operation, including the accrual of annual leave and overhead; and

- (B) acquiring property and equipment under regulations the Secretary prescribes; and
- (2) receipts from the sale or exchange of property or in payment for loss or damage of property held by the fund.
- (e) The Secretary shall deposit at the end of each fiscal year, in the Treasury as miscellaneous receipts, amounts accruing in the fund that the Secretary decides are in excess of the needs of the fund.

§ 329. Transportation information

(a) The Secretary of Transportation may collect and collate transportation information the Secretary decides will contribute to the improvement of the transportation system of the United States. To the greatest practical extent, the Secretary shall use information available from departments, agencies, and instrumentalities of the United States Government and other sources. To the extent practical, the Secretary shall make available to other Government departments, agencies, and instrumentalities and to the public the information collected under this subsection.

(b) The Secretary shall—

(1) collect and disseminate information on civil aeronautics (other than that collected and disseminated by the National Transportation Safety Board under chapter 11 of this title) including at a minimum, information on (A) the origin and destination of passengers in interstate air transportation (as that term is used in part A of subtitle VII of this title), and (B) the number of passengers traveling by air between any two points in interstate air transportation; except that, if the Secretary requires air carriers to provide flight-specific information, the Secretary—

(A) shall not disseminate fare information for a specific flight to the general public for a period of at least 9 months following the date of the flight; and

(B) shall give due consideration to and address confidentiality concerns of carriers, including competitive implications, in any rulemaking prior to adoption of a rule requiring the dissemination to the general public of any flight-specific fare;

(2) study the possibilities of developing air commerce and the aeronautical industry; and

(3) exchange information on civil aeronautics with governments of foreign countries through appropriate departments, agencies, and instrumentalities of the Government.

(c)(1) On the written request of a person, a State, territory, or possession of the United States, or a political subdivision of a State, territory, or possession, the Secretary may—

(A) make special statistical studies on foreign and domestic transportation;

(B) make special studies on other matters related to duties and powers of the Secretary;

(C) prepare, from records of the Department of Transportation, special statistical compilations; and

(D) provide transcripts of studies, tables, and other records of the Department.

(2) The person or governmental authority requesting information under paragraph (1) of this subsection must pay the actual cost of preparing the information. Payments shall be deposited in the Treasury in an account that the Secretary shall administer. The Secretary may use amounts in the account for the ordinary expenses incidental to getting and providing the information.

(d) To assist in carrying out duties and powers under part A of subtitle VII of this title, the Secretary of Transportation shall maintain separate cooperative agreements with the Secretary of Defense and the Administrator of the National Aeronautics and Space Administration for the timely exchange of information on their programs, policies, and requirements directly related to carrying out that part.

(e) INCIDENTS AND COMPLAINTS INVOLVING PASSENGER AND BAGGAGE SECURITY SCREENING.—

(1) PUBLICATION OF DATA.—The Secretary of Transportation shall publish data on incidents and complaints involving passenger and baggage security screening in a manner comparable to other consumer complaint and incident data.

(2) MONTHLY REPORTS FROM SECRETARY OF HOMELAND SECURITY.—To assist in the publication of data under paragraph (1), the Secretary of Transportation may request the Secretary of Homeland Security to periodically report on the number of complaints about security screening received by the Secretary of Homeland Security.

§ 330. Research contracts

(a) The Secretary of Transportation may make contracts with educational institutions, public and private agencies and organizations, and persons for scientific or technological research into a problem related to programs carried out by the Secretary. Before making a contract, the Secretary must require the institution, agency, organization, or person to show that it is able to carry out the contract.

(b) In carrying out this section, the Secretary shall—

(1) give advice and assistance the Secretary believes will best carry out the duties and powers of the Secretary;

(2) participate in coordinating all research started under this section;

(3) indicate the lines of inquiry most important to the Secretary; and

(4) encourage and assist in establishing and maintaining cooperation by and between contractors and between them and other research organizations, the Department of Transportation, and other departments, agencies, and instrumentalities of the United States Government.

(c) The Secretary may distribute publications containing information the Secretary considers relevant to research carried out under this section.

§ 331. Service, supplies, and facilities at remote places

(a) When necessary and not otherwise available, the Secretary of Transportation may provide for, construct, or maintain the fol-

lowing for officers and employees of the Department of Transportation and their dependents stationed in remote places:

- (1) emergency medical services and supplies.
- (2) food and other subsistence supplies.
- (3) messing facilities.
- (4) motion picture equipment and film for recreation and training.
- (5) living and working quarters and facilities.
- (6) reimbursement for food, clothing, medicine, and other supplies provided by an officer or employee in an emergency for the temporary relief of individuals in distress.

(b) The Secretary shall prescribe reasonable charges for medical treatment provided under subsection (a)(1) of this section and for supplies and services provided under subsection (a)(2) and (3) of this section. Amounts received under this subsection shall be credited to the appropriation from which the expenditure was made.

(c) When appropriations for a fiscal year for aviation duties and powers have not been made before June 1 immediately before the beginning of the fiscal year, the Secretary may designate an officer, and authorize that officer, to incur obligations to buy and transport supplies to carry out those duties and powers at installations outside the 48 contiguous States and the District of Columbia. The amount obligated under this subsection in a fiscal year may be not more than 75 percent of the amount available for buying and transporting supplies to those installations for the then current fiscal year. Payment of obligations under this subsection shall be made from appropriations for the next fiscal year when available.

§ 332. Minority Resource Center

(a) In this section, "minority" includes women.

(b) The Department of Transportation has a Minority Resource Center. The Center may—

(1) include a national information clearinghouse for minority entrepreneurs and businesses to disseminate information to them on business opportunities related to the maintenance, rehabilitation, restructuring, improvement, and revitalization of the railroads of the United States;

(2) carry out market research, planning, economic and business analyses, and feasibility studies to identify those business opportunities;

(3) assist minority entrepreneurs and businesses in obtaining investment capital and debt financing;

(4) design and carry out programs to encourage, promote, and assist minority entrepreneurs and businesses in getting contracts, subcontracts, and projects related to those business opportunities;

(5) develop support mechanisms (including venture capital, surety and bonding organizations, and management and technical services) that will enable minority entrepreneurs and businesses to take advantage of those business opportunities;

(6) participate in, and cooperate with, United States Government programs and other programs designed to provide fi-

nancial, management, and other forms of support and assistance to minority entrepreneurs and businesses; and

(7) make arrangements to carry out this section.

(c) The Center has an advisory committee of 5 individuals appointed by the Secretary of Transportation. The Secretary shall make the appointments from lists of qualified individuals recommended by minority-dominated trade associations in the minority business community. Each of those trade associations may submit a list of not more than 3 qualified individuals.

(d) The United States Railway Association, the Consolidated Rail Corporation, and the Secretary shall provide the Center with relevant information (including procurement schedules, bids, and specifications on particular maintenance, rehabilitation, restructuring, improvement, and revitalization projects) the Center requests in carrying out this section.

§ 333. Responsibility for rail transportation unification and coordination projects

(a) The Secretary of Transportation may develop and make available to interested persons any plans, proposals, and recommendations for mergers, consolidations, reorganizations, and other unification or coordination projects for rail transportation (including arrangements for joint use of tracks and other facilities and acquisition or sale of assets) that the Secretary believes will result in a rail system that is more efficient and consistent with the public interest.

(b) To achieve a more efficient, economical, and viable rail system in the private sector, the Secretary, when requested by a rail carrier and under this section, may assist in planning, negotiating, and carrying out a unification or coordination of operations and facilities of at least 2 rail carriers.

(c)(1) The Secretary may conduct studies to determine the potential cost savings and possible improvements in the quality of rail transportation that are likely to result from unification or coordination of least 2 rail carriers, through—

(A) elimination of duplicating or overlapping operations and facilities;

(B) reducing switching operations;

(C) using the shortest or more efficient and economical routes;

(D) exchanging trackage rights;

(E) combining trackage and terminal or other facilities;

(F) upgrading tracks and other facilities used by at least 2 rail carriers;

(G) reducing administrative and other expenses; and

(H) other measures likely to reduce costs and improve rail transportation.

(2) When the Secretary requests information for a study under this section, a rail carrier shall provide the information requested. In carrying out this section, the Secretary may designate an officer or employee to get from a rail carrier information on the kind, quality, origin, destination, consignor, consignee, and routing of property. This information may be obtained without the consent of the consignor or consignee notwithstanding section 11904 of this

title. When appropriate, the designated officer or employee has the powers described in section 203(c) of the Regional Rail Reorganization Act of 1973 to carry out this section, but a subpoena must be issued under the signature of the Secretary.

(d)(1) When requested by a rail carrier, the Secretary may hold conferences on and mediate disputes resulting from a proposed unification or coordination project. The Secretary may invite to a conference—

- (A) officers and directors of an affected rail carrier;
- (B) representatives of rail carrier employees who may be affected;
- (C) representatives of the Interstate Commerce Commission;
- (D) State and local government officials, shippers, and consumer representatives; and
- (E) representatives of the Federal Trade Commission and the Attorney General.

(2) A person attending or represented at a conference on a proposed unification or coordination project is not liable under the antitrust laws of the United States for any discussion at the conference and for any agreements reached at the conference, that are entered into with the approval of the Secretary to achieve or determine a plan of action to carry out the unification or coordination project.

(e) When the approval of a proposal submitted by a rail carrier for a merger or other action is subject to the jurisdiction of the Interstate Commerce Commission under section 11323(a) of this title, the Secretary may study the proposal to decide whether it satisfies section 11324(b) of this title. When the proposal is the subject of an application and proceeding before the Commission, the Secretary may appear in any proceeding related to the application.

[Sections 334 and 335 were repealed by section 4(h)(9)(A) of P.L. 103-272 (108 Stat. 1367)]

§ 336. Civil penalty procedures

(a) After notice and an opportunity for a hearing, a person found by the Secretary of Transportation to have violated a provision of law that the Secretary carries out through the Maritime Administrator or the Commandant of the Coast Guard or a regulation prescribed under that law by the Secretary for which a civil penalty is provided, is liable to the United States Government for the civil penalty provided. The amount of the civil penalty shall be assessed by the Secretary by written notice. In determining the amount of the penalty, the Secretary shall consider the nature, circumstances, extent, and gravity of the prohibited acts committed and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and other matters that justice requires.

(b) The Secretary may compromise, modify, or remit, with or without consideration, a civil penalty until the assessment is referred to the Attorney General.

(c) If a person fails to pay an assessment of a civil penalty after it has become final, the Secretary may refer the matter to the Attorney General for collection in an appropriate district court of the United States.

(d) The Secretary may refund or remit a civil penalty collected under this section if—

(1) application has been made for refund or remission of the penalty within one year from the date of payment; and

(2) the Secretary finds that the penalty was unlawfully, improperly, or excessively imposed.

§ 337. Budget request for the Director of Intelligence and Security

The annual budget the Secretary of Transportation submits shall include a specific request for the Office of the Director of Intelligence and Security. In deciding on the budget request for the Office, the Secretary shall consider recommendations in the annual report submitted under section 44938(a) of this title.

SUBCHAPTER III—MISCELLANEOUS

§ 351. Judicial review of actions in carrying out certain transferred duties and powers

(a) JUDICIAL REVIEW.—An action of the Secretary of Transportation in carrying out a duty or power transferred under the Department of Transportation Act (Public Law 89–670, 80 Stat. 931), or an action of the Administrator of the Federal Railroad Administration, the Federal Highway Administration, or the Federal Aviation Administration in carrying out a duty or power specifically assigned to the Administrator by that Act, may be reviewed judicially to the same extent and in the same way as if the action had been an action by the department, agency, or instrumentality of the United States Government carrying out the duty or power immediately before the transfer or assignment.

(b) APPLICATION OF PROCEDURAL REQUIREMENTS.—A statutory requirement related to notice, an opportunity for a hearing, action on the record, or administrative review that applied to a duty or power transferred by the Act applies to the Secretary or Administrator when carrying out the duty or power.

(c) NONAPPLICATION.—This section does not apply to a duty or power transferred from the Interstate Commerce Commission to the Secretary under section 6(e)(1)–(4) and (6)(A) of the Act.

§ 352. Authority to carry out certain transferred duties and powers

In carrying out a duty or power transferred under the Department of Transportation Act (Public Law 89–670, 80 Stat. 931), the Secretary of Transportation and the Administrators of the Federal Railroad Administration, the Federal Highway Administration, and the Federal Aviation Administration have the same authority that was vested in the department, agency, or instrumentality of the United States Government carrying out the duty or power immediately before the transfer. An action of the Secretary or Adminis-

trator in carrying out the duty or power has the same effect as when carried out by the department, agency, or instrumentality.

§ 353. Toxicological testing of officers and employees

(a) COLLECTING SPECIMENS.—When the Secretary of Transportation or the head of a component of the Department of Transportation conducts post-accident or post-incident toxicological testing of an officer or employee of the Department, the Secretary or head shall collect the specimen from the officer or employee as soon as practicable after the accident or incident. The Secretary or head shall try to collect the specimen not later than 4 hours after the accident or incident.

(b) REPORTS.—The head of each component shall submit a report to the Secretary on the circumstances about the amount of time required to collect the specimen for a toxicological test conducted on an officer or employee who is reasonably associated with the circumstances of an accident or incident under the investigative jurisdiction of the National Transportation Safety Board.

(c) NONCOMPLIANCE NOT A DEFENSE.—An officer or employee required to submit to toxicological testing may not assert failure to comply with this section as a claim, cause of action, or defense in an administrative or judicial proceeding.

§ 354. Investigative authority of Inspector General

(a) IN GENERAL.—The statutory authority of the Inspector General of the Department of Transportation includes authority to conduct, pursuant to Federal criminal statutes, investigations of allegations that a person or entity has engaged in fraudulent or other criminal activity relating to the programs and operations of the Department or its operating administrations.

(b) REGULATED ENTITIES.—The authority to conduct investigations referred to in subsection (a) extends to any person or entity subject to the laws and regulations of the Department or its operating administrations, whether or not they are recipients of funds from the Department or its operating administrations.

CHAPTER 5—SPECIAL AUTHORITY

SUBCHAPTER I—POWERS

Sec.

- 501. Definitions and application.
- 502. General authority.
- 503. Service of notice and process on certain motor carriers of migrant workers and on motor private carriers.
- 504. Reports and records.
- 505. Arrangements and public records.
- 506. Authority to investigate.
- 507. Enforcement.
- 508. Safety performance history of new drivers; limitation on liability.

SUBCHAPTER II—PENALTIES

- 521. Civil penalties.
- 522. Reporting and record keeping violations.
- 523. Unlawful disclosure of information.
- 524. Evasion of regulation of motor carriers.
- 525. Disobedience to subpoenas.
- 526. General criminal penalty when specific penalty not provided.

SUBCHAPTER I—POWERS

§ 501. Definitions and application

(a) In this chapter—

(1) the definitions in sections 10102 and 13102 of this title apply.

(2) “migrant worker” has the same meaning given that term in section 31501 of this title.

(3) “motor carrier of migrant workers” means a motor carrier of migrant workers subject to the jurisdiction of the Secretary of Transportation under section 31502(c) of this title.

(b) APPLICATION.—This chapter only applies in carrying out sections 20302(a)(1)(B) and (C), (2), and (3), (c), and (d)(1) and 20303 and chapters 205 (except section 20504(b)), 211, 213 (in carrying out those sections and chapters), and 315 of this title.

§ 502. General authority

(a) The Secretary of Transportation shall carry out this chapter.

(b) The Secretary may—

(1) inquire into and report on the management of the business of rail carriers and motor carriers;

(2) inquire into and report on the management of the business of a person controlling, controlled by, or under common control with those carriers to the extent that the business of the person is related to the management of the business of that carrier; and

(3) obtain from those carriers and persons information the Secretary determines to be necessary.

(c) In carrying out this chapter as it applies to motor carriers, motor carriers of migrant workers, and motor private carriers, the Secretary may—

(1) confer and hold joint hearings with State authorities;

(2) cooperate with and use the services, records, and facilities of State authorities; and

(3) make cooperative agreements with a State to enforce the safety laws and regulations of a State and the United States related to highway transportation.

(d) The Secretary may subpoena witnesses and records related to a proceeding or investigation under this chapter from a place in the United States to the designated place of the proceeding or investigation. If a witness disobeys a subpoena, the Secretary, or a party to a proceeding or investigation before the Secretary, may petition the district court for the judicial district in which the proceeding or investigation is conducted to enforce the subpoena. The court may punish a refusal to obey an order of the court to comply with a subpoena as a contempt of court.

(e)(1) In a proceeding or investigation, the Secretary may take testimony of a witness by deposition and may order the witness to produce records. A party to a proceeding or investigation pending before the Secretary may take the testimony of a witness by deposition and may require the witness to produce records at any time after a proceeding or investigation is at issue on petition and answer. If a witness fails to be deposed or to produce records under

this subsection, the Secretary may subpoena the witness to take a deposition, produce the records, or both.

(2) A deposition may be taken before a judge of a court of the United States, a United States magistrate judge, a clerk of a district court, or a chancellor, justice, or judge of a supreme or superior court, mayor or chief magistrate of a city, judge of a county court, or court of common pleas of any State, or a notary public who is not counsel or attorney of a party or interested in the proceeding or investigation.

(3) Before taking a deposition, reasonable notice must be given in writing by the party or the attorney of that party proposing to take a deposition to the opposing party or the attorney of record of that party, whoever is nearest. The notice shall state the name of the witness and the time and place of taking the deposition.

(4) The testimony of a person deposed under this subsection shall be taken under oath. The person taking the deposition shall prepare, or cause to be prepared, a transcript of the testimony taken. The transcript shall be subscribed by the deponent.

(5) The testimony of a witness who is in a foreign country may be taken by deposition before an officer or person designated by the Secretary or agreed on by the parties by written stipulation filed with the Secretary. The deposition shall be filed with the Secretary promptly.

(f) Each witness summoned before the Secretary or whose deposition is taken under this section and the individual taking the deposition are entitled to the same fees and mileage paid for those services in the courts of the United States.

§ 503. Service of notice and process on certain motor carriers of migrant workers and on motor private carriers

(a) Each motor carrier of migrant workers (except a motor contract carrier) and each motor private carrier shall designate an agent by name and post office address on whom service of notices in a proceeding before, and actions of, the Secretary of Transportation may be made. The designation shall be in writing and filed with the Secretary. The carrier also shall file the designation with the authority of each State in which it operates having jurisdiction to regulate transportation by motor vehicle in intrastate commerce on the highways of that State. The designation may be changed at any time in the same manner as originally made.

(b) A notice of the Secretary to a carrier under this section is served personally or by mail on that carrier or its designated agent. Service by mail on the designated agent is made at the address filed for the agent. When notice is given by mail, the date of mailing is considered to be the time when the notice is served. If the carrier does not have a designated agent, service may be made by posting a copy of the notice in the office of the secretary or clerk of the authority having jurisdiction to regulate transportation by motor vehicle in intrastate commerce on the highways of the State in which the carrier maintains headquarters and with the Secretary.

(c) Each of those carriers, including such a carrier operating in the United States while providing transportation between places in

a foreign country or between a place in one foreign country and a place in another foreign country, shall designate an agent in each State in which it operates by name and post office address on whom process issued by a court with subject matter jurisdiction may be served in an action brought against that carrier. The designation shall be in writing and filed with the Secretary and with the authority of each State in which the carrier operates having jurisdiction to regulate transportation by motor vehicle in intrastate commerce on the highways of that State. If a designation under this subsection is not made, service may be made on any agent of the carrier in that State. The designation may be changed at any time in the same manner as originally made.

§ 504. Reports and records

(a) In this section—

(1) “association” means an organization maintained by or in the interest of a group of rail carriers, motor carriers, motor carriers of migrant workers, or motor private carriers that performs a service, or engages in activities, related to transportation of that carrier.

(2) “carrier” means a motor carrier, motor carrier of migrant workers, motor private carrier, and rail carrier.

(3) “lessor” means a person owning a railroad that is leased to and operated by a rail carrier, and a person leasing a right to operate as a motor carrier, motor carrier of migrant workers, or motor private carrier to another.

(4) “lessor” and “carrier” include a receiver or trustee of that lessor or carrier, respectively.

(b)(1) The Secretary of Transportation may prescribe the form of records required to be prepared or compiled under this section by—

(A) carriers and lessors; and

(B) a person furnishing cars or protective service against heat or cold to or for a rail carrier.

(2) The Secretary may require—

(A) carriers, lessors, associations, or classes of them as the Secretary may prescribe, to file annual, periodic, and special reports with the Secretary containing answers to questions asked by the Secretary; and

(B) a person furnishing cars or protective service against heat or cold to a rail carrier to file reports with the Secretary containing answers to questions about those cars or service.

(c) The Secretary, or an employee (and, in the case of a motor carrier, a contractor) designated by the Secretary, may on demand and display of proper credentials—

(1) inspect the equipment of a carrier or lessor; and

(2) inspect and copy any record of—

(A) a carrier, lessor, or association;

(B) a person controlling, controlled by, or under common control with a carrier, if the Secretary considers inspection relevant to that person’s relation to, or transaction with, that carrier; and

(C) a person furnishing cars or protective service against heat or cold to or for a rail carrier if the Secretary prescribed the form of that record.

(d) The Secretary may prescribe, the time period during which records must be preserved by a carrier, lessor, and person furnishing cars or protective service.

(e)(1) An annual report shall contain an account, in as much detail as the Secretary may require, of the affairs of a carrier, lessor, or association for the 12-month period ending on the 31st day of December of each year. The annual report shall be filed with the Secretary by the end of the 3d month after the end of the year for which the report is made unless the Secretary extends the filing date or changes the period covered by the report.

(2) The annual report and, if the Secretary requires, any other report made under this section shall be made under oath.

(f) No part of a report of an accident occurring in operations of a motor carrier, motor carrier of migrant workers, or motor private carrier and required by the Secretary, and no part of a report of an investigation of the accident made by the Secretary, may be admitted into evidence or used in a civil action for damages related to a matter mentioned in the report or investigation.

§ 505. Arrangements and public records

(a) The Secretary of Transportation may require a motor carrier, motor carrier of migrant workers, or motor private carrier to file a copy of each arrangement related to a matter under this chapter that it has with another person. The Secretary may disclose the existence or contents of an arrangement between a motor contract carrier and a shipper filed under this section only if the disclosure is consistent with the public interest and is made as part of the record in a formal proceeding.

(b) Except as provided in subsection (a) of this section, all arrangements and statistics, tables, and figures contained in reports filed with the Secretary by a motor carrier under this chapter are public records. Such a public record, or a copy or extract of it, certified by the Secretary under seal is competent in a proceeding of the Secretary, and, except as provided in section 504(f) of this title, in a judicial proceeding.

§ 506. Authority to investigate

(a) The Secretary of Transportation may begin an investigation under this chapter on the initiative of the Secretary or on complaint. If the Secretary finds that a rail carrier, motor carrier, motor carrier of migrant workers, or motor private carrier is violating this chapter, the Secretary shall take appropriate action to compel compliance with this chapter. The Secretary may take action only after giving the carrier notice of the investigation and an opportunity for a proceeding.

(b) A person, including a governmental authority, may file with the Secretary a complaint about a violation of this chapter by a carrier referred to in subsection (a) of this section. The complaint must state the facts that are the subject of the violation. The Secretary may dismiss a complaint the Secretary determines does not state reasonable grounds for investigation and action. However, the

Secretary may not dismiss a complaint made against a rail carrier because of the absence of direct damage to the complainant.

(c) The Secretary shall make a written report of each proceeding involving a rail carrier or motor carrier conducted and furnish a copy to each party to that proceeding. The report shall include the findings, conclusions, and the order of the Secretary. The Secretary may have the reports published for public use. A published report of the Secretary is competent evidence of its contents.

§ 507. Enforcement

(a) The Secretary of Transportation may bring a civil action to enforce—

(1) an order of the Secretary under this chapter when violated by a rail carrier; and

(2) this chapter or a regulation or order of the Secretary under this chapter when violated by a motor carrier, motor carrier of migrant workers, motor private carrier, or freight forwarder.

(b) The Attorney General may, and on request of the Secretary shall, bring court proceedings to enforce this chapter or a regulation or order of the Secretary under this chapter and to prosecute a person violating this chapter or a regulation or order of the Secretary.

(c) The Attorney General, at the request of the Secretary, may bring an action in an appropriate district court of the United States for equitable relief to redress a violation by any person of a provision of subchapter III of chapter 311 (except sections 31138 and 31139) or section 31502 of this title, or an order or regulation issued under any of those provisions. Such district court shall have jurisdiction to determine any such action and may grant such relief as is necessary or appropriate, including mandatory or prohibitive injunctive relief, interim equitable relief, and punitive damages.

(d) A person injured because a rail carrier or freight forwarder does not obey an order of the Secretary under this chapter may bring a civil action to enforce that order under this subsection.

(e) In a civil action brought under subsection (a)(2) of this section against a motor carrier, motor carrier of migrant workers, or motor private carrier—

(1) trial is in the judicial district in which the carrier operates;

(2) process may be served without regard to the territorial limits of the district or of the State in which the action is brought; and

(3) a person participating with the carrier in a violation may be joined in the civil action without regard to the residence of the person.

§ 508. Safety performance history of new drivers; limitation on liability

(a) LIMITATION ON LIABILITY.—No action or proceeding for defamation, invasion of privacy, or interference with a contract that is based on the furnishing or use of safety performance records in accordance with regulations issued by the Secretary may be brought against—

(1) a motor carrier requesting the safety performance records of an individual under consideration for employment as a commercial motor vehicle driver as required by and in accordance with regulations issued by the Secretary;

(2) a person who has complied with such a request; or

(3) the agents or insurers of a person described in paragraph (1) or (2).

(b) RESTRICTIONS ON APPLICABILITY.—

(1) MOTOR CARRIER REQUESTING.—Subsection (a) does not apply to a motor carrier requesting safety performance records unless—

(A) the motor carrier and any agents of the motor carrier have complied with the regulations issued by the Secretary in using the records, including the requirement that the individual who is the subject of the records be afforded a reasonable opportunity to review and comment on the records;

(B) the motor carrier and any agents and insurers of the motor carrier have taken all precautions reasonably necessary to protect the records from disclosure to any person, except for such an insurer, not directly involved in deciding whether to hire that individual; and

(C) the motor carrier has used those records only to assess the safety performance of the individual who is the subject of those records in deciding whether to hire that individual.

(2) PERSON COMPLYING WITH REQUESTS.—Subsection (a) does not apply to a person complying with a request for safety performance records unless—

(A) the complying person and any agents of the complying person have taken all precautions reasonably necessary to ensure the accuracy of the records and have complied with the regulations issued by the Secretary in furnishing the records, including the requirement that the individual who is the subject of the records be afforded a reasonable opportunity to review and comment on the records; and

(B) the complying person and any agents and insurers of the complying person have taken all precautions reasonably necessary to protect the records from disclosure to any person, except for such an insurer, not directly involved in forwarding the records.

(3) PERSONS KNOWINGLY FURNISHING FALSE INFORMATION.—Subsection (a) does not apply to persons who knowingly furnish false information.

(c) PREEMPTION OF STATE AND LOCAL LAW.—No State or political subdivision thereof may enact, prescribe, issue, continue in effect, or enforce any law (including any regulation, standard, or other provision having the force and effect of law) that prohibits, penalizes, or imposes liability for furnishing or using safety performance records in accordance with regulations issued by the Secretary to carry out this section. Notwithstanding any provision of law, written authorization shall not be required to obtain informa-

tion on the motor vehicle driving record of an individual under consideration for employment with a motor carrier.

SUBCHAPTER II—PENALTIES

§ 521. Civil penalties

(a)(1) A person required under section 504 of this title to make, prepare, preserve, or submit to the Secretary of Transportation a record about rail carrier transportation, that does not make, prepare, preserve, or submit that record as required under that section, is liable to the United States Government for a civil penalty of \$500 for each violation.

(2) A rail carrier, and a lessor, receiver, or trustee of that carrier, violating section 504(c)(1) of this title, is liable to the Government for a civil penalty of \$100 for each violation.

(3) A rail carrier, a lessor, receiver, or trustee of that carrier, a person furnishing cars or protective service against heat or cold, and an officer, agent, or employee of one of them, required to make a report to the Secretary or answer a question, that does not make a report to the Secretary or does not specifically, completely, and truthfully answer the question, is liable to the Government for a civil penalty of \$100 for each violation.

(4) A separate violation occurs for each day a violation under this subsection continues.

(5) Trial in a civil action under this subsection is in the judicial district in which the rail carrier has its principal operating office or in a district through which the railroad of the rail carrier runs.

(b)(1)(A) If the Secretary finds that a violation of a provision of subchapter III of chapter 311 (except sections 31138 and 31139) or section 31302, 31303, 31304, 31305(b), 31310(g)(1)(A), or 31502 of this title, or a violation of a regulation issued under any of those provisions, has occurred, the Secretary shall issue a written notice to the violator. Such notice shall describe with reasonable particularity the nature of the violation found and the provision which has been violated. The notice shall specify the proposed civil penalty, if any, and suggest actions which might be taken in order to abate the violation. The notice shall indicate that the violator may, within 15 days of service, notify the Secretary of the violator's intention to contest the matter. In the event of a contested notice, the Secretary shall afford such violator an opportunity for a hearing, pursuant to section 554 of title 5, following which the Secretary shall issue an order affirming, modifying, or vacating the notice of violation.

(B) NONAPPLICABILITY TO REPORTING AND RECORD-KEEPING VIOLATIONS.—Subparagraph (A) shall not apply to reporting and recordkeeping violations.

(2) CIVIL PENALTY.—

(A) IN GENERAL.—Except as otherwise provided in this subsection, any person who is determined by the Secretary, after notice and opportunity for a hearing, to have committed an act that is a violation of regulations issued by the Secretary under subchapter III of chapter 311 (except sections 31138 and 31139) or section 31502 of this title shall be liable to the United States for a civil penalty

in an amount not to exceed \$10,000 for each offense. Notwithstanding any other provision of this section (except subparagraph (C)), no civil penalty shall be assessed under this section against an employee for a violation in an amount exceeding \$2,500.

(B) RECORDKEEPING AND REPORTING VIOLATIONS.—A person required to make a report to the Secretary, answer a question, or make, prepare, or preserve a record under section 504 of this title or under any regulation issued by the Secretary pursuant to subchapter III of chapter 311 (except sections 31138 and 31139) or section 31502 of this title about transportation by motor carrier, motor carrier of migrant workers, or motor private carrier, or an officer, agent, or employee of that person—

(i) who does not make that report, does not specifically, completely, and truthfully answer that question in 30 days from the date the Secretary requires the question to be answered, or does not make, prepare, or preserve that record in the form and manner prescribed by the Secretary, shall be liable to the United States for a civil penalty in an amount not to exceed \$500 for each offense, and each day of the violation shall constitute a separate offense, except that the total of all civil penalties assessed against any violator for all offenses related to any single violation shall not exceed \$5,000; or

(ii) who knowingly falsifies, destroys, mutilates, or changes a required report or record, knowingly files a false report with the Secretary, knowingly makes or causes or permits to be made a false or incomplete entry in that record about an operation or business fact or transaction, or knowingly makes, prepares, or preserves a record in violation of a regulation or order of the Secretary, shall be liable to the United States for a civil penalty in an amount not to exceed \$5,000 for each violation, if any such action can be shown to have misrepresented a fact that constitutes a violation other than a reporting or recordkeeping violation.

(C) VIOLATIONS PERTAINING TO CDLS.—Any person who is determined by the Secretary, after notice and opportunity for a hearing, to have committed an act which is a violation of section 31302, 31303, 31304, 31305(b), or 31310(g)(1)(A) of this title shall be liable to the United States for a civil penalty not to exceed \$2,500 for each offense.

(D) DETERMINATION OF AMOUNT.—The amount of any civil penalty, and a reasonable time for abatement of the violation, shall by written order be determined by the Secretary, taking into account the nature, circumstances, extent, and gravity of the violation committed and, with respect to the violator, the degree of culpability, history of prior offenses, ability to pay, effect on ability to continue to do business, and such other matters as justice and public safety may require. In each case, the assessment shall be calculated to induce further compliance.

(3) The Secretary may require any violator served with a notice of violation to post a copy of such notice or statement of such notice in such place or places and for such duration as the Secretary may determine appropriate to aid in the enforcement of subchapter III of chapter 311 (except sections 31138 and 31139) or section 31302, 31303, 31304, 31305(b), or 31502 of this title, as the case may be.

(4) Such civil penalty may be recovered in an action brought by the Attorney General on behalf of the United States in the appropriate district court of the United States or, before referral to the Attorney General, such civil penalty may be compromised by the Secretary.

(5)(A) If, upon inspection or investigation, the Secretary determines that a violation of a provision of subchapter III of chapter 311 (except sections 31138 and 31139) or section 31302, 31303, 31304, 31305(b), or 31502 of this title or a regulation issued under any of those provisions, or combination of such violations, poses an imminent hazard to safety, the Secretary shall order a vehicle or employee operating such vehicle out of service, or order an employer to cease all or part of the employer's commercial motor vehicle operations. In making any such order, the Secretary shall impose no restriction on any employee or employer beyond that required to abate the hazard. Subsequent to the issuance of the order, opportunity for review shall be provided in accordance with section 554 of title 5, except that such review shall occur not later than 10 days after issuance of such order.

(B) In this paragraph, "imminent hazard" means any condition of vehicle, employee, or commercial motor vehicle operations which substantially increases the likelihood of serious injury or death if not discontinued immediately.

(6) CRIMINAL PENALTIES.—

(A) IN GENERAL.—Any person who knowingly and willfully violates any provision of subchapter III of chapter 311 (except sections 31138 and 31139) or section 31502 of this title, or a regulation issued under any of those provisions shall, upon conviction, be subject for each offense to a fine not to exceed \$25,000 or imprisonment for a term not to exceed one year, or both, except that, if such violator is an employee, the violator shall only be subject to penalty if, while operating a commercial motor vehicle, the violator's activities have led or could have led to death or serious injury, in which case the violator shall be subject, upon conviction, for a fine not to exceed \$2,500.

(B) VIOLATIONS PERTAINING TO CDLS.—Any person who knowingly and willfully violates—

(i) any provision of section 31302, 31303(b) or (c), 31304, 31305(b), or 31310(g)(1)(A) of this title or a regulation issued under such section, or

(ii) with respect to notification of a serious traffic violation as defined under section 31301 of this title, any provision of section 31303(a) of this title or a regulation issued under section 31303(a),

shall, upon conviction, be subject for each offense to a fine not to exceed \$5,000 or imprisonment for a term not to exceed 90 days, or both.

(7) The Secretary shall issue regulations establishing penalty schedules designed to induce timely compliance for persons failing to comply promptly with the requirements set forth in any notices and orders under this subsection.

(8) PROHIBITION ON OPERATION IN INTERSTATE COMMERCE AFTER NONPAYMENT OF PENALTIES.—

(A) IN GENERAL.—An owner or operator of a commercial motor vehicle against whom a civil penalty is assessed under this chapter or chapter 51, 149, or 311 of this title and who does not pay such penalty or fails to arrange and abide by an acceptable payment plan for such civil penalty may not operate in interstate commerce beginning on the 91st day after the date specified by order of the Secretary for payment of such penalty. This paragraph shall not apply to any person who is unable to pay a civil penalty because such person is a debtor in a case under chapter 11 of title 11, United States Code.

(B) REGULATIONS.—Not later than 12 months after the date of the enactment of this paragraph, the Secretary, after notice and an opportunity for public comment, shall issue regulations setting forth procedures for ordering commercial motor vehicle owners and operators delinquent in paying civil penalties to cease operations until payment has been made.

(9) Any aggrieved person who, after a hearing, is adversely affected by a final order issued under this section may, within 30 days, petition for review of the order in the United States Court of Appeals in the circuit wherein the violation is alleged to have occurred or where the violator has his principal place of business or residence, or in the United States Court of Appeals for the District of Columbia Circuit. Review of the order shall be based on a determination of whether the Secretary's findings and conclusions were supported by substantial evidence, or were otherwise not in accordance with law. No objection that has not been urged before the Secretary shall be considered by the court, unless reasonable grounds existed for failure or neglect to do so. The commencement of proceedings under this subsection shall not, unless ordered by the court, operate as a stay of the order of the Secretary.

(10) All penalties and fines collected under this section shall be deposited into the Highway Trust Fund (other than the Mass Transit Account).

(11) In any action brought under this section, process may be served without regard to the territorial limits of the district of the State in which the action is brought.

(12) In any proceeding for criminal contempt for violation of an injunction or restraining order issued under this section, trial shall be by the court, or, upon demand of the accused, by a jury, conducted in accordance with the provisions of rule 42(b) of the Federal Rules of Criminal Procedure.

(13) The provisions of this subsection shall not affect chapter 51 of this title or any regulation promulgated by the Secretary under chapter 51.

(14) As used in this subsection, the term “commercial motor vehicle”, “employee”, “employer”, and “State” have the meaning such terms have under section 31132 of this title.

§ 522. Reporting and record keeping violations

A person required to make a report to the Secretary of Transportation, or make, prepare, or preserve a record, under section 504 of this title about transportation by rail carrier, that knowingly and willfully (1) makes a false entry in the report or record, (2) destroys, mutilates, changes, or by another means falsifies the record, (3) does not enter business related facts and transactions in the record, (4) makes, prepares, or preserves the record in violation of a regulation or order of the Secretary, or (5) files a false report or record with the Secretary, shall be fined not more than \$5,000, imprisoned for not more than 2 year, or both.

§ 523. Unlawful disclosure of information

(a) A motor carrier, or an officer, receiver, trustee, lessee, or employee of that carrier, or another person authorized by that carrier to receive information from that carrier, may not knowingly disclose to another person (except the shipper or consignee), and another person may not solicit, or knowingly receive, information about the nature, kind, quantity, destination, consignee, or routing of property tendered or delivered to that carrier without the consent of the shipper or consignee if that information may be used to the detriment of the shipper or consignee or may disclose improperly to a competitor the business transactions of the shipper or consignee.

(b) This chapter does not prevent a motor carrier, motor carrier of migrant workers, or motor private carrier from giving information—

(1) in response to legal process issued under authority of a court of the United States or a State;

(2) to an officer, employee, or agent of the United State Government, a State, or a territory or possession of the United States; and

(3) to another motor carrier, motor carrier of migrant workers, or motor private carrier, or its agent, to adjust mutual traffic accounts in the ordinary course of business.

(c) An employee of the Secretary of Transportation delegated to make an inspection under section 504 of this title who knowingly discloses information acquired during that inspection, except as directed by the Secretary, a court, or a judge of that court, shall be fined not more than \$500, imprisoned for not more than 6 months, or both.

§ 524. Evasion of regulation of motor carriers

A person, or an officer, employee, or agent of that person, that by any means knowingly and willfully tries to evade regulation of motor carriers under this chapter shall be fined at least \$200 but not more than \$500 for the first violation and at least \$250 but not more than \$2,000 for a subsequent violation.

§ 525. Disobedience to subpoenas

A motor carrier, motor carrier of migrant workers, or motor private carrier not obeying a subpoena or requirement of the Secretary of Transportation under this chapter to appear and testify or produce records shall be fined at least \$100 but not more than \$5,000, imprisoned for not more than one year, or both.

§ 526. General criminal penalty when specific penalty not provided

When another criminal penalty is not provided a provision of this chapter, subchapter III of chapter 311 (except sections 31138 and 31139), or section 31502 of this title, a person that knowingly and willfully violates any of those provisions or a regulation or order of the Secretary of Transportation under any of those provisions, related to transportation by motor carrier, motor carrier of migrant workers, or motor private carrier, shall be fined at least \$100 but not more than \$500 for the first violation and at least \$200 but not more than \$500 for a subsequent violation. A separate violation occurs each day the violation continues.

CHAPTER 7—SURFACE TRANSPORTATION BOARD

SUBCHAPTER I—ESTABLISHMENT

Sec.

- 701. Establishment of Board.
- 702. Functions.
- 703. Administrative provisions.
- 704. Annual report.
- 705. Authorization of appropriations.
- 706. Reporting official action.

SUBCHAPTER II—ADMINISTRATIVE

- 721. Powers.
- 722. Board action.
- 723. Service of notice in Board proceedings.
- 724. Service of process in court proceedings.
- 725. Administrative support.
- 726. Railroad-Shipper Transportation Advisory Council.
- 727. Definitions.

SUBCHAPTER I—ESTABLISHMENT

§ 701. Establishment of Board

(a) ESTABLISHMENT.—There is hereby established within the Department of Transportation the Surface Transportation Board.

(b) MEMBERSHIP.—(1) The Board shall consist of 3 members, to be appointed by the President, by and with the advice and consent of the Senate. Not more than 2 members may be appointed from the same political party.

(2) At any given time, at least 2 members of the Board shall be individuals with professional standing and demonstrated knowledge in the fields of transportation or transportation regulation, and at least one member shall be an individual with professional or business experience (including agriculture) in the private sector.

(3) The term of each member of the Board shall be 5 years and shall begin when the term of the predecessor of that member ends. An individual appointed to fill a vacancy occurring before the expi-

ration of the term for which the predecessor of that individual was appointed, shall be appointed for the remainder of that term. When the term of office of a member ends, the member may continue to serve until a successor is appointed and qualified, but for a period not to exceed one year. The President may remove a member for inefficiency, neglect of duty, or malfeasance in office.

(4) On January 1, 1996, the members of the Interstate Commerce Commission serving unexpired terms on December 29, 1995, shall become members of the Board, to serve for a period of time equal to the remainder of the term for which they were originally appointed to the Interstate Commerce Commission. Any member of the Interstate Commerce Commission whose term expires on December 31, 1995, shall become a member of the Board, subject to paragraph (3).

(5) No individual may serve as a member of the Board for more than 2 terms. In the case of an individual who becomes a member of the Board pursuant to paragraph (4), or an individual appointed to fill a vacancy occurring before the expiration of the term for which the predecessor of that individual was appointed, such individual may not be appointed for more than one additional term.

(6) A member of the Board may not have a pecuniary interest in, hold an official relation to, or own stock in or bonds of, a carrier providing transportation by any mode and may not engage in another business, vocation, or employment.

(7) A vacancy in the membership of the Board does not impair the right of the remaining members to exercise all of the powers of the Board. The Board may designate a member to act as Chairman during any period in which there is no Chairman designated by the President.

(c) CHAIRMAN.—(1) There shall be at the head of the Board a Chairman, who shall be designated by the President from among the members of the Board. The Chairman shall receive compensation at the rate prescribed for level III of the Executive Schedule under section 5314 of title 5.

(2) Subject to the general policies, decisions, findings, and determinations of the Board, the Chairman shall be responsible for administering the Board. The Chairman may delegate the powers granted under this paragraph to an officer, employee, or office of the Board. The Chairman shall—

(A) appoint and supervise, other than regular and full-time employees in the immediate offices of another member, the officers and employees of the Board, including attorneys to provide legal aid and service to the Board and its members, and to represent the Board in any case in court;

(B) appoint the heads of offices with the approval of the Board;

(C) distribute Board business among officers and employees and offices of the Board;

(D) prepare requests for appropriations for the Board and submit those requests to the President and Congress with the prior approval of the Board; and

(E) supervise the expenditure of funds allocated by the Board for major programs and purposes.

§ 702. Functions

Except as otherwise provided in the ICC Termination Act of 1995, or the amendments made thereby, the Board shall perform all functions that, immediately before January 1, 1996, were functions of the Interstate Commerce Commission or were performed by any officer or employee of the Interstate Commerce Commission in the capacity as such officer or employee.

§ 703. Administrative provisions

(a) EXECUTIVE REORGANIZATION.—Chapter 9 of title 5, United States Code, shall apply to the Board in the same manner as it does to an independent regulatory agency, and the Board shall be an establishment of the United States Government.

(b) OPEN MEETINGS.—For purposes of section 552b of title 5, United States Code, the Board shall be deemed to be an agency.

(c) INDEPENDENCE.—In the performance of their functions, the members, employees, and other personnel of the Board shall not be responsible to or subject to the supervision or direction of any officer, employee, or agent of any other part of the Department of Transportation.

(d) REPRESENTATION BY ATTORNEYS.—Attorneys designated by the Chairman of the Board may appear for, and represent the Board in, any civil action brought in connection with any function carried out by the Board pursuant to this chapter or subtitle IV or as otherwise authorized by law.

(e) ADMISSION TO PRACTICE.—Subject to section 500 of title 5, the Board may regulate the admission of individuals to practice before it and may impose a reasonable admission fee.

(f) BUDGET REQUESTS.—In each annual request for appropriations by the President, the Secretary of Transportation shall identify the portion thereof intended for the support of the Board and include a statement by the Board—

(1) showing the amount requested by the Board in its budgetary presentation to the Secretary and the Office of Management and Budget; and

(2) an assessment of the budgetary needs of the Board.

(g) DIRECT TRANSMITTAL TO CONGRESS.—The Board shall transmit to Congress copies of budget estimates, requests, and information (including personnel needs), legislative recommendations, prepared testimony for congressional hearings, and comments on legislation at the same time they are sent to the Secretary of Transportation. An officer of an agency may not impose conditions on or impair communications by the Board with Congress, or a committee or Member of Congress, about the information.

§ 704. Annual report

The Board shall annually transmit to the Congress a report on its activities.

§ 705. Authorization of appropriations

There are authorized to be appropriated for the activities of the Board—

- (1) \$8,421,000 for fiscal year 1996;
- (2) \$12,000,000 for fiscal year 1997; and
- (3) \$12,000,000 for fiscal year 1998.

§ 706. Reporting official action

(a) REPORTS ON PROCEEDINGS.—The Board shall make a written report of each proceeding conducted on complaint or on its own initiative and furnish a copy to each party to that proceeding. The report shall include the findings, conclusions, and the order of the Board and, if damages are awarded, the findings of fact supporting the award. The Board may have its reports published for public use. A published report of the Board is competent evidence of its contents.

(b) SPECIAL RULES FOR MATTERS RELATED TO RAIL CARRIERS.—
(1) When action of the Board in a matter related to a rail carrier is taken by the Board, an individual member of the Board, or another individual or group of individuals designated to take official action for the Board, the written statement of that action (including a report, order, decision and order, vote, notice, letter, policy statement, or regulation) shall indicate—

(A) the official designation of the individual or group taking the action;

(B) the name of each individual taking, or participating in taking, the action; and

(C) the vote or position of each participating individual.

(2) If an individual member of a group taking an official action referred to in paragraph (1) does not participate in it, the written statement of the action shall indicate that the member did not participate. An individual participating in taking an official action is entitled to express the views of that individual as part of the written statement of the action. In addition to any publication of the written statement, it shall be made available to the public under section 552(a) of title 5.

SUBCHAPTER II—ADMINISTRATIVE

§ 721. Powers

(a) IN GENERAL.—The Board shall carry out this chapter and subtitle IV. Enumeration of a power of the Board in this chapter or subtitle IV does not exclude another power the Board may have in carrying out this chapter or subtitle IV. The Board may prescribe regulations in carrying out this chapter and subtitle IV.

(b) INQUIRIES, REPORTS, AND ORDERS.—The Board may—

(1) inquire into and report on the management of the business of carriers providing transportation and services subject to subtitle IV;

(2) inquire into and report on the management of the business of a person controlling, controlled by, or under common control with those carriers to the extent that the business of that person is related to the management of the business of that carrier;

(3) obtain from those carriers and persons information the Board decides is necessary to carry out subtitle IV; and

(4) when necessary to prevent irreparable harm, issue an appropriate order without regard to subchapter II of chapter 5 of title 5.

(c) SUBPOENA WITNESSES.—(1) The Board may subpoena witnesses and records related to a proceeding of the Board from any place in the United States, to the designated place of the proceeding. If a witness disobeys a subpoena, the Board, or a party to a proceeding before the Board, may petition a court of the United States to enforce that subpoena.

(2) The district courts of the United States have jurisdiction to enforce a subpoena issued under this section. Trial is in the district in which the proceeding is conducted. The court may punish a refusal to obey a subpoena as a contempt of court.

(d) DEPOSITIONS.—(1) In a proceeding, the Board may take the testimony of a witness by deposition and may order the witness to produce records. A party to a proceeding pending before the Board may take the testimony of a witness by deposition and may require the witness to produce records at any time after a proceeding is at issue on petition and answer.

(2) If a witness fails to be deposed or to produce records under paragraph (1), the Board may subpoena the witness to take a deposition, produce the records, or both.

(3) A deposition may be taken before a judge of a court of the United States, a United States magistrate judge, a clerk of a district court, or a chancellor, justice, or judge of a supreme or superior court, mayor or chief magistrate of a city, judge of a county court, or court of common pleas of any State, or a notary public who is not counsel or attorney of a party or interested in the proceeding.

(4) Before taking a deposition, reasonable notice must be given in writing by the party or the attorney of that party proposing to take a deposition to the opposing party or the attorney of record of that party, whoever is nearest. The notice shall state the name of the witness and the time and place of taking the deposition.

(5) The testimony of a person deposed under this subsection shall be taken under oath. The person taking the deposition shall prepare, or cause to be prepared, a transcript of the testimony taken. The transcript shall be subscribed by the deponent.

(6) The testimony of a witness who is in a foreign country may be taken by deposition before an officer or person designated by the Board or agreed on by the parties by written stipulation filed with the Board. A deposition shall be filed with the Board promptly.

(e) WITNESS FEES.—Each witness summoned before the Board or whose deposition is taken under this section and the individual taking the deposition are entitled to the same fees and mileage paid for those services in the courts of the United States.

§ 722. Board action

(a) EFFECTIVE DATE OF ACTIONS.—Unless otherwise provided in subtitle IV, the Board may determine, within a reasonable time, when its actions, other than an action ordering the payment of money, take effect.

(b) TERMINATING AND CHANGING ACTIONS.—An action of the Board remains in effect under its own terms or until superseded.

The Board may change, suspend, or set aside any such action on notice. Notice may be given in a manner determined by the Board. A court of competent jurisdiction may suspend or set aside any such action.

(c) RECONSIDERING ACTIONS.—The Board may, at any time on its own initiative because of material error, new evidence, or substantially changed circumstances—

- (1) reopen a proceeding;
- (2) grant rehearing, reargument, or reconsideration of an action of the Board; or
- (3) change an action of the Board.

An interested party may petition to reopen and reconsider an action of the Board under this subsection under regulations of the Board.

(d) FINALITY OF ACTIONS.—Notwithstanding subtitle IV, an action of the Board under this section is final on the date on which it is served, and a civil action to enforce, enjoin, suspend, or set aside the action may be filed after that date.

§ 723. Service of notice in Board proceedings

(a) DESIGNATION OF AGENT.—A carrier providing transportation subject to the jurisdiction of the Board under subtitle IV shall designate an agent in the District of Columbia, on whom service of notices in a proceeding before, and of actions of, the Board may be made.

(b) FILING AND CHANGING DESIGNATIONS.—A designation under subsection (a) shall be in writing and filed with the Board. The designation may be changed at any time in the same manner as originally made.

(c) SERVICE OF NOTICE.—Except as otherwise provided, notices of the Board shall be served on its designated agent at the office or usual place of residence in the District of Columbia of that agent. A notice of action of the Board shall be served immediately on the agent or in another manner provided by law. If that carrier does not have a designated agent, service may be made by posting the notice in the office of the Board.

(d) SPECIAL RULE FOR RAIL CARRIERS.—In a proceeding involving the lawfulness of classifications, rates, or practices of a rail carrier that has not designated an agent under this section, service of notice of the Board on an attorney in fact for the carrier constitutes service of notice on the carrier.

§ 724. Service of process in court proceedings

(a) DESIGNATION OF AGENT.—A carrier providing transportation subject to the jurisdiction of the Board under subtitle IV shall designate an agent in the District of Columbia on whom service of process in an action before a district court may be made. Except as otherwise provided, process in an action before a district court shall be served on the designated agent of that carrier at the office or usual place of residence in the District of Columbia of that agent. If the carrier does not have a designated agent, service may be made by posting the notice in the office of the Board.

(b) CHANGING DESIGNATION.—A designation under this section may be changed at any time in the same manner as originally made.

§ 725. Administrative support

The Secretary of Transportation shall provide administrative support for the Board.

§ 726. Railroad-Shipper Transportation Advisory Council

(a) ESTABLISHMENT; MEMBERSHIP.—There is established the Railroad-Shipper Transportation Advisory Council (in this section referred to as the “Council”) to be composed of 19 members, of which 15 members shall be appointed by the Chairman of the Board, after recommendation from rail carriers and shippers, within 60 days after December 29, 1995. The members of the Council shall be appointed as follows:

(1) The members of the Council shall be appointed from among citizens of the United States who are not regular full-time employees of the United States and shall be selected for appointment so as to provide as nearly as practicable a broad representation of the various segments of the railroad and rail shipper industries.

(2) Nine of the members shall be appointed from senior executive officers of organizations engaged in the railroad and rail shipping industries, which 9 members shall be the voting members of the Council. Council action and Council positions shall be determined by a majority vote of the members present. A majority of such voting members shall constitute a quorum. Of such 9 voting members—

(A) at least 4 shall be representative of small shippers (as determined by the Chairman); and

(B) at least 4 shall be representative of Class II or III railroads.

(3) The remaining 6 members of the Council shall serve in a nonvoting advisory capacity only, but shall be entitled to participate in Council deliberations. Of the remaining members—

(A) 3 shall be representative of Class I railroads; and

(B) 3 shall be representative of large shipper organizations (as determined by the Chairman).

(4) The Secretary of Transportation and the members of the Board shall serve as ex officio, nonvoting members of the Council. The Council shall not be subject to the Federal Advisory Committee Act. A list of the members appointed to the Council shall be forwarded to the Chairmen and ranking members of the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

(5) Each ex officio member of the Council may designate an alternate, who shall serve as a member of the Council whenever the ex officio member is unable to attend a meeting of the Council. Any such designated alternate shall be selected from individuals who exercise significant decision-making authority in the Federal agency involved.

(b) **TERM OF OFFICE.**—The members of the Council shall be appointed for a term of office of 3 years, except that of the members first appointed—

(1) 5 members shall be appointed for terms of 1 year; and
(2) 5 members shall be appointed for terms of 2 years,
as designated by the Chairman at the time of appointment. Any member appointed to fill a vacancy occurring before the expiration of the term for which the member's predecessor was appointed shall be appointed only for the remainder of such term. A member may serve after the expiration of his term until his successor has taken office. Vacancies on the Council shall be filled in the same manner in which the original appointments were made. No member of the Council shall be eligible to serve in excess of two consecutive terms.

(c) **ELECTION AND DUTIES OF OFFICERS.**—The Council Chairman and Vice Chairman and other appropriate officers of the Council shall be elected by and from the voting members of the Council. The Council Chairman shall serve as the Council's executive officer and shall direct the administration of the Council, assign officer and committee duties, and shall be responsible for issuing and communicating the reports, policy positions and statements of the Council. In the event that the Council Chairman is unable to serve, the Vice Chairman shall act as Council Chairman.

(d) **EXPENSES.**—(1) The members of the Council shall receive no compensation for their services as such, but upon request by the Council Chairman, based on a showing of significant economic burden, the Secretary of Transportation or the Chairman of the Board, to the extent provided in advance in appropriation Acts, may provide reasonable and necessary travel expenses for such individual Council members from Department or Board funding sources in order to foster balanced representation on the Council.

(2) Upon request by the Council Chairman, the Secretary or Chairman of the Board, to the extent provided in advance in appropriations Acts, may pay the reasonable and necessary expenses incurred by the Council in connection with the coordination of Council activities, announcement and reporting of meetings, and preparation of such Council documents as are required or permitted by this section.

(3) The Council may solicit and use private funding for its activities, subject to this subsection.

(4) Prior to making any Federal funding requests, the Council Chairman shall undertake best efforts to fund such activities privately unless the Council Chairman determines that such private funding would create a conflict of interest, or the appearance thereof, or is otherwise impractical. The Council Chairman shall not request funding from any Federal agency without providing written justification as to why private funding would create any such conflict or appearance, or is otherwise impractical.

(5) To enable the Council to carry out its functions—

(A) the Council Chairman may request directly from any Federal agency such personnel, information, services, or facilities, on a compensated or uncompensated basis, as the Council Chairman determines necessary to carry out the functions of the Council;

(B) each Federal agency may, in its discretion, furnish the Council with such information, services, and facilities as the Council Chairman may request to the extent permitted by law and within the limits of available funds; and

(C) each Federal agency may, in its discretion, detail to temporary duty with the Council, such personnel as the Council Chairman may request for carrying out the functions of the Council, each such detail to be without loss of seniority, pay, or other employee status.

(e) MEETINGS.—The Council shall meet at least semi-annually and shall hold other meetings at the call of the Council Chairman. Appropriate Federal facilities, where available, may be used for such meetings. Whenever the Council, or a committee of the Council, considers matters that affect the jurisdictional interests of Federal agencies that are not represented on the Council, the Council Chairman may invite the heads of such agencies, or their designees, to participate in the deliberations of the Council.

(f) FUNCTIONS AND DUTIES; ANNUAL REPORT.—(1) The Council shall advise the Secretary, the Chairman, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Transportation and Infrastructure of the House of Representatives with respect to rail transportation policy issues it considers significant, with particular attention to issues of importance to small shippers and small railroads, including car supply, rates, competition, and effective procedures for addressing legitimate shipper and other claims.

(2) To the extent the Council addresses specific grain car issues, it shall coordinate such activities with the National Grain Car Council. The Secretary and Chairman shall cooperate with the Council to provide research, technical and other reasonable support in developing any reports and policy statements required or authorized by this subsection.

(3) The Council shall endeavor to develop within the private sector mechanisms to prevent, or identify and effectively address, obstacles to the most effective and efficient transportation system practicable.

(4) The Council shall prepare an annual report concerning its activities and the results of Council efforts to resolve industry issues, and propose whatever regulatory or legislative relief it considers appropriate. The Council shall include in the annual report such recommendations as it considers appropriate with respect to the performance of the Secretary and Chairman under this chapter, and with respect to the operation and effectiveness of meetings and industry developments relating to the Council's efforts, and such other information as it considers appropriate. Such annual reports shall be reviewed by the Secretary and Chairman, and shall include the Secretary's and Chairman's views or comments relating to—

- (A) the accuracy of information therein;
- (B) Council efforts and reasonableness of Council positions and actions; and
- (C) any other aspects of the Council's work as they may consider appropriate.

The Council may prepare other reports or develop policy statements as the Council considers appropriate. An annual report shall be submitted for each fiscal year and shall be submitted to the Secretary and Chairman within 90 days after the end of the fiscal year. Other such reports and statements may be submitted as the Council considers appropriate.

§ 727. Definitions

All terms used in this chapter that are defined in subtitle IV shall have the meaning given those terms in that subtitle.

SUBTITLE II—OTHER GOVERNMENT AGENCIES

CHAPTER	Sec.
11. NATIONAL TRANSPORTATION SAFETY BOARD	1101

CHAPTER 11—NATIONAL TRANSPORTATION SAFETY BOARD

SUBCHAPTER I—GENERAL

- Sec.
1101. Definitions.

SUBCHAPTER II—ORGANIZATION AND ADMINISTRATIVE

1111. General organization.
1112. Special boards of inquiry on air transportation safety.
1113. Administrative.
1114. Disclosure, availability, and use of information.
1115. Training.
1116. Reports and studies.
1117. Annual report.
1118. Authorization of appropriations.
1119. Accident and safety data classification and publication.

SUBCHAPTER III—AUTHORITY

1131. General authority.
1132. Civil aircraft accident investigations.
1133. Review of other agency action.
1134. Inspections and autopsies.
1135. Secretary of Transportation's responses to safety recommendations.
1136. Assistance to families of passengers involved in aircraft accidents.
1137. Authority of the Inspector General.

SUBCHAPTER IV—ENFORCEMENT AND PENALTIES

1151. Aviation enforcement.
1152. Joinder and intervention in aviation proceedings.
1153. Judicial review.
1154. Discovery and use of cockpit and surface vehicle recordings and transcripts.
1155. Aviation penalties.

SUBCHAPTER I—GENERAL

§ 1101. Definitions

Section 2101(17a) of title 46 and section 40102(a) of this title apply to this chapter. In this chapter, the term "accident" includes damage to or destruction of vehicles in surface or air transportation or pipelines, regardless of whether the initiating event is accidental or otherwise.

SUBCHAPTER II—ORGANIZATION AND ADMINISTRATIVE

§ 1111. General organization

(a) ORGANIZATION.—The National Transportation Safety Board is an independent establishment of the United States Government.

(b) APPOINTMENT OF MEMBERS.—The Board is composed of 5 members appointed by the President, by and with the advice and consent of the Senate. Not more than 3 members may be appointed from the same political party. At least 3 members shall be appointed on the basis of technical qualification, professional standing, and demonstrated knowledge in accident reconstruction, safety engineering, human factors, transportation safety, or transportation regulation.

(c) TERMS OF OFFICE AND REMOVAL.—The term of office of each member is 5 years. An individual appointed to fill a vacancy occurring before the expiration of the term for which the predecessor of that individual was appointed, is appointed for the remainder of that term. When the term of office of a member ends, the member may continue to serve until a successor is appointed and qualified. The President may remove a member for inefficiency, neglect of duty, or malfeasance in office.

(d) CHAIRMAN AND VICE CHAIRMAN.—The President shall designate, by and with the advice and consent of the Senate, a Chairman of the Board. The President also shall designate a Vice Chairman of the Board. The terms of office of both the Chairman and Vice Chairman are 2 years. When the Chairman is absent or unable to serve or when the position of Chairman is vacant, the Vice Chairman acts as Chairman.

(e) DUTIES AND POWERS OF CHAIRMAN.—The Chairman is the chief executive and administrative officer of the Board. Subject to the general policies and decisions of the Board, the Chairman shall—

(1) appoint, supervise, and fix the pay of officers and employees necessary to carry out this chapter;

(2) distribute business among the officers, employees, and administrative units of the Board; and

(3) supervise the expenditures of the Board.

(f) QUORUM.—Three members of the Board are a quorum in carrying out duties and powers of the Board.

(g) OFFICES, BUREAUS, AND DIVISIONS.—The Board shall establish offices necessary to carry out this chapter, including an office to investigate and report on the safe transportation of hazardous material. The Board shall establish distinct and appropriately staffed bureaus, divisions, or offices to investigate and report on accidents involving each of the following modes of transportation:

(1) aviation.

(2) highway and motor vehicle.

(3) rail and tracked vehicle.

(4) pipeline.

(h) CHIEF FINANCIAL OFFICER.—The Chairman shall designate an officer or employee of the Board as the Chief Financial Officer. The Chief Financial Officer shall—

(1) report directly to the Chairman on financial management and budget execution;

(2) direct, manage, and provide policy guidance and oversight on financial management and property and inventory control; and

(3) review the fees, rents, and other charges imposed by the Board for services and things of value it provides, and sug-

gest appropriate revisions to those charges to reflect costs incurred by the Board in providing those services and things of value.

(i) SEAL.—The Board shall have a seal that shall be judicially recognized.

§ 1112. Special boards of inquiry on air transportation safety

(a) ESTABLISHMENT.—If an accident involves a substantial question about public safety in air transportation, the National Transportation Safety Board may establish a special board of inquiry composed of—

(1) one member of the Board acting as chairman; and

(2) 2 members representing the public, appointed by the President on notification of the establishment of the special board of inquiry.

(b) QUALIFICATIONS AND CONFLICTS OF INTEREST.—The public members of a special board of inquiry must be qualified by training and experience to participate in the inquiry and may not have a pecuniary interest in an aviation enterprise involved in the accident to be investigated.

(c) AUTHORITY.—A special board of inquiry has the same authority that the Board has under this chapter.

§ 1113. Administrative

(a) GENERAL AUTHORITY.—(1) The National Transportation Safety Board, and when authorized by it, a member of the Board, an administrative law judge employed by or assigned to the Board, or an officer or employee designated by the Chairman of the Board, may conduct hearings to carry out this chapter, administer oaths, and require, by subpoena or otherwise, necessary witnesses and evidence.

(2) A witness or evidence in a hearing under paragraph (1) of this subsection may be summoned or required to be produced from any place in the United States to the designated place of the hearing. A witness summoned under this subsection is entitled to the same fee and mileage the witness would have been paid in a court of the United States.

(3) A subpoena shall be issued under the signature of the Chairman or the Chairman's delegate but may be served by any person designated by the Chairman.

(4) If a person disobeys a subpoena, order, or inspection notice of the Board, the Board may bring a civil action in a district court of the United States to enforce the subpoena, order, or notice. An action under this paragraph may be brought in the judicial district in which the person against whom the action is brought resides, is found, or does business. The court may punish a failure to obey an order of the court to comply with the subpoena, order, or notice as a contempt of court.

(b) ADDITIONAL POWERS.—(1) The Board may—

(A) procure the temporary or intermittent services of experts or consultants under section 3109 of title 5;

(B) make agreements and other transactions necessary to carry out this chapter without regard to section 3709 of the Revised Statutes (41 U.S.C. 5);

(C) use, when appropriate, available services, equipment, personnel, and facilities of a department, agency, or instrumentality of the United States Government on a reimbursable or other basis;

(D) confer with employees and use services, records, and facilities of State and local governmental authorities;

(E) appoint advisory committees composed of qualified private citizens and officials of the Government and State and local governments as appropriate;

(F) accept voluntary and uncompensated services notwithstanding another law;

(G) accept gifts of money and other property;

(H) make contracts with nonprofit entities to carry out studies related to duties and powers of the Board; and

(I)¹ negotiate and enter into agreements with individuals and private entities and departments, agencies, and instrumentalities of the Government, State and local governments, and governments of foreign countries for the provision of facilities, accident-related and technical services or training in accident investigation theory and techniques, and require that such entities provide appropriate consideration for the reasonable costs of any facilities, goods, services, or training provided by the Board.

(2) The Board shall deposit in the Treasury amounts received under paragraph (1)(I) of this subsection to be credited as offsetting collections to the appropriation of the Board. The Board shall maintain an annual record of collections received under paragraph (1)(I) of this subsection.

(c) SUBMISSION OF CERTAIN COPIES TO CONGRESS.—When the Board submits to the President or the Director of the Office of Management and Budget a budget estimate, budget request, supplemental budget estimate, other budget information, a legislative recommendation, prepared testimony for congressional hearings, or comments on legislation, the Board must submit a copy to Congress at the same time. An officer, department, agency, or instrumentality of the Government may not require the Board to submit the estimate, request, information, recommendation, testimony, or comments to another officer, department, agency, or instrumentality of the Government for approval, comment, or review before being submitted to Congress.

(d) LIAISON COMMITTEES.—The Chairman may determine the number of committees that are appropriate to maintain effective liaison with other departments, agencies, and instrumentalities of the Government, State and local governmental authorities, and independent standard-setting authorities that carry out programs and activities related to transportation safety. The Board may designate representatives to serve on or assist those committees.

(e) INQUIRIES.—The Board, or an officer or employee of the Board designated by the Chairman, may conduct an inquiry to ob-

¹ Margin so in law.

tain information related to transportation safety after publishing notice of the inquiry in the Federal Register. The Board or designated officer or employee may require by order a department, agency, or instrumentality of the Government, a State or local governmental authority, or a person transporting individuals or property in commerce to submit to the Board a written report and answers to requests and questions related to a duty or power of the Board. The Board may prescribe the time within which the report and answers must be given to the Board or to the designated officer or employee. Copies of the report and answers shall be made available for public inspection.

(f) REGULATIONS.—The Board may prescribe regulations to carry out this chapter.

(g) OVERTIME PAY.—

(1) IN GENERAL.—Subject to the requirements of this section and notwithstanding paragraphs (1) and (2) of section 5542(a) of title 5, for an employee of the Board whose basic pay is at a rate which equals or exceeds the minimum rate of basic pay for GS-10 of the General Schedule, the Board may establish an overtime hourly rate of pay for the employee with respect to work performed at the scene of an accident (including travel to or from the scene) and other work that is critical to an accident investigation in an amount equal to one and one-half times the hourly rate of basic pay of the employee. All of such amount shall be considered to be premium pay.

(2) LIMITATION ON OVERTIME PAY TO AN EMPLOYEE.—An employee of the Board may not receive overtime pay under paragraph (1), for work performed in a calendar year, in an amount that exceeds 15 percent of the annual rate of basic pay of the employee for such calendar year.

(3) LIMITATION ON TOTAL AMOUNT OF OVERTIME PAY.—The Board may not make overtime payments under paragraph (1) for work performed in any fiscal year in a total amount that exceeds 1.5 percent of the amount appropriated to carry out this chapter for that fiscal year.

(4) BASIC PAY DEFINED.—In this subsection, the term “basic pay” includes any applicable locality-based comparability payment under section 5304 of title 5 (or similar provision of law) and any special rate of pay under section 5305 of title 5 (or similar provision of law).

(5) ANNUAL REPORT.—Not later than January 31, 2002, and annually thereafter, the Board shall transmit to the Senate Committee on Commerce, Science, and Transportation and the House Transportation and Infrastructure Committee a report identifying the total amount of overtime payments made under this subsection in the preceding fiscal year, and the number of employees whose overtime pay under this subsection was limited in that fiscal year as a result of the 15 percent limit established by paragraph (2).

§ 1114. Disclosure, availability, and use of information

(a) GENERAL.—(1) Except as provided in subsections (b), (c), (d), and (f) of this section, a copy of a record, information, or investigation submitted or received by the National Transportation Safe-

ty Board, or a member or employee of the Board, shall be made available to the public on identifiable request and at reasonable cost. This subsection does not require the release of information described by section 552(b) of title 5 or protected from disclosure by another law of the United States.

(2)¹ The Board shall deposit in the Treasury amounts received under paragraph (1) to be credited to the appropriation of the Board as offsetting collections.

(b) TRADE SECRETS.—(1) The Board may disclose information related to a trade secret referred to in section 1905 of title 18 only—

(A) to another department, agency, or instrumentality of the United States Government when requested for official use;

(B) to a committee of Congress having jurisdiction over the subject matter to which the information is related, when requested by that committee;

(C) in a judicial proceeding under a court order that preserves the confidentiality of the information without impairing the proceeding; and

(D) to the public to protect health and safety after giving notice to any interested person to whom the information is related and an opportunity for that person to comment in writing, or orally in closed session, on the proposed disclosure, if the delay resulting from notice and opportunity for comment would not be detrimental to health and safety.

(2) Information disclosed under paragraph (1) of this subsection may be disclosed only in a way designed to preserve its confidentiality.

(3)¹ PROTECTION OF VOLUNTARY SUBMISSION OF INFORMATION.—Notwithstanding any other provision of law, neither the Board, nor any agency receiving information from the Board, shall disclose voluntarily provided safety-related information if that information is not related to the exercise of the Board's accident or incident investigation authority under this chapter and if the Board finds that the disclosure of the information would inhibit the voluntary provision of that type of information.

(c) COCKPIT RECORDINGS AND TRANSCRIPTS.—(1) The Board may not disclose publicly any part of a cockpit voice or video recorder recording or transcript of oral communications by and between flight crew members and ground stations related to an accident or incident investigated by the Board. However, the Board shall make public any part of a transcript or any written depiction of visual information the Board decides is relevant to the accident or incident—

(A) if the Board holds a public hearing on the accident or incident, at the time of the hearing; or

(B) if the Board does not hold a public hearing, at the time a majority of the other factual reports on the accident or incident are placed in the public docket.

¹Margin so in law.

(2) This subsection does not prevent the Board from referring at any time to cockpit voice or video recorder information in making safety recommendations.

(d)¹ SURFACE VEHICLE RECORDINGS AND TRANSCRIPTS.—

(1) CONFIDENTIALITY OF RECORDINGS.—The Board may not disclose publicly any part of a surface vehicle voice or video recorder recording or transcript of oral communications by or among drivers, train employees, or other operating employees responsible for the movement and direction of the vehicle or vessel, or between such operating employees and company communication centers, related to an accident investigated by the Board. However, the Board shall make public any part of a transcript or any written depiction of visual information that the Board decides is relevant to the accident—

(A) if the Board holds a public hearing on the accident, at the time of the hearing; or

(B) if the Board does not hold a public hearing, at the time a majority of the other factual reports on the accident are placed in the public docket.

(2) REFERENCES TO INFORMATION IN MAKING SAFETY RECOMMENDATIONS.—This subsection does not prevent the Board from referring at any time to voice or video recorder information in making safety recommendations.

(e) DRUG TESTS.—(1) Notwithstanding section 503(e) of the Supplemental Appropriations Act, 1987 (Public Law 100–71, 101 Stat. 471), the Secretary of Transportation shall provide the following information to the Board when requested in writing by the Board:

(A) any report of a confirmed positive toxicological test, verified as positive by a medical review officer, conducted on an officer or employee of the Department of Transportation under post-accident, unsafe practice, or reasonable suspicion toxicological testing requirements of the Department, when the officer or employee is reasonably associated with the circumstances of an accident or incident under the investigative jurisdiction of the Board.

(B) any laboratory record documenting that the test is confirmed positive.

(2) Except as provided by paragraph (3) of this subsection, the Board shall maintain the confidentiality of, and exempt from disclosure under section 552(b)(3) of title 5—

(A) a laboratory record provided the Board under paragraph (1) of this subsection that reveals medical use of a drug allowed under applicable regulations; and

(B) medical information provided by the tested officer or employee related to the test or a review of the test.

(3) The Board may use a laboratory record made available under paragraph (1) of this subsection to develop an evidentiary record in an investigation of an accident or incident if—

(A) the fitness of the tested officer or employee is at issue in the investigation; and

¹Section 5(b) of Public Law 106–424 inserted this subsection after subsection (e). The subsection appears here to reflect the probable intent of Congress.

(B) the use of that record is necessary to develop the evidentiary record.

(f) FOREIGN INVESTIGATIONS.—

(1) IN GENERAL.—Notwithstanding any other provision of law, neither the Board, nor any agency receiving information from the Board, shall disclose records or information relating to its participation in foreign aircraft accident investigations; except that—

(A) the Board shall release records pertaining to such an investigation when the country conducting the investigation issues its final report or 2 years following the date of the accident, whichever occurs first; and

(B) the Board may disclose records and information when authorized to do so by the country conducting the investigation.

(2) SAFETY RECOMMENDATIONS.—Nothing in this subsection shall restrict the Board at any time from referring to foreign accident investigation information in making safety recommendations.

§ 1115. Training

(a) DEFINITION.—In this section, “Institute” means the Transportation Safety Institute of the Department of Transportation and any successor organization of the Institute.

(b) USE OF INSTITUTE SERVICES.—The National Transportation Safety Board may use, on a reimbursable basis, the services of the Institute. The Secretary of Transportation shall make the Institute available to—

(1) the Board for safety training of employees of the Board in carrying out their duties and powers; and

(2) other safety personnel of the United States Government, State and local governments, governments of foreign countries, interstate authorities, and private organizations the Board designates in consultation with the Secretary.

(c) FEES.—(1) Training at the Institute for safety personnel (except employees of the Government) shall be provided at a reasonable fee established periodically by the Board in consultation with the Secretary. The fee shall be paid directly to the Secretary, and the Secretary shall deposit the fee in the Treasury. The amount of the fee—

(A) shall be credited to the appropriate appropriation (subject to the requirements of any annual appropriation); and

(B) is an offset against any annual reimbursement agreement between the Board and the Secretary to cover all reasonable costs of providing training under this subsection that the Secretary incurs in operating the Institute.

(2) The Board shall maintain an annual record of offsets under paragraph (1)(B) of this subsection.

(d)¹ TRAINING OF BOARD EMPLOYEES AND OTHERS.—The Board may conduct training of its employees in those subjects necessary for the proper performance of accident investigation. The Board may also authorize attendance at courses given

¹Margin so in law.

under this subsection by other government personnel, personnel of foreign governments, and personnel from industry or otherwise who have a requirement for accident investigation training. The Board may require non-Board personnel to reimburse some or all of the training costs, and amounts so reimbursed shall be credited to the appropriation of the Board as offsetting collections.

§ 1116. Reports and studies

(a) PERIODIC REPORTS.—The National Transportation Safety Board shall report periodically to Congress, departments, agencies, and instrumentalities of the United States Government and State and local governmental authorities concerned with transportation safety, and other interested persons. The report shall—

(1) advocate meaningful responses to reduce the likelihood of transportation accidents similar to those investigated by the Board; and

(2) propose corrective action to make the transportation of individuals as safe and free from risk of injury as possible, including action to minimize personal injuries that occur in transportation accidents.

(b) STUDIES, INVESTIGATIONS, AND OTHER REPORTS.—The Board also shall—

(1) carry out special studies and investigations about transportation safety, including avoiding personal injury;

(2) examine techniques and methods of accident investigation and periodically publish recommended procedures for accident investigations;

(3) prescribe requirements for persons reporting accidents and aviation incidents that—

(A) may be investigated by the Board under this chapter; or

(B) involve public aircraft (except aircraft of the armed forces and the intelligence agencies);

(4) evaluate, examine the effectiveness of, and publish the findings of the Board about the transportation safety consciousness of other departments, agencies, and instrumentalities of the Government and their effectiveness in preventing accidents; and

(5) evaluate the adequacy of safeguards and procedures for the transportation of hazardous material and the performance of other departments, agencies, and instrumentalities of the Government responsible for the safe transportation of that material.

§ 1117. Annual report

The National Transportation Safety Board shall submit a report to Congress on July 1 of each year. The report shall include—

(1) a statistical and analytical summary of the transportation accident investigations conducted and reviewed by the Board during the prior calendar year;

(2) a survey and summary of the recommendations made by the Board to reduce the likelihood of recurrence of those ac-

cidents together with the observed response to each recommendation; and

(3) a detailed appraisal of the accident investigation and accident prevention activities of other departments, agencies, and instrumentalities of the United States Government and State and local governmental authorities having responsibility for those activities under a law of the United States or a State.

§ 1118. Authorization of appropriations

(a) IN GENERAL.—There are authorized to be appropriated for the purposes of this chapter \$57,000,000 for fiscal year 2000, \$65,000,000 for fiscal year 2001, \$72,000,000 for fiscal year 2002, \$73,325,000 for fiscal year 2003, \$78,757,000 for fiscal year 2004, \$83,011,000 for fiscal year 2005, and \$87,539,000 for fiscal year 2006. Such sums shall remain available until expended.

(b) EMERGENCY FUND.—The Board has an emergency fund of \$2,000,000 available for necessary expenses of the Board, not otherwise provided for, for accident investigations. In addition, there are authorized to be appropriated such sums as may be necessary to increase the fund to, and maintain the fund at, a level not to exceed \$4,000,000.

(c) ACADEMY.—

(1) AUTHORIZATION.—There are authorized to be appropriated to the Board for necessary expenses of the National Transportation Safety Board Academy, not otherwise provided for, \$3,347,000 for fiscal year 2003, \$4,896,000 for fiscal year 2004, \$4,995,000 for fiscal year 2005, and \$5,200,000 for fiscal year 2006. Such sums shall remain available until expended.

(2) FEES.—The Board may impose and collect such fees as it determines to be appropriate for services provided by or through the Academy.

(3) RECEIPTS CREDITED AS OFFSETTING COLLECTIONS.—Notwithstanding section 3302 of title 31, any fee collected under this subsection—

(A) shall be credited as offsetting collections to the account that finances the activities and services for which the fee is imposed;

(B) shall be available for expenditure only to pay the costs of activities and services for which the fee is imposed; and

(C) shall remain available until expended.

(4) REFUNDS.—The Board may refund any fee paid by mistake or any amount paid in excess of that required.

(d) REPORT ON ACADEMY OPERATIONS.—The National Transportation Safety Board shall transmit an annual report to the Congress on the activities and operations of the National Transportation Safety Board Academy.

§ 1119. Accident and safety data classification and publication

(a) IN GENERAL.—Not later than 90 days after the date of the enactment of this section, the National Transportation Safety Board shall, in consultation and coordination with the Adminis-

trator of the Federal Aviation Administration, develop a system for classifying air carrier accident data maintained by the Board.

(b) REQUIREMENTS FOR CLASSIFICATION SYSTEM.—

(1) IN GENERAL.—The system developed under this section shall provide for the classification of accident and safety data in a manner that, in comparison to the system in effect on the date of the enactment of this section, provides for safety-related categories that provide clearer descriptions of accidents associated with air transportation, including a more refined classification of accidents which involve fatalities, injuries, or substantial damage and which are only related to the operation of an aircraft.

(2) PUBLIC COMMENT.—In developing a system of classification under paragraph (1), the Board shall provide adequate opportunity for public review and comment.

(3) FINAL CLASSIFICATION.—After providing for public review and comment, and after consulting with the Administrator, the Board shall issue final classifications. The Board shall ensure that air travel accident covered under this section is classified in accordance with the final classifications issued under this section for data for calendar year 1997, and for each subsequent calendar year.

(4) PUBLICATION.—The Board shall publish on a periodic basis accident and safety data in accordance with the final classifications issued under paragraph (3).

(5) RECOMMENDATIONS OF THE ADMINISTRATOR.—The Administrator may, from time to time, request the Board to consider revisions (including additions to the classification system developed under this section). The Board shall respond to any request made by the Administrator under this section not later than 90 days after receiving that request.

(c) APPEALS.—

(1) NOTIFICATION OF RIGHTS.—In any case in which an employee of the Board determines that an occurrence associated with the operation of an aircraft constitutes an accident, the employee shall notify the owner or operator of that aircraft of the right to appeal that determination to the Board.

(2) PROCEDURE.—The Board shall establish and publish the procedures for appeals under this subsection.

(3) LIMITATION ON APPLICABILITY.—This subsection shall not apply in the case of an accident that results in a loss of life.

SUBCHAPTER III—AUTHORITY

§ 1131. General authority

(a) GENERAL.—(1) The National Transportation Safety Board shall investigate or have investigated (in detail the Board prescribes) and establish the facts, circumstances, and cause or probable cause of—

(A) an aircraft accident the Board has authority to investigate under section 1132 of this title or an aircraft accident involving a public aircraft as defined by section 40102(a)(37) of

this title other than an aircraft operated by the Armed Forces or by an intelligence agency of the United States;

(B) a highway accident, including a railroad grade crossing accident, the Board selects in cooperation with a State;

(C) a railroad accident in which there is a fatality or substantial property damage, or that involves a passenger train;

(D) a pipeline accident in which there is a fatality, substantial property damage, or significant injury to the environment;

(E) a major marine casualty (except a casualty involving only public vessels) occurring on the navigable waters or territorial sea of the United States, or involving a vessel of the United States, under regulations prescribed jointly by the Board and the head of the department in which the Coast Guard is operating; and

(F) any other accident related to the transportation of individuals or property when the Board decides—

(i) the accident is catastrophic;

(ii) the accident involves problems of a recurring character; or

(iii) the investigation of the accident would carry out this chapter.

(2)(A) Subject to the requirements of this paragraph, an investigation by the Board under paragraph (1)(A)–(D) or (F) of this subsection has priority over any investigation by another department, agency, or instrumentality of the United States Government. The Board shall provide for appropriate participation by other departments, agencies, or instrumentalities in the investigation. However, those departments, agencies, or instrumentalities may not participate in the decision of the Board about the probable cause of the accident.

(B) If the Attorney General, in consultation with the Chairman of the Board, determines and notifies the Board that circumstances reasonably indicate that the accident may have been caused by an intentional criminal act, the Board shall relinquish investigative priority to the Federal Bureau of Investigation. The relinquishment of investigative priority by the Board shall not otherwise affect the authority of the Board to continue its investigation under this section.

(C) If a Federal law enforcement agency suspects and notifies the Board that an accident being investigated by the Board under subparagraph (A), (B), (C), or (D) of paragraph (1) may have been caused by an intentional criminal act, the Board, in consultation with the law enforcement agency, shall take necessary actions to ensure that evidence of the criminal act is preserved.

(3) This section and sections 1113, 1116(b), 1133, and 1134(a) and (c)–(e) of this title do not affect the authority of another department, agency, or instrumentality of the Government to investigate an accident under applicable law or to obtain information directly from the parties involved in, and witnesses to, the accident. The Board and other departments, agencies, and instrumentalities shall ensure that appropriate information developed about the accident is exchanged in a timely manner.

(b) ACCIDENTS INVOLVING PUBLIC VESSELS.—(1) The Board or the head of the department in which the Coast Guard is operating shall investigate and establish the facts, circumstances, and cause or probable cause of a marine accident involving a public vessel and any other vessel. The results of the investigation shall be made available to the public.

(2) Paragraph (1) of this subsection and subsection (a)(1)(E) of this section do not affect the responsibility, under another law of the United States, of the head of the department in which the Coast Guard is operating.

(c) ACCIDENTS NOT INVOLVING GOVERNMENT MISFEASANCE OR NONFEASANCE.—(1) When asked by the Board, the Secretary of Transportation may—

(A) investigate an accident described under subsection (a) or (b) of this section in which misfeasance or nonfeasance by the Government has not been alleged; and

(B) report the facts and circumstances of the accident to the Board.

(2) The Board shall use the report in establishing cause or probable cause of an accident described under subsection (a) or (b) of this section.

(d) ACCIDENTS INVOLVING PUBLIC AIRCRAFT.—The Board, in furtherance of its investigative duties with respect to public aircraft accidents under subsection (a)(1)(A) of this section, shall have the same duties and powers as are specified for civil aircraft accidents under sections 1132(a), 1132(b), and 1134 (a), (b), (d), and (f) of this title.

(e) ACCIDENT REPORTS.—The Board shall report on the facts and circumstances of each accident investigated by it under subsection (a) or (b) of this section. The Board shall make each report available to the public at reasonable cost.

§ 1132. Civil aircraft accident investigations

(a) GENERAL AUTHORITY.—(1) The National Transportation Safety Board shall investigate—

(A) each accident involving civil aircraft; and

(B) with the participation of appropriate military authorities, each accident involving both military and civil aircraft.

(2) A person employed under section 1113(b)(1) of this title that is conducting an investigation or hearing about an aircraft accident has the same authority to conduct the investigation or hearing as the Board.

(b) NOTIFICATION AND REPORTING.—The Board shall prescribe regulations governing the notification and reporting of accidents involving civil aircraft.

(c) PARTICIPATION OF SECRETARY.—The Board shall provide for the participation of the Secretary of Transportation in the investigation of an aircraft accident under this chapter when participation is necessary to carry out the duties and powers of the Secretary. However, the Secretary may not participate in establishing probable cause.

(d) ACCIDENTS INVOLVING ONLY MILITARY AIRCRAFT.—If an accident involves only military aircraft and a duty of the Secretary is or may be involved, the military authorities shall provide for the

participation of the Secretary. In any other accident involving only military aircraft, the military authorities shall give the Board or Secretary information the military authorities decide would contribute to the promotion of air safety.

§ 1133. Review of other agency action

The National Transportation Safety Board shall review on appeal—

(1) the denial, amendment, modification, suspension, or revocation of a certificate issued by the Secretary of Transportation under section 44703, 44709, or 44710 of this title;

(2) the revocation of a certificate of registration under section 44106 of this title;

(3) a decision of the head of the department in which the Coast Guard is operating on an appeal from the decision of an administrative law judge denying, revoking, or suspending a license, certificate, document, or register in a proceeding under section 6101, 6301, or 7503, chapter 77, or section 9303 of title 46; and

(4) under section 46301(d)(5) of this title, an order imposing a penalty under section 46301.

§ 1134. Inspections and autopsies

(a) ENTRY AND INSPECTION.—An officer or employee of the National Transportation Safety Board—

(1) on display of appropriate credentials and written notice of inspection authority, may enter property where a transportation accident has occurred or wreckage from the accident is located and do anything necessary to conduct an investigation; and

(2) during reasonable hours, may inspect any record, process, control, or facility related to an accident investigation under this chapter.

(b) INSPECTION, TESTING, PRESERVATION, AND MOVING OF AIRCRAFT AND PARTS.—(1) In investigating an aircraft accident under this chapter, the Board may inspect and test, to the extent necessary, any civil aircraft, aircraft engine, propeller, appliance, or property on an aircraft involved in an accident in air commerce.

(2) Any civil aircraft, aircraft engine, propeller, appliance, or property on an aircraft involved in an accident in air commerce shall be preserved, and may be moved, only as provided by regulations of the Board.

(c) AVOIDING UNNECESSARY INTERFERENCE AND PRESERVING EVIDENCE.—In carrying out subsection (a)(1) of this section, an officer or employee may examine or test any vehicle, vessel, rolling stock, track, or pipeline component. The examination or test shall be conducted in a way that—

(1) does not interfere unnecessarily with transportation services provided by the owner or operator of the vehicle, vessel, rolling stock, track, or pipeline component; and

(2) to the maximum extent feasible, preserves evidence related to the accident, consistent with the needs of the investigation and with the cooperation of that owner or operator.

(d) **EXCLUSIVE AUTHORITY OF BOARD.**—Only the Board has the authority to decide on the way in which testing under this section will be conducted, including decisions on the person that will conduct the test, the type of test that will be conducted, and any individual who will witness the test. Those decisions are committed to the discretion of the Board. The Board shall make any of those decisions based on the needs of the investigation being conducted and, when applicable, subsections (a), (c), and (e) of this section.

(e) **PROMPTNESS OF TESTS AND AVAILABILITY OF RESULTS.**—An inspection, examination, or test under subsection (a) or (c) of this section shall be started and completed promptly, and the results shall be made available.

(f) **AUTOPSIES.**—(1) The Board may order an autopsy to be performed and have other tests made when necessary to investigate an accident under this chapter. However, local law protecting religious beliefs related to autopsies shall be observed to the extent consistent with the needs of the accident investigation.

(2) With or without reimbursement, the Board may obtain a copy of an autopsy report performed by a State or local official on an individual who died because of a transportation accident investigated by the Board under this chapter.

§ 1135. Secretary of Transportation's responses to safety recommendations

(a) **GENERAL.**—When the National Transportation Safety Board submits a recommendation about transportation safety to the Secretary of Transportation, the Secretary shall give a formal written response to each recommendation not later than 90 days after receiving the recommendation. The response shall indicate whether the Secretary intends—

(1) to carry out procedures to adopt the complete recommendation;

(2) to carry out procedures to adopt a part of the recommendation; or

(3) to refuse to carry out procedures to adopt the recommendation.

(b) **TIMETABLE FOR COMPLETING PROCEDURES AND REASONS FOR REFUSALS.**—A response under subsection (a)(1) or (2) of this section shall include a copy of a proposed timetable for completing the procedures. A response under subsection (a)(2) of this section shall detail the reasons for the refusal to carry out procedures on the remainder of the recommendation. A response under subsection (a)(3) of this section shall detail the reasons for the refusal to carry out procedures.

(c) **PUBLIC AVAILABILITY.**—The Board shall make a copy of each recommendation and response available to the public at reasonable cost.

(d) **REPORTING REQUIREMENTS.**—

(1) **ANNUAL SECRETARIAL REGULATORY STATUS REPORTS.**—On February 1 of each year, the Secretary shall submit a report to Congress and the Board containing the regulatory status of each recommendation made by the Board to the Secretary (or to an Administration within the Department of Transportation) that is on the Board's "most wanted list". The

Secretary shall continue to report on the regulatory status of each such recommendation in the report due on February 1 of subsequent years until final regulatory action is taken on that recommendation or the Secretary (or an Administration within the Department) determines and states in such a report that no action should be taken.

(2) FAILURE TO REPORT.—If on March 1 of each year the Board has not received the Secretary's report required by this subsection, the Board shall notify the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate of the Secretary's failure to submit the required report.

(3) TERMINATION.—This subsection shall cease to be in effect after the report required to be filed on February 1, 2008, is filed.

§ 1136. Assistance to families of passengers involved in aircraft accidents

(a) IN GENERAL.—As soon as practicable after being notified of an aircraft accident within the United States involving an air carrier or foreign air carrier and resulting in a major loss of life, the Chairman of the National Transportation Safety Board shall—

(1) designate and publicize the name and phone number of a director of family support services who shall be an employee of the Board and shall be responsible for acting as a point of contact within the Federal Government for the families of passengers involved in the accident and a liaison between the air carrier or foreign air carrier and the families; and

(2) designate an independent nonprofit organization, with experience in disasters and posttrauma communication with families, which shall have primary responsibility for coordinating the emotional care and support of the families of passengers involved in the accident.

(b) RESPONSIBILITIES OF THE BOARD.—The Board shall have primary Federal responsibility for facilitating the recovery and identification of fatally-injured passengers involved in an accident described in subsection (a).

(c) RESPONSIBILITIES OF DESIGNATED ORGANIZATION.—The organization designated for an accident under subsection (a)(2) shall have the following responsibilities with respect to the families of passengers involved in the accident:

(1) To provide mental health and counseling services, in coordination with the disaster response team of the air carrier or foreign air carrier involved.

(2) To take such actions as may be necessary to provide an environment in which the families may grieve in private.

(3) To meet with the families who have traveled to the location of the accident, to contact the families unable to travel to such location, and to contact all affected families periodically thereafter until such time as the organization, in consultation with the director of family support services designated for the accident under subsection (a)(1), determines that further assistance is no longer needed.

(4) To communicate with the families as to the roles of the organization, government agencies, and the air carrier or foreign air carrier involved with respect to the accident and the post-accident activities.

(5) To arrange a suitable memorial service, in consultation with the families.

(d) PASSENGER LISTS.—

(1) REQUESTS FOR PASSENGER LISTS.—

(A) REQUESTS BY DIRECTOR OF FAMILY SUPPORT SERVICES.—It shall be the responsibility of the director of family support services designated for an accident under subsection (a)(1) to request, as soon as practicable, from the air carrier or foreign air carrier involved in the accident a list, which is based on the best available information at the time of the request, of the names of the passengers that were aboard the aircraft involved in the accident.

(B) REQUESTS BY DESIGNATED ORGANIZATION.—The organization designated for an accident under subsection (a)(2) may request from the air carrier or foreign air carrier involved in the accident a list described in subparagraph (A).

(2) USE OF INFORMATION.—The director of family support services and the organization may not release to any person information on a list obtained under paragraph (1) but may provide information on the list about a passenger to the family of the passenger to the extent that the director of family support services or the organization considers appropriate.

(e) CONTINUING RESPONSIBILITIES OF THE BOARD.—In the course of its investigation of an accident described in subsection (a), the Board shall, to the maximum extent practicable, ensure that the families of passengers involved in the accident—

(1) are briefed, prior to any public briefing, about the accident, its causes, and any other findings from the investigation; and

(2) are individually informed of and allowed to attend any public hearings and meetings of the Board about the accident.

(f) USE OF AIR CARRIER RESOURCES.—To the extent practicable, the organization designated for an accident under subsection (a)(2) shall coordinate its activities with the air carrier or foreign air carrier involved in the accident so that the resources of the carrier can be used to the greatest extent possible to carry out the organization's responsibilities under this section.

(g) PROHIBITED ACTIONS.—

(1) ACTIONS TO IMPEDE THE BOARD.—No person (including a State or political subdivision) may impede the ability of the Board (including the director of family support services designated for an accident under subsection (a)(1)), or an organization designated for an accident under subsection (a)(2), to carry out its responsibilities under this section or the ability of the families of passengers involved in the accident to have contact with one another.

(2) UNSOLICITED COMMUNICATIONS.—In the event of an accident involving an air carrier providing interstate or foreign air transportation and in the event of an accident involving a

foreign air carrier that occurs within the United States, no unsolicited communication concerning a potential action for personal injury or wrongful death may be made by an attorney (including any associate, agent, employee, or other representative of an attorney) or any potential party to the litigation to an individual injured in the accident, or to a relative of an individual involved in the accident, before the 45th day following the date of the accident.

(3) PROHIBITION ON ACTIONS TO PREVENT MENTAL HEALTH AND COUNSELING SERVICES.—No State or political subdivision thereof may prevent the employees, agents, or volunteers of an organization designated for an accident under subsection (a)(2) from providing mental health and counseling services under subsection (c)(1) in the 30-day period beginning on the date of the accident. The director of family support services designated for the accident under subsection (a)(1) may extend such period for not to exceed an additional 30 days if the director determines that the extension is necessary to meet the needs of the families and if State and local authorities are notified of the determination.

(h) DEFINITIONS.—In this section, the following definitions apply:

(1) AIRCRAFT ACCIDENT.—The term “aircraft accident” means any aviation disaster regardless of its cause or suspected cause.

(2) PASSENGER.—The term “passenger” includes—

(A) an employee of an air carrier or foreign air carrier aboard an aircraft; and

(B) any other person aboard the aircraft without regard to whether the person paid for the transportation, occupied a seat, or held a reservation for the flight.

(i) STATUTORY CONSTRUCTION.—Nothing in this section may be construed as limiting the actions that an air carrier may take, or the obligations that an air carrier may have, in providing assistance to the families of passengers involved in an aircraft accident.

(j) RELINQUISHMENT OF INVESTIGATIVE PRIORITY.—

(1) GENERAL RULE.—This section (other than subsection (g)) shall not apply to an aircraft accident if the Board has relinquished investigative priority under section 1131(a)(2)(B) and the Federal agency to which the Board relinquished investigative priority is willing and able to provide assistance to the victims and families of the passengers involved in the accident.

(2) BOARD ASSISTANCE.—If this section does not apply to an aircraft accident because the Board has relinquished investigative priority with respect to the accident, the Board shall assist, to the maximum extent possible, the agency to which the Board has relinquished investigative priority in assisting families with respect to the accident.

§ 1137. Authority of the Inspector General

(a) IN GENERAL.—The Inspector General of the Department of Transportation, in accordance with the mission of the Inspector General to prevent and detect fraud and abuse, shall have authority to review only the financial management, property manage-

ment, and business operations of the National Transportation Safety Board, including internal accounting and administrative control systems, to determine compliance with applicable Federal laws, rules, and regulations.

(b) DUTIES.—In carrying out this section, the Inspector General shall—

(1) keep the Chairman of the Board and Congress fully and currently informed about problems relating to administration of the internal accounting and administrative control systems of the Board;

(2) issue findings and recommendations for actions to address such problems; and

(3) report periodically to Congress on any progress made in implementing actions to address such problems.

(c) ACCESS TO INFORMATION.—In carrying out this section, the Inspector General may exercise authorities granted to the Inspector General under subsections (a) and (b) of section 6 of the Inspector General Act of 1978 (5 U.S.C. App.).

(d) REIMBURSEMENT.—The Inspector General shall be reimbursed by the Board for the costs associated with carrying out activities under this section.

SUBCHAPTER IV—ENFORCEMENT AND PENALTIES

§ 1151. Aviation enforcement

(a) CIVIL ACTIONS BY BOARD.—The National Transportation Safety Board may bring a civil action in a district court of the United States against a person to enforce section 1132, 1134(b) or (f)(1) (related to an aircraft accident), 1136(g)(2), or 1155(a) of this title or a regulation prescribed or order issued under any of those sections. An action under this subsection may be brought in the judicial district in which the person does business or the violation occurred.

(b) CIVIL ACTIONS BY ATTORNEY GENERAL.—On request of the Board, the Attorney General may bring a civil action in an appropriate court—

(1) to enforce section 1132, 1134(b) or (f)(1)(related to an aircraft accident), 1136(g)(2), or 1155(a) of this title or a regulation prescribed or order issued under any of those sections; and

(2) to prosecute a person violating those sections or a regulation prescribed or order issued under any of those sections.

(c) PARTICIPATION OF BOARD.—On request of the Attorney General, the Board may participate in a civil action to enforce section 1132, 1134(b) or (f)(1)(related to an aircraft accident), 1136(g)(2), or 1155(a) of this title.

§ 1152. Joinder and intervention in aviation proceedings

A person interested in or affected by a matter under consideration in a proceeding or a civil action to enforce section 1132, 1134(b) or (f)(1)(related to an aircraft accident), or 1155(a) of this title, or a regulation prescribed or order issued under any of those sections, may be joined as a party or permitted to intervene in the proceeding or civil action.

§ 1153. Judicial review

(a) GENERAL.—The appropriate court of appeals of the United States or the United States Court of Appeals for the District of Columbia Circuit may review a final order of the National Transportation Safety Board under this chapter. A person disclosing a substantial interest in the order may apply for review by filing a petition not later than 60 days after the order of the Board is issued.

(b) PERSONS SEEKING JUDICIAL REVIEW OF AVIATION MATTERS.—(1) A person disclosing a substantial interest in an order related to an aviation matter issued by the Board under this chapter may apply for review of the order by filing a petition for review in the United States Court of Appeals for the District of Columbia Circuit or in the court of appeals of the United States for the circuit in which the person resides or has its principal place of business. The petition must be filed not later than 60 days after the order is issued. The court may allow the petition to be filed after the 60 days only if there was a reasonable ground for not filing within that 60-day period.

(2) When a petition is filed under paragraph (1) of this subsection, the clerk of the court immediately shall send a copy of the petition to the Board. The Board shall file with the court a record of the proceeding in which the order was issued.

(3) When the petition is sent to the Board, the court has exclusive jurisdiction to affirm, amend, modify, or set aside any part of the order and may order the Board to conduct further proceedings. After reasonable notice to the Board, the court may grant interim relief by staying the order or taking other appropriate action when cause for its action exists. Findings of fact by the Board, if supported by substantial evidence, are conclusive.

(4) In reviewing an order under this subsection, the court may consider an objection to an order of the Board only if the objection was made in the proceeding conducted by the Board or if there was a reasonable ground for not making the objection in the proceeding.

(5) A decision by a court under this subsection may be reviewed only by the Supreme Court under section 1254 of title 28.

(c) ADMINISTRATOR SEEKING JUDICIAL REVIEW OF AVIATION MATTERS.—When the Administrator of the Federal Aviation Administration decides that an order of the Board under section 44709 or 46301(d)(5) of this title will have a significant adverse impact on carrying out this chapter related to an aviation matter, the Administrator may obtain judicial review of the order under section 46110 of this title. The Administrator shall be made a party to the judicial review proceedings. Findings of fact of the Board are conclusive if supported by substantial evidence.

§ 1154. Discovery and use of cockpit and surface vehicle recordings and transcripts

(a) TRANSCRIPTS AND RECORDINGS.—(1) Except as provided by this subsection, a party in a judicial proceeding may not use discovery to obtain—

(A) any part of a cockpit or surface vehicle recorder transcript that the National Transportation Safety Board has not

made available to the public under section 1114(c) or 1114(d) of this title; and

(B) a cockpit or surface vehicle recorder recording.

(2)(A) Except as provided in paragraph (4)(A) of this subsection, a court may allow discovery by a party of a cockpit or surface vehicle recorder transcript if, after an in camera review of the transcript, the court decides that—

(i) the part of the transcript made available to the public under section 1114(c) or 1114(d) of this title does not provide the party with sufficient information for the party to receive a fair trial; and

(ii) discovery of additional parts of the transcript is necessary to provide the party with sufficient information for the party to receive a fair trial.

(B) A court may allow discovery, or require production for an in camera review, of a cockpit or surface vehicle recorder transcript that the Board has not made available under section 1114(c) or 1114(d) of this title only if the cockpit or surface vehicle recorder recording is not available.

(3) Except as provided in paragraph (4)(A) of this subsection, a court may allow discovery by a party of a cockpit or surface vehicle recorder recording if, after an in camera review of the recording, the court decides that—

(A) the parts of the transcript made available to the public under section 1114(c) or 1114(d) of this title and to the party through discovery under paragraph (2) of this subsection do not provide the party with sufficient information for the party to receive a fair trial; and

(B) discovery of the cockpit or surface vehicle recorder recording is necessary to provide the party with sufficient information for the party to receive a fair trial.

(4)(A) When a court allows discovery in a judicial proceeding of a part of a cockpit or surface vehicle recorder transcript not made available to the public under section 1114(c) or 1114(d) of this title or a cockpit or surface vehicle recorder recording, the court shall issue a protective order—

(i) to limit the use of the part of the transcript or the recording to the judicial proceeding; and

(ii) to prohibit dissemination of the part of the transcript or the recording to any person that does not need access to the part of the transcript or the recording for the proceeding.

(B) A court may allow a part of a cockpit or surface vehicle recorder transcript not made available to the public under section 1114(c) or 1114(d) of this title or a cockpit or surface vehicle recorder recording to be admitted into evidence in a judicial proceeding, only if the court places the part of the transcript or the recording under seal to prevent the use of the part of the transcript or the recording for purposes other than for the proceeding.

(5) This subsection does not prevent the Board from referring at any time to cockpit or surface vehicle recorder information in making safety recommendations.

(6)¹ In this subsection:

(A) RECORDER.—The term “recorder” means a voice or video recorder.

(B) TRANSCRIPT.—The term “transcript” includes any written depiction of visual information obtained from a video recorder.

(b) REPORTS.—No part of a report of the Board, related to an accident or an investigation of an accident, may be admitted into evidence or used in a civil action for damages resulting from a matter mentioned in the report.

§ 1155. Aviation penalties

(a) CIVIL PENALTY.—(1) A person violating section 1132, section 1134(b), section 1134(f)(1), or section 1136(g) (related to an aircraft accident) of this title or a regulation prescribed or order issued under any of those sections is liable to the United States Government for a civil penalty of not more than \$1,000. A separate violation occurs for each day a violation continues.

(2) This subsection does not apply to a member of the armed forces of the United States or an employee of the Department of Defense subject to the Uniform Code of Military Justice when the member or employee is performing official duties. The appropriate military authorities are responsible for taking necessary disciplinary action and submitting to the National Transportation Safety Board a timely report on action taken.

(3) The Board may compromise the amount of a civil penalty imposed under this subsection.

(4) The Government may deduct the amount of a civil penalty imposed or compromised under this subsection from amounts it owes the person liable for the penalty.

(5) A civil penalty under this subsection may be collected by bringing a civil action against the person liable for the penalty. The action shall conform as nearly as practicable to a civil action in admiralty.

(b) CRIMINAL PENALTY.—A person that knowingly and without authority removes, conceals, or withholds a part of a civil aircraft involved in an accident, or property on the aircraft at the time of the accident, shall be fined under title 18, imprisoned for not more than 10 years, or both.

¹This paragraph was added at the end of this section by section 5(c)(1)(D) of P.L. 106-424 (114 Stat. 1885). The paragraph is shown at the end of subsection (a) to reflect the probable intent of Congress.

Margin so in law.

§ 5101. Purpose

The purpose of this chapter is to provide adequate protection against the risks to life and property inherent in the transportation of hazardous material in commerce by improving the regulatory and enforcement authority of the Secretary of Transportation.

§ 5102. Definitions

In this chapter—

(1) “commerce” means trade or transportation in the jurisdiction of the United States—

- (A) between a place in a State and a place outside of the State; or
- (B) that affects trade or transportation between a place in a State and a place outside of the State.
- (2) “hazardous material” means a substance or material the Secretary of Transportation designates under section 5103(a) of this title.
- (3) “hazmat employee”—
- (A) means an individual—
- (i) employed by a hazmat employer; and
- (ii) who during the course of employment directly affects hazardous material transportation safety as the Secretary decides by regulation;
- (B) includes an owner-operator of a motor vehicle transporting hazardous material in commerce; and
- (C) includes an individual, employed by a hazmat employer, who during the course of employment—
- (i) loads, unloads, or handles hazardous material;
- (ii) manufactures, reconditions, or tests containers, drums, and packagings represented as qualified for use in transporting hazardous material;
- (iii) prepares hazardous material for transportation;
- (iv) is responsible for the safety of transporting hazardous material; or
- (v) operates a vehicle used to transport hazardous material.
- (4) “hazmat employer”—
- (A) means a person using at least one employee of that person in connection with—
- (i) transporting hazardous material in commerce;
- (ii) causing hazardous material to be transported in commerce; or
- (iii) manufacturing, reconditioning, or testing containers, drums, and packagings represented as qualified for use in transporting hazardous material;
- (B) includes an owner-operator of a motor vehicle transporting hazardous material in commerce; and
- (C) includes a department, agency, or instrumentality of the United States Government, or an authority of a State, political subdivision of a State, or Indian tribe, carrying out an activity described in subclause (A)(i), (ii), or (iii) of this clause (4).
- (5) “imminent hazard” means the existence of a condition that presents a substantial likelihood that death, serious illness, severe personal injury, or a substantial endangerment to health, property, or the environment may occur before the reasonably foreseeable completion date of a formal proceeding begun to lessen the risk of that death, illness, injury, or endangerment.
- (6) “Indian tribe” has the same meaning given that term in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450b).

(7) “motor carrier” means a motor carrier, motor private carrier, and freight forwarder as those terms are defined in section 13102 of this title.

(8) “national response team” means the national response team established under the national contingency plan established under section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9605).

(9) “person”, in addition to its meaning under section 1 of title 1—

(A) includes a government, Indian tribe, or authority of a government or tribe offering hazardous material for transportation in commerce or transporting hazardous material to further a commercial enterprise; but

(B) does not include—

(i) the United States Postal Service; and

(ii) in sections 5123 and 5124 of this title, a department, agency, or instrumentality of the Government.

(10) “public sector employee”—

(A) means an individual employed by a State, political subdivision of a State, or Indian tribe and who during the course of employment has responsibilities related to responding to an accident or incident involving the transportation of hazardous material;

(B) includes an individual employed by a State, political subdivision of a State, or Indian tribe as a firefighter or law enforcement officer; and

(C) includes an individual who volunteers to serve as a firefighter for a State, political subdivision of a State, or Indian tribe.

(11) “State” means—

(A) except in section 5119 of this title, a State of the United States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, the Virgin Islands, American Samoa, Guam, and any other territory or possession of the United States designated by the Secretary; and

(B) in section 5119 of this title, a State of the United States and the District of Columbia.

(12) “transports” or “transportation” means the movement of property and loading, unloading, or storage incidental to the movement.

(13) “United States” means all of the States.

§ 5103. General regulatory authority

(a) DESIGNATING MATERIAL AS HAZARDOUS.—The Secretary of Transportation shall designate material (including an explosive, radioactive material, etiologic agent, flammable or combustible liquid or solid, poison, oxidizing or corrosive material, and compressed gas) or a group or class of material as hazardous when the Secretary decides that transporting the material in commerce in a particular amount and form may pose an unreasonable risk to health and safety or property.

(b) REGULATIONS FOR SAFE TRANSPORTATION.—(1) The Secretary shall prescribe regulations for the safe transportation, including security, of hazardous material in intrastate, interstate, and foreign commerce. The regulations—

(A) apply to a person—

(i) transporting hazardous material in commerce;

(ii) causing hazardous material to be transported in commerce; or

(iii) manufacturing, fabricating, marking, maintaining, reconditioning, repairing, or testing a packaging or a container that is represented, marked, certified, or sold by that person as qualified for use in transporting hazardous material in commerce; and

(B) shall govern safety aspects, including security, of the transportation of hazardous material the Secretary considers appropriate.

(C)¹ CONSULTATION.—When prescribing a security regulation or issuing a security order that affects the safety of the transportation of hazardous material, the Secretary of Homeland Security shall consult with the Secretary.

(2) A proceeding to prescribe the regulations must be conducted under section 553 of title 5, including an opportunity for informal oral presentation.

§ 5103a. Limitation on issuance of hazmat licenses

(a) LIMITATION.—

(1) ISSUANCE OF LICENSES.—A State may not issue to any individual a license to operate a motor vehicle transporting in commerce a hazardous material unless the Secretary of Transportation has first determined, upon receipt of a notification under subsection (c)(1)(B), that the individual does not pose a security risk warranting denial of the license.

(2) RENEWALS INCLUDED.—For the purposes of this section, the term “issue”, with respect to a license, includes renewal of the license.

(b) HAZARDOUS MATERIALS DESCRIBED.—The limitation in subsection (a) shall apply with respect to—

(1) any material defined as a hazardous material by the Secretary of Transportation; and

(2) any chemical or biological material or agent determined by the Secretary of Health and Human Services or the Attorney General as being a threat to the national security of the United States.

(c) BACKGROUND RECORDS CHECK.—

(1) IN GENERAL.—Upon the request of a State regarding issuance of a license described in subsection (a)(1) to an individual, the Attorney General—

(A) shall carry out a background records check regarding the individual; and

¹Margin and heading so in law.

- (B) upon completing the background records check, shall notify the Secretary of Transportation of the completion and results of the background records check.
- (2) SCOPE.—A background records check regarding an individual under this subsection shall consist of the following:
- (A) A check of the relevant criminal history data bases.
- (B) In the case of an alien, a check of the relevant data bases to determine the status of the alien under the immigration laws of the United States.
- (C) As appropriate, a check of the relevant international data bases through Interpol–U.S. National Central Bureau or other appropriate means.
- (d) REPORTING REQUIREMENT.—Each State shall submit to the Secretary of Transportation, at such time and in such manner as the Secretary may prescribe, the name, address, and such other information as the Secretary may require, concerning—
- (1) each alien to whom the State issues a license described in subsection (a); and
- (2) each other individual to whom such a license is issued, as the Secretary may require.
- (e) ALIEN DEFINED.—In this section, the term “alien” has the meaning given the term in section 101(a)(3) of the Immigration and Nationality Act.

§ 5104. Representation and tampering

- (a) REPRESENTATION.—A person may represent, by marking or otherwise, that—
- (1) a container, package, or packaging (or a component of a container, package, or packaging) for transporting hazardous material is safe, certified, or complies with this chapter only if the container, package, or packaging (or a component of a container, package, or packaging) meets the requirements of each applicable regulation prescribed under this chapter; or
- (2) hazardous material is present in a package, container, motor vehicle, rail freight car, aircraft, or vessel only if the material is present.
- (b) TAMPERING.—A person may not alter, remove, destroy, or otherwise tamper unlawfully with—
- (1) a marking, label, placard, or description on a document required under this chapter or a regulation prescribed under this chapter; or
- (2) a package, container, motor vehicle, rail freight car, aircraft, or vessel used to transport hazardous material.

§ 5105. Transporting certain highly radioactive material

- (a) DEFINITIONS.—In this section, “high-level radioactive waste” and “spent nuclear fuel” have the same meanings given those terms in section 2 of the Nuclear Waste Policy Act of 1982 (42 U.S.C. 10101).
- (b) TRANSPORTATION SAFETY STUDY.—In consultation with the Secretary of Energy, the Nuclear Regulatory Commission, potentially affected States and Indian tribes, representatives of the rail transportation industry, and shippers of high-level radioactive

waste and spent nuclear fuel, the Secretary of Transportation shall conduct a study comparing the safety of using trains operated only to transport high-level radioactive waste and spent nuclear fuel with the safety of using other methods of rail transportation for transporting that waste and fuel. The Secretary of Transportation shall submit to Congress not later than November 16, 1991, a report on the results of the study.

(c) SAFE RAIL TRANSPORTATION REGULATIONS.—Not later than November 16, 1992, after considering the results of the study conducted under subsection (b) of this section, the Secretary of Transportation shall prescribe amendments to existing regulations that the Secretary considers appropriate to provide for the safe rail transportation of high-level radioactive waste and spent nuclear fuel, including trains operated only for transporting high-level radioactive waste and spent nuclear fuel.

(d) ROUTES AND MODES STUDY.—Not later than November 16, 1991, the Secretary of Transportation shall conduct a study to decide which factors, if any, shippers and carriers should consider when selecting routes and modes that would enhance overall public safety related to the transportation of high-level radioactive waste and spent nuclear fuel. The study shall include—

- (1) notice and opportunity for public comment; and
- (2) an assessment of the degree to which at least the following affect the overall public safety of the transportation:
 - (A) population densities.
 - (B) types and conditions of modal infrastructures (including highways, railbeds, and waterways).
 - (C) quantities of high-level radioactive waste and spent nuclear fuel.
 - (D) emergency response capabilities.
 - (E) exposure and other risk factors.
 - (F) terrain considerations.
 - (G) continuity of routes.
 - (H) available alternative routes.
 - (I) environmental impact factors.

(e) INSPECTIONS OF MOTOR VEHICLES TRANSPORTING CERTAIN MATERIAL.—(1) Not later than November 16, 1991, the Secretary of Transportation shall require by regulation that before each use of a motor vehicle to transport a highway-route-controlled quantity of radioactive material in commerce, the vehicle shall be inspected and certified as complying with this chapter and applicable United States motor carrier safety laws and regulations. The Secretary may require that the inspection be carried out by an authorized United States Government inspector or according to appropriate State procedures.

(2) The Secretary of Transportation may allow a person, transporting or causing to be transported a highway-route-controlled quantity of radioactive material, to inspect the motor vehicle used to transport the material and to certify that the vehicle complies with this chapter. The inspector qualification requirements the Secretary prescribes for an individual inspecting a motor vehicle apply to an individual conducting an inspection under this paragraph.

§ 5106. Handling criteria

The Secretary of Transportation may prescribe criteria for handling hazardous material, including—

- (1) a minimum number of personnel;
- (2) minimum levels of training and qualifications for personnel;
- (3) the kind and frequency of inspections;
- (4) equipment for detecting, warning of, and controlling risks posed by the hazardous material;
- (5) specifications for the use of equipment and facilities used in handling and transporting the hazardous material; and
- (6) a system of monitoring safety procedures for transporting the hazardous material.

§ 5107. Hazmat employee training requirements and grants

(a) TRAINING REQUIREMENTS.—The Secretary of Transportation shall prescribe by regulation requirements for training that a hazmat employer must give hazmat employees of the employer on the safe loading, unloading, handling, storing, and transporting of hazardous material and emergency preparedness for responding to an accident or incident involving the transportation of hazardous material. The regulations—

- (1) shall establish the date, as provided by subsection (b) of this section, by which the training shall be completed; and
- (2) may provide for different training for different classes or categories of hazardous material and hazmat employees.

(b) BEGINNING AND COMPLETING TRAINING.—A hazmat employer shall begin the training of hazmat employees of the employer not later than 6 months after the Secretary of Transportation prescribes the regulations under subsection (a) of this section. The training shall be completed within a reasonable period of time after—

- (1) 6 months after the regulations are prescribed; or
- (2) the date on which an individual is to begin carrying out a duty or power of a hazmat employee if the individual is employed as a hazmat employee after the 6-month period.

(c) CERTIFICATION OF TRAINING.—After completing the training, each hazmat employer shall certify, with documentation the Secretary of Transportation may require by regulation, that the hazmat employees of the employer have received training and have been tested on appropriate transportation areas of responsibility, including at least one of the following:

- (1) recognizing and understanding the Department of Transportation hazardous material classification system.
- (2) the use and limitations of the Department hazardous material placarding, labeling, and marking systems.
- (3) general handling procedures, loading and unloading techniques, and strategies to reduce the probability of release or damage during or incidental to transporting hazardous material.
- (4) health, safety, and risk factors associated with hazardous material and the transportation of hazardous material.

(5) appropriate emergency response and communication procedures for dealing with an accident or incident involving hazardous material transportation.

(6) the use of the Department Emergency Response Guidebook and recognition of its limitations or the use of equivalent documents and recognition of the limitations of those documents.

(7) applicable hazardous material transportation regulations.

(8) personal protection techniques.

(9) preparing a shipping document for transporting hazardous material.

(d) COORDINATION OF TRAINING REQUIREMENTS.—In consultation with the Administrator of the Environmental Protection Agency and the Secretary of Labor, the Secretary of Transportation shall ensure that the training requirements prescribed under this section do not conflict with or duplicate—

(1) the requirements of regulations the Secretary of Labor prescribes related to hazard communication, and hazardous waste operations, and emergency response that are contained in part 1910 of title 29, Code of Federal Regulations; and

(2) the regulations the Agency prescribes related to worker protection standards for hazardous waste operations that are contained in part 311 of title 40, Code of Federal Regulations.

(e) TRAINING GRANTS.—The Secretary shall, subject to the availability of funds under section 5127(c)(3), make grants for training instructors to train hazmat employees under this section. A grant under this subsection shall be made to a nonprofit hazmat employee organization that demonstrates—

(1) expertise in conducting a training program for hazmat employees; and

(2) the ability to reach and involve in a training program a target population of hazmat employees.

(f) RELATIONSHIP TO OTHER LAWS.—(1) Chapter 35 of title 44 does not apply to an activity of the Secretary of Transportation under subsections (a)–(d) of this section.

(2) An action of the Secretary of Transportation under subsections (a)–(d) of this section and sections 5106, 5108(a)–(g)(1) and (h), and 5109 of this title is not an exercise, under section 4(b)(1) of the Occupational Safety and Health Act of 1970 (29 U.S.C. 653(b)(1)), of statutory authority to prescribe or enforce standards or regulations affecting occupational safety or health.

(g) EXISTING EFFORT.—No grant under subsection (e) shall supplant or replace existing employer-provided hazardous materials training efforts or obligations.

§ 5108. Registration

(a) PERSONS REQUIRED TO FILE.—(1) A person shall file a registration statement with the Secretary of Transportation under this subsection if the person is transporting or causing to be transported in commerce any of the following:

(A) a highway-route-controlled quantity of radioactive material.

(B) more than 25 kilograms of a class A or B explosive in a motor vehicle, rail car, or transport container.

(C) more than one liter in each package of a hazardous material the Secretary designates as extremely toxic by inhalation.

(D) hazardous material in a bulk packaging, container, or tank, as defined by the Secretary, if the bulk packaging, container, or tank has a capacity of at least 3,500 gallons or more than 468 cubic feet.

(E) a shipment of at least 5,000 pounds (except in a bulk packaging) of a class of hazardous material for which placarding of a vehicle, rail car, or freight container is required under regulations prescribed under this chapter.

(2) The Secretary of Transportation may require any of the following persons to file a registration statement with the Secretary under this subsection:

(A) a person transporting or causing to be transported hazardous material in commerce and not required to file a registration statement under paragraph (1) of this subsection.

(B) a person manufacturing, fabricating, marking, maintaining, reconditioning, repairing, or testing a package or container the person represents, marks, certifies, or sells for use in transporting in commerce hazardous material the Secretary designates.

(3) A person required to file a registration statement under this subsection may transport or cause to be transported, or manufacture, fabricate, mark, maintain, recondition, repair, or test a package or container for use in transporting, hazardous material, only if the person has a statement on file as required by this subsection.

(4)¹ The Secretary may waive the filing of a registration statement, or the payment of a fee, required under this subsection, or both, for any person not domiciled in the United States who solely offers hazardous materials for transportation to the United States from a place outside the United States if the country of which such person is a domiciliary does not require persons domiciled in the United States who solely offer hazardous materials for transportation to the foreign country from places in the United States to file registration statements, or to pay fees, for making such an offer.

(b) FORM, CONTENTS, AND LIMITATION ON FILINGS.—(1) A registration statement under subsection (a) of this section shall be in the form and contain information the Secretary of Transportation requires by regulation. The Secretary may use existing forms of the Department of Transportation and the Environmental Protection Agency to carry out this subsection. The statement shall include—

(A) the name and principal place of business of the registrant;

(B) a description of each activity the registrant carries out for which filing a statement under subsection (a) of this section is required; and

(C) each State in which the person carries out the activity.

¹Margin so in law.

(2) A person carrying out more than one activity, or an activity at more than one location, for which filing is required only has to file one registration statement to comply with subsection (a) of this section.

(c) FILING DEADLINES AND AMENDMENTS.—(1) Each person required to file a registration statement under subsection (a) of this section must file the first statement not later than March 31, 1992. The Secretary of Transportation may extend that date to September 30, 1992, for activities referred to in subsection (a)(1) of this section. A person shall renew the statement periodically consistent with regulations the Secretary prescribes, but not more than once each year and not less than once every 5 years.

(2) The Secretary of Transportation shall decide by regulation when and under what circumstances a registration statement must be amended and the procedures to follow in amending the statement.

(d) SIMPLIFYING THE REGISTRATION PROCESS.—The Secretary of Transportation may take necessary action to simplify the registration process under subsections (a)–(c) of this section and to minimize the number of applications, documents, and other information a person is required to file under this chapter and other laws of the United States.

(e) COOPERATION WITH ADMINISTRATOR.—The Administrator of the Environmental Protection Agency shall assist the Secretary of Transportation in carrying out subsections (a)–(g)(1) and (h) of this section by providing the Secretary with information the Secretary requests to carry out the objectives of subsections (a)–(g)(1) and (h).

(f) AVAILABILITY OF STATEMENTS.—The Secretary of Transportation shall make a registration statement filed under subsection (a) of this section available for inspection by any person for a fee the Secretary establishes. However, this subsection does not require the release of information described in section 552(b) of title 5 or otherwise protected by law from disclosure to the public.

(g) FEES.—(1) The Secretary of Transportation may establish, impose, and collect from a person required to file a registration statement under subsection (a) of this section a fee necessary to pay for the costs of the Secretary in processing the statement.

(2)(A) In addition to a fee established under paragraph (1) of this subsection, the Secretary of Transportation shall establish and impose by regulation and collect an annual fee. Subject to subparagraph (B) of this paragraph, the fee shall be at least \$250 but not more than \$5,000 from each person required to file a registration statement under this section. The Secretary shall determine the amount of the fee under this paragraph on at least one of the following:

- (i) gross revenue from transporting hazardous material.
- (ii) the type of hazardous material transported or caused to be transported.
- (iii) the amount of hazardous material transported or caused to be transported.
- (iv) the number of shipments of hazardous material.
- (v) the number of activities that the person carries out for which filing a registration statement is required under this section.

(vi) the threat to property, individuals, and the environment from an accident or incident involving the hazardous material transported or caused to be transported.

(vii) the percentage of gross revenue derived from transporting hazardous material.

(viii) the amount to be made available to carry out sections 5108(g)(2), 5115, and 5116 of this title.

(ix) other factors the Secretary considers appropriate.

(B) The Secretary of Transportation shall adjust the amount being collected under this paragraph to reflect any unexpended balance in the account established under section 5116(i) of this title. However, the Secretary is not required to refund any fee collected under this paragraph.

(C) The Secretary of Transportation shall transfer to the Secretary of the Treasury amounts the Secretary of Transportation collects under this paragraph for deposit in the account the Secretary of the Treasury establishes under section 5116(i) of this title.

(h) MAINTAINING PROOF OF FILING AND PAYMENT OF FEES.—The Secretary of Transportation may prescribe regulations requiring a person required to file a registration statement under subsection (a) of this section to maintain proof of the filing and payment of fees imposed under subsection (g) of this section.

(i) RELATIONSHIP TO OTHER LAWS.—(1) Chapter 35 of title 44 does not apply to an activity of the Secretary of Transportation under subsections (a)–(g)(1) and (h) of this section.

(2)(A) This section does not apply to an employee of a hazmat employer.

(B) Subsections (a)–(h) of this section do not apply to a department, agency, or instrumentality of the United States Government, an authority of a State or political subdivision of a State, or an employee of a department, agency, instrumentality, or authority carrying out official duties.

§ 5109. Motor carrier safety permits

(a) REQUIREMENT.—A motor carrier may transport or cause to be transported by motor vehicle in commerce hazardous material only if the carrier holds a safety permit the Secretary of Transportation issues under this section authorizing the transportation and keeps a copy of the permit, or other proof of its existence, in the vehicle. The Secretary shall issue a permit if the Secretary finds the carrier is fit, willing, and able—

(1) to provide the transportation to be authorized by the permit;

(2) to comply with this chapter and regulations the Secretary prescribes to carry out this chapter; and

(3) to comply with applicable United States motor carrier safety laws and regulations and applicable minimum financial responsibility laws and regulations.

(b) APPLICABLE TRANSPORTATION.—The Secretary shall prescribe by regulation the hazardous material and amounts of hazardous material to which this section applies. However, this section shall apply at least to transportation by a motor carrier, in amounts the Secretary establishes, of—

(1) a class A or B explosive;

- (2) liquefied natural gas;
- (3) hazardous material the Secretary designates as extremely toxic by inhalation; and
- (4) a highway-route-controlled quantity of radioactive material, as defined by the Secretary.

(c) APPLICATIONS.—A motor carrier shall file an application with the Secretary for a safety permit to provide transportation under this section. The Secretary may approve any part of the application or deny the application. The application shall be under oath and contain information the Secretary requires by regulation.

(d) AMENDMENTS, SUSPENSIONS, AND REVOCATIONS.—(1) After notice and an opportunity for a hearing, the Secretary may amend, suspend, or revoke a safety permit, as provided by procedures prescribed under subsection (e) of this section, when the Secretary decides the motor carrier is not complying with a requirement of this chapter, a regulation prescribed under this chapter, or an applicable United States motor carrier safety law or regulation or minimum financial responsibility law or regulation.

(2) If the Secretary decides an imminent hazard exists, the Secretary may amend, suspend, or revoke a permit before scheduling a hearing.

(e) PROCEDURES.—The Secretary shall prescribe by regulation—

- (1) application procedures, including form, content, and fees necessary to recover the complete cost of carrying out this section;
- (2) standards for deciding the duration, terms, and limitations of a safety permit;
- (3) procedures to amend, suspend, or revoke a permit; and
- (4) other procedures the Secretary considers appropriate to carry out this section.

(f) SHIPPER RESPONSIBILITY.—A person offering hazardous material for motor vehicle transportation in commerce may offer the material to a motor carrier only if the carrier has a safety permit issued under this section authorizing the transportation.

(g) CONDITIONS.—A motor carrier may provide transportation under a safety permit issued under this section only if the carrier complies with conditions the Secretary finds are required to protect public safety.

(h) REGULATIONS.—The Secretary shall prescribe regulations necessary to carry out this section not later than November 16, 1991.

§ 5110. Shipping papers and disclosure

(a) PROVIDING SHIPPING PAPERS.—Each person offering for transportation in commerce hazardous material to which the shipping paper requirements of the Secretary of Transportation apply shall provide to the carrier providing the transportation a shipping paper that makes the disclosures the Secretary prescribes under subsection (b) of this section.

(b) CONSIDERATIONS AND REQUIREMENTS.—In carrying out subsection (a) of this section, the Secretary shall consider and may require—

(1) a description of the hazardous material, including the proper shipping name;

(2) the hazard class of the hazardous material;

(3) the identification number (UN/NA) of the hazardous material;

(4) immediate first action emergency response information or a way for appropriate reference to the information (that must be available immediately); and

(5) a telephone number for obtaining more specific handling and mitigation information about the hazardous material at any time during which the material is transported.

(c) KEEPING SHIPPING PAPERS ON THE VEHICLE.—(1) A motor carrier, and the person offering the hazardous material for transportation if a private motor carrier, shall keep the shipping paper on the vehicle transporting the material.

(2) Except as provided in paragraph (1) of this subsection, the shipping paper shall be kept in a location the Secretary specifies in a motor vehicle, train, vessel, aircraft, or facility until—

(A) the hazardous material no longer is in transportation;

or

(B) the documents are made available to a representative of a department, agency, or instrumentality of the United States Government or a State or local authority responding to an accident or incident involving the motor vehicle, train, vessel, aircraft, or facility.

(d) DISCLOSURE TO EMERGENCY RESPONSE AUTHORITIES.—When an incident involving hazardous material being transported in commerce occurs, the person transporting the material, immediately on request of appropriate emergency response authorities, shall disclose to the authorities information about the material.

(e) RETENTION OF PAPERS.—After the hazardous material to which a shipping paper provided to a carrier under subsection (a) applies is no longer in transportation, the person who provided the shipping paper and the carrier required to maintain it under subsection (a) shall retain the paper or electronic image thereof for a period of 1 year to be accessible through their respective principal places of business. Such person and carrier shall, upon request, make the shipping paper available to a Federal, State, or local government agency at reasonable times and locations.

§ 5111. Rail tank cars

A rail tank car built before January 1, 1971, may be used to transport hazardous material in commerce only if the air brake equipment support attachments of the car comply with the standards for attachments contained in sections 179.100-16 and 179.200-19 of title 49, Code of Federal Regulations, in effect on November 16, 1990.

§ 5112. Highway routing of hazardous material

(a) APPLICATION.—(1) This section applies to a motor vehicle only if the vehicle is transporting hazardous material in commerce for which placarding of the vehicle is required under regulations prescribed under this chapter. However, the Secretary of Transport-

tation by regulation may extend application of this section or a standard prescribed under subsection (b) of this section to—

(A) any use of a vehicle under this paragraph to transport any hazardous material in commerce; and

(B) any motor vehicle used to transport hazardous material in commerce.

(2) Except as provided by subsection (d) of this section and section 5125(c) of this title, each State and Indian tribe may establish, maintain, and enforce—

(A) designations of specific highway routes over which hazardous material may and may not be transported by motor vehicle; and

(B) limitations and requirements related to highway routing.

(b) STANDARDS FOR STATES AND INDIAN TRIBES.—(1) The Secretary, in consultation with the States, shall prescribe by regulation standards for States and Indian tribes to use in carrying out subsection (a) of this section. The standards shall include—

(A) a requirement that a highway routing designation, limitation, or requirement of a State or Indian tribe shall enhance public safety in the area subject to the jurisdiction of the State or tribe and in areas of the United States not subject to the jurisdiction of the State or tribe and directly affected by the designation, limitation, or requirement;

(B) minimum procedural requirements to ensure public participation when the State or Indian tribe is establishing a highway routing designation, limitation, or requirement;

(C) a requirement that, in establishing a highway routing designation, limitation, or requirement, a State or Indian tribe consult with appropriate State, local, and tribal officials having jurisdiction over areas of the United States not subject to the jurisdiction of that State or tribe establishing the designation, limitation, or requirement and with affected industries;

(D) a requirement that a highway routing designation, limitation, or requirement of a State or Indian tribe shall ensure through highway routing for the transportation of hazardous material between adjacent areas;

(E) a requirement that a highway routing designation, limitation, or requirement of one State or Indian tribe affecting the transportation of hazardous material in another State or tribe may be established, maintained, and enforced by the State or tribe establishing the designation, limitation, or requirement only if—

(i) the designation, limitation, or requirement is agreed to by the other State or tribe within a reasonable period or is approved by the Secretary under subsection (d) of this section; and

(ii) the designation, limitation, or requirement is not an unreasonable burden on commerce;

(F) a requirement that establishing a highway routing designation, limitation, or requirement of a State or Indian tribe be completed in a timely way;

(G) a requirement that a highway routing designation, limitation, or requirement of a State or Indian tribe provide rea-

sonable routes for motor vehicles transporting hazardous material to reach terminals, facilities for food, fuel, repairs, and rest, and places to load and unload hazardous material;

(H) a requirement that a State be responsible—

(i) for ensuring that political subdivisions of the State comply with standards prescribed under this subsection in establishing, maintaining, and enforcing a highway routing designation, limitation, or requirement; and

(ii) for resolving a dispute between political subdivisions; and

(I) a requirement that, in carrying out subsection (a) of this section, a State or Indian tribe shall consider—

(i) population densities;

(ii) the types of highways;

(iii) the types and amounts of hazardous material;

(iv) emergency response capabilities;

(v) the results of consulting with affected persons;

(vi) exposure and other risk factors;

(vii) terrain considerations;

(viii) the continuity of routes;

(ix) alternative routes;

(x) the effects on commerce;

(xi) delays in transportation; and

(xii) other factors the Secretary considers appropriate.

(2) The Secretary may not assign a specific weight that a State or Indian tribe shall use when considering the factors under paragraph (1)(I) of this subsection.

(c) LIST OF ROUTE DESIGNATIONS.—In coordination with the States, the Secretary shall update and publish periodically a list of currently effective hazardous material highway route designations.

(d) DISPUTE RESOLUTION.—(1) The Secretary shall prescribe regulations for resolving a dispute related to through highway routing or to an agreement with a proposed highway route designation, limitation, or requirement between or among States, political subdivisions of different States, or Indian tribes.

(2) A State or Indian tribe involved in a dispute under this subsection may petition the Secretary to resolve the dispute. The Secretary shall resolve the dispute not later than one year after receiving the petition. The resolution shall provide the greatest level of highway safety without being an unreasonable burden on commerce and shall ensure compliance with standards prescribed under subsection (b) of this section.

(3)(A) After a petition is filed under this subsection, a civil action about the subject matter of the dispute may be brought in a court only after the earlier of—

(i) the day the Secretary issues a final decision; or

(ii) the last day of the one-year period beginning on the day the Secretary receives the petition.

(B) A State or Indian tribe adversely affected by a decision of the Secretary under this subsection may bring a civil action for judicial review of the decision in an appropriate district court of the United States not later than 89 days after the day the decision becomes final.

(e) RELATIONSHIP TO OTHER LAWS.—This section and regulations prescribed under this section do not affect sections 31111 and 31113 of this title or section 127 of title 23.

(f) EXISTING RADIOACTIVE MATERIAL ROUTING REGULATIONS.—The Secretary is not required to amend or again prescribe regulations related to highway routing designations over which radioactive material may and may not be transported by motor vehicles, and limitations and requirements related to the routing, that were in effect on November 16, 1990.

§ 5113. Unsatisfactory safety rating

See section 31144.

§ 5114. Air transportation of ionizing radiation material

(a) TRANSPORTING IN AIR COMMERCE.—Material that emits ionizing radiation spontaneously may be transported on a passenger-carrying aircraft in air commerce (as defined in section 40102(a) of this title) only if the material is intended for a use in, or incident to, research or medical diagnosis or treatment and does not present an unreasonable hazard to health and safety when being prepared for, and during, transportation.

(b) PROCEDURES.—The Secretary of Transportation shall prescribe procedures for monitoring and enforcing regulations prescribed under this section.

(c) NONAPPLICATION.—This section does not apply to material the Secretary decides does not pose a significant hazard to health or safety when transported because of its low order of radioactivity.

§ 5115. Training curriculum for the public sector

(a) DEVELOPMENT AND UPDATING.—Not later than November 16, 1992, in coordination with the Director of the Federal Emergency Management Agency, Chairman of the Nuclear Regulatory Commission, Administrator of the Environmental Protection Agency, Secretaries of Labor, Energy, and Health and Human Services, and Director of the National Institute of Environmental Health Sciences, and using the existing coordinating mechanisms of the national response team and, for radioactive material, the Federal Radiological Preparedness Coordinating Committee, the Secretary of Transportation shall develop and update periodically a curriculum consisting of a list of courses necessary to train public sector emergency response and preparedness teams. Only in developing the curriculum, the Secretary of Transportation shall consult with regional response teams established under the national contingency plan established under section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9605), representatives of commissions established under section 301 of the Emergency Planning and Community Right-To-Know Act of 1986 (42 U.S.C. 11001), persons (including governmental entities) that provide training for responding to accidents and incidents involving the transportation of hazardous material, and representatives of persons that respond to those accidents and incidents.

(b) REQUIREMENTS.—The curriculum developed under subsection (a) of this section—

- (1) shall include—
- (A) a recommended course of study to train public sector employees to respond to an accident or incident involving the transportation of hazardous material and to plan for those responses;
- (B) recommended basic courses and minimum number of hours of instruction necessary for public sector employees to be able to respond safely and efficiently to an accident or incident involving the transportation of hazardous material and to plan those responses; and
- (C) appropriate emergency response training and planning programs for public sector employees developed under other United States Government grant programs, including those developed with grants made under section 126(g) of the Superfund Amendments and Reauthorization Act of 1986 (42 U.S.C. 9660a); and
- (2) may include recommendations on material appropriate for use in a recommended basic course described in clause (1)(B) of this subsection.
- (c) TRAINING ON COMPLYING WITH LEGAL REQUIREMENTS.—A recommended basic course described in subsection (b)(1)(B) of this section shall provide the training necessary for public sector employees to comply with—
- (1) regulations related to hazardous waste operations and emergency response contained in part 1910 of title 29, Code of Federal Regulations, prescribed by the Secretary of Labor;
- (2) regulations related to worker protection standards for hazardous waste operations contained in part 311 of title 40, Code of Federal Regulations, prescribed by the Administrator; and
- (3) standards related to emergency response training prescribed by the National Fire Protection Association.
- (d) DISTRIBUTION AND PUBLICATION.—With the national response team—
- (1) the Director of the Federal Emergency Management Agency shall distribute the curriculum and any updates to the curriculum to the regional response teams and all committees and commissions established under section 301 of the Emergency Planning and Community Right-To-Know Act of 1986 (42 U.S.C. 11001); and
- (2) the Secretary of Transportation may publish a list of programs that uses a course developed under this section for training public sector employees to respond to an accident or incident involving the transportation of hazardous material.

§ 5116. Planning and training grants, monitoring, and review

- (a) PLANNING GRANTS.—(1) The Secretary of Transportation shall make grants to States and Indian tribes—
- (A) to develop, improve, and carry out emergency plans under the Emergency Planning and Community Right-To-Know Act of 1986 (42 U.S.C. 11001 et seq.), including ascertaining flow patterns of hazardous material on lands under the jurisdiction of a State or Indian tribe, and between

lands under the jurisdiction of a State or Indian tribe and lands of another State or Indian tribe; and

(B) to decide on the need for a regional hazardous material emergency response team.

(2) The Secretary of Transportation may make a grant to a State or Indian tribe under paragraph (1) of this subsection in a fiscal year only if—

(A) the State or Indian tribe certifies that the total amount the State or Indian tribe expends (except amounts of the United States Government) to develop, improve, and carry out emergency plans under the Act will at least equal the average level of expenditure for the last 2 fiscal years; and

(B) the State agrees to make available at least 75 percent of the amount of the grant under paragraph (1) of this subsection in the fiscal year to local emergency planning committees established under section 301(c) of the Act (42 U.S.C. 11001(c)) to develop emergency plans under the Act.

(3)¹ A State or Indian tribe receiving a grant under this subsection shall ensure that planning under the grant is coordinated with emergency planning conducted by adjacent States and Indian tribes.

(b) TRAINING GRANTS.—(1) The Secretary of Transportation shall make grants to States and Indian tribes to train public sector employees to respond to accidents and incidents involving hazardous material.

(2) The Secretary of Transportation may make a grant under paragraph (1) of this subsection in a fiscal year—

(A) to a State or Indian tribe only if the State or tribe certifies that the total amount the State or tribe expends (except amounts of the Government) to train public sector employees to respond to an accident or incident involving hazardous material will at least equal the average level of expenditure for the last 2 fiscal years;

(B) to a State or Indian tribe only if the State or tribe makes an agreement with the Secretary that the State or tribe will use in that fiscal year, for training public sector employees to respond to an accident or incident involving hazardous material—

(i) a course developed or identified under section 5115 of this title; or

(ii) another course the Secretary decides is consistent with the objectives of this section; and

(C) to a State only if the State agrees to make available at least 75 percent of the amount of the grant under paragraph (1) of this subsection in the fiscal year for training public sector employees a political subdivision of the State employs or uses.

(3) A grant under this subsection may be used—

(A) to pay—

(i) the tuition costs of public sector employees being trained;

¹Margin so in law.

- (ii) travel expenses of those employees to and from the training facility;
 - (iii) room and board of those employees when at the training facility; and
 - (iv) travel expenses of individuals providing the training;
- (B) by the State, political subdivision, or Indian tribe to provide the training; and
- (C) to make an agreement the Secretary of Transportation approves authorizing a person (including an authority of a State or political subdivision of a State or Indian tribe) to provide the training—
- (i) if the agreement allows the Secretary and the State or tribe to conduct random examinations, inspections, and audits of the training without prior notice; and
 - (ii) if the State or tribe conducts at least one on-site observation of the training each year.
- (4) The Secretary of Transportation shall allocate amounts made available for grants under this subsection for a fiscal year among eligible States and Indian tribes based on the needs of the States and tribes for emergency response training. In making a decision about those needs, the Secretary shall consider—
- (A) the number of hazardous material facilities in the State or on land under the jurisdiction of the tribe;
 - (B) the types and amounts of hazardous material transported in the State or on that land;
 - (C) whether the State or tribe imposes and collects a fee on transporting hazardous material;
 - (D) whether the fee is used only to carry out a purpose related to transporting hazardous material; and
 - (E) other factors the Secretary decides are appropriate to carry out this subsection.
- (c) COMPLIANCE WITH CERTAIN LAW.—The Secretary of Transportation may make a grant to a State under this section in a fiscal year only if the State certifies that the State complies with sections 301 and 303 of the Emergency Planning and Community Right-To-Know Act of 1986 (42 U.S.C. 11001, 11003).
- (d) APPLICATIONS.—A State or Indian tribe interested in receiving a grant under this section shall submit an application to the Secretary of Transportation. The application must be submitted at the time, and contain information, the Secretary requires by regulation to carry out the objectives of this section.
- (e) GOVERNMENT'S SHARE OF COSTS.—A grant under this section is for 80 percent of the cost the State or Indian tribe incurs in the fiscal year to carry out the activity for which the grant is made. Amounts of the State or tribe under subsections (a)(2)(A) and (b)(2)(A) of this section are not part of the non-Government share under this subsection.
- (f) MONITORING AND TECHNICAL ASSISTANCE.—In coordination with the Secretaries of Transportation and Energy, Administrator of the Environmental Protection Agency, and Director of the National Institute of Environmental Health Sciences, the Director of the Federal Emergency Management Agency shall monitor public sector emergency response planning and training for an accident or

incident involving hazardous material. Considering the results of the monitoring, the Secretaries, Administrator, and Directors each shall provide technical assistance to a State, political subdivision of a State, or Indian tribe for carrying out emergency response training and planning for an accident or incident involving hazardous material and shall coordinate the assistance using the existing coordinating mechanisms of the national response team and, for radioactive material, the Federal Radiological Preparedness Coordinating Committee.

(g) DELEGATION OF AUTHORITY.—To minimize administrative costs and to coordinate Government grant programs for emergency response training and planning, the Secretary of Transportation may delegate to the Directors of the Federal Emergency Management Agency and National Institute of Environmental Health Sciences, Chairman of the Nuclear Regulatory Commission, Administrator of the Environmental Protection Agency, and Secretaries of Labor and Energy any of the following:

(1) authority to receive applications for grants under this section.

(2) authority to review applications for technical compliance with this section.

(3) authority to review applications to recommend approval or disapproval.

(4) any other ministerial duty associated with grants under this section.

(h) MINIMIZING DUPLICATION OF EFFORT AND EXPENSES.—The Secretaries of Transportation, Labor, and Energy, Directors of the Federal Emergency Management Agency and National Institute of Environmental Health Sciences, Chairman of the Nuclear Regulatory Commission, and Administrator of the Environmental Protection Agency shall review periodically, with the head of each department, agency, or instrumentality of the Government, all emergency response and preparedness training programs of that department, agency, or instrumentality to minimize duplication of effort and expense of the department, agency, or instrumentality in carrying out the programs and shall take necessary action to minimize duplication.

(i) ANNUAL REGISTRATION FEE ACCOUNT AND ITS USES.—The Secretary of the Treasury shall establish an account in the Treasury into which the Secretary of the Treasury shall deposit amounts the Secretary of Transportation collects under section 5108(g)(2)(A) of this title and transfers to the Secretary of the Treasury under section 5108(g)(2)(C) of this title. Without further appropriation, amounts in the account are available—

(1) to make grants under this section;

(2) to monitor and provide technical assistance under subsection (f) of this section; and

(3) to pay administrative costs of carrying out this section and sections 5108(g)(2) and 5115 of this title, except that not more than 10 percent of the amounts made available from the account in a fiscal year may be used to pay those costs.

(j) SUPPLEMENTAL TRAINING GRANTS.—

(1) In order to further the purposes of subsection (b), the Secretary shall, subject to the availability of funds, make

grants to national nonprofit employee organizations engaged solely in fighting fires for the purpose of training instructors to conduct hazardous materials response training programs for individuals with statutory responsibility to respond to hazardous materials accidents and incidents.

(2) For the purposes of this subsection the Secretary, after consultation with interested organizations, shall—

(A) identify regions or locations in which fire departments or other organizations which provide emergency response to hazardous materials transportation accidents and incidents are in need of hazardous materials training; and

(B) prioritize such needs and develop a means for identifying additional specific training needs.

(3) Funds granted to an organization under this subsection shall only be used—

(A) to train instructors to conduct hazardous materials response training programs;

(B) to purchase training equipment used exclusively to train instructors to conduct such training programs; and

(C) to disseminate such information and materials as are necessary for the conduct of such training programs.

(4) The Secretary may only make a grant to an organization under this subsection in a fiscal year if the organization enters into an agreement with the Secretary to train instructors to conduct hazardous materials response training programs in such fiscal year that will use—

(A) a course or courses developed or identified under section 5115 of this title; or

(B) other courses which the Secretary determines are consistent with the objectives of this subsection; for training individuals with statutory responsibility to respond to accidents and incidents involving hazardous materials. Such agreement also shall provide that training courses shall be open to all such individuals on a nondiscriminatory basis.

(5) The Secretary may impose such additional terms and conditions on grants to be made under this subsection as the Secretary determines are necessary to protect the interests of the United States and to carry out the objectives of this subsection.

(k) **REPORTS.**—Not later than September 30, 1997, the Secretary shall submit to Congress a report on the allocation and uses of training grants authorized under subsection (b) for fiscal year 1993 through fiscal year 1996 and grants authorized under subsection (j) and section 5107 for fiscal years 1995 and 1996. Such report shall identify the ultimate recipients of training grants and include a detailed accounting of all grant expenditures by grant recipients, the number of persons trained under the grant programs, and an evaluation of the efficacy of training programs carried out.

§ 5117. Exemptions and exclusions

(a) **AUTHORITY TO EXEMPT.**—(1) As provided under procedures prescribed by regulation, the Secretary of Transportation may issue an exemption from this chapter or a regulation prescribed under

section 5103(b), 5104, 5110, or 5112 of this title to a person transporting, or causing to be transported, hazardous material in a way that achieves a safety level—

(A) at least equal to the safety level required under this chapter; or

(B) consistent with the public interest and this chapter, if a required safety level does not exist.

(2) An exemption under this subsection is effective for not more than 2 years and may be renewed on application to the Secretary.

(b) APPLICATIONS.—When applying for an exemption or renewal of an exemption under this section, the person must provide a safety analysis prescribed by the Secretary that justifies the exemption. The Secretary shall publish in the Federal Register notice that an application for an exemption has been filed and shall give the public an opportunity to inspect the safety analysis and comment on the application. This subsection does not require the release of information protected by law from public disclosure.

(c) APPLICATIONS TO BE DEALT WITH PROMPTLY.—The Secretary shall issue or renew the exemption for which an application was filed or deny such issuance or renewal within 180 days after the first day of the month following the date of the filing of such application, or the Secretary shall publish a statement in the Federal Register of the reason why the Secretary's decision on the exemption is delayed, along with an estimate of the additional time necessary before the decision is made.

(d) EXCLUSIONS.—(1) The Secretary shall exclude, in any part, from this chapter and regulations prescribed under this chapter—

(A) a public vessel (as defined in section 2101 of title 46);

(B) a vessel exempted under section 3702 of title 46 from chapter 37 of title 46; and

(C) a vessel to the extent it is regulated under the Ports and Waterways Safety Act of 1972 (33 U.S.C. 1221 et seq.).

(2) This chapter and regulations prescribed under this chapter do not prohibit—

(A) or regulate transportation of a firearm (as defined in section 232 of title 18), or ammunition for a firearm, by an individual for personal use; or

(B) transportation of a firearm or ammunition in commerce.

(e) LIMITATION ON AUTHORITY.—Unless the Secretary decides that an emergency exists, an exemption or renewal granted under this section is the only way a person subject to this chapter may be exempt from this chapter.

§ 5118. Inspectors

(a) GENERAL REQUIREMENT.—The Secretary of Transportation shall maintain the employment of 30 hazardous material safety inspectors more than the total number of safety inspectors authorized for the fiscal year that ended September 30, 1990, for the Federal Railroad Administration, the Federal Highway Administration, and the Research and Special Programs Administration.

(b) ALLOCATION TO PROMOTE SAFETY IN TRANSPORTING RADIOACTIVE MATERIAL.—(1) The Secretary shall ensure that 10 of the 30 additional inspectors focus on promoting safety in transporting ra-

radioactive material, as defined by the Secretary, including inspecting—

(A) at the place of origin, shipments of high-level radioactive waste or nuclear spent material (as those terms are defined in section 5105(a) of this title); and

(B) to the maximum extent practicable shipments of radioactive material that are not high-level radioactive waste or nuclear spent material.

(2) In carrying out their duties, those 10 additional inspectors shall cooperate to the greatest extent possible with safety inspectors of the Nuclear Regulatory Commission and appropriate State and local government officials.

(3) Those 10 additional inspectors shall be allocated as follows:

(A) one to the Research and Special Programs Administration.

(B) 3 to the Federal Railroad Administration.

(C) 3 to the Federal Highway Administration.

(D) the other 3 among the administrations referred to in clauses (A)–(C) of this paragraph as the Secretary decides.

(c) ALLOCATION OF OTHER INSPECTORS.—The Secretary shall allocate, as the Secretary decides, the 20 additional inspectors authorized under this section and not allocated under subsection (b) of this section among the administrations referred to in subsection (b)(3)(A)–(C) of this section.

§ 5119. Uniform forms and procedures

(a) WORKING GROUP.—The Secretary of Transportation shall establish a working group of State and local government officials, including representatives of the National Governors' Association, the National Association of Counties, the National League of Cities, the United States Conference of Mayors, and the National Conference of State Legislatures. The purposes of the working group are—

(1) to establish uniform forms and procedures for a State—

(A) to register persons that transport or cause to be transported hazardous material by motor vehicle in the State; and

(B) to allow the transportation of hazardous material in the State; and

(2) to decide whether to limit the filing of any State registration and permit forms and collection of filing fees to the State in which the person resides or has its principal place of business.

(b) CONSULTATION AND REPORTING.—The working group—

(1) shall consult with persons subject to registration and permit requirements described in subsection (a) of this section; and

(2) not later than November 16, 1993, shall submit to the Secretary, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Transportation and Infrastructure of the House of Representatives a final report that contains—

(A) a detailed statement of its findings and conclusions; and

(B) its joint recommendations on the matters referred to in subsection (a) of this section.

(c) REGULATIONS ON RECOMMENDATIONS.—(1) The Secretary shall prescribe regulations to carry out the recommendations contained in the report submitted under subsection (b) of this section with which the Secretary agrees. The regulations shall be prescribed by the later of the last day of the 3-year period beginning on the date the working group submitted its report or the last day of the 90-day period beginning on the date on which at least 26 States adopt all of the recommendations of the report. A regulation prescribed under this subsection may not define or limit the amount of a fee a State may impose or collect.

(2) A regulation prescribed under this subsection takes effect one year after it is prescribed. The Secretary may extend the one-year period for an additional year for good cause. After a regulation is effective, a State may establish, maintain, or enforce a requirement related to the same subject matter only if the requirement is the same as the regulation.

(3) In consultation with the working group, the Secretary shall develop a procedure to eliminate differences in how States carry out a regulation prescribed under this subsection.

(d) RELATIONSHIP TO OTHER LAWS.—The Federal Advisory Committee Act (5 App. U.S.C.) does not apply to the working group.

§ 5120. International uniformity of standards and requirements

(a) PARTICIPATION IN INTERNATIONAL FORUMS.—Subject to guidance and direction from the Secretary of State, the Secretary of Transportation shall participate in international forums that establish or recommend mandatory standards and requirements for transporting hazardous material in international commerce.

(b) CONSULTATION.—The Secretary of Transportation may consult with interested authorities to ensure that, to the extent practicable, regulations the Secretary prescribes under sections 5103(b), 5104, 5110, and 5112 of this title are consistent with standards related to transporting hazardous material that international authorities adopt.

(c) DIFFERENCES WITH INTERNATIONAL STANDARDS AND REQUIREMENTS.—This section—

(1) does not require the Secretary of Transportation to prescribe a standard identical to a standard adopted by an international authority if the Secretary decides the standard is unnecessary or unsafe; and

(2) does not prohibit the Secretary from prescribing a safety requirement more stringent than a requirement included in a standard adopted by an international authority if the Secretary decides the requirement is necessary in the public interest.

§ 5121. Administrative

(a) GENERAL AUTHORITY.—To carry out this chapter, the Secretary of Transportation may investigate, make reports, issue subpoenas, conduct hearings, require the production of records and

property, take depositions, and conduct research, development, demonstration, and training activities. After notice and an opportunity for a hearing, the Secretary may issue an order requiring compliance with this chapter or a regulation prescribed under this chapter.

(b) RECORDS, REPORTS, AND INFORMATION.—A person subject to this chapter shall—

(1) maintain records, make reports, and provide information the Secretary by regulation or order requires; and

(2) make the records, reports, and information available when the Secretary requests.

(c) INSPECTION.—(1) The Secretary may authorize an officer, employee, or agent to inspect, at a reasonable time and in a reasonable way, records and property related to—

(A) manufacturing, fabricating, marking, maintaining, reconditioning, repairing, testing, or distributing a packaging or a container for use by a person in transporting hazardous material in commerce; or

(B) the transportation of hazardous material in commerce.

(2) An officer, employee, or agent under this subsection shall display proper credentials when requested.

(d) FACILITY, STAFF, AND REPORTING SYSTEM ON RISKS, EMERGENCIES, AND ACTIONS.—(1) The Secretary shall—

(A) maintain a facility and technical staff sufficient to provide, within the United States Government, the capability of evaluating a risk related to the transportation of hazardous material and material alleged to be hazardous;

(B) maintain a central reporting system and information center capable of providing information and advice to law enforcement and firefighting personnel, other interested individuals, and officers and employees of the Government and State and local governments on meeting an emergency related to the transportation of hazardous material; and

(C) conduct a continuous review on all aspects of transporting hazardous material to decide on and take appropriate actions to ensure safe transportation of hazardous material.

(2) Paragraph (1) of this subsection does not prevent the Secretary from making a contract with a private entity for use of a supplemental reporting system and information center operated and maintained by the contractor.

(e) REPORT.—The Secretary shall, once every 2 years, prepare and submit to the President for transmittal to the Congress a comprehensive report on the transportation of hazardous materials during the preceding 2 calendar years. The report shall include—

(1) a statistical compilation of accidents and casualties related to the transportation of hazardous material;

(2) a list and summary of applicable Government regulations, criteria, orders, and exemptions;

(3) a summary of the basis for each exemption;

(4) an evaluation of the effectiveness of enforcement activities and the degree of voluntary compliance with regulations;

(5) a summary of outstanding problems in carrying out this chapter in order of priority; and

(6) recommendations for appropriate legislation.

§ 5122. Enforcement

(a) GENERAL.—At the request of the Secretary of Transportation, the Attorney General may bring a civil action in an appropriate district court of the United States to enforce this chapter or a regulation prescribed or order issued under this chapter. The court may award appropriate relief, including punitive damages.

(b) IMMINENT HAZARDS.—(1) If the Secretary has reason to believe that an imminent hazard exists, the Secretary may bring a civil action in an appropriate district court of the United States—

(A) to suspend or restrict the transportation of the hazardous material responsible for the hazard; or

(B) to eliminate or ameliorate the hazard.

(2) On request of the Secretary, the Attorney General shall bring an action under paragraph (1) of this subsection.

(c) WITHHOLDING OF CLEARANCE.—(1) If any owner, operator, or individual in charge of a vessel is liable for a civil penalty under section 5123 of this title or for a fine under section 5124 of this title, or if reasonable cause exists to believe that such owner, operator, or individual in charge may be subject to such a civil penalty or fine, the Secretary of the Treasury, upon the request of the Secretary, shall with respect to such vessel refuse or revoke any clearance required by section 4197 of the Revised Statutes of the United States (46 App. U.S.C. 91).

(2) Clearance refused or revoked under this subsection may be granted upon the filing of a bond or other surety satisfactory to the Secretary.

§ 5123. Civil penalty

(a) PENALTY.—(1) A person that knowingly violates this chapter or a regulation prescribed or order issued under this chapter is liable to the United States Government for a civil penalty of at least \$250 but not more than \$25,000 for each violation. A person acts knowingly when—

(A) the person has actual knowledge of the facts giving rise to the violation; or

(B) a reasonable person acting in the circumstances and exercising reasonable care would have that knowledge.

(2) A separate violation occurs for each day the violation, committed by a person that transports or causes to be transported hazardous material, continues.

(b) HEARING REQUIREMENT.—The Secretary of Transportation may find that a person has violated this chapter or a regulation prescribed under this chapter only after notice and an opportunity for a hearing. The Secretary shall impose a penalty under this section by giving the person written notice of the amount of the penalty.

(c) PENALTY CONSIDERATIONS.—In determining the amount of a civil penalty under this section, the Secretary shall consider—

(1) the nature, circumstances, extent, and gravity of the violation;

(2) with respect to the violator, the degree of culpability, any history of prior violations, the ability to pay, and any effect on the ability to continue to do business; and

- (3) other matters that justice requires.
- (d) CIVIL ACTIONS TO COLLECT.—The Attorney General may bring a civil action in an appropriate district court of the United States to collect a civil penalty under this section.
- (e) COMPROMISE.—The Secretary may compromise the amount of a civil penalty imposed under this section before referral to the Attorney General.
- (f) SETOFF.—The Government may deduct the amount of a civil penalty imposed or compromised under this section from amounts it owes the person liable for the penalty.
- (g) DEPOSITING AMOUNTS COLLECTED.—Amounts collected under this section shall be deposited in the Treasury as miscellaneous receipts.

§ 5124. Criminal penalty

A person knowingly violating section 5104(b) of this title or willfully violating this chapter or a regulation prescribed or order issued under this chapter shall be fined under title 18, imprisoned for not more than 5 years, or both.

§ 5125. Preemption

- (a) GENERAL.—Except as provided in subsections (b), (c), and (e) of this section and unless authorized by another law of the United States, a requirement of a State, political subdivision of a State, or Indian tribe is preempted if—
- (1) complying with a requirement of the State, political subdivision, or tribe and a requirement of this chapter or a regulation prescribed under this chapter is not possible; or
 - (2) the requirement of the State, political subdivision, or tribe, as applied or enforced, is an obstacle to accomplishing and carrying out this chapter or a regulation prescribed under this chapter.
- (b) SUBSTANTIVE DIFFERENCES.—(1) Except as provided in subsection (c) of this section and unless authorized by another law of the United States, a law, regulation, order, or other requirement of a State, political subdivision of a State, or Indian tribe about any of the following subjects, that is not substantively the same as a provision of this chapter or a regulation prescribed under this chapter, is preempted:
- (A) the designation, description, and classification of hazardous material.
 - (B) the packing, repacking, handling, labeling, marking, and placarding of hazardous material.
 - (C) the preparation, execution, and use of shipping documents related to hazardous material and requirements related to the number, contents, and placement of those documents.
 - (D) the written notification, recording, and reporting of the unintentional release in transportation of hazardous material.
 - (E) the design, manufacturing, fabricating, marking, maintenance, reconditioning, repairing, or testing of a packaging or a container represented, marked, certified, or sold as qualified for use in transporting hazardous material.
- (2) If the Secretary of Transportation prescribes or has prescribed under section 5103(b), 5104, 5110, or 5112 of this title or

prior comparable provision of law a regulation or standard related to a subject referred to in paragraph (1) of this subsection, a State, political subdivision of a State, or Indian tribe may prescribe, issue, maintain, and enforce only a law, regulation, standard, or order about the subject that is substantively the same as a provision of this chapter or a regulation prescribed or order issued under this chapter. The Secretary shall decide on and publish in the Federal Register the effective date of section 5103(b) of this title for any regulation or standard about any of those subjects that the Secretary prescribes after November 16, 1990. However, the effective date may not be earlier than 90 days after the Secretary prescribes the regulation or standard nor later than the last day of the 2-year period beginning on the date the Secretary prescribes the regulation or standard.

(3) If a State, political subdivision of a State, or Indian tribe imposes a fine or penalty the Secretary decides is appropriate for a violation related to a subject referred to in paragraph (1) of this subsection, an additional fine or penalty may not be imposed by any other authority.

(c) COMPLIANCE WITH SECTION 5112(b) REGULATIONS.—(1) Except as provided in paragraph (2) of this subsection, after the last day of the 2-year period beginning on the date a regulation is prescribed under section 5112(b) of this title, a State or Indian tribe may establish, maintain, or enforce a highway routing designation over which hazardous material may or may not be transported by motor vehicles, or a limitation or requirement related to highway routing, only if the designation, limitation, or requirement complies with section 5112(b).

(2)(A) A highway routing designation, limitation, or requirement established before the date a regulation is prescribed under section 5112(b) of this title does not have to comply with section 5112(b)(1)(B), (C), and (F).

(B) This subsection and section 5112 of this title do not require a State or Indian tribe to comply with section 5112(b)(1)(I) if the highway routing designation, limitation, or requirement was established before November 16, 1990.

(C) The Secretary may allow a highway routing designation, limitation, or requirement to continue in effect until a dispute related to the designation, limitation, or requirement is resolved under section 5112(d) of this title.

(d) DECISIONS ON PREEMPTION.—(1) A person (including a State, political subdivision of a State, or Indian tribe) directly affected by a requirement of a State, political subdivision, or tribe may apply to the Secretary, as provided by regulations prescribed by the Secretary, for a decision on whether the requirement is preempted by subsection (a), (b)(1), or (c) of this section. The Secretary shall publish notice of the application in the Federal Register. The Secretary shall issue a decision on an application for a determination within 180 days after the date of the publication of the notice of having received such application, or the Secretary shall publish a statement in the Federal Register of the reason why the Secretary's decision on the application is delayed, along with an estimate of the additional time necessary before the decision is made. After notice is published, an applicant may not seek judicial relief

on the same or substantially the same issue until the Secretary takes final action on the application or until 180 days after the application is filed, whichever occurs first.

(2) After consulting with States, political subdivisions of States, and Indian tribes, the Secretary shall prescribe regulations for carrying out paragraph (1) of this subsection.

(3) Subsection (a) of this section does not prevent a State, political subdivision of a State, or Indian tribe, or another person directly affected by a requirement, from seeking a decision on preemption from a court of competent jurisdiction instead of applying to the Secretary under paragraph (1) of this subsection.

(e) WAIVER OF PREEMPTION.—A State, political subdivision of a State, or Indian tribe may apply to the Secretary for a waiver of preemption of a requirement the State, political subdivision, or tribe acknowledges is preempted by subsection (a), (b)(1), or (c) of this section. Under a procedure the Secretary prescribes by regulation, the Secretary may waive preemption on deciding the requirement—

(1) provides the public at least as much protection as do requirements of this chapter and regulations prescribed under this chapter; and

(2) is not an unreasonable burden on commerce.

(f) JUDICIAL REVIEW.—A party to a proceeding under subsection (d) or (e) of this section may bring a civil action in an appropriate district court of the United States for judicial review of the decision of the Secretary not later than 60 days after the decision becomes final.

(g) FEES.—(1) A State, political subdivision of a State, or Indian tribe may impose a fee related to transporting hazardous material only if the fee is fair and used for a purpose related to transporting hazardous material, including enforcement and planning, developing, and maintaining a capability for emergency response.

(2)¹ A State or political subdivision thereof or Indian tribe that levies a fee in connection with the transportation of hazardous materials shall, upon the Secretary's request, report to the Secretary on—

(A) the basis on which the fee is levied upon persons involved in such transportation;

(B) the purposes for which the revenues from the fee are used;

(C) the annual total amount of the revenues collected from the fee; and

(D) such other matters as the Secretary requests.

§ 5126. Relationship to other laws

(a) CONTRACTS.—A person under contract with a department, agency, or instrumentality of the United States Government that transports or causes to be transported hazardous material, or manufactures, fabricates, marks, maintains, reconditions, repairs, or tests a package or container that the person represents, marks, certifies, or sells as qualified for use in transporting hazardous material must comply with this chapter, regulations prescribed and or-

¹ Margin so in law.

ders issued under this chapter, and all other requirements of the Government, State and local governments, and Indian tribes (except a requirement preempted by a law of the United States) in the same way and to the same extent that any person engaging in that transportation, manufacturing, fabricating, marking, maintenance, reconditioning, repairing, or testing that is in or affects commerce must comply with the provision, regulation, order, or requirement.

(b) NONAPPLICATION.—This chapter does not apply to—

(1) a pipeline subject to regulation under chapter 601 of this title; or

(2) any matter that is subject to the postal laws and regulations of the United States under this chapter or title 18 or 39.

§ 5127. Authorization of appropriations

(a) GENERAL.—Not more than \$18,000,000 may be appropriated to the Secretary of Transportation for fiscal year 1993, \$18,000,000 for fiscal year 1994, \$18,540,000 for fiscal year 1995, \$19,100,000 for fiscal year 1996, and \$19,670,000 for fiscal year 1997 to carry out this chapter (except sections 5107(e), 5108(g)(2), 5113, 5115, 5116, and 5119).

(b) TRAINING OF HAZMAT EMPLOYEE INSTRUCTORS.—(1)¹ There is authorized to be appropriated to the Secretary \$3,000,000 for each of fiscal years 1995, 1996, 1997, and 1998 to carry out section 5107(e).

(2)(A)² There shall be available to the Secretary for carrying out section 5116(j), from amounts in the account established pursuant to section 5116(i), \$250,000 for each of fiscal years 1995, 1996, 1997, and 1998.

(B) In addition to amounts made available under subparagraph (A), there is authorized to be appropriated to the Secretary for carrying out section 5116(j) \$1,000,000 for each of the fiscal years 1995, 1996, 1997, and 1998.

(c) TRAINING CURRICULUM.—(1) Not more than \$1,000,000 is available to the Secretary of Transportation from the account established under section 5116(i) of this title for each of the fiscal years ending September 30, 1993–1998, to carry out section 5115 of this title.

(2) The Secretary of Transportation may transfer to the Director of the Federal Emergency Management Agency from amounts available under this subsection amounts necessary to carry out section 5115(d)(1) of this title.

(d) PLANNING AND TRAINING.—(1) Not more than \$5,000,000 is available to the Secretary of Transportation from the account established under section 5116(i) of this title for each of the fiscal years ending September 30, 1993–1998, to carry out section 5116(a) of this title.

(2) Not more than \$7,800,000 is available to the Secretary of Transportation from the account established under section 5116(i) of this title for each of the fiscal years ending September 30, 1993–1998, to carry out section 5116(b) of this title.

¹ See sections 119(b)(1) and (c)(4) of P.L. 103–311.

² Margin so in law.

(3) Not more than the following amounts are available from the account established under section 5116(i) of this title for each of the fiscal years ending September 30, 1993–1998, to carry out section 5116(f) of this title:

(A) \$750,000 each to the Secretaries of Transportation and Energy, Administrator of the Environmental Protection Agency, and Director of the Federal Emergency Management Agency.

(B) \$200,000 to the Director of the National Institute of Environmental Health Sciences.

(e) UNIFORM FORMS AND PROCEDURES.—Not more than \$400,000 may be appropriated to the Secretary of Transportation for the fiscal year ending September 30, 1993, to carry out section 5119 of this title.

(f) CREDITS TO APPROPRIATIONS.—The Secretary of Transportation may credit to any appropriation to carry out this chapter an amount received from a State, Indian tribe, or other public authority or private entity for expenses the Secretary incurs in providing training to the State, authority, or entity.

(g) AVAILABILITY OF AMOUNTS.—Amounts available under subsections (c)–(e) of this section remain available until expended.

§ 5301. Policies, findings, and purposes

(a) DEVELOPMENT OF TRANSPORTATION SYSTEMS.—It is in the interest of the United States to encourage and promote the development of transportation systems that embrace various modes of transportation and efficiently maximize mobility of individuals and goods in and through urbanized areas and minimize transportation-related fuel consumption and air pollution.

(b) GENERAL FINDINGS.—Congress finds that—

(1) more than 70 percent of the population of the United States is located in rapidly expanding urban areas that generally cross the boundary lines of local jurisdictions and often extend into at least 2 States;

(2) the welfare and vitality of urban areas, the satisfactory movement of people and goods within those areas, and the effectiveness of programs aided by the United States Government are jeopardized by deteriorating or inadequate urban transportation service and facilities, the intensification of traffic congestion, and the lack of coordinated, comprehensive, and continuing development planning;

(3) transportation is the lifeblood of an urbanized society, and the health and welfare of an urbanized society depend on providing efficient, economical, and convenient transportation in and between urban areas;

(4) for many years the mass transportation industry capably and profitably satisfied the transportation needs of the urban areas of the United States but in the early 1970's continuing even minimal mass transportation service in urban areas was threatened because maintaining that transportation service was financially burdensome;

(5) ending that transportation, or the continued increase in its cost to the user, is undesirable and may affect seriously and adversely the welfare of a substantial number of lower income individuals;

(6) some urban areas were developing preliminary plans for, or carrying out, projects in the early 1970's to revitalize their mass transportation operations;

(7) significant mass transportation improvements are necessary to achieve national goals for improved air quality, energy conservation, international competitiveness, and mobility for elderly individuals, individuals with disabilities, and economically disadvantaged individuals in urban and rural areas of the United States;

(8) financial assistance by the Government to develop efficient and coordinated mass transportation systems is essential

³This chapter includes a section 5339 at the end. A conforming amendment to insert an item relating to such section in the table of sections for chapter 53 was not included in the amendment that added the section.

to solve the urban transportation problems referred to in clause (2) of this subsection; and

(9) immediate substantial assistance by the Government is needed to enable mass transportation systems to continue providing vital transportation service.

(c) **RAPID URBANIZATION AND CONTINUING POPULATION DISPERSAL.**—Rapid urbanization and continuing dispersal of the population and activities in urban areas have made the ability of all citizens to move quickly and at a reasonable cost an urgent problem of the Government.

(d) **ELDERLY INDIVIDUALS AND INDIVIDUALS WITH DISABILITIES.**—It is the policy of the Government that elderly individuals and individuals with disabilities have the same right as other individuals to use mass transportation service and facilities. Special efforts shall be made in planning and designing mass transportation service and facilities to ensure that mass transportation can be used by elderly individuals and individuals with disabilities. All programs of the Government assisting mass transportation shall carry out this policy.

(e) **PRESERVING THE ENVIRONMENT.**—It is the policy of the Government that special effort shall be made to preserve the natural beauty of the countryside, public park and recreation lands, wildlife and waterfowl refuges, and important historical and cultural assets when planning, designing, and carrying out an urban mass transportation capital project with assistance from the Government under sections 5309 and 5310 of this title.

(f) **GENERAL PURPOSES.**—The purposes of this chapter are—

(1) to assist in developing improved mass transportation equipment, facilities, techniques, and methods with the cooperation of public and private mass transportation companies;

(2) to encourage the planning and establishment of areawide urban mass transportation systems needed for economical and desirable urban development with the cooperation of public and private mass transportation companies;

(3) to assist States and local governments and their authorities in financing areawide urban mass transportation systems that are to be operated by public or private mass transportation companies as decided by local needs;

(4) to provide financial assistance to State and local governments and their authorities to help carry out national goals related to mobility for elderly individuals, individuals with disabilities, and economically disadvantaged individuals; and

(5) to establish a partnership that allows a community, with financial assistance from the Government, to satisfy its urban mass transportation requirements.

§ 5302. Definitions

(a) **IN GENERAL.**—In this chapter, the following definitions apply:

(1) **CAPITAL PROJECT.**—The term “capital project” means a project for—

(A) acquiring, constructing, supervising, or inspecting equipment or a facility for use in mass transportation, expenses incidental to the acquisition or construction (includ-

ing designing, engineering, location surveying, mapping, and acquiring rights-of-way), payments for the capital portions of rail trackage rights agreements, transit-related intelligent transportation systems, relocation assistance, acquiring replacement housing sites, and acquiring, constructing, relocating, and rehabilitating replacement housing;

(B) rehabilitating a bus;

(C) remanufacturing a bus;

(D) overhauling rail rolling stock;

(E) preventive maintenance;

(F) leasing equipment or a facility for use in mass transportation, subject to regulations that the Secretary prescribes limiting the leasing arrangements to those that are more cost-effective than purchase or construction;

(G) a mass transportation improvement that enhances economic development or incorporates private investment, including commercial and residential development, pedestrian and bicycle access to a mass transportation facility, and the renovation and improvement of historic transportation facilities, because the improvement enhances the effectiveness of a mass transportation project and is related physically or functionally to that mass transportation project, or establishes new or enhanced coordination between mass transportation and other transportation, and provides a fair share of revenue for mass transportation that will be used for mass transportation—

(i) including property acquisition, demolition of existing structures, site preparation, utilities, building foundations, walkways, open space, safety and security equipment and facilities (including lighting, surveillance and related intelligent transportation system applications), facilities that incorporate community services such as daycare or health care, and a capital project for, and improving, equipment or a facility for an intermodal transfer facility or transportation mall, except that a person making an agreement to occupy space in a facility under this subparagraph shall pay a reasonable share of the costs of the facility through rental payments and other means; and

(ii) excluding construction of a commercial revenue-producing facility or a part of a public facility not related to mass transportation;

(H) the introduction of new technology, through innovative and improved products, into mass transportation; or

(I) the provision of nonfixed route paratransit transportation services in accordance with section 223 of the Americans with Disabilities Act of 1990 (42 U.S.C. 12143), but only for grant recipients that are in compliance with applicable requirements of that Act, including both fixed route and demand responsive service, and only for amounts not to exceed 10 percent of such recipient's annual formula apportionment under sections 5307 and 5311.

(2) CHIEF EXECUTIVE OFFICER OF A STATE.—The term “chief executive officer of a State” includes the designee of the chief executive officer.

(3) EMERGENCY REGULATION.—The term “emergency regulation” means a regulation—

(A) that is effective temporarily before the expiration of the otherwise specified periods of time for public notice and comment under section 5334(b); and

(B) prescribed by the Secretary as the result of a finding that a delay in the effective date of the regulation—

(i) would injure seriously an important public interest;

(ii) would frustrate substantially legislative policy and intent; or

(iii) would damage seriously a person or class without serving an important public interest.

(4) FIXED GUIDEWAY.—The term “fixed guideway” means a mass transportation facility—

(A) using and occupying a separate right-of-way or rail for the exclusive use of mass transportation and other high occupancy vehicles; or

(B) using a fixed catenary system and a right-of-way usable by other forms of transportation.

(5) HANDICAPPED INDIVIDUAL.—The term “handicapped individual” means an individual who, because of illness, injury, age, congenital malfunction, or other incapacity or temporary or permanent disability (including an individual who is a wheelchair user or has semiambulatory capability), cannot use effectively, without special facilities, planning, or design, mass transportation service or a mass transportation facility.

(6) LOCAL GOVERNMENTAL AUTHORITY.—The term “local governmental authority” includes—

(A) a political subdivision of a State;

(B) an authority of at least 1 State or political subdivision of a State;

(C) an Indian tribe; and

(D) a public corporation, board, or commission established under the laws of a State.

(7) MASS TRANSPORTATION.—The term “mass transportation” means transportation by a conveyance that provides regular and continuing general or special transportation to the public, but does not include school bus, charter, or sightseeing transportation.

(8) NET PROJECT COST.—The term “net project cost” means the part of a project that reasonably cannot be financed from revenues.

(9) NEW BUS MODEL.—The term “new bus model” means a bus model (including a model using alternative fuel)—

(A) that has not been used in mass transportation in the United States before the date of production of the model; or

(B) used in mass transportation in the United States, but being produced with a major change in configuration or components.

(10) PUBLIC TRANSPORTATION.—The term “public transportation” means mass transportation.

(11) REGULATION.—The term “regulation” means any part of a statement of general or particular applicability of the Secretary designed to carry out, interpret, or prescribe law or policy in carrying out this chapter.

(12) SECRETARY.—The term “Secretary” means the Secretary of Transportation.

(13) STATE.—The term “State” means a State of the United States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, Guam, American Samoa, and the Virgin Islands.

(14) TRANSIT.—The term “transit” means mass transportation.

(15) TRANSIT ENHANCEMENT.—The term “transit enhancement” means, with respect to any project or an area to be served by a project, projects that are designed to enhance mass transportation service or use and that are physically or functionally related to transit facilities. Eligible projects are—

(A) historic preservation, rehabilitation, and operation of historic mass transportation buildings, structures, and facilities (including historic bus and railroad facilities);

(B) bus shelters;

(C) landscaping and other scenic beautification, including tables, benches, trash receptacles, and street lights;

(D) public art;

(E) pedestrian access and walkways;

(F) bicycle access, including bicycle storage facilities and installing equipment for transporting bicycles on mass transportation vehicles;

(G) transit connections to parks within the recipient’s transit service area;

(H) signage; and

(I) enhanced access for persons with disabilities to mass transportation.

(16) URBAN AREA.—The term “urban area” means an area that includes a municipality or other built-up place that the Secretary, after considering local patterns and trends of urban growth, decides is appropriate for a local mass transportation system to serve individuals in the locality.

(17) URBANIZED AREA.—The term “urbanized area” means an area—

(A) encompassing at least an urbanized area within a State that the Secretary of Commerce designates; and

(B) designated as an urbanized area within boundaries fixed by State and local officials and approved by the Secretary.

(b) AUTHORITY TO MODIFY “HANDICAPPED INDIVIDUAL”.—The Secretary may by regulation modify the definition of the term “handicapped individual” in subsection (a)(5) as it applies to section 5307(d)(1)(D).

§ 5303. Metropolitan planning

(a) GENERAL REQUIREMENTS.—

(1) DEVELOPMENT OF PLANS AND PROGRAMS.—To carry out section 5301(a), metropolitan planning organizations designated under subsection (c), in cooperation with the States and mass transportation operators, shall develop transportation plans and programs for urbanized areas of the State.

(2) CONTENTS.—The plans and programs developed under paragraph (1) for each metropolitan area shall provide for the development and integrated management and operation of transportation systems and facilities (including pedestrian walkways and bicycle transportation facilities) that will function as an intermodal transportation system for the metropolitan area and as an integral part of an intermodal transportation system for the State and the United States.

(3) PROCESS.—The process for developing the plans and programs shall provide for consideration of all modes of transportation and shall be continuing, cooperative, and comprehensive to the degree appropriate, based on the complexity of the transportation problems to be addressed.

(b) SCOPE OF PLANNING PROCESS.—

(1) IN GENERAL.—The metropolitan transportation planning process for a metropolitan area under this section shall provide for consideration of projects and strategies that will—

(A) support the economic vitality of the metropolitan area, especially by enabling global competitiveness, productivity, and efficiency;

(B) increase the safety and security of the transportation system for motorized and nonmotorized users;

(C) increase the accessibility and mobility options available to people and for freight;

(D) protect and enhance the environment, promote energy conservation, and improve quality of life;

(E) enhance the integration and connectivity of the transportation system, across and between modes, for people and freight;

(F) promote efficient system management and operation; and

(G) emphasize the preservation of the existing transportation system.

(2) FAILURE TO CONSIDER FACTORS.—The failure to consider any factor specified in paragraph (1) shall not be reviewable by any court under this title, subchapter II of chapter 5 of title 5, or chapter 7 of title 5 in any matter affecting a transportation plan, a transportation improvement plan, a project or strategy, or the certification of a planning process.

(c) DESIGNATING METROPOLITAN PLANNING ORGANIZATIONS.—

(1) To carry out the planning process required by this section and sections 5304–5306 of this title, a metropolitan planning organization shall be designated for each urbanized area with a population of more than 50,000—

(A) by agreement of the chief executive officer of a State and units of general purpose local government that together represent at least 75 percent of the affected population (including the central city or cities, as defined by the Bureau of the Census); or

- (B) under procedures established by State or local law.
- (2) Each policy board of a metropolitan planning organization that serves an area designated as a transportation management area when designated or redesignated under this subsection shall consist of local elected officials, officials of public agencies that administer or operate major modes of transportation in the metropolitan area (including all transportation authorities included in the organization on June 1, 1991), and appropriate State officials.
- (3) More than one metropolitan planning organization may be designated within an existing metropolitan planning area only if the chief executive officer of the State and the existing metropolitan organization determine that the size and complexity of the existing metropolitan planning area make designation of more than one organization appropriate.
- (4) A designation is effective until—
- (A) the organization is redesignated under paragraph (5) of this subsection; or
 - (B) revoked—
 - (i) by agreement of the chief executive officer and units of general local government representing at least 75 percent of the affected population; or
 - (ii) as otherwise provided by State or local procedures.
- (5)(A) The chief executive officer and units of general purpose local government that together represent at least 75 percent of the affected population (including the central city or cities, as defined by the Bureau of the Census) may redesignate by agreement a metropolitan planning organization when appropriate to carry out this section and sections 5304–5306 of this title.
- (B) A metropolitan planning organization shall be redesignated on request of one or more units of general local government representing at least 25 percent of the affected population (including the central city or cities, as defined by the Bureau of the Census) in an urbanized area with a population of more than 5,000,000, but less than 10,000,000 or that is an extreme nonattainment area for ozone or carbon monoxide (as defined in the Clean Air Act (42 U.S.C. 7401 et seq.)).
- (C) A metropolitan planning organization shall be redesignated using procedures established to carry out this paragraph.
- (D) Designations of metropolitan planning organizations, whether made under this section or under any other provision of law, shall remain in effect until redesignation under this paragraph.
- (6) This subsection does not affect the authority, under State law in effect on December 18, 1991, of a public authority with multimodal transportation responsibilities—
- (A) to develop plans and programs for a metropolitan planning organization to adopt; and
 - (B) to develop long-range capital plans, coordinate mass transportation services and projects, and carry out other activities under State law.
- (d) METROPOLITAN PLANNING AREA BOUNDARIES.—
- (1) IN GENERAL.—To carry out this section, the metropolitan planning organization and the chief executive officer shall

decide by agreement on the boundaries of a metropolitan planning area.

(2) INCLUDED AREA.—Each metropolitan planning area—

(A) shall encompass at least the existing urbanized area and the contiguous area expected to become urbanized within a 20-year forecast period; and

(B) may encompass the entire metropolitan statistical area or consolidated metropolitan statistical area, as defined by the Bureau of the Census.

(3) EXISTING METROPOLITAN PLANNING AREAS IN NON-ATTAINMENT.—Notwithstanding paragraph (2), in the case of an urbanized area designated as a nonattainment area for ozone or carbon monoxide under the Clean Air Act (42 U.S.C. 7401 et seq.), the boundaries of the metropolitan planning area in existence as of the date of enactment of this paragraph shall be retained, except that the boundaries may be adjusted by agreement of the chief executive officer of the State and any affected metropolitan planning organizations, in the manner described in subsection (c)(5).

(4) NEW METROPOLITAN PLANNING AREAS IN NONATTAINMENT.—In the case of an urbanized area designated after the date of enactment of this paragraph as a nonattainment area for ozone or carbon monoxide under the Clean Air Act, the boundaries of the metropolitan planning area—

(A) shall be established in the manner described in subsection (c)(1);

(B) shall encompass the areas described in paragraph (2)(A);

(C) may encompass the areas described in paragraph (2)(B); and

(D) may address any nonattainment area identified under the Clean Air Act for ozone or carbon monoxide.

(e) COORDINATION.—(1) The Secretary of Transportation shall establish requirements the Secretary considers appropriate to encourage chief executive officers and metropolitan planning organizations with responsibility for part of a multi-State metropolitan area to provide coordinated transportation planning for the entire area.

(2) Congress consents to at least 2 States making an agreement or compact, not in conflict with a law of the United States, for cooperative efforts and mutual assistance in support of activities authorized under this section related to interstate areas and localities in the States and establishing authorities the States consider desirable for making the agreements and compacts effective.

(3) If more than one metropolitan planning organization has authority in a metropolitan area or an area designated a nonattainment area for ozone or carbon monoxide under the Clean Air Act (42 U.S.C. 7401 et seq.), each organization shall consult with the other organizations designated for the area and the State to coordinate plans and projects required by this section and sections 5304–5306 of this title.

(4) The Secretary shall encourage each metropolitan planning organization to coordinate, to the maximum extent practicable, the

design and delivery of transportation services within the metropolitan planning area that are provided—

(A) by recipients of assistance under this chapter; and

(B) by governmental agencies and non-profit organizations (including representatives of the agencies and organizations) that receive Governmental¹ assistance from a source other than the Department of Transportation to provide non-emergency transportation services.

(5) COORDINATION.—If a project is located within the boundaries of more than 1 metropolitan planning organization, the metropolitan planning organizations shall coordinate plans regarding the project.

(6) LAKE TAHOE REGION.—

(A) DEFINITION.—In this paragraph, the term “Lake Tahoe region” has the meaning given the term “region” in subdivision (a) of article II of the Tahoe Regional Planning Compact, as set forth in the first section of Public Law 96–551 (94 Stat. 3234).

(B) TRANSPORTATION PLANNING PROCESS.—The Secretary shall—

(i) establish with the Federal land management agencies that have jurisdiction over land in the Lake Tahoe region a transportation planning process for the region; and

(ii) coordinate the transportation planning process with the planning process required of State and local governments under this chapter and sections 134 and 135 of title 23.

(C) INTERSTATE COMPACT.—

(i) IN GENERAL.—Subject to clause (ii) and notwithstanding subsection (b), to carry out the transportation planning process required by this section, the consent of Congress is granted to the States of California and Nevada to designate a metropolitan planning organization for the Lake Tahoe region, by agreement between the Governors of the States of California and Nevada and units of general purpose local government that together represent at least 75 percent of the affected population (including the central city or cities (as defined by the Bureau of the Census)), or in accordance with procedures established by applicable State or local law.

(ii) INVOLVEMENT OF FEDERAL LAND MANAGEMENT AGENCIES.—

(I) REPRESENTATION.—The policy board of a metropolitan planning organization designated under clause (i) shall include a representative of each Federal land management agency that has jurisdiction over land in the Lake Tahoe region.

(II) FUNDING.—In addition to funds made available to the metropolitan planning organization under other provisions of this chapter and

¹ So in original. Probably should be “governmental”.

under title 23, not more than 1 percent of the funds allocated under section 202 of title 23 may be used to carry out the transportation planning process for the Lake Tahoe region under this subparagraph.

(D) ACTIVITIES.—Highway projects included in transportation plans developed under this paragraph—

(i) shall be selected for funding in a manner that facilitates the participation of the Federal land management agencies that have jurisdiction over land in the Lake Tahoe region; and

(ii) may, in accordance with chapter 2 of title 23, be funded using funds allocated under section 202 of title 23.

(f) DEVELOPING LONG-RANGE TRANSPORTATION PLANS.—(1) Each metropolitan planning organization shall prepare and update periodically, according to a schedule the Secretary of Transportation decides is appropriate, a long-range plan¹ for its metropolitan area under the requirements of this section. The plan shall be in the form the Secretary considers appropriate and at least shall—

(A) identify transportation facilities (including major roadways, mass transportation, and multimodal and intermodal facilities) that should function as an integrated metropolitan transportation system, emphasizing transportation facilities that serve important national, regional, and metropolitan transportation functions;

(B) include a financial plan that—

(i) demonstrates how the long-range plan can be carried out;

(ii) indicates resources from public and private sources reasonably expected to be made available to carry out the plan; and

(iii) recommends any additional financing strategies for needed projects and programs;

(C) identify transportation strategies necessary—

(i) to ensure preservation, including requirements for management, operation, modernization, and rehabilitation, of the existing and future transportation system; and

(ii) to use existing transportation facilities most efficiently to relieve congestion, to efficiently serve the mobility needs of people and goods, and to enhance access within the metropolitan planning area;

(D) indicate appropriate proposed transportation enhancement activities; and

(E) the financial plan may include, for illustrative purposes, additional projects that would be included in the adopted long-range plan if reasonable additional resources beyond those identified in the financial plan were available, except that, for the purpose of developing the long-range plan, the metropolitan planning organization and the State shall coop-

¹Section 3004(e)(6) of Public Law 105-179 (112 Stat. 345) struck “long-range plans” and inserted “long-range transportation plans” each place it appears. There was no amendment made to strike “long-range plan” and insert long-range transportation plan” each place it appears.

eratively develop estimates of funds that will be available to support plan implementation.

(2) When formulating a long-range transportation plan, the metropolitan planning organization shall consider the factors described in subsection (b) of this section and any State or local goals developed within the cooperative metropolitan planning process as they relate to a 20-year forecast period and to other forecast periods as determined by the participants in the planning process.

(3) In a metropolitan area that is in a nonattainment area for ozone or carbon monoxide under the Clean Air Act (42 U.S.C. 7401 et seq.), the metropolitan planning organization shall coordinate the development of the long-range plan with the development of the transportation control measures of the State Implementation Plan required by the Act.

(4) Before approving a long-range plan, each metropolitan planning organization shall provide citizens, affected public agencies, representatives of mass transportation authority employees, freight shippers, providers of freight transportation services, private providers of transportation, representatives of users of public transit, and other interested parties with a reasonable opportunity to comment on the plan in a way the Secretary of Transportation considers appropriate.

(5) A long-range plan shall be—

(A) published or otherwise made readily available for public review; and

(B) submitted for information purposes to the chief executive officer of the State at the time and in the way the Secretary of Transportation establishes.

(6) SELECTION OF PROJECTS FROM ILLUSTRATIVE LIST.—Notwithstanding paragraph (1)(E), a State or metropolitan planning organization shall not be required to select any project from the illustrative list of additional projects included in the financial plan under paragraph (1)(B).

(g) GRANTS.—Under criteria the Secretary of Transportation establishes, the Secretary may make contracts for, and grants to, States, local governmental authorities, and authorities of the States and governmental authorities, or may make agreements with other departments, agencies, and instrumentalities of the Government, to plan, engineer, design, and evaluate a mass transportation project and for other technical studies, including—

(1) studies related to management, operations, capital requirements, and economic feasibility;

(2) evaluating previously financed projects; and

(3) other similar and related activities preliminary to and in preparation for constructing, acquiring, or improving the operation of facilities and equipment.

(h) BALANCED AND COMPREHENSIVE PLANNING.—(1) To the extent practicable, the Secretary of Transportation shall ensure that amounts made available under subsection (c) or (h)(1) of section 5338 of this title to carry out this section and sections 5304 and 5305 of this title are used to support balanced and comprehensive transportation planning that considers the relationships among land use and all transportation modes, without regard to the programmatic source of the planning amounts.

(2)(A) The Secretary of Transportation shall apportion 80 percent of the amount made available under subsection (c) or (h)(1) of section 5338 of this title to States in a ratio equal to the population in urbanized areas in each State divided by the total population in urbanized areas in all States, as shown by the latest available decennial census. A State may not receive less than .5 percent of the amount apportioned under this subparagraph.

(B) Amounts apportioned to a State under subparagraph (A) of this paragraph shall be allocated to metropolitan planning organizations in the State designated under this section under a formula—

(i) the State develops in cooperation with the metropolitan planning organizations;

(ii) the Secretary of Transportation approves; and

(iii) that considers population in urbanized areas and provides an appropriate distribution for urbanized areas to carry out the cooperative processes described in this section.

(C) A State shall make amounts available promptly to eligible metropolitan planning organizations according to procedures the Secretary of Transportation approves.

(3)(A) The Secretary of Transportation shall apportion 20 percent of the amount made available under subsection (c) or (h)(1) of section 5338 of this title to States to supplement allocations made under paragraph (2)(B) of this subsection for metropolitan planning organizations.

(B) Amounts under this paragraph shall be allocated under a formula that reflects the additional cost of carrying out planning, programming, and project selection responsibilities under this section and sections 5304–5306 of this title in those areas.

(4) To the maximum extent practicable, the Secretary of Transportation shall ensure that no metropolitan planning organization is allocated less than the amount it received by administrative formula under this section in the fiscal year that ended September 30, 1991. To carry out this subsection, the Secretary may make a proportionate reduction in other amounts made available to carry out subsection (c) or (h)(1) of section 5338 of this title.

(5) Amounts available for an activity under this subsection are for 80 percent of the cost of the activity unless the Secretary of Transportation decides it is in the interests of the Government not to require a State or local match.

(6) An amount apportioned under this subsection—

(A) remains available for 3 years after the fiscal year in which the amount is apportioned, and

(B) that is unobligated at the end of the 3-year period shall be reapportioned among the States for the next fiscal year.

§ 5304. Transportation improvement program

(a) DEVELOPMENT AND UPDATE.—

(1) IN GENERAL.—In cooperation with the State and affected mass transportation operators, a metropolitan planning organization designated for a metropolitan area shall develop a transportation improvement program for the area. In developing the program, the metropolitan planning organization, in cooperation with the chief executive officer of the State and

any affected mass transportation operator, shall provide citizens, affected public agencies, representatives of transportation authority employees, other affected employee representatives, freight shippers, providers of freight transportation services, other affected employee representatives, private providers of transportation, representatives of users of public transit, and other interested parties with a reasonable opportunity to comment on the proposed program. The program shall be updated at least once every 2 years and shall be approved by the organization and the chief executive officer of the State.

(2) FUNDING ESTIMATE.—For the purpose of developing the transportation improvement program, the metropolitan planning organization, public transit agency, and the State shall cooperatively develop estimates of funds that are reasonably expected to be available to support program implementation.

(b) CONTENTS.—A transportation improvement program for a metropolitan area shall include—

(1) a priority list of projects and parts of projects to be carried out in each 3-year period after the program is adopted; and

(2) a financial plan that—

(A) demonstrates how the program can be carried out;

(B) indicates resources from public and private sources that reasonably are expected to be made available to carry out the plan;

(C) identifies innovative financing techniques to finance projects, programs, and strategies; and¹

(D) may include, for illustrative purposes, additional projects that would be included in the approved transportation improvement program if reasonable additional resources beyond those identified in the financial plan were available.

(c) PROJECT SELECTION.—(1)¹ Except as otherwise provided in section 5305(d)(1) and in addition to the transportation improvement program development required under subsection (b), the selection of federally funded projects for implementation in metropolitan areas shall be carried out, from the approved transportation improvement program—

(A) by—

(i) in the case of projects under title 23, the State; and

(ii) in the case of projects under this chapter, the designated transit funding recipients; and

(B) in cooperation with the metropolitan planning organization.

(2)¹ A transportation improvement program for a metropolitan area shall include—

(A) projects within the area that are proposed for financing under this chapter and title 23 and that are consistent with

¹Section 3005(d)(2)(B) of the Transportation Equity Act for the 21st Century (P.L. 105–178) amended this subparagraph by striking “strategies which may include” and inserting “strategies; and” and added a new subparagraph (D). A comma probably should have been included between the words “strategies” and “which” in the matter to be struck. The amendment was executed to reflect the probable intent of Congress.

¹So in law.

the long-range plan developed under section 5303(f) of this title; and

(B) a project or an identified phase of a project only if full financing reasonably can be anticipated to be available for the project in the period estimated for completion.

(3)¹ Notwithstanding any other provision of law, action by the Secretary shall not be required to advance a project included in the approved transportation improvement program in place of another project in the program.

(4) SELECTION OF PROJECTS FROM ILLUSTRATIVE LIST.—

(A) IN GENERAL.—Notwithstanding subsection (b)(2)(D), a State or metropolitan planning organization shall not be required to select any project from the illustrative list of additional projects included in the financial plan under subsection (b)(2)(D).

(B) ACTION BY SECRETARY.—Action by the Secretary shall be required for a State or metropolitan planning organization to select any project from the illustrative list of additional projects included in the plan under subsection (b)(2) for inclusion in an approved transportation improvement plan.

(5) PUBLICATION.—(A) A transportation improvement program involving Government participation shall be published or otherwise made readily available by the metropolitan planning organization for public review.

(B) An annual listing of projects for which Government funds have been obligated in the preceding year shall be published or otherwise made available by the metropolitan planning organization for public review. The listing shall be consistent with the categories identified in the transportation improvement program.

(6)¹ Regionally significant projects proposed for funding under chapter 2 of title 23 shall be identified individually in the transportation improvement program. All other projects funded under chapter 2 of title 23 shall be grouped in 1 line item or identified individually in the transportation improvement program.

(d) NOTICE AND COMMENT.—Before approving a transportation improvement program, a metropolitan planning organization shall provide citizens, affected public agencies, representatives of transportation agency employees, private providers of transportation, and other interested parties with reasonable notice and an opportunity to comment on the proposed program.

(e) REGULATORY PROCEEDING.—Not later than June 18, 1992, the Secretary of Transportation shall begin a regulatory proceeding to conform review requirements for mass transportation projects under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) to comparable requirements under that Act applicable to highway projects. This section and sections 5303, 5305, and 5306 of this title do not affect the applicability of the Act to mass transportation or highway projects. A mass transportation project that has an approved draft Environmental Impact Statement is exempt from complying with requirements under the Act applicable to highway projects.

¹ So in law.

§ 5305. Transportation management areas

(a) DESIGNATION.—The Secretary of Transportation shall designate as a transportation management area—

(1) each urbanized area with a population of more than 200,000; and

(2) any other area, if requested by the chief executive officer and the metropolitan planning organization designated for the area.

(b) TRANSPORTATION PLANS AND PROGRAMS.—Transportation plans and programs in a transportation management area shall be based on a continuing and comprehensive transportation planning process the metropolitan planning organization carries out in cooperation with the State and affected mass transportation operators.

(c) CONGESTION MANAGEMENT SYSTEM.—The transportation planning process under sections 5303, 5304, and 5306 of this title in a transportation management area shall include a congestion management system providing for effective management, through travel demand reduction and operational management strategies, of new and existing transportation facilities eligible for financing under this chapter and title 23.

(d) PROJECT SELECTION.—(1)(A) All federally funded projects carried out within the boundaries of a transportation management area under title 23 (excluding projects carried out on the National Highway System and projects carried out under the bridge and interstate maintenance program) or under this chapter shall be selected from the approved transportation improvement program by the metropolitan planning organization designated for the area in consultation with the State and any affected public transit operator.

(B) Projects carried out within the boundaries of a transportation management area on the National Highway System and projects carried out within such boundaries under the bridge program or the interstate maintenance program shall be selected from the approved transportation improvement program by the State in cooperation with the metropolitan planning organization designated for the area.

(2)(A) A selection under this subsection must comply with the transportation improvement program for the area.

(B) A selection under paragraph (1)(A) of this subsection must comply with priorities established in the program.

(e) CERTIFICATION.—(1) At least once every 3 years, the Secretary shall ensure and certify that each metropolitan planning organization in each transportation management area is carrying out its responsibilities under applicable laws of the United States. The Secretary may make the certification only if the organization is complying with section 134 of title 23 and other applicable requirements of laws of the United States and the organization and chief executive officer have approved a transportation improvement program for the area.

(2)(A) If a metropolitan planning process is not certified, the Secretary may withhold not more than 20 percent of the appor-

tioned funds attributable to the transportation management area under this chapter and title 23.

(B) Any apportionments withheld under subparagraph (A) shall be restored to the metropolitan area at such time as the metropolitan planning organization is certified by the Secretary.

(3) The Secretary may not withhold certification based on the policies and criteria a metropolitan planning organization or mass transportation grant recipient establishes under section 5306(a) of this title for deciding the feasibility of private enterprise participation.

(4) In making certification determinations under this subsection, the Secretary shall provide for public involvement appropriate to the metropolitan area under review.

(f) **ADDITIONAL REQUIREMENTS FOR CERTAIN NONATTAINMENT AREAS.**—Government amounts may be made available for a mass transportation project resulting in a significant increase in carrying capacity for single occupant vehicles in a transportation management area classified as a nonattainment area for ozone or carbon monoxide under the Clean Air Act (42 U.S.C. 7401 et seq.) only if the project is part of an approved congestion management system.

(g) **AREAS NOT DESIGNATED TRANSPORTATION MANAGEMENT AREAS.**—(1) The Secretary may provide for the development of abbreviated metropolitan transportation plans and programs the Secretary decides are appropriate to carry out this section and sections 5303, 5304, and 5306 of this title for metropolitan areas not designated transportation management areas under this section. The Secretary shall consider the complexity of transportation problems in those areas, including transportation-related air quality problems.

(2) The Secretary may not provide an abbreviated plan or program for a metropolitan area in a nonattainment area for ozone or carbon monoxide under the Clean Air Act (42 U.S.C. 7401 et seq.).

(h) **CONTINUATION OF CURRENT REVIEW PRACTICE.**—Since plans and programs described in this section are subject to a reasonable opportunity for public comment, since individual projects included in the plans and programs are subject to review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.), and since decisions by the Secretary concerning plans and programs described in this section have not been reviewed under such Act as of January 1, 1997, any decision by the Secretary concerning a plan or program described in this section shall not be considered to be a Federal action subject to review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).

§ 5306. Private enterprise participation in metropolitan planning and transportation improvement programs and relationship to other limitations

(a) **PRIVATE ENTERPRISE PARTICIPATION.**—A plan or program required by section 5303, 5304, or 5305 of this title shall encourage to the maximum extent feasible the participation of private enterprise. If equipment or a facility already being used in an urban area is to be acquired under this chapter, the program shall provide that it be improved so that it will better serve the transportation needs of the area.

(b) RELATIONSHIP TO OTHER LIMITATIONS.—Sections 5303–5305 of this title do not authorize—

(1) a metropolitan planning organization to impose a legal requirement on a transportation facility, provider, or project not eligible under this chapter or title 23; and

(2) intervention in the management of a transportation authority.

§ 5307. Urbanized area formula grants

(a) DEFINITIONS.—In this section, the following definitions apply:

(1) ASSOCIATED CAPITAL MAINTENANCE ITEMS.—The term “associated capital maintenance items” means equipment, tires, tubes, and material, each costing at least .5 percent of the current fair market value of rolling stock comparable to the rolling stock for which the equipment, tires, tubes, and material are to be used.

(2) DESIGNATED RECIPIENT.—The term “designated recipient” means—

(A) a person designated, consistent with the planning process under sections 5303–5306 of this title, by the chief executive officer of a State, responsible local officials, and publicly owned operators of mass transportation to receive and apportion amounts under section 5336 of this title that are attributable to transportation management areas established under section 5305(a) of this title; or

(B) a State or regional authority if the authority is responsible under the laws of a State for a capital project and for financing and directly providing mass transportation.

(b) GENERAL AUTHORITY.—(1) The Secretary of Transportation may make grants under this section for capital projects and to finance the planning and improvement costs of equipment, facilities, and associated capital maintenance items for use in mass transportation, including the renovation and improvement of historic transportation facilities with related private investment. The Secretary may also make grants under this section to finance the operating cost of equipment and facilities for use in mass transportation in an urbanized area with a population of less than 200,000.

(2)¹ SPECIAL RULE FOR FISCAL YEAR 2003 AND FOR THE PERIOD OF OCTOBER 1, 2003, THROUGH APRIL 30, 2004.—

(A) INCREASED FLEXIBILITY.—The Secretary may make grants under this section, from funds made available to carry out this section for fiscal year 2003, and for the period of October 1, 2003, through April 30, 2004 to finance the operating cost of equipment and facilities for use in mass transportation in an urbanized area with a population of at least 200,000 as determined under the 2000 decennial census of population if—

(i) the urbanized area had a population of less than 200,000 as determined under the 1990 Federal decennial census of population;

¹ Margin so in law.

(ii) a portion of the urbanized area was a separate urbanized area with a population of less than 200,000 as determined under the 1990 Federal decennial census of population;

(iii) the area was not designated as a urbanized area as determined under the 1990 Federal decennial census of population; and

(iv) a portion of the area was not designated as an urbanized area as determined under the 1990 Federal decennial census and received assistance under section 5311 in fiscal year 2002.

(B) **MAXIMUM AMOUNTS.**—Amounts made available pursuant to subparagraphs (A)(i) and (A)(ii) shall be no more than the amount apportioned in fiscal year 2002 to the urbanized area with a population of less than 200,000 as determined in the 1990 Federal decennial census of population. Amounts made available pursuant to subparagraph (A)(iii) shall be no more than the amount apportioned under this section for fiscal year 2003. Each portion of an area not designated as an urbanized area under the 1990 Federal decennial census and eligible to receive funds under subparagraph (A)(iv) shall receive an amount of funds made available to carry out this section that is no less than the amount the portion of the area received under section 5311 in fiscal year 2002.

(3) In a transportation management area designated under section 5305(a) of this title, amounts that cannot be used to pay operating expenses under this section also are available for a highway project if—

(A) that use is approved, in writing, by the metropolitan planning organization under section 5303 of this title after appropriate notice and an opportunity for comment and appeal is provided to affected mass transportation providers;

(B) the Secretary decides the amounts are not needed for investment required by the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.); and

(C) the metropolitan planning organization in approving the use under subparagraph (A) determines that the local transit needs are being addressed.

(4) A project for the reconstruction of equipment and material, each of which after reconstruction will have a fair market value of at least .5 percent of the current fair market value of rolling stock comparable to the rolling stock for which the equipment and material will be used, is a capital project for an associated capital maintenance item under this section.

(c) **PUBLIC PARTICIPATION REQUIREMENTS.**—Each recipient of a grant shall—

(1) make available to the public information on amounts available to the recipient under this section and the program of projects the recipient proposes to undertake;

(2) develop, in consultation with interested parties, including private transportation providers, a proposed program of projects for activities to be financed;

(3) publish a proposed program of projects in a way that affected citizens, private transportation providers, and local elected officials have the opportunity to examine the proposed program and submit comments on the proposed program and the performance of the recipient;

(4) provide an opportunity for a public hearing in which to obtain the views of citizens on the proposed program of projects;

(5) ensure that the proposed program of projects provides for the coordination of mass transportation services assisted under section 5336 of this title with transportation services assisted from other United States Government sources;

(6) consider comments and views received, especially those of private transportation providers, in preparing the final program of projects; and

(7) make the final program of projects available to the public.

(d) GRANT RECIPIENT REQUIREMENTS.—A recipient may receive a grant in a fiscal year only if—

(1) the recipient, within the time the Secretary prescribes, submits a final program of projects prepared under subsection (c) of this section and a certification for that fiscal year that the recipient (including a person receiving amounts from a chief executive officer of a State under this section)—

(A) has or will have the legal, financial, and technical capacity to carry out the program;

(B) has or will have satisfactory continuing control over the use of equipment and facilities;

(C) will maintain equipment and facilities;

(D) will ensure that elderly and handicapped individuals, or an individual presenting a medicare card issued to that individual under title II or XVIII of the Social Security Act (42 U.S.C. 401 et seq., 1395 et seq.), will be charged during non-peak hours for transportation using or involving a facility or equipment of a project financed under this section not more than 50 percent of the peak hour fare;

(E) in carrying out a procurement under this section—

(i) will use competitive procurement (as defined or approved by the Secretary);

(ii) will not use a procurement that uses exclusionary or discriminatory specifications; and

(iii) will comply with applicable Buy America laws in carrying out a procurement;

(F) has complied with subsection (c) of this section;

(G) has available and will provide the required amounts as provided by subsection (e) of this section;

(H) will comply with sections 5301(a) and (d), 5303–5306, and 5310(a)–(d) of this title;

(I) has a locally developed process to solicit and consider public comment before raising a fare or carrying out a major reduction of transportation; and

(J)(i) will expend for each fiscal year for mass transportation security projects, including increased lighting in

or adjacent to a mass transportation system (including bus stops, subway stations, parking lots, and garages), increased camera surveillance of an area in or adjacent to that system, providing an emergency telephone line to contact law enforcement or security personnel in an area in or adjacent to that system, and any other project intended to increase the security and safety of an existing or planned mass transportation system, at least one percent of the amount the recipient receives for each fiscal year under section 5336 of this title; or

(ii) has decided that the expenditure for security projects is not necessary; and

(2) the Secretary accepts the certification.

(e) GOVERNMENT'S SHARE OF COSTS.—A grant of the Government for a capital project (including associated capital maintenance items) under this section is for 80 percent of the net project cost of the project. A recipient may provide additional local matching amounts. A grant for operating expenses may not be more than 50 percent of the net project cost of the project. The remainder of the net project cost shall be provided in cash from sources other than amounts of the Government or revenues from providing mass transportation (excluding revenues derived from the sale of advertising and concessions that are more than the amount of those revenues in the fiscal year that ended September 30, 1985). Transit system amounts that make up the remainder shall be from an undistributed cash surplus, a replacement or depreciation cash fund or reserve, or new capital.

(f) STATEWIDE OPERATING ASSISTANCE.—(1) A State authority that is a designated recipient and providing mass transportation in at least 2 urbanized areas may apply for operating assistance in an amount not more than the amount for all urbanized areas in which it provides transportation.

(2) When approving an application under paragraph (1) of this subsection, the Secretary may not reduce the amount of operating assistance approved for another State or a local transportation authority within the affected urbanized areas.

(g) UNDERTAKING PROJECTS IN ADVANCE.—(1) When a recipient obligates all amounts apportioned to it under section 5336 of this title and then carries out a part of a project described in this section (except a project for operating expenses) without amounts of the Government and according to all applicable procedures and requirements (except to the extent the procedures and requirements limit a State to carrying out a project with amounts of the Government previously apportioned to it), the Secretary may pay to the recipient the Government's share of the cost of carrying out that part when additional amounts are apportioned to the recipient under section 5336 if—

(A) the recipient applies for the payment;

(B) the Secretary approves the payment; and

(C) before carrying out that part, the Secretary approves the plans and specifications for the part in the same way as for other projects under this section.

(2) The Secretary may approve an application under paragraph (1) of this subsection only if an authorization for this section is in

effect for the fiscal year to which the application applies. The Secretary may not approve an application if the payment will be more than—

(A) the recipient's expected apportionment under section 5336 of this title if the total amount authorized to be appropriated for the fiscal year to carry out this section is appropriated; less

(B) the maximum amount of the apportionment that may be made available for projects for operating expenses under this section.

(3) The cost of carrying out that part of a project includes the amount of interest earned and payable on bonds issued by the recipient to the extent proceeds of the bonds are expended in carrying out the part. However, the amount of interest allowed under this paragraph may not be more than the most favorable financing terms reasonably available for the project at the time of borrowing. The applicant shall certify, in a manner satisfactory to the Secretary, that the applicant has shown reasonable diligence in seeking the most favorable financing terms.

(4) The Secretary shall consider changes in capital project cost indices when determining the estimated cost under paragraph (3) of this subsection.

(h) STREAMLINED ADMINISTRATIVE PROCEDURES.—The Secretary shall prescribe streamlined administrative procedures for complying with the certification requirement under subsection (d)(1)(B) and (C) of this section for track and signal equipment used in existing operations.

(i) REVIEWS, AUDITS, AND EVALUATIONS.—(1)(A) At least annually, the Secretary shall carry out, or require a recipient to have carried out independently, reviews and audits the Secretary considers appropriate to establish whether the recipient has carried out—

(i) the activities proposed under subsection (d) of this section in a timely and effective way and can continue to do so; and

(ii) those activities and its certifications and has used amounts of the Government in the way required by law.

(B) An audit of the use of amounts of the Government shall comply with the auditing procedures of the Comptroller General.

(2) At least once every 3 years, the Secretary shall review and evaluate completely the performance of a recipient in carrying out the recipient's program, specifically referring to compliance with statutory and administrative requirements and the extent to which actual program activities are consistent with the activities proposed under subsection (d) of this section and the planning process required under sections 5303–5306 of this title. To the extent practicable, the Secretary shall coordinate such reviews with any related State or local reviews.

(3) The Secretary may take appropriate action consistent with a review, audit, and evaluation under this subsection, including making an appropriate adjustment in the amount of a grant or withdrawing the grant.

(j) REPORTS.—A recipient (including a person receiving amounts from a chief executive officer of a State under this section)

shall submit annually to the Secretary a report on the revenues the recipient derives from the sale of advertising and concessions.

(k) TRANSIT ENHANCEMENT ACTIVITIES.—

(1) IN GENERAL.—One percent of the funds apportioned to urbanized areas with a population of at least 200,000 under section 5336 for a fiscal year shall be made available for transit enhancement activities in accordance with section 5302(a)(15).

(2) PERIOD OF AVAILABILITY.—Funds apportioned under paragraph (1) shall be available for obligation for 3 years following the fiscal year in which the funds are apportioned. Funds that are not obligated at the end of such period shall be reapportioned under the urbanized area formula program of section 5336.

(3) REPORT.—A recipient of funds apportioned under paragraph (1) shall submit, as part of the recipient's annual certification to the Secretary, a report listing the projects carried out during the preceding fiscal year with those funds.

(l) PROCUREMENT SYSTEM APPROVAL.—A recipient may request the Secretary to approve its procurement system. The Secretary shall approve the system for use for procurements financed under section 5336 of this title if, after consulting with the Administrator for Federal Procurement Policy, the Secretary decides the system provides for competitive procurement. Approval of a system under this subsection does not relieve a recipient of the duty to certify under subsection (d)(1)(E) of this section.

(m) OPERATING FERRIES OUTSIDE URBANIZED AREAS.—A vessel used in ferryboat operations financed under section 5336 of this title that is part of a State-operated ferry system may be operated occasionally outside the urbanized area in which service is provided to accommodate periodic maintenance if existing ferry service is not reduced significantly by operating outside the area.

(n) RELATIONSHIP TO OTHER LAWS.—(1) Section 1001 of title 18 applies to a certificate or submission under this section. The Secretary may end a grant under this section and seek reimbursement, directly or by offsetting amounts available under section 5336 of this title, when a false or fraudulent statement or related act within the meaning of section 1001 is made in connection with a certification or submission.

(2) Sections 5302, 5318, 5319, 5323(a)(1), (d), and (f), 5332, and 5333 of this title apply to this section and to a grant made under this section. Except as provided in this section, no other provision of this chapter applies to this section or to a grant made under this section.

§ 5308. Clean fuels formula grant program

(a) DEFINITIONS.—In this section—

(1) the term “clean fuel vehicle” means a vehicle that—

(A) is powered by—

- (i) compressed natural gas;
- (ii) liquefied natural gas;
- (iii) biodiesel fuels;
- (iv) batteries;
- (v) alcohol-based fuels;

- (vi) hybrid electric;
 - (vii) fuel cell;
 - (viii) clean diesel, to the extent allowed under this section; or
 - (ix) other low or zero emissions technology; and
- (B) the Administrator of the Environmental Protection Agency has certified sufficiently reduces harmful emissions;
- (2) the term “designated recipient” has the same meaning as in section 5307(a)(2); and
- (3) the term “eligible project”—
- (A) means a project for—
 - (i) purchasing or leasing clean fuel buses, including buses that employ a lightweight composite primary structure;
 - (ii) constructing or leasing clean fuel buses or electrical recharging facilities and related equipment;
 - (iii) improving existing mass transportation facilities to accommodate clean fuel buses;
 - (iv) repowering pre-1993 engines with clean fuel technology that meets the current urban bus emission standards; or
 - (v) retrofitting or rebuilding pre-1993 engines if before half life to rebuild; and
 - (B) in the discretion of the Secretary, may include projects relating to clean fuel, biodiesel, hybrid electric, or zero emissions technology vehicles that exhibit equivalent or superior emissions reductions to existing clean fuel or hybrid electric technologies.
- (b) **AUTHORITY.**—The Secretary shall make grants in accordance with this section to designated recipients to finance eligible projects.
- (c) **APPLICATION.**—
- (1) **IN GENERAL.**—Not later than January 1 of each year, any designated recipient seeking to apply for a grant under this section for an eligible project shall submit an application to the Secretary, in such form and in accordance with such requirements as the Secretary shall establish by regulation.
 - (2) **CERTIFICATION REQUIRED.**—An application submitted under paragraph (1) shall contain a certification by the applicant that the grantee will operate vehicles purchased with a grant under this section only with clean fuels.
- (d) **APPORTIONMENT OF FUNDS.**—
- (1) **FORMULA.**—Not later than February 1 of each year, the Secretary shall apportion amounts made available to carry out this section to designated recipients submitting applications under subsection (c), of which—
 - (A) two-thirds shall be apportioned to designated recipients with eligible projects in urban areas with a population of at least 1,000,000, of which—
 - (i) 50 percent shall be apportioned, such that each such designated recipient receives a grant in an amount equal to the ratio between—

(I) the number of vehicles in the bus fleet of the eligible project of the designated recipient, weighted by severity of nonattainment for the area in which the eligible project is located, as provided in paragraph (2); and

(II) the total number of vehicles in the bus fleets of all eligible projects in areas with a population of at least 1,000,000 funded under this section, weighted by severity of nonattainment for all areas in which those eligible projects are located, as provided in paragraph (2); and

(ii) 50 percent shall be apportioned, such that each such designated recipient receives a grant in an amount equal to the ratio between—

(I) the number of bus passenger miles (as that term is defined in section 5336(c)) of the eligible project of the designated recipient, weighted by severity of nonattainment of the area in which the eligible project is located, as provided in paragraph (2); and

(II) the total number of bus passenger miles of all eligible projects in areas with a population of at least 1,000,000 funded under this section, weighted by severity of nonattainment of all areas in which those eligible projects are located, as provided in paragraph (2); and

(B) one-third shall be apportioned to designated recipients with eligible projects in urban areas with a population of less than 1,000,000, of which—

(i) 50 percent shall be apportioned, such that each such designated recipient receives a grant in an amount equal to the ratio between—

(I) the number of vehicles in the bus fleet of the eligible project of the designated recipient, weighted by severity of nonattainment for the area in which the eligible project is located, as provided in paragraph (2); and

(II) the total number of vehicles in the bus fleets of all eligible projects in areas with a population of less than 1,000,000 funded under this section, weighted by severity of nonattainment for all areas in which those eligible projects are located, as provided in paragraph (2); and

(ii) 50 percent shall be apportioned, such that each such designated recipient receives a grant in an amount equal to the ratio between—

(I) the number of bus passenger miles (as that term is defined in section 5336(c)) of the eligible project of the designated recipient, weighted by severity of nonattainment of the area in which the eligible project is located, as provided in paragraph (2); and

(II) the total number of bus passenger miles of all eligible projects in areas with a population

of less than 1,000,000 funded under this section, weighted by severity of nonattainment of all areas in which those eligible projects are located, as provided in paragraph (2).

(2) WEIGHTING OF SEVERITY OF NONATTAINMENT.—

(A) IN GENERAL.—For purposes of paragraph (1), subject to subparagraph (B) of this paragraph, the number of clean fuel vehicles in the fleet, or the number of passenger miles, shall be multiplied by a factor of—

(i) 1.0 if, at the time of the apportionment, the area is a maintenance area (as that term is defined in section 101 of title 23) for ozone or carbon monoxide;

(ii) 1.1 if, at the time of the apportionment, the area is classified as—

(I) a marginal ozone nonattainment area under subpart 2 of part D of title I of the Clean Air Act (42 U.S.C. 7511 et seq.); or

(II) a marginal carbon monoxide nonattainment area under subpart 3 of part D of title I of the Clean Air Act (42 U.S.C. 7512 et seq.);

(iii) 1.2 if, at the time of the apportionment, the area is classified as—

(I) a moderate ozone nonattainment area under subpart 2 of part D of title I of the Clean Air Act (42 U.S.C. 7511 et seq.); or

(II) a moderate carbon monoxide nonattainment area under subpart 3 of part D of title I of the Clean Air Act (42 U.S.C. 7512 et seq.);

(iv) 1.3 if, at the time of the apportionment, the area is classified as—

(I) a serious ozone nonattainment area under subpart 2 of part D of title I of the Clean Air Act (42 U.S.C. 7511 et seq.); or

(II) a serious carbon monoxide nonattainment area under subpart 3 of part D of title I of the Clean Air Act (42 U.S.C. 7512 et seq.);

(v) 1.4 if, at the time of the apportionment, the area is classified as—

(I) a severe ozone nonattainment area under subpart 2 of part D of title I of the Clean Air Act (42 U.S.C. 7511 et seq.); or

(II) a severe carbon monoxide nonattainment area under subpart 3 of part D of title I of the Clean Air Act (42 U.S.C. 7512 et seq.); or

(vi) 1.5 if, at the time of the apportionment, the area is classified as—

(I) an extreme ozone nonattainment area under subpart 2 of part D of title I of the Clean Air Act (42 U.S.C. 7511 et seq.); or

(II) an extreme carbon monoxide nonattainment area under subpart 3 of part D of title I of the Clean Air Act (42 U.S.C. 7512 et seq.).

(B) ADDITIONAL ADJUSTMENT FOR CARBON MONOXIDE AREAS.—If, in addition to being classified as a nonattain-

ment or maintenance area (as that term is defined in section 101 of title 23) for ozone under subpart 2 of part D of title I of the Clean Air Act (42 U.S.C. 7511 et seq.), the area was also classified under subpart 3 of part D of title I of that Act (42 U.S.C. 7512 et seq.) as a nonattainment area for carbon monoxide, the weighted nonattainment or maintenance area fleet and passenger miles for the eligible project, as calculated under subparagraph (A), shall be further multiplied by a factor of 1.2.

(3) MAXIMUM GRANT AMOUNT.—

(A) IN GENERAL.—The amount of a grant made to a designated recipient under this section shall not exceed the lesser of—

(i) for an eligible project in an area—

(I) with a population of less than 1,000,000, \$15,000,000; and

(II) with a population of at least 1,000,000, \$25,000,000; or

(ii) 80 percent of the total cost of the eligible project.

(B) REAPPORTIONMENT.—Any amounts that would otherwise be apportioned to a designated recipient under this subsection that exceed the amount described in subparagraph (A) shall be reapportioned among other designated recipients in accordance with paragraph (1).

(e) ADDITIONAL REQUIREMENTS.—

(1) LIMITATION ON USES.—Not less than 5 percent of the amount made available by or appropriated under section 5338 in each fiscal year to carry out this section shall be available for any eligible projects for which an application is received from a designated recipient, for—

(A) the purchase or construction of hybrid electric or battery-powered buses; or

(B) facilities specifically designed to service those buses.

(2) CLEAN DIESEL BUSES.—Not more than 35 percent of the amount made available by or appropriated under section 5338 in each fiscal year to carry out this section may be made available to fund clean diesel buses.

(3) BUS RETROFITTING AND REPLACEMENT.—Not more than 5 percent of the amount made available by or appropriated under section 5338 in each fiscal year to carry out this section may be made available to fund retrofitting or replacement of the engines of buses that do not meet the clean air standards of the Environmental Protection Agency, as in effect on the date on which the application for such retrofitting or replacement is submitted under subsection (c)(1).

(f) AVAILABILITY OF FUNDS.—Any amount made available or appropriated under this section—

(1) shall remain available to a project for 1 year after the fiscal year for which the amount is made available or appropriated; and

(2) that remains unobligated at the end of the period described in paragraph (1), shall be added to the amount made available in the following fiscal year.

§ 5309. Capital investment grants and loans

(a) GENERAL AUTHORITY.—(1) The Secretary of Transportation may make grants and loans under this section to assist State and local governmental authorities in financing—

(A) capital projects for new fixed guideway systems, and extensions to existing fixed guideway systems, including the acquisition of real property, the initial acquisition of rolling stock for the systems, alternatives analysis related to the development of the systems, and the acquisition of rights of way, and relocation, for fixed guideway corridor development for projects in the advanced stages of alternatives analysis or preliminary engineering;

(B) capital projects, including property and improvements (except public highways other than fixed guideway facilities), needed for an efficient and coordinated mass transportation system;

(C) the capital costs of coordinating mass transportation with other transportation;

(D) the introduction of new technology, through innovative and improved products, into mass transportation;

(E) capital projects to modernize existing fixed guideway systems;

(F) capital projects to replace, rehabilitate, and purchase buses and related equipment and to construct bus-related facilities;

(G) mass transportation projects planned, designed, and carried out to meet the special needs of elderly individuals and individuals with disabilities; and

(H) the development of corridors to support fixed guideway systems, including protecting rights of way through acquisition, construction of dedicated bus and high occupancy vehicle lanes and park and ride lots, and other nonvehicular capital improvements that the Secretary may decide would result in increased mass transportation usage in the corridor.

(2) The Secretary of Transportation shall require that all grants and loans under this subsection be subject to all terms, conditions, requirements, and provisions the Secretary decides are necessary or appropriate for the purposes of this section, including requirements for the disposition of net increases in value of real property resulting from the project assisted under this section.

(b) LOANS FOR REAL PROPERTY INTERESTS.—(1) The Secretary of Transportation may make loans under this section to State and local governmental authorities to acquire interests in real property for use on urban mass transportation systems as rights of way, station sites, and related purposes, including reconstruction, renovation, the net cost of property management, and relocation payments made under section 5324(a) of this title.

(2) The Secretary of Transportation may make a loan under paragraph (1) of this subsection for an approved project only after finding that the property reasonably is expected to be required for

a mass transportation system and that it will be used for that system within a reasonable time.

(3) An applicant for a loan under this subsection shall provide a copy of the application to the planning agency for the community affected by the project at the same time the application is submitted to the Secretary of Transportation. If the planning agency submits comments to the Secretary not later than 30 days after the application is submitted, or, if the agency requests more time within those 30 days, within a period the Secretary establishes, the Secretary shall consider those comments before taking final action on the application.

(4) A loan agreement under this subsection shall provide that a capital project on the property will be started not later than 10 years after the fiscal year in which the agreement is made. If an interest in property acquired under this subsection is not used for the purpose for which it was acquired, an appraisal of the current value of the property or interest shall be made when a decision is made about the use. The decision shall be made within the 10-year period. Two-thirds of the increase in value shall be paid to the Secretary of Transportation for deposit in the Treasury as miscellaneous receipts.

(5) A loan under this subsection must be repaid not later than 10 years after the date of the loan agreement or on the date a grant agreement for a capital project on the property is made, whichever is earlier. Payments made to repay the loan shall be deposited in the Treasury as miscellaneous receipts.

(c) [Reserved.]

(d) PROJECT AS PART OF APPROVED PROGRAM OF PROJECTS.—Except as provided in subsections (b)(2) and (e) of this section, the Secretary of Transportation may approve a grant or loan for a project under this section only after finding that the project is part of the approved program of projects required under sections 5303–5306 of this title and that an applicant—

(1) has or will have the legal, financial, and technical capacity to carry out the project, satisfactory continuing control over the use of equipment or facilities, and the capability to maintain the equipment or facilities; and

(2) will maintain the equipment or facilities.

(e) CRITERIA FOR GRANTS AND LOANS FOR FIXED GUIDEWAY SYSTEMS.—

(1) IN GENERAL.—The Secretary may approve a grant or loan under this section for a capital project for a new fixed guideway system or extension of an existing fixed guideway system only if the Secretary determines that the proposed project is—

(A) based on the results of an alternatives analysis and preliminary engineering;

(B) justified based on a comprehensive review of its mobility improvements, environmental benefits, cost effectiveness, and operating efficiencies; and

(C) supported by an acceptable degree of local financial commitment, including evidence of stable and dependable financing sources to construct, maintain, and operate the system or extension.

(2) ALTERNATIVES ANALYSIS AND PRELIMINARY ENGINEERING.—In evaluating a project under paragraph (1)(A), the Secretary shall analyze and consider the results of the alternatives analysis and preliminary engineering for the project.

(3) PROJECT JUSTIFICATION.—In evaluating a project under paragraph (1)(B), the Secretary shall—

(A) consider the direct and indirect costs of relevant alternatives;

(B) consider factors such as congestion relief, improved mobility, air pollution, noise pollution, energy consumption, and all associated ancillary and mitigation costs necessary to carry out each alternative analyzed, and recognize reductions in local infrastructure costs achieved through compact land use development;

(C) identify and consider mass transportation supportive existing land use policies and future patterns, and the cost of suburban sprawl;

(D) consider the degree to which the project increases the mobility of the mass transportation dependent population or promotes economic development;

(E) consider population density and current transit ridership in the corridor;

(F) consider the technical capability of the grant recipient to construct the project;

(G) adjust the project justification to reflect differences in local land, construction, and operating costs; and

(H) consider other factors that the Secretary determines appropriate to carry out this chapter.

(4) LOCAL FINANCIAL COMMITMENT.—

(A) EVALUATION OF PROJECT.—In evaluating a project under paragraph (1)(C), the Secretary shall require that—

(i) the proposed project plan provides for the availability of contingency amounts that the Secretary determines to be reasonable to cover unanticipated cost increases;

(ii) each proposed local source of capital and operating financing is stable, reliable, and available within the proposed project timetable; and

(iii) local resources are available to operate the overall proposed mass transportation system (including essential feeder bus and other services necessary to achieve the projected ridership levels) without requiring a reduction in existing mass transportation services to operate the proposed project.

(B) CONSIDERATIONS.—In assessing the stability, reliability, and availability of proposed sources of local financing under subparagraph (A), the Secretary shall consider—

(i) existing grant commitments;

(ii) the degree to which financing sources are dedicated to the purposes proposed;

(iii) any debt obligation that exists or is proposed by the recipient for the proposed project or other mass transportation purpose; and

(iv) the extent to which the project has a local financial commitment that exceeds the required non-Federal share of the cost of the project.

(5) REGULATIONS.—Not later than 120 days after the date of enactment of the Federal Transit Act of 1998, the Secretary shall issue regulations on the manner in which the Secretary will evaluate and rate the projects based on the results of alternatives analysis, project justification, and the degree of local financial commitment, as required under this subsection.

(6) PROJECT EVALUATION AND RATING.—A proposed project may advance from alternatives analysis to preliminary engineering, and may advance from preliminary engineering to final design and construction, only if the Secretary finds that the project meets the requirements of this section and there is a reasonable likelihood that the project will continue to meet such requirements. In making such findings, the Secretary shall evaluate and rate the project as “highly recommended”, “recommended”, or “not recommended”, based on the results of alternatives analysis, the project justification criteria, and the degree of local financial commitment, as required under this subsection. In rating the projects, the Secretary shall provide, in addition to the overall project rating, individual ratings for each of the criteria established under the regulations issued under paragraph (5).

(7) FULL FUNDING GRANT AGREEMENT.—A project financed under this subsection shall be carried out through a full funding grant agreement. The Secretary shall enter into a full funding grant agreement based on the evaluations and ratings required under this subsection. The Secretary shall not enter into a full funding grant agreement for a project unless that project is authorized for final design and construction.

(8) LIMITATIONS ON APPLICABILITY.—

(A) PROJECTS WITH A SECTION 5309 FEDERAL SHARE OF LESS THAN \$25,000,000.—A project for a new fixed guideway system or extension of an existing fixed guideway system is not subject to the requirements of this subsection, and the simultaneous evaluation of similar projects in at least 2 corridors in a metropolitan area may not be limited, if the assistance provided under this section with respect to the project is less than \$25,000,000.

(B) PROJECTS IN NONATTAINMENT AREAS.—The simultaneous evaluation of projects in at least 2 corridors in a metropolitan area may not be limited and the Secretary shall make decisions under this subsection with expedited procedures that will promote carrying out an approved State Implementation Plan in a timely way if a project is—

- (i) located in a nonattainment area;
- (ii) a transportation control measure (as defined by the Clean Air Act (42 U.S.C. 7401 et seq.)); and
- (iii) required to carry out the State Implementation Plan.

(C) PROJECTS FINANCED WITH HIGHWAY FUNDS.—This subsection does not apply to a part of a project financed

completely with amounts made available from the Highway Trust Fund (other than the Mass Transit Account).

(D) PREVIOUSLY ISSUED LETTER OF INTENT OR FULL FUNDING GRANT AGREEMENT.—This subsection does not apply to projects for which the Secretary has issued a letter of intent or entered into a full funding grant agreement before the date of enactment of the Federal Transit Act of 1998.

(f) [Reserved.]

(g) LETTERS OF INTENT, FULL FUNDING¹ GRANT AGREEMENTS, AND EARLY SYSTEMS WORK AGREEMENTS.—(1)(A) The Secretary of Transportation may issue a letter of intent to an applicant announcing an intention to obligate, for a project under this section, an amount from future available budget authority specified in law that is not more than the amount stipulated as the financial participation of the Secretary in the project. The amount shall be sufficient to complete at least an operable segment when a letter is issued for a fixed guideway project.

(B) At least 60 days before issuing a letter under subparagraph (A) of this paragraph or entering into a full funding grant agreement, the Secretary of Transportation shall notify in writing the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate and the House and Senate Committees on Appropriations of the proposed letter or agreement. The Secretary shall include with the notification a copy of the proposed letter or agreement as well as the evaluations and ratings for the project.

(C) The issuance of a letter is deemed not to be an obligation under sections 1108(c) and (d), 1501, and 1502(a) of title 31 or an administrative commitment.

(D) An obligation or administrative commitment may be made only when amounts are appropriated.

(2)(A) The Secretary of Transportation may make a full funding grant agreement with an applicant. The agreement shall—

(i) establish the terms of participation by the United States Government in a project under this section;

(ii) establish the maximum amount of Government financial assistance for the project;

(iii) cover the period of time for completing the project, including a period extending beyond the period of an authorization; and

(iv) make timely and efficient management of the project easier according to the law of the United States.

(B) An agreement under this paragraph obligates an amount of available budget authority specified in law and may include a commitment, contingent on amounts to be specified in law in advance for commitments under this paragraph, to obligate an additional amount from future available budget authority specified in law. The agreement shall state that the contingent commitment is not an obligation of the Government. Interest and other financing

¹Section 3009(f)(1) of the Transportation Equity Act for the 21st Century (P.L. 105–178) amended this subsection heading by striking “FINANCING” and inserting “FUNDING”. The amendment was executed to reflect the intent of Congress.

costs of efficiently carrying out a part of the project within a reasonable time are a cost of carrying out the project under a full funding grant agreement, except that eligible costs may not be more than the cost of the most favorable financing terms reasonably available for the project at the time of borrowing. The applicant shall certify, in a way satisfactory to the Secretary of Transportation, that the applicant has shown reasonable diligence in seeking the most favorable financing terms. The amount stipulated in an agreement under this paragraph for a fixed guideway project shall be sufficient to complete at least an operable segment.

(3)(A) The Secretary of Transportation may make an early systems work agreement with an applicant if a record of decision under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) has been issued on the project and the Secretary finds there is reason to believe—

(i) a full funding grant agreement for the project will be made; and

(ii) the terms of the work agreement will promote ultimate completion of the project more rapidly and at less cost.

(B) A work agreement under this paragraph obligates an amount of available budget authority specified in law and shall provide for reimbursement of preliminary costs of carrying out the project, including land acquisition, timely procurement of system elements for which specifications are decided, and other activities the Secretary of Transportation decides are appropriate to make efficient, long-term project management easier. A work agreement shall cover the period of time the Secretary considers appropriate. The period may extend beyond the period of current authorization. Interest and other financing costs of efficiently carrying out the work agreement within a reasonable time are a cost of carrying out the agreement, except that eligible costs may not be more than the cost of the most favorable financing terms reasonably available for the project at the time of borrowing. The applicant shall certify, in a way satisfactory to the Secretary, that the applicant has shown reasonable diligence in seeking the most favorable financing terms. If an applicant does not carry out the project for reasons within the control of the applicant, the applicant shall repay all Government payments made under the work agreement plus reasonable interest and penalty charges the Secretary establishes in the agreement.

(4)(A) The total estimated amount of future obligations of the Government and contingent commitments to incur obligations covered by all outstanding letters of intent, full funding grant agreements, and early systems work agreements may be not more than the greater of the amount authorized under section 5338(b) of this title for new fixed guideway systems and extensions to existing fixed guideway systems and the amount appropriated under section 5338(h)(5) or an amount equivalent to the last 2 fiscal years of funding authorized under section 5338(b) for new fixed guideway systems and extensions to existing fixed guideway systems, less an amount the Secretary of Transportation reasonably estimates is necessary for grants under this section not covered by a letter. The total amount covered by new letters and contingent commitments included in full funding grant agreements and early systems work agreements may be not more than a limitation specified in law.

(B)¹ For fiscal year 2001 and thereafter, the amount equivalent to the last 2 fiscal years of funding authorized under section 5338(b) for new fixed guideway systems and extensions to existing fixed guideway systems referred to in subparagraph (A) shall be the amount equivalent to the last 3 fiscal years of such authorized funding.

(C)¹ Any increase in the total estimated amount of future obligations of the Government and contingent commitments to incur obligations covered by all outstanding letters of intent, full funding grant agreements, and early systems work agreements as a result of application of subparagraph (B) instead of subparagraph (A) shall be available as follows:

(1)¹ \$269,100,000 for the Chicago, Illinois Metra commuter rail project, that consists of the following elements: the Kane County extension; the North Central double-tracking project; and the Southwest corridor extension.

(2)¹ \$565,600,000 for the Chicago Transit Authority project that consists of the following elements: Ravenswood Branch station and line improvements and the Douglas Branch reconstruction project.

(3)¹ For new fixed guideways and extensions to existing fixed guideway systems other than for projects referred to in paragraphs (1) and (2); except that for fiscal year 2001, such increase under this paragraph shall not be available for allocation by the department or for making future obligations of the Government and contingent commitments until April 1, 2001.

(D)¹ Of the amount that would be available under subparagraph (A) if subparagraph (B) were not in effect and would have otherwise been allocated by the Federal Transit Administration to those projects referred to in subparagraphs (C)(1) and (C)(2) shall be available as follows:

(1)¹ \$60,000,000 for the Minneapolis Hiawatha corridor light rail project, which shall be in addition to amounts otherwise allocated under subparagraph (A), for a total of \$334,300,000.

(2)¹ \$217,800,000 for the Dulles corridor bus rapid transit project, that consists of a rail extension from the West Falls Church metrorail station to Tysons Corner, Virginia and bus rapid transit from Tysons Corner to the Dulles International Airport.

(E)¹ Any amount that would be available under subparagraph (A) if subparagraph (B) were not in effect and would have otherwise been allocated by the Federal Transit Administration to those projects referred to in subparagraphs (C)(1) and (C)(2), shall not be available for allocation by the department or for making future obligations of the Government and contingent commitments until April 1, 2001, except for those projects referred to in subparagraph (D)(1) and (D)(2).

(F)¹ Future obligations of the Government and contingent commitments made against the contingent commitment authority under section 3032(g)(2) of the Intermodal Surface

¹ Margins so in law.

Transportation Efficiency Act of 1991 for the San Francisco BART to the Airport project for fiscal years 2002, 2003, 2004, 2005 and 2006 shall be charged against section 3032(g)(2) of the Intermodal Surface Transportation Efficiency Act of 1991.

(G)¹ Any amount that would be available under subparagraph (A) if subparagraph (F) were not in effect and would otherwise have been allocated by the Federal Transit Administration to the project in subparagraph (F) shall not be available for allocation by the department or for making future obligations of the Government and contingent commitments until April 1, 2001.

(h) GOVERNMENT'S SHARE OF NET PROJECT COST.—Based on engineering studies, studies of economic feasibility, and information on the expected use of equipment or facilities, the Secretary of Transportation shall estimate the net project cost. A grant for the project is for 80 percent of the net project cost, unless the grant recipient requests a lower grant percentage. The remainder shall be provided in cash from a source other than amounts of the Government. Transit system amounts that make up the remainder must be from an undistributed cash surplus, a replacement or depreciation cash fund or reserve, or new capital. The remainder for a planned extension to a fixed guideway system may include the cost of rolling stock previously purchased if the applicant satisfies the Secretary that only amounts other than amounts of the Government were used and that the purchase was made for use on the extension. A refund or reduction of the remainder may be made only if a refund of a proportional amount of the grant of the Government is made at the same time.

(i) LOAN TERM REQUIREMENTS.—Except for a loan under subsection (b) of this section, a loan, including a renewal or extension of the loan, may be made, and a security or obligation may be bought, only if it has a maturity date of not more than 40 years. Interest on a loan may not be less than—

(1) a rate the Secretary of the Treasury establishes, considering the current average yield on outstanding marketable obligations of the Government that have remaining periods of maturity comparable to the average maturity of the loan, adjusted to the nearest .125 percent; plus

(2) an allowance the Secretary of Transportation considers adequate to cover administrative costs and probable losses.

(j) LOAN PAYMENT FORGIVENESS.—A grant agreement for a capital project may forgive repaying the loan and interest in place of a cash grant for the amount forgiven. The amount is part of the grant and part of the contribution of the Government to the cost of the project.

(k) LIMITATION ON MAKING LOANS AND GRANTS FOR PROJECTS.—The Secretary of Transportation may not make a loan under this section for a project for which a grant (except a relocation payment grant) is made under this section. However, the Secretary may make a project grant even though real property for the project has been or will be acquired through a loan under subsection (b) of this section.

(l) FISCAL CAPACITY CONSIDERATIONS.—If the Secretary of Transportation gives priority consideration to financing projects

that include more than the non-Government share required under subsection (h) of this section, the Secretary shall give equal consideration to differences in the fiscal capacity of State and local governments.

(m) ALLOCATING AMOUNTS.—

(1) IN GENERAL.—Of the amounts made available by or appropriated under section 5338(b) for grants and loans under this section for each of fiscal years 1998 through 2003 and for the period of October 1, 2003, through April 30, 2004—

(A) 40 percent shall be available for fixed guideway modernization, except for the period beginning on October 1, 2003, and ending on April 30, 2004, during which \$699,642,775 will be available;

(B) 40 percent shall be available for capital projects for new fixed guideway systems and extensions to existing fixed guideway systems, except for the period beginning on October 1, 2003, and ending on April 30, 2004, during which \$767,657,109 will be available; and

(C) 20 percent shall be available to replace, rehabilitate, and purchase buses and related equipment and to construct bus-related facilities, except for the period beginning on October 1, 2003 and ending on April 30, 2004, during which \$352,110,220 will be available.

(2) NEW FIXED GUIDEWAY GRANTS.—

(A) LIMITATION ON AMOUNTS AVAILABLE FOR ACTIVITIES OTHER THAN FINAL DESIGN AND CONSTRUCTION.—Not more than 8 percent of the amounts made available in each fiscal year by paragraph (1)(B) shall be available for activities other than final design and construction.

(B) FUNDING FOR FERRY BOAT SYSTEMS.—

(i) AMOUNTS UNDER (1)(B).—Of the amounts made available under paragraph (1)(B), \$10,400,000 shall be available in each of fiscal years 1999 through 2003 for capital projects in Alaska or Hawaii, for new fixed guideway systems and extensions to existing fixed guideway systems that are ferry boats or ferry terminal facilities, or that are approaches to ferry terminal facilities.

(ii) AMOUNTS UNDER 5338(h)(5).—Of the amounts appropriated under section 5338(h)(5), \$3,600,000 shall be available in each of fiscal years 1999 through 2003 for capital projects in Alaska or Hawaii, for new fixed guideway systems and extensions to existing fixed guideway systems that are ferry boats or ferry terminal facilities, or that are approaches to ferry terminal facilities.

(iii) OCTOBER 1, 2003 THROUGH APRIL 30, 2004.—Of the amounts made available under paragraph (1)(B), \$6,066,667 shall be available for the period beginning on October 1, 2003, and ending on April 30, 2004, for capital projects described in clause (i).

(3) BUS AND BUS FACILITY GRANTS.—

(A) CONSIDERATION.—In making grants under paragraph (1)(C), the Secretary shall consider the age of buses, bus fleets, related equipment, and bus-related facilities.

(B) FUNDING FOR BUS TESTING FACILITY.—Of the amounts made available under paragraph (1)(C), \$3,000,000 shall be available in each of fiscal years 1998 through 2003 (and \$1,750,000 shall be available for the period October 1, 2003, through April 30, 2004) to carry out section 5318.

(C) FUNDING FOR CLEAN FUELS.—Of the amounts made available under paragraph (1)(C), \$50,000,000 shall be available in each of fiscal years 1999 through 2003 (and \$28,994,583 shall be transferred to and administered under section 5309 for buses and bus facilities for the period October 1, 2003, through April 30, 2004) to carry out section 5308.

(D) OTHER THAN URBANIZED AREAS.—Of amounts made available by paragraph (1)(C), not less than 5.5 percent shall be available in each fiscal year for other than urbanized areas.

(4) ELIGIBILITY FOR ASSISTANCE FOR MULTIPLE PROJECTS.—A person applying for or receiving assistance for a project described in subparagraph (A), (B), or (C) of paragraph (1) may receive assistance for a project described in any other of such subparagraphs.

(n) UNDERTAKING PROJECTS IN ADVANCE.—(1) The Secretary of Transportation may pay the Government's share of the net project cost to a State or local governmental authority that carries out any part of a project described in this section or a substitute transit project described in section 103(e)(4) of title 23 without the aid of amounts of the Government and according to all applicable procedures and requirements if—

(A) the State or local governmental authority applies for the payment;

(B) the Secretary approves the payment; and

(C) before carrying out the part of the project, the Secretary approves the plans and specifications for the part in the same way as other projects under this section or section 103(e)(4) of title 23.

(2) The cost of carrying out part of a project includes the amount of interest earned and payable on bonds issued by the State or local governmental authority to the extent proceeds of the bonds are expended in carrying out the part. However, the amount of interest under this paragraph may not be more than the most favorable interest terms reasonably available for the project at the time of borrowing. The applicant shall certify, in a manner satisfactory to the Secretary of Transportation, that the applicant has shown reasonable diligence in seeking the most favorable financial terms.

(3) The Secretary of Transportation shall consider changes in capital project cost indices when determining the estimated cost under paragraph (2) of this subsection.

(o) USE OF DEOBLIGATED AMOUNTS.—An amount available under this section that is deobligated may be used for any purpose under this section.

(o)¹ REPORTS.—

(1) FUNDING LEVELS AND ALLOCATIONS OF FUNDS FOR FIXED GUIDEWAY SYSTEMS.—

(A) ANNUAL REPORT.—Not later than the first Monday in February of each year, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate a report that includes a proposal on the allocation of amounts to be made available to finance grants and loans for capital projects for new fixed guideway systems and extensions to existing fixed guideway systems among applicants for those amounts.

(B) RECOMMENDATIONS ON FUNDING.—The annual report under this paragraph shall include evaluations and ratings, as required under subsection (e), for each project that is authorized or has received funds under this section since the date of enactment of the Federal Transit Act of 1998 or October 1 of the preceding fiscal year, whichever date is earlier. The report shall also include recommendations of projects for funding based on the evaluations and ratings and on existing commitments and anticipated funding levels for the next 3 fiscal years and for the next 10 fiscal years based on information currently available to the Secretary.

(2) SUPPLEMENTAL REPORT ON NEW STARTS.—The Secretary shall submit a report to Congress on the 31st day of August of each year that describes the Secretary's evaluation and rating of each project that has completed alternatives analysis or preliminary engineering since the date of the last report. The report shall include all relevant information that supports the evaluation and rating of each project, including a summary of each project's financial plan.

(3) ANNUAL GAO REVIEW.—The General Accounting Office shall—

(A) conduct an annual review of—

(i) the processes and procedures for evaluating and rating projects and recommending projects; and

(ii) the Secretary's implementation of such processes and procedures; and

(B) shall report to Congress on the results of such review by April 30 of each year.

(p) PROJECT DEFINED.—In this section, the term "project" means, with respect to a new fixed guideway system or extension to an existing fixed guideway system, a minimum operable segment of the project.

¹ So in law. See section 3009(i) and (j) of Public Law 105–178 (112 Stat. 356–357).

§ 5310. Formula grants and loans for special needs of elderly individuals and individuals with disabilities

(a) GENERAL AUTHORITY.—The Secretary of Transportation may make grants and loans to—

(1) State and local governmental authorities to help them provide mass transportation service planned, designed, and carried out to meet the special needs of elderly individuals and individuals with disabilities; and

(2) the chief executive officer of each State for allocation to—

(A) private nonprofit corporations and associations to help them provide that transportation service when the transportation service provided under clause (1) of this subsection is unavailable, insufficient, or inappropriate; or

(B) governmental authorities—

(i) approved by the State to coordinate services for elderly individuals and individuals with disabilities; or

(ii) that certify to the chief executive officer that no nonprofit corporation or association readily is available in an area to provide service under this subsection.

(b) APPORTIONING AND TRANSFERRING AMOUNTS.—The Secretary shall apportion amounts made available under section 5338(a) of this title under a formula the Secretary administers that considers the number of elderly individuals and individuals with disabilities in each State. Any State's apportionment remaining available for obligation at the beginning of the 90-day period before the end of the period of availability of the apportionment is available to the chief executive officer of the State for transfer to supplement amounts apportioned to the State under section 5311(c) or 5336(a)(1) of this title.

(c) STATE PROGRAM OF PROJECTS.—Amounts made available for this section may be used for transportation projects to assist in providing transportation services for elderly individuals and individuals with disabilities that are included in a State program of projects. A program shall be submitted annually to the Secretary for approval and shall contain an assurance that the program provides for maximum feasible coordination of transportation services assisted under this section with transportation services assisted by other United States Government sources.

(d) ELIGIBLE CAPITAL EXPENSES.—A recipient of amounts under this section may include acquiring transportation services as an eligible capital expense.

(e) APPLICATION OF SECTION 5309.—(1) A grant or loan under subsection (a)(1) of this section is subject to all requirements of a grant or loan under section 5309 of this title, and is deemed to have been made under section 5309.

(2) A grant or loan under subsection (a)(2) of this section is subject to requirements similar to those under paragraph (1) of this subsection to the extent the Secretary considers appropriate.

(f) MINIMUM REQUIREMENTS AND PROCEDURES FOR RECIPIENTS.—In carrying out section 5301(d) of this title, section 165(b) of the Federal-Aid Highway Act of 1973 (Public Law 93-87, 87

Stat. 282), and section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) (consistent with Government-wide standards to carry out section 504), the Secretary shall prescribe regulations establishing minimum criteria a recipient of Government financial assistance under this chapter or a law referred to in section 165(b) shall comply with in providing mass transportation service to elderly individuals and individuals with disabilities and procedures for the Secretary to monitor compliance with the criteria. The regulations shall include provisions for ensuring that organizations and groups representing elderly individuals and individuals with disabilities are given adequate notice of, and an opportunity to comment on, the proposed activity of a recipient to achieve compliance with the regulations.

(g) **LEASING VEHICLES.**—The Secretary shall prescribe guidelines allowing vehicles bought under this section to be leased to local governmental authorities to improve transportation services designed to meet the special needs of elderly individuals and individuals with disabilities.

(h) **MEAL DELIVERY SERVICE TO HOMEBOUND INDIVIDUALS.**—Mass transportation service providers receiving assistance under this section or section 5311(c) of this title may coordinate and assist in regularly providing meal delivery service for homebound individuals if the delivery service does not conflict with providing mass transportation service or reduce service to mass transportation passengers.

(i) **TRANSFER OF FACILITIES AND EQUIPMENT.**—With the consent of the recipient currently having a facility or equipment acquired with assistance under this section, a State may transfer the facility or equipment to any recipient eligible to receive assistance under this chapter if the facility or equipment will continue to be used as required under this section.

(j) **FARES NOT REQUIRED.**—This chapter does not require that elderly individuals and individuals with disabilities be charged a fare.

§ 5311. Formula grants for other than urbanized areas

(a) **DEFINITION.**—In this section, “recipient” includes a State authority, a local governmental authority, a nonprofit organization, and an operator of mass transportation service.

(b) **GENERAL AUTHORITY.**—(1) The Secretary of Transportation may make grants for transportation projects that are included in a State program of mass transportation service projects (including service agreements with private providers of mass transportation service) for areas other than urbanized areas. The program shall be submitted annually to the Secretary. The Secretary may approve the program only if the Secretary finds that the program provides a fair distribution of amounts in the State, including Indian reservations, and the maximum feasible coordination of mass transportation service assisted under this section with transportation service assisted by other United States Government sources.

(2) The Secretary of Transportation shall carry out a rural transportation assistance program in nonurbanized areas. In carrying out this paragraph, the Secretary may make grants and con-

tracts for transportation research, technical assistance, training, and related support services in nonurbanized areas.

(c) APPORTIONING AMOUNTS.—The Secretary of Transportation shall apportion amounts made available under section 5338(a) of this title so that the chief executive officer of each State receives an amount equal to the total amount apportioned multiplied by a ratio equal to the population of areas other than urbanized areas in a State divided by the population of all areas other than urbanized areas in the United States, as shown by the most recent of the following: the latest Government census, the population estimate the Secretary of Commerce prepares after the 4th year after the date the latest census is published, or the population estimate the Secretary of Commerce prepares after the 8th year after the date the latest census is published. The amount may be obligated by the chief executive officer for 2 years after the fiscal year in which the amount is apportioned. An amount that is not obligated at the end of that period shall be reapportioned among the States for the next fiscal year.

(d) USE FOR LOCAL TRANSPORTATION SERVICE.—A State may use an amount apportioned under this section for a project included in a program under subsection (b) of this section and eligible for assistance under this chapter if the project will provide local transportation service, as defined by the Secretary of Transportation, in an area other than an urbanized area.

(e) USE FOR ADMINISTRATION AND TECHNICAL ASSISTANCE.—(1) The Secretary of Transportation may allow a State to use not more than 15 percent of the amount apportioned under this section to administer this section and provide technical assistance to a recipient, including project planning, program and management development, coordination of mass transportation programs, and research the State considers appropriate to promote effective delivery of mass transportation to an area other than an urbanized area.

(2) Except as provided in this section, a State carrying out a program of operating assistance under this section may not limit the level or extent of use of the Government grant for the payment of operating expenses.

(f) INTERCITY BUS TRANSPORTATION.—(1) A State shall expend at least 15 percent of the amount made available in each fiscal year after September 30, 1993, to carry out a program to develop and support intercity bus transportation. Eligible activities under the program include—

(A) planning and marketing for intercity bus transportation;

(B) capital grants for intercity bus shelters;

(C) joint-use stops and depots;

(D) operating grants through purchase-of-service agreements, user-side subsidies, and demonstration projects; and

(E) coordinating rural connections between small mass transportation operations and intercity bus carriers.

(2) A State does not have to comply with paragraph (1) of this subsection in a fiscal year in which the chief executive officer of the State certifies to the Secretary of Transportation that the intercity bus service needs of the State are being met adequately.

(g) GOVERNMENT'S SHARE OF COSTS.—(1) In this subsection, “amounts of the Government or revenues” do not include amounts received under a service agreement with a State or local social service agency or a private social service organization.

(2) A grant of the Government for a capital project under this section may not be more than 80 percent of the net cost of the project, as determined by the Secretary of Transportation. A grant to pay a subsidy for operating expenses may not be more than 50 percent of the net cost of the operating expense project. At least 50 percent of the remainder shall be provided in cash from sources other than amounts of the Government or revenues from providing mass transportation. Transit system amounts that make up the remainder shall be from an undistributed cash surplus, a replacement or depreciation cash fund or reserve, or new capital.

(h) AMOUNTS FOR OPERATING ASSISTANCE.—An amount made available under this section may be used for operating assistance.

(i) TRANSFER OF FACILITIES AND EQUIPMENT.—With the consent of the recipient currently having a facility or equipment acquired with assistance under this section, a State may transfer the facility or equipment to any recipient eligible to receive assistance under this chapter if the facility or equipment will continue to be used as required under this section.

(j) RELATIONSHIP TO OTHER LAWS.—(1) Sections 5323(a)(1)(D) and 5333(b) of this title apply to this section but the Secretary of Labor may waive the application of section 5333(b).

(2) This subsection does not affect or discharge a responsibility of the Secretary of Transportation under a law of the United States.

§ 5312. Research, development, demonstration, and training projects

(a) RESEARCH, DEVELOPMENT, AND DEMONSTRATION PROJECTS.—The Secretary of Transportation (or the Secretary of Housing and Urban Development when required by section 5334(i) of this title) may undertake, or make grants or contracts (including agreements with departments, agencies, and instrumentalities of the United States Government) for, research, development, and demonstration projects related to urban mass transportation that the Secretary decides will help reduce urban transportation needs, improve mass transportation service, or help mass transportation service meet the total urban transportation needs at a minimum cost. The Secretary may request and receive appropriate information from any source. This subsection does not limit the authority of the Secretary under another law.

(b) RESEARCH, INVESTIGATIONS, AND TRAINING.—(1) The Secretary of Transportation (or the Secretary of Housing and Urban Development when required by section 5334(i) of this title) may make grants to nonprofit institutions of higher learning—

(A) to conduct competent research and investigations into the theoretical or practical problems of urban transportation; and

(B) to train individuals to conduct further research or obtain employment in an organization that plans, builds, operates, or manages an urban transportation system.

(2) Research and investigations under this subsection include—

(A) the design and use of urban mass transportation systems and urban roads and highways;

(B) the interrelationship between various modes of urban and interurban transportation;

(C) the role of transportation planning in overall urban planning;

(D) public preferences in transportation;

(E) the economic allocation of transportation resources; and

(F) the legal, financial, engineering, and esthetic aspects of urban transportation.

(3) When making a grant under this subsection, the appropriate Secretary shall give preference to an institution that brings together knowledge and expertise in the various social science and technical disciplines related to urban transportation problems.

(c) TRAINING FELLOWSHIPS AND INNOVATIVE TECHNIQUES AND METHODS.—(1) The Secretary of Transportation may make grants to States, local governmental authorities, and operators of mass transportation systems to provide fellowships to train personnel employed in managerial, technical, and professional positions in the mass transportation field.

(2) The Secretary of Transportation may make grants to State and local governmental authorities for projects that will use innovative techniques and methods in managing and providing mass transportation.

(3) A fellowship under this subsection may be for not more than one year of training in an institution that offers a program applicable to the mass transportation industry. The recipient of the grant shall select an individual on the basis of demonstrated ability and for the contribution the individual reasonably can be expected to make to an efficient mass transportation operation. A grant for a fellowship may not be more than the lesser of \$24,000 or 75 percent of—

(A) tuition and other charges to the fellowship recipient;

(B) additional costs incurred by the training institution and billed to the grant recipient; and

(C) the regular salary of the fellowship recipient for the period of the fellowship to the extent the salary is actually paid or reimbursed by the grant recipient.

(d) JOINT PARTNERSHIP PROGRAM FOR DEPLOYMENT OF INNOVATION.—

(1) DEFINITION OF CONSORTIUM.—In this subsection, the term “consortium”—

(A) means 1 or more public or private organizations located in the United States that provide mass transportation service to the public and 1 or more businesses, including small- and medium-sized businesses, incorporated in a State, offering goods or services or willing to offer goods and services to mass transportation operators; and

(B) may include, as additional members, public or private research organizations located in the United States, or State or local governmental authorities.

(2) GENERAL AUTHORITY.—The Secretary may, under terms and conditions that the Secretary prescribes, enter into grants, contracts, cooperative agreements, and other agreements with consortia selected in accordance with paragraph (4), to promote the early deployment of innovation in mass transportation services, management, operational practices, or technology that has broad applicability. This paragraph shall be carried out in consultation with the transit industry by competitively selected consortia that will share costs, risks, and rewards of early deployment of innovation.

(3) CONSORTIUM CONTRIBUTION.—A consortium assisted under this subsection shall provide not less than 50 percent of the costs of any joint partnership project. Any business, organization, person, or governmental body may contribute funds to a joint partnership project.

(4) NOTICE REQUIREMENT.—The Secretary shall periodically give public notice of the technical areas for which joint partnerships are solicited, required qualifications of consortia desiring to participate, the method of selection and evaluation criteria to be used in selecting participating consortia and projects, and the process by which innovation projects described in paragraph (1) will be awarded.

(5) USE OF REVENUES.—The Secretary shall accept, to the maximum extent practicable, a portion of the revenues resulting from sales of an innovation project funded under this section. Such revenues shall be accounted for separately within the Mass Transit Account of the Highway Trust Fund and shall be available to the Secretary for activities under this subsection. Annual revenues that are less than \$1,000,000 shall be available for obligation without further appropriation and shall not be subject to any obligation limitation.

(e) INTERNATIONAL MASS TRANSPORTATION PROGRAM.—

(1) ACTIVITIES.—The Secretary is authorized to engage in activities to inform the United States domestic mass transportation community about technological innovations available in the international marketplace and activities that may afford domestic businesses the opportunity to become globally competitive in the export of mass transportation products and services. Such activities may include—

(A) development, monitoring, assessment, and dissemination domestically of information about worldwide mass transportation market opportunities;

(B) cooperation with foreign public sector entities in research, development, demonstration, training, and other forms of technology transfer and exchange of experts and information;

(C) advocacy, in international mass transportation markets, of firms, products, and services available from the United States;

(D) informing the international market about the technical quality of mass transportation products and services through participation in seminars, expositions, and similar activities; and

(E) offering those Federal Transit Administration technical services which cannot be readily obtained from the United States private sector to foreign public authorities planning or undertaking mass transportation projects if the cost of these services will be recovered under the terms of each project.

(2) COOPERATION.—The Secretary may carry out activities under this subsection in cooperation with other Federal agencies, State or local agencies, public and private nonprofit institutions, government laboratories, foreign governments, or any other organization the Secretary determines is appropriate.

(3) FUNDING.—The funds available to carry out this subsection shall include revenues paid to the Secretary by any cooperating organization or person. Such revenues shall be accounted for separately within the Mass Transit Account of the Highway Trust Fund and shall be available to the Secretary to carry out activities under this subsection, including promotional materials, travel, reception, and representation expenses necessary to carry out such activities. Annual revenues that are less than \$1,000,000 shall be available for obligation without further appropriation and shall not be subject to any obligation limitation. Not later than January 1 of each fiscal year, the Secretary shall publish a report on the activities under this paragraph funded from the account.

§ 5313. State planning and research programs

(a) COOPERATIVE RESEARCH PROGRAM.—(1) The amounts made available under paragraphs (1) and (2)(C)(ii) of section 5338(d) of this title are available for a mass transportation cooperative research program. The Secretary of Transportation shall establish an independent governing board for the program. The board shall recommend mass transportation research, development, and technology transfer activities the Secretary considers appropriate.

(2) The Secretary may make grants to, and cooperative agreements with, the National Academy of Sciences to carry out activities under this subsection that the Secretary decides are appropriate.

(b) STATE PLANNING AND RESEARCH.—(1) The amounts made available under paragraphs (1) and (2)(C)(ii) of section 5338(c) of this title shall be apportioned to States for grants and contracts consistent with the purposes of sections 5303–5306, 5312, 5315, 5317, and 5322 of this title. The amounts shall be apportioned so that each State receives an amount equal to the population in urbanized areas in the State, divided by the population in urbanized areas in all States, as shown by the latest available decennial census. However, a State must receive at least .5 percent of the amount apportioned under this subsection.

(2) A State, as the State considers appropriate, may authorize part of the amount made available under this subsection to be used to supplement amounts available under subsection (a) of this section.

(3) An amount apportioned under this subsection—

(A) remains available for 3 years after the fiscal year in which the amount is apportioned; and

(B) that is unobligated at the end of the 3-year period shall be reapportioned among the States for the next fiscal year.

(c) GOVERNMENT'S SHARE.—When there would be a clear and direct financial benefit to an entity under a grant or contract financed under subsection (a) of this section, the Secretary shall establish a United States Government share consistent with the benefit.

§ 5314. National planning and research programs

(a) PROGRAM.—(1) The amounts made available under subsections (d) and (h)(7) of section 5338 of this title are available to the Secretary of Transportation for grants and contracts for the purposes of sections 5303–5306, 5312, 5315, 5317, and 5322 of this title, as the Secretary considers appropriate.

(2) Of the amounts made available under paragraph (1) of this subsection, the Secretary shall make available at least \$3,000,000 to provide mass transportation-related technical assistance, demonstration programs, research, public education, and other activities the Secretary considers appropriate to help mass transportation providers comply with the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.). To the extent practicable, the Secretary shall carry out this paragraph through a contract with a national nonprofit organization serving individuals with disabilities that has a demonstrated capacity to carry out the activities.

(3) Not more than 25 percent of the amounts available under paragraph (1) of this subsection is available to the Secretary for special demonstration initiatives, subject to terms the Secretary considers consistent with this chapter, except that section 5323(a)(1)(D) of this title applies to an operational grant financed in carrying out section 5312(a) of this title. For a nonrenewable grant of not more than \$100,000, the Secretary shall provide expedited procedures on complying with the requirements of this chapter.

(4)(A) The Secretary may undertake a program of mass transportation technology development in coordination with affected entities.

(B) The Secretary shall establish an Industry Technical Panel composed of representatives of transportation suppliers and operators and others involved in technology development. A majority of the Panel members shall represent the supply industry. The Panel shall assist the Secretary in identifying priority technology development areas and in establishing guidelines for project development, project cost sharing, and project execution.

(C) The Secretary shall develop guidelines for cost sharing in technology development projects financed under this paragraph. The guidelines shall be flexible and reflect the extent of technical risk, market risk, and anticipated supplier benefits and payback periods.

(5) The Secretary may use amounts appropriated under this subsection to supplement amounts available under section 5313(a) of this title, as the Secretary considers appropriate.

(b) GOVERNMENT'S SHARE.—When there would be a clear and direct financial benefit to an entity under a grant or contract financed under subsection (a) of this section, the Secretary shall es-

establish a United States Government share consistent with the benefit.

§ 5315. National transit institute

(a) ESTABLISHMENT AND DUTIES.—The Secretary of Transportation shall make grants to Rutgers University to establish a national transit institute. In cooperation with the Federal Transit Administration, State transportation departments, public mass transportation authorities, and national and international entities, the institute shall develop and conduct training programs of instruction for United States Government, State, and local transportation employees, United States citizens, and foreign nationals engaged or to be engaged in Government-aid mass transportation work. The programs may include courses in recent developments, techniques, and procedures related to—

- (1) mass transportation planning;
- (2) management;
- (3) environmental factors;
- (4) acquisition and joint use of rights of way;
- (5) engineering and architectural design;
- (6) procurement strategies for mass transportation systems;
- (7) turnkey approaches to delivering mass transportation systems;
- (8) new technologies;
- (9) emission reduction technologies;
- (10) ways to make mass transportation accessible to individuals with disabilities;
- (11) construction, construction management, insurance, and risk management;
- (12) maintenance;
- (13) contract administration;
- (14) inspection;
- (15) innovative finance; and
- (16) workplace safety.

(b) RELATED EDUCATIONAL AND TRAINING PROGRAMS.—The Secretary shall delegate to the institute the authority of the Secretary to develop and conduct educational and training programs related to mass transportation.

(c) PROVIDING EDUCATION AND TRAINING.—Education and training of Government, State, and local transportation employees under this section shall be provided—

- (1) by the Secretary at no cost to the States and local governments for subjects that are a Government program responsibility; or
- (2) when the education and training are paid under subsection (d) of this section, by the State, with the approval of the Secretary, through grants and contracts with public and private agencies, other institutions, individuals, and the institute.

(d) AVAILABILITY OF AMOUNTS.—Not more than .5 percent of the amounts made available for a fiscal year beginning after September 30, 1991, to a State or public mass transportation authority in the State to carry out sections 5307 and 5309 of this title is

available for expenditure by the State and public mass transportation authorities in the State, with the approval of the Secretary, to pay not more than 80 percent of the cost of tuition and direct educational expenses related to educating and training State and local transportation employees under this section.

[§§ 5316 and 5317. Repealed by sec. 5110(c) of P.L. 105-178]

§ 5318. Bus testing facility

(a) ESTABLISHMENT.—The Secretary of Transportation shall establish one facility for testing a new bus model for maintainability, reliability, safety, performance (including braking performance), structural integrity, fuel economy, emissions, and noise. The facility shall be established by renovating a facility built with assistance of the United States Government to train rail personnel.

(b) OPERATION AND MAINTENANCE.—The Secretary shall enter into a contract or cooperative agreement with, or make a grant to, a qualified person or organization to operate and maintain the facility. The contract, cooperative agreement, or grant may provide for the testing of rail cars and other mass transportation vehicles at the facility.

(c) FEES.—The person operating and maintaining the facility shall establish and collect fees for the testing of vehicles at the facility. The Secretary must approve the fees.

(d) AVAILABILITY OF AMOUNTS TO PAY FOR TESTING.—The Secretary shall enter into a contract or cooperative agreement with, or make a grant to, the operator of the facility under which the Secretary shall pay 80 percent of the cost of testing a vehicle at the facility from amounts available under section 5309(m)(1)(C) of this title. The entity having the vehicle tested shall pay 20 percent of the cost.

(e) REVOLVING LOAN FUND.—The Secretary has a bus testing revolving loan fund consisting of amounts authorized for the fund under section 317(b)(5) of the Surface Transportation and Uniform Relocation Assistance Act of 1987. The Secretary shall make available as repayable advances from the fund to the person operating and maintaining the facility amounts to operate and maintain the facility.

§ 5319. Bicycle facilities

A project to provide access for bicycles to mass transportation facilities, to provide shelters and parking facilities for bicycles in or around mass transportation facilities, or to install equipment for transporting bicycles on mass transportation vehicles is a capital project eligible for assistance under sections 5307, 5309, and 5311 of this title. Notwithstanding sections 5307(e), 5309(h), and 5311(g) of this title, a grant of the United States Government under this chapter for a project made eligible by this section is for 90 percent of the cost of the project, except that, if the grant or any portion of the grant is made with funds required to be expended under section 5307(k) and the project involves providing bicycle access to mass transportation, that grant or portion of that grant shall be at a Federal share of 95 percent.

§ 5320. Suspended light rail system technology pilot project

(a) **PURPOSE.**—The purpose of this section is to provide for the construction by a public entity of a suspended light rail system technology pilot project—

(1) to assess the state of new technology for a suspended light rail system; and

(2) to establish the feasibility, costs, and benefits of using the system to transport passengers.

(b) **GENERAL REQUIREMENTS.**—The project shall—

(1) use new rail technology with individual vehicles on a prefabricated elevated steel guideway;

(2) be stability-seeking with a center of gravity for the detachable passenger vehicles located below the point of wheel-rail contact; and

(3) use vehicles that are driven by overhead bogies with high efficiency, low maintenance electric motors for each wheel, operating in a slightly sloped plane from vertical for the wheels and the running rails, to further increase stability, acceleration, and braking performance.

(c) **COMPETITION.**—(1) The Secretary of Transportation shall conduct a national competition to select a public entity with which to make a full funding grant agreement to construct the project. Not later than April 16, 1992, the Secretary shall select 3 public entities to be finalists in the competition. In conducting the competition and selecting public entities, the Secretary shall consider—

(A) the public entity's demonstrated understanding and knowledge of the project and its technical, managerial, and financial capacity to construct, manage, and operate the project; and

(B) maximizing potential contributions to the cost of the project by State, local, and private sector entities, including donation of in-kind services and materials.

(2) The Secretary shall award a grant to each finalist to be used to participate in the final phase of the competition under procedures the Secretary prescribes. A grant may not be more than 80 percent of the cost of participating. A finalist may not receive more than one-third of the amount made available under subsection (h)(1)(A) of this section.

(3) Not later than July 15, 1992, the Secretary shall select from among the 3 finalists a public entity with which to make a full funding grant agreement.

(d) **ENVIRONMENTAL IMPACT.**—Not later than 270 days after a public entity is selected under subsection (c) of this section, the Secretary shall approve and publish in the Federal Register a notice announcing either a finding of no significant impact or a draft environmental impact statement for the project. The alternatives analysis for the project shall include a decision on whether to construct the project. If a draft statement is published, the Secretary, not later than 180 days after publication, shall approve and publish in the Federal Register a notice of completion of a final environmental impact statement.

(e) **FULL FUNDING GRANT AGREEMENT.**—Not later than 60 days after carrying out the requirements of subsection (d) of this section,

the Secretary shall make a full funding grant agreement under section 5309 of this title with the public entity selected under subsection (c) of this section to construct the project. The agreement shall provide that the system vendor for the project shall finance—

(1) 100 percent of any deficit incurred in operating the project in the first 2 years of revenue operations of the project; and

(2) 50 percent of any deficit incurred in operating the project in the 3d year of revenue operations of the project.

(f) NOTICE TO PROCEED.—Not later than 30 days after making the full funding grant agreement, the Secretary shall issue a notice to proceed with construction.

(g) OPTION NOT TO CONSTRUCT AND REAWARDING THE GRANT.—(1) Not later than 30 days after completing preliminary engineering and design, the selected public entity shall decide whether to proceed to constructing the project. If the entity decides not to proceed—

(A) the Secretary shall not make the full funding grant agreement;

(B) remaining amounts received shall be returned to the Secretary and credited to the Mass Transit Account of the Highway Trust Fund; and

(C) the Secretary shall use the credited amount and other amounts to be provided under this section to award to another entity selected under subsection (c)(1) of this section a grant under section 5309 of this title to construct the project.

(2) Not later than 60 days after a decision is made under paragraph (1) of this subsection, a grant shall be awarded under paragraph (1)(C) of this subsection after completing a competitive process for selecting the grant recipient.

(h) FINANCING.—(1) The Secretary shall pay from amounts provided under section 5309 of this title the following:

(A) at least \$1,000,000 for the fiscal year ending September 30, 1992, for grants under subsection (c)(2) of this section.

(B) at least \$4,000,000 for the fiscal year ending September 30, 1993, for the United States Government share of the costs (as determined under section 5309 of this title) if the systems planning, alternatives analysis, preliminary engineering, and design and environmental impact statement are required by law for the project.

(C) at least \$30,000,000 for the fiscal year ending September 30, 1994, as provided in the grant agreement under subsection (e) of this section, for the Government share of the construction costs of the project.

(2) The grant agreement under subsection (e) of this section shall provide that for the 3d year of revenue operations of the project, the Secretary shall pay from amounts provided under this section the Government share of operating costs in an amount equal to the lesser of 50 percent of the deficit incurred in operating the project in that year or \$300,000.

(3) Amounts not expended under paragraph (1)(A) of this subsection are available for the Government share of costs described in paragraph (1)(B) and (C) of this subsection.

(4) Amounts under paragraph (1)(B) and (C) of this subsection remain available until expended.

(i) GOVERNMENT'S SHARE OF COSTS.—The Government share of the cost of constructing the project is 80 percent of the net cost of the project.

(j) PROJECT NOT SUBJECT TO MAJOR CAPITAL INVESTMENT POLICY.—The project is not subject to the major capital investment policy of the Federal Transit Administration.

(k) REPORT.—Not later than January 30, 1993, and each year after that date, the Secretary shall submit to Congress a report on the progress and results of the project.

§ 5321. Crime prevention and security

The Secretary of Transportation may make capital grants from amounts available under section 5338 of this title to mass transportation systems for crime prevention and security. This chapter does not prevent the financing of a project under this section when a local governmental authority other than the grant applicant has law enforcement responsibilities.

§ 5322. Human resource programs

The Secretary of Transportation may undertake, or make grants and contracts for, programs that address human resource needs as they apply to mass transportation activities. A program may include—

- (1) an employment training program;
- (2) an outreach program to increase minority and female employment in mass transportation activities;
- (3) research on mass transportation personnel and training needs; and
- (4) training and assistance for minority business opportunities.

§ 5323. General provisions on assistance

(a) INTERESTS IN PROPERTY.—(1) Financial assistance provided under this chapter to a State or a local governmental authority may be used to acquire an interest in, or buy property of, a private mass transportation company, for a capital project for property acquired from a private mass transportation company after July 9, 1964, or to operate mass transportation equipment or a mass transportation facility in competition with, or in addition to, transportation service provided by an existing mass transportation company, only if—

(A) the Secretary of Transportation finds the assistance is essential to a program of projects required under sections 5303–5306 of this title;

(B) the Secretary of Transportation finds that the program, to the maximum extent feasible, provides for the participation of private mass transportation companies;

(C) just compensation under State or local law will be paid to the company for its franchise or property; and

(D) the Secretary of Labor certifies that the assistance complies with section 5333(b) of this title.

(2) A governmental authority may not use financial assistance of the United States Government to acquire land, equipment, or a facility used in mass transportation from another governmental authority in the same geographic area.

(b) NOTICE AND PUBLIC HEARING.—(1) An application for a grant or loan under this chapter for a capital project that will affect substantially a community, or the mass transportation service of a community, must include a certificate of the applicant that the applicant has—

(A) provided an adequate opportunity for a public hearing with adequate prior notice;

(B) held that hearing unless no one with a significant economic, social, or environmental interest requested one;

(C) considered the economic, social, and environmental effects of the project; and

(D) found that the project is consistent with official plans for developing the urban area.

(2) Notice of a hearing under this subsection shall include a concise description of the proposed project and shall be published in a newspaper of general circulation in the geographic area the project will serve. If a hearing is held, a copy of the transcript of the hearing shall be submitted with the application.

(c) ACQUIRING NEW BUS MODELS.—Amounts appropriated or made available under this chapter after September 30, 1989, may be obligated or expended to acquire a new bus model only if a bus of the model has been tested at the facility established under section 5318 of this title.

(d) CONDITION ON CHARTER BUS TRANSPORTATION SERVICE.—

(1) Financial assistance under this chapter may be used to buy or operate a bus only if the applicant, governmental authority, or publicly owned operator that receives the assistance agrees that, except as provided in the agreement, the governmental authority or an operator of mass transportation for the governmental authority will not provide charter bus transportation service outside the urban area in which it provides regularly scheduled mass transportation service. An agreement shall provide for a fair arrangement the Secretary of Transportation considers appropriate to ensure that the assistance will not enable a governmental authority or an operator for a governmental authority to foreclose a private operator from providing intercity charter bus service if the private operator can provide the service.

(2) On receiving a complaint about a violation of an agreement, the Secretary of Transportation shall investigate and decide whether a violation has occurred. If the Secretary decides that a violation has occurred, the Secretary shall correct the violation under terms of the agreement. In addition to a remedy specified in the agreement, the Secretary may bar a recipient under this subsection or an operator from receiving further assistance when the Secretary finds a continuing pattern of violations of the agreement.

(e) BUS PASSENGER SEAT FUNCTIONAL SPECIFICATIONS.—The initial advertising by a State or local governmental authority for bids to acquire buses using financial assistance under this chapter may include passenger seat functional specifications that are at least equal to performance specifications the Secretary of Transpor-

tation prescribes. The specifications shall be based on a finding by the State or local governmental authority of local requirements for safety, comfort, maintenance, and life cycle costs.

(f) SCHOOLBUS TRANSPORTATION.—(1) Financial assistance under this chapter may be used for a capital project, or to operate mass transportation equipment or a mass transportation facility, only if the applicant agrees not to provide schoolbus transportation that exclusively transports students and school personnel in competition with a private schoolbus operator. This subsection does not apply—

(A) to an applicant that operates a school system in the area to be served and a separate and exclusive schoolbus program for the school system;

(B) unless a private schoolbus operator can provide adequate transportation that complies with applicable safety standards at reasonable rates; and

(C) to a State or local governmental authority if it or a direct predecessor in interest from which it acquired the duty of transporting school children and personnel, and facilities to transport them, provided schoolbus transportation at any time after November 25, 1973, but before November 26, 1974.

(2) An applicant violating an agreement under this subsection may not receive other financial assistance under this chapter.

(g) BUYING BUSES UNDER OTHER LAWS.—Subsections (d) and (f) of this section apply to financial assistance to buy a bus under sections 103(e)(4) and 142(a) or (c) of title 23. However, subsection (f)(1)(C) of this section applies to sections 103(e)(4) and 142(a) or (c) only if schoolbus transportation was provided at any time after August 12, 1972, but before August 13, 1973.

(h) GRANT AND LOAN PROHIBITIONS.—A grant or loan may not be used to—

(1) pay ordinary governmental or nonproject operating expenses; or

(2) support a procurement that uses an exclusionary or discriminatory specification.

(i) GOVERNMENT SHARE OF COSTS FOR CERTAIN PROJECTS.—A grant for a project to be assisted under this chapter that involves acquiring vehicle-related equipment required by the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) or vehicle-related equipment (including clean fuel or alternative fuel vehicle-related equipment) for purposes of complying with or maintaining compliance with the Clean Air Act, is for 90 percent of the net project cost of such equipment attributable to compliance with those Acts. The Secretary shall have discretion to determine, through practicable administrative procedures, the costs of such equipment attributable to compliance with those Acts.

(j) BUY AMERICA.—(1) The Secretary of Transportation may obligate an amount that may be appropriated to carry out this chapter for a project only if the steel, iron, and manufactured goods used in the project are produced in the United States.

(2) The Secretary of Transportation may waive paragraph (1) of this subsection if the Secretary finds that—

(A) applying paragraph (1) would be inconsistent with the public interest;

(B) the steel, iron, and goods produced in the United States are not produced in a sufficient and reasonably available amount or are not of a satisfactory quality;

(C) when procuring rolling stock (including train control, communication, and traction power equipment) under this chapter—

(i) the cost of components and subcomponents produced in the United States is more than 60 percent of the cost of all components of the rolling stock; and

(ii) final assembly of the rolling stock has occurred in the United States; or

(D) including domestic material will increase the cost of the overall project by more than 25 percent.

(3) In this subsection, labor costs involved in final assembly are not included in calculating the cost of components.

(4) The Secretary of Transportation may not make a waiver under paragraph (2) of this subsection for goods produced in a foreign country if the Secretary, in consultation with the United States Trade Representative, decides that the government of that foreign country—

(A) has an agreement with the United States Government under which the Secretary has waived the requirement of this subsection; and

(B) has violated the agreement by discriminating against goods to which this subsection applies that are produced in the United States and to which the agreement applies.

(5) A person is ineligible under subpart 9.4 of chapter 1 of title 48, Code of Federal Regulations, to receive a contract or sub-contract made with amounts authorized under the Intermodal Surface Transportation Efficiency Act of 1991 (Public Law 102-240, 105 Stat. 1914) if a court or department, agency, or instrumentality of the Government decides the person intentionally—

(A) affixed a “Made in America” label, or a label with an inscription having the same meaning, to goods sold in or shipped to the United States that are used in a project to which this subsection applies but not produced in the United States; or

(B) represented that goods described in clause (A) of this paragraph were produced in the United States.

(6) The Secretary of Transportation may not impose any limitation on assistance provided under this chapter that restricts a State from imposing more stringent requirements than this subsection on the use of articles, materials, and supplies mined, produced, or manufactured in foreign countries in projects carried out with that assistance or restricts a recipient of that assistance from complying with those State-imposed requirements.

(7) OPPORTUNITY TO CORRECT INADVERTENT ERROR.—The Secretary may allow a manufacturer or supplier of steel, iron, or manufactured goods to correct after bid opening any certification of noncompliance or failure to properly complete the certification (but not including failure to sign the certification) under this subsection if such manufacturer or supplier attests under penalty of perjury that such manufacturer or supplier submitted an incorrect certification as a result of an inad-

vertent or clerical error. The burden of establishing inadvertent or clerical error is on the manufacturer or supplier.

(k) PARTICIPATION OF GOVERNMENTAL AGENCIES IN DESIGN AND DELIVERY OF TRANSPORTATION SERVICES.—To the extent feasible, governmental agencies and nonprofit organizations that receive assistance from Government sources (other than the Department of Transportation) for nonemergency transportation services—

(1) shall participate and coordinate with recipients of assistance under this chapter in the design and delivery of transportation services; and

(2) shall be included in the planning for those services.

(l) APPLICATION OF SECTION 135 OF TITLE 23.—The planning and programming requirements of section 135 of title 23 apply to a grant made under sections 5307–5311 of this title.

(m) PREAWARD AND POSTDELIVERY REVIEW OF ROLLING STOCK PURCHASES.—The Secretary of Transportation shall prescribe regulations requiring a preaward and postdelivery review of a grant under this chapter to buy rolling stock to ensure compliance with Government motor vehicle safety requirements, subsection (j) of this section, and bid specifications requirements of grant recipients under this chapter. Under this subsection, independent inspections and review are required, and a manufacturer certification is not sufficient.

(n) SUBMISSION OF CERTIFICATIONS.—A certification required under this chapter and any additional certification or assurance required by law or regulation to be submitted to the Secretary may be consolidated into a single document to be submitted annually as part of a grant application under this chapter. The Secretary shall publish annually a list of all certifications required under this chapter with the publication required under section 5336(e)(2).

(o) GRANT REQUIREMENTS.—The grant requirements under sections 5307 and 5309 apply to any project under this chapter that receives any assistance or other financing under the Transportation Infrastructure Finance and Innovation Act of 1998.

§ 5324. Limitations on discretionary and special needs grants and loans

(a) RELOCATION PROGRAM REQUIREMENTS.—Financial assistance may be provided under section 5309 of this title only if the Secretary of Transportation decides that—

(1) an adequate relocation program is being carried out for families displaced by a project; and

(2) an equal number of decent, safe, and sanitary dwellings are being, or will be, provided to those families in the same area or in another area generally not less desirable for public utilities and public and commercial facilities, at rents or prices within the financial means of those families, and with reasonable access to their places of employment.

(b) ECONOMIC, SOCIAL, AND ENVIRONMENTAL INTERESTS.—(1) In carrying out section 5301(e) of this title, the Secretary of Transportation shall cooperate and consult with the Secretaries of Agriculture, Health and Human Services, Housing and Urban Development, and the Interior and the Council on Environmental Quality

on each project that may have a substantial impact on the environment.

(2) In carrying out section 5309 of this title, the Secretary of Transportation shall review each transcript of a hearing submitted under section 5323(b) of this title to establish that an adequate opportunity to present views was given to all parties with a significant economic, social, or environmental interest and that the project application includes a statement on—

- (A) the environmental impact of the proposal;
- (B) adverse environmental effects that cannot be avoided;
- (C) alternatives to the proposal; and
- (D) irreversible and irretrievable impacts on the environment.

(3)(A) The Secretary of Transportation may approve an application for financial assistance under section 5309 of this title only if the Secretary makes written findings, after reviewing the application and any hearings held before a State or local governmental authority under section 5323(b) of this title, that—

- (i) an adequate opportunity to present views was given to all parties with a significant economic, social, or environmental interest;
- (ii) the preservation and enhancement of the environment, and the interest of the community in which a project is located, were considered; and
- (iii) no adverse environmental effect is likely to result from the project, or no feasible and prudent alternative to the effect exists and all reasonable steps have been taken to minimize the effect.

(B) If a hearing has not been conducted or the Secretary of Transportation decides that the record of the hearing is inadequate for making the findings required by this subsection, the Secretary shall conduct a hearing on an environmental issue raised by the application after giving adequate notice to interested persons.

(C) A finding of the Secretary of Transportation under subparagraph (A) of this paragraph shall be made a matter of public record.

(c) PROHIBITIONS AGAINST REGULATING OPERATIONS AND CHARGES.—The Secretary of Transportation may not regulate the operation of a mass transportation system for which a grant is made under section 5309 of this title and, after a grant is made, may not regulate any charge for the system. However, the Secretary may require the local governmental authority, corporation, or association to comply with any undertaking provided by it related to its grant application.

§ 5325. Contract requirements

(a) NONCOMPETITIVE BIDDING.—A capital project or improvement contract for which a grant or loan is made under this chapter, if the contract is not made through competitive bidding, shall provide that records related to the contract shall be made available to the Secretary of Transportation and the Comptroller General, or an officer or employee of the Secretary or Comptroller General, when conducting an audit and inspection.

(b) ARCHITECTURAL, ENGINEERING, AND DESIGN CONTRACTS.—A contract or requirement for program management, construction management, a feasibility study, and preliminary engineering, design, architectural, engineering, surveying, mapping, or related services for a project for which a grant or loan is made under this chapter shall be awarded in the same way as a contract for architectural and engineering services is negotiated under chapter 11 of title 40 or an equivalent qualifications-based requirement of a State. When awarding such contracts, recipients of assistance under this chapter shall maximize efficiencies of administration by accepting nondisputed audits conducted by other governmental agencies, as provided in subparagraphs (C) through (F) of section 112(b)(2) of title 23. This subsection does not apply to the extent a State has adopted or adopts by law a formal procedure for procuring those services.

(c) EFFICIENT PROCUREMENT.—A recipient may award a procurement contract under this chapter to other than the lowest bidder when the award furthers an objective consistent with the purposes of this chapter, including improved long-term operating efficiency and lower long-term costs.

§ 5326. Special procurements

(a) TURNKEY SYSTEM PROJECTS.—

(1) TURNKEY SYSTEM PROJECT DEFINED.—In this subsection, the term “turnkey system project” means a project under which a recipient enters into a contract with a seller, firm, or consortium of firms to design and build a mass transportation system or an operable segment thereof that meets specific performance criteria. Such project may also include an option to finance, or operate for a period of time, the system or segment or any combination of designing, building, operating, or maintaining such system or segment.

(2) SELECTION OF TURNKEY PROJECTS.—To advance new technologies and lower the cost of a capital project for a new mass transportation system or an operable segment of a mass transportation system, the Secretary of Transportation shall allow solicitation for a turnkey system project to be financed under this chapter to be awarded conditionally before United States Government requirements have been met on the project if the award is made without prejudice to carrying out those requirements. Government financial assistance under this chapter may be made available for the project after the recipient complies with Government requirements.

(3) DEMONSTRATIONS.—To develop guidelines applying generally to turnkey system projects, the Secretary may approve at least 2 projects for an initial demonstration phase. The results of the demonstration projects (and other projects using this procurement method on December 18, 1991) shall be considered in developing guidelines to carry out this subsection.

(b) MULTIYEAR ROLLING STOCK.—(1) A recipient procuring rolling stock with Government financial assistance under this chapter may make a multiyear contract to buy the rolling stock and replacement parts under which the recipient has an option to buy ad-

ditional rolling stock or replacement parts for not more than 5 years after the date of the original contract.

(2) The Secretary shall allow at least 2 recipients to act on a cooperative basis to procure rolling stock in compliance with this subsection and other Government procurement requirements.

(c) ACQUIRING ROLLING STOCK.—A recipient of financial assistance under this chapter may enter into a contract to expend that assistance to acquire rolling stock—

(1) based on—

(A) initial capital costs; or

(B) performance, standardization, life cycle costs, and other factors; or

(2) with a party selected through a competitive procurement process.

(d) PROCURING ASSOCIATED CAPITAL MAINTENANCE ITEMS.—A recipient of assistance under section 5307 procuring an associated capital maintenance item under section 5307(b) may enter into a contract directly with the original manufacturer or supplier of the item to be replaced, without receiving prior approval of the Secretary, if the recipient first certifies in writing to the Secretary that—

(1) the manufacturer or supplier is the only source for the item; and

(2) the price of the item is no more than the price that similar customers pay for the item.

§ 5327. Project management oversight

(a) PROJECT MANAGEMENT PLAN REQUIREMENTS.—To receive United States Government financial assistance for a major capital project under this chapter or the National Capital Transportation Act of 1969 (Public Law 91–143, 83 Stat. 320), a recipient must prepare and carry out a project management plan approved by the Secretary of Transportation. The plan shall provide for—

(1) adequate recipient staff organization with well-defined reporting relationships, statements of functional responsibilities, job descriptions, and job qualifications;

(2) a budget covering the project management organization, appropriate consultants, property acquisition, utility relocation, systems demonstration staff, audits, and miscellaneous payments the recipient may be prepared to justify;

(3) a construction schedule for the project;

(4) a document control procedure and recordkeeping system;

(5) a change order procedure that includes a documented, systematic approach to the handling of construction change orders;

(6) organizational structures, management skills, and staffing levels required throughout the construction phase;

(7) quality control and quality assurance functions, procedures, and responsibilities for construction, system installation, and integration of system components;

(8) material testing policies and procedures;

(9) internal plan implementation and reporting requirements;

(10) criteria and procedures to be used for testing the operational system or its major components;

(11) periodic updates of the plan, especially related to project budget and project schedule, financing, ridership estimates, and the status of local efforts to enhance ridership where ridership estimates partly depend on the success of those efforts; and

(12) the recipient's commitment to submit a project budget and project schedule to the Secretary each month.

(b) **PLAN APPROVAL.**—(1) The Secretary shall approve a plan not later than 60 days after it is submitted. If the approval cannot be completed within 60 days, the Secretary shall notify the recipient, explain the reasons for the delay, and estimate the additional time that will be required.

(2) The Secretary shall inform the recipient of the reasons when a plan is disapproved.

(c) **LIMITATIONS ON USE OF AVAILABLE AMOUNTS.**—(1) The Secretary may use not more than .5 percent of amounts made available for a fiscal year to carry out section 5307, 5309, or 5311 of this title, an interstate transfer mass transportation project under section 103(e)(4) of title 23 as in effect on September 30, 1991, or a project under the National Capital Transportation Act of 1969 (Public Law 91-143, 83 Stat. 320) to make a contract to oversee the construction of a major project under section 5307, 5309, 5311, or 103(e)(4) or that Act. The Secretary may use when necessary not more than an additional .25 percent of amounts made available in a fiscal year to carry out a major project under section 5309 to make a contract to oversee the construction of the project.

(2) The Secretary may use amounts available under paragraph (1) of this subsection to enter into contracts for safety, procurement, management, and financial compliance reviews and audits of a recipient of amounts under paragraph (1) and to provide technical assistance to correct deficiencies identified in compliance reviews and audits carried out under this section. Subsections (a), (b), and (e) of this section do not apply to contracts under this paragraph.

(3) The Government shall pay the entire cost of carrying out a contract under this subsection.

(d) **ACCESS TO SITES AND RECORDS.**—Each recipient of assistance under this chapter or section 14(b) of the National Capital Transportation Act of 1969 (Public Law 91-143, 83 Stat. 320), as added by section 2 of the National Capital Transportation Amendments of 1979 (Public Law 96-184, 93 Stat. 1320), shall provide the Secretary and a contractor the Secretary chooses under subsection (c) of this section with access to the construction sites and records of the recipient when reasonably necessary.

(e) **REGULATIONS.**—The Secretary shall prescribe regulations necessary to carry out this section. The regulations shall include—

(1) a definition of "major capital project" for subsection (c) of this section that excludes a project to acquire rolling stock or to maintain or rehabilitate a vehicle; and

(2) a requirement that oversight begin during the preliminary engineering stage of a project, unless the Secretary finds it more appropriate to begin the oversight during another stage

of the project, to maximize the transportation benefits and cost savings associated with project management oversight.

(f) FINANCIAL PLAN.—A recipient of financial assistance for a project under this chapter with an estimated total cost of \$1,000,000,000 or more shall submit to the Secretary an annual financial plan for the project. The plan shall be based on detailed annual estimates of the cost to complete the remaining elements of the project and on reasonable assumptions, as determined by the Secretary, of future increases in the cost to complete the project.

§ 5328. Project review

(a) SCHEDULE.—(1) When the Secretary of Transportation allows a new fixed guideway project to advance into the alternatives analysis stage of project review, the Secretary shall cooperate with the applicant in alternatives analysis and in preparing a draft environmental impact statement and shall approve the draft for circulation not later than 45 days after the applicant submits the draft to the Secretary.

(2) After the draft is circulated and not later than 30 days after the applicant selects a locally preferred alternative, the Secretary shall allow the project to advance to the preliminary engineering stage if the Secretary finds the project is consistent with section 5309(e).

(3) The Secretary shall issue a record of decision and allow a project to advance to the final design stage of construction not later than 120 days after the final environmental impact statement for the project is completed.

(4) The Secretary shall make a full funding grant agreement under section 5309 of this title for a project not later than 120 days after the project enters the final design stage of construction. The agreement shall provide for a United States Government share of the construction cost at least equal to the Government share estimated in the Secretary's most recent report required under section 5309(o)(1) of this title or an update of the report unless the applicant requests otherwise.

(b) ALLOWED DELAYS.—(1) Advancement of a project under the time requirements of subsection (a) of this section may be delayed only—

(A) for the time the applicant may request; or

(B) during the time the Secretary finds, after reasonable notice and an opportunity for comment, that the applicant, for reasons attributable only to the applicant, has not complied substantially with the provisions of this chapter applicable to the project.

(2) Not more than 10 days after imposing a delay under paragraph (1)(B) of this subsection, the Secretary shall give the applicant a written statement explaining the reasons for the delay and describing actions the applicant must take to end the delay.

(3) At least once every 6 months, the Secretary shall report to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate on each situation in which the Secretary has not met a time requirement of subsection (a) of this section or delayed a time requirement under paragraph (1)(B) of this

subsection. The report shall explain the reasons for the delay and include a plan for achieving timely completion of the Secretary's review.

(c) PROGRAM OF INTERRELATED PROJECTS.—(1) In this subsection, a program of interrelated projects includes the following:

(A) the New Jersey Urban Core Project (as defined in title III of the Intermodal Surface Transportation Efficiency Act of 1991 (Public Law 102-240, 105 Stat. 2087)).

(B) the San Francisco Bay Area Rail Extension Program, consisting of at least an extension of the San Francisco Bay Area Rapid Transit District to the San Francisco International Airport (Phase 1a to Colma and Phase 1b to San Francisco Airport), the Santa Clara County Transit District Tasman Corridor Project, a program element designated by a change to the Metropolitan Transportation Commission Resolution No. 1876, and a program element financed completely with non-Government amounts, including the BART Warm Springs Extension, Dublin Extension, and West Pittsburg Extension.

(C) the Los Angeles Metro Rail Minimum Operable Segment-3 Program, consisting of 7 stations and approximately 11.6 miles of heavy rail subway on the following lines:

(i) one line running west and northwest from the Hollywood/Vine station to the North Hollywood station, with 2 intermediate stations.

(ii) one line running west from the Wilshire/Western station to the Pico/San Vicente station, with one intermediate station.

(iii) the East Side Extension, consisting of an initial line of approximately 3 miles, with at least 2 stations, beginning at Union Station and running generally east.

(D) the Baltimore-Washington Transportation Improvement Program, consisting of 3 extensions of the Baltimore Light Rail to Hunt Valley, Penn Station, and Baltimore-Washington Airport, MARC extensions to Frederick and Waldorf, Maryland, and an extension of the Washington Subway system to Largo, Maryland.

(E) the Tri-County Metropolitan Transportation District of Oregon Light Rail Program, consisting of the locally preferred alternative for the Westside Light Rail Project, including system related costs, contained in the Department of Transportation and Related Agencies Appropriations Act, 1991 (Public Law 101-516, 104 Stat. 2155), and defined in House Report 101-584, the Hillsboro extension to the Westside Light Rail Project contained in that Act, and the locally preferred alternative for the South/North Corridor Project.

(F) the Queens Local/Express Connector Program, consisting of the locally preferred alternative for the connection of the 63d Street tunnel extension to the Queens Boulevard lines, the bell-mouth part of the connector that will allow for future access by commuter rail trains and other subway lines to the 63d Street tunnel extension, planning elements for connecting the upper and lower levels to commuter and subway lines in Long Island City, and planning elements for providing a connector for commuter rail transportation to the East side of

Manhattan and subway lines to the proposed Second Avenue subway.

(G) the Dallas Area Rapid Transit Authority light rail elements of the New System Plan, consisting of the locally preferred alternative for the South Oak Cliff corridor, the South Oak Cliff corridor extension-Camp Wisdom, the West Oak Cliff corridor-Westmoreland, the North Central corridor-Park Lane, the North Central corridor-Richardson, Plano, and Garland extensions, the Pleasant Grove corridor-Buckner, and the Carrollton corridors-Farmers Branch and Las Colinas terminal.

(H) other programs designated by law or the Secretary.

(2) Consistent with the time requirements of subsection (a) of this section or as otherwise provided by law, the Secretary shall make at least one full funding grant agreement for each program described in paragraph (1) of this subsection. The agreement shall include commitments to advance each of the applicant's program elements (in the program of interrelated projects) through the appropriate program review stages as provided in subsection (a) or as otherwise provided by law and to provide Government financing for each element. The agreement may be changed to include design and construction of a particular element.

(3) When reviewing a project in a program of interrelated projects, the Secretary shall consider the local financial commitment, transportation effectiveness, and other assessment factors of all program elements to the extent consideration expedites carrying out the project.

(4) Including a program element not financed by the Government in a program of interrelated projects does not impose Government requirements that otherwise would not apply to the element.

§ 5329. Investigation of safety hazards

(a) GENERAL.—The Secretary of Transportation may investigate a condition in equipment, a facility, or an operation financed under this chapter that the Secretary believes causes a serious hazard of death or injury to establish the nature and extent of the condition and how to eliminate or correct it. If the Secretary establishes that a condition causes a hazard, the Secretary shall require the local governmental authority receiving amounts under this chapter to submit a plan for correcting it. The Secretary may withhold further financial assistance under this chapter until a plan is approved and carried out.

(b) REPORT.—Not later than June 15, 1992, the Secretary shall submit to Congress a report containing—

(1) a description of actions taken to identify and investigate conditions in a facility, equipment, or way of operating as part of the findings and decisions required of the Secretary in providing a grant or loan under this chapter;

(2) a description of actions of the Secretary to correct or eliminate, as a requirement for making an amount available through a grant or loan under this chapter, a condition found to create a serious hazard of death or injury;

(3) a summary of all passenger-related deaths and injuries resulting from an unsafe condition in a facility, equipment, or

way of operating a facility or equipment at least partly financed under this chapter;

(4) a summary of all employee-related deaths and injuries resulting from an unsafe condition in a facility, equipment, or way of operating a facility or equipment at least partly financed under this chapter;

(5) a summary of action of the Secretary to correct or eliminate the unsafe condition to which the deaths and injuries referred to in clauses (3) and (4) of this subsection were attributed;

(6) a summary of actions of the Secretary to alert mass transportation operators of the nature of the unsafe condition found to create a serious hazard of death or injury; and

(7) recommendations of the Secretary to Congress of any legislative or administrative actions necessary to ensure that all recipients of amounts under this chapter will undertake the best way available to correct or eliminate hazards of death or injury, including—

(A) a timetable for undertaking actions;

(B) an estimate of the capital and operating cost to take the actions; and

(C) minimum standards for establishing and carrying out safety plans by recipients of amounts under this chapter.

§ 5330. Withholding amounts for noncompliance with safety requirements

(a) APPLICATION.—This section applies only to States that have rail fixed guideway mass transportation systems not subject to regulation by the Federal Railroad Administration.

(b) GENERAL AUTHORITY.—The Secretary of Transportation may withhold not more than 5 percent of the amount required to be appropriated for use in a State or urbanized area in the State under section 5307 of this title for a fiscal year beginning after September 30, 1994, if the State in the prior fiscal year has not met the requirements of subsection (c) of this section and the Secretary decides the State is not making an adequate effort to comply with subsection (c).

(c) STATE REQUIREMENTS.—A State meets the requirements of this section if the State—

(1) establishes and is carrying out a safety program plan for each fixed guideway mass transportation system in the State that establishes at least safety requirements, lines of authority, levels of responsibility and accountability, and methods of documentation for the system; and

(2) designates a State authority as having responsibility—

(A) to require, review, approve, and monitor the carrying out of each plan;

(B) to investigate hazardous conditions and accidents on the systems; and

(C) to require corrective action to correct or eliminate those conditions.

(d) MULTISTATE INVOLVEMENT.—When more than one State is subject to this section in connection with a single mass transpor-

tation authority, the affected States may designate an entity (except the mass transportation authority) to ensure uniform safety standards and enforcement and to meet the requirements of subsection (c) of this section.

(e) AVAILABILITY OF WITHHELD AMOUNTS.—(1) An amount withheld under subsection (b) of this section remains available for apportionment for use in the State until the end of the 2d fiscal year after the fiscal year for which the amount may be appropriated.

(2) If a State meets the requirements of subsection (c) of this section before the last day of the period for which an amount withheld under subsection (b) of this section remains available under paragraph (1) of this subsection, the Secretary, on the first day on which the State meets the requirements, shall apportion to the State the amount withheld that remains available for apportionment for use in the State. An amount apportioned under this paragraph remains available until the end of the 3d fiscal year after the fiscal year in which the amount is apportioned. An amount not obligated at the end of the 3-year period shall be apportioned for use in other States under section 5336 of this title.

(3) If a State does not meet the requirements of subsection (c) of this section at the end of the period for which an amount withheld under subsection (b) of this section remains available under paragraph (1) of this subsection, the amount shall be apportioned for use in other States under section 5336 of this title.

(f) REGULATIONS.—Not later than December 18, 1992, the Secretary shall prescribe regulations stating the requirements for complying with subsection (c) of this section.

§ 5331. Alcohol and controlled substances testing

(a) DEFINITIONS.—In this section—

(1) “controlled substance” means any substance under section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802) whose use the Secretary of Transportation decides has a risk to transportation safety.

(2) “person” includes any entity organized or existing under the laws of the United States, a State, territory, or possession of the United States, or a foreign country.

(3) “mass transportation” means any form of mass transportation, except a form the Secretary decides is covered adequately, for employee alcohol and controlled substances testing purposes, under section 20140 or 31306 of this title.

(b) TESTING PROGRAM FOR MASS TRANSPORTATION EMPLOYEES.—(1)(A) In the interest of mass transportation safety, the Secretary shall prescribe regulations that establish a program requiring mass transportation operations that receive financial assistance under section 5307, 5309, or 5311 of this title or section 103(e)(4) of title 23 to conduct preemployment, reasonable suspicion, random, and post-accident testing of mass transportation employees responsible for safety-sensitive functions (as decided by the Secretary) for the use of a controlled substance in violation of law or a United States Government regulation, and to conduct reasonable suspicion, random, and post-accident testing of such employees for the use of alcohol in violation of law or a United States Govern-

ment regulation. The regulations shall permit such operations to conduct preemployment testing of such employees for the use of alcohol.

(B) When the Secretary of Transportation considers it appropriate in the interest of safety, the Secretary may prescribe regulations for conducting periodic recurring testing of mass transportation employees responsible for safety-sensitive functions (as decided by the Secretary) for the use of alcohol or a controlled substance in violation of law or a Government regulation.

(2) In prescribing regulations under this subsection, the Secretary of Transportation—

(A) shall require that post-accident testing of such a mass transportation employee be conducted when loss of human life occurs in an accident involving mass transportation; and

(B) may require that post-accident testing of such a mass transportation employee be conducted when bodily injury or significant property damage occurs in any other serious accident involving mass transportation.

(c) DISQUALIFICATIONS FOR USE.—(1) When the Secretary of Transportation considers it appropriate, the Secretary shall require disqualification for an established period of time or dismissal of any employee referred to in subsection (b)(1) of this section who is found—

(A) to have used or been impaired by alcohol when on duty; or

(B) to have used a controlled substance, whether or not on duty, except as allowed for medical purposes by law or regulation.

(2) This section does not supersede any penalty applicable to a mass transportation employee under another law.

(d) TESTING AND LABORATORY REQUIREMENTS.—In carrying out subsection (b) of this section, the Secretary of Transportation shall develop requirements that shall—

(1) promote, to the maximum extent practicable, individual privacy in the collection of specimens;

(2) for laboratories and testing procedures for controlled substances, incorporate the Department of Health and Human Services scientific and technical guidelines dated April 11, 1988, and any amendments to those guidelines, including mandatory guidelines establishing—

(A) comprehensive standards for every aspect of laboratory controlled substances testing and laboratory procedures to be applied in carrying out this section, including standards requiring the use of the best available technology to ensure the complete reliability and accuracy of controlled substances tests and strict procedures governing the chain of custody of specimens collected for controlled substances testing;

(B) the minimum list of controlled substances for which individuals may be tested; and

(C) appropriate standards and procedures for periodic review of laboratories and criteria for certification and revocation of certification of laboratories to perform controlled substances testing in carrying out this section;

(3) require that a laboratory involved in controlled substances testing under this section have the capability and facility, at the laboratory, of performing screening and confirmation tests;

(4) provide that all tests indicating the use of alcohol or a controlled substance in violation of law or a Government regulation be confirmed by a scientifically recognized method of testing capable of providing quantitative information about alcohol or a controlled substance;

(5) provide that each specimen be subdivided, secured, and labeled in the presence of the tested individual and that a part of the specimen be retained in a secure manner to prevent the possibility of tampering, so that if the individual's confirmation test results are positive the individual has an opportunity to have the retained part tested by a 2d confirmation test done independently at another certified laboratory if the individual requests the 2d confirmation test not later than 3 days after being advised of the results of the first confirmation test;

(6) ensure appropriate safeguards for testing to detect and quantify alcohol in breath and body fluid samples, including urine and blood, through the development of regulations that may be necessary and in consultation with the Secretary of Health and Human Services;

(7) provide for the confidentiality of test results and medical information (except information about alcohol or a controlled substance) of employees, except that this clause does not prevent the use of test results for the orderly imposition of appropriate sanctions under this section; and

(8) ensure that employees are selected for tests by non-discriminatory and impartial methods, so that no employee is harassed by being treated differently from other employees in similar circumstances.

(e) REHABILITATION.—The Secretary of Transportation shall prescribe regulations establishing requirements for rehabilitation programs that provide for the identification and opportunity for treatment of any mass transportation employee referred to in subsection (b)(1) of this section who is found to have used alcohol or a controlled substance in violation of law or a Government regulation. The Secretary shall decide on the circumstances under which employees shall be required to participate in a program. This subsection does not prevent a mass transportation operation from establishing a program under this section in cooperation with another mass transportation operation.

(f) RELATIONSHIP TO OTHER LAWS, REGULATIONS, STANDARDS, AND ORDERS.—(1) A State or local government may not prescribe, issue, or continue in effect a law, regulation, standard, or order that is inconsistent with regulations prescribed under this section. However, a regulation prescribed under this section does not preempt a State criminal law that imposes sanctions for reckless conduct leading to loss of life, injury, or damage to property.

(2) In prescribing regulations under this section, the Secretary of Transportation—

(A) shall establish only requirements that are consistent with international obligations of the United States; and

(B) shall consider applicable laws and regulations of foreign countries.

(3) This section does not prevent the Secretary of Transportation from continuing in effect, amending, or further supplementing a regulation prescribed before October 28, 1991, governing the use of alcohol or a controlled substance by mass transportation employees.

(g) INELIGIBILITY FOR ASSISTANCE.—A person is not eligible for financial assistance under section 5307, 5309, or 5311 of this title or section 103(e)(4) of title 23 if the person is required, under regulations the Secretary of Transportation prescribes under this section, to establish a program of alcohol and controlled substances testing and does not establish the program.

§ 5332. Nondiscrimination

(a) DEFINITION.—In this section, “person” includes a governmental authority, political subdivision, authority, legal representative, trust, unincorporated organization, trustee, trustee in bankruptcy, and receiver.

(b) PROHIBITIONS.—A person may not be excluded from participating in, denied a benefit of, or discriminated against under, a project, program, or activity receiving financial assistance under this chapter because of race, color, creed, national origin, sex, or age.

(c) COMPLIANCE.—(1) The Secretary of Transportation shall take affirmative action to ensure compliance with subsection (b) of this section.

(2) When the Secretary decides that a person receiving financial assistance under this chapter is not complying with subsection (b) of this section, a civil rights law of the United States, or a regulation or order under that law, the Secretary shall notify the person of the decision and require action be taken to ensure compliance with subsection (b).

(d) AUTHORITY OF SECRETARY FOR NONCOMPLIANCE.—If a person does not comply with subsection (b) of this section within a reasonable time after receiving notice, the Secretary shall—

(1) direct that no further financial assistance of the United States Government under this chapter be provided to the person;

(2) refer the matter to the Attorney General with a recommendation that a civil action be brought;

(3) proceed under title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.); and

(4) take any other action provided by law.

(e) CIVIL ACTIONS BY ATTORNEY GENERAL.—The Attorney General may bring a civil action for appropriate relief when—

(1) a matter is referred to the Attorney General under subsection (d)(2) of this section; or

(2) the Attorney General believes a person is engaged in a pattern or practice in violation of this section.

(f) APPLICATION AND RELATIONSHIP TO OTHER LAWS.—This section applies to an employment or business opportunity and is in addition to title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.).

§ 5333. Labor standards

(a) **PREVAILING WAGES REQUIREMENT.**—The Secretary of Transportation shall ensure that laborers and mechanics employed by contractors and subcontractors in construction work financed with a grant or loan under this chapter be paid wages not less than those prevailing on similar construction in the locality, as determined by the Secretary of Labor under sections 3141–3144, 3146, and 3147 of title 40. The Secretary of Transportation may approve a grant or loan only after being assured that required labor standards will be maintained on the construction work. For a labor standard under this subsection, the Secretary of Labor has the same duties and powers stated in Reorganization Plan No. 14 of 1950 (eff. May 24, 1950, 64 Stat. 1267) and section 3145 of title 40.

(b) **EMPLOYEE PROTECTIVE ARRANGEMENTS.**—(1) As a condition of financial assistance under sections 5307–5312, 5318(d), 5323(a)(1), (b), (d), and (e), 5328, 5337, and 5338(b) of this title, the interests of employees affected by the assistance shall be protected under arrangements the Secretary of Labor concludes are fair and equitable. The agreement granting the assistance under sections 5307–5312, 5318(d), 5323(a)(1), (b), (d), and (e), 5328, 5337, and 5338(b) shall specify the arrangements.

(2) Arrangements under this subsection shall include provisions that may be necessary for—

(A) the preservation of rights, privileges, and benefits (including continuation of pension rights and benefits) under existing collective bargaining agreements or otherwise;

(B) the continuation of collective bargaining rights;

(C) the protection of individual employees against a worsening of their positions related to employment;

(D) assurances of employment to employees of acquired mass transportation systems;

(E) assurances of priority of reemployment of employees whose employment is ended or who are laid off; and

(F) paid training or retraining programs.

(3) Arrangements under this subsection shall provide benefits at least equal to benefits established under section 11326 of this title.

§ 5334. Administrative provisions

(a) **GENERAL AUTHORITY.**—In carrying out this chapter, the Secretary of Transportation may—

(1) prescribe terms for a project under sections 5307 and 5309–5311 of this title (except terms the Secretary of Labor prescribes under section 5333(b) of this title);

(2) sue and be sued;

(3) foreclose on property or bring a civil action to protect or enforce a right conferred on the Secretary of Transportation by law or agreement;

(4) buy property related to a loan under this chapter;

(5) agree to pay an annual amount in place of a State or local tax on real property acquired or owned under this chapter;

(6) sell, exchange, or lease property, a security, or an obligation;

(7) obtain loss insurance for property and assets the Secretary of Transportation holds;

(8) consent to a modification in an agreement under this chapter;

(9) include in an agreement or instrument under this chapter a covenant or term the Secretary of Transportation considers necessary to carry out this chapter; and

(10) collect fees to cover the costs of training or conferences, including costs of promotional materials, sponsored by the Federal Transit Administration to promote mass transportation and credit amounts collected to the appropriation concerned.

(b) PROCEDURES FOR PRESCRIBING REGULATIONS.—(1) The Secretary of Transportation shall prepare an agenda listing all areas in which the Secretary intends to propose regulations governing activities under this chapter within the following 12 months. The Secretary shall publish the proposed agenda in the Federal Register as part of the Secretary's semiannual regulatory agenda that lists regulatory activities of the Federal Transit Administration. The Secretary shall submit the agenda to the Committees on Transportation and Infrastructure and Appropriations of the House of Representatives and the Committees on Banking, Housing, and Urban Affairs and Appropriations of the Senate on the day the agenda is published.

(2) Except for emergency regulations, the Secretary of Transportation shall give interested parties at least 60 days to participate in a regulatory proceeding under this chapter by submitting written information, views, or arguments, with or without an oral presentation, except when the Secretary for good cause finds that public notice and comment are unnecessary because of the routine nature or insignificant impact of the regulation or that an emergency regulation should be issued. The Secretary may extend the 60-day period if the Secretary decides the period is insufficient to allow diligent individuals to prepare comments or that other circumstances justify an extension.

(3) An emergency regulation ends 120 days after it is issued.

(4) The Secretary of Transportation shall comply with this section (except subsections (h) and (i)) and sections 5323(a)(2), 5323(c), 5323(e), 5324(c), 5325(a), 5325(b), 5326(c), and 5326(d) when proposing or carrying out a regulation governing an activity under this chapter, except for a routine matter or a matter with no significant impact.

(c) BUDGET PROGRAM AND SET OF ACCOUNTS.—The Secretary of Transportation shall—

(1) submit each year a budget program as provided in section 9103 of title 31; and

(2) maintain a set of accounts for audit under chapter 35 of title 31.

(d) DEPOSITORY AND AVAILABILITY OF AMOUNTS.—The Secretary of Transportation shall deposit amounts made available to the Secretary under this chapter in a checking account in the Treasury. Receipts, assets, and amounts obtained or held by the

Secretary to carry out this chapter are available for administrative expenses to carry out this chapter.

(e) **BINDING EFFECT OF FINANCIAL TRANSACTION.**—A financial transaction of the Secretary of Transportation under this chapter and a related voucher are binding on all officers and employees of the United States Government.

(f) **DEALING WITH ACQUIRED PROPERTY.**—Notwithstanding another law related to the Government acquiring, using, or disposing of real property, the Secretary of Transportation may deal with property acquired under subsection (a)(3) or (4) of this section in any way. However, this subsection does not—

(1) deprive a State or political subdivision of a State of jurisdiction of the property; or

(2) impair the civil rights, under the laws of a State or political subdivision of a State, of an inhabitant of the property.

(g) **TRANSFER OF ASSETS NO LONGER NEEDED.**—(1) If a recipient of assistance under this chapter decides an asset acquired under this chapter at least in part with that assistance is no longer needed for the purpose for which it was acquired, the Secretary of Transportation may authorize the recipient to transfer the asset to a local governmental authority to be used for a public purpose with no further obligation to the Government. The Secretary may authorize a transfer for a public purpose other than mass transportation only if the Secretary decides—

(A) the asset will remain in public use for at least 5 years after the date the asset is transferred;

(B) there is no purpose eligible for assistance under this chapter for which the asset should be used;

(C) the overall benefit of allowing the transfer is greater than the interest of the Government in liquidation and return of the financial interest of the Government in the asset, after considering fair market value and other factors; and

(D) through an appropriate screening or survey process, that there is no interest in acquiring the asset for Government use if the asset is a facility or land.

(2) A decision under paragraph (1) of this section must be in writing and include the reason for the decision.

(3) This subsection is in addition to another law related to using and disposing of a facility or equipment under an assistance agreement.

(4) **PROCEEDS FROM THE SALE OF TRANSIT ASSETS.**—

(A) **IN GENERAL.**—When real property, equipment, or supplies acquired with assistance under this chapter are no longer needed for mass transportation purposes as determined under the applicable assistance agreement, the Secretary may authorize the sale, transfer, or lease of the assets under conditions determined by the Secretary and subject to the requirements of this subsection.

(B) **USE.**—The net income from asset sales, uses, or leases (including lease renewals) under this subsection shall be used by the recipient to reduce the gross project cost of other capital projects carried out under this chapter.

(C) RELATIONSHIP TO OTHER AUTHORITY.—The authority of the Secretary under this subsection is in addition to existing authorities controlling allocation or use of recipient income otherwise permissible in law or regulation in effect prior to the date of enactment of this paragraph.

(h) TRANSFER OF AMOUNTS AND NON-GOVERNMENT SHARE.—(1) Amounts made available for a mass transportation project under title 23 shall be transferred to and administered by the Secretary of Transportation under this chapter. Amounts made available for a highway project under this chapter shall be transferred to and administered by the Secretary under title 23.

(2) The provisions of title 23 related to the non-Government share apply to amounts under title 23 used for mass transportation projects. The provisions of this chapter related to the non-Government share apply to amounts under this chapter used for highway projects.

(i) AUTHORITY OF SECRETARY OF HOUSING AND URBAN DEVELOPMENT.—The Secretary of Housing and Urban Development shall—

(1) carry out section 5312(a) and (b)(1) of this title related to—

(A) urban transportation systems and planned development of urban areas; and

(B) the role of transportation planning in overall urban planning; and

(2) advise and assist the Secretary of Transportation in making findings under section 5323(a)(1)(A) of this title.

(j) RELATIONSHIP TO OTHER LAWS.—(1) Section 9107(a) of title 31 applies to the Secretary of Transportation under this chapter.

(2) Section 3709 of the Revised Statutes (41 U.S.C. 5) applies to a contract for more than \$1,000 for services or supplies related to property acquired under this chapter.

§ 5335. Reports and audits

(a) NATIONAL TRANSIT DATABASE.—(1) To help meet the needs of individual mass transportation systems, the United States Government, State and local governments, and the public for information on which to base mass transportation service planning, the Secretary of Transportation shall maintain a reporting system, using uniform categories to accumulate mass transportation financial and operating information and using a uniform system of accounts. The reporting and uniform systems shall contain appropriate information to help any level of government make a public sector investment decision. The Secretary may request and receive appropriate information from any source.

(2) The Secretary may make a grant under section 5307 of this title only if the applicant, and any person that will receive benefits directly from the grant, are subject to the reporting and uniform systems.

(b) BIENNIAL TRANSFERABILITY REPORT.—In January 1993, the Comptroller General shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate

a report on carrying out section 5307(b)(5) of this title. The report shall—

(1) identify, by State, the amount of mass transportation money transferred for non-mass transportation purposes under section 5307(b)(5) of this title during the prior fiscal year;

(2) include an assessment of the impact of the transfers on the mass transportation needs of individuals and communities in the State, including the impact on—

(A) the State's ability to meet the mass transportation needs of elderly individuals and individuals with disabilities;

(B) efforts to meet the objectives of the Clean Air Act (42 U.S.C. 7401 et seq.) and the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.); and

(C) the State's efforts to extend public mass transportation services to unserved rural areas; and

(3) examine the relative levels of Government mass transportation assistance and services in urban and rural areas in the fiscal year that ended September 30, 1991, and the extent to which the assistance and service has changed in later fiscal years because of mass transportation resources made available under this chapter and the Intermodal Surface Transportation Efficiency Act of 1991 (Public Law 102-240, 105 Stat. 1914).

§ 5336. Apportionment of appropriations for formula grants

(a) **BASED ON URBANIZED AREA POPULATION.**—Of the amount made available or appropriated under section 5338(a) of this title—

(1) 9.32 percent shall be apportioned each fiscal year only in urbanized areas with a population of less than 200,000 so that each of those areas is entitled to receive an amount equal to—

(A) 50 percent of the total amount apportioned multiplied by a ratio equal to the population of the area divided by the total population of all urbanized areas with populations of less than 200,000 as shown in the latest United States Government census; and

(B) 50 percent of the total amount apportioned multiplied by a ratio for the area based on population weighted by a factor, established by the Secretary of Transportation, of the number of inhabitants in each square mile; and

(2) 90.68 percent shall be apportioned each fiscal year only in urbanized areas with populations of at least 200,000 as provided in subsections (b) and (c) of this section.

(b) **BASED ON FIXED GUIDEWAY REVENUE VEHICLE-MILES, ROUTE-MILES, AND PASSENGER-MILES.**—(1) In this subsection, “fixed guideway revenue vehicle-miles” and “fixed guideway route-miles” include ferry boat operations directly or under contract by the designated recipient.

(2) Of the amount apportioned under subsection (a)(2) of this section, 33.29 percent shall be apportioned as follows:

(A) 95.61 percent of the total amount apportioned under this subsection shall be apportioned so that each urbanized area with a population of at least 200,000 is entitled to receive an amount equal to—

(i) 60 percent of the 95.61 percent apportioned under this subparagraph multiplied by a ratio equal to the number of fixed guideway revenue vehicle-miles attributable to the area, as established by the Secretary of Transportation, divided by the total number of all fixed guideway revenue vehicle-miles attributable to all areas; and

(ii) 40 percent of the 95.61 percent apportioned under this subparagraph multiplied by a ratio equal to the number of fixed guideway route-miles attributable to the area, established by the Secretary, divided by the total number of all fixed guideway route-miles attributable to all areas.

An urbanized area with a population of at least 750,000 in which commuter rail transportation is provided shall receive at least .75 percent of the total amount apportioned under this subparagraph.

(B) 4.39 percent of the total amount apportioned under this subsection shall be apportioned so that each urbanized area with a population of at least 200,000 is entitled to receive an amount equal to—

(i) the number of fixed guideway vehicle passenger-miles traveled multiplied by the number of fixed guideway vehicle passenger-miles traveled for each dollar of operating cost in an area; divided by

(ii) the total number of fixed guideway vehicle passenger-miles traveled multiplied by the total number of fixed guideway vehicle passenger-miles traveled for each dollar of operating cost in all areas.

An urbanized area with a population of at least 750,000 in which commuter rail transportation is provided shall receive at least .75 percent of the total amount apportioned under this subparagraph.

(C) Under subparagraph (A) of this paragraph, fixed guideway revenue vehicle- or route-miles, and passengers served on those miles, in an urbanized area with a population of less than 200,000, where the miles and passengers served otherwise would be attributable to an urbanized area with a population of at least 1,000,000 in an adjacent State, are attributable to the governmental authority in the State in which the urbanized area with a population of less than 200,000 is located. The authority is deemed an urbanized area with a population of at least 200,000 if the authority makes a contract for the service.

(D) A recipient's apportionment under subparagraph (A)(i) of this paragraph may not be reduced if the recipient, after satisfying the Secretary of Transportation that energy or operating efficiencies would be achieved, reduces revenue vehicle-miles but provides the same frequency of revenue service to the same number of riders.

(c) BASED ON BUS REVENUE VEHICLE-MILES AND PASSENGER-MILES.—Of the amount apportioned under subsection (a)(2) of this section, 66.71 percent shall be apportioned as follows:

(1) 90.8 percent of the total amount apportioned under this subsection shall be apportioned as follows:

- (A) 73.39 percent of the 90.8 percent apportioned under this paragraph shall be apportioned so that each urbanized area with a population of at least 1,000,000 is entitled to receive an amount equal to—
- (i) 50 percent of the 73.39 percent apportioned under this subparagraph multiplied by a ratio equal to the total bus revenue vehicle-miles operated in or directly serving the urbanized area divided by the total bus revenue vehicle-miles attributable to all areas;
 - (ii) 25 percent of the 73.39 percent apportioned under this subparagraph multiplied by a ratio equal to the population of the area divided by the total population of all areas, as shown by the latest Government census; and
 - (iii) 25 percent of the 73.39 percent apportioned under this subparagraph multiplied by a ratio for the area based on population weighted by a factor, established by the Secretary of Transportation, of the number of inhabitants in each square mile.
- (B) 26.61 percent of the 90.8 percent apportioned under this paragraph shall be apportioned so that each urbanized area with a population of at least 200,000 but not more than 999,999 is entitled to receive an amount equal to—
- (i) 50 percent of the 26.61 percent apportioned under this subparagraph multiplied by a ratio equal to the total bus revenue vehicle-miles operated in or directly serving the urbanized area divided by the total bus revenue vehicle-miles attributable to all areas;
 - (ii) 25 percent of the 26.61 percent apportioned under this subparagraph multiplied by a ratio equal to the population of the area divided by the total population of all areas, as shown by the latest Government census; and
 - (iii) 25 percent of the 26.61 percent apportioned under this subparagraph multiplied by a ratio for the area based on population weighted by a factor, established by the Secretary of Transportation, of the number of inhabitants in each square mile.
- (2) 9.2 percent of the total amount apportioned under this subsection shall be apportioned so that each urbanized area with a population of at least 200,000 is entitled to receive an amount equal to—
- (A) the number of bus passenger-miles traveled multiplied by the number of bus passenger-miles traveled for each dollar of operating cost in an area; divided by
 - (B) the total number of bus passenger-miles traveled multiplied by the total number of bus passenger-miles traveled for each dollar of operating cost in all areas.
- (d) [Reserved.]
- (e) DATE OF APPORTIONMENT.—The Secretary of Transportation shall—
- (1) apportion amounts appropriated under subsections (a) and (h)(2) of section 5338 of this title to carry out section 5307

of this title not later than the 10th day after the date the amounts are appropriated or October 1 of the fiscal year for which the amounts are appropriated, whichever is later; and

(2) publish apportionments of the amounts, including amounts attributable to each urbanized area with a population of more than 50,000 and amounts attributable to each State of a multistate urbanized area, on the apportionment date.

(f) AMOUNTS NOT APPORTIONED TO DESIGNATED RECIPIENTS.—

The chief executive officer of a State may expend in an urbanized area with a population of less than 200,000 an amount apportioned under this section that is not apportioned to a designated recipient as defined in section 5307(a) of this title.

(g) TRANSFERS OF APPORTIONMENTS.—(1) The chief executive officer of a State may transfer any part of the State's apportionment under subsection (a)(1) of this section to supplement amounts apportioned to the State under section 5311(c) of this title or amounts apportioned to urbanized areas under this subsection. The chief executive officer may make a transfer only after consulting with responsible local officials and publicly owned operators of mass transportation in each area for which the amount originally was apportioned under this section.

(2) The chief executive officer of a State may transfer any part of the State's apportionment under section 5311(c) of this title to supplement amounts apportioned to the State under subsection (a)(1) of this section.

(3) The chief executive officer of a State may use throughout the State amounts of a State's apportionment remaining available for obligation at the beginning of the 90-day period before the period of the availability of the amounts expires.

(4) A designated recipient for an urbanized area with a population of at least 200,000 may transfer a part of its apportionment under this section to the chief executive officer of a State. The chief executive officer shall distribute the transferred amounts to urbanized areas under this section.

(5) Capital and operating assistance limitations applicable to the original apportionment apply to amounts transferred under this subsection.

(h) CHANGES OF APPORTIONMENTS.—If sufficient amounts are available, the Secretary of Transportation shall change apportionments under this section between the Mass Transit Account of the Highway Trust Fund and the general fund to ensure that each recipient receives from the general fund at least as much operating assistance made available each fiscal year under this section as the recipient is eligible to receive.

(i) PERIOD OF AVAILABILITY TO RECIPIENTS.—An amount apportioned under this section may be obligated by the recipient for 3 years after the fiscal year in which the amount is apportioned. Not later than 30 days after the end of the 3-year period, an amount that is not obligated at the end of that period shall be added to the amount that may be apportioned under this section in the next fiscal year.

(j) APPLICATION OF OTHER SECTIONS.—Sections 5302, 5318, 5323(a)(1), (d), and (f), 5332, and 5333 of this title apply to this section and to a grant made under this section. Except as provided in

this section, no other provision of this chapter applies to this section or to a grant made under this section.

(k) CERTAIN URBANIZED AREAS GRANDFATHERED.—An area designated an urbanized area under the 1980 census and not designated an urbanized area under the 1990 census for the fiscal year ending September 30, 1993, is eligible to receive—

(1) 50 percent of the amount the area would have received if the area had been an urbanized area as defined by section 5302(a)(13) of this title; and

(2) an amount equal to 50 percent of the amount that the State in which the area is located would have received if the area had been an area other than an urbanized area.

§ 5337. Apportionment of appropriations for fixed guideway modernization

(a) DISTRIBUTION.—The Secretary shall apportion amounts made available for fixed guideway modernization under section 5309 for each of fiscal years 1998 through 2003 as follows:

(1) The first \$497,700,000 shall be apportioned in the following urbanized areas as follows:

- (A) Baltimore, \$8,372,000.
- (B) Boston, \$38,948,000.
- (C) Chicago/Northwestern Indiana, \$78,169,000.
- (D) Cleveland, \$9,509,500.
- (E) New Orleans, \$1,730,588.
- (F) New York, \$176,034,461.
- (G) Northeastern New Jersey, \$50,604,653.
- (H) Philadelphia/Southern New Jersey, \$58,924,764.
- (I) Pittsburgh, \$13,662,463.
- (J) San Francisco, \$33,989,571.
- (K) Southwestern Connecticut, \$27,755,000.

(2) The next \$70,000,000 shall be apportioned as follows:

(A) 50 percent in the urbanized areas listed in paragraph (1), as provided in section 5336(b)(2)(A).

(B) 50 percent in other urbanized areas eligible for assistance under section 5336(b)(2)(A) to which amounts were apportioned under this section for fiscal year 1997, as provided in section 5336(b)(2)(A) and subsection (e)(1) of this section.

(3) The next \$5,700,000 shall be apportioned in the following urbanized areas as follows:

- (A) Pittsburgh, 61.76 percent.
- (B) Cleveland, 10.73 percent.
- (C) New Orleans, 5.79 percent.

(D) 21.72 percent in urbanized areas to which paragraph (2)(B) applies, as provided in section 5336(b)(2)(A) and subsection (e)(1) of this section.

(4) The next \$186,600,000 shall be apportioned in each urbanized area to which paragraph (1) applies and in each urbanized area to which paragraph (2)(B) applies, as provided in section 5336(b)(2)(A) and subsection (e)(1) of this section.

(5) The next \$70,000,000 shall be apportioned as follows:

- (A) 65 percent in the urbanized areas listed in paragraph (1), as provided in section 5336(b)(2)(A) and subsection (e)(2) of this section.
- (B) 35 percent to other urbanized areas eligible for assistance under section 5336(b)(2)(A) if the areas contain fixed guideway systems placed in revenue service at least 7 years before the fiscal year in which amounts are made available and in any urbanized area if, before the first day of the fiscal year, the area satisfies the Secretary that the area has modernization needs that cannot adequately be met with amounts received under section 5336(b)(2)(A), as provided in section 5336(b)(2)(A) and subsection (e)(2) of this section.
- (6) The next \$50,000,000 shall be apportioned as follows:
- (A) 60 percent in the urbanized areas listed in paragraph (1), as provided in section 5336(b)(2)(A) and subsection (e)(2) of this section.
- (B) 40 percent to urbanized areas to which paragraph (5)(B) applies, as provided in section 5336(b)(2)(A) and subsection (e)(2) of this section.
- (7) Remaining amounts shall be apportioned as follows:
- (A) 50 percent in the urbanized areas listed in paragraph (1), as provided in section 5336(b)(2)(A) and subsection (e)(2) of this section.
- (B) 50 percent to urbanized areas to which paragraph (5)(B) applies, as provided in section 5336(b)(2)(A) and subsection (e)(2) of this section.
- (b) TOTAL AMOUNTS NOT AVAILABLE.—In a fiscal year in which the total amounts authorized under subsection (a)(1) and (2) of this section are not available, the Secretary shall reduce on a proportionate basis the apportionments of all urbanized areas eligible under subsection (a)(1) or (2) to adjust for the amount not available.
- (c) NEW JERSEY TRANSIT CORPORATION.—Rail modernization amounts allocated to the New Jersey Transit Corporation under this section may be spent in any urbanized area in which the New Jersey Transit Corporation operates rail transportation, regardless of which urbanized area generates the financing.
- (d) AVAILABILITY OF AMOUNTS.—An amount apportioned under this section—
- (1) remains available for 3 years after the fiscal year in which the amount is apportioned; and
- (2) that is unobligated at the end of the 3-year period shall be reapportioned for the next fiscal year among urbanized areas eligible under subsection (a)(1)–(3) of this section using the apportionment formula of this section.
- (e) ROUTE SEGMENTS TO BE INCLUDED IN APPORTIONMENT FORMULAS.—
- (1) 1997 STANDARD.—Amounts apportioned under paragraphs (2)(B), (3), and (4) of subsection (a) shall have attributable to each urbanized area only the number of fixed guideway revenue miles of service and number of fixed guideway route miles for segments of fixed guideway systems used to determine apportionments for fiscal year 1997.

(2) OTHER STANDARDS.—Amounts apportioned under paragraphs (5) through (7) of subsection (a) shall have attributable to each urbanized area only the number of fixed guideway revenue miles of service and number of fixed guideway route-miles for segments of fixed guideway systems placed in revenue service at least 7 years before the fiscal year in which amounts are made available.

§ 5338. Authorizations

(a) FORMULA GRANTS.—

(1) FISCAL YEAR 1998.—

(A) FROM THE TRUST FUND.—There shall be available from the Mass Transit Account of the Highway Trust Fund to carry out sections 5307, 5310, and 5311, \$2,260,000,000 for fiscal year 1998.

(B) FROM THE GENERAL FUND.—In addition to amounts made available under subparagraph (A), there are authorized to be appropriated to carry out sections 5307, 5310, and 5311, \$240,000,000 for fiscal year 1998.

(C) ALLOCATION OF FUNDS.—Of the aggregate of amounts made available by and appropriated under this paragraph for a fiscal year—

(i) \$4,849,950 shall be available to the Alaska Railroad for improvements to its passenger operations under section 5307;

(ii) \$62,219,389 shall be available to provide transportation services to elderly individuals and individuals with disabilities under section 5310;

(iii) \$134,077,934 shall be available to provide financial assistance for other than urbanized areas under section 5311; and

(iv) \$2,298,852,727 shall be available to provide financial assistance for urbanized areas under section 5307.

(2) FISCAL YEARS 1999 THROUGH 2003 AND FOR THE PERIOD OF OCTOBER 1, 2003, THROUGH APRIL 30, 2004.—

(A) FROM THE TRUST FUND.—There shall be available from the Mass Transit Account of the Highway Trust Fund to carry out sections 5307, 5308, 5310, and 5311—

(i) \$2,280,000,000 for fiscal year 1999;

(ii) \$2,478,400,000 for fiscal year 2000;

(iii) \$2,676,000,000 for fiscal year 2001;

(iv) \$2,873,600,000 for fiscal year 2002;

(v) \$3,071,200,000 for fiscal year 2003; and

(vi) \$1,780,963,287 for the period of October 1, 2003, through April 30, 2004.

(B) FROM THE GENERAL FUND.—In addition to amounts made available under subparagraph (A), there are authorized to be appropriated to carry out sections 5307, 5308, 5310, and 5311—

(i) \$570,000,000 for fiscal year 1999;

(ii) \$619,600,000 for fiscal year 2000;

(iii) \$669,000,000 for fiscal year 2001;

(iv) \$718,400,000 for fiscal year 2002;

(v) \$767,800,000 for fiscal year 2003; and

(vi) \$445,240,822 for the period of October 1, 2003, through April 30, 2004.

(C) ALLOCATION OF FUNDS.—Of the aggregate of amounts made available by and appropriated under this paragraph for a fiscal year (other than for the period of October 1, 2003, through April 30, 2004)—

(i) \$4,849,950 shall be available to the Alaska Railroad for improvements to its passenger operations under section 5307;

(ii) \$50,000,000 shall be available to carry out section 5308; and

(iii) of the remaining amount—

(I) 2.4 percent shall be available to provide transportation services to elderly individuals and individuals with disabilities under section 5310;

(II) 6.37 percent shall be available to provide financial assistance for other than urbanized areas under section 5311; and

(III) 91.23 percent shall be available to provide financial assistance for urbanized areas under section 5307.

(b) CAPITAL PROGRAM GRANTS AND LOANS.—

(1) FISCAL YEAR 1998.—There shall be available from the Mass Transit Account of the Highway Trust Fund to carry out section 5309, \$2,000,000,000 for fiscal year 1998.

(2) FISCAL YEARS 1999 THROUGH 2003 AND FOR THE PERIOD OF OCTOBER 1, 2003, THROUGH APRIL 30, 2004.—

(A) FROM THE TRUST FUND.—There shall be available from the Mass Transit Account of the Highway Trust Fund to carry out section 5309—

(i) \$1,805,600,000 for fiscal year 1999;

(ii) \$1,960,800,000 for fiscal year 2000;

(iii) \$2,116,800,000 for fiscal year 2001;

(iv) \$2,272,800,000 for fiscal year 2002;

(v) \$2,428,800,000 for fiscal year 2003; and

(vi) \$1,819,410,104 for the period of October 1, 2003, through April 30, 2004.

(B) FROM THE GENERAL FUND.—In addition to amounts made available under subparagraph (A), there are authorized to be appropriated to carry out section 5309—

(i) \$451,400,000 for fiscal year 1999;

(ii) \$490,200,000 for fiscal year 2000;

(iii) \$529,200,000 for fiscal year 2001;

(iv) \$568,200,000 for fiscal year 2002;

(v) \$607,200,000 for fiscal year 2003; and

(vi) \$363,882,021 for the period of October 1, 2003, through April 30, 2004.

(c) PLANNING.—

(1) FISCAL YEAR 1998.—There are authorized to be appropriated to carry out sections 5303, 5304, 5305, and 5313(b), \$47,750,000 for fiscal year 1998.

(2) FISCAL YEARS 1999 THROUGH 2003 AND FOR THE PERIOD OF OCTOBER 1, 2003, THROUGH APRIL 30, 2004.—

(A) FROM THE TRUST FUND.—There shall be available from the Mass Transit Account of the Highway Trust Fund to carry out sections 5303, 5304, 5305, and 5313(b)—

- (i) \$42,200,000 for fiscal year 1999;
- (ii) \$48,400,000 for fiscal year 2000;
- (iii) \$50,200,000 for fiscal year 2001;
- (iv) \$53,800,000 for fiscal year 2002;
- (v) \$58,600,000 for fiscal year 2003; and
- (vi) \$33,981,652 for the period of October 1, 2003, through April 30, 2004.

(B) FROM THE GENERAL FUND.—In addition to amounts made available under subparagraph (A), there are authorized to be appropriated to carry out sections 5303, 5304, 5305, and 5313(b)—

- (i) \$10,800,000 for fiscal year 1999;
- (ii) \$11,600,000 for fiscal year 2000;
- (iii) \$12,800,000 for fiscal year 2001;
- (iv) \$13,200,000 for fiscal year 2002;
- (v) \$14,400,000 for fiscal year 2003; and
- (vi) \$8,350,440 for the period of October 1, 2003, through April 30, 2004.

(C) ALLOCATION OF FUNDS.—Of the funds made available by or appropriated under this paragraph for a fiscal year or any portion of a fiscal year—

- (i) 82.72 percent shall be available for metropolitan planning under sections 5303, 5304, and 5305; and
- (ii) 17.28 percent shall be available for State planning under section 5313(b).

(d) RESEARCH.—

(1) FISCAL YEAR 1998.—There are authorized to be appropriated to carry out sections 5311(b)(2), 5312, 5313(a), 5314, 5315, and 5322, \$44,250,000 for fiscal year 1998.

(2) FISCAL YEARS 1999 THROUGH 2003 AND FOR THE PERIOD OF OCTOBER 1, 2003, THROUGH APRIL 30, 2004.—

(A) FROM THE TRUST FUND.—There shall be available from the Mass Transit Account of the Highway Trust Fund to carry out sections 5311(b)(2), 5312, 5313(a), 5314, 5315, and 5322—

- (i) \$36,000,000 for fiscal year 1999;
- (ii) \$37,600,000 for fiscal year 2000;
- (iii) \$37,600,000 for fiscal year 2001;
- (iv) \$39,200,000 for fiscal year 2002;
- (v) \$39,200,000 for fiscal year 2003; and
- (vi) \$24,471,428 for the period of October 1, 2003, through April 30, 2004.

(B) FROM THE GENERAL FUND.—In addition to amounts made available under subparagraph (A), there are authorized to be appropriated to carry out sections 5311(b)(2), 5312, 5313(a), 5314, 5315, and 5322—

- (i) \$9,000,000 for fiscal year 1999;
- (ii) \$9,400,000 for fiscal year 2000;
- (iii) \$9,400,000 for fiscal year 2001;
- (iv) \$9,800,000 for fiscal year 2002;
- (v) \$9,800,000 for fiscal year 2003; and

(vi) \$6,262,830 for the period of October 1, 2003, through April 30, 2004.

(C) ALLOCATION OF FUNDS.—Of the funds made available by or appropriated under this paragraph for a fiscal year (other than for the period of October 1, 2003, through April 30, 2004)—

(i) not less than \$5,250,000 shall be available for providing rural transportation assistance under section 5311(b)(2);

(ii) not less than \$8,250,000 shall be available for carrying out transit cooperative research programs under section 5313(a);

(iii) not less than \$4,000,000 shall be available to carry out programs under the National Transit Institute under section 5315, including not more than \$1,000,000 shall be available to carry out section 5315(a)(16); and

(iv) the remainder shall be available for carrying out national planning and research programs under sections 5311(b)(2), 5312, 5313(a), 5314, and 5322.

(e) UNIVERSITY TRANSPORTATION RESEARCH.—

(1) FISCAL YEAR 1998.—Subject to paragraph (2)(C), there are authorized to be appropriated to carry out section 5505¹ \$6,000,000 for fiscal year 1998.

(2) FISCAL YEARS 1999 THROUGH 2003 AND FOR THE PERIOD OF OCTOBER 1, 2003, THROUGH APRIL 30, 2004.—

(A) FROM THE TRUST FUND.—Subject to subparagraph (C), there shall be available from the Mass Transit Account of the Highway Trust Fund to carry out section 5505, \$4,800,000 for each of fiscal years 1999 through 2003 and \$2,783,480 for the period of October 1, 2003, through April 30, 2004.

(B) FROM THE GENERAL FUND.—Subject to subparagraph (C), in addition to amounts made available under subparagraph (A), there are authorized to be appropriated to carry out section 5505, \$1,200,000 for each of fiscal years 1999 through 2003 and \$695,870 for the period of October 1, 2003, through April 30, 2004.

(C) FUNDING OF CENTERS.—

(i) Of the amounts made available under subparagraph (A) and paragraph (1) for each fiscal year (other than for the period of October 1, 2003, through April 30, 2004)—

(I) \$2,000,000 shall be available for the center identified in section 5505(j)(4)(A); and

(II) \$2,000,000 shall be available for the center identified in section 5505(j)(4)(F).

(ii) For each of fiscal years 1998 through 2001, of the amounts made available under this paragraph and paragraph (1)—

(I) \$400,000 shall be available from amounts made available under subparagraph (A) of this

¹ So in original. Probably should be “5505.”

paragraph and under paragraph (1) for each of the centers identified in subparagraphs (E) and (F) of section 5505(j)(3); and

(II) \$350,000 shall be available from amounts made available under subparagraph (B) of this paragraph and under paragraph (1) for each of the centers identified in subparagraphs (E) and (F) of section 5505(j)(3).

(iii) Any amounts made available under this paragraph or paragraph (1) for any fiscal year (other than for the period of October 1, 2003, through April 30, 2004) that remain after distribution under clauses (i) and (ii), shall be available for the purposes identified in section 3015(d) of the Federal Transit Act of 1998.

(3) SPECIAL RULE.—Nothing in this subsection shall be construed to limit the transportation research conducted by the centers funded by this section.

(f) ADMINISTRATION.—

(1) FISCAL YEAR 1998.—There are authorized to be appropriated to carry out section 5334, \$45,738,000 for fiscal year 1998.

(2) FISCAL YEARS 1999 THROUGH 2003 AND FOR THE PERIOD OF OCTOBER 1, 2003, THROUGH APRIL 30, 2004.—

(A) FROM THE TRUST FUND.—There shall be available from the Mass Transit Account of the Highway Trust Fund to carry out section 5334—

- (i) \$43,200,000 for fiscal year 1999;
- (ii) \$48,000,000 for fiscal year 2000;
- (iii) \$51,200,000 for fiscal year 2001;
- (iv) \$53,600,000 for fiscal year 2002;
- (v) \$58,400,000 for fiscal year 2003; and
- (vi) \$35,025,457 for the period of October 1, 2003, through April 30, 2004.

(B) FROM THE GENERAL FUND.—In addition to amounts made available under subparagraph (A), there are authorized to be appropriated to carry out section 5334—

- (i) \$10,800,000 for fiscal year 1999;
- (ii) \$12,000,000 for fiscal year 2000;
- (iii) \$12,800,000 for fiscal year 2001;
- (iv) \$13,400,000 for fiscal year 2002;
- (v) \$14,600,000 for fiscal year 2003; and
- (vi) \$8,756,364 for the period of October 1, 2003, through April 30, 2004.

(g) GRANTS AS CONTRACTUAL OBLIGATIONS.—

(1) GRANTS FINANCED FROM THE HIGHWAY TRUST FUND.—A grant or contract approved by the Secretary, that is financed with amounts made available under subsection (a)(1)(A), (a)(2)(A), (b)(1), (b)(2)(A), (c)(2)(A), (d)(2)(A), (e)(2)(A), or (f)(2)(A) is a contractual obligation of the United States Government to pay the Government's share of the cost of the project.

(2) GRANTS FINANCED FROM GENERAL FUNDS.—A grant or contract, approved by the Secretary, that is financed with amounts made available under subsection (a)(1)(B), (a)(2)(B),

(b)(2)(B), (c)(1), (c)(2)(B), (d)(1), (d)(2)(B), (e)(1), (e)(2)(B), (f)(1), (f)(2)(B), or (h) is a contractual obligation of the Government to pay the Government's share of the cost of the project only to the extent that amounts are provided in advance in an appropriations Act.

(h) **ADDITIONAL AMOUNTS.**—In addition to amounts made available by or appropriated under subsections (a) through (f) under the Transportation Discretionary Spending Guarantee for the Mass Transit Category, there are authorized to be appropriated—

- (1) to carry out sections 5303, 5304, 5305, and 5313(b)—
 - (A) for fiscal year 1999, \$32,000,000;
 - (B) for fiscal year 2000, \$33,000,000;
 - (C) for fiscal year 2001, \$34,000,000;
 - (D) for fiscal year 2002, \$35,000,000; and
 - (E) for fiscal year 2003, \$36,000,000;
- (2) to carry out section 5307, \$150,000,000 for each of fiscal years 1999 through 2003;
- (3) to carry out section 5308, \$100,000,000 for each of fiscal years 1999 through 2003;
- (4) to carry out section 5309(m)(1)(A), \$100,000,000 for each of fiscal years 1999 through 2003;
- (5) to carry out section 5309(m)(1)(B)—
 - (A) for fiscal year 1999 \$400,000,000;
 - (B) for fiscal year 2000 \$410,000,000;
 - (C) for fiscal year 2001 \$420,000,000;
 - (D) for fiscal year 2002 \$430,000,000; and
 - (E) for fiscal year 2003 \$430,000,000;
- (6) to carry out section 5309(m)(1)(C), \$100,000,000 for each of fiscal years 1999 through 2003;
- (7) to carry out sections 5311(b)(2), 5312, 5313(a), 5314, 5315, and 5322—
 - (A) for fiscal year 1999, \$31,000,000;
 - (B) for fiscal year 2000, \$31,000,000;
 - (C) for fiscal year 2001, \$33,000,000;
 - (D) for fiscal year 2002, \$33,000,000; and
 - (E) for fiscal year 2003, \$34,000,000; and
- (8) to carry out section 5334—
 - (A) for fiscal year 1999, \$13,000,000;
 - (B) for fiscal year 2000, \$14,000,000;
 - (C) for fiscal year 2001, \$16,000,000;
 - (D) for fiscal year 2002, \$17,000,000; and
 - (E) for fiscal year 2003, \$18,000,000.

(i) **AVAILABILITY OF AMOUNTS.**—Amounts made available by or appropriated under subsections (a) through (e), and paragraphs (1) through (7) of subsection (h), shall remain available until expended.

SEC. 5339.¹ Effective for funds not yet expended on the effective date of this section, the Federal share for funds under this chapter for a grantee named in section 603(14) of Public Law 97-468 shall be the same as the Federal share under 23 U.S.C. section 120(b) for Federal aid highway funds apportioned to the State in which it operates.

¹ Section 356 of P.L. 108-7 (117 Stat. 421) added this new section 5339, which does not conform to the style of chapter 53.

CHAPTER 55—INTERMODAL TRANSPORTATION

SUBCHAPTER I—GENERAL

Sec.

- 5501. National Intermodal Transportation System policy.
- 5502. Intermodal Transportation Advisory Board.
- 5503. Office of Intermodalism.
- 5504. Model intermodal transportation plans.
- 5505. University transportation research.
- 5506. Advanced vehicle technologies program.

SUBCHAPTER II—TERMINALS

- 5561. Definition.
- 5562. Assistance projects.
- 5563. Conversion of certain rail passenger terminals.
- 5564. Interim preservation of certain rail passenger terminals.
- 5565. Encouraging the development of plans for converting certain rail passenger terminals.
- 5566. Records and audits.
- 5567. Preference for preserving buildings of historic or architectural significance.
- 5568. Authorization of appropriations.

SUBCHAPTER I—GENERAL

§ 5501. National Intermodal Transportation System policy

(a) GENERAL.—It is the policy of the United States Government to develop a National Intermodal Transportation System that is economically efficient and environmentally sound, provides the foundation for the United States to compete in the global economy, and will move individuals and property in an energy efficient way.

(b) SYSTEM CHARACTERISTICS.—(1) The National Intermodal Transportation System shall consist of all forms of transportation in a unified, interconnected manner, including the transportation systems of the future, to reduce energy consumption and air pollution while promoting economic development and supporting the United States' preeminent position in international commerce.

(2) The National Intermodal Transportation System shall include a National Highway System consisting of the Dwight D. Eisenhower System of Interstate and Defense Highways and those principal arterial roads that are essential for interstate and regional commerce and travel, national defense, intermodal transfer facilities, and international commerce and border crossings.

(3) The National Intermodal Transportation System shall include significant improvements in public transportation necessary to achieve national goals for improved air quality, energy conservation, international competitiveness, and mobility for elderly individuals, individuals with disabilities, and economically disadvantaged individuals in urban and rural areas of the United States.

(4) The National Intermodal Transportation System shall provide improved access to ports and airports, the Nation's link to commerce.

(5) The National Intermodal Transportation System shall give special emphasis to the contributions of the transportation sectors to increased productivity growth. Social benefits must be considered with particular attention to the external benefits of reduced air pollution, reduced traffic congestion, and other aspects of the quality of life in the United States.

(6) The National Intermodal Transportation System must be operated and maintained with insistent attention to the concepts of innovation, competition, energy efficiency, productivity, growth, and accountability. Practices that resulted in the lengthy and overly costly construction of the Dwight D. Eisenhower System of Interstate and Defense Highways must be confronted and stopped.

(7) The National Intermodal Transportation System shall be adapted to “intelligent vehicles”, “magnetic levitation systems”, and other new technologies, wherever feasible and economical, with benefit cost estimates given special emphasis on safety considerations and techniques for cost allocation.

(8) When appropriate, the National Intermodal Transportation System will be financed, as regards Government apportionments and reimbursements, by the Highway Trust Fund. Financial assistance will be provided to State and local governments and their instrumentalities to help carry out national goals related to mobility for elderly individuals, individuals with disabilities, and economically disadvantaged individuals.

(9) The National Intermodal Transportation System must be the centerpiece of a national investment commitment to create the new wealth of the United States for the 21st century.

(c) DISTRIBUTION AND POSTING.—The Secretary of Transportation shall distribute copies of the policy in subsections (a) and (b) of this section to each employee of the Department of Transportation and ensure that the policy is posted in all offices of the Department.

§ 5502. Intermodal Transportation Advisory Board

(a) ORGANIZATION.—The Intermodal Transportation Advisory Board is a board in the Office of the Secretary of Transportation.

(b) MEMBERSHIP.—The Board consists of the Secretary, who serves as chairman, and the Administrator, or the Administrator’s designee, of—

- (1) the Federal Highway Administration;
- (2) the Federal Aviation Administration;
- (3) the Maritime Administration;
- (4) the Federal Railroad Administration; and
- (5) the Federal Transit Administration.

(c) DUTIES AND POWERS.—The Board shall provide recommendations for carrying out the duties of the Secretary described in section 301(3) of this title.

§ 5503. Office of Intermodalism

(a) ESTABLISHMENT.—The Secretary of Transportation shall establish in the Office of the Secretary an Office of Intermodalism.

(b) DIRECTOR.—The head of the Office is a Director who shall be appointed by the Secretary.

(c) DUTIES AND POWERS.—The Director shall carry out the duties of the Secretary described in section 301(3) of this title.

(d) RESEARCH.—The Director shall—

- (1) coordinate United States Government research on intermodal transportation as provided in the plan developed under section 6009(b) of the Intermodal Surface Transportation

Efficiency Act of 1991 (Public Law 102-240, 105 Stat. 2177); and

(2) carry out additional research needs identified by the Director.

(e) TECHNICAL ASSISTANCE.—The Director shall provide technical assistance to States and to metropolitan planning organizations for urban areas having a population of at least 1,000,000 in collecting data related to intermodal transportation to facilitate the collection of the data by States and metropolitan planning organizations.

(f) ADMINISTRATIVE AND CLERICAL SUPPORT.—The Director shall provide administrative and clerical support to the Intermodal Transportation Advisory Board.

§ 5504. Model intermodal transportation plans

(a) GRANTS.—The Secretary of Transportation shall make grants to States to develop model State intermodal transportation plans that are consistent with the policy set forth in section 302(e) of this title. The model plans shall include systems for collecting data related to intermodal transportation.

(b) DISTRIBUTION.—The Secretary shall award grants to States under this section that represent a variety of geographic regions and transportation needs, patterns, and modes.

(c) PLAN SUBMISSION.—As a condition to a State receiving a grant under this section, the Secretary shall require that the State provide assurances that the State will submit to the Secretary a State intermodal transportation plan not later than 18 months after the date of receipt of the grant.

(d) GRANT AMOUNTS.—The Secretary shall reserve, from amounts deducted under section 104(a) of title 23, \$3,000,000 to make grants under this section. The total amount that a State may receive in grants under this section may not be more than \$500,000.

§ 5505. University transportation research

(a) REGIONAL CENTERS.—The Secretary of Transportation shall make grants to nonprofit institutions of higher learning to establish and operate 1 university transportation center in each of the 10 United States Government regions that comprise the Standard Federal Regional Boundary System.

(b) OTHER CENTERS.—The Secretary shall make grants to nonprofit institutions of higher learning to establish and operate university transportation centers, in addition to the centers receiving grants under subsection (a), to address transportation management and research and development matters, with special attention to increasing the number of highly skilled individuals entering the field of transportation.

(c) SELECTION OF GRANT RECIPIENTS.—

(1) APPLICATIONS.—In order to be eligible to receive a grant under this section, a nonprofit institution of higher learning shall submit to the Secretary an application that is in such form and contains such information as the Secretary may require.

(2) SELECTION CRITERIA.—Except as otherwise provided by this section, the Secretary shall select each recipient of a grant under this section through a competitive process on the basis of the following:

(A) For regional centers, the location of the center within the Federal region to be served.

(B) The demonstrated research and extension resources available to the recipient to carry out this section.

(C) The capability of the recipient to provide leadership in making national and regional contributions to the solution of immediate and long-range transportation problems.

(D) The recipient's establishment of a surface transportation program encompassing several modes of transportation.

(E) The recipient's demonstrated commitment of at least \$200,000 in regularly budgeted institutional amounts each year to support ongoing transportation research and education programs.

(F) The recipient's demonstrated ability to disseminate results of transportation research and education programs through a statewide or regionwide continuing education program.

(G) The strategic plan the recipient proposes to carry out under the grant.

(d) OBJECTIVES.—Each university transportation center receiving a grant under this section shall conduct the following programs and activities:

(1) Basic and applied research, the products of which are judged by peers or other experts in the field to advance the body of knowledge in transportation.

(2) An education program that includes multidisciplinary course work and participation in research.

(3) An ongoing program of technology transfer that makes research results available to potential users in a form that can be implemented, utilized, or otherwise applied.

(e) MAINTENANCE OF EFFORT.—In order to be eligible to receive a grant under this section, a recipient shall enter into an agreement with the Secretary to ensure that the recipient will maintain total expenditures from all other sources to establish and operate a university transportation center and related research activities at a level at least equal to the average level of such expenditures in its 2 fiscal years prior to award of a grant under this section.

(f) FEDERAL SHARE.—The Federal share of the costs of activities carried out using a grant made under this section is 50 percent of costs. The non-Federal share may include funds provided to a recipient under section 503, 504(b), or 505 of title 23, United States Code.

(g) PROGRAM COORDINATION.—

(1) COORDINATION.—The Secretary shall coordinate the research, education, training, and technology transfer activities that grant recipients carry out under this section, disseminate the results of the research, and establish and operate a clearinghouse.

(2) ANNUAL REVIEW AND EVALUATION.—At least annually and consistent with the plan developed under section 508 of title 23, United States Code, the Secretary shall review and evaluate programs the grant recipients carry out.

(3) FUNDING LIMITATION.—The Secretary may use not more than 1 percent of amounts made available from Government sources to carry out this subsection.

(h) LIMITATION ON AVAILABILITY OF FUNDS.—Funds made available to carry out this program shall remain available for obligation for a period of 2 years after the last day of the fiscal year for which such funds are authorized.

(i) NUMBER AND AMOUNT OF GRANTS.—Subject to section 5338(e):

(1) FISCAL YEARS 1998 AND 1999.—For each of fiscal years 1998 and 1999, the Secretary shall make the following grants under this section:

(A) GROUP A.—The Secretary shall make a grant in the amount of \$1,000,000 to each of the institutions or groups of institutions in group A.

(B) GROUP B.—The Secretary shall make a grant in the amount of \$300,000 to each of the institutions or groups of institutions in group B.

(C) GROUP C.—The Secretary shall make a grant in the amount of \$750,000 to each of the institutions or groups of institutions in group C.

(D) GROUP D.—The Secretary shall make a grant in the amount of \$2,000,000 to each of the institutions or groups of institutions in group D.

(2) FISCAL YEARS 2000 AND 2001.—For each of fiscal years 2000 and 2001, the Secretary shall make the following grants under this section:

(A) GROUP A.—The Secretary shall make a grant in the amount of \$1,000,000 to each of the institutions or groups of institutions in group A.

(B) GROUP B.—The Secretary shall make a grant in the amount of \$500,000 to 8 of the institutions or groups of institutions in group B.

(C) GROUP C.—The Secretary shall make a grant in the amount of \$750,000 to each of the institutions or groups of institutions in group C.

(D) GROUP D.—The Secretary shall make a grant in the amount of \$2,000,000 to each of the institutions or groups of institutions in group D.

(3) FISCAL YEARS 2002 AND 2003.—For each of fiscal years 2002 and 2003, the Secretary shall make the following grants under this section:

(A) GROUP A.—The Secretary shall make a grant in the amount of \$1,000,000 to each of the institutions or groups of institutions in group A.

(B) GROUPS B AND C.—The Secretary shall make a grant in the amount of \$1,000,000 to 10 of the institutions or groups of institutions in groups B and C that received grants under this section in fiscal years 2000 and 2001.

- (C) GROUP D.—The Secretary shall make a grant in the amount of \$2,000,000 to each of the institutions or groups of institutions in group D.
- (j) IDENTIFICATION OF GROUPS.—For the purpose of making grants under this section, the following groups are identified:
- (1) GROUP A.—Group A shall consist of the 10 regional centers selected under subsection (a).
- (2) GROUP B.—Group B shall consist of the following:
- (A) The University of Denver and Mississippi State University.
- (B) The University of Central Florida.
- (C) University of Southern California and California State University at Long Beach.
- (D) Rutgers University.
- (E) University of Missouri at Rolla.
- (F) South Carolina State University.
- (G) Joseph P. Kennedy Science and Technology Center, Assumption College, Massachusetts.
- (H) Purdue University.
- (3) GROUP C.—Group C shall consist of the following:
- (A) University of Arkansas.
- (B) New Jersey Institute of Technology.
- (C) University of Idaho.
- (D) The University of Alabama.
- (E) Morgan State University.
- (F) North Carolina State University.
- (G) San Jose State University.
- (H) University of South Florida.
- (I) North Carolina A. and T. State University.
- (4) GROUP D.—Group D shall consist of the following:
- (A) University of Minnesota.
- (B) Marshall University, West Virginia, on behalf of a consortium which may also include West Virginia University Institute of Technology, the College of West Virginia, and Bluefield State College.
- (C) George Mason University, along with the University of Virginia and Virginia Tech University.
- (D) Western Transportation Institute.
- (E) Rhode Island Transportation Research Center.
- (F) Northwestern University.

§ 5506. Advanced vehicle technologies program

(a) PURPOSES.—The Secretary of Transportation, in coordination with other government agencies and private consortia, shall encourage and promote the research, development, and deployment of transportation technologies that will use technological advances in multimodal vehicles, vehicle components, environmental technologies, and related infrastructure to remove impediments to an efficient, safe, and cost-effective national transportation system.

(b) DEFINITION OF ELIGIBLE CONSORTIUM.—In this section, the term “eligible consortium” means a consortium that receives funding under the Department of Defense Appropriations Act, 1993 (Public Law 102–396; 106 Stat. 1876), and that comprises 2 or more of the following entities:

- (1) Businesses incorporated in the United States.
 - (2) Public or private educational or research organizations located in the United States.
 - (3) Entities of State or local governments in the United States.
 - (4) Federal laboratories.
- (c) PROGRAM.—The Secretary shall enter into contracts, cooperative agreements, and other transactions as authorized by section 2371 of title 10 with, and make grants to, eligible consortia to promote the development and deployment of innovation in transportation technology services, management, and operational practices.
- (d) ELIGIBILITY CRITERIA.—To be eligible to receive assistance under this section, an eligible consortium shall—
- (1) for a period of not less than the 3 years preceding the date of a contract, cooperative agreement, or other transaction, be organized on a statewide or multistate basis for the purpose of designing, developing, and deploying transportation technologies that address identified technological impediments in the transportation field;
 - (2) facilitate the participation in the consortium of small- and medium-sized businesses, utilities, public laboratories and universities, and other relevant entities;
 - (3) be actively engaged in transportation technology projects that address compliance in nonattainment areas under the Clean Air Act (42 U.S.C. 7401 et seq.);
 - (4) be designed to use Federal and State funding to attract private capital in the form of grants or investments to carry out this section; and
 - (5) ensure that at least 50 percent of the funding for the consortium project will be provided by non-Federal sources.
- (e) PROPOSALS.—The Secretary shall prescribe such terms and conditions as the Secretary determines to be appropriate for the content and structure of proposals submitted for assistance under this section.
- (f) REPORTING REQUIREMENTS.—At least once each year, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a report on the projects undertaken by the eligible consortia and the progress made in advancing the purposes of this section.
- (g) AUTHORIZATION OF APPROPRIATIONS.—
- (1) IN GENERAL.—There is authorized to be appropriated to carry out this section \$50,000,000 for each of fiscal years 1999 through 2003, to remain available until expended.
 - (2) AVAILABILITY.—Notwithstanding section 118(a), funds made available under paragraph (1) shall not be available in advance of an annual appropriation.

SUBCHAPTER II—TERMINALS

§ 5561. Definition

In this chapter, “civic and cultural activities” includes libraries, musical and dramatic presentations, art exhibits, adult education programs, public meeting places, and other facilities for carrying on

an activity any part of which is supported under a law of the United States.

§ 5562. Assistance projects

(a) REQUIREMENTS TO PROVIDE ASSISTANCE.—The Secretary of Transportation shall provide financial, technical, and advisory assistance under this chapter to—

(1) promote, on a feasibility demonstration basis, the conversion of at least 3 rail passenger terminals into intermodal transportation terminals;

(2) preserve rail passenger terminals that reasonably are likely to be converted or maintained pending preparation of plans for their reuse;

(3) acquire and use space in suitable buildings of historic or architectural significance but only if use of the space is feasible and prudent when compared to available alternatives; and

(4) encourage State and local governments, local and regional transportation authorities, common carriers, philanthropic organizations, and other responsible persons to develop plans to convert rail passenger terminals into intermodal transportation terminals and civic and cultural activity centers.

(b) EFFECT ON ELIGIBILITY.—This chapter does not affect the eligibility of any rail passenger terminal for preservation or reuse assistance under another program or law.

(c) ACQUIRING SPACE.—The Secretary may acquire space under subsection (a)(3) of this section only after consulting with the Advisory Council on Historic Preservation and the Chairman of the National Endowment for the Arts.

§ 5563. Conversion of certain rail passenger terminals

(a) AUTHORITY TO PROVIDE ASSISTANCE.—The Secretary of Transportation may provide financial assistance to convert a rail passenger terminal to an intermodal transportation terminal under section 5562(a)(1) of this title only if—

(1) the terminal can be converted to accommodate other modes of transportation the Secretary of Transportation decides are appropriate, including—

(A) motorbus transportation;

(B) mass transit (rail or rubber tire); and

(C) airline ticket offices and passenger terminals providing direct transportation to area airports;

(2) the terminal is listed on the National Register of Historic Places maintained by the Secretary of the Interior;

(3) the architectural integrity of the terminal will be preserved;

(4) to the extent practicable, the use of the terminal facilities for transportation may be combined with use of those facilities for other civic and cultural activities, especially when another activity is recommended by—

(A) the Advisory Council on Historic Preservation;

(B) the Chairman of the National Endowment for the Arts; or

- (C) consultants retained under subsection (b) of this section; and
- (5) the terminal and the conversion project meet other criteria prescribed by the Secretary of Transportation after consultation with the Council and Chairman.
- (b) ARCHITECTURAL INTEGRITY.—The Secretary of Transportation must employ consultants on whether the architectural integrity of the rail passenger terminal will be preserved under subsection (a)(3) of this section. The Secretary may decide that the architectural integrity will be preserved only if the consultants concur. The Council and Chairman shall recommend consultants to be employed by the Secretary. The consultants also may make recommendations referred to in subsection (a)(4) of this section.
- (c) GOVERNMENT'S SHARE OF COSTS.—The Secretary of Transportation may not make a grant under this section for more than 80 percent of the total cost of converting a rail passenger terminal into an intermodal transportation terminal.

§ 5564. Interim preservation of certain rail passenger terminals

- (a) GENERAL GRANT AUTHORITY.—Subject to subsection (b) of this section, the Secretary of Transportation may make a grant of financial assistance to a responsible person (including a governmental authority) to preserve a rail passenger terminal under section 5562(a)(2) of this title. To receive assistance under this section, the person must be qualified, prepared, committed, and authorized by law to maintain (and prevent the demolition, dismantling, or further deterioration of) the terminal until plans for its reuse are prepared.
- (b) GRANT REQUIREMENTS.—The Secretary of Transportation may make a grant of financial assistance under this section only if—
- (1) the Secretary decides the rail passenger terminal has a reasonable likelihood of being converted to, or conditioned for reuse as, an intermodal transportation terminal, a civic or cultural activities center, or both; and
- (2) planning activity directed toward conversion or reuse has begun and is proceeding in a competent way.
- (c) MAXIMIZING PRESERVATION OF TERMINALS.—(1) Amounts appropriated to carry out this section and section 5562(a)(2) of this title shall be expended in the way most likely to maximize the preservation of rail passenger terminals that are—
- (A) reasonably capable of conversion to intermodal transportation terminals;

(B) listed in the National Register of Historic Places maintained by the Secretary of the Interior; or

(C) recommended (on the basis of architectural integrity and quality) by the Advisory Council on Historic Preservation or the Chairman of the National Endowment for the Arts.

(2) The Secretary of Transportation may not make a grant under this section for more than 80 percent of the total cost of maintaining the terminal for an interim period of not more than 5 years.

§ 5565. Encouraging the development of plans for converting certain rail passenger terminals

(a) GENERAL GRANT AUTHORITY.—The Secretary of Transportation may make a grant of financial assistance to a qualified person (including a governmental authority) to encourage the development of plans for converting a rail passenger terminal under section 5562(a)(4) of this title. To receive assistance under this section, the person must—

(1) be prepared to develop practicable plans that meet zoning, land use, and other requirements of the applicable State and local jurisdictions in which the terminal is located;

(2) incorporate into the designs and plans proposed for converting the terminal, features that reasonably appear likely to attract private investors willing to carry out the planned conversion and its subsequent maintenance and operation; and

(3) complete the designs and plans for the conversion within the period of time prescribed by the Secretary.

(b) PREFERENCE.—In making a grant under this section, the Secretary of Transportation shall give preferential consideration to an applicant whose completed designs and plans will be carried out within 3 years after their completion.

(c) MAXIMIZING CONVERSION AND CONTINUED PUBLIC USE.—(1) Amounts appropriated to carry out this section and section 5562(a)(4) of this title shall be expended in the way most likely to maximize the conversion and continued public use of rail passenger terminals that are—

(A) listed in the National Register of Historic Places maintained by the Secretary of the Interior; or

(B) recommended (on the basis of architectural integrity and quality) by the Advisory Council on Historic Preservation or the Chairman of the National Endowment for the Arts.

(2) The Secretary of Transportation may not make a grant under this section for more than 80 percent of the total cost of the project for which the financial assistance is provided.

§ 5566. Records and audits

(a) RECORD REQUIREMENTS.—Each recipient of financial assistance under this chapter shall keep records required by the Secretary of Transportation. The records shall disclose—

(1) the amount, and disposition by the recipient, of the proceeds of the assistance;

(2) the total cost of the project for which the assistance was given or used;

(3) the amount of that part of the cost of the project supplied by other sources; and

(4) any other records that will make an effective audit easier.

(b) AUDITS AND INSPECTIONS.—For 3 years after a project is completed, the Secretary and the Comptroller General may audit and inspect records of a recipient that the Secretary or Comptroller General decides may be related or pertinent to the financial assistance.

§ 5567. Preference for preserving buildings of historic or architectural significance

Amtrak shall give preference to the use of rail passenger terminal facilities that will preserve buildings of historic or architectural significance.

§ 5568. Authorization of appropriations

(a) GENERAL.—The following amounts may be appropriated to the Secretary of Transportation:

(1) not more than \$15,000,000 to carry out section 5562(a)(1) and (3) of this title.

(2) not more than \$2,500,000 to carry out section 5562(a)(2) of this title.

(3) not more than \$2,500,000 to carry out section 5562(a)(4) of this title.

(b) AVAILABILITY OF AMOUNTS.—Amounts appropriated to carry out this chapter remain available until expended.

CHAPTER 57—SANITARY FOOD TRANSPORTATION

Sec.

5701. Findings.

5702. Definitions.

5703. General regulation.

5704. Tank trucks, rail tank cars, and cargo tanks.

5705. Motor and rail transportation of nonfood products.

5706. Dedicated vehicles.

5707. Waiver authority.

5708. Food transportation inspections.

5709. Consultation.

5710. Administrative.

5711. Enforcement and penalties.

5712. Relationship to other laws.

5713. Application of sections 5711 and 5712.

5714. Coordination procedures.

§ 5701. Findings

Congress finds that—

(1) the United States public is entitled to receive food and other consumer products that are not made unsafe because of certain transportation practices;

(2) the United States public is threatened by the transportation of products potentially harmful to consumers in motor vehicles and rail vehicles that are used to transport food and other consumer products; and

(3) the risks to consumers by those transportation practices are unnecessary and those practices must be ended.

§ 5702. Definitions

In this chapter—

(1) “cosmetic”, “device”, “drug”, “food”, and “food additive” have the same meanings given those terms in section 201 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 321).

(2) “nonfood product” means (individually or by class) a material, substance, or product that is not a cosmetic, device, drug, food, or food additive, or is deemed a nonfood product under section 5703(a)(2) of this title, including refuse and solid waste (as defined in section 1004 of the Solid Waste Disposal Act (42 U.S.C. 6903)).

(3) “refuse” means discarded material that is, or is required by law, to be transported to or disposed of in a landfill or incinerator.

(4) “State” means a State of the United States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, the Virgin Islands, American Samoa, Guam, and any other territory or possession of the United States.

(5) “transports” and “transportation” mean any movement of property in commerce (including intrastate commerce) by motor vehicle or rail vehicle.

(6) “United States” means all of the States.

§ 5703. General regulation

(a) GENERAL REQUIREMENTS.—(1) Not later than July 31, 1991, the Secretary of Transportation, after consultation required by section 5709 of this title, shall prescribe regulations on the transportation of cosmetics, devices, drugs, food, and food additives in motor vehicles and rail vehicles that are used to transport nonfood products that would make the cosmetics, devices, drugs, food, or food additives unsafe to humans or animals.

(2) The Secretary shall deem a cosmetic, device, or drug to be a nonfood product if—

(A) the cosmetic, device, or drug is transported in a motor vehicle or rail vehicle before, or at the same time as, a food or food additive; and

(B) transportation of the cosmetic, device, or drug would make the food or food additive unsafe to humans or animals.

(b) SPECIAL REQUIREMENTS.—In prescribing regulations under subsection (a)(1) of this section, the Secretary, after consultation required by section 5709 of this title, shall establish requirements for appropriate—

(1) recordkeeping, identification, marking, certification, or other means of verification to comply with sections 5704–5706 of this title;

(2) decontamination, removal, disposal, and isolation to comply with regulations carrying out sections 5704 and 5705 of this title; and

(3) material for the construction of tank trucks, rail tank cars, cargo tanks, and accessory equipment to comply with regulations carrying out section 5704 of this title.

(c) CONSIDERATIONS AND ADDITIONAL REQUIREMENTS.—In prescribing regulations under subsection (a)(1) of this section, the Sec-

retary, after consultation required by section 5709 of this title, shall consider, and may establish requirements related to, each of the following:

(1) the extent to which packaging or similar means of protecting and isolating commodities are adequate to eliminate or ameliorate the potential risks of transporting cosmetics, devices, drugs, food, or food additives in motor vehicles or rail vehicles used to transport nonfood products.

(2) appropriate compliance and enforcement measures to carry out this chapter.

(3) appropriate minimum insurance or other liability requirements for a person to whom this chapter applies.

(d) PACKAGES MEETING PACKAGING STANDARDS.—If the Secretary finds packaging standards to be adequate, regulations under subsection (a)(1) of this section may not apply to cosmetics, devices, drugs, food, food additives, or nonfood products packaged in packages that meet the standards.

§ 5704. Tank trucks, rail tank cars, and cargo tanks

(a) PROHIBITIONS.—The regulations prescribed under section 5703(a)(1) of this title shall include provisions prohibiting a person from—

(1) using, offering for use, or arranging for the use of a tank truck, rail tank car, or cargo tank used in motor vehicle or rail transportation of cosmetics, devices, drugs, food, or food additives if the tank truck, rail tank car, or cargo tank is used to transport a nonfood product, except a nonfood product included in a list published under subsection (b) of this section;

(2) using, offering for use, or arranging for the use of a tank truck or cargo tank to provide motor vehicle transportation of cosmetics, devices, drugs, food, food additives, or nonfood products included in the list published under subsection (b) of this section unless the tank truck or cargo tank is identified, by a permanent marking on the tank truck or cargo tank, as transporting only cosmetics, devices, drugs, food, food additives, or nonfood products included in the list;

(3) using, offering for use, or arranging for the use of a tank truck or cargo tank to provide motor vehicle transportation of a nonfood product that is not included in the list published under subsection (b) of this section if the tank truck or cargo tank is identified, as provided in clause (2) of this subsection, as a tank truck or cargo tank transporting only cosmetics, devices, drugs, food, food additives, or nonfood products included in the list; or

(4) receiving, except for lawful disposal purposes, any cosmetic, device, drug, food, food additive, or nonfood product that has been transported in a tank truck or cargo tank in violation of clause (2) or (3) of this subsection.

(b) LIST OF NONFOOD PRODUCTS NOT UNSAFE.—After consultation required by section 5709 of this title, the Secretary of Transportation shall publish in the Federal Register a list of nonfood products the Secretary decides do not make cosmetics, devices, drugs, food, or food additives unsafe to humans or animals because of transportation of the nonfood products in a tank truck, rail tank

car, or cargo tank used to transport cosmetics, devices, drugs, food, or food additives. The Secretary may amend the list periodically by publication in the Federal Register.

(c) DISCLOSURE.—A person that arranges for the use of a tank truck or cargo tank used in motor vehicle transportation for the transportation of a cosmetic, device, drug, food, food additive, or nonfood product shall disclose to the motor carrier or other appropriate person if the cosmetic, device, drug, food, food additive, or nonfood product being transported is to be used—

- (1) as, or in the preparation of, a food or food additive; or
- (2) as a nonfood product included in the list published under subsection (b) of this section.

§ 5705. Motor and rail transportation of nonfood products

(a) PROHIBITIONS.—The regulations prescribed under section 5703(a)(1) of this title shall include provisions prohibiting a person from using, offering for use, or arranging for the use of a motor vehicle or rail vehicle (except a tank truck, rail tank car, or cargo tank described in section 5704 of this title) to transport cosmetics, devices, drugs, food, or food additives if the vehicle is used to transport nonfood products included in a list published under subsection (b) of this section.

(b) LIST OF UNSAFE NONFOOD PRODUCTS.—(1) After consultation required by section 5709 of this title, the Secretary of Transportation shall publish in the Federal Register a list of nonfood products the Secretary decides would make cosmetics, devices, drugs, food, or food additives unsafe to humans or animals because of transportation of the nonfood products in a motor vehicle or rail vehicle used to transport cosmetics, devices, drugs, food, or food additives. The Secretary may amend the list periodically by publication in the Federal Register.

(2) The list published under paragraph (1) of this subsection may not include cardboard, pallets, beverage containers, and other food packaging except to the extent the Secretary decides that the transportation of cardboard, pallets, beverage containers, or other food packaging in a motor vehicle or rail vehicle used to transport cosmetics, devices, drugs, food, or food additives would make the cosmetics, devices, drugs, food, or food additives unsafe to humans or animals.

§ 5706. Dedicated vehicles

(a) PROHIBITIONS.—The regulations prescribed under section 5703(a)(1) of this title shall include provisions prohibiting a person from using, offering for use, or arranging for the use of a motor vehicle or rail vehicle to transport asbestos, in forms or quantities the Secretary of Transportation decides are necessary, or products that present an extreme danger to humans or animals, despite any decontamination, removal, disposal, packaging, or other isolation procedures, unless the motor vehicle or rail vehicle is used only to transport one or more of the following: asbestos, those extremely dangerous products, or refuse.

(b) LIST OF APPLICABLE PRODUCTS.—After consultation required by section 5709 of this title, the Secretary shall publish in the Federal Register a list of the products to which this section ap-

plies. The Secretary may amend the list periodically by publication in the Federal Register.

§ 5707. Waiver authority

(a) GENERAL AUTHORITY.—After consultation required by section 5709 of this title, the Secretary of Transportation may waive any part of this chapter or regulations prescribed under this chapter for a class of persons, motor vehicles, rail vehicles, cosmetics, devices, drugs, food, food additives, or nonfood products, if the Secretary decides that the waiver—

(1) would not result in the transportation of cosmetics, devices, drugs, food, or food additives that would be unsafe to humans or animals; and

(2) would not be contrary to the public interest and this chapter.

(b) PUBLICATION OF WAIVERS.—The Secretary shall publish in the Federal Register any waiver and the reasons for the waiver.

§ 5708. Food transportation inspections

(a) GENERAL AUTHORITY.—For commercial motor vehicles, the Secretary of Transportation may carry out this chapter and assist in carrying out compatible State laws and regulations through means that include inspections conducted by State employees that are paid for with money authorized under section 31104 of this title, if the recipient State agrees to assist in the enforcement of this chapter or is enforcing compatible State laws and regulations.

(b) PROVIDING ASSISTANCE.—On the request of the Secretary of Transportation, the Secretaries of Agriculture and Health and Human Services, the Administrator of the Environmental Protection Agency, and the heads of other appropriate departments, agencies, and instrumentalities of the United States Government shall provide assistance, to the extent available, to the Secretary of Transportation to carry out this chapter, including assistance in the training of personnel under a program established under subsection (c) of this section.

(c) TRAINING PROGRAM.—After consultation required by section 5709 of this title and consultation with the heads of appropriate State transportation and food safety authorities, the Secretary of Transportation shall develop and carry out a training program for inspectors to conduct vigorous enforcement of this chapter and regulations prescribed under this chapter or compatible State laws and regulations. As part of the training program, the inspectors, including State inspectors or personnel paid with money authorized under section 31104 of this title, shall be trained in the recognition of adulteration problems associated with the transportation of cosmetics, devices, drugs, food, and food additives and in the procedures for obtaining assistance of the appropriate departments, agencies, and instrumentalities of the Government and State authorities to support the enforcement.

§ 5709. Consultation

As provided by sections 5703–5708 of this title, the Secretary of Transportation shall consult with the Secretaries of Agriculture

and Health and Human Services and the Administrator of the Environmental Protection Agency.

§ 5710. Administrative

The Secretary of Transportation has the same duties and powers in regulating transportation under this chapter as the Secretary has under section 5121(a)–(c) (except subsection (c)(1)(A)) of this title in regulating transportation under chapter 51 of this title.

§ 5711. Enforcement and penalties

(a) ACTIONS.—The Secretary of Transportation shall request that a civil action be brought and take action to eliminate or ameliorate an imminent hazard related to a violation of a regulation prescribed or order issued under this chapter in the same way and to the same extent as authorized by section 5122 of this title.

(b) APPLICABLE PENALTIES AND PROCEDURES.—The penalties and procedures in sections 5123 and 5124 of this title apply to a violation of a regulation prescribed or order issued under this chapter.

§ 5712. Relationship to other laws

Section 5125 of this title applies to the relationship between this chapter and a requirement of a State, a political subdivision of a State, or an Indian tribe.

§ 5713. Application of sections 5711 and 5712

Sections 5711 and 5712 of this title apply only to transportation occurring on or after the date that regulations prescribed under section 5703(a)(1) of this title are effective.

§ 5714. Coordination procedures

Not later than November 3, 1991, the Secretary of Transportation, after consultation with appropriate State officials, shall establish procedures to promote more effective coordination between the departments, agencies, and instrumentalities of the United States Government and State authorities with regulatory authority over motor carrier safety and railroad safety in carrying out and enforcing this chapter.

**CHAPTER 59—INTERMODAL SAFE CONTAINER
TRANSPORTATION**

Sec.

- 5901. Definitions.
- 5902. Notifications and certifications.
- 5903. Prohibitions.
- 5904. State enforcement.
- 5905. Liens.
- 5906. Perishable agricultural commodities.
- 5907. Effective date.
- 5908. Relationship to other laws.

§ 5901. Definitions

In this chapter—

- (1) except as otherwise provided in this chapter, the definitions in sections 10102 and 13102 of this title apply.

(2) “beneficial owner” means a person not having title to property but having ownership rights in the property, including a trustee of property in transit from an overseas place of origin that is domiciled or doing business in the United States, except that a carrier, agent of a carrier, broker, customs broker, freight forwarder, warehouse, or terminal operator is not a beneficial owner only because of providing or arranging for any part of the intermodal transportation of property.

(3) “carrier” means—

(A) a motor carrier, water carrier, and rail carrier providing transportation of property in commerce; and

(B) an ocean common carrier (as defined in section 3 of the Shipping Act of 1984 (46 App. U.S.C. 1702)) providing transportation of property in commerce.

(4) “container” has the meaning given the term “freight container” by the International Standards Organization in Series 1, Freight Containers, 3d Edition (reference number ISO668–1979(E)), including successive revisions, and similar containers that are used in providing transportation in interstate commerce.

(5) “first carrier” means the first carrier transporting a loaded container or trailer in intermodal transportation.

(6) “gross cargo weight” means the weight of the cargo, packaging materials (including ice), pallets, and dunnage.

(7) “intermodal transportation” means the successive transportation of a loaded container or trailer from its place of origin to its place of destination by more than one mode of transportation in interstate or foreign commerce, whether under a single bill of lading or under separate bills of lading.

(8) “trailer” means a nonpower, property-carrying, trailing unit that is designed for use in combination with a truck tractor.

§ 5902. Notifications and certifications

(a) PRIOR NOTIFICATION.—If the first carrier to which any loaded container or trailer having a projected gross cargo weight of more than 29,000 pounds is tendered for intermodal transportation is a motor carrier, the person tendering the container or trailer shall give the motor carrier a notification of the gross cargo weight and a reasonable description of the contents of the container or trailer before the tendering of the container or trailer. The notification may be transmitted electronically or by telephone. This subsection applies to any person within the United States who tenders a container or trailer subject to this chapter for intermodal transportation if the first carrier is a motor carrier.

(b) CERTIFICATION.—

(1) IN GENERAL.—A person who tenders a loaded container or trailer with an actual gross cargo weight of more than 29,000 pounds to a first carrier for intermodal transportation shall provide a certification of the contents of the container or trailer in writing, or electronically, before or when the container or trailer is so tendered.

(2) CONTENTS OF CERTIFICATION.—The certification required by paragraph (1) shall include—

- (A) the actual gross cargo weight;
- (B) a reasonable description of the contents of the container or trailer;
- (C) the identity of the certifying party;
- (D) the container or trailer number; and
- (E) the date of certification or transfer of data to another document, as provided for in paragraph (3).

(3) TRANSFER OF CERTIFICATION DATA.—A carrier who receives a certification may transfer the information contained in the certification to another document or to electronic format for forwarding to a subsequent carrier. The person transferring the information shall state on the forwarded document the date on which the data was transferred and the identity of the party who performed the transfer.

(4) SHIPPING DOCUMENTS.—For purposes of this chapter, a shipping document, prepared by the person who tenders a container or trailer to a first carrier, that contains the information required by paragraph (2) meets the requirements of paragraph (1).

(5) USE OF “FREIGHT ALL KINDS” TERM.—The term “Freight All Kinds” or “FAK” may not be used for the purpose of certification under section 5902(b) after December 31, 2000, as a commodity description for a trailer or container if the weight of any commodity in the trailer or container equals or exceeds 20 percent of the total weight of the contents of the trailer or container. This subsection does not prohibit the use of the term after that date for rating purposes.

(6) SEPARATE DOCUMENT MARKING.—If a separate document is used to meet the requirements of paragraph (1), it shall be conspicuously marked “INTERMODAL CERTIFICATION”.

(7) APPLICABILITY.—This subsection applies to any person, domestic or foreign, who first tenders a container or trailer subject to this chapter for intermodal transportation within the United States.

(c) FORWARDING CERTIFICATIONS TO SUBSEQUENT CARRIERS.—A carrier, agent of a carrier, broker, customs broker, freight forwarder, warehouse, or terminal operator shall forward the certification provided under subsection (b) of this section to a subsequent carrier transporting the container or trailer in intermodal transportation before or when the loaded intermodal container or trailer is tendered to the subsequent carrier. If no certification is received by the subsequent carrier before or when the container or trailer is tendered to it, the subsequent carrier may presume that no certification is required. The act of forwarding the certification may not be construed as a verification or affirmation of the accuracy or completeness of the information in the certification. If a person inaccurately transfers the information on the certification, or fails to forward the certification to a subsequent carrier, then that person is liable to any person who incurs any bond, fine, penalty, cost (including storage), or interest for any such fine, penalty, cost (including storage), or interest incurred as a result of the inaccurate transfer of information or failure to forward the certification. A subsequent carrier who incurs a bond, fine, penalty, or cost (includ-

ing storage), or interest as a result of the inaccurate transfer of the information, or the failure to forward the certification, shall have a lien against the contents of the container or trailer under section 5905 in the amount of the bond, fine, penalty, or cost (including storage), or interest and all court costs and legal fees incurred by the carrier as a result of such inaccurate transfer or failure.

(d) LIABILITY TO OWNER OR BENEFICIAL OWNER.—If—

(1) a person inaccurately transfers information on a certification required by subsection (b)(1), or fails to forward a certification to the subsequent carrier;

(2) as a result of the inaccurate transfer of such information or a failure to forward a certification, the subsequent carrier incurs a bond, fine, penalty, or cost (including storage), or interest; and

(3) that subsequent carrier exercises its rights to a lien under section 5905,

then that person is liable to the owner or beneficial owner, or to any other person paying the amount of the lien to the subsequent carrier, for the amount of the lien and all costs related to the imposition of the lien, including court costs and legal fees incurred in connection with it.

(e) NONAPPLICATION.—

(1)¹ The notification and certification requirements of subsections (a) and (b) of this section do not apply to any intermodal container or trailer containing consolidated shipments loaded by a motor carrier if that motor carrier—

(A) performs the highway portion of the intermodal movement; or

(B) assumes the responsibility for any weight-related fine or penalty incurred by any other motor carrier that performs a part of the highway transportation.

(2) Subsections (a) and (b) of this section and section 5903(c) of this title do not apply to a carrier when the carrier is transferring a loaded container or trailer to another carrier during intermodal transportation, unless the carrier is also the person tendering the loaded container or trailer to the first carrier.

(3) A carrier, agent of a carrier, broker, customs broker, freight forwarder, warehouse, or terminal operator is deemed not to be a person tendering a loaded container or trailer to a first carrier under this section, unless the carrier, agent, broker, customs broker, freight forwarder, warehouse, or terminal operator assumes legal responsibility for loading property into the container or trailer.

§ 5903. Prohibitions

(a) PROVIDING ERRONEOUS INFORMATION.—A person, To¹ whom section 5902(b) applies, tendering a loaded container or trailer may not provide erroneous information in a certification required by section 5902(b) of this title.

(b) TRANSPORTING PRIOR TO RECEIVING CERTIFICATION.—

¹Margin so in law. See section 204(e) of P.L. 104–291.

¹So in law. See amendment made by section 205(1) of the National Transportation Safety Board Amendments of 1996 (P.L. 104–291; 110 Stat. 3456).

(1) PRESUMPTION.—If no certification is received by a motor carrier before or when a loaded intermodal container or trailer is tendered to it, the motor carrier may presume that the gross cargo weight of the container or trailer is less than 29,001 pounds.

(2) COPY OF CERTIFICATION NOT REQUIRED TO ACCOMPANY CONTAINER OR TRAILER.—Notwithstanding any other provision of this chapter to the contrary, a copy of the certification required by section 5902(b) is not required to accompany the intermodal container or trailer.

(c) UNLAWFUL COERCION.—(1) A person may not coerce or attempt to coerce a person participating in intermodal transportation to transport a loaded container or trailer having an actual gross cargo weight of more than 29,000 pounds before the certification required by section 5902(b) of this title is provided.

(2) A person, knowing that the weight of a loaded container or trailer or the weight of a tractor-trailer combination carrying the container or trailer is more than the weight allowed by applicable State law, may not coerce or attempt to coerce a carrier to transport the container or trailer or to operate the tractor-trailer combination in violation of that State law.

(d) NOTICE TO LEASED OPERATORS.—

(1) IN GENERAL.—If a motor carrier knows that the gross cargo weight of an intermodal container or trailer subject to the certification requirements of section 5902(b) would result in a violation of applicable State gross vehicle weight laws, then—

(A) the motor carrier shall give notice to the operator of a vehicle which is leased by the vehicle operator to a motor carrier that transports an intermodal container or trailer of the gross cargo weight of the container or trailer as certified to the motor carrier under section 5902(b);

(B) the notice shall be provided to the operator prior to the operator being tendered the container or trailer;

(C) the notice required by this subsection shall be in writing, but may be transmitted electronically; and

(D) the motor carrier shall bear the burden of proof to establish that it tendered the required notice to the operator.

(2) REIMBURSEMENT.—If the operator of a leased vehicle transporting a container or trailer subject to this chapter is fined because of a violation of a State's gross vehicle weight laws or regulations and the lessee motor carrier cannot establish that it tendered to the operator the notice required by paragraph (1) of this subsection, then the operator shall be entitled to reimbursement from the motor carrier in the amount of any fine and court costs resulting from the failure of the motor carrier to tender the notice to the operator.

§ 5904. State enforcement

(a) GENERAL.—A State may enact a law to permit the State or a political subdivision of the State—

(1) to impose a fine or penalty, for a violation of a State highway weight law or regulation by a tractor-trailer combina-

tion carrying a loaded container or trailer for which a certification is required by section 5902(b) of this title, against the person tendering the loaded container or trailer to the first carrier if the violation results from the person's having provided erroneous information in the certification in violation of section 5903(a) of this title; and

(2) to impound the container or trailer until the fine or penalty has been paid by the owner or beneficial owner of the contents of the container or trailer or the person tendering the loaded container or trailer to the first carrier.

(b) LIMITATION.—This chapter does not require a person tendering a loaded container or trailer to a first carrier to ensure that the first carrier or any other carrier involved in the intermodal transportation will comply with any State highway weight law or regulation, other than as required by this chapter.

§ 5905. Liens

(a) GENERAL.—If a person involved in the intermodal transportation of a loaded container or trailer for which a certification is required by section 5902(b) of this title is required, because of a violation of a State's gross vehicle weight laws or regulations, to post a bond or pay a fine, penalty, cost (including storage), or interest resulting from—

(1) erroneous information provided by the certifying party in the certification to the first carrier in violation of section 5903(a) of this title;

(2) the failure of the party required to provide the certification to the first carrier to provide it;

(3) the failure of a person required under section 5902(c) to forward the certification to forward it; or

(4) an error occurring in the transfer of information on the certification to another document under section 5902(b)(3) or (c),

then the person posting the bond, or paying the fine, penalty, costs (including storage), or interest has a lien against the contents equal to the amount of the bond, fine, penalty, cost (including storage), or interest incurred, until the person receives a payment of that amount from the owner or beneficial owner of the contents, or from the person responsible for making or forwarding the certification, or transferring the information from the certification to another document.

(b) LIMITATIONS.—(1) A lien under this section does not authorize a person to dispose of the contents of a loaded container or trailer until the person who tendered the container or trailer to the first carrier, or the owner or beneficial owner of the contents, is given a reasonable opportunity to establish responsibility for the bond, fine, penalty, cost (including storage), or interest. The lien shall remain in effect until the lien holder has received payment for all costs and expenses described in subsection (a) of this section.

(2) In this section, an owner or beneficial owner of the contents of a container or trailer or a person tendering a container or trailer to the first carrier is deemed not to be a person involved in the intermodal transportation of the container or trailer.

§ 5906. Perishable agricultural commodities

Section 5905 of this title does not apply to a container or trailer the contents of which are perishable agricultural commodities (as defined in the Perishable Agricultural Commodities Act, 1930 (7 U.S.C. 499a et seq.)).

§ 5907. Effective date

This chapter shall take effect 180 days after the date of enactment of the Intermodal Safe Container Transportation Amendments Act of 1996.

§ 5908. Relationship to other laws

Nothing in this chapter affects—

- (1) chapter 51 (relating to transportation of hazardous material) or the regulations promulgated under that chapter; or
- (2) any State highway weight or size law or regulation applicable to tractor-trailer combinations.

CHAPTER 61—ONE-CALL NOTIFICATION PROGRAMS

Sec.

- 6101. Purposes.
- 6102. Definitions.
- 6103. Minimum standards for State one-call notification programs.
- 6104. Compliance with minimum standards.
- 6105. Implementation of best practices guidelines.
- 6106. Grants to States.
- 6107. Authorization of appropriations.
- 6108. Relationship to State laws.

§ 6101. Purposes

The purposes of this chapter are—

- (1) to enhance public safety;
- (2) to protect the environment;
- (3) to minimize risks to excavators; and
- (4) to prevent disruption of vital public services,

by reducing the incidence of damage to underground facilities during excavation through the voluntary adoption and efficient implementation by all States of State one-call notification programs that meet the minimum standards set forth under section 6103.

§ 6102. Definitions

In this chapter, the following definitions apply:

(1) **ONE-CALL NOTIFICATION SYSTEM.**—The term “one-call notification system” means a system operated by an organization that has as 1 of its purposes to receive notification from excavators of intended excavation in a specified area in order to disseminate such notification to underground facility operators that are members of the system so that such operators can locate and mark their facilities in order to prevent damage to underground facilities in the course of such excavation.

(2) **STATE ONE-CALL NOTIFICATION PROGRAM.**—The term “State one-call notification program” means the State statutes, regulations, orders, judicial decisions, and other elements of law and policy in effect in a State that establish the require-

ments for the operation of one-call notification systems in such State.

(3) STATE.—The term “State” means a State, the District of Columbia, and Puerto Rico.

(4) SECRETARY.—The term “Secretary” means the Secretary of Transportation.

§ 6103. Minimum standards for State one-call notification programs

(a) MINIMUM STANDARDS.—In order to qualify for a grant under section 6106, a State one-call notification program shall, at a minimum, provide for—

(1) appropriate participation by all underground facility operators, including all government operators;

(2) appropriate participation by all excavators, including all government and contract excavators; and

(3) flexible and effective enforcement under State law with respect to participation in, and use of, one-call notification systems.

(b) APPROPRIATE PARTICIPATION.—In determining the appropriate extent of participation required for types of underground facilities or excavators under subsection (a), a State shall assess, rank, and take into consideration the risks to the public safety, the environment, excavators, and vital public services associated with—

(1) damage to types of underground facilities; and

(2) activities of types of excavators.

(c) IMPLEMENTATION.—A State one-call notification program also shall, at a minimum, provide for and document—

(1) consideration of the ranking of risks under subsection

(b) in the enforcement of its provisions;

(2) a reasonable relationship between the benefits of one-call notification and the cost of implementing and complying with the requirements of the State one-call notification program; and

(3) voluntary participation where the State determines that a type of underground facility or an activity of a type of excavator poses a de minimis risk to public safety or the environment.

(d) PENALTIES.—To the extent the State determines appropriate and necessary to achieve the purposes of this chapter, a State one-call notification program shall, at a minimum, provide for—

(1) administrative or civil penalties commensurate with the seriousness of a violation by an excavator or facility owner of a State one-call notification program;

(2) increased penalties for parties that repeatedly damage underground facilities because they fail to use one-call notification systems or for parties that repeatedly fail to provide timely and accurate marking after the required call has been made to a one-call notification system;

(3) reduced or waived penalties for a violation of a requirement of a State one-call notification program that results in,

or could result in, damage that is promptly reported by the violator;

- (4) equitable relief; and
- (5) citation of violations.

§ 6104. Compliance with minimum standards

(a) REQUIREMENT.—In order to qualify for a grant under section 6106, each State shall submit to the Secretary a grant application under subsection (b). The State shall submit the application not later than 2 years after the date of enactment of this chapter.

(b) APPLICATION.—

(1) Upon application by a State, the Secretary shall review that State's one-call notification program, including the provisions for the implementation of the program and the record of compliance and enforcement under the program.

(2) Based on the review under paragraph (1), the Secretary shall determine whether the State's one-call notification program meets the minimum standards for such a program set forth in section 6103 in order to qualify for a grant under section 6106.

(3) In order to expedite compliance under this section, the Secretary may consult with the State as to whether an existing State one-call notification program, a specific modification thereof, or a proposed State program would result in a positive determination under paragraph (2).

(4) The Secretary shall prescribe the form and manner of filing an application under this section that shall provide sufficient information about a State's one-call notification program for the Secretary to evaluate its overall effectiveness. Such information may include the nature and reasons for exceptions from required participation, the types of enforcement available, and such other information as the Secretary deems necessary.

(5) The application of a State under paragraph (1) and the record of actions of the Secretary under this section shall be available to the public.

(c) ALTERNATIVE PROGRAM.—A State is eligible to receive a grant under section 6106 if the State maintains an alternative one-call notification program that provides protection for public safety, excavators, and the environment that is equivalent to, or greater than, protection provided under a program that meets the minimum standards set forth in section 6103.

(d) REPORT.—The Secretary shall include the following information in reports submitted under section 60124 of this title—

(1) a description of the extent to which each State has adopted and implemented the minimum Federal standards under section 6103 or maintains an alternative program under subsection (c);

(2) an analysis by the Secretary of the overall effectiveness of each State's one-call notification program and the one-call notification systems operating under such program in achieving the purposes of this chapter;

(3) the impact of each State's decisions on the extent of required participation in one-call notification systems on prevention of damage to underground facilities; and

(4) areas where improvements are needed in one-call notification systems in operation in each State. The report shall also include any recommendations the Secretary determines appropriate. If the Secretary determines that the purposes of this chapter have been substantially achieved, no further report under this section shall be required.

§ 6105. Implementation of best practices guidelines

(a) **ADOPTION OF BEST PRACTICES.**—The Secretary of Transportation shall encourage States, operators of one-call notification programs, excavators (including all government and contract excavators), and underground facility operators to adopt and implement practices identified in the best practices report entitled “Common Ground”, as periodically updated.

(b) **TECHNICAL ASSISTANCE.**—The Secretary shall provide technical assistance to and participate in programs sponsored by a non-profit organization specifically established for the purpose of reducing construction-related damage to underground facilities.

(c) **GRANTS.**—

(1) **IN GENERAL.**—The Secretary may make grants to a non-profit organization described in subsection (b).

(2) **AUTHORIZATION OF APPROPRIATIONS.**—In addition to amounts authorized under section 6107, there is authorized to be appropriated for making grants under this subsection \$500,000 for each of fiscal years 2003 through 2006. Such sums shall remain available until expended.

(3) **GENERAL REVENUE FUNDING.**—Any sums appropriated under this subsection shall be derived from general revenues and may not be derived from amounts collected under section 60301.

§ 6106. Grants to States

(a) **IN GENERAL.**—The Secretary may make a grant of financial assistance to a State that qualifies under section 6104(b) to assist in improving—

(1) the overall quality and effectiveness of one-call notification systems in the State;

(2) communications systems linking one-call notification systems;

(3) location capabilities, including training personnel and developing and using location technology;

(4) record retention and recording capabilities for one-call notification systems;

(5) public information and education;

(6) participation in one-call notification systems; or

(7) compliance and enforcement under the State one-call notification program.

(b) **STATE ACTION TAKEN INTO ACCOUNT.**—In making grants under this section, the Secretary shall take into consideration the commitment of each State to improving its State one-call notification program, including legislative and regulatory actions taken by the State after the date of enactment of this chapter.

(c) **FUNDING FOR ONE-CALL NOTIFICATION SYSTEMS.**—A State may provide funds received under this section directly to any one-

call notification system in such State that substantially adopts the best practices identified under section 6105.

§ 6107. Authorization of appropriations

(a) FOR GRANTS TO STATES.—There are authorized to be appropriated to the Secretary to provide grants to States under section 6106 \$1,000,000 for each of fiscal years 2003 through 2006. Such funds shall remain available until expended.

(b) FOR ADMINISTRATION.—There are authorized to be appropriated to the Secretary such sums as may be necessary to carry out sections 6103, 6104, and 6105 for fiscal years 2003 through 2006.

(c) GENERAL REVENUE FUNDING.—Any sums appropriated under this section shall be derived from general revenues and may not be derived from amounts collected under section 60301 of this title.

§ 6108. Relationship to State laws

Nothing in this chapter preempts State law or shall impose a new requirement on any State or mandate revisions to a one-call system.

Sec.
10101. Rail transportation policy.
10102. Definitions.

§ 10101. Rail transportation policy

In regulating the railroad industry, it is the policy of the United States Government—

(1) to allow, to the maximum extent possible, competition and the demand for services to establish reasonable rates for transportation by rail;

(2) to minimize the need for Federal regulatory control over the rail transportation system and to require fair and expeditious regulatory decisions when regulation is required;

(3) to promote a safe and efficient rail transportation system by allowing rail carriers to earn adequate revenues, as determined by the Board;

(4) to ensure the development and continuation of a sound rail transportation system with effective competition among rail carriers and with other modes, to meet the needs of the public and the national defense;

(5) to foster sound economic conditions in transportation and to ensure effective competition and coordination between rail carriers and other modes;

(6) to maintain reasonable rates where there is an absence of effective competition and where rail rates provide revenues which exceed the amount necessary to maintain the rail system and to attract capital;

(7) to reduce regulatory barriers to entry into and exit from the industry;

(8) to operate transportation facilities and equipment without detriment to the public health and safety;

(9) to encourage honest and efficient management of railroads;

(10) to require rail carriers, to the maximum extent practicable, to rely on individual rate increases, and to limit the use of increases of general applicability;

(11) to encourage fair wages and safe and suitable working conditions in the railroad industry;

(12) to prohibit predatory pricing and practices, to avoid undue concentrations of market power, and to prohibit unlawful discrimination;

(13) to ensure the availability of accurate cost information in regulatory proceedings, while minimizing the burden on rail carriers of developing and maintaining the capability of providing such information;

(14) to encourage and promote energy conservation; and

(15) to provide for the expeditious handling and resolution of all proceedings required or permitted to be brought under this part.

§ 10102. Definitions

In this part—

(1) “Board” means the Surface Transportation Board;

(2) “car service” includes (A) the use, control, supply, movement, distribution, exchange, interchange, and return of locomotives, cars, other vehicles, and special types of equipment used in the transportation of property by a rail carrier, and (B) the supply of trains by a rail carrier;

(3) “control”, when referring to a relationship between persons, includes actual control, legal control, and the power to exercise control, through or by (A) common directors, officers, stockholders, a voting trust, or a holding or investment company, or (B) any other means;

(4) “person”, in addition to its meaning under section 1 of title 1, includes a trustee, receiver, assignee, or personal representative of a person;

(5) “rail carrier” means a person providing common carrier railroad transportation for compensation, but does not include street, suburban, or interurban electric railways not operated as part of the general system of rail transportation;

(6) “railroad” includes—

(A) a bridge, car float, lighter, ferry, and intermodal equipment used by or in connection with a railroad;

(B) the road used by a rail carrier and owned by it or operated under an agreement; and

(C) a switch, spur, track, terminal, terminal facility, and a freight depot, yard, and ground, used or necessary for transportation;

(7) “rate” means a rate or charge for transportation;

(8) “State” means a State of the United States and the District of Columbia;

(9) “transportation” includes—

(A) a locomotive, car, vehicle, vessel, warehouse, wharf, pier, dock, yard, property, facility, instrumentality, or equipment of any kind related to the movement of passengers or property, or both, by rail, regardless of ownership or an agreement concerning use; and

(B) services related to that movement, including receipt, delivery, elevation, transfer in transit, refrigeration, icing, ventilation, storage, handling, and interchange of passengers and property; and

(10) “United States” means the States of the United States and the District of Columbia.

CHAPTER 105—JURISDICTION

Sec.

10501. General jurisdiction.

10502. Authority to exempt rail carrier transportation.

§ 10501. General jurisdiction

(a)(1) Subject to this chapter, the Board has jurisdiction over transportation by rail carrier that is—

(A) only by railroad; or

(B) by railroad and water, when the transportation is under common control, management, or arrangement for a continuous carriage or shipment.

(2) Jurisdiction under paragraph (1) applies only to transportation in the United States between a place in—

(A) a State and a place in the same or another State as part of the interstate rail network;

(B) a State and a place in a territory or possession of the United States;

(C) a territory or possession of the United States and a place in another such territory or possession;

(D) a territory or possession of the United States and another place in the same territory or possession;

(E) the United States and another place in the United States through a foreign country; or

(F) the United States and a place in a foreign country.

(b) The jurisdiction of the Board over—

(1) transportation by rail carriers, and the remedies provided in this part with respect to rates, classifications, rules (including car service, interchange, and other operating rules), practices, routes, services, and facilities of such carriers; and

(2) the construction, acquisition, operation, abandonment, or discontinuance of spur, industrial, team, switching, or side tracks, or facilities, even if the tracks are located, or intended to be located, entirely in one State,

is exclusive. Except as otherwise provided in this part, the remedies provided under this part with respect to regulation of rail transportation are exclusive and preempt the remedies provided under Federal or State law.

(c)(1) In this subsection—

(A) the term “local governmental authority”—

(i) has the same meaning given that term by section 5302(a) of this title; and

(ii) includes a person or entity that contracts with the local governmental authority to provide transportation services; and

(B) the term “mass transportation” means transportation services described in section 5302(a) of this title that are provided by rail.

(2) Except as provided in paragraph (3), the Board does not have jurisdiction under this part over mass transportation provided by a local governmental authority.

(3)(A) Notwithstanding paragraph (2) of this subsection, a local governmental authority, described in paragraph (2), is subject to applicable laws of the United States related to—

(i) safety;

(ii) the representation of employees for collective bargaining; and

(iii) employment, retirement, annuity, and unemployment systems or other provisions related to dealings between employees and employers.

(B) The Board has jurisdiction under sections 11102 and 11103 of this title over transportation provided by a local governmental authority only if the Board finds that such governmental authority meets all of the standards and requirements for being a rail carrier providing transportation subject to the jurisdiction of the Interstate Commerce Commission that were in effect immediately before January 1, 1996. The enactment of the ICC Termination Act of 1995 shall neither expand nor contract coverage of employees and employers by the Railway Labor Act, the Railroad Retirement Act of 1974, the Railroad Retirement Tax Act, and the Railroad Unemployment Insurance Act.

§ 10502. Authority to exempt rail carrier transportation

(a) In a matter related to a rail carrier providing transportation subject to the jurisdiction of the Board under this part, the Board, to the maximum extent consistent with this part, shall exempt a person, class of persons, or a transaction or service whenever the Board finds that the application in whole or in part of a provision of this part—

(1) is not necessary to carry out the transportation policy of section 10101 of this title; and

(2) either—

(A) the transaction or service is of limited scope; or

(B) the application in whole or in part of the provision is not needed to protect shippers from the abuse of market power.

(b) The Board may, where appropriate, begin a proceeding under this section on its own initiative or on application by the Secretary of Transportation or an interested party. The Board shall, within 90 days after receipt of any such application, determine whether to begin an appropriate proceeding. If the Board decides not to begin a class exemption proceeding, the reasons for the decision shall be published in the Federal Register. Any proceeding begun as a result of an application under this subsection shall be completed within 9 months after it is begun.

(c) The Board may specify the period of time during which an exemption granted under this section is effective.

(d) The Board may revoke an exemption, to the extent it specifies, when it finds that application in whole or in part of a provision of this part to the person, class, or transportation is necessary to carry out the transportation policy of section 10101 of this title. The Board shall, within 90 days after receipt of a request for revocation under this subsection, determine whether to begin an appropriate proceeding. If the Board decides not to begin a proceeding to revoke a class exemption, the reasons for the decision shall be published in the Federal Register. Any proceeding begun as a result of a request under this subsection shall be completed within 9 months after it is begun.

(e) No exemption order issued pursuant to this section shall operate to relieve any rail carrier from an obligation to provide contractual terms for liability and claims which are consistent with the provisions of section 11706 of this title. Nothing in this subsection or section 11706 of this title shall prevent rail carriers from offering alternative terms nor give the Board the authority to require any specific level of rates or services based upon the provisions of section 11706 of this title.

(f) The Board may exercise its authority under this section to exempt transportation that is provided by a rail carrier as part of a continuous intermodal movement.

(g) The Board may not exercise its authority under this section to relieve a rail carrier of its obligation to protect the interests of employees as required by this part.

CHAPTER 107—RATES

SUBCHAPTER I—GENERAL AUTHORITY

Sec.

10701. Standards for rates, classifications, through routes, rules, and practices.

10702. Authority for rail carriers to establish rates, classifications, rules, and practices.

10703. Authority for rail carriers to establish through routes.

10704. Authority and criteria: rates, classifications, rules, and practices prescribed by Board.

10705. Authority: through routes, joint classifications, rates, and divisions prescribed by Board.

10706. Rate agreements; exemption from antitrust laws.
 10707. Determination of market dominance in rail rate proceedings.
 10708. Rail cost adjustment factor.
 10709. Contracts.

SUBCHAPTER II—SPECIAL CIRCUMSTANCES

10721. Government traffic.
 10722. Car utilization.

SUBCHAPTER III—LIMITATIONS

10741. Prohibitions against discrimination by rail carriers.
 10742. Facilities for interchange of traffic.
 10743. Liability for payment of rates.
 10744. Continuous carriage of freight.
 10745. Transportation services or facilities furnished by shipper.
 10746. Demurrage charges.
 10747. Designation of certain routes by shippers.

SUBCHAPTER I—GENERAL AUTHORITY

§ 10701. Standards for rates, classifications, through routes, rules, and practices

(a) A through route established by a rail carrier must be reasonable. Divisions of joint rates by rail carriers must be made without unreasonable discrimination against a participating carrier and must be reasonable.

(b) A rail carrier providing transportation subject to the jurisdiction of the Board under this part may not discriminate in its rates against a connecting line of another rail carrier providing transportation subject to the jurisdiction of the Board under this part or unreasonably discriminate against that line in the distribution of traffic that is not routed specifically by the shipper.

(c) Except as provided in subsection (d) of this section and unless a rate is prohibited by a provision of this part, a rail carrier providing transportation subject to the jurisdiction of the Board under this part may establish any rate for transportation or other service provided by the rail carrier.

(d)(1) If the Board determines, under section 10707 of this title, that a rail carrier has market dominance over the transportation to which a particular rate applies, the rate established by such carrier for such transportation must be reasonable.

(2) In determining whether a rate established by a rail carrier is reasonable for purposes of this section, the Board shall give due consideration to—

(A) the amount of traffic which is transported at revenues which do not contribute to going concern value and the efforts made to minimize such traffic;

(B) the amount of traffic which contributes only marginally to fixed costs and the extent to which, if any, rates on such traffic can be changed to maximize the revenues from such traffic; and

(C) the carrier's mix of rail traffic to determine whether one commodity is paying an unreasonable share of the carrier's overall revenues,

recognizing the policy of this part that rail carriers shall earn adequate revenues, as established by the Board under section 10704(a)(2) of this title.

(3) The Board shall, within one year after January 1, 1996, complete the pending Interstate Commerce Commission non-coal rate guidelines proceeding to establish a simplified and expedited method for determining the reasonableness of challenged rail rates in those cases in which a full stand-alone cost presentation is too costly, given the value of the case.

§ 10702. Authority for rail carriers to establish rates, classifications, rules, and practices

A rail carrier providing transportation or service subject to the jurisdiction of the Board under this part shall establish reasonable—

(1) rates, to the extent required by section 10707, divisions of joint rates, and classifications for transportation and service it may provide under this part; and

(2) rules and practices on matters related to that transportation or service.

§ 10703. Authority for rail carriers to establish through routes

Rail carriers providing transportation subject to the jurisdiction of the Board under this part shall establish through routes (including physical connections) with each other and with water carriers providing transportation subject to chapter 137, shall establish rates and classifications applicable to those routes, and shall establish rules for their operation and provide—

(1) reasonable facilities for operating the through route; and

(2) reasonable compensation to persons entitled to compensation for services related to the through route.

§ 10704. Authority and criteria: rates, classifications, rules, and practices prescribed by Board

(a)(1) When the Board, after a full hearing, decides that a rate charged or collected by a rail carrier for transportation subject to the jurisdiction of the Board under this part, or that a classification, rule, or practice of that carrier, does or will violate this part, the Board may prescribe the maximum rate, classification, rule, or practice to be followed. The Board may order the carrier to stop the violation. When a rate, classification, rule, or practice is prescribed under this subsection, the affected carrier may not publish, charge, or collect a different rate and shall adopt the classification and observe the rule or practice prescribed by the Board.

(2) The Board shall maintain and revise as necessary standards and procedures for establishing revenue levels for rail carriers providing transportation subject to its jurisdiction under this part that are adequate, under honest, economical, and efficient management, to cover total operating expenses, including depreciation and obsolescence, plus a reasonable and economic profit or return (or both) on capital employed in the business. The Board shall make an adequate and continuing effort to assist those carriers in attaining revenue levels prescribed under this paragraph. Revenue levels established under this paragraph should—

(A) provide a flow of net income plus depreciation adequate to support prudent capital outlays, assure the repayment of a reasonable level of debt, permit the raising of needed equity capital, and cover the effects of inflation; and

(B) attract and retain capital in amounts adequate to provide a sound transportation system in the United States.

(3) On the basis of the standards and procedures described in paragraph (2), the Board shall annually determine which rail carriers are earning adequate revenues.

(b) The Board may begin a proceeding under this section only on complaint. A complaint under subsection (a) of this section must be made under section 11701 of this title, but the proceeding may also be in extension of a complaint pending before the Board.

(c) In a proceeding to challenge the reasonableness of a rate, the Board shall make its determination as to the reasonableness of the challenged rate—

(1) within 9 months after the close of the administrative record if the determination is based upon a stand-alone cost presentation; or

(2) within 6 months after the close of the administrative record if the determination is based upon the methodology adopted by the Board pursuant to section 10701(d)(3).

(d) Within 9 months after January 1, 1996, the Board shall establish procedures to ensure expeditious handling of challenges to the reasonableness of railroad rates. The procedures shall include appropriate measures for avoiding delay in the discovery and evidentiary phases of such proceedings and exemption or revocation proceedings, including appropriate sanctions for such delay, and for ensuring prompt disposition of motions and interlocutory administrative appeals.

§ 10705. Authority: through routes, joint classifications, rates, and divisions prescribed by Board

(a)(1) The Board may, and shall when it considers it desirable in the public interest, prescribe through routes, joint classifications, joint rates, the division of joint rates, and the conditions under which those routes must be operated, for a rail carrier providing transportation subject to the jurisdiction of the Board under this part.

(2) The Board may require a rail carrier to include in a through route substantially less than the entire length of its railroad and any intermediate railroad operated with it under common management or control if that intermediate railroad lies between the terminals of the through route only when—

(A) required under section 10741, 10742, or 11102 of this title;

(B) inclusion of those lines would make the through route unreasonably long when compared with a practicable alternative through route that could be established; or

(C) the Board decides that the proposed through route is needed to provide adequate, and more efficient or economic, transportation.

The Board shall give reasonable preference, subject to this subsection, to the rail carrier originating the traffic when prescribing through routes.

(b) The Board shall prescribe the division of joint rates to be received by a rail carrier providing transportation subject to its jurisdiction under this part when it decides that a division of joint rates established by the participating carriers under section 10703 of this title, or under a decision of the Board under subsection (a) of this section, does or will violate section 10701 of this title.

(c) If a division of a joint rate prescribed under a decision of the Board is later found to violate section 10701 of this title, the Board may decide what division would have been reasonable and order adjustment to be made retroactive to the date the complaint was filed, the date the order for an investigation was made, or a later date that the Board decides is justified. The Board may make a decision under this subsection effective as part of its original decision.

§ 10706. Rate agreements: exemption from antitrust laws

(a)(1) In this subsection—

(A) the term “affiliate” means a person controlling, controlled by, or under common control or ownership with another person and “ownership” refers to equity holdings in a business entity of at least 5 percent;

(B) the term “single-line rate” refers to a rate or allowance proposed by a single rail carrier that is applicable only over its line and for which the transportation (exclusive of terminal services by switching, drayage or other terminal carriers or agencies) can be provided by that carrier; and

(C) the term “practicably participates in the movement” shall have such meaning as the Board shall by regulation prescribe.

(2)(A) A rail carrier providing transportation subject to the jurisdiction of the Board under this part that is a party to an agreement of at least 2 rail carriers that relates to rates (including charges between rail carriers and compensation paid or received for the use of facilities and equipment), classifications, divisions, or rules related to them, or procedures for joint consideration, initiation, publication, or establishment of them, shall apply to the Board for approval of that agreement under this subsection. The Board shall approve the agreement only when it finds that the making and carrying out of the agreement will further the transportation policy of section 10101 of this title and may require compliance with conditions necessary to make the agreement further that policy as a condition of its approval. If the Board approves the agreement, it may be made and carried out under its terms and under the conditions required by the Board, and the Sherman Act (15 U.S.C. 1, et seq.), the Clayton Act (15 U.S.C. 12, et seq.), the Federal Trade Commission Act (15 U.S.C. 41, et seq.), sections 73 and 74 of the Wilson Tariff Act (15 U.S.C. 8 and 9), and the Act of June 19, 1936 (15 U.S.C. 13, 13a, 13b, 21a) do not apply to parties and other persons with respect to making or carrying out the agreement. However, the Board may not approve or continue approval of an agreement when the conditions required by it are not

met or if it does not receive a verified statement under subparagraph (B) of this paragraph.

(B) The Board may approve an agreement under subparagraph (A) of this paragraph only when the rail carriers applying for approval file a verified statement with the Board. Each statement must specify for each rail carrier that is a party to the agreement—

- (i) the name of the carrier;
- (ii) the mailing address and telephone number of its headquarter's office; and
- (iii) the names of each of its affiliates and the names, addresses, and affiliates of each of its officers and directors and of each person, together with an affiliate, owning or controlling any debt, equity, or security interest in it having a value of at least \$1,000,000.

(3)(A) An organization established or continued under an agreement approved under this subsection shall make a final disposition of a rule or rate docketed with it by the 120th day after the proposal is docketed. Such an organization may not—

(i) permit a rail carrier to discuss, to participate in agreements related to, or to vote on single-line rates proposed by another rail carrier, except that for purposes of general rate increases and broad changes in rates, classifications, rules, and practices only, if the Board finds at any time that the implementation of this clause is not feasible, it may delay or suspend such implementation in whole or in part;

(ii) permit a rail carrier to discuss, to participate in agreements related to, or to vote on rates related to a particular interline movement unless that rail carrier practicably participates in the movement; or

(iii) if there are interline movements over two or more routes between the same end points, permit a carrier to discuss, to participate in agreements related to, or to vote on rates except with a carrier which forms part of a particular single route. If the Board finds at any time that the implementation of this clause is not feasible, it may delay or suspend such implementation in whole or in part.

(B)(i) In any proceeding in which a party alleges that a rail carrier voted or agreed on a rate or allowance in violation of this subsection, that party has the burden of showing that the vote or agreement occurred. A showing of parallel behavior does not satisfy that burden by itself.

(ii) In any proceeding in which it is alleged that a carrier was a party to an agreement, conspiracy, or combination in violation of a Federal law cited in subsection (a)(2)(A) of this section or of any similar State law, proof of an agreement, conspiracy, or combination may not be inferred from evidence that two or more rail carriers acted together with respect to an interline rate or related matter and that a party to such action took similar action with respect to a rate or related matter on another route or traffic. In any proceeding in which such a violation is alleged, evidence of a discussion or agreement between or among such rail carrier and one or more other rail carriers, or of any rate or other action resulting from such discussion or agreement, shall not be admissible if the discussion or agreement—

(I) was in accordance with an agreement approved under paragraph (2) of this subsection; or

(II) concerned an interline movement of the rail carrier, and the discussion or agreement would not, considered by itself, violate the laws referred to in the first sentence of this clause.

In any proceeding before a jury, the court shall determine whether the requirements of subclause (I) or (II) are satisfied before allowing the introduction of any such evidence.

(C) An organization described in subparagraph (A) of this paragraph shall provide that transcripts or sound recordings be made of all meetings, that records of votes be made, and that such transcripts or recordings and voting records be submitted to the Board and made available to other Federal agencies in connection with their statutory responsibilities over rate bureaus, except that such material shall be kept confidential and shall not be subject to disclosure under section 552 of title 5, United States Code.

(4) Notwithstanding any other provision of this subsection, one or more rail carriers may enter into an agreement, without obtaining prior Board approval, that provides solely for compilation, publication, and other distribution of rates in effect or to become effective. The Sherman Act (15 U.S.C. 1 et seq.), the Clayton Act (15 U.S.C. 12 et seq.), the Federal Trade Commission Act (15 U.S.C. 41 et seq.), sections 73 and 74 of the Wilson Tariff Act (15 U.S.C. 8 and 9), and the Act of June 19, 1936 (15 U.S.C. 13, 13a, 13b, 21a) shall not apply to parties and other persons with respect to making or carrying out such agreement. However, the Board may, upon application or on its own initiative, investigate whether the parties to such an agreement have exceeded its scope, and upon a finding that they have, the Board may issue such orders as are necessary, including an order dissolving the agreement, to ensure that actions taken pursuant to the agreement are limited as provided in this paragraph.

(5)(A) Whenever two or more shippers enter into an agreement to discuss among themselves that relates to the amount of compensation such shippers propose to be paid by rail carriers providing transportation subject to the jurisdiction of the Board under this part, for use by such rail carriers of rolling stock owned or leased by such shippers, the shippers shall apply to the Board for approval of that agreement under this paragraph. The Board shall approve the agreement only when it finds that the making and carrying out of the agreement will further the transportation policy set forth in section 10101 of this title and may require compliance with conditions necessary to make the agreement further that policy as a condition of approval. If the Board approves the agreement, it may be made and carried out under its terms and under the terms required by the Board, and the antitrust laws set forth in paragraph (2) of this subsection do not apply to parties and other persons with respect to making or carrying out the agreement. The Board shall approve or disapprove an agreement under this paragraph within one year after the date application for approval of such agreement is made.

(B) If the Board approves an agreement described in subparagraph (A) of this paragraph and the shippers entering into such

agreement and the rail carriers proposing to use rolling stock owned or leased by such shippers, under payment by such carriers or under a published allowance, are unable to agree upon the amount of compensation to be paid for the use of such rolling stock, any party directly involved in the negotiations may require that the matter be settled by submitting the issues in dispute to the Board. The Board shall render a binding decision, based upon a standard of reasonableness and after taking into consideration any past precedents on the subject matter of the negotiations, no later than 90 days after the date of the submission of the dispute to the Board.

(C) Nothing in this paragraph shall be construed to change the law in effect prior to October 1, 1980, with respect to the obligation of rail carriers to utilize rolling stock owned or leased by shippers.

(b) The Board may require an organization established or continued under an agreement approved under this section to maintain records and submit reports. The Board may inspect a record maintained under this section.

(c) The Board may review an agreement approved under subsection (a) of this section and shall change the conditions of approval or terminate it when necessary to comply with the public interest and subsection (a). The Board shall postpone the effective date of a change of an agreement under this subsection for whatever period it determines to be reasonably necessary to avoid unreasonable hardship.

(d) The Board may begin a proceeding under this section on its own initiative or on application. Action of the Board under this section—

- (1) approving an agreement;
- (2) denying, ending, or changing approval;
- (3) prescribing the conditions on which approval is granted; or
- (4) changing those conditions,

has effect only as related to application of the antitrust laws referred to in subsection (a) of this section.

(e)(1) The Federal Trade Commission, in consultation with the Antitrust Division of the Department of Justice, shall prepare periodically an assessment of, and shall report to the Board on—

- (A) possible anticompetitive features of—
 - (i) agreements approved or submitted for approval under subsection (a) of this section; and
 - (ii) an organization operating under those agreements;

and

(B) possible ways to alleviate or end an anticompetitive feature, effect, or aspect in a manner that will further the goals of this part and of the transportation policy of section 10101 of this title.

(2) Reports received by the Board under this subsection shall be published and made available to the public under section 552(a) of title 5.

§ 10707. Determination of market dominance in rail rate proceedings

(a) In this section, “market dominance” means an absence of effective competition from other rail carriers or modes of transportation for the transportation to which a rate applies.

(b) When a rate for transportation by a rail carrier providing transportation subject to the jurisdiction of the Board under this part is challenged as being unreasonably high, the Board shall determine whether the rail carrier proposing the rate has market dominance over the transportation to which the rate applies. The Board may make that determination on its own initiative or on complaint. A finding by the Board that the rail carrier does not have market dominance is determinative in a proceeding under this part related to that rate or transportation unless changed or set aside by the Board or set aside by a court of competent jurisdiction.

(c) When the Board finds in any proceeding that a rail carrier proposing or defending a rate for transportation has market dominance over the transportation to which the rate applies, it may then determine that rate to be unreasonable if it exceeds a reasonable maximum for that transportation. However, a finding of market dominance does not establish a presumption that the proposed rate exceeds a reasonable maximum.

(d)(1)(A) In making a determination under this section, the Board shall find that the rail carrier establishing the challenged rate does not have market dominance over the transportation to which the rate applies if such rail carrier proves that the rate charged results in a revenue-variable cost percentage for such transportation that is less than 180 percent.

(B) For purposes of this section, variable costs for a rail carrier shall be determined only by using such carrier’s unadjusted costs, calculated using the Uniform Rail Costing System cost finding methodology (or an alternative methodology adopted by the Board in lieu thereof) and indexed quarterly to account for current wage and price levels in the region in which the carrier operates, with adjustments specified by the Board. A rail carrier may meet its burden of proof under this subsection by establishing its variable costs in accordance with this paragraph, but a shipper may rebut that showing by evidence of such type, and in accordance with such burden of proof, as the Board shall prescribe.

(2) A finding by the Board that a rate charged by a rail carrier results in a revenue-variable cost percentage for the transportation to which the rate applies that is equal to or greater than 180 percent does not establish a presumption that—

(A) such rail carrier has or does not have market dominance over such transportation; or

(B) the proposed rate exceeds or does not exceed a reasonable maximum.

§ 10708. Rail cost adjustment factor

(a) The Board shall, as often as practicable, but in no event less often than quarterly, publish a rail cost adjustment factor which shall be a fraction, the numerator of which is the latest pub-

lished Index of Railroad Costs (which index shall be compiled or verified by the Board, with appropriate adjustments to reflect the change in composition of railroad costs, including the quality and mix of material and labor) and the denominator of which is the same index for the fourth quarter of every fifth year, beginning with the fourth quarter of 1992.

(b) The rail cost adjustment factor published by the Board under subsection (a) of this section shall take into account changes in railroad productivity. The Board shall also publish a similar index that does not take into account changes in railroad productivity.

§ 10709. Contracts

(a) One or more rail carriers providing transportation subject to the jurisdiction of the Board under this part may enter into a contract with one or more purchasers of rail services to provide specified services under specified rates and conditions.

(b) A party to a contract entered into under this section shall have no duty in connection with services provided under such contract other than those duties specified by the terms of the contract.

(c)(1) A contract that is authorized by this section, and transportation under such contract, shall not be subject to this part, and may not be subsequently challenged before the Board or in any court on the grounds that such contract violates a provision of this part.

(2) The exclusive remedy for any alleged breach of a contract entered into under this section shall be an action in an appropriate State court or United States district court, unless the parties otherwise agree. This section does not confer original jurisdiction on the district courts of the United States based on section 1331 or 1337 of title 28, United States Code.

(d)(1) A summary of each contract for the transportation of agricultural products (including grain, as defined in section 3 of the United States Grain Standards Act (7 U.S.C. 75) and products thereof) entered into under this section shall be filed with the Board, containing such nonconfidential information as the Board prescribes. The Board shall publish special rules for such contracts in order to ensure that the essential terms of the contract are available to the general public.

(2) Documents, papers, and records (and any copies thereof) relating to a contract described in subsection (a) shall not be subject to the mandatory disclosure requirements of section 552 of title 5.

(e) Any lawful contract between a rail carrier and one or more purchasers of rail service that was in effect on October 1, 1980, shall be considered a contract authorized by this section.

(f) A rail carrier that enters into a contract as authorized by this section remains subject to the common carrier obligation set forth in section 11101, with respect to rail transportation not provided under such a contract.

(g)(1) No later than 30 days after the date of filing of a summary of a contract under this section, the Board may, on complaint, begin a proceeding to review such contract on the grounds described in this subsection.

(2)(A) A complaint may be filed under this subsection—

(i) by a shipper on the grounds that such shipper individually will be harmed because the proposed contract unduly impairs the ability of the contracting rail carrier or carriers to meet their common carrier obligations to the complainant under section 11101 of this title; or

(ii) by a port only on the grounds that such port individually will be harmed because the proposed contract will result in unreasonable discrimination against such port.

(B) In addition to the grounds for a complaint described in subparagraph (A) of this paragraph, a complaint may be filed by a shipper of agricultural commodities on the grounds that such shipper individually will be harmed because—

(i) the rail carrier has unreasonably discriminated by refusing to enter into a contract with such shipper for rates and services for the transportation of the same type of commodity under similar conditions to the contract at issue, and that shipper was ready, willing, and able to enter into such a contract at a time essentially contemporaneous with the period during which the contract at issue was offered; or

(ii) the proposed contract constitutes a destructive competitive practice under this part.

In making a determination under clause (ii) of this subparagraph, the Board shall consider the difference between contract rates and published single car rates.

(C) For purposes of this paragraph, the term “unreasonable discrimination” has the same meaning as such term has under section 10741 of this title.

(3)(A) Within 30 days after the date a proceeding is commenced under paragraph (1) of this subsection, or within such shorter time period after such date as the Board may establish, the Board shall determine whether the contract that is the subject of such proceeding is in violation of this section.

(B) If the Board determines, on the basis of a complaint filed under paragraph (2)(B)(i) of this subsection, that the grounds for a complaint described in such paragraph have been established with respect to a rail carrier, the Board shall, subject to the provisions of this section, order such rail carrier to provide rates and service substantially similar to the contract at issue with such differentials in terms and conditions as are justified by the evidence.

(h)(1) Any rail carrier may, in accordance with the terms of this section, enter into contracts for the transportation of agricultural commodities (including forest products, but not including wood pulp, wood chips, pulpwood or paper) involving the utilization of carrier owned or leased equipment not in excess of 40 percent of the capacity of such carrier's owned or leased equipment by major car type (plain boxcars, covered hopper cars, gondolas and open top hoppers, coal cars, bulkhead flatcars, pulpwood rackcars, and flatbed equipment, including TOFC/COFC).

(2) The Board may, on request of a rail carrier or other party or on its own initiative, grant such relief from the limitations of paragraph (1) of this subsection as the Board considers appropriate, if it appears that additional equipment may be made available without impairing the rail carrier's ability to meet its common carrier obligations under section 11101 of this title.

(3)(A) This subsection shall cease to be effective after September 30, 1998.

(B) Before October 1, 1997, the National Grain Car Council and the Railroad-Shipper Transportation Advisory Council shall make recommendations to Congress on whether to extend the effectiveness of or otherwise modify this subsection.

SUBCHAPTER II—SPECIAL CIRCUMSTANCES

§ 10721. Government traffic

A rail carrier providing transportation or service for the United States Government may transport property or individuals for the United States Government without charge or at a rate reduced from the applicable commercial rate. Section 3709 of the Revised Statutes (41 U.S.C. 5) does not apply when transportation for the United States Government can be obtained from a rail carrier lawfully operating in the area where the transportation would be provided.

§ 10722. Car utilization

In order to encourage more efficient use of freight cars, notwithstanding any other provision of this part, rail carriers shall be permitted to establish premium charges for special services or special levels of services not otherwise applicable to the movement. The Board shall facilitate development of such charges so as to increase the utilization of equipment.

SUBCHAPTER III—LIMITATIONS

§ 10741. Prohibitions against discrimination by rail carriers

(a)(1) A rail carrier providing transportation or service subject to the jurisdiction of the Board under this part may not subject a person, place, port, or type of traffic to unreasonable discrimination.

(2) For purposes of this section, a rail carrier engages in unreasonable discrimination when it charges or receives from a person a different compensation for a service rendered, or to be rendered, in transportation the rail carrier may perform under this part than it charges or receives from another person for performing a like and contemporaneous service in the transportation of a like kind of traffic under substantially similar circumstances.

(b) This section shall not apply to—

(1) contracts described in section 10709 of this title;

(2) rail rates applicable to different routes; or

(3) discrimination against the traffic of another carrier providing transportation by any mode.

(c) Differences between rates, classifications, rules, and practices of rail carriers do not constitute a violation of this section if such differences result from different services provided by rail carriers.

§ 10742. Facilities for interchange of traffic

A rail carrier providing transportation subject to the jurisdiction of the Board under this part shall provide reasonable, proper,

and equal facilities that are within its power to provide for the interchange of traffic between, and for the receiving, forwarding, and delivering of passengers and property to and from, its respective line and a connecting line of another rail carrier or of a water carrier providing transportation subject to chapter 137.

§ 10743. Liability for payment of rates

(a)(1) Liability for payment of rates for transportation for a shipment of property by a shipper or consignor to a consignee other than the shipper or consignor, is determined under this subsection when the transportation is provided by a rail carrier under this part. When the shipper or consignor instructs the rail carrier transporting the property to deliver it to a consignee that is an agent only, not having beneficial title to the property, the consignee is liable for rates billed at the time of delivery for which the consignee is otherwise liable, but not for additional rates that may be found to be due after delivery if the consignee gives written notice to the delivering carrier before delivery of the property—

(A) of the agency and absence of beneficial title; and

(B) of the name and address of the beneficial owner of the property if it is reconsigned or diverted to a place other than the place specified in the original bill of lading.

(2) When the consignee is liable only for rates billed at the time of delivery under paragraph (1) of this subsection, the shipper or consignor, or, if the property is reconsigned or diverted, the beneficial owner, is liable for those additional rates regardless of the bill of lading or contract under which the property was transported. The beneficial owner is liable for all rates when the property is reconsigned or diverted by an agent but is refused or abandoned at its ultimate destination if the agent gave the rail carrier in the reconsignment or diversion order a notice of agency and the name and address of the beneficial owner. A consignee giving the rail carrier, and a reconsignor or diverter giving a rail carrier, erroneous information about the identity of the beneficial owner of the property is liable for the additional rates.

(b) Liability for payment of rates for transportation for a shipment of property by a shipper or consignor, named in the bill of lading as consignee, is determined under this subsection when the transportation is provided by a rail carrier under this part. When the shipper or consignor gives written notice, before delivery of the property, to the line-haul rail carrier that is to make ultimate delivery—

(1) to deliver the property to another party identified by the shipper or consignor as the beneficial owner of the property; and

(2) that delivery is to be made to that party on payment of all applicable transportation rates;

that party is liable for the rates billed at the time of delivery and for additional rates that may be found to be due after delivery if that party does not pay the rates required to be paid under paragraph (2) of this subsection on delivery. However, if the party gives written notice to the delivering rail carrier before delivery that the party is not the beneficial owner of the property and gives the rail carrier the name and address of the beneficial owner, then the

party is not liable for those additional rates. A shipper, consignor, or party to whom delivery is made that gives the delivering rail carrier erroneous information about the identity of the beneficial owner, is liable for the additional rates regardless of the bill of lading or contract under which the property was transported. This subsection does not apply to a prepaid shipment of property.

(c)(1) A rail carrier may bring an action to enforce liability under subsection (a) of this section. That rail carrier must bring the action during the period provided in section 11705(a) of this title or by the end of the 6th month after final judgment against it in an action against the consignee, or the beneficial owner named by the consignee or agent, under that section.

(2) A rail carrier may bring an action to enforce liability under subsection (b) of this section. That carrier must bring the action during the period provided in section 11705(a) of this title or by the end of the 6th month after final judgment against it in an action against the shipper, consignor, or other party under that section.

§ 10744. Continuous carriage of freight

A rail carrier providing transportation or service subject to the jurisdiction of the Board under this part may not enter a combination or arrangement to prevent the carriage of freight from being continuous from the place of shipment to the place of destination whether by change of time schedule, carriage in different cars, or by other means. The carriage of freight by those rail carriers is considered to be a continuous carriage from the place of shipment to the place of destination when a break of bulk, stoppage, or interruption is not made in good faith for a necessary purpose, and with the intent of avoiding or unnecessarily interrupting the continuous carriage or of evading this part.

§ 10745. Transportation services or facilities furnished by shipper

A rail carrier providing transportation or service subject to the jurisdiction of the Board under this part may establish a charge or allowance for transportation or service for property when the owner of the property, directly or indirectly, furnishes a service related to or an instrumentality used in the transportation or service. The Board may prescribe the maximum reasonable charge or allowance a rail carrier subject to its jurisdiction may pay for a service or instrumentality furnished under this section. The Board may begin a proceeding under this section on its own initiative or on application.

§ 10746. Demurrage charges

A rail carrier providing transportation subject to the jurisdiction of the Board under this part shall compute demurrage charges, and establish rules related to those charges, in a way that fulfills the national needs related to—

- (1) freight car use and distribution; and
- (2) maintenance of an adequate supply of freight cars to be available for transportation of property.

§ 10747. Designation of certain routes by shippers

(a)(1) When a person delivers property to a rail carrier for transportation subject to the jurisdiction of the Board under this part, the person may direct the rail carrier to transport the property over an established through route. When competing rail lines constitute a part of the route, the person shipping the property may designate the lines over which the property will be transported. The designation must be in writing. A rail carrier may be directed to transport property over a particular through route when—

(A) there are at least 2 through routes over which the property could be transported;

(B) a through rate has been established for transportation over each of those through routes; and

(C) the rail carrier is a party to those routes and rates.

(2) A rail carrier directed to route property transported under paragraph (1) of this subsection must issue a through bill of lading containing the routing instructions and transport the property according to the instructions. When the property is delivered to a connecting rail carrier, that rail carrier must also receive and transport it according to the routing instructions and deliver it to the next succeeding rail carrier or consignee according to the instructions.

(b) The Board may prescribe exceptions to the authority of a person to direct the movement of traffic under subsection (a) of this section.

CHAPTER 109—LICENSING

Sec.

10901. Authorizing construction and operation of railroad lines.

10902. Short line purchases by Class II and Class III rail carriers.

10903. Filing and procedure for application to abandon or discontinue.

10904. Offers of financial assistance to avoid abandonment and discontinuance.

10905. Offering abandoned rail properties for sale for public purposes.

10906. Exception.

10907. Railroad development.

§ 10901. Authorizing construction and operation of railroad lines

(a) A person may—

(1) construct an extension to any of its railroad lines;

(2) construct an additional railroad line;

(3) provide transportation over, or by means of, an extended or additional railroad line; or

(4) in the case of a person other than a rail carrier, acquire a railroad line or acquire or operate an extended or additional railroad line,

only if the Board issues a certificate authorizing such activity under subsection (c).

(b) A proceeding to grant authority under subsection (a) of this section begins when an application is filed. On receiving the application, the Board shall give reasonable public notice, including notice to the Governor of any affected State, of the beginning of such proceeding.

(c) The Board shall issue a certificate authorizing activities for which such authority is requested in an application filed under subsection (b) unless the Board finds that such activities are inconsistent with the public convenience and necessity. Such certificate may approve the application as filed, or with modifications, and may require compliance with conditions (other than labor protection conditions) the Board finds necessary in the public interest.

(d)(1) When a certificate has been issued by the Board under this section authorizing the construction or extension of a railroad line, no other rail carrier may block any construction or extension authorized by such certificate by refusing to permit the carrier to cross its property if—

(A) the construction does not unreasonably interfere with the operation of the crossed line;

(B) the operation does not materially interfere with the operation of the crossed line; and

(C) the owner of the crossing line compensates the owner of the crossed line.

(2) If the parties are unable to agree on the terms of operation or the amount of payment for purposes of paragraph (1) of this subsection, either party may submit the matters in dispute to the Board for determination. The Board shall make a determination under this paragraph within 120 days after the dispute is submitted for determination.

§ 10902. Short line purchases by Class II and Class III rail carriers

(a) A Class II or Class III rail carrier providing transportation subject to the jurisdiction of the Board under this part may acquire or operate an extended or additional rail line under this section only if the Board issues a certificate authorizing such activity under subsection (c).

(b) A proceeding to grant authority under subsection (a) of this section begins when an application is filed. On receiving the application, the Board shall give reasonable public notice of the beginning of such proceeding.

(c) The Board shall issue a certificate authorizing activities for which such authority is requested in an application filed under subsection (b) unless the Board finds that such activities are inconsistent with the public convenience and necessity. Such certificate may approve the application as filed, or with modifications, and may require compliance with conditions (other than labor protection conditions) the Board finds necessary in the public interest.

(d) The Board shall require any Class II rail carrier which receives a certificate under subsection (c) of this section to provide a fair and equitable arrangement for the protection of the interests of employees who may be affected thereby. The arrangement shall consist exclusively of one year of severance pay, which shall not exceed the amount of earnings from railroad employment of the employee during the 12-month period immediately preceding the date on which the application for such certificate is filed with the Board. The amount of such severance pay shall be reduced by the amount of earnings from railroad employment of the employee with the acquiring carrier during the 12-month period immediately following

the effective date of the transaction to which the certificate applies. The parties may agree to terms other than as provided in this subsection. The Board shall not require such an arrangement from a Class III rail carrier which receives a certificate under subsection (c) of this section.

§ 10903. Filing and procedure for application to abandon or discontinue

(a)(1) A rail carrier providing transportation subject to the jurisdiction of the Board under this part who intends to—

(A) abandon any part of its railroad lines; or

(B) discontinue the operation of all rail transportation over any part of its railroad lines,

must file an application relating thereto with the Board. An abandonment or discontinuance may be carried out only as authorized under this chapter.

(2) When a rail carrier providing transportation subject to the jurisdiction of the Board under this part files an application, the application shall include—

(A) an accurate and understandable summary of the rail carrier's reasons for the proposed abandonment or discontinuance;

(B) a statement indicating that each interested person is entitled to make recommendations to the Board on the future of the rail line; and

(C)(i) a statement that the line is available for subsidy or sale in accordance with section 10904 of this title, (ii) a statement that the rail carrier will promptly provide to each interested party an estimate of the annual subsidy and minimum purchase price, calculated in accordance with section 10904 of this title, and (iii) the name and business address of the person who is authorized to discuss the subsidy or sale terms for the rail carrier.

(3) The rail carrier shall—

(A) send by certified mail notice of the application to the chief executive officer of each State that would be directly affected by the proposed abandonment or discontinuance;

(B) post a copy of the notice in each terminal and station on each portion of a railroad line proposed to be abandoned or over which all transportation is to be discontinued;

(C) publish a copy of the notice for 3 consecutive weeks in a newspaper of general circulation in each county in which each such portion is located;

(D) mail a copy of the notice, to the extent practicable, to all shippers that have made significant use (as designated by the Board) of the railroad line during the 12 months preceding the filing of the application; and

(E) attach to the application filed with the Board an affidavit certifying the manner in which subparagraphs (A) through (D) of this paragraph have been satisfied, and certifying that subparagraphs (A) through (D) have been satisfied within the most recent 30 days prior to the date the application is filed.

(b)(1) Except as provided in subsection (d), abandonment and discontinuance may occur as provided in section 10904.

(2) The Board shall require as a condition of any abandonment or discontinuance under this section provisions to protect the interests of employees. The provisions shall be at least as beneficial to those interests as the provisions established under sections 11326(a) and 24706(c) of this title.

(c)(1) In this subsection, the term “potentially subject to abandonment” has the meaning given the term in regulations of the Board. The regulations may include standards that vary by region of the United States and by railroad or group of railroads.

(2) Each rail carrier shall maintain a complete diagram of the transportation system operated, directly or indirectly, by the rail carrier. The rail carrier shall submit to the Board and publish amendments to its diagram that are necessary to maintain the accuracy of the diagram. The diagram shall—

(A) include a detailed description of each of its railroad lines potentially subject to abandonment; and

(B) identify each railroad line for which the rail carrier plans to file an application to abandon or discontinue under subsection (a) of this section.

(d) A rail carrier providing transportation subject to the jurisdiction of the Board under this part may—

(1) abandon any part of its railroad lines; or

(2) discontinue the operation of all rail transportation over any part of its railroad lines; only if the Board finds that the present or future public convenience and necessity require or permit the abandonment or discontinuance. In making the finding, the Board shall consider whether the abandonment or discontinuance will have a serious, adverse impact on rural and community development.

(e) Subject to this section and sections 10904 and 10905 of this title, if the Board—

(1) finds public convenience and necessity, it shall—

(A) approve the application as filed; or

(B) approve the application with modifications and require compliance with conditions that the Board finds are required by public convenience and necessity; or

(2) fails to find public convenience and necessity, it shall deny the application.

§ 10904. Offers of financial assistance to avoid abandonment and discontinuance

(a) In this section—

(1) the term “avoidable cost” means all expenses that would be incurred by a rail carrier in providing transportation that would not be incurred if the railroad line over which the transportation was provided were abandoned or if the transportation were discontinued. Expenses include cash inflows foregone and cash outflows incurred by the rail carrier as a result of not abandoning or discontinuing the transportation. Cash inflows foregone and cash outflows incurred include—

(A) working capital and required capital expenditure;

(B) expenditures to eliminate deferred maintenance;

- (C) the current cost of freight cars, locomotives, and other equipment; and
- (D) the foregone tax benefits from not retiring properties from rail service and other effects of applicable Federal and State income taxes; and
- (2) the term “reasonable return” means—
- (A) if a rail carrier is not in reorganization, the cost of capital to the rail carrier, as determined by the Board; and
- (B) if a rail carrier is in reorganization, the mean cost of capital of rail carriers not in reorganization, as determined by the Board.
- (b) Any rail carrier which has filed an application for abandonment or discontinuance shall provide promptly to a party considering an offer of financial assistance and shall provide concurrently to the Board—
- (1) an estimate of the annual subsidy and minimum purchase price required to keep the line or a portion of the line in operation;
- (2) its most recent reports on the physical condition of that part of the railroad line involved in the proposed abandonment or discontinuance;
- (3) traffic, revenue, and other data necessary to determine the amount of annual financial assistance which would be required to continue rail transportation over that part of the railroad line; and
- (4) any other information that the Board considers necessary to allow a potential offeror to calculate an adequate subsidy or purchase offer.
- (c) Within 4 months after an application is filed under section 10903, any person may offer to subsidize or purchase the railroad line that is the subject of such application. Such offer shall be filed concurrently with the Board. If the offer to subsidize or purchase is less than the carrier’s estimate stated pursuant to subsection (b)(1), the offer shall explain the basis of the disparity, and the manner in which the offer is calculated.
- (d)(1) Unless the Board, within 15 days after the expiration of the 4-month period described in subsection (c), finds that one or more financially responsible persons (including a governmental authority) have offered financial assistance regarding that part of the railroad line to be abandoned or over which all rail transportation is to be discontinued, abandonment or discontinuance may be carried out in accordance with section 10903.
- (2) If the Board finds that such an offer or offers of financial assistance has been made within such period, abandonment or discontinuance shall be postponed until—
- (A) the carrier and a financially responsible person have reached agreement on a transaction for subsidy or sale of the line; or
- (B) the conditions and amount of compensation are established under subsection (f).
- (e) Except as provided in subsection (f)(3), if the rail carrier and a financially responsible person (including a governmental authority) fail to agree on the amount or terms of the subsidy or pur-

chase, either party may, within 30 days after the offer is made, request that the Board establish the conditions and amount of compensation.

(f)(1) Whenever the Board is requested to establish the conditions and amount of compensation under this section—

(A) the Board shall render its decision within 30 days;

(B) for proposed sales, the Board shall determine the price and other terms of sale, except that in no case shall the Board set a price which is below the fair market value of the line (including, unless otherwise mutually agreed, all facilities on the line or portion necessary to provide effective transportation services); and

(C) for proposed subsidies, the Board shall establish the compensation as the difference between the revenues attributable to that part of the railroad line and the avoidable cost of providing rail freight transportation on the line, plus a reasonable return on the value of the line.

(2) The decision of the Board shall be binding on both parties, except that the person who has offered to subsidize or purchase the line may withdraw his offer within 10 days of the Board's decision. In such a case, the abandonment or discontinuance may be carried out immediately, unless other offers are being considered pursuant to paragraph (3) of this subsection.

(3) If a rail carrier receives more than one offer to subsidize or purchase, it shall select the offeror with whom it wishes to transact business, and complete the subsidy or sale agreement, or request that the Board establish the conditions and amount of compensation before the 40th day after the expiration of the 4-month period described in subsection (c). If no agreement on subsidy or sale is reached within such 40-day period and the Board has not been requested to establish the conditions and amount of compensation, any other offeror whose offer was made within the 4-month period described in subsection (c) may request that the Board establish the conditions and amount of compensation. If the Board has established the conditions and amount of compensation, and the original offer has been withdrawn, any other offeror whose offer was made within the 4-month period described in subsection (c) may accept the Board's decision within 20 days after such decision, and the Board shall require the carrier to enter into a subsidy or sale agreement with such offeror, if such subsidy or sale agreement incorporates the Board's decision.

(4)(A) No purchaser of a line or portion of line sold under this section may transfer or discontinue service on such line prior to the end of the second year after consummation of the sale, nor may such purchaser transfer such line, except to the rail carrier from whom it was purchased, prior to the end of the fifth year after consummation of the sale.

(B) No subsidy arrangement approved under this section shall remain in effect for more than one year, unless otherwise mutually agreed by the parties.

(g) Upon abandonment of a railroad line under this chapter, the obligation of the rail carrier abandoning the line to provide transportation on that line, as required by section 11101(a), is extinguished.

§ 10905. Offering abandoned rail properties for sale for public purposes

When the Board approves an application to abandon or discontinue under section 10903, the Board shall find whether the rail properties that are involved in the proposed abandonment or discontinuance are appropriate for use for public purposes, including highways, other forms of mass transportation, conservation, energy production or transmission, or recreation. If the Board finds that the rail properties proposed to be abandoned are appropriate for public purposes and not required for continued rail operations, the properties may be sold, leased, exchanged, or otherwise disposed of only under conditions provided in the order of the Board. The conditions may include a prohibition on any such disposal for a period of not more than 180 days after the effective date of the order, unless the properties have first been offered, on reasonable terms, for sale for public purposes.

§ 10906. Exception

Notwithstanding section 10901 and subchapter II of chapter 113 of this title, and without the approval of the Board, a rail carrier providing transportation subject to the jurisdiction of the Board under this part may enter into arrangements for the joint ownership or joint use of spur, industrial, team, switching, or side tracks. The Board does not have authority under this chapter over construction, acquisition, operation, abandonment, or discontinuance of spur, industrial, team, switching, or side tracks.

§ 10907. Railroad development

(a) In this section, the term “financially responsible person” means a person who—

(1) is capable of paying the constitutional minimum value of the railroad line proposed to be acquired; and

(2) is able to assure that adequate transportation will be provided over such line for a period of not less than 3 years. Such term includes a governmental authority but does not include a Class I or Class II rail carrier.

(b)(1) When the Board finds that—

(A)(i) the public convenience and necessity require or permit the sale of a particular railroad line under this section; or

(ii) a railroad line is on a system diagram map as required under section 10903 of this title, but the rail carrier owning such line has not filed an application to abandon such line under section 10903 of this title before an application to purchase such line, or any required preliminary filing with respect to such application, is filed under this section; and

(B) an application to purchase such line has been filed by a financially responsible person, the Board shall require the rail carrier owning the railroad line to sell such line to such financially responsible person at a price not less than the constitutional minimum value.

(2) For purposes of this subsection, the constitutional minimum value of a particular railroad line shall be presumed to be not less

than the net liquidation value of such line or the going concern value of such line, whichever is greater.

(c)(1) For purposes of this section, the Board may determine that the public convenience and necessity require or permit the sale of a railroad line if the Board determines, after a hearing on the record, that—

(A) the rail carrier operating such line refuses within a reasonable time to make the necessary efforts to provide adequate service to shippers who transport traffic over such line;

(B) the transportation over such line is inadequate for the majority of shippers who transport traffic over such line;

(C) the sale of such line will not have a significantly adverse financial effect on the rail carrier operating such line;

(D) the sale of such line will not have an adverse effect on the overall operational performance of the rail carrier operating such line; and

(E) the sale of such line will be likely to result in improved railroad transportation for shippers that transport traffic over such line.

(2) In a proceeding under this subsection, the burden of proving that the public convenience and necessity require or permit the sale of a particular railroad line is on the person filing the application to acquire such line. If the Board finds under this subsection that the public convenience and necessity require or permit the sale of a particular railroad line, the Board shall concurrently notify the parties of such finding and publish such finding in the Federal Register.

(d) In the case of any railroad line subject to sale under subsection (a) of this section, the Board shall, upon the request of the acquiring carrier, require the selling carrier to provide to the acquiring carrier trackage rights to allow a reasonable interchange with the selling carrier or to move power equipment or empty rolling stock between noncontiguous feeder lines operated by the acquiring carrier. The Board shall require the acquiring carrier to provide the selling carrier reasonable compensation for any such trackage rights.

(e) The Board shall require, to the maximum extent practicable, the use of the employees who would normally have performed work in connection with a railroad line subject to a sale under this section.

(f) In the case of a railroad line which carried less than 3,000,000 gross ton miles of traffic per mile in the preceding calendar year, whenever a purchasing carrier under this section petitions the Board for joint rates applicable to traffic moving over through routes in which the purchasing carrier may practicably participate, the Board shall, within 30 days after the date such petition is filed and pursuant to section 10705(a) of this title, require the establishment of reasonable joint rates and divisions over such route.

(g)(1) Any person operating a railroad line acquired under this section may elect to be exempt from any of the provisions of this part, except that such a person may not be exempt from the provisions of chapter 107 of this title with respect to transportation under a joint rate.

(2) The provisions of paragraph (1) of this subsection shall apply to any line of railroad which was abandoned during the 18-month period immediately prior to October 1, 1980, and was subsequently purchased by a financially responsible person.

(h) If a purchasing carrier under this section proposes to sell or abandon all or any portion of a purchased railroad line, such purchasing carrier shall offer the right of first refusal with respect to such line or portion thereof to the carrier which sold such line under this section. Such offer shall be made at a price equal to the sum of the price paid by such purchasing carrier to such selling carrier for such line or portion thereof and the fair market value (less deterioration) of any improvements made, as adjusted to reflect inflation.

(i) Any person operating a railroad line acquired under this section may determine preconditions, such as payment of a subsidy, which must be met by shippers in order to obtain service over such lines, but such operator must notify the shippers on the line of its intention to impose such preconditions.

CHAPTER 111—OPERATIONS

SUBCHAPTER I—GENERAL REQUIREMENTS

Sec.

11101. Common carrier transportation, service, and rates.

11102. Use of terminal facilities.

11103. Switch connections and tracks.

SUBCHAPTER II—CAR SERVICE

11121. Criteria.

11122. Compensation and practice.

11123. Situations requiring immediate action to serve the public.

11124. War emergencies; embargoes imposed by carriers.

SUBCHAPTER III—REPORTS AND RECORDS

11141. Definitions.

11142. Uniform accounting system.

11143. Depreciation charges.

11144. Records: form; inspection; preservation.

11145. Reports by rail carriers, lessors, and associations.

SUBCHAPTER IV—RAILROAD COST ACCOUNTING

11161. Implementation of cost accounting principles.

11162. Rail carrier cost accounting system.

11163. Cost availability.

11164. Accounting and cost reporting.

SUBCHAPTER I—GENERAL REQUIREMENTS

§ 11101. Common carrier transportation, service, and rates

(a) A rail carrier providing transportation or service subject to the jurisdiction of the Board under this part shall provide the transportation or service on reasonable request. A rail carrier shall not be found to have violated this section because it fulfills its reasonable commitments under contracts authorized under section 10709 of this title before responding to reasonable requests for service. Commitments which deprive a carrier of its ability to respond to reasonable requests for common carrier service are not reasonable.

(b) A rail carrier shall also provide to any person, on request, the carrier's rates and other service terms. The response by a rail carrier to a request for the carrier's rates and other service terms shall be—

(1) in writing and forwarded to the requesting person promptly after receipt of the request; or

(2) promptly made available in electronic form.

(c) A rail carrier may not increase any common carrier rates or change any common carrier service terms unless 20 days have expired after written or electronic notice is provided to any person who, within the previous 12 months—

(1) has requested such rates or terms under subsection (b);

or

(2) has made arrangements with the carrier for a shipment that would be subject to such increased rates or changed terms.

(d) With respect to transportation of agricultural products, in addition to the requirements of subsections (a), (b), and (c), a rail carrier shall publish, make available, and retain for public inspection its common carrier rates, schedules of rates, and other service terms, and any proposed and actual changes to such rates and service terms. For purposes of this subsection, agricultural products shall include grain as defined in section 3 of the United States Grain Standards Act (7 U.S.C. 75) and all products thereof, and fertilizer.

(e) A rail carrier shall provide transportation or service in accordance with the rates and service terms, and any changes thereto, as published or otherwise made available under subsection (b), (c), or (d).

(f) The Board shall, by regulation, establish rules to implement this section. The regulations shall provide for immediate disclosure and dissemination of rates and service terms, including classifications, rules, and practices, and their effective dates. Final regulations shall be adopted by the Board not later than 180 days after January 1, 1996.

§ 11102. Use of terminal facilities

(a) The Board may require terminal facilities, including main-line tracks for a reasonable distance outside of a terminal, owned by a rail carrier providing transportation subject to the jurisdiction of the Board under this part, to be used by another rail carrier if the Board finds that use to be practicable and in the public interest without substantially impairing the ability of the rail carrier owning the facilities or entitled to use the facilities to handle its own business. The rail carriers are responsible for establishing the conditions and compensation for use of the facilities. However, if the rail carriers cannot agree, the Board may establish conditions and compensation for use of the facilities under the principle controlling compensation in condemnation proceedings. The compensation shall be paid or adequately secured before a rail carrier may begin to use the facilities of another rail carrier under this section.

(b) A rail carrier whose terminal facilities are required to be used by another rail carrier under this section is entitled to recover damages from the other rail carrier for injuries sustained as the re-

sult of compliance with the requirement or for compensation for the use, or both as appropriate, in a civil action, if it is not satisfied with the conditions for use of the facilities or if the amount of the compensation is not paid promptly.

(c)(1) The Board may require rail carriers to enter into reciprocal switching agreements, where it finds such agreements to be practicable and in the public interest, or where such agreements are necessary to provide competitive rail service. The rail carriers entering into such an agreement shall establish the conditions and compensation applicable to such agreement, but, if the rail carriers cannot agree upon such conditions and compensation within a reasonable period of time, the Board may establish such conditions and compensation.

(2) The Board may require reciprocal switching agreements entered into by rail carriers pursuant to this subsection to contain provisions for the protection of the interests of employees affected thereby.

(d) The Board shall complete any proceeding under subsection (a) or (b) within 180 days after the filing of the request for relief.

§ 11103. Switch connections and tracks

(a) On application of the owner of a lateral branch line of railroad, or of a shipper tendering interstate traffic for transportation, a rail carrier providing transportation subject to the jurisdiction of the Board under this part shall construct, maintain, and operate, on reasonable conditions, a switch connection to connect that branch line or private side track with its railroad and shall furnish cars to move that traffic to the best of its ability without discrimination in favor of or against the shipper when the connection—

(1) is reasonably practicable;

(2) can be made safely; and

(3) will furnish sufficient business to justify its construction and maintenance.

(b) If a rail carrier fails to install and operate a switch connection after application is made under subsection (a) of this section, the owner of the lateral branch line of railroad or the shipper may file a complaint with the Board under section 11701 of this title. The Board shall investigate the complaint and decide the safety, practicability, justification, and compensation to be paid for the connection. The Board may direct the rail carrier to comply with subsection (a) of this section only after a full hearing.

SUBCHAPTER II—CAR SERVICE

§ 11121. Criteria

(a)(1) A rail carrier providing transportation subject to the jurisdiction of the Board under this part shall furnish safe and adequate car service and establish, observe, and enforce reasonable rules and practices on car service. The Board may require a rail carrier to provide facilities and equipment that are reasonably necessary to furnish safe and adequate car service if the Board decides that the rail carrier has materially failed to furnish that service. The Board may begin a proceeding under this paragraph when an interested person files an application with it. The Board may act

only after a hearing on the record and an affirmative finding, based on the evidence presented, that—

(A) providing the facilities or equipment will not materially and adversely affect the ability of the rail carrier to provide safe and adequate transportation;

(B) the amount spent for the facilities or equipment, including a return equal to the rail carrier's current cost of capital, will be recovered; and

(C) providing the facilities or equipment will not impair the ability of the rail carrier to attract adequate capital.

(2) The Board may require a rail carrier to file its car service rules with the Board.

(b) The Board may designate and appoint agents and agencies to make and carry out its directions related to car service and matters under sections 11123 and 11124(a)(1) of this title.

(c) The Board shall consult, as it considers necessary, with the National Grain Car Council on matters within the charter of that body.

§ 11122. Compensation and practice

(a) The regulations of the Board on car service shall encourage the purchase, acquisition, and efficient use of freight cars. The regulations may include—

(1) the compensation to be paid for the use of a locomotive, freight car, or other vehicle;

(2) the other terms of any arrangement for the use by a rail carrier of a locomotive, freight car, or other vehicle not owned by the rail carrier using the locomotive, freight car, or other vehicle, whether or not owned by another carrier, shipper, or third person; and

(3) sanctions for nonobservance.

(b) The rate of compensation to be paid for each type of freight car shall be determined by the expense of owning and maintaining that type of freight car, including a fair return on its cost giving consideration to current costs of capital, repairs, materials, parts, and labor. In determining the rate of compensation, the Board shall consider the transportation use of each type of freight car, the national level of ownership of each type of freight car, and other factors that affect the adequacy of the national freight car supply.

§ 11123. Situations requiring immediate action to serve the public

(a) When the Board determines that shortage of equipment, congestion of traffic, unauthorized cessation of operations, failure of existing commuter rail passenger transportation operations caused by a cessation of service by the National Railroad Passenger Corporation, or other failure of traffic movement exists which creates an emergency situation of such magnitude as to have substantial adverse effects on shippers, or on rail service in a region of the United States, or that a rail carrier providing transportation subject to the jurisdiction of the Board under this part cannot transport the traffic offered to it in a manner that properly serves the public, the Board may, to promote commerce and service to the public, for a period not to exceed 30 days—

(1) direct the handling, routing, and movement of the traffic of a rail carrier and its distribution over its own or other railroad lines;

(2) require joint or common use of railroad facilities;

(3) prescribe temporary through routes;

(4) give directions for—

(A) preference or priority in transportation;

(B) embargoes; or

(C) movement of traffic under permits; or

(5) in the case of a failure of existing freight or commuter rail passenger transportation operations caused by a cessation of service by the National Railroad Passenger Corporation, direct the continuation of the operations and dispatching, maintenance, and other necessary infrastructure functions related to the operations.

(b)(1) Except with respect to proceedings under paragraph (2) of this subsection, the Board may act under this section on its own initiative or on application without regard to subchapter II of chapter 5 of title 5.

(2) Rail carriers may establish between themselves the terms of compensation for operations, and use of facilities and equipment, required under this section. When rail carriers do not agree on the terms of compensation under this section, the Board may establish the terms for them. The Board may act under subsection (a) before conducting a proceeding under this paragraph.

(3)(A) Except as provided in subparagraph (B), when a rail carrier is directed under this section to operate the lines of another rail carrier due to that carrier's cessation of operations, compensation for the directed operations shall derive only from revenues generated by the directed operations.

(B) In the case of a failure of existing freight or commuter rail passenger transportation operations caused by a cessation of service by the National Railroad Passenger Corporation, the Board shall provide funding to fully reimburse the directed service provider for its costs associated with the activities directed under subsection (a), including the payment of increased insurance premiums. The Board shall order complete indemnification against any and all claims associated with the provision of service to which the directed rail carrier may be exposed.

(c)(1) The Board may extend any action taken under subsection (a) of this section beyond 30 days if the Board finds that a transportation emergency described in subsection (a) continues to exist. Action by the Board under subsection (a) of this section may not remain in effect for more than 240 days beyond the initial 30-day period.

(2) The Board may not take action under this section that would—

(A) cause a rail carrier to operate in violation of this part;

or

(B) impair substantially the ability of a rail carrier to serve its own customers adequately, or to fulfill its common carrier obligations.

(3) A rail carrier directed by the Board to take action under this section is not responsible, as a result of that action, for debts of any other rail carrier.

(4)¹¹¹²³⁻¹ In the case of a failure of existing freight or commuter rail passenger transportation operations caused by cessation of service by the National Railroad Passenger Corporation, the Board may not direct a rail carrier to undertake activities under subsection (a) to continue such operations unless—

(A) the Board first affirmatively finds that the rail carrier is operationally capable of conducting the directed service in a safe and efficient manner; and

(B) the funding for such directed service required by subparagraph (B) of subsection (b)(3) is provided in advance in appropriations Acts.

(d) In carrying out this section, the Board shall require, to the maximum extent practicable, the use of employees who would normally have performed work in connection with the traffic subject to the action of the Board.

(e) For purposes of this section, the National Railroad Passenger Corporation and any entity providing commuter rail passenger transportation shall be considered rail carriers subject to the Board's jurisdiction.

(f) For purposes of this section, the term "commuter rail passenger transportation" has the meaning given that term in section 24102(4).

§ 11124. War emergencies; embargoes imposed by carriers

(a)(1) When the President, during time of war or threatened war, notifies the Board that it is essential to the defense and security of the United States to give preference or priority to the movement of certain traffic, the Board shall direct that preference or priority be given to that traffic.

(2) When the President, during time of war or threatened war, demands that preference and precedence be given to the transportation of troops and material of war over all other traffic, all rail carriers providing transportation subject to the jurisdiction of the Board under this part shall adopt every means within their control to facilitate and expedite the military traffic.

(b) An embargo imposed by any such rail carrier does not apply to shipments consigned to agents of the United States Government for its use. The rail carrier shall deliver those shipments as promptly as possible.

SUBCHAPTER III—REPORTS AND RECORDS

§ 11141. Definitions

In this subchapter—

(1) the terms "rail carrier" and "lessor" include a receiver or trustee of a rail carrier and lessor, respectively;

(2) the term "lessor" means a person owning a railroad that is leased to and operated by a carrier providing transpor-

¹¹¹²³⁻¹ Indentation as in original (as added by sec. 150(1)(C) of P.L. 108-199).

tation subject to the jurisdiction of the Board under this part; and

(3) the term “association” means an organization maintained by or in the interest of a group of rail carriers providing transportation or service subject to the jurisdiction of the Board under this part that performs a service, or engages in activities, related to transportation under this part.

§ 11142. Uniform accounting system

The Board may prescribe a uniform accounting system for classes of rail carriers providing transportation subject to the jurisdiction of the Board under this part. To the maximum extent practicable, the Board shall conform such system to generally accepted accounting principles, and shall administer this subchapter in accordance with such principles.

§ 11143. Depreciation charges

The Board shall, for a class of rail carriers providing transportation subject to its jurisdiction under this part, prescribe, and change when necessary, those classes of property for which depreciation charges may be included under operating expenses and a rate of depreciation that may be charged to a class of property. The Board may classify those rail carriers for purposes of this section. A rail carrier for whom depreciation charges and rates of depreciation are in effect under this section for any class of property may not—

- (1) charge to operating expenses a depreciation charge on a class of property other than that prescribed by the Board;
- (2) charge another rate of depreciation; or
- (3) include other depreciation charges in operating expenses.

§ 11144. Records: form; inspection; preservation

(a) The Board may prescribe the form of records required to be prepared or compiled under this subchapter—

(1) by rail carriers and lessors, including records related to movement of traffic and receipts and expenditures of money; and

(2) by persons furnishing cars to or for a rail carrier providing transportation subject to the jurisdiction of the Board under this part to the extent related to those cars or that service.

(b) The Board, or an employee designated by the Board, may on demand and display of proper credentials—

(1) inspect and examine the lands, buildings, and equipment of a rail carrier or lessor; and

(2) inspect and copy any record of—

(A) a rail carrier, lessor, or association;

(B) a person controlling, controlled by, or under common control with a rail carrier if the Board considers inspection relevant to that person's relation to, or transaction with, that rail carrier; and

(C) a person furnishing cars to or for a rail carrier if the Board prescribed the form of that record.

(c) The Board may prescribe the time period during which operating, accounting, and financial records must be preserved by rail carriers, lessors, and persons furnishing cars.

§ 11145. Reports by rail carriers, lessors, and associations

(a) The Board may require—

(1) rail carriers, lessors, and associations, or classes of them as the Board may prescribe, to file annual, periodic, and special reports with the Board containing answers to questions asked by it; and

(2) a person furnishing cars to a rail carrier to file reports with the Board containing answers to questions about those cars.

(b)(1) An annual report shall contain an account, in as much detail as the Board may require, of the affairs of the rail carrier, lessor, or association for the 12-month period ending on December 31 of each year.

(2) An annual report shall be filed with the Board by the end of the third month after the end of the year for which the report is made unless the Board extends the filing date or changes the period covered by the report. The annual report and, if the Board requires, any other report made under this section, shall be made under oath.

SUBCHAPTER IV—RAILROAD COST ACCOUNTING

§ 11161. Implementation of cost accounting principles

The Board shall periodically review its cost accounting rules and shall make such changes in those rules as are required to achieve the regulatory purposes of this part. The Board shall insure that the rules promulgated under this section are the most efficient and least burdensome means by which the required information may be developed for regulatory purposes. To the maximum extent practicable, the Board shall conform such rules to generally accepted accounting principles.

§ 11162. Rail carrier cost accounting system

(a) Each rail carrier shall have and maintain a cost accounting system that is in compliance with the rules promulgated by the Board under section 11161 of this title. A rail carrier may, after notifying the Board, make modifications in such system unless, within 60 days after the date of notification, the Board finds such modifications to be inconsistent with the rules promulgated by the Board under section 11161 of this title.

(b) For purposes of determining whether the cost accounting system of a rail carrier is in compliance with the rules promulgated by the Board, the Board shall have the right to examine and make copies of any documents, papers, or records of such rail carrier relating to compliance with such rules. Such documents, papers, and records (and any copies thereof) shall not be subject to the mandatory disclosure requirements of section 552 of title 5.

§ 11163. Cost availability

As required by the rules of the Board governing discovery in Board proceedings, rail carriers shall make relevant cost data available to shippers, States, ports, communities, and other interested parties that are a party to a Board proceeding in which such data are required.

§ 11164. Accounting and cost reporting

To obtain expense and revenue information for regulatory purposes, the Board may promulgate reasonable rules for rail carriers providing transportation subject to the jurisdiction of the Board under this part, prescribing expense and revenue accounting and reporting requirements consistent with generally accepted accounting principles uniformly applied to such carriers. Such requirements shall be cost effective and compatible with and not duplicative of the managerial and responsibility accounting requirements of those carriers.

CHAPTER 113—FINANCE**SUBCHAPTER I—EQUIPMENT TRUSTS AND SECURITY INTERESTS**

Sec.

11301. Equipment trusts: recordation; evidence of indebtedness.

SUBCHAPTER II—COMBINATIONS

11321. Scope of authority.

11322. Limitation on pooling and division of transportation or earnings.

11323. Consolidation, merger, and acquisition of control.

11324. Consolidation, merger, and acquisition of control: conditions of approval.

11325. Consolidation, merger, and acquisition of control: procedure.

11326. Employee protective arrangements in transactions involving rail carriers.

11327. Supplemental orders.

11328. Restrictions on officers and directors.

SUBCHAPTER I—EQUIPMENT TRUSTS AND SECURITY INTERESTS**§ 11301. Equipment trusts: recordation; evidence of indebtedness**

(a) A mortgage (other than a mortgage under chapter 313 of title 46), lease, equipment trust agreement, conditional sales agreement, or other instrument evidencing the mortgage, lease, conditional sale, or bailment of or security interest in vessels, railroad cars, locomotives, or other rolling stock, or accessories used on such railroad cars, locomotives, or other rolling stock (including superstructures and racks), intended for a use related to interstate commerce shall be filed with the Board in order to perfect the security interest that is the subject of such instrument. An assignment of a right or interest under one of those instruments and an amendment to that instrument or assignment including a release, discharge, or satisfaction of any part of it shall also be filed with the Board. The instrument, assignment, or amendment must be in writing, executed by the parties to it, and acknowledged or verified under Board regulations. When filed under this section, that document is notice to, and enforceable against, all persons. A document filed under this section does not have to be filed, deposited, reg-

istered, or recorded under another law of the United States, a State (or its political subdivisions), or territory or possession of the United States, related to filing, deposit, registration, or recordation of those documents. This section does not change chapter 313 of title 46.

(b) The Board shall maintain a system for recording each document filed under subsection (a) of this section and mark each of them with a consecutive number and the date and hour of their recordation. The Board shall maintain and keep open for public inspection an index of documents filed under that subsection. That index shall include the name and address of the principal debtors, trustees, guarantors, and other parties to those documents and may include other facts that will assist in determining the rights of the parties to those transactions.

(c) The Board may to the greatest extent practicable perform its functions under this section through contracts with private sector entities.

(d) A mortgage, lease, equipment trust agreement, conditional sales agreement, or other instrument evidencing the mortgage, lease, conditional sale, or bailment of or security interest in vessels, railroad cars, locomotives, or other rolling stock, or accessories used on such railroad cars, locomotives, or other rolling stock (including superstructures and racks), or any assignment thereof, which—

(1) is duly constituted under the laws of a country other than the United States; and

(2) relates to property that bears the reporting marks and identification numbers of any person domiciled in or corporation organized under the laws of such country,

shall be recognized with the same effect as having been filed under this section.

(e) Interests with respect to which documents are filed or recognized under this section are deemed perfected in all jurisdictions, and shall be governed by applicable State or foreign law in all matters not specifically governed by this section.

(f) The Board shall collect, maintain, and keep open for public inspection a railway equipment register consistent with the manner and format maintained by the Interstate Commerce Commission as of January 1, 1996.

SUBCHAPTER II—COMBINATIONS

§ 11321. Scope of authority

(a) The authority of the Board under this subchapter is exclusive. A rail carrier or corporation participating in or resulting from a transaction approved by or exempted by the Board under this subchapter may carry out the transaction, own and operate property, and exercise control or franchises acquired through the transaction without the approval of a State authority. A rail carrier, corporation, or person participating in that approved or exempted transaction is exempt from the antitrust laws and from all other law, including State and municipal law, as necessary to let that rail carrier, corporation, or person carry out the transaction, hold, maintain, and operate property, and exercise control or franchises acquired through the transaction. However, if a purchase and sale,

a lease, or a corporate consolidation or merger is involved in the transaction, the carrier or corporation may carry out the transaction only with the assent of a majority, or the number required under applicable State law, of the votes of the holders of the capital stock of that corporation entitled to vote. The vote must occur at a regular meeting, or special meeting called for that purpose, of those stockholders and the notice of the meeting must indicate its purpose.

(b) A power granted under this subchapter to a carrier or corporation is in addition to and changes its powers under its corporate charter and under State law. Action under this subchapter does not establish or provide for establishing a corporation under the laws of the United States.

§ 11322. Limitation on pooling and division of transportation or earnings

(a) A rail carrier providing transportation subject to the jurisdiction of the Board under this part may not agree or combine with another of those rail carriers to pool or divide traffic or services or any part of their earnings without the approval of the Board under this section or section 11123 of this title. The Board may approve and authorize the agreement or combination if the rail carriers involved assent to the pooling or division and the Board finds that a pooling or division of traffic, services, or earnings—

(1) will be in the interest of better service to the public or of economy of operation; and

(2) will not unreasonably restrain competition.

(b) The Board may impose conditions governing the pooling or division and may approve and authorize payment of a reasonable consideration between the rail carriers.

(c) The Board may begin a proceeding under this section on its own initiative or on application.

§ 11323. Consolidation, merger, and acquisition of control

(a) The following transactions involving rail carriers providing transportation subject to the jurisdiction of the Board under this part may be carried out only with the approval and authorization of the Board:

(1) Consolidation or merger of the properties or franchises of at least 2 rail carriers into one corporation for the ownership, management, and operation of the previously separately owned properties.

(2) A purchase, lease, or contract to operate property of another rail carrier by any number of rail carriers.

(3) Acquisition of control of a rail carrier by any number of rail carriers.

(4) Acquisition of control of at least 2 rail carriers by a person that is not a rail carrier.

(5) Acquisition of control of a rail carrier by a person that is not a rail carrier but that controls any number of rail carriers.

(6) Acquisition by a rail carrier of trackage rights over, or joint ownership in or joint use of, a railroad line (and terminals incidental to it) owned or operated by another rail carrier.

(b) A person may carry out a transaction referred to in subsection (a) of this section or participate in achieving the control or management, including the power to exercise control or management, in a common interest of more than one of those rail carriers, regardless of how that result is reached, only with the approval and authorization of the Board under this subchapter. In addition to other transactions, each of the following transactions are considered achievements of control or management:

(1) A transaction by a rail carrier that has the effect of putting that rail carrier and person affiliated with it, taken together, in control of another rail carrier.

(2) A transaction by a person affiliated with a rail carrier that has the effect of putting that rail carrier and persons affiliated with it, taken together, in control of another rail carrier.

(3) A transaction by at least 2 persons acting together (one of whom is a rail carrier or is affiliated with a rail carrier) that has the effect of putting those persons and rail carriers and persons affiliated with any of them, or with any of those affiliated rail carriers, taken together, in control of another rail carrier.

(c) A person is affiliated with a rail carrier under this subchapter if, because of the relationship between that person and a rail carrier, it is reasonable to believe that the affairs of another rail carrier, control of which may be acquired by that person, will be managed in the interest of the other rail carrier.

§ 11324. Consolidation, merger, and acquisition of control: conditions of approval

(a) The Board may begin a proceeding to approve and authorize a transaction referred to in section 11323 of this title on application of the person seeking that authority. When an application is filed with the Board, the Board shall notify the chief executive officer of each State in which property of the rail carriers involved in the proposed transaction is located and shall notify those rail carriers. The Board shall hold a public hearing unless the Board determines that a public hearing is not necessary in the public interest.

(b) In a proceeding under this section which involves the merger or control of at least two Class I railroads, as defined by the Board, the Board shall consider at least—

(1) the effect of the proposed transaction on the adequacy of transportation to the public;

(2) the effect on the public interest of including, or failing to include, other rail carriers in the area involved in the proposed transaction;

(3) the total fixed charges that result from the proposed transaction;

(4) the interest of rail carrier employees affected by the proposed transaction; and

(5) whether the proposed transaction would have an adverse effect on competition among rail carriers in the affected region or in the national rail system.

(c) The Board shall approve and authorize a transaction under this section when it finds the transaction is consistent with the public interest. The Board may impose conditions governing the transaction, including the divestiture of parallel tracks or requiring the granting of trackage rights and access to other facilities. Any trackage rights and related conditions imposed to alleviate anti-competitive effects of the transaction shall provide for operating terms and compensation levels to ensure that such effects are alleviated. When the transaction contemplates a guaranty or assumption of payment of dividends or of fixed charges or will result in an increase of total fixed charges, the Board may approve and authorize the transaction only if it finds that the guaranty, assumption, or increase is consistent with the public interest. The Board may require inclusion of other rail carriers located in the area involved in the transaction if they apply for inclusion and the Board finds their inclusion to be consistent with the public interest.

(d) In a proceeding under this section which does not involve the merger or control of at least two Class I railroads, as defined by the Board, the Board shall approve such an application unless it finds that—

(1) as a result of the transaction, there is likely to be substantial lessening of competition, creation of a monopoly, or restraint of trade in freight surface transportation in any region of the United States; and

(2) the anticompetitive effects of the transaction outweigh the public interest in meeting significant transportation needs. In making such findings, the Board shall, with respect to any application that is part of a plan or proposal developed under section 333(a)–(d) of this title, accord substantial weight to any recommendations of the Attorney General.

(e) No transaction described in section 11326(b) may have the effect of avoiding a collective bargaining agreement or shifting work from a rail carrier with a collective bargaining agreement to a rail carrier without a collective bargaining agreement.

(f)(1) To the extent provided in this subsection, a proceeding under this subchapter relating to a transaction involving at least one Class I rail carrier shall not be considered an adjudication required by statute to be determined on the record after opportunity for an agency hearing, for the purposes of subchapter II of chapter 5 of title 5, United States Code.

(2) Ex parte communications, as defined in section 551(14) of title 5, United States Code, shall be permitted in proceedings described in paragraph (1) of this subsection, subject to the requirements of paragraph (3) of this subsection.

(3)(A) Any member or employee of the Board who makes or receives a written ex parte communication concerning the merits of a proceeding described in paragraph (1) shall promptly place the communication in the public docket of the proceeding.

(B) Any member or employee of the Board who makes or receives an oral ex parte communication concerning the merits of a proceeding described in paragraph (1) shall promptly place a written summary of the oral communication in the public docket of the proceeding.

(4) Nothing in this subsection shall be construed to require the Board or any of its members or employees to engage in any ex parte communication with any person. Nothing in this subsection or any other law shall be construed to limit the authority of the members or employees of the Board, in their discretion, to note in the docket or otherwise publicly the occurrence and substance of an ex parte communication.

§ 11325. Consolidation, merger, and acquisition of control: procedure

(a) The Board shall publish notice of the application under section 11324 in the Federal Register by the end of the 30th day after the application is filed with the Board. However, if the application is incomplete, the Board shall reject it by the end of that period. The order of rejection is a final action of the Board. The published notice shall indicate whether the application involves—

(1) the merger or control of at least two Class I railroads, as defined by the Board, to be decided within the time limits specified in subsection (b) of this section;

(2) transactions of regional or national transportation significance, to be decided within the time limits specified in subsection (c) of this section; or

(3) any other transaction covered by this section, to be decided within the time limits specified in subsection (d) of this section.

(b) If the application involves the merger or control of two or more Class I railroads, as defined by the Board, the following conditions apply:

(1) Written comments about an application may be filed with the Board within 45 days after notice of the application is published under subsection (a) of this section. Copies of such comments shall be served on the Attorney General and the Secretary of Transportation, who may decide to intervene as a party to the proceeding. That decision must be made by the 15th day after the date of receipt of the written comments, and if the decision is to intervene, preliminary comments about the application must be sent to the Board by the end of the 15th day after the date of receipt of the written comments.

(2) The Board shall require that applications inconsistent with an application, notice of which was published under subsection (a) of this section, and applications for inclusion in the transaction, be filed with it by the 90th day after publication of notice under that subsection.

(3) The Board must conclude evidentiary proceedings by the end of 1 year after the date of publication of notice under subsection (a) of this section. The Board must issue a final decision by the 90th day after the date on which it concludes the evidentiary proceedings.

(c) If the application involves a transaction other than the merger or control of at least two Class I railroads, as defined by the Board, which the Board has determined to be of regional or national transportation significance, the following conditions apply:

(1) Written comments about an application, including comments of the Attorney General and the Secretary of Transport-

tation, may be filed with the Board within 30 days after notice of the application is published under subsection (a) of this section.

(2) The Board shall require that applications inconsistent with an application, notice of which was published under subsection (a) of this section, and applications for inclusion in the transaction, be filed with it by the 60th day after publication of notice under that subsection.

(3) The Board must conclude any evidentiary proceedings by the 180th day after the date of publication of notice under subsection (a) of this section. The Board must issue a final decision by the 90th day after the date on which it concludes the evidentiary proceedings.

(d) For all applications under this section other than those specified in subsections (b) and (c) of this section, the following conditions apply:

(1) Written comments about an application, including comments of the Attorney General and the Secretary of Transportation, may be filed with the Board within 30 days after notice of the application is published under subsection (a) of this section.

(2) The Board must conclude any evidentiary proceedings by the 105th day after the date of publication of notice under subsection (a) of this section. The Board must issue a final decision by the 45th day after the date on which it concludes the evidentiary proceedings.

§ 11326. Employee protective arrangements in transactions involving rail carriers

(a) Except as otherwise provided in this section, when approval is sought for a transaction under sections 11324 and 11325 of this title, the Board shall require the rail carrier to provide a fair arrangement at least as protective of the interests of employees who are affected by the transaction as the terms imposed under section 5(2)(f) of the Interstate Commerce Act before February 5, 1976, and the terms established under section 24706(c) of this title. Notwithstanding this part, the arrangement may be made by the rail carrier and the authorized representative of its employees. The arrangement and the order approving the transaction must require that the employees of the affected rail carrier will not be in a worse position related to their employment as a result of the transaction during the 4 years following the effective date of the final action of the Board (or if an employee was employed for a lesser period of time by the rail carrier before the action became effective, for that lesser period).

(b) When approval is sought under sections 11324 and 11325 for a transaction involving one Class II and one or more Class III rail carriers, there shall be an arrangement as required under subsection (a) of this section, except that such arrangement shall be limited to one year of severance pay, which shall not exceed the amount of earnings from the railroad employment of that employee during the 12-month period immediately preceding the date on which the application for approval of such transaction is filed with the Board. The amount of such severance pay shall be reduced by

the amount of earnings from railroad employment of that employee with the acquiring carrier during the 12-month period immediately following the effective date of the transaction. The parties may agree to terms other than as provided in this subsection.

(c) When approval is sought under sections 11324 and 11325 for a transaction involving only Class III rail carriers, this section shall not apply.

§ 11327. Supplemental orders

When cause exists, the Board may make appropriate orders supplemental to an order made in a proceeding under sections 11322 through 11326 of this title.

§ 11328. Restrictions on officers and directors

(a) A person may hold the position of officer or director of more than one rail carrier only when authorized by the Board. The Board may authorize a person to hold the position of officer or director of more than one of those carriers when public or private interests will not be adversely affected.

(b) This section shall not apply to an individual holding the position of officer or director only of Class III rail carriers.

CHAPTER 115—FEDERAL-STATE RELATIONS

Sec.

11501. Tax discrimination against rail transportation property.

11502. Withholding State and local income tax by rail carriers.

Sec. 11501

§ 11501. Tax discrimination against rail transportation property

(a) In this section—

(1) the term “assessment” means valuation for a property tax levied by a taxing district;

(2) the term “assessment jurisdiction” means a geographical area in a State used in determining the assessed value of property for ad valorem taxation;

(3) the term “rail transportation property” means property, as defined by the Board, owned or used by a rail carrier providing transportation subject to the jurisdiction of the Board under this part; and

(4) the term “commercial and industrial property” means property, other than transportation property and land used primarily for agricultural purposes or timber growing, devoted to a commercial or industrial use and subject to a property tax levy.

(b) The following acts unreasonably burden and discriminate against interstate commerce, and a State, subdivision of a State, or authority acting for a State or subdivision of a State may not do any of them:

(1) Assess rail transportation property at a value that has a higher ratio to the true market value of the rail transportation property than the ratio that the assessed value of other commercial and industrial property in the same assessment ju-

risdiction has to the true market value of the other commercial and industrial property.

(2) Levy or collect a tax on an assessment that may not be made under paragraph (1) of this subsection.

(3) Levy or collect an ad valorem property tax on rail transportation property at a tax rate that exceeds the tax rate applicable to commercial and industrial property in the same assessment jurisdiction.

(4) Impose another tax that discriminates against a rail carrier providing transportation subject to the jurisdiction of the Board under this part.

(c) Notwithstanding section 1341 of title 28 and without regard to the amount in controversy or citizenship of the parties, a district court of the United States has jurisdiction, concurrent with other jurisdiction of courts of the United States and the States, to prevent a violation of subsection (b) of this section. Relief may be granted under this subsection only if the ratio of assessed value to true market value of rail transportation property exceeds by at least 5 percent the ratio of assessed value to true market value of other commercial and industrial property in the same assessment jurisdiction. The burden of proof in determining assessed value and true market value is governed by State law. If the ratio of the assessed value of other commercial and industrial property in the assessment jurisdiction to the true market value of all other commercial and industrial property cannot be determined to the satisfaction of the district court through the random-sampling method known as a sales assessment ratio study (to be carried out under statistical principles applicable to such a study), the court shall find, as a violation of this section—

(1) an assessment of the rail transportation property at a value that has a higher ratio to the true market value of the rail transportation property than the assessed value of all other property subject to a property tax levy in the assessment jurisdiction has to the true market value of all other commercial and industrial property; and

(2) the collection of an ad valorem property tax on the rail transportation property at a tax rate that exceeds the tax rate rate applicable to taxable property in the taxing district.

§ 11502. Withholding State and local income tax by rail carriers

(a) No part of the compensation paid by a rail carrier providing transportation subject to the jurisdiction of the Board under this part to an employee who performs regularly assigned duties as such an employee on a railroad in more than one State shall be subject to the income tax laws of any State or subdivision of that State, other than the State or subdivision thereof of the employee's residence.

(b) A rail carrier withholding pay from an employee under subsection (a) of this section shall file income tax information returns and other reports only with the State and subdivision of residence of the employee.

**CHAPTER 117—ENFORCEMENT: INVESTIGATIONS,
RIGHTS, AND REMEDIES**

Sec.

11701. General authority.

11702. Enforcement by the Board.

11703. Enforcement by the Attorney General.

11704. Rights and remedies of persons injured by rail carriers.

11705. Limitation on actions by and against rail carriers.

11706. Liability of rail carriers under receipts and bills of lading.

11707. Liability when property is delivered in violation of routing instructions.

§ 11701. General authority

(a) Except as otherwise provided in this part, the Board may begin an investigation under this part only on complaint. If the Board finds that a rail carrier is violating this part, the Board shall take appropriate action to compel compliance with this part.

(b) A person, including a governmental authority, may file with the Board a complaint about a violation of this part by a rail carrier providing transportation or service subject to the jurisdiction of the Board under this part. The complaint must state the facts that are the subject of the violation. The Board may dismiss a complaint it determines does not state reasonable grounds for investigation and action. However, the Board may not dismiss a complaint made against a rail carrier providing transportation subject to the jurisdiction of the Board under this part because of the absence of direct damage to the complainant.

(c) A formal investigative proceeding begun by the Board under subsection (a) of this section is dismissed automatically unless it is concluded by the Board with administrative finality by the end of the third year after the date on which it was begun.

§ 11702. Enforcement by the Board

The Board may bring a civil action—

(1) to enjoin a rail carrier from violating sections 10901 through 10906 of this title, or a regulation prescribed or order or certificate issued under any of those sections;

(2) to enforce subchapter II of chapter 113 of this title and to compel compliance with an order of the Board under that subchapter; and

(3) to enforce an order of the Board, except a civil action to enforce an order for the payment of money, when it is violated by a rail carrier providing transportation subject to the jurisdiction of the Board under this part.

§ 11703. Enforcement by the Attorney General

(a) The Attorney General may, and on request of the Board shall, bring court proceedings to enforce this part, or a regulation or order of the Board or certificate issued under this part, and to prosecute a person violating this part or a regulation or order of the Board or certificate issued under this part.

(b) The United States Government may bring a civil action on behalf of a person to compel a rail carrier providing transportation subject to the jurisdiction of the Board under this part to provide that transportation to that person in compliance with this part at the same rate charged, or on conditions as favorable as those given

by the rail carrier, for like traffic under similar conditions to another person.

§ 11704. Rights and remedies of persons injured by rail carriers

(a) A person injured because a rail carrier providing transportation or service subject to the jurisdiction of the Board under this part does not obey an order of the Board, except an order for the payment of money, may bring a civil action in a United States District Court to enforce that order under this subsection.

(b) A rail carrier providing transportation subject to the jurisdiction of the Board under this part is liable for damages sustained by a person as a result of an act or omission of that carrier in violation of this part. A rail carrier providing transportation subject to the jurisdiction of the Board under this part is liable to a person for amounts charged that exceed the applicable rate for the transportation.

(c)(1) A person may file a complaint with the Board under section 11701(b) of this title or bring a civil action under subsection (b) of this section to enforce liability against a rail carrier providing transportation subject to the jurisdiction of the Board under this part.

(2) When the Board makes an award under subsection (b) of this section, the Board shall order the rail carrier to pay the amount awarded by a specific date. The Board may order a rail carrier providing transportation subject to the jurisdiction of the Board under this part to pay damages only when the proceeding is on complaint. The person for whose benefit an order of the Board requiring the payment of money is made may bring a civil action to enforce that order under this paragraph if the rail carrier does not pay the amount awarded by the date payment was ordered to be made.

(d)(1) When a person begins a civil action under subsection (b) of this section to enforce an order of the Board requiring the payment of damages by a rail carrier providing transportation subject to the jurisdiction of the Board under this part, the text of the order of the Board must be included in the complaint. In addition to the district courts of the United States, a State court of general jurisdiction having jurisdiction of the parties has jurisdiction to enforce an order under this paragraph. The findings and order of the Board are competent evidence of the facts stated in them. Trial in a civil action brought in a district court of the United States under this paragraph is in the judicial district—

- (A) in which the plaintiff resides;
- (B) in which the principal operating office of the rail carrier is located; or
- (C) through which the railroad line of that carrier runs.

In a civil action under this paragraph, the plaintiff is liable for only those costs that accrue on an appeal taken by the plaintiff.

(2) All parties in whose favor the award was made may be joined as plaintiffs in a civil action brought in a district court of the United States under this subsection and all the rail carriers that are parties to the order awarding damages may be joined as defendants. Trial in the action is in the judicial district in which

any one of the plaintiffs could bring the action against any one of the defendants. Process may be served on a defendant at its principal operating office when that defendant is not in the district in which the action is brought. A judgment ordering recovery may be made in favor of any of those plaintiffs against the defendant found to be liable to that plaintiff.

(3) The district court shall award a reasonable attorney's fee as a part of the damages for which a rail carrier is found liable under this subsection. The district court shall tax and collect that fee as a part of the costs of the action.

§ 11705. Limitation on actions by and against rail carriers

(a) A rail carrier providing transportation or service subject to the jurisdiction of the Board under this part must begin a civil action to recover charges for transportation or service provided by the carrier within 3 years after the claim accrues.

(b) A person must begin a civil action to recover overcharges under section 11704(b) of this title within 3 years after the claim accrues, whether or not a complaint is filed under section 11704(c)(1).

(c) A person must file a complaint with the Board to recover damages under section 11704(b) of this title within 2 years after the claim accrues.

(d) The limitation period under subsection (b) of this section is extended for 6 months from the time written notice is given to the claimant by the rail carrier of disallowance of any part of the claim specified in the notice if a written claim is given to the rail carrier within that limitation period. The limitation periods under subsections (b) and (c) of this section are extended for 90 days from the time the rail carrier begins a civil action under subsection (a) of this section to recover charges related to the same transportation or service, or collects (without beginning a civil action under that subsection) the charge for that transportation or service if that action is begun or collection is made within the appropriate period.

(e) A person must begin a civil action to enforce an order of the Board against a rail carrier for the payment of money within one year after the date the order required the money to be paid.

(f) This section applies to transportation for the United States Government. The time limitations under this section are extended, as related to transportation for or on behalf of the United States Government, for 3 years from the date of—

(1) payment of the rate for the transportation or service involved;

(2) subsequent refund for overpayment of that rate; or

(3) deduction made under section 3726 of title 31, whichever is later.

(g) A claim related to a shipment of property accrues under this section on delivery or tender of delivery by the rail carrier.

§ 11706. Liability of rail carriers under receipts and bills of lading

(a) A rail carrier providing transportation or service subject to the jurisdiction of the Board under this part shall issue a receipt or bill of lading for property it receives for transportation under

this part. That rail carrier and any other carrier that delivers the property and is providing transportation or service subject to the jurisdiction of the Board under this part are liable to the person entitled to recover under the receipt or bill of lading. The liability imposed under this subsection is for the actual loss or injury to the property caused by—

- (1) the receiving rail carrier;
- (2) the delivering rail carrier; or
- (3) another rail carrier over whose line or route the property is transported in the United States or from a place in the United States to a place in an adjacent foreign country when transported under a through bill of lading.

Failure to issue a receipt or bill of lading does not affect the liability of a rail carrier. A delivering rail carrier is deemed to be the rail carrier performing the line-haul transportation nearest the destination but does not include a rail carrier providing only a switching service at the destination.

(b) The rail carrier issuing the receipt or bill of lading under subsection (a) of this section or delivering the property for which the receipt or bill of lading was issued is entitled to recover from the rail carrier over whose line or route the loss or injury occurred the amount required to be paid to the owners of the property, as evidenced by a receipt, judgment, or transcript, and the amount of its expenses reasonably incurred in defending a civil action brought by that person.

(c)(1) A rail carrier may not limit or be exempt from liability imposed under subsection (a) of this section except as provided in this subsection. A limitation of liability or of the amount of recovery or representation or agreement in a receipt, bill of lading, contract, or rule in violation of this section is void.

(2) A rail carrier of passengers may limit its liability under its passenger rate for loss or injury of baggage carried on trains carrying passengers.

(3) A rail carrier providing transportation or service subject to the jurisdiction of the Board under this part may establish rates for transportation of property under which—

(A) the liability of the rail carrier for such property is limited to a value established by written declaration of the shipper or by a written agreement between the shipper and the carrier; or

(B) specified amounts are deducted, pursuant to a written agreement between the shipper and the carrier, from any claim against the carrier with respect to the transportation of such property.

(d)(1) A civil action under this section may be brought in a district court of the United States or in a State court.

(2)(A) A civil action under this section may only be brought—

(i) against the originating rail carrier, in the judicial district in which the point of origin is located;

(ii) against the delivering rail carrier, in the judicial district in which the principal place of business of the person bringing the action is located if the delivering carrier operates a railroad or a route through such judicial district, or in the judicial district in which the point of destination is located; and

(iii) against the carrier alleged to have caused the loss or damage, in the judicial district in which such loss or damage is alleged to have occurred.

(B) In this section, “judicial district” means (i) in the case of a United States district court, a judicial district of the United States, and (ii) in the case of a State court, the applicable geographic area over which such court exercises jurisdiction.

(e) A rail carrier may not provide by rule, contract, or otherwise, a period of less than 9 months for filing a claim against it under this section and a period of less than 2 years for bringing a civil action against it under this section. The period for bringing a civil action is computed from the date the carrier gives a person written notice that the carrier has disallowed any part of the claim specified in the notice. For the purposes of this subsection—

(1) an offer of compromise shall not constitute a disallowance of any part of the claim unless the carrier, in writing, informs the claimant that such part of the claim is disallowed and provides reasons for such disallowance; and

(2) communications received from a carrier’s insurer shall not constitute a disallowance of any part of the claim unless the insurer, in writing, informs the claimant that such part of the claim is disallowed, provides reasons for such disallowance, and informs the claimant that the insurer is acting on behalf of the carrier.

§ 11707. Liability when property is delivered in violation of routing instructions

(a)(1) When a rail carrier providing transportation subject to the jurisdiction of the Board under this part diverts or delivers property to another rail carrier in violation of routing instructions in the bill of lading, both of those rail carriers are jointly and severally liable to the rail carrier that was deprived of its right to participate in hauling that property for the total amount of the rate it would have received if it participated in hauling the property.

(2) A rail carrier is not liable under paragraph (1) of this subsection when it diverts or delivers property in compliance with an order or regulation of the Board.

(3) A rail carrier to whom property is transported is not liable under this subsection if it shows that it had no notice of the routing instructions before transporting the property. The burden of proving lack of notice is on that rail carrier.

(b) The court shall award a reasonable attorney’s fee to the plaintiff in a judgment against the defendant rail carrier under subsection (a) of this section. The court shall tax and collect that fee as a part of the costs of the action.

CHAPTER 119—CIVIL AND CRIMINAL PENALTIES

Sec.

11901. General civil penalties.

11902. Interference with railroad car supply.

11903. Record keeping and reporting violations.

11904. Unlawful disclosure of information.

11905. Disobedience to subpoenas.

11906. General criminal penalty when specific penalty not provided.

11907. Punishment of corporation for violations committed by certain individuals.
11908. Relation to other Federal criminal penalties.

§ 11901. General civil penalties

(a) Except as otherwise provided in this section, a rail carrier providing transportation subject to the jurisdiction of the Board under this part, an officer or agent of that rail carrier, or a receiver, trustee, lessee, or agent of one of them, knowingly violating this part or an order of the Board under this part is liable to the United States Government for a civil penalty of not more than \$5,000 for each violation. Liability under this subsection is incurred for each distinct violation. A separate violation occurs for each day the violation continues.

(b) A rail carrier providing transportation subject to the jurisdiction of the Board under this part, or a receiver or trustee of that rail carrier, violating a regulation or order of the Board under section 11124(a)(2) or (b) of this title is liable to the United States Government for a civil penalty of \$500 for each violation and for \$25 for each day the violation continues.

(c) A person knowingly authorizing, consenting to, or permitting a violation of sections 10901 through 10906 of this title or of a requirement or a regulation under any of those sections, is liable to the United States Government for a civil penalty of not more than \$5,000.

(d) A rail carrier, receiver, or operating trustee violating an order or direction of the Board under section 11123 or 11124(a)(1) of this title is liable to the United States Government for a civil penalty of at least \$100 but not more than \$500 for each violation and for \$50 for each day the violation continues.

(e)(1) A person required under subchapter III of chapter 111 of this title to make, prepare, preserve, or submit to the Board a record concerning transportation subject to the jurisdiction of the Board under this part that does not make, prepare, preserve, or submit that record as required under that subchapter, is liable to the United States Government for a civil penalty of \$500 for each violation.

(2) A rail carrier providing transportation subject to the jurisdiction of the Board under this part, and a lessor, receiver, or trustee of that rail carrier, violating section 11144(b)(1) of this title, is liable to the United States Government for a civil penalty of \$100 for each violation.

(3) A rail carrier providing transportation subject to the jurisdiction of the Board under this part, a lessor, receiver, or trustee of that rail carrier, a person furnishing cars, and an officer, agent, or employee of one of them, required to make a report to the Board or answer a question that does not make the report or does not specifically, completely, and truthfully answer the question, is liable to the United States Government for a civil penalty of \$100 for each violation.

(4) A separate violation occurs for each day a violation under this subsection continues.

(f) Trial in a civil action under subsections (a) through (e) of this section is in the judicial district in which the rail carrier has

its principal operating office or in a district through which the railroad of the rail carrier runs.

§ 11902. Interference with railroad car supply

(a) A person that offers or gives anything of value to another person acting for or employed by a rail carrier providing transportation subject to the jurisdiction of the Board under this part intending to influence an action of that other person related to supply, distribution, or movement of cars, vehicles, or vessels used in the transportation of property, or because of the action of that other person, shall be fined not more than \$1,000, imprisoned for not more than 2 years, or both.

(b) A person acting for or employed by a rail carrier providing transportation subject to the jurisdiction of the Board under this part that solicits, accepts, or receives anything of value—

(1) intending to be influenced by it in an action of that person related to supply, distribution, or movement of cars, vehicles, or vessels used in the transportation of property; or

(2) because of the action of that person, shall be fined not more than \$1,000, imprisoned for not more than 2 years, or both.

§ 11903. Record keeping and reporting violations

A person required to make a report to the Board, or make, prepare, or preserve a record, under subchapter III of chapter 111 of this title about transportation subject to the jurisdiction of the Board under this part that knowingly and willfully—

(1) makes a false entry in the report or record;

(2) destroys, mutilates, changes, or by another means falsifies the record;

(3) does not enter business related facts and transactions in the record;

(4) makes, prepares, or preserves the record in violation of a regulation or order of the Board; or

(5) files a false report or record with the Board, shall be fined not more than \$5,000, imprisoned for not more than 2 years, or both.

§ 11904. Unlawful disclosure of information

(a) A—

(1) rail carrier providing transportation subject to the jurisdiction of the Board under this part, or an officer, agent, or employee of that rail carrier, or another person authorized to receive information from that rail carrier, that knowingly discloses to another person, except the shipper or consignee; or

(2) person who solicits or knowingly receives, information described in subsection (b) without the consent of the shipper or consignee shall be fined not more than \$1,000.

(b) The information referred to in subsection (a) is information about the nature, kind, quantity, destination, consignee, or routing of property tendered or delivered to that rail carrier for transportation provided under this part, or information about the contents of a contract authorized under section 10709 of this title, that may be used to the detriment of the shipper or consignee or may dis-

close improperly, to a competitor, the business transactions of the shipper or consignee.

(c) This part does not prevent a rail carrier providing transportation subject to the jurisdiction of the Board under this part from giving information—

(1) in response to legal process issued under authority of a court of the United States or a State;

(2) to an officer, employee, or agent of the United States Government, a State, or a territory or possession of the United States; or

(3) to another rail carrier or its agent to adjust mutual traffic accounts in the ordinary course of business.

(d) An employee of the Board delegated to make an inspection or examination under section 11144 of this title who knowingly discloses information acquired during that inspection or examination, except as directed by the Board, a court, or a judge of that court, shall be fined not more than \$500, imprisoned for not more than 6 months, or both.

(e) A person that knowingly discloses confidential data made available to such person under section 11163 of this title by a rail carrier providing transportation subject to the jurisdiction of the Board under this part shall be fined not more than \$50,000.

§ 11905. Disobedience to subpoenas

A person not obeying a subpoena or requirement of the Board to appear and testify or produce records shall be fined at least \$100 but not more than \$5,000, imprisoned for not more than one year, or both.

§ 11906. General criminal penalty when specific penalty not provided

When another criminal penalty is not provided under this chapter, a rail carrier providing transportation subject to the jurisdiction of the Board under this part, and when that rail carrier is a corporation, a director or officer of the corporation, or a receiver, trustee, lessee, or person acting for or employed by the corporation that, alone or with another person, willfully violates this part or an order prescribed under this part, shall be fined not more than \$5,000. The person may be imprisoned for not more than 2 years in addition to being fined under this section. A separate violation occurs each day a violation of this part continues.

§ 11907. Punishment of corporation for violations committed by certain individuals

An act or omission that would be a violation of this part if committed by a director, officer, receiver, trustee, lessee, agent, or employee of a rail carrier providing transportation or service subject to the jurisdiction of the Board under this part that is a corporation is also a violation of this part by that corporation. The penalties of this chapter apply to that violation. When acting in the scope of their employment, the actions and omissions of individuals acting for or employed by that rail carrier are considered to be the actions and omissions of that rail carrier as well as that individual.

§ 11908. Relation to other Federal criminal penalties

Notwithstanding section 3571 of title 18, United States Code, the criminal penalties provided for in this chapter are the exclusive criminal penalties for violations of this part.

**PART B—MOTOR CARRIERS, WATER CARRIERS,
BROKERS, AND FREIGHT FORWARDERS****CHAPTER 131—GENERAL PROVISIONS**

Sec.

13101. Transportation policy.

13102. Definitions.

13103. Remedies as cumulative.

§ 13101. Transportation policy

(a) **IN GENERAL.**—To ensure the development, coordination, and preservation of a transportation system that meets the transportation needs of the United States, including the United States Postal Service and national defense, it is the policy of the United States Government to oversee the modes of transportation and—

(1) in overseeing those modes—

(A) to recognize and preserve the inherent advantage of each mode of transportation;

(B) to promote safe, adequate, economical, and efficient transportation;

(C) to encourage sound economic conditions in transportation, including sound economic conditions among carriers;

(D) to encourage the establishment and maintenance of reasonable rates for transportation, without unreasonable discrimination or unfair or destructive competitive practices;

(E) to cooperate with each State and the officials of each State on transportation matters; and

(F) to encourage fair wages and working conditions in the transportation industry;

(2) in overseeing transportation by motor carrier, to promote competitive and efficient transportation services in order to—

(A) encourage fair competition, and reasonable rates for transportation by motor carriers of property;

(B) promote efficiency in the motor carrier transportation system and to require fair and expeditious decisions when required;

(C) meet the needs of shippers, receivers, passengers, and consumers;

(D) allow a variety of quality and price options to meet changing market demands and the diverse requirements of the shipping and traveling public;

(E) allow the most productive use of equipment and energy resources;

- (F) enable efficient and well-managed carriers to earn adequate profits, attract capital, and maintain fair wages and working conditions;
- (G) provide and maintain service to small communities and small shippers and intrastate bus services;
- (H) provide and maintain commuter bus operations;
- (I) improve and maintain a sound, safe, and competitive privately owned motor carrier system;
- (J) promote greater participation by minorities in the motor carrier system;
- (K) promote intermodal transportation;
- (3) in overseeing transportation by motor carrier of passengers—
 - (A) to cooperate with the States on transportation matters for the purpose of encouraging the States to exercise intrastate regulatory jurisdiction in accordance with the objectives of this part;
 - (B) to provide Federal procedures which ensure that intrastate regulation is exercised in accordance with this part; and
 - (C) to ensure that Federal reform initiatives enacted by section 31138 and the Bus Regulatory Reform Act of 1982 are not nullified by State regulatory actions; and
- (4) in overseeing transportation by water carrier, to encourage and promote service and price competition in the non-contiguous domestic trade.
- (b) ADMINISTRATION TO CARRY OUT POLICY.—This part shall be administered and enforced to carry out the policy of this section and to promote the public interest.

§ 13102. Definitions

In this part, the following definitions shall apply:

- (1) BOARD.—The term “Board” means the Surface Transportation Board.
- (2) BROKER.—The term “broker” means a person, other than a motor carrier or an employee or agent of a motor carrier, that as a principal or agent sells, offers for sale, negotiates for, or holds itself out by solicitation, advertisement, or otherwise as selling, providing, or arranging for, transportation by motor carrier for compensation.
- (3) CARRIER.—The term “carrier” means a motor carrier, a water carrier, and a freight forwarder.
- (4) CONTRACT CARRIAGE.—The term “contract carriage” means—
 - (A) for transportation provided before January 1, 1996, service provided pursuant to a permit issued under section 10923, as in effect on December 31, 1995; and
 - (B) for transportation provided after December 31, 1995, service provided under an agreement entered into under section 14101(b).
- (5) CONTROL.—The term “control”, when referring to a relationship between persons, includes actual control, legal control, and the power to exercise control, through or by—

(A) common directors, officers, stockholders, a voting trust, or a holding or investment company, or

(B) any other means.

(6) FOREIGN MOTOR CARRIER.—The term “foreign motor carrier” means a person (including a motor carrier of property but excluding a motor private carrier)—

(A)(i) that is domiciled in a contiguous foreign country;

or

(ii) that is owned or controlled by persons of a contiguous foreign country; and

(B) in the case of a person that is not a motor carrier of property, that provides interstate transportation of property by motor vehicle under an agreement or contract entered into with a motor carrier of property (other than a motor private carrier or a motor carrier of property described in subparagraph (A)).

(7) FOREIGN MOTOR PRIVATE CARRIER.—The term “foreign motor private carrier” means a person (including a motor private carrier but excluding a motor carrier of property)—

(A)(i) that is domiciled in a contiguous foreign country;

or

(ii) that is owned or controlled by persons of a contiguous foreign country; and

(B) in the case of a person that is not a motor private carrier, that provides interstate transportation of property by motor vehicle under an agreement or contract entered into with a person (other than a motor carrier of property or a motor private carrier described in subparagraph (A)).

(8) FREIGHT FORWARDER.—The term “freight forwarder” means a person holding itself out to the general public (other than as a pipeline, rail, motor, or water carrier) to provide transportation of property for compensation and in the ordinary course of its business—

(A) assembles and consolidates, or provides for assembling and consolidating, shipments and performs or provides for break-bulk and distribution operations of the shipments;

(B) assumes responsibility for the transportation from the place of receipt to the place of destination; and

(C) uses for any part of the transportation a carrier subject to jurisdiction under this subtitle.

The term does not include a person using transportation of an air carrier subject to part A of subtitle VII.

(9) HIGHWAY.—The term “highway” means a road, highway, street, and way in a State.

(10) HOUSEHOLD GOODS.—The term “household goods”, as used in connection with transportation, means personal effects and property used or to be used in a dwelling, when a part of the equipment or supply of such dwelling, and similar property if the transportation of such effects or property is—

(A) arranged and paid for by the householder, except such term does not include property moving from a factory or store, other than property that the householder has purchased with the intent to use in his or her dwelling and

is transported at the request of, and the transportation charges are paid to the carrier by, the householder; or

(B) arranged and paid for by another party.

(11) HOUSEHOLD GOODS FREIGHT FORWARDER.—The term “household goods freight forwarder” means a freight forwarder of one or more of the following items: household goods, unaccompanied baggage, or used automobiles.

(12) MOTOR CARRIER.—The term “motor carrier” means a person providing motor vehicle transportation for compensation.

(13) MOTOR PRIVATE CARRIER.—The term “motor private carrier” means a person, other than a motor carrier, transporting property by motor vehicle when—

(A) the transportation is as provided in section 13501 of this title;

(B) the person is the owner, lessee, or bailee of the property being transported; and

(C) the property is being transported for sale, lease, rent, or bailment or to further a commercial enterprise.

(14) MOTOR VEHICLE.—The term “motor vehicle” means a vehicle, machine, tractor, trailer, or semitrailer propelled or drawn by mechanical power and used on a highway in transportation, or a combination determined by the Secretary, but does not include a vehicle, locomotive, or car operated only on a rail, or a trolley bus operated by electric power from a fixed overhead wire, and providing local passenger transportation similar to street-railway service.

(15) NONCONTIGUOUS DOMESTIC TRADE.—The term “noncontiguous domestic trade” means transportation subject to jurisdiction under chapter 135 involving traffic originating in or destined to Alaska, Hawaii, or a territory or possession of the United States.

(16) PERSON.—The term “person”, in addition to its meaning under section 1 of title 1, includes a trustee, receiver, assignee, or personal representative of a person.

(17) PRE-ARRANGED GROUND TRANSPORTATION SERVICE.—The term “pre-arranged ground transportation service” means transportation for a passenger (or a group of passengers) that is arranged in advance (or is operated on a regular route or between specified points) and is provided in a motor vehicle with a seating capacity not exceeding 15 passengers (including the driver).

(18) SECRETARY.—The term “Secretary” means the Secretary of Transportation.

(19) STATE.—The term “State” means the 50 States of the United States and the District of Columbia.

(20) TAXICAB SERVICE.—The term “taxicab service” means passenger transportation in a motor vehicle having a capacity of not more than 8 passengers (including the driver), not operated on a regular route or between specified places, and that—

(A) is licensed as a taxicab by a State or a local jurisdiction; or

(B) is offered by a person that—

(i) provides local transportation for a fare determined (except with respect to transportation to or from airports) primarily on the basis of the distance traveled; and

(ii) does not primarily provide transportation to or from airports.

(21) TRANSPORTATION.—The term “transportation” includes—

(A) a motor vehicle, vessel, warehouse, wharf, pier, dock, yard, property, facility, instrumentality, or equipment of any kind related to the movement of passengers or property, or both, regardless of ownership or an agreement concerning use; and

(B) services related to that movement, including arranging for, receipt, delivery, elevation, transfer in transit, refrigeration, icing, ventilation, storage, handling, packing, unpacking, and interchange of passengers and property.

(22) UNITED STATES.—The term “United States” means the States of the United States and the District of Columbia.

(23) VESSEL.—The term “vessel” means a watercraft or other artificial contrivance that is used, is capable of being used, or is intended to be used, as a means of transportation by water.

(24) WATER CARRIER.—The term “water carrier” means a person providing water transportation for compensation.

§ 13103. Remedies as cumulative

Except as otherwise provided in this part, the remedies provided under this part are in addition to remedies existing under another law or common law.

CHAPTER 133—ADMINISTRATIVE PROVISIONS

Sec.

13301. Powers.

13302. Intervention.

13303. Service of notice in proceedings.

13304. Service of process in court proceedings.

§ 13301. Powers

(a) GENERAL POWERS OF SECRETARY.—Except as otherwise specified, the Secretary shall carry out this part. Enumeration of a power of the Secretary in this part does not exclude another power the Secretary may have in carrying out this part. The Secretary may prescribe regulations in carrying out this part.

(b) OBTAINING INFORMATION.—The Secretary may obtain from carriers providing, and brokers for, transportation and service subject to this part, and from persons controlling, controlled by, or under common control with those carriers or brokers to the extent that the business of that person is related to the management of the business of that carrier or broker, information the Secretary decides is necessary to carry out this part.

(c) SUBPOENA POWER.—

(1) BY SECRETARY.—The Secretary may subpoena witnesses and records related to a proceeding under this part from

any place in the United States, to the designated place of the proceeding. If a witness disobeys a subpoena, the Secretary, or a party to a proceeding under this part, may petition a court of the United States to enforce that subpoena.

(2) ENFORCEMENT.—The district courts of the United States have jurisdiction to enforce a subpoena issued under this section. Trial is in the district in which the proceeding is conducted. The court may punish a refusal to obey a subpoena as a contempt of court.

(d) TESTIMONY OF WITNESSES.—

(1) PROCEDURE FOR TAKING TESTIMONY.—In a proceeding under this part, the Secretary may take the testimony of a witness by deposition and may order the witness to produce records. A party to a proceeding pending under this part may take the testimony of a witness by deposition and may require the witness to produce records at any time after a proceeding is at issue on petition and answer.

(2) SUBPOENA.—If a witness fails to be deposed or to produce records under paragraph (1) of this subsection, the Secretary may subpoena the witness to take a deposition, produce the records, or both.

(3) DEPOSITIONS.—A deposition may be taken before a judge of a court of the United States, a United States magistrate judge, a clerk of a district court, or a chancellor, justice, or judge of a supreme or superior court, mayor or chief magistrate of a city, judge of a county court, or court of common pleas of any State, or a notary public who is not counsel or attorney of a party or interested in the proceeding.

(4) NOTICE OF DEPOSITION.—Before taking a deposition, reasonable notice must be given in writing by the party or the attorney of that party proposing to take a deposition to the opposing party or the attorney of record of that party, whoever is nearest. The notice shall state the name of the witness and the time and place of taking the deposition.

(5) TRANSCRIPT.—The testimony of a person deposed under this subsection shall be taken under oath. The person taking the deposition shall prepare, or cause to be prepared, a transcript of the testimony taken. The transcript shall be subscribed by the deponent.

(6) FOREIGN COUNTRY.—The testimony of a witness who is in a foreign country may be taken by deposition before an officer or person designated by the Secretary or agreed on by the parties by written stipulation filed with the Secretary. A deposition shall be filed with the Secretary promptly.

(e) WITNESS FEES.—Each witness summoned before the Secretary or whose deposition is taken under this section and the individual taking the deposition are entitled to the same fees and mileage paid for those services in the courts of the United States.

(f) POWERS OF BOARD.—For those provisions of this part that are specified to be carried out by the Board, the Board shall have the same powers as the Secretary has under this section.

§ 13302. Intervention

Under regulations of the Secretary, reasonable notice of, and an opportunity to intervene and participate in, a proceeding under this part related to transportation subject to jurisdiction under subchapter I of chapter 135 shall be given to interested persons.

§ 13303. Service of notice in proceedings

(a) **AGENTS FOR SERVICE OF PROCESS.**—A carrier, a broker, or a freight forwarder providing transportation or service subject to jurisdiction under chapter 135 shall designate, in writing, an agent by name and post office address on whom service of notices in a proceeding before, and of actions of, the Secretary may be made.

(b) **FILING WITH STATE.**—A motor carrier providing transportation under this part shall also file the designation with the appropriate authority of each State in which it operates. The designation may be changed at any time in the same manner as originally made.

(c) **NOTICE.**—A notice to a motor carrier, freight forwarder, or broker shall be served personally or by mail on the motor carrier, freight forwarder, or broker or on its designated agent. Service by mail on the designated agent shall be made at the address filed for the agent. When notice is given by mail, the date of mailing is considered to be the time when the notice is served. If a motor carrier, freight forwarder, or broker does not have a designated agent, service may be made by posting a copy of the notice at the headquarters of the Department of Transportation.

§ 13304. Service of process in court proceedings

(a) **DESIGNATION OF AGENT.**—A motor carrier or broker providing transportation subject to jurisdiction under chapter 135, including a motor carrier or broker operating within the United States while providing transportation between places in a foreign country or between a place in one foreign country and a place in another foreign country, shall designate an agent in each State in which it operates by name and post office address on whom process issued by a court with subject matter jurisdiction may be served in an action brought against that carrier or broker. The designation shall be in writing and filed with the Department of Transportation and each State in which the carrier operates may require that an additional designation be filed with it. If a designation under this subsection is not made, service may be made on any agent of the carrier or broker within that State.

(b) **CHANGE.**—A designation under this section may be changed at any time in the same manner as originally made.

CHAPTER 135—JURISDICTION**SUBCHAPTER I—MOTOR CARRIER TRANSPORTATION**

Sec.

13501. General jurisdiction.

13502. Exempt transportation between Alaska and other States.

13503. Exempt motor vehicle transportation in terminal areas.

13504. Exempt motor carrier transportation entirely in one State.

13505. Transportation furthering a primary business.

13506. Miscellaneous motor carrier transportation exemptions.

13507. Mixed loads of regulated and unregulated property.
13508. Limited authority over cooperative associations.

SUBCHAPTER II—WATER CARRIER TRANSPORTATION

13521. General jurisdiction.

SUBCHAPTER III—FREIGHT FORWARDER SERVICE

13531. General jurisdiction.

SUBCHAPTER IV—AUTHORITY TO EXEMPT

13541. Authority to exempt transportation or services.

SUBCHAPTER I—MOTOR CARRIER TRANSPORTATION

§ 13501. General jurisdiction

The Secretary and the Board have jurisdiction, as specified in this part, over transportation by motor carrier and the procurement of that transportation, to the extent that passengers, property, or both, are transported by motor carrier—

(1) between a place in—

(A) a State and a place in another State;

(B) a State and another place in the same State through another State;

(C) the United States and a place in a territory or possession of the United States to the extent the transportation is in the United States;

(D) the United States and another place in the United States through a foreign country to the extent the transportation is in the United States; or

(E) the United States and a place in a foreign country to the extent the transportation is in the United States; and

(2) in a reservation under the exclusive jurisdiction of the United States or on a public highway.

§ 13502. Exempt transportation between Alaska and other States

To the extent that transportation by a motor carrier between a place in Alaska and a place in another State under section 13501 is provided in a foreign country—

(1) neither the Secretary nor the Board has jurisdiction to impose a requirement over conduct of the motor carrier in the foreign country conflicting with a requirement of that country; but

(2) the motor carrier, as a condition of providing transportation in the United States, shall comply, with respect to all transportation provided between Alaska and the other State, with the requirements of this part related to rates and practices applicable to the transportation.

§ 13503. Exempt motor vehicle transportation in terminal areas

(a) TRANSPORTATION BY CARRIERS.—

(1) IN GENERAL.—Neither the Secretary nor the Board has jurisdiction under this subchapter over transportation by motor vehicle provided in a terminal area when the transportation—

- (A) is a transfer, collection, or delivery;
- (B) is provided by—
 - (i) a rail carrier subject to jurisdiction under chapter 105;
 - (ii) a water carrier subject to jurisdiction under subchapter II of this chapter; or
 - (iii) a freight forwarder subject to jurisdiction under subchapter III of this chapter; and

(C) is incidental to transportation or service provided by the carrier or freight forwarder that is subject to jurisdiction under chapter 105 of this title or under subchapter II or III of this chapter.

(2) APPLICABILITY OF OTHER PROVISIONS.—Transportation exempt from jurisdiction under paragraph (1) of this subsection is subject to jurisdiction under chapter 105 when provided by such a rail carrier, under subchapter II of this chapter when provided by such a water carrier, and under subchapter III of this chapter when provided by such a freight forwarder.

(b) TRANSPORTATION BY AGENT.—

(1) IN GENERAL.—Except to the extent provided by paragraph (2) of this subsection, neither the Secretary nor the Board has jurisdiction under this subchapter over transportation by motor vehicle provided in a terminal area when the transportation—

- (A) is a transfer, collection, or delivery; and
- (B) is provided by a person as an agent or under other arrangement for—
 - (i) a rail carrier subject to jurisdiction under chapter 105 of this title;
 - (ii) a motor carrier subject to jurisdiction under this subchapter;
 - (iii) a water carrier subject to jurisdiction under subchapter II of this chapter; or
 - (iv) a freight forwarder subject to jurisdiction under subchapter III of this chapter.

(2) TREATMENT OF TRANSPORTATION BY PRINCIPAL.—Transportation exempt from jurisdiction under paragraph (1) of this subsection is considered transportation provided by the carrier or service provided by the freight forwarder for whom the transportation was provided and is subject to jurisdiction under chapter 105 of this title when provided for such a rail carrier, under this subchapter when provided for such a motor carrier, under subchapter II of this chapter when provided for such a water carrier, and under subchapter III of this chapter when provided for such a freight forwarder.

§ 13504. Exempt motor carrier transportation entirely in one State

Neither the Secretary nor the Board has jurisdiction under this subchapter over transportation, except transportation of household goods, by a motor carrier operating solely within the State of Hawaii. The State of Hawaii may regulate transportation exempt from jurisdiction under this section and, to the extent provided by a

motor carrier operating solely within the State of Hawaii, transportation exempt under section 13503 of this title.

§ 13505. Transportation furthering a primary business

(a) IN GENERAL.—Neither the Secretary nor the Board has jurisdiction under this part over the transportation of property by motor vehicle when—

(1) the property is transported by a person engaged in a business other than transportation; and

(2) the transportation is within the scope of, and furthers a primary business (other than transportation) of the person.

(b) CORPORATE FAMILIES.—

(1) IN GENERAL.—Neither the Secretary nor the Board has jurisdiction under this part over transportation of property by motor vehicle for compensation provided by a person who is a member of a corporate family for other members of such corporate family.

(2) DEFINITION.—In this section, “corporate family” means a group of corporations consisting of a parent corporation and all subsidiaries in which the parent corporation owns directly or indirectly a 100 percent interest.

§ 13506. Miscellaneous motor carrier transportation exemptions

(a) IN GENERAL.—Neither the Secretary nor the Board has jurisdiction under this part over—

(1) a motor vehicle transporting only school children and teachers to or from school;

(2) a motor vehicle providing taxicab service;

(3) a motor vehicle owned or operated by or for a hotel and only transporting hotel patrons between the hotel and the local station of a carrier;

(4) a motor vehicle controlled and operated by a farmer and transporting—

(A) the farmer’s agricultural or horticultural commodities and products; or

(B) supplies to the farm of the farmer;

(5) a motor vehicle controlled and operated by a cooperative association (as defined by section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a))) or by a federation of cooperative associations if the federation has no greater power or purposes than a cooperative association, except that if the cooperative association or federation provides transportation for compensation between a place in a State and a place in another State, or between a place in a State and another place in the same State through another State—

(A) for a nonmember that is not a farmer, cooperative association, federation, or the United States Government, the transportation (except for transportation otherwise exempt under this subchapter)—

(i) shall be limited to transportation incidental to the primary transportation operation of the cooperative association or federation and necessary for its effective performance; and

- (ii) may not exceed in each fiscal year 25 percent of the total transportation of the cooperative association or federation between those places, measured by tonnage; and
- (B) the transportation for all nonmembers may not exceed in each fiscal year, measured by tonnage, the total transportation between those places for the cooperative association or federation and its members during that fiscal year;
- (6) transportation by motor vehicle of—
- (A) ordinary livestock;
- (B) agricultural or horticultural commodities (other than manufactured products thereof);
- (C) commodities listed as exempt in the Commodity List incorporated in ruling numbered 107, March 19, 1958, Bureau of Motor Carriers, Interstate Commerce Commission, other than frozen fruits, frozen berries, frozen vegetables, cocoa beans, coffee beans, tea, bananas, or hemp, or wool imported from a foreign country, wool tops and noils, or wool waste (carded, spun, woven, or knitted);
- (D) cooked or uncooked fish, whether breaded or not, or frozen or fresh shellfish, or byproducts thereof not intended for human consumption, other than fish or shellfish that have been treated for preserving, such as canned, smoked, pickled, spiced, corned, or kippered products; and
- (E) livestock and poultry feed and agricultural seeds and plants, if such products (excluding products otherwise exempt under this paragraph) are transported to a site of agricultural production or to a business enterprise engaged in the sale to agricultural producers of goods used in agricultural production;
- (7) a motor vehicle used only to distribute newspapers;
- (8)(A) transportation of passengers by motor vehicle incidental to transportation by aircraft;
- (B) transportation of property (including baggage) by motor vehicle as part of a continuous movement which, prior or subsequent to such part of the continuous movement, has been or will be transported by an air carrier or (to the extent so agreed by the United States and approved by the Secretary) by a foreign air carrier; or
- (C) transportation of property by motor vehicle in lieu of transportation by aircraft because of adverse weather conditions or mechanical failure of the aircraft or other causes due to circumstances beyond the control of the carrier or shipper;
- (9) the operation of a motor vehicle in a national park or national monument;
- (10) a motor vehicle carrying not more than 15 individuals in a single, daily roundtrip to commute to and from work;
- (11) transportation of used pallets and used empty shipping containers (including intermodal cargo containers), and other used shipping devices (other than containers or devices used in the transportation of motor vehicles or parts of motor vehicles);

(12) transportation of natural, crushed, vesicular rock to be used for decorative purposes;

(13) transportation of wood chips;

(14) brokers for motor carriers of passengers, except as provided in section 13904(d); or

(15) transportation of broken, crushed, or powdered glass.

(b) EXEMPT UNLESS OTHERWISE NECESSARY.—Except to the extent the Secretary or Board, as applicable, finds it necessary to exercise jurisdiction to carry out the transportation policy of section 13101, neither the Secretary nor the Board has jurisdiction under this part over—

(1) transportation provided entirely in a municipality, in contiguous municipalities, or in a zone that is adjacent to, and commercially a part of, the municipality or municipalities, except—

(A) when the transportation is under common control, management, or arrangement for a continuous carriage or shipment to or from a place outside the municipality, municipalities, or zone; or

(B) that in transporting passengers over a route between a place in a State and a place in another State, or between a place in a State and another place in the same State through another State, the transportation is exempt from jurisdiction under this part only if the motor carrier operating the motor vehicle also is lawfully providing intrastate transportation of passengers over the entire route under the laws of each State through which the route runs;

(2) transportation by motor vehicle provided casually, occasionally, or reciprocally but not as a regular occupation or business, except when a broker or other person sells or offers for sale passenger transportation provided by a person authorized to transport passengers by motor vehicle under an application pending, or registration issued, under this part; or

(3) the emergency towing of an accidentally wrecked or disabled motor vehicle.

§ 13507. Mixed loads of regulated and unregulated property

A motor carrier of property providing transportation exempt from jurisdiction under paragraph (6), (8), (11), (12), or (13) of section 13506(a) may transport property under such paragraph in the same vehicle and at the same time as property which the carrier is authorized to transport under a registration issued under section 13902(a). Such transportation shall not affect the unregulated status of such exempt property or the regulated status of the property which the carrier is authorized to transport under such registration.

§ 13508. Limited authority over cooperative associations

(a) IN GENERAL.—Notwithstanding section 13506(a)(5), any cooperative association (as defined by section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a))) or a federation of cooperative associations shall prepare and maintain such records relating to transportation provided by such association or federation, in

such form as the Secretary or the Board may require by regulation to carry out the provisions of such section 13506(a)(5). The Secretary or the Board, or an employee designated by the Secretary or the Board, may on demand and display of proper credentials—

(1) inspect and examine the lands, buildings, and equipment of such association or federation; and

(2) inspect and copy any record of such association or federation.

(b) **REPORTS.**—Notwithstanding section 13506(a)(5), the Secretary or the Board may require a cooperative association or federation of cooperative associations described in subsection (a) of this section to file reports with the Secretary or the Board containing answers to questions about transportation provided by such association or federation.

(c) **ENFORCEMENT.**—The Secretary or the Board may bring a civil action to enforce subsections (a) and (b) of this section or a regulation or order of the Secretary or the Board issued under this section, when violated by a cooperative association or federation of cooperative associations described in subsection (a).

(d) **REPORTING PENALTIES.**—

(1) **IN GENERAL.**—A person required to make a report to the Secretary or the Board, answer a question, or maintain a record under this section, or an officer, agent, or employee of that person, that—

(A) does not make the report;

(B) does not specifically, completely, and truthfully answer the question; or

(C) does not maintain the record in the form and manner prescribed under this section;

is liable to the United States for a civil penalty of not more than \$500 for each violation and for not more than \$250 for each additional day the violation continues.

(2) **VENUE.**—Trial in a civil action under paragraph (1) shall be in the judicial district in which—

(A) the cooperative association or federation of cooperative associations has its principal office;

(B) the violation occurred; or

(C) the offender is found.

Process in the action may be served in the judicial district of which the offender is an inhabitant or in which the offender may be found.

(e) **EVASION PENALTIES.**—A person, or an officer, employee, or agent of that person, that by any means knowingly and willfully tries to evade compliance with the provisions of this section shall be fined at least \$200 but not more than \$500 for the first violation and at least \$250 but not more than \$2,000 for a subsequent violation.

(f) **RECORDKEEPING PENALTIES.**—A person required to make a report, answer a question, or maintain a record under this section, or an officer, agent, or employee of that person, that—

(1) willfully does not make that report;

(2) willfully does not specifically, completely, and truthfully answer that question in 30 days from the date that the question is required to be answered;

(3) willfully does not maintain that record in the form and manner prescribed;

(4) knowingly and willfully falsifies, destroys, mutilates, or changes that report or record;

(5) knowingly and willfully files a false report or record under this section;

(6) knowingly and willfully makes a false or incomplete entry in that record about a business-related fact or transaction; or

(7) knowingly and willfully maintains a record in violation of a regulation or order issued under this section;

shall be fined not more than \$5,000.

SUBCHAPTER II—WATER CARRIER TRANSPORTATION

§ 13521. General jurisdiction

(a) GENERAL RULES.—The Secretary and the Board have jurisdiction over transportation insofar as water carriers are concerned—

(1) by water carrier between a place in a State and a place in another State, even if part of the transportation is outside the United States;

(2) by water carrier and motor carrier from a place in a State to a place in another State; except that if part of the transportation is outside the United States, the Secretary only has jurisdiction over that part of the transportation provided—

(A) by motor carrier that is in the United States; and

(B) by water carrier that is from a place in the United States to another place in the United States; and

(3) by water carrier or by water carrier and motor carrier between a place in the United States and a place outside the United States, to the extent that—

(A) when the transportation is by motor carrier, the transportation is provided in the United States;

(B) when the transportation is by water carrier to a place outside the United States, the transportation is provided by water carrier from a place in the United States to another place in the United States before transshipment from a place in the United States to a place outside the United States; and

(C) when the transportation is by water carrier from a place outside the United States, the transportation is provided by water carrier from a place in the United States to another place in the United States after transshipment to a place in the United States from a place outside the United States.

(b) DEFINITIONS.—In this section, the terms “State” and “United States” include the territories and possessions of the United States.

SUBCHAPTER III—FREIGHT FORWARDER SERVICE

§ 13531. General jurisdiction

(a) **IN GENERAL.**—The Secretary and the Board have jurisdiction, as specified in this part, over service that a freight forwarder undertakes to provide, or is authorized or required under this part to provide, to the extent transportation is provided in the United States and is between—

(1) a place in a State and a place in another State, even if part of the transportation is outside the United States;

(2) a place in a State and another place in the same State through a place outside the State; or

(3) a place in the United States and a place outside the United States.

(b) **EXEMPTION OF CERTAIN AIR CARRIER SERVICE.**—Neither the Secretary nor the Board has jurisdiction under subsection (a) of this section over service undertaken by a freight forwarder using transportation of an air carrier subject to part A of subtitle VII of this title.

SUBCHAPTER IV—AUTHORITY TO EXEMPT

§ 13541. Authority to exempt transportation or services

(a) **IN GENERAL.**—In any matter subject to jurisdiction under this part, the Secretary or the Board, as applicable, shall exempt a person, class of persons, or a transaction or service from the application, in whole or in part, of a provision of this part, or use this exemption authority to modify the application of a provision of this part as it applies to such person, class, transaction, or service, when the Secretary or Board finds that the application of that provision—

(1) is not necessary to carry out the transportation policy of section 13101;

(2) is not needed to protect shippers from the abuse of market power or that the transaction or service is of limited scope; and

(3) is in the public interest.

(b) **INITIATION OF PROCEEDING.**—The Secretary or Board, as applicable, may, where appropriate, begin a proceeding under this section on the Secretary's or Board's own initiative or on application by an interested party.

(c) **PERIOD OF EXEMPTION.**—The Secretary or Board, as applicable, may specify the period of time during which an exemption granted under this section is effective.

(d) **REVOCATION.**—The Secretary or Board, as applicable, may revoke an exemption, to the extent specified, on finding that application of a provision of this part to the person, class, or transportation is necessary to carry out the transportation policy of section 13101.

(e) **LIMITATIONS.**—

(1) **IN GENERAL.**—The exemption authority under this section may not be used to relieve a person from the application of, and compliance with, any law, rule, regulation, standard, or order pertaining to cargo loss and damage, insurance, safety

fitness, or activities approved under section 13703 or 14302 or not terminated under section 13907(d)(2).

(2) WATER CARRIERS.—The Secretary or Board, as applicable, may not exempt a water carrier from the application of, or compliance with, section 13701 or 13702 for transportation in the non-contiguous domestic trade.

(f) CONTINUATION OF CERTAIN EXISTING EXEMPTIONS FOR WATER CARRIERS.—The Secretary or Board, as applicable, shall not regulate or exercise jurisdiction under this part over the transportation by water carrier in the non-contiguous domestic trade of any cargo or type of cargo or service which was not subject to regulation by, or under the jurisdiction of, either the Federal Maritime Commission or Interstate Commerce Commission under Federal law in effect on November 1, 1995.

CHAPTER 137—RATES AND THROUGH ROUTES

Sec.

- 13701. Requirements for reasonable rates, classifications, through routes, rules, and practices for certain transportation.
- 13702. Tariff requirement for certain transportation.
- 13703. Certain collective activities; exemption from antitrust laws.
- 13704. Household goods rates—estimates; guarantees of service.
- 13705. Requirements for through routes among motor carriers of passengers.
- 13706. Liability for payment of rates.
- 13707. Payment of rates.
- 13708. Billing and collecting practices.
- 13709. Procedures for resolving claims involving unfiled, negotiated transportation rates.
- 13710. Additional billing and collecting practices.
- 13711. Alternative procedure for resolving undercharge disputes.
- 13712. Government traffic.
- 13713. Food and grocery transportation.

§ 13701. Requirements for reasonable rates, classifications, through routes, rules, and practices for certain transportation

(a) REASONABLENESS.—

(1) CERTAIN HOUSEHOLD GOODS TRANSPORTATION; JOINT RATES INVOLVING WATER TRANSPORTATION.—A rate, classification, rule, or practice related to transportation or service provided by a carrier subject to jurisdiction under chapter 135 for transportation or service involving—

(A) a movement of household goods,

(B) a rate for a movement by or with a water carrier in noncontiguous domestic trade, or

(C) rates, rules, and classifications made collectively by motor carriers under agreements approved pursuant to section 13703,

must be reasonable.

(2) THROUGH ROUTES AND DIVISIONS OF JOINT RATES.—Through routes and divisions of joint rates for such transportation or service must be reasonable.

(b) PRESCRIPTION BY BOARD FOR VIOLATIONS.—When the Board finds it necessary to stop or prevent a violation of subsection (a), the Board shall prescribe the rate, classification, rule, practice,

through route, or division of joint rates to be applied for such transportation or service.

(c) FILING OF COMPLAINT.—A complaint that a rate, classification, rule, or practice in noncontiguous domestic trade violates subsection (a) may be filed with the Board.

(d) ZONE OF REASONABLENESS.—

(1) IN GENERAL.—For purposes of this section, a rate or division of a motor carrier for service in noncontiguous domestic trade or water carrier for port-to-port service in that trade is reasonable if the aggregate of increases and decreases in any such rate or division is not more than 7.5 percent above, or more than 10 percent below, the rate or division in effect 1 year before the effective date of the proposed rate or division.

(2) ADJUSTMENTS TO THE ZONE.—The percentage specified in paragraph (1) shall be increased or decreased, as the case may be, by the percentage change in the Producers Price Index, as published by the Department of Labor, that has occurred during the most recent 1-year period before the date the rate or division in question first took effect.

(3) DETERMINATIONS AFTER COMPLAINT.—The Board shall determine whether any rate or division of a carrier or service in noncontiguous domestic trade which is not within the range described in paragraph (1) is reasonable if a complaint is filed under subsection (c) or section 13702(b)(6).

(4) REPARATIONS.—Upon a finding of violation of subsection (a), the Board shall award reparations to the complaining shipper or shippers in an amount equal to all sums assessed and collected that exceed the determined reasonable rate, division, rate structure, or tariff. Upon complaint from any governmental agency or authority and upon a finding or violation of subsection (a), the Board shall make such orders as are just and shall require the carrier to return, to the extent practicable, to shippers all amounts plus interest, which the Board finds to have been assessed and collected in violation of subsection (a).

§ 13702. Tariff requirement for certain transportation

(a) IN GENERAL.—Except when providing transportation for charitable purposes without charge, a carrier subject to jurisdiction under chapter 135 may provide transportation or service that is—

(1) in noncontiguous domestic trade, except with regard to bulk cargo, forest products, recycled metal scrap, waste paper, and paper waste; or

(2) for movement of household goods; only if the rate for such transportation or service is contained in a tariff that is in effect under this section. The carrier may not charge or receive a different compensation for the transportation or service than the rate specified in the tariff, whether by returning a part of that rate to a person, giving a person a privilege, allowing the use of a facility that affects the value of that transportation or service, or another device. A rate contained in a tariff shall be stated in money of the United States.

(b) TARIFF REQUIREMENTS FOR NONCONTIGUOUS DOMESTIC TRADE.—

(1) **FILING.**—A carrier providing transportation or service described in subsection (a)(1) shall publish and file with the Board tariffs containing the rates established for such transportation or service. The carriers shall keep such tariffs available for public inspection. The Board shall prescribe the form and manner of publishing, filing, and keeping tariffs available for public inspection under this subsection.

(2) **CONTENTS.**—The Board may prescribe any specific information and charges to be identified in a tariff, but at a minimum tariffs must identify plainly—

(A) the carriers that are parties to it;

(B) the places between which property will be transported;

(C) terminal charges if a carrier provides transportation or service subject to jurisdiction under subchapter III of chapter 135;

(D) privileges given and facilities allowed; and

(E) any rules that change, affect, or determine any part of the published rate.

(3) **INLAND DIVISIONS.**—A carrier providing transportation or service described in subsection (a)(1) under a joint rate for a through movement shall not be required to state separately or otherwise reveal in tariff filings the inland divisions of that through rate.

(4) **TIME-VOLUME RATES.**—Rates in tariffs filed under this subsection may vary with the volume of cargo offered over a specified period of time.

(5) **CHANGES.**—The Board may permit carriers to change rates, classifications, rules, and practices without filing complete tariffs under this subsection that cover matter that is not being changed when the Board finds that action to be consistent with the public interest. Those carriers may either—

(A) publish new tariffs that incorporate changes, or

(B) plainly indicate the proposed changes in the tariffs then in effect and make the tariffs as changed available for public inspection.

(6) **COMPLAINTS.**—A complaint that a rate or related rule or practice maintained in a tariff under this subsection violates section 13701(a) may be submitted to the Board for resolution.

(c) **TARIFF REQUIREMENTS FOR HOUSEHOLD GOODS CARRIERS.**—

(1) **IN GENERAL.**—A carrier providing transportation described in subsection (a)(2) shall maintain rates and related rules and practices in a published tariff. The tariff must be available for inspection by the Board and be made available for inspection by shippers upon reasonable request.

(2) **NOTICE OF AVAILABILITY.**—A carrier that maintains a tariff under this subsection may not enforce the provisions of the tariff unless the carrier has given notice that the tariff is available for inspection in its bill of lading or by other actual notice to individuals whose shipments are subject to the tariff.

(3) **REQUIREMENTS.**—A carrier that maintains a tariff under this subsection is bound by the tariff except as otherwise provided in this part. A tariff that does not comply with this subsection may not be enforced against any individual shipper.

(4) INCORPORATION BY REFERENCE.—A carrier may incorporate by reference the rates, terms, and other conditions of a tariff in agreements covering the transportation of household goods.

(5) COMPLAINTS.—A complaint that a rate or related rule or practice maintained in a tariff under this subsection violates section 13701(a) may be submitted to the Board for resolution.

(d) INVALIDATION.—The Board may invalidate a tariff prepared by a carrier or carriers under this section if that tariff violates this section or a regulation of the Board carrying out this section.

§ 13703. Certain collective activities; exemption from anti-trust laws

(a) AGREEMENTS.—

(1) AUTHORITY TO ENTER.—A motor carrier providing transportation or service subject to jurisdiction under chapter 135 may enter into an agreement with one or more such carriers to establish—

- (A) through routes and joint rates;
- (B) rates for the transportation of household goods;
- (C) classifications;
- (D) mileage guides;
- (E) rules;
- (F) divisions;

(G) rate adjustments of general application based on industry average carrier costs (so long as there is no discussion of individual markets or particular single-line rates); or

(H) procedures for joint consideration, initiation, or establishment of matters described in subparagraphs (A) through (G).

(2) SUBMISSION OF AGREEMENT TO BOARD; APPROVAL.—An agreement entered into under paragraph (1) may be submitted by any carrier or carriers that are parties to such agreement to the Board for approval and may be approved by the Board only if it finds that such agreement is in the public interest.

(3) CONDITIONS.—The Board may require compliance with reasonable conditions consistent with this part to assure that the agreement furthers the transportation policy set forth in section 13101.

(4) INDEPENDENTLY ESTABLISHED RATES.—Any carrier which is a party to an agreement under paragraph (1) is not, and may not be, precluded from independently establishing its own rates, classification, and mileages or from adopting and using a noncollectively made classification or mileage guide.

(5) INVESTIGATIONS.—

(A) REASONABLENESS.—The Board may suspend and investigate the reasonableness of any rate, rule, classification, or rate adjustment of general application made pursuant to an agreement under this section.

(B) ACTIONS NOT IN THE PUBLIC INTEREST.—The Board may investigate any action taken pursuant to an agreement approved under this section. If the Board finds that the action is not in the public interest, the Board may take

such measures as may be necessary to protect the public interest with regard to the action, including issuing an order directing the parties to cease and desist or modify the action.

(6) EFFECT OF APPROVAL.—If the Board approves the agreement or renews approval of the agreement, it may be made and carried out under its terms and under the conditions required by the Board, and the antitrust laws, as defined in the first section of the Clayton Act (15 U.S.C. 12), do not apply to parties and other persons with respect to making or carrying out the agreement.

(b) RECORDS.—The Board may require an organization established or continued under an agreement approved under this section to maintain records and submit reports. The Board, or its delegate, may inspect a record maintained under this section, or monitor any organization's compliance with this section.

(c) REVIEW.—

(1) IN GENERAL.—The Board may review an agreement approved under this section, on its own initiative or on request, and shall change the conditions of approval or terminate it when necessary to protect the public interest. Action of the Board under this section—

(A) approving an agreement,

(B) denying, ending, or changing approval,

(C) prescribing the conditions on which approval is granted, or

(D) changing those conditions,

has effect only as related to application of the antitrust laws referred to in subsection (a).

(2) PERIODIC REVIEW OF APPROVALS.—Subject to this section, in the 5-year period beginning on the date of the enactment of this paragraph and in each 5-year period thereafter, the Board shall initiate a proceeding to review any agreement approved pursuant to this section. Any such agreement shall be continued unless the Board determines otherwise.

(d) EXISTING AGREEMENTS.—

(1) AGREEMENTS EXISTING AS OF DECEMBER 31, 1995.—Agreements approved under former section 10706(b) and in effect on December 31, 1995, shall be treated for purposes of this section as approved by the Board under this section beginning on January 1, 1996.

(2) CASES PENDING AS OF DATE OF THE ENACTMENT.—Nothing in section 227 (other than subsection (b)) of the Motor Carrier Safety Improvement Act of 1999, including the amendments made by such section, shall be construed to affect any case brought under this section that is pending before the Board as of the date of the enactment of this paragraph.

(e) LIMITATIONS ON STATUTORY CONSTRUCTION.—

(1) UNDERCHARGE CLAIMS.—Nothing in this section shall serve as a basis for any undercharge claim.

(2) OBLIGATION OF SHIPPER.—Nothing in this title, the ICC Termination Act of 1995, or any amendments or repeals made by such Act shall be construed as creating any obligation for a shipper based solely on a classification that was on file with

the Interstate Commerce Commission or elsewhere on December 31, 1995.

(f) INDUSTRY STANDARD GUIDES.—

(1) IN GENERAL.—

(A) PUBLIC AVAILABILITY.—Routes, rates, classifications, mileage guides, and rules established under agreements approved under this section shall be published and made available for public inspection upon request.

(B) PARTICIPATION OF CARRIERS.—

(i) IN GENERAL.—A motor carrier of property whose routes, rates, classifications, mileage guides, rules, or packaging are determined or governed by publications established under agreements approved under this section must participate in the determining or governing publication for such provisions to apply.

(ii) POWER OF ATTORNEY.—The motor carrier of property shall issue a power of attorney to the publishing agent and, upon its acceptance, the agent shall issue a written certification to the motor carrier affirming its participation in the governing publication, and the certification shall be made available for public inspection.

(2) MILEAGE LIMITATION.—No carrier subject to jurisdiction under subchapter I or III of chapter 135 may enforce collection of its mileage rates unless such carrier—

(A) is a participant in a publication of mileages formulated under an agreement approved under this section; or

(B) uses a publication of mileage (other than a publication described in subparagraph (A)) that can be examined by any interested person upon reasonable request.

(g) SINGLE LINE RATE DEFINED.—In this section, the term “single line rate” means a rate, charge, or allowance proposed by a single motor carrier that is applicable only over its line and for which the transportation can be provided by that carrier.

§ 13704. Household goods rates—estimates; guarantees of service

(a) IN GENERAL.—

(1) AUTHORITY.—Subject to the provisions of paragraph (2) of this subsection, a motor carrier providing transportation of household goods subject to jurisdiction under subchapter I of chapter 135 may establish a rate for the transportation of household goods which is based on the carrier’s written, binding estimate of charges for providing such transportation.

(2) NONPREFERENTIAL; NONPREDATORY.—Any rate established under this subsection must be available on a nonpreferential basis to shippers and must not result in charges to shippers which are predatory.

(b) RATES FOR GUARANTEED SERVICE.—

(1) AUTHORITY.—Subject to the provisions of paragraph (2) of this subsection, a motor carrier providing transportation of household goods subject to jurisdiction under subchapter I of chapter 135 may establish rates for the transportation of household goods which guarantee that the carrier will pick up

and deliver such household goods at the times specified in the contract for such services and provide a penalty or per diem payment in the event the carrier fails to pick up or deliver such household goods at the specified time. The charges, if any, for such guarantee and penalty provision may vary to reflect one or more options available to meet a particular shipper's needs.

(2) **AUTHORITY OF SECRETARY TO REQUIRE NONGUARANTEED SERVICE RATES.**—Before a carrier may establish a rate for any service under paragraph (1) of this subsection, the Secretary may require such carrier to have in effect and keep in effect, during any period such rate is in effect under paragraph (1), a rate for such service which does not guarantee the pick up and delivery of household goods at the times specified in the contract for such services and which does not provide a penalty or per diem payment in the event the carrier fails to pick up or deliver household goods at the specified time.

§ 13705. Requirements for through routes among motor carriers of passengers

(a) **ESTABLISHMENT; REASONABLENESS.**—A motor carrier providing transportation of passengers subject to jurisdiction under subchapter I of chapter 135 shall establish through routes with other carriers of the same type and shall establish individual and joint rates applicable to them. Such through route must be reasonable.

(b) **PRESCRIBED BY BOARD.**—When the Board finds it necessary to enforce the requirements of this section, the Board may prescribe through routes and the conditions under which those routes must be operated for motor carriers providing transportation of passengers subject to jurisdiction under subchapter I of chapter 135.

§ 13706. Liability for payment of rates

(a) **LIABILITY OF CONSIGNEE.**—Liability for payment of rates for transportation for a shipment of property by a shipper or consignor to a consignee other than the shipper or consignor, is determined under this section when the transportation is provided by motor carrier under this part. When the shipper or consignor instructs the carrier transporting the property to deliver it to a consignee that is an agent only, not having beneficial title to the property, the consignee is liable for rates billed at the time of delivery for which the consignee is otherwise liable, but not for additional rates that may be found to be due after delivery if the consignee gives written notice to the delivering carrier before delivery of the property—

(1) of the agency and absence of beneficial title; and

(2) of the name and address of the beneficial owner of the property if it is reconsigned or diverted to a place other than the place specified in the original bill of lading.

(b) **LIABILITY OF BENEFICIAL OWNER.**—When the consignee is liable only for rates billed at the time of delivery under subsection (a), the shipper or consignor, or, if the property is reconsigned or diverted, the beneficial owner is liable for those additional rates re-

ardless of the bill of the lading or contract under which the property was transported. The beneficial owner is liable for all rates when the property is reconsigned or diverted by an agent but is refused or abandoned at its ultimate destination if the agent gave the carrier in the reconsignment or diversion order a notice of agency and the name and address of the beneficial owner. A consignee giving the carrier erroneous information about the identity of the beneficial owner of the property is liable for the additional rates.

§ 13707. Payment of rates

(a) **TRANSFER OF POSSESSION UPON PAYMENT.**—Except as provided in subsection (b), a carrier providing transportation or service subject to jurisdiction under this part shall give up possession at the destination of the property transported by it only when payment for the transportation or service is made.

(b) **EXCEPTIONS.**—

(1) **REGULATIONS.**—Under regulations of the Secretary governing the payment for transportation and service and preventing discrimination, those carriers may give up possession at destination of property transported by them before payment for the transportation or service. The regulations of the Secretary may provide for weekly or monthly payment for transportation provided by motor carriers and for periodic payment for transportation provided by water carriers.

(2) **EXTENSIONS OF CREDIT TO GOVERNMENTAL ENTITIES.**—Such a carrier (including a motor carrier being used by a household goods freight forwarder) may extend credit for transporting property for the United States Government, a State, a territory or possession of the United States, or a political subdivision of any of them.

§ 13708. Billing and collecting practices

(a) **DISCLOSURE.**—A motor carrier subject to jurisdiction under subchapter I of chapter 135 shall disclose, when a document is presented or electronically transmitted for payment to the person responsible directly to the motor carrier for payment or agent of such responsible person, the actual rates, charges, or allowances for any transportation service and shall also disclose, at such time, whether and to whom any allowance or reduction in charges is made.

(b) **FALSE OR MISLEADING INFORMATION.**—No person may cause a motor carrier to present false or misleading information on a document about the actual rate, charge, or allowance to any party to the transaction.

(c) **ALLOWANCES FOR SERVICES.**—When the actual rate, charge, or allowance is dependent upon the performance of a service by a party to the transportation arrangement, such as tendering a volume of freight over a stated period of time, the motor carrier shall indicate in any document presented for payment to the person responsible directly to the motor carrier that a reduction, allowance, or other adjustment may apply.

§ 13709. Procedures for resolving claims involving unfiled, negotiated transportation rates

(a) TRANSPORTATION PROVIDED AT RATES OTHER THAN LEGAL TARIFF RATES.—

(1) IN GENERAL.—When a claim is made by a motor carrier of property (other than a household goods carrier) providing transportation subject to jurisdiction under subchapter II of chapter 105 (as in effect on December 31, 1995) or subchapter I of chapter 135, by a freight forwarder (other than a household goods freight forwarder), or by a party representing such a carrier or freight forwarder regarding the collection of rates or charges for such transportation in addition to those originally billed and collected by the carrier or freight forwarder for such transportation, the person against whom the claim is made may elect to satisfy the claim under the provisions of subsection (b), (c), or (d), upon showing that—

(A) the carrier or freight forwarder is no longer transporting property or is transporting property for the purpose of avoiding the application of this section; and

(B) with respect to the claim—

(i) the person was offered a transportation rate by the carrier or freight forwarder other than that legally on file at the time with the Board or with the Interstate Commerce Commission, as required, for the transportation service;

(ii) the person tendered freight to the carrier or freight forwarder in reasonable reliance upon the offered transportation rate;

(iii) the carrier or freight forwarder did not properly or timely file with the Board or with the Interstate Commerce Commission, as required, a tariff providing for such transportation rate or failed to enter into an agreement for contract carriage;

(iv) such transportation rate was billed and collected by the carrier or freight forwarder; and

(v) the carrier or freight forwarder demands additional payment of a higher rate filed in a tariff.

(2) FORUM.—If there is a dispute as to the showing under paragraph (1)(A), such dispute shall be resolved by the court in which the claim is brought. If there is a dispute as to the showing under paragraph (1)(B), such dispute shall be resolved by the Board. Pending the resolution of any such dispute, the person shall not have to pay any additional compensation to the carrier or freight forwarder.

(3) EFFECT OF SATISFACTION OF CLAIMS.—Satisfaction of the claim under subsection (b), (c), or (d) shall be binding on the parties, and the parties shall not be subject to chapter 119 of this title, as such chapter was in effect on December 31, 1995, or chapter 149.

(b) CLAIMS INVOLVING SHIPMENTS WEIGHING 10,000 POUNDS OR LESS.—A person from whom the additional legally applicable and effective tariff rate or charges are sought may elect to satisfy the claim if the shipments each weighed 10,000 pounds or less, by

payment of 20 percent of the difference between the carrier's applicable and effective tariff rate and the rate originally billed and paid. In the event that a dispute arises as to the rate that was legally applicable to the shipment, such dispute shall be resolved by the Board.

(c) CLAIMS INVOLVING SHIPMENTS WEIGHING MORE THAN 10,000 POUNDS.—A person from whom the additional legally applicable and effective tariff rate or charges are sought may elect to satisfy the claim if the shipments each weighed more than 10,000 pounds, by payment of 15 percent of the difference between the carrier's applicable and effective tariff rate and the rate originally billed and paid. In the event that a dispute arises as to the rate that was legally applicable to the shipment, such dispute shall be resolved by the Board.

(d) CLAIMS INVOLVING PUBLIC WAREHOUSEMEN.—Notwithstanding subsections (b) and (c), a person from whom the additional legally applicable and effective tariff rate or charges are sought may elect to satisfy the claim by payment of 5 percent of the difference between the carrier's applicable and effective tariff rate and the rate originally billed and paid if such person is a public warehouseman. In the event that a dispute arises as to the rate that was legally applicable to the shipment, such dispute shall be resolved by the Board.

(e) EFFECTS OF ELECTION.—When a person from whom additional legally applicable freight rates or charges are sought does not elect to use the provisions of subsection (b), (c) or (d), the person may pursue all rights and remedies existing under this part or, for transportation provided before January 1, 1996, all rights and remedies that existed under this title on December 31, 1995.

(f) STAY OF ADDITIONAL COMPENSATION.—When a person proceeds under this section to challenge the reasonableness of the legally applicable freight rate or charges being claimed by a carrier or freight forwarder in addition to those already billed and collected, the person shall not have to pay any additional compensation to the carrier or freight forwarder until the Board has made a determination as to the reasonableness of the challenged rate as applied to the freight of the person against whom the claim is made.

(g) NOTIFICATION OF ELECTION.—

(1) GENERAL RULE.—A person must notify the carrier or freight forwarder as to its election to proceed under subsection (b), (c), or (d). Except as provided in paragraphs (2), (3), and (4), such election may be made at any time.

(2) DEMANDS FOR PAYMENT INITIALLY MADE AFTER DECEMBER 3, 1993.—If the carrier or freight forwarder or party representing such carrier or freight forwarder initially demands the payment of additional freight charges after December 3, 1993, and notifies the person from whom additional freight charges are sought of the provisions of subsections (a) through (f) at the time of the making of such initial demand, the election must be made not later than the later of—

(A) the 60th day following the filing of an answer to a suit for the collection of such additional legally applicable freight rate or charges, or

(B) March 5, 1994.

(3) PENDING SUITS FOR COLLECTION MADE BEFORE DECEMBER 4, 1993.—If the carrier or freight forwarder or party representing such carrier or freight forwarder has filed, before December 4, 1993, a suit for the collection of additional freight charges and notifies the person from whom additional freight charges are sought of the provisions of subsections (a) through (f), the election must be made not later than the 90th day following the date on which such notification is received.

(4) DEMANDS FOR PAYMENT MADE BEFORE DECEMBER 4, 1993.—If the carrier or freight forwarder or party representing such carrier or freight forwarder has demanded the payment of additional freight charges, and has not filed a suit for the collection of such additional freight charges, before December 4, 1993, and notifies the person from whom additional freight charges are sought of the provisions of subsections (a) through (f), the election must be made not later than the later of—

(A) the 60th day following the filing of an answer to a suit for the collection of such additional legally applicable freight rate or charges, or

(B) March 5, 1994.

(h) CLAIMS INVOLVING SMALL-BUSINESS CONCERNS, CHARITABLE ORGANIZATIONS, AND RECYCLABLE MATERIALS.—

(1) IN GENERAL.—Notwithstanding subsections (b), (c), and (d), a person from whom the additional legally applicable and effective tariff rate or charges are sought shall not be liable for the difference between the carrier's applicable and effective tariff rate and the rate originally billed and paid—

(A) if such person qualifies as a small-business concern under the Small Business Act (15 U.S.C. 631 et seq.),

(B) if such person is an organization which is described in section 501(c)(3) of the Internal Revenue Code of 1986 and exempt from tax under section 501(a) of such Code, or

(C) if the cargo involved in the claim is recyclable materials.

(2) RECYCLABLE MATERIALS DEFINED.—In this subsection, the term “recyclable materials” means waste products for recycling or reuse in the furtherance of recognized pollution control programs.

§ 13710. Additional billing and collecting practices

(a) MISCELLANEOUS PROVISIONS.—

(1) INFORMATION RELATING TO BASIS OF RATE.—A motor carrier of property (other than a motor carrier providing transportation in noncontiguous domestic trade) shall provide to the shipper, on request of the shipper, a written or electronic copy of the rate, classification, rules, and practices, upon which any rate applicable to its shipment or agreed to between the shipper and carrier is based.

(2) REASONABLENESS OF RATES; COLLECTING ADDITIONAL CHARGES.—When the applicability or reasonableness of the rates and related provisions billed by a motor carrier is challenged by the person paying the freight charges, the Board

shall determine whether such rates and provisions are reasonable under section 13701 or applicable based on the record before it.

(3) BILLING DISPUTES.—

(A) INITIATED BY MOTOR CARRIERS.—In those cases where a motor carrier (other than a motor carrier providing transportation of household goods or in noncontiguous domestic trade) seeks to collect charges in addition to those billed and collected which are contested by the payor, the carrier may request that the Board determine whether any additional charges over those billed and collected must be paid. A carrier must issue any bill for charges in addition to those originally billed within 180 days of the receipt of the original bill in order to have the right to collect such charges.

(B) INITIATED BY SHIPPERS.—If a shipper seeks to contest the charges originally billed or additional charges subsequently billed, the shipper may request that the Board determine whether the charges billed must be paid. A shipper must contest the original bill or subsequent bill within 180 days of receipt of the bill in order to have the right to contest such charges.

(4) VOIDING OF CERTAIN TARIFFS.—Any tariff on file with the Interstate Commerce Commission on August 26, 1994, and not required to be filed after that date is null and void beginning on that date. Any tariff on file with the Interstate Commerce Commission on January 1, 1996, and not required to be filed after that date is null and void beginning on that date.

(b) RESOLUTION OF DISPUTES OVER STATUS OF COMMON CARRIER OR CONTRACT CARRIER.—If a motor carrier (other than a motor carrier providing transportation of household goods) that was subject to jurisdiction under subchapter II of chapter 105, as in effect on December 31, 1995, and that had authority to provide transportation as both a motor common carrier and a motor contract carrier and a dispute arises as to whether certain transportation that was provided prior to January 1, 1996, was provided in its common carrier or contract carrier capacity and the parties are not able to resolve the dispute consensually, the Board shall resolve the dispute.

§ 13711. Alternative procedure for resolving undercharge disputes

(a) GENERAL RULE.—It shall be an unreasonable practice for a motor carrier of property (other than a household goods carrier) providing transportation subject to jurisdiction under subchapter I of chapter 135 or, before January 1, 1996, to have provided transportation that was subject to jurisdiction under subchapter II of chapter 105, as in effect on December 31, 1995, a freight forwarder (other than a household goods freight forwarder), or a party representing such a carrier or freight forwarder to attempt to charge or to charge for a transportation service the difference between (1) the applicable rate that was lawfully in effect pursuant to a tariff that was filed in accordance with this chapter or, with respect to transportation provided before January 1, 1996, in accordance with

chapter 107, as in effect on the date the transportation was provided, by the carrier or freight forwarder applicable to such transportation service, and (2) the negotiated rate for such transportation service if the carrier or freight forwarder is no longer transporting property between places described in section 13501(1) or is transporting property between places described in section 13501(1) for the purpose of avoiding application of this section.

(b) JURISDICTION OF BOARD.—

(1) DETERMINATION.—The Board shall have jurisdiction to make a determination of whether or not attempting to charge or the charging of a rate by a motor carrier or freight forwarder or party representing a motor carrier or freight forwarder is an unreasonable practice under subsection (a). If the Board determines that attempting to charge or the charging of the rate is an unreasonable practice under subsection (a), the carrier, freight forwarder, or party may not collect the difference described in subsection (a) between the applicable rate and the negotiated rate for the transportation service.

(2) FACTORS TO CONSIDER.—In making a determination under paragraph (1), the Board shall consider—

(A) whether the person was offered a transportation rate by the carrier or freight forwarder or party other than that legally on file with the Interstate Commerce Commission or the Board, as required, at the time of the movement for the transportation service;

(B) whether the person tendered freight to the carrier or freight forwarder in reasonable reliance upon the offered transportation rate;

(C) whether the carrier or freight forwarder did not properly or timely file with the Interstate Commerce Commission or the Board, as required, a tariff providing for such transportation rate or failed to enter into an agreement for contract carriage;

(D) whether the transportation rate was billed and collected by the carrier or freight forwarder; and

(E) whether the carrier or freight forwarder or party demands additional payment of a higher rate filed in a tariff.

(c) STAY OF ADDITIONAL COMPENSATION.—When a person proceeds under this section to challenge the reasonableness of the practice of a motor carrier, freight forwarder, or party described in subsection (a) to attempt to charge or to charge the difference described in subsection (a) between the applicable rate and the negotiated rate for the transportation service in addition to those charges already billed and collected for the transportation service, the person shall not have to pay any additional compensation to the carrier, freight forwarder, or party until the Board has made a determination as to the reasonableness of the practice as applied to the freight of the person against whom the claim is made.

(d) TREATMENT.—Subsection (a) is an exception to the requirements of section 13702 and, for transportation provided before January 1, 1996, to the requirements of sections 10761(a) and 10762, as in effect on December 31, 1995, as such sections relate to a filed tariff rate and other general tariff requirements.

(e) NONAPPLICABILITY OF NEGOTIATED RATE DISPUTE RESOLUTION PROCEDURE.—If a person elects to seek enforcement of subsection (a) with respect to a rate for a transportation or service, section 13709 shall not apply to such rate.

(f) DEFINITIONS.—In this section, the term “negotiated rate” means a rate, charge, classification, or rule agreed upon by a motor carrier or freight forwarder and a shipper through negotiations pursuant to which no tariff was lawfully and timely filed and for which there is written evidence of such agreement.

(g) APPLICABILITY TO PENDING CASES.—This section shall apply to all cases and proceedings pending on January 1, 1996.

§ 13712. Government traffic

A carrier providing transportation or service for the United States Government may transport property or individuals for the United States Government without charge or at a rate reduced from the applicable commercial rate. Section 3709 of the Revised Statutes (41 U.S.C. 5) does not apply when transportation for the United States Government can be obtained from a carrier lawfully operating in the area where the transportation would be provided.

§ 13713. Food and grocery transportation

(a) CERTAIN COMPENSATION PROHIBITED.—Notwithstanding any other provision of law, it shall not be unlawful for a seller of food and grocery products using a uniform zone delivered pricing system to compensate a customer who picks up purchased food and grocery products at the shipping point of the seller if such compensation is available to all customers of the seller on a non-discriminatory basis and does not exceed the actual cost to the seller of delivery to such customer.

(b) SENSE OF CONGRESS.—It is the sense of the Congress that any savings accruing to a customer by reason of compensation permitted by subsection (a) of this section should be passed on to the ultimate consumer.

CHAPTER 139—REGISTRATION

Sec.

13901. Requirement for registration.

13902. Registration of motor carriers.

13903. Registration of freight forwarders.

13904. Registration of brokers.

13905. Effective periods of registration.

13906. Security of motor carriers, brokers, and freight forwarders.

13907. Household goods agents.

13908. Registration and other reforms.

§ 13901. Requirement for registration

A person may provide transportation or service subject to jurisdiction under subchapter I or III of chapter 135 or be a broker for transportation subject to jurisdiction under subchapter I of that chapter, only if the person is registered under this chapter to provide the transportation or service.

§ 13902. Registration of motor carriers

(a) MOTOR CARRIER GENERALLY.—

(1) IN GENERAL.—Except as provided in this section, the Secretary shall register a person to provide transportation subject to jurisdiction under subchapter I of chapter 135 of this title as a motor carrier if the Secretary finds that the person is willing and able to comply with—

(A) this part and the applicable regulations of the Secretary and the Board;

(B) any safety fitness regulations imposed by the Secretary and the safety fitness requirements established by the Secretary under section 31144; and

(C) the minimum financial responsibility requirements established by the Secretary pursuant to sections 13906 and 31138.

(2) CONSIDERATION OF EVIDENCE; FINDINGS.—The Secretary shall consider and, to the extent applicable, make findings on, any evidence demonstrating that the registrant is unable to comply with the requirements of subparagraph (A), (B), or (C) of paragraph (1).

(3) WITHHOLDING.—If the Secretary determines that any registrant under this section does not meet the requirements of paragraph (1), the Secretary shall withhold registration.

(4) LIMITATION ON COMPLAINTS.—The Secretary may hear a complaint from any person concerning a registration under this subsection only on the ground that the registrant fails or will fail to comply with this part, the applicable regulations of the Secretary and the Board, the safety regulations of the Secretary, or the safety fitness or minimum financial responsibility requirements of paragraph (1) of this subsection.

(b) MOTOR CARRIERS OF PASSENGERS.—

(1) REGISTRATION OF PRIVATE RECIPIENTS OF GOVERNMENTAL ASSISTANCE.—The Secretary shall register under subsection (a)(1) a private recipient of governmental assistance to provide special or charter transportation subject to jurisdiction under subchapter I of chapter 135 as a motor carrier of passengers if the Secretary finds that the recipient meets the requirements of subsection (a)(1), unless the Secretary finds, on the basis of evidence presented by any person objecting to the registration, that the transportation to be provided pursuant to the registration is not in the public interest.

(2) REGISTRATION OF PUBLIC RECIPIENTS OF GOVERNMENTAL ASSISTANCE.—

(A) CHARTER TRANSPORTATION.—The Secretary shall register under subsection (a)(1) a public recipient of governmental assistance to provide special or charter transportation subject to jurisdiction under subchapter I of chapter 135 as a motor carrier of passengers if the Secretary finds that—

(i) the recipient meets the requirements of subsection (a)(1); and

(ii)(I) no motor carrier of passengers (other than a motor carrier of passengers which is a public recipient of governmental assistance) is providing, or is willing to provide, the transportation; or

(II) the transportation is to be provided entirely in the area in which the public recipient provides regularly scheduled mass transportation services.

(B) REGULAR-ROUTE TRANSPORTATION.—The Secretary shall register under subsection (a)(1) a public recipient of governmental assistance to provide regular-route transportation subject to jurisdiction under subchapter I of chapter 135 as a motor carrier of passengers if the Secretary finds that the recipient meets the requirements of subsection (a)(1), unless the Secretary finds, on the basis of evidence presented by any person objecting to the registration, that the transportation to be provided pursuant to the registration is not in the public interest.

(C) TREATMENT OF CERTAIN PUBLIC RECIPIENTS.—Any public recipient of governmental assistance which is providing or seeking to provide transportation of passengers subject to jurisdiction under subchapter I of chapter 135 shall, for purposes of this part, be treated as a person which is providing or seeking to provide transportation of passengers subject to such jurisdiction.

(3) INTRASTATE TRANSPORTATION BY INTERSTATE CARRIERS.—A motor carrier of passengers that is registered by the Secretary under subsection (a) is authorized to provide regular-route transportation entirely in one State as a motor carrier of passengers if such intrastate transportation is to be provided on a route over which the carrier provides interstate transportation of passengers.

(4) PREEMPTION OF STATE REGULATION REGARDING CERTAIN SERVICE.—No State or political subdivision thereof and no interstate agency or other political agency of 2 or more States shall enact or enforce any law, rule, regulation, standard or other provision having the force and effect of law relating to the provision of pickup and delivery of express packages, newspapers, or mail in a commercial zone if the shipment has had or will have a prior or subsequent movement by bus in intrastate commerce and, if a city within the commercial zone, is served by a motor carrier of passengers providing regular-route transportation of passengers subject to jurisdiction under subchapter I of chapter 135.

(5) JURISDICTION OVER CERTAIN INTRASTATE TRANSPORTATION.—Subject to section 14501(a), any intrastate transportation authorized by this subsection shall be treated as transportation subject to jurisdiction under subchapter I of chapter 135 until such time as the carrier takes such action as is necessary to establish under the laws of such State rates, rules, and practices applicable to such transportation, but in no case later than the 30th day following the date on which the motor carrier of passengers first begins providing transportation entirely in one State under this paragraph.

(6) SPECIAL OPERATIONS.—This subsection shall not apply to any regular-route transportation of passengers provided entirely in one State which is in the nature of a special operation.

(7) SUSPENSION OR REVOCATION.—Intrastate transportation authorized under this subsection may be suspended or revoked by the Secretary under section 13905 of this title at any time.

(8) DEFINITIONS.—In this subsection, the following definitions apply:

(A) PUBLIC RECIPIENT OF GOVERNMENTAL ASSISTANCE.—The term “public recipient of governmental assistance” means—

- (i) any State,
- (ii) any municipality or other political subdivision of a State,
- (iii) any public agency or instrumentality of one or more States and municipalities and political subdivisions of a State,
- (iv) any Indian tribe, and
- (v) any corporation, board, or other person owned or controlled by any entity described in clause (i), (ii), (iii), or (iv),

which before, on, or after January 1, 1996, received governmental assistance for the purchase or operation of any bus.

(B) PRIVATE RECIPIENT OF GOVERNMENT ASSISTANCE.—The term “private recipient of government assistance” means any person (other than a person described in subparagraph (A)) who before, on, or after January 1, 1996, received governmental financial assistance in the form of a subsidy for the purchase, lease, or operation of any bus.

(c) RESTRICTIONS ON MOTOR CARRIERS DOMICILED IN OR OWNED OR CONTROLLED BY NATIONALS OF A CONTIGUOUS FOREIGN COUNTRY.—

(1) PREVENTION OF DISCRIMINATORY PRACTICES.—If the President, or the delegate thereof, determines that an act, policy, or practice of a foreign country contiguous to the United States, or any political subdivision or any instrumentality of any such country is unreasonable or discriminatory and burdens or restricts United States transportation companies providing, or seeking to provide, motor carrier transportation to, from, or within such foreign country, the President or such delegate may—

(A) seek elimination of such practices through consultations; or

(B) notwithstanding any other provision of law, suspend, modify, amend, condition, or restrict operations, including geographical restriction of operations, in the United States by motor carriers of property or passengers domiciled in such foreign country or owned or controlled by persons of such foreign country.

(2) EQUALIZATION OF TREATMENT.—Any action taken under paragraph (1)(A) to eliminate an act, policy, or practice shall be so devised so as to equal to the extent possible the burdens or restrictions imposed by such foreign country on United States transportation companies.

(3) REMOVAL OR MODIFICATION.—The President, or the delegate thereof, may remove or modify in whole or in part any

action taken under paragraph (1)(A) if the President or such delegate determines that such removal or modification is consistent with the obligations of the United States under a trade agreement or with United States transportation policy.

(4) PROTECTION OF EXISTING OPERATIONS.—Unless and until the President, or the delegate thereof, makes a determination under paragraph (1) or (3), nothing in this subsection shall affect—

(A) operations of motor carriers of property or passengers domiciled in any contiguous foreign country or owned or controlled by persons of any contiguous foreign country permitted in the commercial zones along the United States-Mexico border as such zones were defined on December 31, 1995; or

(B) any existing restrictions on operations of motor carriers of property or passengers domiciled in any contiguous foreign country or owned or controlled by persons of any contiguous foreign country or any modifications thereof pursuant to section 6 of the Bus Regulatory Reform Act of 1982.

(5) PUBLICATION; COMMENT.—Unless the President, or the delegate thereof, determines that expeditious action is required, the President shall publish in the Federal Register any determination under paragraph (1) or (3), together with a description of the facts on which such a determination is based and any proposed action to be taken pursuant to paragraph (1)(B) or (3), and provide an opportunity for public comment.

(6) DELEGATION TO SECRETARY.—The President may delegate any or all authority under this subsection to the Secretary, who shall consult with other agencies as appropriate. In accordance with the directions of the President, the Secretary may issue regulations to enforce this subsection.

(7) CIVIL ACTIONS.—Either the Secretary or the Attorney General may bring a civil action in an appropriate district court of the United States to enforce this subsection or a regulation prescribed or order issued under this subsection. The court may award appropriate relief, including injunctive relief.

(8) LIMITATION ON STATUTORY CONSTRUCTION.—This subsection shall not be construed as affecting the requirement for all foreign motor carriers and foreign motor private carriers operating in the United States to comply with all applicable laws and regulations pertaining to fitness, safety of operations, financial responsibility, and taxes imposed by section 4481 of the Internal Revenue Code of 1986.

(d) TRANSITION RULE.—

(1) IN GENERAL.—Pending the implementation of the rule-making required by section 13908, the Secretary may register a person under this section—

(A) as a motor common carrier if such person would have been issued a certificate to provide transportation as a motor common carrier under this subtitle on December 31, 1995; and

(B) as a motor contract carrier if such person would have been issued a permit to provide transportation as a motor contract carrier under this subtitle on such day.

(2) DEFINITIONS.—In this subsection, the terms “motor common carrier” and “motor contract carrier” have the meaning such terms had under section 10102 as such section was in effect on December 31, 1995.

(e) PENALTIES FOR FAILURE TO COMPLY WITH REGISTRATION REQUIREMENTS.—In addition to other penalties available under law, motor carriers that fail to register their operations as required by this section or that operate beyond the scope of their registrations may be subject to the following penalties:

(1) OUT-OF-SERVICE ORDERS.—If, upon inspection or investigation, the Secretary determines that a motor vehicle providing transportation requiring registration under this section is operating without a registration or beyond the scope of its registration, the Secretary may order the vehicle out-of-service. Subsequent to the issuance of the out-of-service order, the Secretary shall provide an opportunity for review in accordance with section 554 of title 5, United States Code; except that such review shall occur not later than 10 days after issuance of such order.

(2) PERMISSION FOR OPERATIONS.—A person domiciled in a country contiguous to the United States with respect to which an action under subsection (c)(1)(A) or (c)(1)(B) is in effect and providing transportation for which registration is required under this section shall maintain evidence of such registration in the motor vehicle when the person is providing the transportation. The Secretary shall not permit the operation in interstate commerce in the United States of any motor vehicle in which there is not a copy of the registration issued pursuant to this section.

(f) MOTOR CARRIER DEFINED.—In this section and sections 13905 and 13906, the term “motor carrier” includes foreign motor private carriers.

§ 13903. Registration of freight forwarders

(a) IN GENERAL.—The Secretary shall register a person to provide service subject to jurisdiction under subchapter III of chapter 135 as a freight forwarder if the Secretary finds that the person is fit, willing, and able to provide the service and to comply with this part and applicable regulations of the Secretary and the Board.

(b) REGISTRATION AS CARRIER REQUIRED.—The freight forwarder may provide transportation as the carrier itself only if the freight forwarder also has registered to provide transportation as a carrier under this chapter.

§ 13904. Registration of brokers

(a) IN GENERAL.—The Secretary shall register, subject to section 13906(b), a person to be a broker for transportation of property subject to jurisdiction under subchapter I of chapter 135, if the Secretary finds that the person is fit, willing, and able to be a broker

for transportation and to comply with this part and applicable regulations of the Secretary.

(b) REGISTRATION AS CARRIER REQUIRED.—

(1) IN GENERAL.—The broker may provide the transportation itself only if the broker also has been registered to provide the transportation as a motor carrier under this chapter.

(2) LIMITATION.—This subsection does not apply to a motor carrier registered under this chapter or to an employee or agent of the motor carrier to the extent the transportation is to be provided entirely by the motor carrier, with other registered motor carriers, or with rail or water carriers.

(c) REGULATIONS TO PROTECT SHIPPERS.—Regulations of the Secretary applicable to brokers registered under this section shall provide for the protection of shippers by motor vehicle.

(d) BOND AND INSURANCE.—The Secretary may impose on brokers for motor carriers of passengers such requirements for bonds or insurance or both as the Secretary determines are needed to protect passengers and carriers dealing with such brokers.

§ 13905. Effective periods of registration

(a) PERSON HOLDING ICC AUTHORITY.—Any person having authority to provide transportation or service as a motor carrier, freight forwarder, or broker under this title, as in effect on December 31, 1995, shall be deemed, for purposes of this part, to be registered to provide such transportation or service under this part.

(b) IN GENERAL.—Except as otherwise provided in this part, each registration issued under section 13902, 13903, or 13904 shall be effective from the date specified by the Secretary and shall remain in effect for such period as the Secretary determines appropriate by regulation.

(c) SUSPENSION, AMENDMENTS, AND REVOCATIONS.—

(1) IN GENERAL.—On application of the registrant, the Secretary may amend or revoke a registration. On complaint or on the Secretary's own initiative and after notice and an opportunity for a proceeding, the Secretary may (A) suspend, amend, or revoke any part of the registration of a motor carrier, broker, or freight forwarder for willful failure to comply with this part, an applicable regulation or order of the Secretary or of the Board, or a condition of its registration; and (B) suspend, amend, or revoke any part of the registration of a motor carrier, broker, or freight forwarder: (i) for failure to pay a civil penalty imposed under chapter 5, 51, 149, or 311 of this title; or (ii) for failure to arrange and abide by an acceptable payment plan for such civil penalty, within 90 days of the time specified by order of the Secretary for the payment of such penalty. Subparagraph (B) shall not apply to any person who is unable to pay a civil penalty because such person is a debtor in a case under chapter 11 of title 11, United States Code.

(2) REGULATIONS.—Not later than 12 months after the date of the enactment of this paragraph, the Secretary, after notice and opportunity for public comment, shall issue regulations to provide for the suspension, amendment, or revocation of a registration under this part for failure to pay a civil penalty as provided in paragraph (1)(B).

(d) PROCEDURE.—Except on application of the registrant, the Secretary may revoke a registration of a motor carrier, freight forwarder, or broker, only after—

(1) the Secretary has issued an order to the registrant under section 14701 requiring compliance with this part, a regulation of the Secretary, or a condition of the registration; and

(2) the registrant willfully does not comply with the order for a period of 30 days.

(e) EXPEDITED PROCEDURE.—

(1) PROTECTION OF SAFETY.—Without regard to subchapter II of chapter 5 of title 5, the Secretary may suspend the registration of a motor carrier, a freight forwarder, or a broker for failure to comply with safety requirements of the Secretary or the safety fitness requirements pursuant to section 13904(c), 13906, or 31144 of this title, or an order or regulation of the Secretary prescribed under those sections.

(2) IMMINENT HAZARD TO PUBLIC HEALTH.—Without regard to subchapter II of chapter 5 of title 5, the Secretary may suspend a registration of a motor carrier of passengers if the Secretary finds that such carrier has been conducting unsafe operations which are an imminent hazard to public health or property.

(3) NOTICE; PERIOD OF SUSPENSION.—The Secretary may suspend under this subsection the registration only after giving notice of the suspension to the registrant. The suspension remains in effect until the registrant complies with those applicable sections or, in the case of a suspension under paragraph (2), until the Secretary revokes such suspension.

§ 13906. Security of motor carriers, brokers, and freight forwarders

(a) MOTOR CARRIER REQUIREMENTS.—

(1) LIABILITY INSURANCE REQUIREMENT.—The Secretary may register a motor carrier under section 13902 only if the registrant files with the Secretary a bond, insurance policy, or other type of security approved by the Secretary, in an amount not less than such amount as the Secretary prescribes pursuant to, or as is required by, sections 31138 and 31139, and the laws of the State or States in which the registrant is operating, to the extent applicable. The security must be sufficient to pay, not more than the amount of the security, for each final judgment against the registrant for bodily injury to, or death of, an individual resulting from the negligent operation, maintenance, or use of motor vehicles, or for loss or damage to property (except property referred to in paragraph (3) of this subsection), or both. A registration remains in effect only as long as the registrant continues to satisfy the security requirements of this paragraph.

(2) AGENCY REQUIREMENT.—A motor carrier shall comply with the requirements of sections 13303 and 13304. To protect the public, the Secretary may require any such motor carrier to file the type of security that a motor carrier is required to file under paragraph (1) of this subsection. This paragraph only applies to a foreign motor private carrier and foreign

motor carrier operating in the United States to the extent that such carrier is providing transportation between places in a foreign country or between a place in one foreign country and a place in another foreign country.

(3) **TRANSPORTATION INSURANCE.**—The Secretary may require a registered motor carrier to file with the Secretary a type of security sufficient to pay a shipper or consignee for damage to property of the shipper or consignee placed in the possession of the motor carrier as the result of transportation provided under this part. A carrier required by law to pay a shipper or consignee for loss, damage, or default for which a connecting motor carrier is responsible is subrogated, to the extent of the amount paid, to the rights of the shipper or consignee under any such security.

(b) **BROKER REQUIREMENTS.**—The Secretary may register a person as a broker under section 13904 only if the person files with the Secretary a bond, insurance policy, or other type of security approved by the Secretary to ensure that the transportation for which a broker arranges is provided. The registration remains in effect only as long as the broker continues to satisfy the security requirements of this subsection.

(c) **FREIGHT FORWARDER REQUIREMENTS.**—

(1) **LIABILITY INSURANCE.**—The Secretary may register a person as a freight forwarder under section 13903 of this title only if the person files with the Secretary a bond, insurance policy, or other type of security approved by the Secretary. The security must be sufficient to pay, not more than the amount of the security, for each final judgment against the freight forwarder for bodily injury to, or death of, an individual, or loss of, or damage to, property (other than property referred to in paragraph (2) of this subsection), resulting from the negligent operation, maintenance, or use of motor vehicles by or under the direction and control of the freight forwarder when providing transfer, collection, or delivery service under this part.

(2) **FREIGHT FORWARDER INSURANCE.**—The Secretary may require a registered freight forwarder to file with the Secretary a bond, insurance policy, or other type of security approved by the Secretary sufficient to pay, not more than the amount of the security, for loss of, or damage to, property for which the freight forwarder provides service.

(3) **EFFECTIVE PERIOD.**—The freight forwarder's registration remains in effect only as long as the freight forwarder continues to satisfy the security requirements of this subsection.

(d) **TYPE OF INSURANCE.**—The Secretary may determine the type and amount of security filed under this section. A motor carrier may submit proof of qualifications as a self-insurer to satisfy the security requirements of this section. The Secretary shall adopt regulations governing the standards for approval as a self-insurer. Motor carriers which have been granted authority to self-insure as of January 1, 1996, shall retain that authority unless, for good cause shown and after notice and an opportunity for a hearing, the Secretary finds that the authority must be revoked.

(e) **NOTICE OF CANCELLATION OF INSURANCE.**—The Secretary shall issue regulations requiring the submission to the Secretary of

notices of insurance cancellation sufficiently in advance of actual cancellation so as to enable the Secretary to promptly revoke the registration of any carrier or broker after the effective date of the cancellation.

(f) **FORM OF ENDORSEMENT.**—The Secretary shall also prescribe the appropriate form of endorsement to be appended to policies of insurance and surety bonds which will subject the insurance policy or surety bond to the full security limits of the coverage required under this section.

§ 13907. Household goods agents

(a) **CARRIERS RESPONSIBLE FOR AGENTS.**—Each motor carrier providing transportation of household goods shall be responsible for all acts or omissions of any of its agents which relate to the performance of household goods transportation services (including accessorial or terminal services) and which are within the actual or apparent authority of the agent from the carrier or which are ratified by the carrier.

(b) **STANDARD FOR SELECTING AGENTS.**—Each motor carrier providing transportation of household goods shall use due diligence and reasonable care in selecting and maintaining agents who are sufficiently knowledgeable, fit, willing, and able to provide adequate household goods transportation services (including accessorial and terminal services) and to fulfill the obligations imposed upon them by this part and by such carrier.

(c) **ENFORCEMENT.**—

(1) **COMPLAINT.**—Whenever the Secretary has reason to believe from a complaint or investigation that an agent providing household goods transportation services (including accessorial and terminal services) under the authority of a motor carrier providing transportation of household goods has violated section 14901(e) or 14912 or is consistently not fit, willing, and able to provide adequate household goods transportation services (including accessorial and terminal services), the Secretary may issue to such agent a complaint stating the charges and containing notice of the time and place of a hearing which shall be held no later than 60 days after service of the complaint to such agent.

(2) **RIGHT TO DEFEND.**—The agent shall have the right to appear at such hearing and rebut the charges contained in the complaint.

(3) **ORDER.**—If the agent does not appear at the hearing or if the Secretary finds that the agent has violated section 14901(e) or 14912 or is consistently not fit, willing, and able to provide adequate household goods transportation services (including accessorial and terminal services), the Secretary may issue an order to compel compliance with the requirement that the agent be fit, willing, and able. Thereafter, the Secretary may issue an order to limit, condition, or prohibit such agent from any involvement in the transportation or provision of services incidental to the transportation of household goods if, after notice and an opportunity for a hearing, the Secretary finds that such agent, within a reasonable time after the date of issuance of a compliance order under this section, but in no

event less than 30 days after such date of issuance, has willfully failed to comply with such order.

(4) HEARING.—Upon filing of a petition with the Secretary by an agent who is the subject of an order issued pursuant to the second sentence of paragraph (3) of this subsection and after notice, a hearing shall be held with an opportunity to be heard. At such hearing, a determination shall be made whether the order issued pursuant to paragraph (3) of this subsection should be rescinded.

(5) COURT REVIEW.—Any agent adversely affected or aggrieved by an order of the Secretary issued under this subsection may seek relief in the appropriate United States court of appeals as provided by and in the manner prescribed in chapter 158 of title 28, United States Code.

(d) LIMITATION ON APPLICABILITY OF ANTITRUST LAWS.—

(1) IN GENERAL.—The antitrust laws, as defined in the first section of the Clayton Act (15 U.S.C. 12), do not apply to discussions or agreements between a motor carrier providing transportation of household goods and its agents (whether or not an agent is also a carrier) related solely to—

(A) rates for the transportation of household goods under the authority of the principal carrier;

(B) accessorial, terminal, storage, or other charges for services incidental to the transportation of household goods transported under the authority of the principal carrier;

(C) allowances relating to transportation of household goods under the authority of the principal carrier; and

(D) ownership of a motor carrier providing transportation of household goods by an agent or membership on the board of directors of any such motor carrier by an agent.

(2) BOARD REVIEW.—The Board, upon its own initiative or request, shall review any activities undertaken under paragraph (1) and shall modify or terminate the activity if necessary to protect the public interest.

(e) DEFINITIONS.—In this section, the following definitions apply:

(1) HOUSEHOLD GOODS.—The term “household goods” has the meaning such term had under section 10102(11) of this title, as in effect on December 31, 1995.

(2) TRANSPORTATION.—The term “transportation” means transportation that would be subject to the jurisdiction of the Interstate Commerce Commission under subchapter II of chapter 105 of this title, as in effect on December 31, 1995, if such subchapter were still in effect.

§ 13908. Registration and other reforms

(a) REGULATIONS REPLACING CERTAIN PROGRAMS.—The Secretary, in cooperation with the States, and after notice and opportunity for public comment, shall issue regulations to replace the current Department of Transportation identification number system, the single State registration system under section 14504, the registration system contained in this chapter, and the financial re-

sponsibility information system under section 13906 with a single, on-line, Federal system. The new system shall serve as a clearinghouse and depository of information on and identification of all foreign and domestic motor carriers, brokers, and freight forwarders, and others required to register with the Department as well as information on safety fitness and compliance with required levels of financial responsibility. In issuing the regulations, the Secretary shall consider whether or not to integrate the requirements of section 13304 into the new system and may integrate such requirements into the new system.

(b) **FACTORS TO BE CONSIDERED.**—In conducting the rulemaking under subsection (a), the Secretary shall, at a minimum, consider the following factors:

(1) Funding for State enforcement of motor carrier safety regulations.

(2) Whether the existing single State registration system is duplicative and burdensome.

(3) The justification and need for collecting the statutory fee for such system under section 14504(c)(2)(B)(iv).

(4) The public safety.

(5) The efficient delivery of transportation services.

(6) How, and under what conditions, to extend the registration system to motor private carriers and to carriers exempt under sections 13502, 13503, and 13506.

(c) **FEE SYSTEM.**—The Secretary may establish, under section 9701 of title 31, a fee system for registration and filing evidence of financial responsibility under the new system under subsection (a). Fees collected under the fee system shall cover the costs of operating and upgrading the registration system, including all personnel costs associated with the system. Fees collected under this subsection may be credited to the Department of Transportation appropriations account for purposes for which such fees are collected, and shall be available for expenditure until expended.

(d) **STATE REGISTRATION PROGRAMS.**—If the Secretary determines that no State should require insurance filings or collect fees for such filings (including filings and fees authorized under section 14504), the Secretary may prevent any State or political subdivision thereof, or any political authority of 2 or more States, from imposing any insurance filing requirements or fees that are for the same purposes as filings or fees the Secretary requires under the new system under subsection (a). The Secretary may not take any action pursuant to this subsection unless—

(1) fees that will be collected by the Secretary under subsection (c) and distributed in each fiscal year to the States will provide each State with at least as much revenue as that State received in fiscal year 1995 under section 11506, as in effect on December 31, 1995; and

(2) all States will receive from the distribution of such fees a minimum apportionment.

(e) **DEADLINE FOR CONCLUSION; MODIFICATIONS.**—Not later than 24 months after January 1, 1996, the Secretary—

(1) shall conclude the rulemaking under this section;

(2) may implement such changes under this section as the Secretary considers appropriate and in the public interest; and

(3) shall transmit to Congress a report on any findings of the rulemaking and the changes being implemented under this section, together with such recommendations for legislative language necessary to conform this part to such changes.

CHAPTER 141—OPERATIONS OF CARRIERS

SUBCHAPTER I—GENERAL REQUIREMENTS

Sec.

14101. Providing transportation and service.

14102. Leased motor vehicles.

14103. Loading and unloading motor vehicles.

14104. Household goods carrier operations.

SUBCHAPTER II—REPORTS AND RECORDS

14121. Definitions.

14122. Records: form; inspection; preservation.

14123. Financial reporting.

SUBCHAPTER I—GENERAL REQUIREMENTS

§ 14101. Providing transportation and service

(a) ON REASONABLE REQUEST.—A carrier providing transportation or service subject to jurisdiction under chapter 135 shall provide the transportation or service on reasonable request. In addition, a motor carrier shall provide safe and adequate service, equipment, and facilities.

(b) CONTRACTS WITH SHIPPERS.—

(1) IN GENERAL.—A carrier providing transportation or service subject to jurisdiction under chapter 135 may enter into a contract with a shipper, other than for the movement of household goods described in section 13102(10)(A), to provide specified services under specified rates and conditions. If the shipper and carrier, in writing, expressly waive any or all rights and remedies under this part for the transportation covered by the contract, the transportation provided under the contract shall not be subject to the waived rights and remedies and may not be subsequently challenged on the ground that it violates the waived rights and remedies. The parties may not waive the provisions governing registration, insurance, or safety fitness.

(2) REMEDY FOR BREACH OF CONTRACT.—The exclusive remedy for any alleged breach of a contract entered into under this subsection shall be an action in an appropriate State court or United States district court, unless the parties otherwise agree.

§ 14102. Leased motor vehicles

(a) GENERAL AUTHORITY OF SECRETARY.—The Secretary may require a motor carrier providing transportation subject to jurisdiction under subchapter I of chapter 135 that uses motor vehicles not owned by it to transport property under an arrangement with another party to—

(1) make the arrangement in writing signed by the parties specifying its duration and the compensation to be paid by the motor carrier;

(2) carry a copy of the arrangement in each motor vehicle to which it applies during the period the arrangement is in effect;

(3) inspect the motor vehicles and obtain liability and cargo insurance on them; and

(4) have control of and be responsible for operating those motor vehicles in compliance with requirements prescribed by the Secretary on safety of operations and equipment, and with other applicable law as if the motor vehicles were owned by the motor carrier.

(b) **RESPONSIBLE PARTY FOR LOADING AND UNLOADING.**—The Secretary shall require, by regulation, that any arrangement, between a motor carrier of property providing transportation subject to jurisdiction under subchapter I of chapter 135 and any other person, under which such other person is to provide any portion of such transportation by a motor vehicle not owned by the carrier shall specify, in writing, who is responsible for loading and unloading the property onto and from the motor vehicle.

§ 14103. Loading and unloading motor vehicles

(a) **SHIPPER RESPONSIBLE FOR ASSISTING.**—Whenever a shipper or receiver of property requires that any person who owns or operates a motor vehicle transporting property in interstate commerce (whether or not such transportation is subject to jurisdiction under subchapter I of chapter 135) be assisted in the loading or unloading of such vehicle, the shipper or receiver shall be responsible for providing such assistance or shall compensate the owner or operator for all costs associated with securing and compensating the person or persons providing such assistance.

(b) **COERCION PROHIBITED.**—It shall be unlawful to coerce or attempt to coerce any person providing transportation of property by motor vehicle for compensation in interstate commerce (whether or not such transportation is subject to jurisdiction under subchapter I of chapter 135) to load or unload any part of such property onto or from such vehicle or to employ or pay one or more persons to load or unload any part of such property onto or from such vehicle; except that this subsection shall not be construed as making unlawful any activity which is not unlawful under the National Labor Relations Act or the Act of March 23, 1932 (47 Stat. 70; 29 U.S.C. 101 et seq.), commonly known as the Norris-LaGuardia Act.

§ 14104. Household goods carrier operations

(a) **GENERAL REGULATORY AUTHORITY.**—

(1) **PAPERWORK MINIMIZATION.**—The Secretary may issue regulations, including regulations protecting individual shippers, in order to carry out this part with respect to the transportation of household goods by motor carriers subject to jurisdiction under subchapter I of chapter 135. The regulations and paperwork required of motor carriers providing transportation of household goods shall be minimized to the maximum extent feasible consistent with the protection of individual shippers.

(2) **PERFORMANCE STANDARDS.**—

(A) **IN GENERAL.**—Regulations of the Secretary protecting individual shippers shall include, where appro-

priate, reasonable performance standards for the transportation of household goods subject to jurisdiction under subchapter I of chapter 135.

(B) FACTORS TO CONSIDER.—In establishing performance standards under this paragraph, the Secretary shall take into account at least the following—

(i) the level of performance that can be achieved by a well-managed motor carrier transporting household goods;

(ii) the degree of harm to individual shippers which could result from a violation of the regulation;

(iii) the need to set the level of performance at a level sufficient to deter abuses which result in harm to consumers and violations of regulations;

(iv) service requirements of the carriers;

(v) the cost of compliance in relation to the consumer benefits to be achieved from such compliance; and

(vi) the need to set the level of performance at a level designed to encourage carriers to offer service responsive to shipper needs.

(3) LIMITATIONS ON STATUTORY CONSTRUCTION.—Nothing in this section shall be construed to limit the Secretary's authority to require reports from motor carriers providing transportation of household goods or to require such carriers to provide specified information to consumers concerning their past performance.

(b) ESTIMATES.—

(1) AUTHORITY TO PROVIDE WITHOUT COMPENSATION.—Every motor carrier providing transportation of household goods subject to jurisdiction under subchapter I of chapter 135, upon request of a prospective shipper, may provide the shipper with an estimate of charges for transportation of household goods and for the proposed services. The Secretary shall not prohibit any such carrier from charging a prospective shipper for providing a written, binding estimate for the transportation and proposed services.

(2) APPLICABILITY OF ANTITRUST LAWS.—Any charge for an estimate of charges provided by a motor carrier to a shipper for transportation of household goods subject to jurisdiction under subchapter I of chapter 135 shall be subject to the antitrust laws, as defined in the first section of the Clayton Act (15 U.S.C. 12).

(c) FLEXIBILITY IN WEIGHING SHIPMENTS.—The Secretary shall issue regulations that provide motor carriers providing transportation of household goods subject to jurisdiction under subchapter I of chapter 135 with the maximum possible flexibility in weighing shipments, consistent with assurance to the shipper of accurate weighing practices. The Secretary shall not prohibit such carriers from backweighing shipments or from basing their charges on the reweigh weights if the shipper observes both the tare and gross weighings (or, prior to such weighings, waives in writing the opportunity to observe such weighings) and such weighings are performed on the same scale.

SUBCHAPTER II—REPORTS AND RECORDS

§ 14121. Definitions

In this subchapter, the following definitions apply:

(1) CARRIER AND BROKER.—The terms “carrier” and “broker” include a receiver or trustee of a carrier and broker, respectively.

(2) ASSOCIATION.—The term “association” means an organization maintained by or in the interest of a group of carriers or brokers providing transportation or service subject to jurisdiction under chapter 135 that performs a service, or engages in activities, related to transportation under this part.

§ 14122. Records: form; inspection; preservation

(a) FORM OF RECORDS.—The Secretary or the Board, as applicable, may prescribe the form of records required to be prepared or compiled under this subchapter by carriers and brokers, including records related to movement of traffic and receipts and expenditures of money.

(b) RIGHT OF INSPECTION.—The Secretary or Board, or an employee designated by the Secretary or Board, may on demand and display of proper credentials—

(1) inspect and examine the lands, buildings, and equipment of a carrier or broker; and

(2) inspect and copy any record of—

(A) a carrier, broker, or association; and

(B) a person controlling, controlled by, or under common control with a carrier if the Secretary or Board, as applicable, considers inspection relevant to that person’s relation to, or transaction with, that carrier.

(c) PERIOD FOR PRESERVATION OF RECORDS.—The Secretary or Board, as applicable, may prescribe the time period during which operating, accounting, and financial records must be preserved by carriers and brokers.

§ 14123. Financial reporting

(a) REPORTS.—

(1) ANNUAL REPORTS.—The Secretary shall require Class I and Class II motor carriers to file with the Secretary annual financial and safety reports, the form and substance of which shall be prescribed by the Secretary; except that, at a minimum, such reports shall include balance sheets and income statements.

(2) OTHER REPORTS.—The Secretary may require motor carriers, freight forwarders, brokers, lessors, and associations, or classes of them as the Secretary may prescribe, to file quarterly, periodic, or special reports with the Secretary and to respond to surveys concerning their operations.

(b) MATTERS TO BE COVERED.—In determining the matters to be covered by any reports to be filed under subsection (a), the Secretary shall consider—

(1) safety needs;

(2) the need to preserve confidential business information and trade secrets and prevent competitive harm;

(3) private sector, academic, and public use of information in the reports; and

(4) the public interest.

(c) EXEMPTIONS.—

(1) FROM FILING.—The Secretary may exempt upon good cause shown any party from the financial reporting requirements of subsection (a). Any request for such exemption must demonstrate, at a minimum, that an exemption is required to avoid competitive harm and preserve confidential business information that is not otherwise publicly available.

(2) FROM PUBLIC RELEASE.—

(A) IN GENERAL.—The Secretary shall allow, upon request, a filer of a report under subsection (a) that is not a publicly held corporation or that is not subject to financial reporting requirements of the Securities and Exchange Commission, an exemption from the public release of such report.

(B) PROCEDURE.—After a request under subparagraph (A) and notice and opportunity for comment but in no event later than 90 days after the date of such request, the Secretary shall approve such request if the Secretary finds that the exemption requested is necessary to avoid competitive harm and to avoid the disclosure of information that qualifies as a trade secret or privileged or confidential information under section 552(b)(4) of title 5.

(C) USE OF DATA FOR INTERNAL DOT PURPOSES.—If an exemption is granted under this paragraph, nothing shall prevent the Secretary from using data from reports filed under this subsection for internal purposes of the Department of Transportation or including such data in aggregate industry statistics released for publication if such inclusion would not render the filer's data readily identifiable.

(D) PENDING REQUESTS.—The Secretary shall not release publicly the report of a carrier making a request under subparagraph (A) while such request is pending.

(3) PERIOD OF EXEMPTIONS.—Exemptions granted under this subsection shall be for 3-year periods.

(d) STREAMLINING AND SIMPLIFICATION.—The Secretary shall streamline and simplify, to the maximum extent practicable, any reporting requirements the Secretary imposes under this section.

CHAPTER 143—FINANCE

Sec.

14301. Security interests in certain motor vehicles.

14302. Pooling and division of transportation or earnings.

14303. Consolidation, merger, and acquisition of control of motor carriers of passengers.

§ 14301. Security interests in certain motor vehicles

(a) DEFINITIONS.—In this section, the following definitions apply:

(1) MOTOR VEHICLE.—The term “motor vehicle” means a truck of rated capacity (gross vehicle weight) of at least 10,000

pounds, a highway tractor of rated capacity (gross combination weight) of at least 10,000 pounds, a property-carrying trailer or semitrailer with at least one load-carrying axle of at least 10,000 pounds, or a motor bus with a seating capacity of at least 10 individuals.

(2) LIEN CREDITOR.—The term “lien creditor” means a creditor having a lien on a motor vehicle and includes an assignee for benefit of creditors from the date of assignment, a trustee in a case under title 11 from the date of filing of the petition in that case, and a receiver in equity from the date of appointment of the receiver.

(3) SECURITY INTEREST.—The term “security interest” means an interest (including an interest established by a conditional sales contract, mortgage, equipment trust, or other lien or title retention contract, or lease) in a motor vehicle when the interest secures payment or performance of an obligation.

(4) PERFECTION.—The term “perfection”, as related to a security interest, means taking action (including public filing, recording, notation on a certificate of title, and possession of collateral by the secured party), or the existence of facts, required under law to make a security interest enforceable against general creditors and subsequent lien creditors of a debtor, but does not include compliance with requirements related only to the establishment of a valid security interest between the debtor and the secured party.

(b) REQUIREMENTS FOR PERFECTION OF SECURITY INTEREST.—A security interest in a motor vehicle owned by, or in the possession and use of, a carrier registered under section 13902 of this title and owing payment or performance of an obligation secured by that security interest is perfected in all jurisdictions against all general, and subsequent lien, creditors of, and all persons taking a motor vehicle by sale (or taking or retaining a security interest in a motor vehicle) from, that carrier when—

(1) a certificate of title is issued for a motor vehicle under a law of a jurisdiction that requires or permits indication, on a certificate or title, of a security interest in the motor vehicle if the security interest is indicated on the certificate;

(2) a certificate of title has not been issued and the law of the State where the principal place of business of that carrier is located requires or permits public filing or recording of, or in relation to, that security interest if there has been such a public filing or recording; and

(3) a certificate of title has not been issued and the security interest cannot be perfected under paragraph (2) of this subsection, if the security interest has been perfected under the law (including the conflict of laws rules) of the State where the principal place of business of that carrier is located.

§ 14302. Pooling and division of transportation or earnings

(a) APPROVAL REQUIRED.—A carrier providing transportation subject to jurisdiction under subchapter I of chapter 135 may not agree or combine with another such carrier to pool or divide traffic

or services or any part of their earnings without the approval of the Board under this section.

(b) **STANDARDS FOR APPROVAL.**—The Board may approve and authorize an agreement or combination between or among motor carriers of passengers, or between a motor carrier of passengers and a rail carrier of passengers if the carriers involved assent to the pooling or division and the Board finds that a pooling or division of traffic, services, or earnings—

(1) will be in the interest of better service to the public or of economy of operation; and

(2) will not unreasonably restrain competition.

(c) **PROCEDURE.**—

(1) **APPLICATION.**—Any motor carrier of property may apply to the Board for approval of an agreement or combination with another such carrier to pool or divide traffic or any services or any part of their earnings by filing such agreement or combination with the Board not less than 50 days before its effective date.

(2) **DETERMINATION OF IMPORTANCE AND RESTRAINT ON COMPETITION.**—Prior to the effective date of the agreement or combination, the Board shall determine whether the agreement or combination is of major transportation importance and whether there is substantial likelihood that the agreement or combination will unduly restrain competition. If the Board determines that neither of these 2 factors exists, it shall, prior to such effective date and without a hearing, approve and authorize the agreement or combination, under such rules and regulations as the Board may issue, and for such consideration between such carriers and upon such terms and conditions as shall be found by the Board to be just and reasonable.

(3) **HEARING.**—If the Board determines either that the agreement or combination is of major transportation importance or that there is substantial likelihood that the agreement or combination will unduly restrain competition, the Board shall hold a hearing concerning whether the agreement or combination will be in the interest of better service to the public or of economy in operation and whether it will unduly restrain competition and shall suspend operation of such agreement or combination pending such hearing and final decision thereon. After such hearing, the Board shall indicate to what extent it finds that the agreement or combination will be in the interest of better service to the public or of economy in operation and will not unduly restrain competition and if assented to by all the carriers involved, shall to that extent, approve and authorize the agreement or combination, under such rules and regulations as the Board may issue, and for such consideration between such carriers and upon such terms and conditions as shall be found by the Board to be just and reasonable.

(4) **SPECIAL RULES FOR HOUSEHOLD GOODS CARRIERS.**—In the case of an application for Board approval of an agreement or combination between a motor carrier providing transportation of household goods and its agents to pool or divide traffic or services or any part of their earnings, such agreement or combination shall be presumed to be in the interest of better

service to the public and of economy in operation and not to restrain competition unduly if the practices proposed to be carried out under such agreement or combination are the same as or similar to practices carried out under agreements and combinations between motor carriers providing transportation of household goods to pool or divide traffic or service of any part of their earnings approved by the Interstate Commerce Commission before January 1, 1996.

(5) STREAMLINING AND SIMPLIFYING.—The Board shall streamline, simplify, and expedite, to the maximum extent practicable, the process (including any paperwork) for submission and approval of applications under this section for agreements and combinations between motor carriers providing transportation of household goods and their agents.

(d) CONDITIONS.—The Board may impose conditions governing the pooling or division and may approve and authorize payment of a reasonable consideration between the carriers.

(e) INITIATION OF PROCEEDING.—The Board may begin a proceeding under this section on its own initiative or on application.

(f) EFFECT OF APPROVAL.—A carrier may participate in an arrangement approved by or exempted by the Board under this section without the approval of any other Federal, State, or municipal body. A carrier participating in an approved or exempted arrangement is exempt from the antitrust laws and from all other law, including State and municipal law, as necessary to let that person carry out the arrangement.

(g) CONTINUATION OF EXISTING AGREEMENTS.—Any agreements in operation under the provisions of this title on January 1, 1996, that are succeeded by this section shall remain in effect until further order of the Board.

(h) DEFINITIONS.—In this section, the following definitions apply:

(1) HOUSEHOLD GOODS.—The term “household goods” has the meaning such term had under section 10102(11) of this title, as in effect on December 31, 1995.

(2) TRANSPORTATION.—The term “transportation” means transportation that would be subject to the jurisdiction of the Interstate Commerce Commission under subchapter II of chapter 105 of this title, as in effect on December 31, 1995, if such subchapter were still in effect.

§ 14303. Consolidation, merger, and acquisition of control of motor carriers of passengers

(a) APPROVAL REQUIRED.—The following transactions involving motor carriers of passengers subject to jurisdiction under subchapter I of chapter 135 may be carried out only with the approval of the Board:

(1) Consolidation or merger of the properties or franchises of at least 2 carriers into one operation for the ownership, management, and operation of the previously separately owned properties.

(2) A purchase, lease, or contract to operate property of another carrier by any number of carriers.

(3) Acquisition of control of a carrier by any number of carriers.

(4) Acquisition of control of at least 2 carriers by a person that is not a carrier.

(5) Acquisition of control of a carrier by a person that is not a carrier but that controls any number of carriers.

(b) STANDARD FOR APPROVAL.—The Board shall approve and authorize a transaction under this section when it finds the transaction is consistent with the public interest. The Board shall consider at least the following:

(1) The effect of the proposed transaction on the adequacy of transportation to the public.

(2) The total fixed charges that result from the proposed transaction.

(3) The interest of carrier employees affected by the proposed transaction.

The Board may impose conditions governing the transaction.

(c) DETERMINATION OF COMPLETENESS OF APPLICATION.—Within 30 days after the date on which an application is filed under this section, the Board shall either publish a notice of the application in the Federal Register or reject the application if it is incomplete.

(d) COMMENTS.—Written comments about an application may be filed with the Board within 45 days after the date on which notice of the application is published under subsection (c).

(e) DEADLINES.—The Board shall conclude evidentiary proceedings by the 240th day after the date on which notice of the application is published under subsection (c). The Board shall issue a final decision by the 180th day after the conclusion of the evidentiary proceedings. The Board may extend a time period under this subsection; except that the total of all such extensions with respect to any application shall not exceed 90 days.

(f) EFFECT OF APPROVAL.—A carrier or corporation participating in or resulting from a transaction approved by the Board under this section, or exempted by the Board from the application of this section pursuant to section 13541, may carry out the transaction, own and operate property, and exercise control or franchises acquired through the transaction without the approval of a State authority. A carrier, corporation, or person participating in the approved or exempted transaction is exempt from the antitrust laws and from all other law, including State and municipal law, as necessary to let that person carry out the transaction, hold, maintain, and operate property, and exercise control or franchises acquired through the transaction.

(g) LIMITATION ON APPLICABILITY.—This section shall not apply to transactions involving carriers whose aggregate gross operating revenues were not more than \$2,000,000 during a period of 12 consecutive months ending not more than 6 months before the date of the agreement of the parties.

(h) APPLICABILITY OF CERTAIN PROVISIONS.—When the Board approves and authorizes a transaction under this section in which a person not a carrier providing transportation subject to jurisdiction under subchapter I of chapter 135 acquires control of at least 1 carrier subject to such jurisdiction, the person is subject, as a carrier, to the following provisions of this title that apply to the car-

rier being acquired by that person, to the extent specified by the Board: sections 504(f), 14121–14123, 14901(a), and 14907.

(i) INTERIM APPROVAL.—Pending determination of an application filed under this section, the Board may approve, for a period of not more than 180 days, the operation of the properties sought to be acquired by the person proposing in the application to acquire those properties, when it appears that failure to do so may result in destruction of or injury to those properties or substantially interfere with their future usefulness in providing adequate and continuous service to the public. Transportation provided by a motor carrier under a grant of approval under this subsection is subject to this part.

(j) SUPPLEMENTAL ORDERS.—When cause exists, the Board may issue appropriate orders supplemental to an order made in a proceeding under this section.

CHAPTER 145—FEDERAL-STATE RELATIONS

Sec.

14501. Federal authority over intrastate transportation.

14502. Tax discrimination against motor carrier transportation property.

14503. Withholding State and local income tax by certain carriers.

14504. Registration of motor carriers by a State.

14505. State tax.

§ 14501. Federal authority over intrastate transportation

(a) MOTOR CARRIERS OF PASSENGERS.—

(1) LIMITATION ON STATE LAW.—No State or political subdivision thereof and no interstate agency or other political agency of 2 or more States shall enact or enforce any law, rule, regulation, standard, or other provision having the force and effect of law relating to—

(A) scheduling of interstate or intrastate transportation (including discontinuance or reduction in the level of service) provided by a motor carrier of passengers subject to jurisdiction under subchapter I of chapter 135 of this title on an interstate route;

(B) the implementation of any change in the rates for such transportation or for any charter transportation except to the extent that notice, not in excess of 30 days, of changes in schedules may be required; or

(C) the authority to provide intrastate or interstate charter bus transportation.

This paragraph shall not apply to intrastate commuter bus operations, or to intrastate bus transportation of any nature in the State of Hawaii.

(2) MATTERS NOT COVERED.—Paragraph (1) shall not restrict the safety regulatory authority of a State with respect to motor vehicles, the authority of a State to impose highway route controls or limitations based on the size or weight of the motor vehicle, or the authority of a State to regulate carriers with regard to minimum amounts of financial responsibility relating to insurance requirements and self-insurance authorization.

(b) FREIGHT FORWARDERS AND BROKERS.—

(1) GENERAL RULE.—Subject to paragraph (2) of this subsection, no State or political subdivision thereof and no intrastate agency or other political agency of 2 or more States shall enact or enforce any law, rule, regulation, standard, or other provision having the force and effect of law relating to intrastate rates, intrastate routes, or intrastate services of any freight forwarder or broker.

(2) CONTINUATION OF HAWAII'S AUTHORITY.—Nothing in this subsection and the amendments made by the Surface Freight Forwarder Deregulation Act of 1986 shall be construed to affect the authority of the State of Hawaii to continue to regulate a motor carrier operating within the State of Hawaii.

(c) MOTOR CARRIERS OF PROPERTY.—

(1) GENERAL RULE.—Except as provided in paragraphs (2) and (3), a State, political subdivision of a State, or political authority of 2 or more States may not enact or enforce a law, regulation, or other provision having the force and effect of law related to a price, route, or service of any motor carrier (other than a carrier affiliated with a direct air carrier covered by section 41713(b)(4)) or any motor private carrier, broker, or freight forwarder with respect to the transportation of property.

(2) MATTERS NOT COVERED.—Paragraph (1)—

(A) shall not restrict the safety regulatory authority of a State with respect to motor vehicles, the authority of a State to impose highway route controls or limitations based on the size or weight of the motor vehicle or the hazardous nature of the cargo, or the authority of a State to regulate motor carriers with regard to minimum amounts of financial responsibility relating to insurance requirements and self-insurance authorization;

(B) does not apply to the transportation of household goods; and

(C) does not apply to the authority of a State or a political subdivision of a State to enact or enforce a law, regulation, or other provision relating to the price of for-hire motor vehicle transportation by a tow truck, if such transportation is performed without the prior consent or authorization of the owner or operator of the motor vehicle.

(3) STATE STANDARD TRANSPORTATION PRACTICES.—

(A) CONTINUATION.—Paragraph (1) shall not affect any authority of a State, political subdivision of a State, or political authority of 2 or more States to enact or enforce a law, regulation, or other provision, with respect to the intrastate transportation of property by motor carriers, related to—

- (i) uniform cargo liability rules,
- (ii) uniform bills of lading or receipts for property being transported,
- (iii) uniform cargo credit rules,
- (iv) antitrust immunity for joint line rates or routes, classifications, mileage guides, and pooling, or
- (v) antitrust immunity for agent-van line operations (as set forth in section 13907),

if such law, regulation, or provision meets the requirements of subparagraph (B).

(B) REQUIREMENTS.—A law, regulation, or provision of a State, political subdivision, or political authority meets the requirements of this subparagraph if—

(i) the law, regulation, or provision covers the same subject matter as, and compliance with such law, regulation, or provision is no more burdensome than compliance with, a provision of this part or a regulation issued by the Secretary or the Board under this part; and

(ii) the law, regulation, or provision only applies to a carrier upon request of such carrier.

(C) ELECTION.—Notwithstanding any other provision of law, a carrier affiliated with a direct air carrier through common controlling ownership may elect to be subject to a law, regulation, or provision of a State, political subdivision, or political authority under this paragraph.

(4) NONAPPLICABILITY TO HAWAII.—This subsection shall not apply with respect to the State of Hawaii.

(d) PRE-ARRANGED GROUND TRANSPORTATION.—

(1) IN GENERAL.—No State or political subdivision thereof and no interstate agency or other political agency of 2 or more States shall enact or enforce any law, rule, regulation, standard or other provision having the force and effect of law requiring a license or fee on account of the fact that a motor vehicle is providing pre-arranged ground transportation service if the motor carrier providing such service—

(A) meets all applicable registration requirements under chapter 139 for the interstate transportation of passengers;

(B) meets all applicable vehicle and intrastate passenger licensing requirements of the State or States in which the motor carrier is domiciled or registered to do business; and

(C) is providing such service pursuant to a contract for—

(i) transportation by the motor carrier from one State, including intermediate stops, to a destination in another State; or

(ii) transportation by the motor carrier from one State, including intermediate stops in another State, to a destination in the original State.

(2) INTERMEDIATE STOP DEFINED.—In this section, the term “intermediate stop”, with respect to transportation by a motor carrier, means a pause in the transportation in order for one or more passengers to engage in personal or business activity, but only if the driver providing the transportation to such passenger or passengers does not, before resuming the transportation of such passenger (or at least 1 of such passengers), provide transportation to any other person not included among the passengers being transported when the pause began.

(3) MATTERS NOT COVERED.—Nothing in this subsection shall be construed—

(A) as subjecting taxicab service to regulation under chapter 135 or section 31138;

(B) as prohibiting or restricting an airport, train, or bus terminal operator from contracting to provide preferential access or facilities to one or more providers of prearranged ground transportation service; and

(C) as restricting the right of any State or political subdivision of a State to require, in a nondiscriminatory manner, that any individual operating a vehicle providing prearranged ground transportation service originating in the State or political subdivision have submitted to pre-licensing drug testing or a criminal background investigation of the records of the State in which the operator is domiciled, by the State or political subdivision by which the operator is licensed to provide such service, or by the motor carrier providing such service, as a condition of providing such service.

§ 14502. Tax discrimination against motor carrier transportation property

(a) DEFINITIONS.—In this section, the following definitions apply:

(1) ASSESSMENT.—The term “assessment” means valuation for a property tax levied by a taxing district.

(2) ASSESSMENT JURISDICTION.—The term “assessment jurisdiction” means a geographical area in a State used in determining the assessed value of property for ad valorem taxation.

(3) MOTOR CARRIER TRANSPORTATION PROPERTY.—The term “motor carrier transportation property” means property, as defined by the Secretary, owned or used by a motor carrier providing transportation in interstate commerce whether or not such transportation is subject to jurisdiction under subchapter I of chapter 135.

(4) COMMERCIAL AND INDUSTRIAL PROPERTY.—The term “commercial and industrial property” means property, other than transportation property and land used primarily for agricultural purposes or timber growing, devoted to a commercial or industrial use, and subject to a property tax levy.

(b) ACTS BURDENING INTERSTATE COMMERCE.—The following acts unreasonably burden and discriminate against interstate commerce and a State, subdivision of a State, or authority acting for a State or subdivision of a State may not do any of them:

(1) EXCESSIVE VALUATION OF PROPERTY.—Assess motor carrier transportation property at a value that has a higher ratio to the true market value of the motor carrier transportation property than the ratio that the assessed value of other commercial and industrial property in the same assessment jurisdiction has to the true market value of the other commercial and industrial property.

(2) TAX ON ASSESSMENT.—Levy or collect a tax on an assessment that may not be made under paragraph (1).

(3) AD VALOREM TAX.—Levy or collect an ad valorem property tax on motor carrier transportation property at a tax rate

that exceeds the tax rate applicable to commercial and industrial property in the same assessment jurisdiction.

(c) JURISDICTION.—

(1) IN GENERAL.—Notwithstanding section 1341 of title 28 and without regard to the amount in controversy or citizenship of the parties, a district court of the United States has jurisdiction, concurrent with other jurisdiction of courts of the United States and the States, to prevent a violation of subsection (b) of this section.

(2) LIMITATION IN RELIEF.—Relief may be granted under this subsection only if the ratio of assessed value to true market value of motor carrier transportation property exceeds, by at least 5 percent, the ratio of assessed value to true market value of other commercial and industrial property in the same assessment jurisdiction.

(3) BURDEN OF PROOF.—The burden of proof in determining assessed value and true market value is governed by State law.

(4) VIOLATION.—If the ratio of the assessed value of other commercial and industrial property in the assessment jurisdiction to the true market value of all other commercial and industrial property cannot be determined to the satisfaction of the district court through the random-sampling method known as a sales assessment ratio study (to be carried out under statistical principles applicable to such a study), the court shall find, as a violation of this section—

(A) an assessment of the motor carrier transportation property at a value that has a higher ratio to the true market value of the motor carrier transportation property than the assessment value of all other property subject to a property tax levy in the assessment jurisdiction has to the true market value of all such other property; and

(B) the collection of ad valorem property tax on the motor carrier transportation property at a tax rate that exceeds the tax ratio rate applicable to taxable property in the taxing district.

§ 14503. Withholding State and local income tax by certain carriers

(a) SINGLE STATE TAX WITHHOLDING.—

(1) IN GENERAL.—No part of the compensation paid by a motor carrier providing transportation subject to jurisdiction under subchapter I of chapter 135 or by a motor private carrier to an employee who performs regularly assigned duties in 2 or more States as such an employee with respect to a motor vehicle shall be subject to the income tax laws of any State or subdivision of that State, other than the State or subdivision thereof of the employee's residence.

(2) EMPLOYEE DEFINED.—In this subsection, the term “employee” has the meaning given such term in section 31132.

(b) SPECIAL RULES.—

(1) CALCULATION OF EARNINGS.—In this subsection, an employee is deemed to have earned more than 50 percent of pay in a State or subdivision of that State in which the time

worked by the employee in the State or subdivision is more than 50 percent of the total time worked by the employee while employed during the calendar year.

(2) WATER CARRIERS.—A water carrier providing transportation subject to jurisdiction under subchapter II of chapter 135 shall file income tax information returns and other reports only with—

(A) the State and subdivision of residence of the employee (as shown on the employment records of the carrier); and

(B) the State and subdivision in which the employee earned more than 50 percent of the pay received by the employee from the carrier during the preceding calendar year.

(3) APPLICABILITY TO SAILORS.—This subsection applies to pay of a master, officer, or sailor who is a member of the crew on a vessel engaged in foreign, coastwise, intercoastal, or non-contiguous trade or in the fisheries of the United States.

(c) FILING OF INFORMATION.—A motor and motor private carrier withholding pay from an employee under subsection (a) of this section shall file income tax information returns and other reports only with the State and subdivision of residence of the employee.

§ 14504. Registration of motor carriers by a State

(a) DEFINITIONS.—In this section, the terms “standards” and “amendments to standards” mean the specification of forms and procedures required by regulations of the Secretary to prove the lawfulness of transportation by motor carrier referred to in section 13501.

(b) GENERAL RULE.—The requirement of a State that a motor carrier, providing transportation subject to jurisdiction under subchapter I of chapter 135 and providing transportation in that State, must register with the State is not an unreasonable burden on transportation referred to in section 13501 when the State registration is completed under standards of the Secretary under subsection (c). When a State registration requirement imposes obligations in excess of the standards of the Secretary, the part in excess is an unreasonable burden.

(c) SINGLE STATE REGISTRATION SYSTEM.—

(1) IN GENERAL.—The Secretary shall maintain standards for implementing a system under which—

(A) a motor carrier is required to register annually with only one State by providing evidence of its Federal registration under chapter 139;

(B) the State of registration shall fully comply with standards prescribed under this section; and

(C) such single State registration shall be deemed to satisfy the registration requirements of all other States.

(2) SPECIFIC REQUIREMENTS.—

(A) EVIDENCE OF FEDERAL REGISTRATION; PROOF OF INSURANCE; PAYMENT OF FEES.—Under the standards of the Secretary implementing the single State registration system described in paragraph (1) of this subsection, only a State acting in its capacity as registration State under

such single State system may require a motor carrier registered by the Secretary under this part—

(i) to file and maintain evidence of such Federal registration;

(ii) to file satisfactory proof of required insurance or qualification as a self-insurer;

(iii) to pay directly to such State fee amounts in accordance with the fee system established under subparagraph (B)(iv) of this paragraph, subject to allocation of fee revenues among all States in which the carrier operates and which participate in the single State registration system; and

(iv) to file the name of a local agent for service of process.

(B) RECEIPTS; FEE SYSTEM.—The standards of the Secretary—

(i) shall require that the registration State issue a receipt, in a form prescribed under the standards, reflecting that the carrier has filed proof of insurance as provided under subparagraph (A)(ii) of this paragraph and has paid fee amounts in accordance with the fee system established under clause (iv) of this subparagraph;

(ii) shall require that copies of the receipt issued under clause (i) of this subparagraph be kept in each of the carrier's commercial motor vehicles;

(iii) shall not require decals, stamps, cab cards, or any other means of registering or identifying specific vehicles operated by the carrier;

(iv) shall establish a fee system for the filing of proof of insurance as provided under subparagraph (A)(ii) of this paragraph that—

(I) is based on the number of commercial motor vehicles the carrier operates in a State and on the number of States in which the carrier operates;

(II) minimizes the costs of complying with the registration system; and

(III) results in a fee for each participating State that is equal to the fee, not to exceed \$10 per vehicle, that such State collected or charged as of November 15, 1991; and

(v) shall not authorize the charging or collection of any fee for filing and maintaining evidence of Federal registration under subparagraph (A)(i) of this paragraph.

(C) PROHIBITED FEES.—The charging or collection of any fee under this section that is not in accordance with the fee system established under subparagraph (B)(iv) of this paragraph shall be deemed to be a burden on interstate commerce.

(D) LIMITATION ON PARTICIPATION BY STATES.—Only a State which, as of January 1, 1991, charged or collected a fee for a vehicle identification stamp or number under part

1023 of title 49, Code of Federal Regulations, shall be eligible to participate as a registration State under this subsection or to receive any fee revenue under this subsection.

§ 14505. State tax

A State or political subdivision thereof may not collect or levy a tax, fee, head charge, or other charge on—

- (1) a passenger traveling in interstate commerce by motor carrier;
- (2) the transportation of a passenger traveling in interstate commerce by motor carrier;
- (3) the sale of passenger transportation in interstate commerce by motor carrier; or
- (4) the gross receipts derived from such transportation.

CHAPTER 147—ENFORCEMENT; INVESTIGATIONS; RIGHTS; REMEDIES

Sec.

14701. General authority.
14702. Enforcement by the regulatory authority.
14703. Enforcement by the Attorney General.
14704. Rights and remedies of persons injured by carriers or brokers.
14705. Limitation on actions by and against carriers.
14706. Liability of carriers under receipts and bills of lading.
14707. Private enforcement of registration requirement.
14708. Dispute settlement program for household goods carriers.
14709. Tariff reconciliation rules for motor carriers of property.

§ 14701. General authority

(a) INVESTIGATIONS.—The Secretary or the Board, as applicable, may begin an investigation under this part on the Secretary's or the Board's own initiative or on complaint. If the Secretary or Board, as applicable, finds that a carrier or broker is violating this part, the Secretary or Board, as applicable, shall take appropriate action to compel compliance with this part. If the Secretary finds that a foreign motor carrier or foreign motor private carrier is violating chapter 139, the Secretary shall take appropriate action to compel compliance with that chapter. The Secretary or Board, as applicable, may take action under this subsection only after giving the carrier or broker notice of the investigation and an opportunity for a proceeding.

(b) COMPLAINTS.—A person, including a governmental authority, may file with the Secretary or Board, as applicable, a complaint about a violation of this part by a carrier providing, or broker for, transportation or service subject to jurisdiction under this part or a foreign motor carrier or foreign motor private carrier providing transportation registered under section 13902 of this title. The complaint must state the facts that are the subject of the violation. The Secretary or Board, as applicable, may dismiss a complaint that it determines does not state reasonable grounds for investigation and action.

(c) DEADLINE.—A formal investigative proceeding begun by the Secretary or Board under subsection (a) of this section is dismissed automatically unless it is concluded with administrative finality by the end of the 3d year after the date on which it was begun.

§ 14702. Enforcement by the regulatory authority

(a) IN GENERAL.—The Secretary or the Board, as applicable, may bring a civil action—

- (1) to enforce section 14103 of this title; or
- (2) to enforce this part, or a regulation or order of the Secretary or Board, as applicable, when violated by a carrier or broker providing transportation or service subject to jurisdiction under subchapter I or III of chapter 135 of this title or by a foreign motor carrier or foreign motor private carrier providing transportation registered under section 13902 of this title.

(b) VENUE.—In a civil action under subsection (a)(2) of this section—

- (1) trial is in the judicial district in which the carrier, foreign motor carrier, foreign motor private carrier, or broker operates;
- (2) process may be served without regard to the territorial limits of the district or of the State in which the action is instituted; and
- (3) a person participating with a carrier or broker in a violation may be joined in the civil action without regard to the residence of the person.

(c) STANDING.—The Board, through its own attorneys, may bring or participate in any civil action involving motor carrier undercharges.

§ 14703. Enforcement by the Attorney General

The Attorney General may, and on request of either the Secretary or the Board shall, bring court proceedings—

- (1) to enforce this part or a regulation or order of the Secretary or Board or terms of registration under this part; and
- (2) to prosecute a person violating this part or a regulation or order of the Secretary or Board or term of registration under this part.

§ 14704. Rights and remedies of persons injured by carriers or brokers

(a) IN GENERAL.—

(1) ENFORCEMENT OF ORDER.—A person injured because a carrier or broker providing transportation or service subject to jurisdiction under chapter 135 does not obey an order of the Secretary or the Board, as applicable, under this part, except an order for the payment of money, may bring a civil action to enforce that order under this subsection. A person may bring a civil action for injunctive relief for violations of sections 14102 and 14103.

(2) DAMAGES FOR VIOLATIONS.—A carrier or broker providing transportation or service subject to jurisdiction under chapter 135 is liable for damages sustained by a person as a result of an act or omission of that carrier or broker in violation of this part.

(b) LIABILITY AND DAMAGES FOR EXCEEDING TARIFF RATE.—A carrier providing transportation or service subject to jurisdiction

under chapter 135 is liable to a person for amounts charged that exceed the applicable rate for transportation or service contained in a tariff in effect under section 13702.

(c) ELECTION.—

(1) COMPLAINT TO DOT OR BOARD; CIVIL ACTION.—A person may file a complaint with the Board or the Secretary, as applicable, under section 14701(b) or bring a civil action under subsection (b) to enforce liability against a carrier or broker providing transportation or service subject to jurisdiction under chapter 135.

(2) ORDER OF DOT OR BOARD.—

(A) IN GENERAL.—When the Board or Secretary, as applicable, makes an award under subsection (b) of this section, the Board or Secretary, as applicable, shall order the carrier to pay the amount awarded by a specific date. The Board or Secretary, as applicable, may order a carrier or broker providing transportation or service subject to jurisdiction under chapter 135 to pay damages only when the proceeding is on complaint.

(B) ENFORCEMENT BY CIVIL ACTION.—The person for whose benefit an order of the Board or Secretary requiring the payment of money is made may bring a civil action to enforce that order under this paragraph if the carrier or broker does not pay the amount awarded by the date payment was ordered to be made.

(d) PROCEDURE.—

(1) IN GENERAL.—When a person begins a civil action under subsection (b) of this section to enforce an order of the Board or Secretary requiring the payment of damages by a carrier or broker providing transportation or service subject to jurisdiction under chapter 135 of this title, the text of the order of the Board or Secretary must be included in the complaint. In addition to the district courts of the United States, a State court of general jurisdiction having jurisdiction of the parties has jurisdiction to enforce an order under this paragraph. The findings and order of the Board or Secretary are competent evidence of the facts stated in them. Trial in a civil action brought in a district court of the United States under this paragraph is in the judicial district in which the plaintiff resides or in which the principal operating office of the carrier or broker is located. In a civil action under this paragraph, the plaintiff is liable for only those costs that accrue on an appeal taken by the plaintiff.

(2) PARTIES.—All parties in whose favor the award was made may be joined as plaintiffs in a civil action brought in a district court of the United States under this subsection and all the carriers that are parties to the order awarding damages may be joined as defendants. Trial in the action is in the judicial district in which any one of the plaintiffs could bring the action against any one of the defendants. Process may be served on a defendant at its principal operating office when that defendant is not in the district in which the action is brought. A judgment ordering recovery may be made in favor

of any of those plaintiffs against the defendant found to be liable to that plaintiff.

(e) ATTORNEY'S FEES.—The district court shall award a reasonable attorney's fee under this section. The district court shall tax and collect that fee as part of the costs of the action.

§ 14705. Limitation on actions by and against carriers

(a) IN GENERAL.—A carrier providing transportation or service subject to jurisdiction under chapter 135 must begin a civil action to recover charges for transportation or service provided by the carrier within 18 months after the claim accrues.

(b) OVERCHARGES.—A person must begin a civil action to recover overcharges within 18 months after the claim accrues. If the claim is against a carrier providing transportation subject to jurisdiction under chapter 135 and an election to file a complaint with the Board or Secretary, as applicable, is made under section 14704(c)(1), the complaint must be filed within 3 years after the claim accrues.

(c) DAMAGES.—A person must file a complaint with the Board or Secretary, as applicable, to recover damages under section 14704(b) within 2 years after the claim accrues.

(d) EXTENSIONS.—The limitation periods under subsection (b) of this section are extended for 6 months from the time written notice is given to the claimant by the carrier of disallowance of any part of the claim specified in the notice if a written claim is given to the carrier within those limitation periods. The limitation periods under subsections (b) and (c) of this section are extended for 90 days from the time the carrier begins a civil action under subsection (a) to recover charges related to the same transportation or service, or collects (without beginning a civil action under that subsection) the charge for that transportation or service if that action is begun or collection is made within the appropriate period.

(e) PAYMENT.—A person must begin a civil action to enforce an order of the Board or Secretary against a carrier within 1 year after the date of the order.

(f) GOVERNMENT TRANSPORTATION.—This section applies to transportation for the United States Government. The time limitations under this section are extended, as related to transportation for or on behalf of the United States Government, for 3 years from the later of the date of—

- (1) payment of the rate for the transportation or service involved;
- (2) subsequent refund for overpayment of that rate; or
- (3) deduction made under section 3726 of title 31.

(g) ACCRUAL DATE.—A claim related to a shipment of property accrues under this section on delivery or tender of delivery by the carrier.

§ 14706. Liability of carriers under receipts and bills of lading

(a) GENERAL LIABILITY.—

(1) MOTOR CARRIERS AND FREIGHT FORWARDERS.—A carrier providing transportation or service subject to jurisdiction under subchapter I or III of chapter 135 shall issue a receipt or bill

of lading for property it receives for transportation under this part. That carrier and any other carrier that delivers the property and is providing transportation or service subject to jurisdiction under subchapter I or III of chapter 135 or chapter 105 are liable to the person entitled to recover under the receipt or bill of lading. The liability imposed under this paragraph is for the actual loss or injury to the property caused by (A) the receiving carrier, (B) the delivering carrier, or (C) another carrier over whose line or route the property is transported in the United States or from a place in the United States to a place in an adjacent foreign country when transported under a through bill of lading and, except in the case of a freight forwarder, applies to property reconsigned or diverted under a tariff under section 13702. Failure to issue a receipt or bill of lading does not affect the liability of a carrier. A delivering carrier is deemed to be the carrier performing the line-haul transportation nearest the destination but does not include a carrier providing only a switching service at the destination.

(2) FREIGHT FORWARDER.—A freight forwarder is both the receiving and delivering carrier. When a freight forwarder provides service and uses a motor carrier providing transportation subject to jurisdiction under subchapter I of chapter 135 to receive property from a consignor, the motor carrier may execute the bill of lading or shipping receipt for the freight forwarder with its consent. With the consent of the freight forwarder, a motor carrier may deliver property for a freight forwarder on the freight forwarder's bill of lading, freight bill, or shipping receipt to the consignee named in it, and receipt for the property may be made on the freight forwarder's delivery receipt.

(b) APPORTIONMENT.—The carrier issuing the receipt or bill of lading under subsection (a) of this section or delivering the property for which the receipt or bill of lading was issued is entitled to recover from the carrier over whose line or route the loss or injury occurred the amount required to be paid to the owners of the property, as evidenced by a receipt, judgment, or transcript, and the amount of its expenses reasonably incurred in defending a civil action brought by that person.

(c) SPECIAL RULES.—

(1) MOTOR CARRIERS.—

(A) SHIPPER WAIVER.—Subject to the provisions of subparagraph (B), a carrier providing transportation or service subject to jurisdiction under subchapter I or III of chapter 135 may, subject to the provisions of this chapter (including with respect to a motor carrier, the requirements of section 13710(a)), establish rates for the transportation of property (other than household goods described in section 13102(10)(A)) under which the liability of the carrier for such property is limited to a value established by written or electronic declaration of the shipper or by written agreement between the carrier and shipper if that value would be reasonable under the circumstances surrounding the transportation.

(B) CARRIER NOTIFICATION.—If the motor carrier is not required to file its tariff with the Board, it shall provide

under section 13710(a)(1) to the shipper, on request of the shipper, a written or electronic copy of the rate, classification, rules, and practices upon which any rate applicable to a shipment, or agreed to between the shipper and the carrier, is based. The copy provided by the carrier shall clearly state the dates of applicability of the rate, classification, rules, or practices.

(C) PROHIBITION AGAINST COLLECTIVE ESTABLISHMENT.—No discussion, consideration, or approval as to rules to limit liability under this subsection may be undertaken by carriers acting under an agreement approved pursuant to section 13703.

(2) WATER CARRIERS.—If loss or injury to property occurs while it is in the custody of a water carrier, the liability of that carrier is determined by its bill of lading and the law applicable to water transportation. The liability of the initial or delivering carrier is the same as the liability of the water carrier.

(d) CIVIL ACTIONS.—

(1) AGAINST DELIVERING CARRIER.—A civil action under this section may be brought against a delivering carrier in a district court of the United States or in a State court. Trial, if the action is brought in a district court of the United States is in a judicial district, and if in a State court, is in a State through which the defendant carrier operates.

(2) AGAINST CARRIER RESPONSIBLE FOR LOSS.—A civil action under this section may be brought against the carrier alleged to have caused the loss or damage, in the judicial district in which such loss or damage is alleged to have occurred.

(3) JURISDICTION OF COURTS.—A civil action under this section may be brought in a United States district court or in a State court.

(4) JUDICIAL DISTRICT DEFINED.—In this section, “judicial district” means—

(A) in the case of a United States district court, a judicial district of the United States; and

(B) in the case of a State court, the applicable geographic area over which such court exercises jurisdiction.

(e) MINIMUM PERIOD FOR FILING CLAIMS.—

(1) IN GENERAL.—A carrier may not provide by rule, contract, or otherwise, a period of less than 9 months for filing a claim against it under this section and a period of less than 2 years for bringing a civil action against it under this section. The period for bringing a civil action is computed from the date the carrier gives a person written notice that the carrier has disallowed any part of the claim specified in the notice.

(2) SPECIAL RULES.—For the purposes of this subsection—

(A) an offer of compromise shall not constitute a disallowance of any part of the claim unless the carrier, in writing, informs the claimant that such part of the claim is disallowed and provides reasons for such disallowance; and

(B) communications received from a carrier’s insurer shall not constitute a disallowance of any part of the claim unless the insurer, in writing, informs the claimant that

such part of the claim is disallowed, provides reason for such disallowance, and informs the claimant that the insurer is acting on behalf of the carrier.

(f) **LIMITING LIABILITY OF HOUSEHOLD GOODS CARRIERS TO DECLARED VALUE.**—A carrier or group of carriers subject to jurisdiction under subchapter I or III of chapter 135 may petition the Board to modify, eliminate, or establish rates for the transportation of household goods under which the liability of the carrier for that property is limited to a value established by written declaration of the shipper or by a written agreement.

(g) **MODIFICATIONS AND REFORMS.**—

(1) **STUDY.**—The Secretary shall conduct a study to determine whether any modifications or reforms should be made to the loss and damage provisions of this section, including those related to limitation of liability by carriers.

(2) **FACTORS TO CONSIDER.**—In conducting the study, the Secretary, at a minimum, shall consider—

- (A) the efficient delivery of transportation services;
- (B) international and intermodal harmony;
- (C) the public interest; and
- (D) the interest of carriers and shippers.

(3) **REPORT.**—Not later than 12 months after January 1, 1996, the Secretary shall submit to Congress a report on the results of the study, together with any recommendations of the Secretary (including legislative recommendations) for implementing modifications or reforms identified by the Secretary as being appropriate.

§ 14707. Private enforcement of registration requirement

(a) **IN GENERAL.**—If a person provides transportation by motor vehicle or service in clear violation of section 13901–13904 or 13906, a person injured by the transportation or service may bring a civil action to enforce any such section. In a civil action under this subsection, trial is in the judicial district in which the person who violated that section operates.

(b) **PROCEDURE.**—A copy of the complaint in a civil action under subsection (a) shall be served on the Secretary and a certificate of service must appear in the complaint filed with the court. The Secretary may intervene in a civil action under subsection (a). The Secretary may notify the district court in which the action is pending that the Secretary intends to consider the matter that is the subject of the complaint in a proceeding before the Secretary. When that notice is filed, the court shall stay further action pending disposition of the proceeding before the Secretary.

(c) **ATTORNEY'S FEES.**—In a civil action under subsection (a), the court may determine the amount of and award a reasonable attorney's fee to the prevailing party. That fee is in addition to costs allowable under the Federal Rules of Civil Procedure.

§ 14708. Dispute settlement program for household goods carriers

(a) **OFFERING SHIPPERS ARBITRATION.**—As a condition of registration under section 13902 or 13903, a carrier providing transportation of household goods subject to jurisdiction under sub-

chapter I or III of chapter 135 must agree to offer in accordance with this section to shippers of household goods arbitration as a means of settling disputes between such carriers and shippers of household goods concerning damage or loss to the household goods transported.

(b) ARBITRATION REQUIREMENTS.—

(1) PREVENTION OF SPECIAL ADVANTAGE.—The arbitration that is offered must be designed to prevent a carrier from having any special advantage in any case in which the claimant resides or does business at a place distant from the carrier's principal or other place of business.

(2) NOTICE OF ARBITRATION PROCEDURE.—The carrier must provide the shipper an adequate notice of the availability of neutral arbitration, including a concise easy-to-read, accurate summary of the arbitration procedure, any applicable costs, and disclosure of the legal effects of election to utilize arbitration. Such notice must be given to persons for whom household goods are to be transported by the carrier before such goods are tendered to the carrier for transportation.

(3) PROVISION OF FORMS.—Upon request of a shipper, the carrier must promptly provide such forms and other information as are necessary for initiating an action to resolve a dispute under arbitration.

(4) INDEPENDENCE OF ARBITRATOR.—Each person authorized to arbitrate or otherwise settle disputes must be independent of the parties to the dispute and must be capable, as determined under such regulations as the Secretary may issue, to resolve such disputes fairly and expeditiously. The carrier must ensure that each person chosen to settle the disputes is authorized and able to obtain from the shipper or carrier any material and relevant information to the extent necessary to carry out a fair and expeditious decisionmaking process.

(5) APPORTIONMENT OF COSTS.—No shipper may be charged more than half of the cost for instituting an arbitration proceeding that is brought under this section. In the decision, the arbitrator may determine which party shall pay the cost or a portion of the cost of the arbitration proceeding, including the cost of instituting the proceeding.

(6) REQUESTS.—The carrier must not require the shipper to agree to utilize arbitration prior to the time that a dispute arises. If the dispute involves a claim for \$5,000 or less and the shipper requests arbitration, such arbitration shall be binding on the parties. If the dispute involves a claim for more than \$5,000 and the shipper requests arbitration, such arbitration shall be binding on the parties only if the carrier agrees to arbitration.

(7) ORAL PRESENTATION OF EVIDENCE.—The arbitrator may provide for an oral presentation of a dispute concerning transportation of household goods by a party to the dispute (or a party's representative), but such oral presentation may be made only if all parties to the dispute expressly agree to such presentation and the date, time, and location of such presentation.

(8) DEADLINE FOR DECISION.—The arbitrator must, as expeditiously as possible but at least within 60 days of receipt of written notification of the dispute, render a decision based on the information gathered; except that, in any case in which a party to the dispute fails to provide in a timely manner any information concerning such dispute which the person settling the dispute may reasonably require to resolve the dispute, the arbitrator may extend such 60-day period for a reasonable period of time. A decision resolving a dispute may include any remedies appropriate under the circumstances, including repair, replacement, refund, reimbursement for expenses, and compensation for damages.

(c) LIMITATION ON USE OF MATERIALS.—Materials and information obtained in the course of a decision making process to settle a dispute by arbitration under this section may not be used to bring an action under section 14905.

(d) ATTORNEY'S FEES TO SHIPPERS.—In any court action to resolve a dispute between a shipper of household goods and a carrier providing transportation or service subject to jurisdiction under subchapter I or III of chapter 135 concerning the transportation of household goods by such carrier, the shipper shall be awarded reasonable attorney's fees if—

(1) the shipper submits a claim to the carrier within 120 days after the date the shipment is delivered or the date the delivery is scheduled, whichever is later;

(2) the shipper prevails in such court action; and

(3)(A) a decision resolving the dispute was not rendered through arbitration under this section within the period provided under subsection (b)(8) of this section or an extension of such period under such subsection; or

(B) the court proceeding is to enforce a decision rendered through arbitration under this section and is instituted after the period for performance under such decision has elapsed.

(e) ATTORNEY'S FEES TO CARRIERS.—In any court action to resolve a dispute between a shipper of household goods and a carrier providing transportation, or service subject to jurisdiction under subchapter I or III of chapter 135 concerning the transportation of household goods by such carrier, such carrier may be awarded reasonable attorney's fees by the court only if the shipper brought such action in bad faith—

(1) after resolution of such dispute through arbitration under this section; or

(2) after institution of an arbitration proceeding by the shipper to resolve such dispute under this section but before—

(A) the period provided under subsection (b)(8) for resolution of such dispute (including, if applicable, an extension of such period under such subsection) ends; and

(B) a decision resolving such dispute is rendered.

(f) LIMITATION OF APPLICABILITY TO COLLECT-ON-DELIVERY TRANSPORTATION.—The provisions of this section shall apply only in the case of collect-on-delivery transportation of household goods.

(g) REVIEW BY SECRETARY.—Not later than 18 months after January 1, 1996, the Secretary shall complete a review of the dispute settlement program established under this section. If, after

notice and opportunity for comment, the Secretary determines that changes are necessary to such program to ensure the fair and equitable resolution of disputes under this section, the Secretary shall implement such changes and transmit a report to Congress on such changes.

§ 14709. Tariff reconciliation rules for motor carriers of property

Subject to review and approval by the Board, motor carriers subject to jurisdiction under subchapter I of chapter 135 (other than motor carriers providing transportation of household goods) and shippers may resolve, by mutual consent, overcharge and under-charge claims resulting from incorrect tariff provisions or billing errors arising from the inadvertent failure to properly and timely file and maintain agreed upon rates, rules, or classifications in compliance with section 13702 or, with respect to transportation provided before January 1, 1996, sections 10761 and 10762, as in effect on December 31, 1995. Resolution of such claims among the parties shall not subject any party to the penalties for departing from a tariff.

CHAPTER 149—CIVIL AND CRIMINAL PENALTIES

Sec.

- 14901. General civil penalties.
- 14902. Civil penalty for accepting rebates from carrier.
- 14903. Tariff violations.
- 14904. Additional rate violations.
- 14905. Penalties for violations of rules relating to loading and unloading motor vehicles.
- 14906. Evasion of regulation of carriers and brokers.
- 14907. Recordkeeping and reporting violations.
- 14908. Unlawful disclosure of information.
- 14909. Disobedience to subpoenas.
- 14910. General civil penalty when specific penalty not provided.
- 14911. Punishment of corporation for violations committed by certain individuals.
- 14912. Weight-bumping in household goods transportation.
- 14913. Conclusiveness of rates in certain prosecutions.
- 14914. Civil penalty procedures.

§ 14901. General civil penalties

(a) REPORTING AND RECORDKEEPING.—A person required to make a report to the Secretary or the Board, answer a question, or make, prepare, or preserve a record under this part concerning transportation subject to jurisdiction under subchapter I or III of chapter 135 or transportation by a foreign carrier registered under section 13902, or an officer, agent, or employee of that person that—

- (1) does not make the report;
- (2) does not specifically, completely, and truthfully answer the question;
- (3) does not make, prepare, or preserve the record in the form and manner prescribed;
- (4) does not comply with section 13901; or
- (5) does not comply with section 13902(c);

is liable to the United States for a civil penalty of not less than \$500 for each violation and for each additional day the violation

continues; except that, in the case of a person who is not registered under this part to provide transportation of passengers, or an officer, agent, or employee of such person, that does not comply with section 13901 with respect to providing transportation of passengers, the amount of the civil penalty shall not be less than \$2,000 for each violation and for each additional day the violation continues.

(b) **TRANSPORTATION OF HAZARDOUS WASTES.**—A person subject to jurisdiction under subchapter I of chapter 135, or an officer, agent, or employee of that person, and who is required to comply with section 13901 of this title but does not so comply with respect to the transportation of hazardous wastes as defined by the Environmental Protection Agency pursuant to section 3001 of the Solid Waste Disposal Act (but not including any waste the regulation of which under the Solid Waste Disposal Act has been suspended by Congress) shall be liable to the United States for a civil penalty not to exceed \$20,000 for each violation.

(c) **FACTORS TO CONSIDER IN DETERMINING AMOUNT.**—In determining and negotiating the amount of a civil penalty under subsection (a) or (d) concerning transportation of household goods, the degree of culpability, any history of prior such conduct, the degree of harm to shipper or shippers, ability to pay, the effect on ability to do business, whether the shipper has been adequately compensated before institution of the proceeding, and such other matters as fairness may require shall be taken into account.

(d) **PROTECTION OF HOUSEHOLD GOODS SHIPPERS.**—If a carrier providing transportation of household goods subject to jurisdiction under subchapter I or III of chapter 135 or a receiver or trustee of such carrier fails or refuses to comply with any regulation issued by the Secretary or the Board relating to protection of individual shippers, such carrier, receiver, or trustee is liable to the United States for a civil penalty of not less than \$1,000 for each violation and for each additional day during which the violation continues.

(e) **VIOLATION RELATING TO TRANSPORTATION OF HOUSEHOLD GOODS.**—Any person that knowingly engages in or knowingly authorizes an agent or other person—

(1) to falsify documents used in the transportation of household goods subject to jurisdiction under subchapter I or III of chapter 135 which evidence the weight of a shipment; or

(2) to charge for accessorial services which are not performed or for which the carrier is not entitled to be compensated in any case in which such services are not reasonably necessary in the safe and adequate movement of the shipment; is liable to the United States for a civil penalty of not less than \$2,000 for each violation and of not less than \$5,000 for each subsequent violation. Any State may bring a civil action in the United States district courts to compel a person to pay a civil penalty assessed under this subsection.

(f) **VENUE.**—Trial in a civil action under subsections (a) through (e) of this section is in the judicial district in which—

(1) the carrier or broker has its principal office;

(2) the carrier or broker was authorized to provide transportation or service under this part when the violation occurred;

- (3) the violation occurred; or
- (4) the offender is found.

Process in the action may be served in the judicial district of which the offender is an inhabitant or in which the offender may be found.

(g) BUSINESS ENTERTAINMENT EXPENSES.—

(1) IN GENERAL.—Any business entertainment expense incurred by a water carrier providing transportation subject to this part shall not constitute a violation of this part if that expense would not be unlawful if incurred by a person not subject to this part.

(2) COST OF SERVICE.—Any business entertainment expense subject to paragraph (1) that is paid or incurred by a water carrier providing transportation subject to this part shall not be taken into account in determining the cost of service or the rate base for purposes of section 13702.

§ 14902. Civil penalty for accepting rebates from carrier

A person—

(1) delivering property to a carrier providing transportation or service subject to jurisdiction under chapter 135 for transportation under this part or for whom that carrier will transport the property as consignor or consignee for that person from a State or territory or possession of the United States to another State or possession, territory, or to a foreign country; and

(2) knowingly accepting or receiving by any means a rebate or offset against the rate for transportation for, or service of, that property contained in a tariff required under section 13702;

is liable to the United States for a civil penalty in an amount equal to 3 times the amount of money that person accepted or received as a rebate or offset and 3 times the value of other consideration accepted or received as a rebate or offset. In a civil action under this section, all money or other consideration received by the person during a period of 6 years before an action is brought under this section may be included in determining the amount of the penalty, and if that total amount is included, the penalty shall be 3 times that total amount.

§ 14903. Tariff violations

(a) CIVIL PENALTY FOR UNDERCHARGING AND OVERCHARGING.—A person that offers, grants, gives, solicits, accepts, or receives by any means transportation or service provided for property by a carrier subject to jurisdiction under chapter 135 at a rate different than the rate in effect under section 13702 is liable to the United States for a civil penalty of not more than \$100,000 for each violation.

(b) GENERAL CRIMINAL PENALTY.—A carrier providing transportation or service subject to jurisdiction under chapter 135 or an officer, director, receiver, trustee, lessee, agent, or employee of a corporation that is subject to jurisdiction under that chapter, that willfully does not observe its tariffs as required under section

13702, shall be fined under title 18 or imprisoned not more than 2 years, or both.

(c) ACTIONS OF AGENTS AND EMPLOYEES.—When acting in the scope of their employment, the actions and omissions of persons acting for or employed by a carrier or shipper that is subject to this section are considered to be the actions and omissions of that carrier or shipper as well as that person.

(d) VENUE.—Trial in a criminal action under this section is in the judicial district in which any part of the violation is committed or through which the transportation is conducted.

§ 14904. Additional rate violations

(a) REBATES BY AGENTS.—A person, or an officer, employee, or agent of that person, that—

(1) offers, grants, gives, solicits, accepts, or receives a rebate for concession, in violation of a provision of this part related to motor carrier transportation subject to jurisdiction under subchapter I of chapter 135; or

(2) by any means assists or permits another person to get transportation that is subject to jurisdiction under that subchapter at less than the rate in effect for that transportation under section 13702,

is liable to the United States for a civil penalty of \$200 for the first violation and \$250 for a subsequent violation.

(b) UNDERCHARGING.—

(1) FREIGHT FORWARDER.—A freight forwarder providing service subject to jurisdiction under subchapter III of chapter 135, or an officer, agent, or employee of that freight forwarder, that assists a person in getting, or willingly permits a person to get, service provided under that subchapter at less than the rate in effect for that service under section 13702, is liable to the United States for a civil penalty of not more than \$500 for the first violation and not more than \$2,000 for a subsequent violation.

(2) OTHERS.—A person that by any means gets, or attempts to get, service provided under subchapter III of chapter 135 at less than the rate in effect for that service under section 13702, is liable to the United States for a civil penalty of not more than \$500 for the first violation and not more than \$2,000 for a subsequent violation.

§ 14905. Penalties for violations of rules relating to loading and unloading motor vehicles

(a) CIVIL PENALTIES.—Whoever knowingly authorizes, consents to, or permits a violation of subsection (a) or (b) of section 14103 or who knowingly violates subsection (a) of such section is liable to the United States for a civil penalty of not more than \$10,000 for each violation.

(b) CRIMINAL PENALTIES.—Whoever knowingly violates section 14103(b) of this title shall be fined under title 18 or imprisoned not more than 2 years, or both.

§ 14906. Evasion of regulation of carriers and brokers

A person, or an officer, employee, or agent of that person, that by any means tries to evade regulation provided under this part for carriers or brokers is liable to the United States for a civil penalty of \$200 for the first violation and at least \$250 for a subsequent violation.

§ 14907. Recordkeeping and reporting violations

A person required to make a report to the Secretary or the Board, as applicable, answer a question, or make, prepare, or preserve a record under this part about transportation subject to jurisdiction under subchapter I or III of chapter 135, or an officer, agent, or employee of that person, that—

- (1) does not make that report;
 - (2) does not specifically, completely, and truthfully answer that question in 30 days from the date the Secretary or Board, as applicable, requires the question to be answered;
 - (3) does not make, prepare, or preserve that record in the form and manner prescribed;
 - (4) falsifies, destroys, mutilates, or changes that report or record;
 - (5) files a false report or record;
 - (6) makes a false or incomplete entry in that record about a business related fact or transaction; or
 - (7) makes, prepares, or preserves a record in violation of an applicable regulation or order of the Secretary or Board;
- is liable to the United States for a civil penalty of not more than \$5,000.

§ 14908. Unlawful disclosure of information

(a) DISCLOSURE OF SHIPMENT AND ROUTING INFORMATION.—

(1) VIOLATIONS.—A carrier or broker providing transportation subject to jurisdiction under subchapter I, II, or III of chapter 135 or an officer, receiver, trustee, lessee, or employee of that carrier or broker, or another person authorized by that carrier or broker to receive information from that carrier or broker may not disclose to another person, except the shipper or consignee, and a person may not solicit, or receive, information about the nature, kind, quantity, destination, consignee, or routing of property tendered or delivered to that carrier or broker for transportation provided under this part without the consent of the shipper or consignee if that information may be used to the detriment of the shipper or consignee or may disclose improperly to a competitor the business transactions of the shipper or consignee.

(2) PENALTY.—A person violating paragraph (1) of this subsection is liable to the United States for a civil penalty of not more than \$2,000.

(b) LIMITATION ON STATUTORY CONSTRUCTION.—This part does not prevent a carrier or broker providing transportation subject to jurisdiction under chapter 135 from giving information—

- (1) in response to legal process issued under authority of a court of the United States or a State;

(2) to an officer, employee, or agent of the United States Government, a State, or a territory or possession of the United States; or

(3) to another carrier or its agent to adjust mutual traffic accounts in the ordinary course of business.

§ 14909. Disobedience to subpoenas

Whoever does not obey a subpoena or requirement of the Secretary or the Board to appear and testify or produce records shall be fined under title 18 or imprisoned not more than 1 year, or both.

§ 14910. General civil penalty when specific penalty not provided

When another civil penalty is not provided under this chapter, a person that violates a provision of this part or a regulation or order prescribed under this part, or a condition of a registration under this part related to transportation that is subject to jurisdiction under subchapter I or III of chapter 135 or a condition of a registration of a foreign motor carrier or foreign motor private carrier under section 13902, is liable to the United States for a civil penalty of \$500 for each violation. A separate violation occurs each day the violation continues.

§ 14911. Punishment of corporation for violations committed by certain individuals

An act or omission that would be a violation of this part if committed by a director, officer, receiver, trustee, lessee, agent, or employee of a carrier providing transportation or service subject to jurisdiction under chapter 135 that is a corporation is also a violation of this part by that corporation. The penalties of this chapter apply to that violation. When acting in the scope of their employment, the actions and omissions of individuals acting for or employed by that carrier are considered to be the actions and omissions of that carrier as well as that individual.

§ 14912. Weight-bumping in household goods transportation

(a) **WEIGHT-BUMPING DEFINED.**—For the purposes of this section, “weight-bumping” means the knowing and willful making or securing of a fraudulent weight on a shipment of household goods which is subject to jurisdiction under subchapter I or III of chapter 135.

(b) **PENALTY.**—Whoever has been found to have committed weight-bumping shall be fined under title 18 or imprisoned not more than 2 years, or both.

§ 14913. Conclusiveness of rates in certain prosecutions

When a carrier publishes or files a particular rate under section 13702 or participates in such a rate, the published or filed rate is conclusive proof against that carrier, its officers, and agents that it is the legal rate for that transportation or service in a proceeding begun under section 14902 or 14903. A departure, or offer to depart, from that published or filed rate is a violation of those sections.

§ 14914. Civil penalty procedures

(a) **IN GENERAL.**—After notice and an opportunity for a hearing, a person found by the Surface Transportation Board to have violated a provision of law that the Board carries out or a regulation prescribed under that law by the Board that is related to transportation which occurs under subchapter II of chapter 135 for which a civil penalty is provided, is liable to the United States for the civil penalty provided. The amount of the civil penalty shall be assessed by the Board by written notice. In determining the amount of the penalty, the Board shall consider the nature, circumstances, extent, and gravity of the prohibited acts committed and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and other matters that justice requires.

(b) **COMPROMISE.**—The Board may compromise, modify, or remit, with or without consideration, a civil penalty until the assessment is referred to the Attorney General.

(c) **COLLECTION.**—If a person fails to pay an assessment of a civil penalty after it has become final, the Board may refer the matter to the Attorney General for collection in an appropriate district court of the United States.

(d) **REFUNDS.**—The Board may refund or remit a civil penalty collected under this section if—

(1) application has been made for refund or remission of the penalty within 1 year from the date of payment; and

(2) the Board finds that the penalty was unlawfully, improperly, or excessively imposed.

PART C—PIPELINE CARRIERS**CHAPTER 151—GENERAL PROVISIONS**

Sec.

15101. Transportation policy.

15102. Definitions.

15103. Remedies as cumulative.

§ 15101. Transportation policy

(a) **IN GENERAL.**—To ensure the development, coordination, and preservation of a transportation system that meets the transportation needs of the United States, including the national defense, it is the policy of the United States Government to oversee the modes of transportation and in overseeing those modes—

(1) to recognize and preserve the inherent advantage of each mode of transportation;

(2) to promote safe, adequate, economical, and efficient transportation;

(3) to encourage sound economic conditions in transportation, including sound economic conditions among carriers;

(4) to encourage the establishment and maintenance of reasonable rates for transportation without unreasonable discrimination or unfair or destructive competitive practices;

(5) to cooperate with each State and the officials of each State on transportation matters; and

(6) to encourage fair wages and working conditions in the transportation industry.

(b) ADMINISTRATION TO CARRY OUT POLICY.—This part shall be administered and enforced to carry out the policy of this section.

§ 15102. Definitions

In this part—

(1) BOARD.—The term “Board” means the Surface Transportation Board.

(2) PIPELINE CARRIER.—The term “pipeline carrier” means a person providing pipeline transportation for compensation.

(3) RATE.—The term “rate” means a rate or charge for transportation.

(4) STATE.—The term “State” means a State of the United States and the District of Columbia.

(5) TRANSPORTATION.—The term “transportation” includes—

(A) property, facilities, instrumentalities, or equipment of any kind related to the movement of property, regardless of ownership or an agreement concerning use; and

(B) services related to that movement, including receipt, delivery, transfer in transit, storage, handling, and interchange of property.

(6) UNITED STATES.—The term “United States” means the States of the United States and the District of Columbia.

§ 15103. Remedies as cumulative

Except as otherwise provided in this part, the remedies provided under this part are in addition to remedies existing under another law or common law.

CHAPTER 153—JURISDICTION

Sec.

15301. General pipeline jurisdiction.

15302. Authority to exempt pipeline carrier transportation.

§ 15301. General pipeline jurisdiction

(a) IN GENERAL.—The Board has jurisdiction over transportation by pipeline, or by pipeline and railroad or water, when transporting a commodity other than water, gas, or oil. Jurisdiction under this subsection applies only to transportation in the United States between a place in—

(1) a State and a place in another State;

(2) the District of Columbia and another place in the District of Columbia;

(3) a State and a place in a territory or possession of the United States;

(4) a territory or possession of the United States and a place in another such territory or possession;

(5) a territory or possession of the United States and another place in the same territory or possession;

(6) the United States and another place in the United States through a foreign country; or

(7) the United States and a place in a foreign country.

(b) **NO JURISDICTION OVER INTRASTATE TRANSPORTATION.**—The Board does not have jurisdiction under subsection (a) over the transportation of property, or the receipt, delivery, storage, or handling of property, entirely in a State (other than the District of Columbia) and not transported between a place in the United States and a place in a foreign country except as otherwise provided in this part.

(c) **PROTECTION OF STATES POWERS.**—This part does not affect the power of a State, in exercising its police power, to require reasonable intrastate transportation by carriers providing transportation subject to the jurisdiction of the Board under this chapter unless the State requirement is inconsistent with an order of the Board issued under this part or is prohibited under this part.

§ 15302. Authority to exempt pipeline carrier transportation

(a) **IN GENERAL.**—In a matter related to a pipeline carrier providing transportation subject to jurisdiction under this chapter, the Board shall exempt a person, class of persons, or a transaction or service when the Board finds that the application, in whole or in part, of a provision of this part—

(1) is not necessary to carry out the transportation policy of section 15101; and

(2) either (A) the transaction or service is of limited scope, or (B) the application, in whole or in part, of the provision is not needed to protect shippers from the abuse of market power.

(b) **INITIATION OF PROCEEDING.**—The Board may, where appropriate, begin a proceeding under this section on its own initiative or an interested party.

(c) **PERIOD OF EXEMPTION.**—The Board may specify the period of time during which an exemption granted under this section is effective.

(d) **REVOCAION.**—The Board may revoke an exemption, to the extent it specifies, when it finds that application, in whole or in part, of a provision of this part to the person, class, or transportation is necessary to carry out the transportation policy of section 15101.

CHAPTER 155—RATES

Sec.

15501. Standards for pipeline rates, classifications, through routes, rules, and practices.

15502. Authority for pipeline carriers to establish rates, classifications, rules, and practices.

15503. Authority and criteria: rates, classifications, rules, and practices prescribed by Board.

15504. Government traffic.

15505. Prohibition against discrimination by pipeline carriers.

15506. Facilities for interchange of traffic.

§ 15501. Standards for pipeline rates, classifications, through routes, rules, and practices

(a) **REASONABLENESS.**—A rate, classification, rule, or practice related to transportation or service provided by a pipeline carrier subject to this part must be reasonable. A through route established by such a carrier must be reasonable.

(b) NONDISCRIMINATION.—A pipeline carrier providing transportation subject to this part may not discriminate in its rates against a connecting line of any other pipeline, rail, or water carrier providing transportation subject to this subtitle or unreasonably discriminate against that line in the distribution of traffic that is not routed specifically by the shipper.

§ 15502. Authority for pipeline carriers to establish rates, classifications, rules, and practices

A pipeline carrier providing transportation or service subject to this part shall establish—

- (1) rates and classifications for transportation and service it may provide under this part; and
- (2) rules and practices on matters related to that transportation or service.

§ 15503. Authority and criteria: rates, classifications, rules, and practices prescribed by Board

(a) IN GENERAL.—When the Board, after a full hearing, decides that a rate charged or collected by a pipeline carrier for transportation subject to this part, or that a classification, rule, or practice of that carrier, does or will violate this part, the Board may prescribe the rate, classification, rule, or practice to be followed. In prescribing the rate, classification, rule, or practice, the Board may utilize rate reasonableness procedures that provide an effective simulation of a market-based price for a stand alone pipeline. The Board may order the carrier to stop the violation. When a rate, classification, rule, or practice is prescribed under this subsection, the affected carrier may not publish, charge, or collect a different rate and shall adopt the classification and observe the rule or practice prescribed by the Board.

(b) FACTORS TO CONSIDER.—When prescribing a rate, classification, rule, or practice for transportation or service by a pipeline carrier, the Board shall consider, among other factors—

- (1) the effect of the prescribed rate, classification, rule, or practice on the movement of traffic by that carrier;
- (2) the need for revenues that are sufficient, under honest, economical, and efficient management, to let the carrier provide that transportation or service; and
- (3) the availability of other economic transportation alternatives.

(c) PROCEEDING.—The Board may begin a proceeding under this section on complaint. A complaint under this section must contain a full statement of the facts and the reasons for the complaint and must be made under oath.

§ 15504. Government traffic

A pipeline carrier providing transportation or service for the United States Government may transport property for the United States Government without charge or at a rate reduced from the applicable commercial rate. Section 3709 of the Revised Statutes (41 U.S.C. 5) does not apply when transportation for the United States Government can be obtained from a carrier lawfully operating in the area where the transportation would be provided.

§ 15505. Prohibition against discrimination by pipeline carriers

A pipeline carrier providing transportation or service subject to this part may not subject a person, place, port, or type of traffic to unreasonable discrimination.

§ 15506. Facilities for interchange of traffic

A pipeline carrier providing transportation subject to this part shall provide reasonable, proper, and equal facilities that are within its power to provide for the interchange of traffic between, and for the receiving, forwarding, and delivering of property to and from, its respective line and a connecting line of a pipeline, rail, or water carrier under this subtitle.

CHAPTER 157—OPERATIONS OF CARRIERS

SUBCHAPTER A—GENERAL REQUIREMENTS

Sec.

15701. Providing transportation and service.

SUBCHAPTER B—OPERATIONS OF CARRIERS

15721. Definitions.

15722. Records: form; inspection; preservation.

15723. Reports by carriers, lessors, and associations.

SUBCHAPTER A—GENERAL REQUIREMENTS

§ 15701. Providing transportation and service

(a) **SERVICE ON REASONABLE REQUEST.**—A pipeline carrier providing transportation or service under this part shall provide the transportation or service on reasonable request.

(b) **RATES AND OTHER TERMS.**—A pipeline carrier shall also provide to any person, on request, the carrier's rates and other service terms. The response by a pipeline carrier to a request for the carrier's rates and other service terms shall be—

(1) in writing and forwarded to the requesting person promptly after receipt of the request; or

(2) promptly made available in electronic form.

(c) **LIMITATION ON RATE INCREASES AND CHANGES TO SERVICE TERMS.**—A pipeline carrier may not increase any common carrier rates or change any common carrier service terms unless 20 days have expired after written or electronic notice is provided to any person who, within the previous 12 months—

(1) has requested such rates or terms under subsection (b);

or

(2) has made arrangements with the carrier for a shipment that would be subject to such increased rates or changed terms.

(d) **PROVISION OF SERVICE.**—A pipeline carrier shall provide transportation or service in accordance with the rates and service terms, and any changes thereto, as published or otherwise made available under subsection (b) or (c).

(e) **REGULATIONS.**—The Board shall, by regulation, establish rules to implement this section. The regulations shall provide for immediate disclosure and dissemination of rates and service terms,

including classifications, rules, and practices, and their effective dates. The regulations may modify the 20-day period specified in subsection (c). Final regulations shall be adopted by the Board not later than 180 days after January 1, 1996.

SUBCHAPTER B—OPERATIONS OF CARRIERS

§ 15721. Definitions

In this subchapter, the following definitions apply:

(1) CARRIER, LESSOR.—The terms “carrier” and “lessor” include a receiver or trustee of a pipeline carrier and lessor, respectively.

(2) LESSOR.—The term “lessor” means a person owning a pipeline that is leased to and operated by a carrier providing transportation under this part.

(3) ASSOCIATION.—The term “association” means an organization maintained by or in the interest of a group of pipeline carriers that performs a service, or engages in activities, related to transportation under this part.

§ 15722. Records: form; inspection; preservation

(a) FORM OF RECORDS.—The Board may prescribe the form of records required to be prepared or compiled under this subchapter by pipeline carriers and lessors, including records related to movement of traffic and receipts and expenditures of money.

(b) INSPECTION.—The Board, or an employee designated by the Board, may on demand and display of proper credentials—

(1) inspect and examine the lands, buildings, and equipment of a pipeline carrier or lessor; and

(2) inspect and copy any record of—

(A) a pipeline carrier, lessor, or association; and

(B) a person controlling, controlled by, or under common control with a pipeline carrier if the Board considers inspection relevant to that person’s relation to, or transaction with, that carrier.

(c) PRESERVATION PERIOD.—The Board may prescribe the time period during which operating, accounting, and financial records must be preserved by pipeline carriers and lessors.

§ 15723. Reports by carriers, lessors, and associations

(a) FILING OF REPORTS.—The Board may require pipeline carriers, lessors, and associations, or classes of them as the Board may prescribe, to file annual, periodic, and special reports with the Board containing answers to questions asked by it.

(b) UNDER OATH.—Any report under this section shall be made under oath.

CHAPTER 159—ENFORCEMENT: INVESTIGATIONS, RIGHTS, AND REMEDIES

Sec.

15901. General authority.

15902. Enforcement by the Board.

15903. Enforcement by the Attorney General.

15904. Rights and remedies of persons injured by pipeline carriers.

15905. Limitation on actions by and against pipeline carriers.
15906. Liability of pipeline carriers under receipts and bills of lading.

§ 15901. General authority

(a) INVESTIGATION; COMPLIANCE ORDER.—Except as otherwise provided in this part, the Board may begin an investigation under this part only on complaint. If the Board finds that a pipeline carrier is violating this part, the Board shall take appropriate action to compel compliance with this part. The Board shall provide the carrier notice of the investigation and an opportunity for a proceeding.

(b) COMPLAINT.—A person, including a governmental authority, may file with the Board a complaint about a violation of this part by a pipeline carrier providing transportation or service subject to this part. The complaint must state the facts that are the subject of the violation. The Board may dismiss a complaint it determines does not state reasonable grounds for investigation and action. However, the Board may not dismiss a complaint made against a pipeline carrier providing transportation subject to this part because of the absence of direct damage to the complainant.

(c) AUTOMATIC DISMISSAL.—A formal investigative proceeding begun by the Board under subsection (a) is dismissed automatically unless it is concluded by the Board with administrative finality by the end of the 3d year after the date on which it was begun.

§ 15902. Enforcement by the Board

The Board may bring a civil action to enforce an order of the Board, except a civil action to enforce an order for the payment of money, when it is violated by a pipeline carrier providing transportation subject to this part.

§ 15903. Enforcement by the Attorney General

(a) ON BEHALF OF BOARD.—The Attorney General may, and on request of the Board shall, bring court proceedings to enforce this part or a regulation or order of the Board and to prosecute a person violating this part or a regulation or order of the Board issued under this part.

(b) ON BEHALF OF OTHERS.—The United States Government may bring a civil action on behalf of a person to compel a pipeline carrier providing transportation or service subject to this part to provide that transportation or service to that person in compliance with this part at the same rate charged, or on conditions as favorable as those given by the carrier, for like traffic under similar conditions to another person.

§ 15904. Rights and remedies of persons injured by pipeline carriers

(a) ENFORCEMENT OF ORDERS.—A person injured because a pipeline carrier providing transportation or service subject to this part does not obey an order of the Board, except an order for the payment of money, may bring a civil action to enforce that order under this subsection.

(b) LIABILITY OF CARRIER.—

(1) EXCESSIVE CHARGES.—A pipeline carrier providing transportation subject to this part is liable to a person for amounts charged that exceed the applicable rate for the transportation.

(2) DAMAGES.—A pipeline carrier providing transportation subject to this part is liable for damages sustained by a person as a result of an act or omission of that carrier in violation of this part.

(c) COMPLAINTS.—

(1) FILING.—A person may file a complaint with the Board under section 15901(b) or bring a civil action under subsection (b) to enforce liability against a pipeline carrier providing transportation subject to this part.

(2) PAYMENT DEADLINE.—When the Board makes an award under subsection (b), the Board shall order the carrier to pay the amount awarded by a specific date. The Board may order a carrier providing transportation subject to this part to pay damages only when the proceeding is on complaint. The person for whose benefit an order of the Board requiring the payment of money is made may bring a civil action to enforce that order under this paragraph if the carrier does not pay the amount awarded by the date payment was ordered to be made.

(d) CIVIL ACTIONS.—

(1) COMPLAINT.—When a person begins a civil action under subsection (b) to enforce an order of the Board requiring the payment of damages by a pipeline carrier providing transportation subject to this part, the text of the order of the Board must be included in the complaint. In addition to the district courts of the United States, a State court of general jurisdiction having jurisdiction of the parties has jurisdiction to enforce an order under this paragraph. The findings and order of the Board are competent evidence of the facts stated in them. Trial in a civil action brought in a district court of the United States under this paragraph is in the judicial district in which the plaintiff resides or in which the principal operating office of the carrier is located. In a civil action under this paragraph, the plaintiff is liable for only those costs that accrue on an appeal taken by the plaintiff.

(2) ATTORNEY'S FEES.—The district court shall award a reasonable attorney's fee as a part of the damages for which a carrier is found liable under this subsection. The district court shall tax and collect that fee as a part of the costs of the action.

§ 15905. Limitation on actions by and against pipeline carriers

(a) IN GENERAL.—A pipeline carrier providing transportation or service subject to this part must begin a civil action to recover charges for transportation or service provided by the carrier within 3 years after the claim accrues.

(b) OVERCHARGES.—A person must begin a civil action to recover overcharges under section 15904(b)(1) within 3 years after the claim accrues. If an election to file a complaint with the Board

is made under section 15904(c)(1), the complaint must be filed within 3 years after the claim accrues.

(c) DAMAGES.—A person must file a complaint with the Board to recover damages under section 15904(b)(2) within 2 years after the claim accrues.

(d) EXTENSIONS.—The limitation periods under subsection (b) are extended for 6 months from the time written notice is given to the claimant by the carrier of disallowance of any part of the claim specified in the notice if a written claim is given to the carrier within those limitation periods. The limitation periods under subsection (b) and the 2-year period under subsection (c) are extended for 90 days from the time the carrier begins a civil action under subsection (a) to recover charges related to the same transportation or service, or collects (without beginning a civil action under that subsection) the charge for that transportation or service if that action is begun or collection is made within the appropriate period.

(e) PAYMENT.—A person must begin a civil action to enforce an order of the Board against a carrier for the payment of money within one year after the date the order required the money to be paid.

(f) GOVERNMENT TRANSPORTATION.—This section applies to transportation for the United States Government. The time limitations under this section are extended, as related to transportation for or on behalf of the United States Government, for 3 years from the date of—

- (1) payment of the rate for the transportation or service involved,
- (2) subsequent refund for overpayment of that rate, or
- (3) deduction made under section 3726 of title 31,

whichever is later.

(g) ACCRUAL DATE.—A claim related to a shipment of property accrues under this section on delivery or tender of delivery by the carrier.

§ 15906. Liability of pipeline carriers under receipts and bills of lading

(a) GENERAL LIABILITY.—A pipeline carrier providing transportation or service subject to this part shall issue a receipt or bill of lading for property it receives for transportation under this part. That carrier and any other carrier that delivers the property and is providing transportation or service subject to jurisdiction under this part are liable to the person entitled to recover under the receipt or bill of lading. The liability imposed under this subsection is for the actual loss or injury to the property caused by the carrier over whose line or route the property is transported in the United States or from a place in the United States to a place in an adjacent foreign country when transported under a through bill of lading. Failure to issue a receipt or bill of lading does not affect the liability of a carrier.

(b) APPORTIONMENT.—The carrier issuing the receipt or bill of lading under subsection (a) or delivering the property for which the receipt or bill of lading was issued is entitled to recover from the carrier over whose line or route the loss or injury occurred the amount required to be paid to the owners of the property, as evi-

denced by a receipt, judgment, or transcript, and the amount of its expenses reasonably incurred in defending a civil action brought by that person.

(c) CIVIL ACTIONS.—A civil action under this section may be brought against a delivering carrier in a district court of the United States or in a State court. Trial, if the action is brought in a district court of the United States is in a judicial district, and if in a State court, is in a State, through which the defendant carrier operates a line or route.

(d) MINIMUM PERIOD FOR FILING CLAIMS.—A pipeline carrier may not provide by rule, contract, or otherwise, a period of less than 9 months for filing a claim against it under this section and a period of less than 2 years for bringing a civil action against it under this section. The period for bringing a civil action is computed from the date the carrier gives a person written notice that the carrier has disallowed any part of the claim specified in the notice. For the purposes of this subsection—

(1) an offer of compromise shall not constitute a disallowance of any part of the claim unless the carrier, in writing, informs the claimant that such part of the claim is disallowed and provides reasons for such disallowance; and

(2) communications received from a carrier's insurer shall not constitute a disallowance of any part of the claim unless the insurer, in writing, informs the claimant that such part of the claim is disallowed, provides reasons for such disallowance, and informs the claimant that the insurer is acting on behalf of the carrier.

CHAPTER 161—CIVIL AND CRIMINAL PENALTIES

Sec.

16101. General civil penalties.

16102. Recordkeeping and reporting violations.

16103. Unlawful disclosure of information.

16104. Disobedience to subpoenas.

16105. General criminal penalty when specific penalty not provided.

16106. Punishment of corporation for violations committed by certain individuals.

§ 16101. General civil penalties

(a) GENERAL.—Except as otherwise provided in this section, a pipeline carrier providing transportation subject to this part, an officer or agent of that carrier, or a receiver, trustee, lessee, or agent of one of them, knowingly violating this part or an order of the Board under this part is liable to the United States for a civil penalty of not more than \$5,000 for each violation. Liability under this subsection is incurred for each distinct violation. A separate violation occurs for each day the violation continues.

(b) RECORDKEEPING AND REPORTING.—

(1) RECORDS.—A person required under chapter 157 to make, prepare, preserve, or submit to the Board a record concerning transportation subject to this part that does not make, prepare, preserve, or submit that record as required under that chapter, is liable to the United States for a civil penalty of \$500 for each violation.

(2) INSPECTION.—A carrier providing transportation subject to this part, and a lessor, receiver, or trustee of that car-

rier, violating section 15722, is liable to the United States for a civil penalty of \$100 for each violation.

(3) **REPORTS.**—A carrier providing transportation subject to the jurisdiction of the Board under this part, a lessor, receiver, or trustee of that carrier, and an officer, agent, or employee of one of them, required to make a report to the Board or answer a question that does not make the report or does not specifically, completely, and truthfully answer the question, is liable to the United States for a civil penalty of \$100 for each violation.

(4) **CONTINUED VIOLATION.**—A separate violation occurs for each day violation under this subsection continues.

(c) **VENUE.**—Trial in a civil action under this section is in the judicial district in which the carrier has its principal operating office.

§ 16102. Recordkeeping and reporting violations

A person required to make a report to the Board, or make, prepare, or preserve a record, under chapter 157 about transportation subject to this part that knowingly and willfully—

- (1) makes a false entry in the report or record,
- (2) destroys, mutilates, changes, or by another means falsifies the record,
- (3) does not enter business related facts and transactions in the record,
- (4) makes, prepares, or preserves the record in violation of a regulation or order of the Board, or
- (5) files a false report or record with the Board,

shall be fined under title 18 or imprisoned not more than 2 years, or both.

§ 16103. Unlawful disclosure of information

(a) **GENERAL PROHIBITION.**—A pipeline carrier providing transportation subject to this part, or an officer, agent, or employee of that carrier, or another person authorized to receive information from that carrier, that knowingly discloses to another person, except the shipper or consignee, or a person who solicits or knowingly receives information about the nature, kind, quantity, destination, consignee, or routing of property tendered or delivered to that carrier for transportation provided under this part without the consent of the shipper or consignee, if that information may be used to the detriment of the shipper or consignee or may disclose improperly, to a competitor the business transactions of the shipper or consignee, is liable to the United States for a civil penalty of not more than \$1,000.

(b) **LIMITATION ON STATUTORY CONSTRUCTION.**—This part does not prevent a pipeline carrier providing transportation under this part from giving information—

- (1) in response to legal process issued under authority of a court of the United States or a State;
- (2) to an officer, employee, or agent of the United States Government, a State, or a territory or possession of the United States; or

(3) to another carrier or its agent to adjust mutual traffic accounts in the ordinary course of business.

(c) BOARD EMPLOYEE.—An employee of the Board delegated to make an inspection or examination under section 15722 who knowingly discloses information acquired during that inspection or examination, except as directed by the Board, a court, or a judge of that court, shall be fined under title 18 or imprisoned for not more than 6 months, or both.

§ 16104. Disobedience to subpoenas

Whoever does not obey a subpoena or requirement of the Board to appear and testify or produce records shall be fined under title 18 or imprisoned not more than 1 year, or both.

§ 16105. General criminal penalty when specific penalty not provided

When another criminal penalty is not provided under this chapter, a pipeline carrier providing transportation subject to this part, and when that carrier is a corporation, a director or officer of the corporation, or a receiver, trustee, lessee, or person acting for or employed by the corporation that, alone or with another person, willfully violates this part or an order prescribed under this part, shall be fined under title 18 or imprisoned not more than 2 years, or both. A separate violation occurs each day a violation of this part continues.

§ 16106. Punishment of corporation for violations committed by certain individuals

An act or omission that would be a violation of this subtitle if committed by a director, officer, receiver, trustee, lessee, agent, or employee of a pipeline carrier providing transportation or service subject to this part that is a corporation is also a violation of this part by that corporation. The penalties of this chapter apply to that violation. When acting in the scope of their employment, the actions and omissions of individuals acting for or employed by that carrier are considered to be the actions and omissions of that carrier as well as that individual.

SUBCHAPTER I—GENERAL

§ 20101. Purpose

The purpose of this chapter is to promote safety in every area of railroad operations and reduce railroad-related accidents and incidents.

§ 20102. Definitions

In this part—

(1) “railroad”—

(A) means any form of nonhighway ground transportation that runs on rails or electromagnetic guideways, including—

(i) commuter or other short-haul railroad passenger service in a metropolitan or suburban area and commuter railroad service that was operated by the Consolidated Rail Corporation on January 1, 1979; and

(ii) high speed ground transportation systems that connect metropolitan areas, without regard to whether those systems use new technologies not associated with traditional railroads; but

(B) does not include rapid transit operations in an urban area that are not connected to the general railroad system of transportation.

(2) “railroad carrier” means a person providing railroad transportation.

§ 20103. General authority

(a) REGULATIONS AND ORDERS.—The Secretary of Transportation, as necessary, shall prescribe regulations and issue orders for every area of railroad safety supplementing laws and regulations in effect on October 16, 1970. When prescribing a security regulation or issuing a security order that affects the safety of rail-

road operations, the Secretary of Homeland Security shall consult with the Secretary.

(b) REGULATIONS OF PRACTICE FOR PROCEEDINGS.—The Secretary shall prescribe regulations of practice applicable to each proceeding under this chapter. The regulations shall reflect the varying nature of the proceedings and include time limits for disposition of the proceedings. The time limit for disposition of a proceeding may not be more than 12 months after the date it begins.

(c) CONSIDERATION OF INFORMATION AND STANDARDS.—In prescribing regulations and issuing orders under this section, the Secretary shall consider existing relevant safety information and standards.

(d) WAIVERS.—The Secretary may waive compliance with any part of a regulation prescribed or order issued under this chapter if the waiver is in the public interest and consistent with railroad safety. The Secretary shall make public the reasons for granting the waiver.

(e) HEARINGS.—The Secretary shall conduct a hearing as provided by section 553 of title 5 when prescribing a regulation or issuing an order under this chapter, including a regulation or order establishing, amending, or waiving compliance with a railroad safety regulation prescribed or order issued under this chapter. An opportunity for an oral presentation shall be provided.

(f) TOURIST RAILROAD CARRIERS.—In prescribing regulations that pertain to railroad safety that affect tourist, historic, scenic, or excursion railroad carriers, the Secretary of Transportation shall take into consideration any financial, operational, or other factors that may be unique to such railroad carriers. The Secretary shall submit a report to Congress not later than September 30, 1995, on actions taken under this subsection.

§ 20104. Emergency authority

(a) ORDERING RESTRICTIONS AND PROHIBITIONS.—(1) If, through testing, inspection, investigation, or research carried out under this chapter, the Secretary of Transportation decides that an unsafe condition or practice, or a combination of unsafe conditions and practices, causes an emergency situation involving a hazard of death or personal injury, the Secretary immediately may order restrictions and prohibitions, without regard to section 20103(e) of this title, that may be necessary to abate the situation.

(2) The order shall describe the condition or practice, or a combination of conditions and practices, that causes the emergency situation and prescribe standards and procedures for obtaining relief from the order. This paragraph does not affect the Secretary's discretion under this section to maintain the order in effect for as long as the emergency situation exists.

(b) REVIEW OF ORDERS.—After issuing an order under this section, the Secretary shall provide an opportunity for review of the order under section 554 of title 5. If a petition for review is filed and the review is not completed by the end of the 30-day period beginning on the date the order was issued, the order stops being effective at the end of that period unless the Secretary decides in writing that the emergency situation still exists.

(c) CIVIL ACTIONS TO COMPEL ISSUANCE OF ORDERS.—An employee of a railroad carrier engaged in interstate or foreign commerce who may be exposed to imminent physical injury during that employment because of the Secretary's failure, without any reasonable basis, to issue an order under subsection (a) of this section, or the employee's authorized representative, may bring a civil action against the Secretary in a district court of the United States to compel the Secretary to issue an order. The action must be brought in the judicial district in which the emergency situation is alleged to exist, in which that employing carrier has its principal executive office, or for the District of Columbia. The Secretary's failure to issue an order under subsection (a) of this section may be reviewed only under section 706 of title 5.

§ 20105. State participation

(a) INVESTIGATIVE AND SURVEILLANCE ACTIVITIES.—The Secretary concerned may prescribe investigative and surveillance activities necessary to enforce the safety regulations prescribed and orders issued by the Secretary concerned that apply to railroad equipment, facilities, rolling stock, and operations in a State. The State may participate in those activities when the safety practices for railroad equipment, facilities, rolling stock, and operations in the State are regulated by a State authority and the authority submits to the Secretary concerned an annual certification as provided in subsection (b) of this section.

(b) ANNUAL CERTIFICATION.—(1) A State authority's annual certification must include—

(A) a certification that the authority—

(i) has regulatory jurisdiction over the safety practices for railroad equipment, facilities, rolling stock, and operations in the State;

(ii) was given a copy of each safety regulation prescribed and order issued by the Secretary concerned, that applies to the equipment, facilities, rolling stock, or operations, as of the date of certification; and

(iii) is conducting the investigative and surveillance activities prescribed by the Secretary concerned under subsection (a) of this section; and

(B) a report, in the form the Secretary concerned prescribes by regulation, that includes—

(i) the name and address of each railroad carrier subject to the safety jurisdiction of the authority;

(ii) each accident or incident reported during the prior 12 months by a railroad carrier involving a fatality, personal injury requiring hospitalization, or property damage of more than \$750 (or a higher amount prescribed by the Secretary concerned), and a summary of the authority's investigation of the cause and circumstances surrounding the accident or incident;

(iii) the record maintenance, reporting, and inspection practices conducted by the authority to aid the Secretary concerned in enforcing railroad safety regulations prescribed and orders issued by the Secretary concerned, including the number of inspections made of railroad equip-

ment, facilities, rolling stock, and operations by the authority during the prior 12 months; and

(iv) other information the Secretary concerned requires.

(2) An annual certification applies to a safety regulation prescribed or order issued after the date of the certification only if the State authority submits an appropriate certification to provide the necessary investigative and surveillance activities.

(3) If, after receipt of an annual certification, the Secretary concerned decides the State authority is not complying satisfactorily with the investigative and surveillance activities prescribed under subsection (a) of this section, the Secretary concerned may reject any part of the certification or take other appropriate action to achieve adequate enforcement. The Secretary concerned must give the authority notice and an opportunity for a hearing before taking action under this paragraph. When the Secretary concerned gives notice, the burden of proof is on the authority to show that it is complying satisfactorily with the investigative and surveillance activities prescribed by the Secretary concerned.

(c) AGREEMENT WHEN CERTIFICATION NOT RECEIVED.—(1) If the Secretary concerned does not receive an annual certification under subsection (a) of this section related to any railroad equipment, facility, rolling stock, or operation, the Secretary concerned may make an agreement with a State authority for the authority to provide any part of the investigative and surveillance activities prescribed by the Secretary concerned as necessary to enforce the safety regulations and orders applicable to the equipment, facility, rolling stock, or operation.

(2) The Secretary concerned may terminate any part of an agreement made under this subsection on finding that the authority has not provided every part of the investigative and surveillance activities to which the agreement relates. The Secretary concerned must give the authority notice and an opportunity for a hearing before making such a finding. The finding and termination shall be published in the Federal Register and may not become effective for at least 15 days after the date of publication.

(d) AGREEMENT FOR INVESTIGATIVE AND SURVEILLANCE ACTIVITIES.—In addition to providing for State participation under this section, the Secretary concerned may make an agreement with a State to provide investigative and surveillance activities related to the duties under chapters 203–213 of this title (in the case of the Secretary of Transportation) and duties under section 114 of this title (in the case of the Secretary of Homeland Security).

(e) PAYMENT.—On application by a State authority that has submitted a certification under subsections (a) and (b) of this section or made an agreement under subsection (c) or (d) of this section, the Secretary concerned shall pay not more than 50 percent of the cost of the personnel, equipment, and activities of the authority needed, during the next fiscal year, to carry out a safety program under the certification or agreement. However, the Secretary concerned may pay an authority only when the authority assures the Secretary concerned that it will provide the remaining cost of the safety program and that the total State money expended for the safety program, excluding grants of the United States Gov-

ernment, will be at least as much as the average amount expended for the fiscal years that ended June 30, 1969, and June 30, 1970.

(f) **MONITORING.**—The Secretary concerned may monitor State investigative and surveillance practices and carry out other inspections and investigations necessary to help enforce this chapter (in the case of the Secretary of Transportation) and duties under section 114 of this title (in the case of the Secretary of Homeland Security).

(g) **DEFINITIONS.**—In this section—

(1) the term “safety” includes security; and

(2) the term “Secretary concerned” means—

(A) the Secretary of Transportation, with respect to railroad safety matters concerning such Secretary under laws administered by that Secretary; and

(B) the Secretary of Homeland Security, with respect to railroad safety matters concerning such Secretary under laws administered by that Secretary.

§ 20106. National uniformity of regulation

Laws, regulations, and orders related to railroad safety and laws, regulations, and orders related to railroad security shall be nationally uniform to the extent practicable. A State may adopt or continue in force a law, regulation, or order related to railroad safety or security until the Secretary of Transportation (with respect to railroad safety matters), or the Secretary of Homeland Security (with respect to railroad security matters), regulation or issues an order covering the subject matter of the State requirement. A State may adopt or continue in force an additional or more stringent law, regulation, or order related to railroad safety or security when the law, regulation, or order—

(1) is necessary to eliminate or reduce an essentially local safety or security hazard;

(2) is not incompatible with a law, regulation, or order of the United States Government; and

(3) does not unreasonably burden interstate commerce.

§ 20107. Inspection and investigation

(a) **GENERAL.**—To carry out this part, the Secretary of Transportation may take actions the Secretary considers necessary, including—

(1) conduct investigations, make reports, issue subpoenas, require the production of documents, take depositions, and prescribe recordkeeping and reporting requirements; and

(2) delegate to a public entity or qualified person the inspection, examination, and testing of railroad equipment, facilities, rolling stock, operations, and persons.

(b) **ENTRY AND INSPECTION.**—In carrying out this part, an officer, employee, or agent of the Secretary, at reasonable times and in a reasonable way, may enter and inspect railroad equipment, facilities, rolling stock, operations, and relevant records. When requested, the officer, employee, or agent shall display proper credentials. During an inspection, the officer, employee, or agent is an employee of the United States Government under chapter 171 of title 28.

§ 20108. Research, development, testing, and training

(a) GENERAL.—The Secretary of Transportation shall carry out, as necessary, research, development, testing, evaluation, and training for every area of railroad safety.

(b) CONTRACTS.—To carry out this part, the Secretary may make contracts for, and carry out, research, development, testing, evaluation, and training (particularly for those areas of railroad safety found to need prompt attention).

(c) AMOUNTS FROM NON-GOVERNMENT SOURCES FOR TRAINING SAFETY EMPLOYEES.—The Secretary may request, receive, and expend amounts received from non-United States Government sources for expenses incurred in training safety employees of private industry, State and local authorities, or other public authorities, except State rail safety inspectors participating in training under section 20105 of this title.

§ 20109. Employee protections

(a) FILING COMPLAINTS AND TESTIFYING.—A railroad carrier engaged in interstate or foreign commerce may not discharge or in any way discriminate against an employee because the employee, whether acting for the employee or as a representative, has—

(1) filed a complaint or brought or caused to be brought a proceeding related to the enforcement of this part or, as applicable to railroad safety, chapter 51 or 57 of this title; or

(2) testified or will testify in that proceeding.

(b) REFUSING TO WORK BECAUSE OF HAZARDOUS CONDITIONS.—(1) A railroad carrier engaged in interstate or foreign commerce may not discharge or in any way discriminate against an employee for refusing to work when confronted by a hazardous condition related to the performance of the employee's duties, if—

(A) the refusal is made in good faith and no reasonable alternative to the refusal is available to the employee;

(B) a reasonable individual in the circumstances then confronting the employee would conclude that—

(i) the hazardous condition presents an imminent danger of death or serious injury; and

(ii) the urgency of the situation does not allow sufficient time to eliminate the danger through regular statutory means; and

(C) the employee, where possible, has notified the carrier of the hazardous condition and the intention not to perform further work unless the condition is corrected immediately.

(2) This subsection does not apply to security personnel employed by a carrier to protect individuals and property transported by railroad.

(c) DISPUTE RESOLUTION.—A dispute, grievance, or claim arising under this section is subject to resolution under section 3 of the Railway Labor Act (45 U.S.C. 153). In a proceeding by the National Railroad Adjustment Board, a division or delegate of the Board, or another board of adjustment established under section 3 to resolve the dispute, grievance, or claim, the proceeding shall be expedited and the dispute, grievance, or claim shall be resolved not later than 180 days after it is filed. If the violation is a form of discrimination

that does not involve discharge, suspension, or another action affecting pay, and no other remedy is available under this subsection, the Board, division, delegate, or other board of adjustment may award the employee reasonable damages, including punitive damages, of not more than \$20,000.

(d) ELECTION OF REMEDIES.—An employee of a railroad carrier may not seek protection under both this section and another provision of law for the same allegedly unlawful act of the carrier.

(e) DISCLOSURE OF IDENTITY.—(1) Except as provided in paragraph (2) of this subsection, or with the written consent of the employee, the Secretary of Transportation may not disclose the name of an employee of a railroad carrier who has provided information about an alleged violation of this part or, as applicable to railroad safety, chapter 51 or 57 of this title or a regulation prescribed or order issued under any of those provisions.

(2) The Secretary shall disclose to the Attorney General the name of an employee described in paragraph (1) of this subsection if the matter is referred to the Attorney General for enforcement.

§ 20110. Effect on employee qualifications and collective bargaining

This chapter does not—

(1) authorize the Secretary of Transportation to prescribe regulations and issue orders related to qualifications of employees, except qualifications specifically related to safety; or

(2) prohibit the bargaining representatives of railroad carriers and their employees from making collective bargaining agreements under the Railway Labor Act (45 U.S.C. 151 et seq.), including agreements related to qualifications of employees, that are not inconsistent with regulations prescribed and orders issued under this chapter.

§ 20111. Enforcement by the Secretary of Transportation

(a) EXCLUSIVE AUTHORITY.—The Secretary of Transportation has exclusive authority—

(1) to impose and compromise a civil penalty for a violation of a railroad safety regulation prescribed or order issued by the Secretary;

(2) except as provided in section 20113 of this title, to request an injunction for a violation of a railroad safety regulation prescribed or order issued by the Secretary; and

(3) to recommend appropriate action be taken under section 20112(a) of this title.

(b) COMPLIANCE ORDERS.—The Secretary may issue an order directing compliance with this part or with a railroad safety regulation prescribed or order issued under this part.

(c) ORDERS PROHIBITING INDIVIDUALS FROM PERFORMING SAFETY-SENSITIVE FUNCTIONS.—If an individual's violation of this chapter or any of the laws transferred to the jurisdiction of the Secretary of Transportation by subsection (e) (1), (2), and (6)(A) of section 6 of the Department of Transportation Act, as in effect on June 1, 1994, or a regulation prescribed or order issued by the Secretary under this chapter is shown to make that individual unfit for the performance of safety-sensitive functions, the Secretary,

after notice and opportunity for a hearing, may issue an order prohibiting the individual from performing safety-sensitive functions in the railroad industry for a specified period of time or until specified conditions are met. This subsection does not affect the Secretary's authority under section 20104 of this title to act on an emergency basis.

(d) REGULATIONS REQUIRING REPORTING OF REMEDIAL ACTIONS.—(1) The Secretary shall prescribe regulations to require that a railroad carrier notified by the Secretary that imposition of a civil penalty will be recommended for a failure to comply with this part, chapter 51 or 57 of this title, or a regulation prescribed or order issued under any of those provisions, shall report to the Secretary, not later than the 30th day after the end of the month in which the notification is received—

(A) actions taken to remedy the failure; or

(B) if appropriate remedial actions cannot be taken by that 30th day, an explanation of the reasons for the delay.

(2) The Secretary—

(A) not later than June 3, 1993, shall issue a notice of a regulatory proceeding for proposed regulations to carry out this subsection; and

(B) not later than September 3, 1994, shall prescribe final regulations to carry out this subsection.

§ 20112. Enforcement by the Attorney General

(a) CIVIL ACTIONS.—At the request of the Secretary of Transportation, the Attorney General may bring a civil action in a district court of the United States—

(1) to enjoin a violation of, or to enforce, a railroad safety regulation prescribed or order issued by the Secretary;

(2) to collect a civil penalty imposed or an amount agreed on in compromise under section 21301 of this title; or

(3) to enforce a subpoena issued by the Secretary under this chapter.

(b) VENUE.—(1) Except as provided in paragraph (2) of this subsection, a civil action under this section may be brought in the judicial district in which the violation occurred or the defendant has its principal executive office. If an action to collect a penalty is against an individual, the action also may be brought in the judicial district in which the individual resides.

(2) A civil action to enforce a subpoena issued by the Secretary or a compliance order issued under section 20111(b) of this title may be brought in the judicial district in which the defendant resides, does business, or is found.

§ 20113. Enforcement by the States

(a) INJUNCTIVE RELIEF.—If the Secretary of Transportation does not begin a civil action under section 20112 of this title to enjoin the violation of a railroad safety regulation prescribed or order issued by the Secretary not later than 15 days after the date the Secretary receives notice of the violation and a request from a State authority participating in investigative and surveillance activities under section 20105 of this title that the action be brought, the authority may bring a civil action in a district court of the

United States to enjoin the violation. This subsection does not apply if the Secretary makes an affirmative written finding that the violation did not occur or that the action is not necessary because of other enforcement action taken by the Secretary related to the violation.

(b) IMPOSITION AND COLLECTION OF CIVIL PENALTIES.—If the Secretary does not impose the applicable civil penalty for a violation of a railroad safety regulation prescribed or order issued by the Secretary not later than 60 days after the date of receiving notice from a State authority participating in investigative and surveillance activities under section 20105 of this title, the authority may bring a civil action in a district court of the United States to impose and collect the penalty. This paragraph does not apply if the Secretary makes an affirmative written finding that the violation did not occur.

(c) VENUE.—A civil action under this section may be brought in the judicial district in which the violation occurred or the defendant has its principal executive office. However, a State authority may not bring an action under this section outside the State.

§ 20114. Judicial procedures

(a) CRIMINAL CONTEMPT.—In a trial for criminal contempt for violating an injunction or restraining order issued under this chapter, the violation of which is also a violation of this chapter, the defendant may demand a jury trial. The defendant shall be tried as provided in rule 42(b) of the Federal Rules of Criminal Procedure (18 App. U.S.C.).

(b) SUBPENAS FOR WITNESSES.—A subpoena for a witness required to attend a district court of the United States in an action brought under this chapter may be served in any judicial district.

(c) REVIEW OF AGENCY ACTION.—Except as provided in section 20104(c) of this title, a proceeding to review a final action of the Secretary of Transportation under this part or, as applicable to railroad safety, chapter 51 or 57 of this title shall be brought in the appropriate court of appeals as provided in chapter 158 of title 28.

§ 20115. User fees

(a) SCHEDULE OF FEES.—The Secretary of Transportation shall prescribe by regulation a schedule of fees for railroad carriers subject to this chapter. The fees—

(1) shall cover the costs of carrying out this chapter (except section 20108(a));

(2) shall be imposed fairly on the railroad carriers, in reasonable relationship to an appropriate combination of criteria such as revenue ton-miles, track miles, passenger miles, or other relevant factors; and

(3) may not be based on that part of industry revenues attributable to a railroad carrier or class of railroad carriers.

(b) COLLECTION PROCEDURES.—The Secretary shall prescribe procedures to collect the fees. The Secretary may use the services of a department, agency, or instrumentality of the United States Government or of a State or local authority to collect the fees, and may reimburse the department, agency, or instrumentality a reasonable amount for its services.

(c) COLLECTION, DEPOSIT, AND USE.—(1) The Secretary shall impose and collect fees under this section for each fiscal year before the end of the fiscal year.

(2) Fees collected under this section shall be deposited in the general fund of the Treasury as offsetting receipts. The fees may be used, to the extent provided in advance in an appropriation law, only to carry out this chapter.

(3) Fees prescribed under this section shall be imposed in an amount sufficient to pay for the costs of activities under this chapter. However, the total fees received for a fiscal year may not be more than 105 percent of the total amount of the appropriations for the fiscal year for activities to be financed by the fees.

(d) ANNUAL REPORT.—(1) Not later than 90 days after the end of each fiscal year in which fees are collected under this section, the Secretary shall report to Congress on—

(A) the amount of fees collected during that fiscal year;

(B) the impact of the fees on the financial health of the railroad industry and its competitive position relative to each competing mode of transportation; and

(C) the total cost of Government safety activities for each other competing mode of transportation, including any part of that total cost defrayed by Government user fees.

(2) Not later than 90 days after submitting a report for a fiscal year, the Secretary shall submit to Congress recommendations for corrective legislation if the report includes a finding that—

(A) there has been an impact from the fees on the financial health of the railroad industry or its competitive position relative to each competing mode of transportation; or

(B) there is a significant difference in the burden of Government user fees on the railroad industry and other competing modes of transportation.

(e) EXPIRATION.—This section expires on September 30, 1995.

【Section 20116 repealed by section 1121(g) of Public Law 104-66 (109 Stat. 724).】

§ 20117. Authorization of appropriations

(a) GENERAL.—(1) Not more than the following amounts may be appropriated to the Secretary of Transportation to carry out this chapter:

(A) \$68,283,000 for the fiscal year ending September 30, 1993.

(B) \$71,690,000 for the fiscal year ending September 30, 1994.

(C) \$68,289,000 for fiscal year 1995.

(D) \$75,112,000 for fiscal year 1996.

(E) \$82,563,000 for fiscal year 1997.

(F) \$90,739,000 for fiscal year 1998.

(2) Not more than \$5,000,000 may be appropriated to the Secretary for the fiscal year ending September 30, 1993, to carry out section 20105 of this title.

(b) GRADE CROSSING SAFETY.—Not more than \$1,000,000 may be appropriated to the Secretary for improvements in grade crossing safety, except demonstration projects under section 20134(c) of

this title. Amounts appropriated under this subsection remain available until expended.

(c) RESEARCH AND DEVELOPMENT, AUTOMATED TRACK INSPECTION, AND STATE PARTICIPATION GRANTS.—Amounts appropriated under this section for research and development, automated track inspection, and grants under section 20105(e) of this title remain available until expended.

(d) MINIMUM AVAILABLE FOR CERTAIN PURPOSES.—At least 50 percent of the amounts appropriated to the Secretary for a fiscal year to carry out railroad research and development programs under this chapter or another law shall be available for safety research, improved track inspection and information acquisition technology, improved railroad freight transportation, and improved railroad passenger systems.

(e) OPERATION LIFESAVER.—In addition to amounts otherwise authorized by law, there are authorized to be appropriated for railroad research and development \$300,000 for fiscal year 1995, \$500,000 for fiscal year 1996, and \$750,000 for fiscal year 1997, to support Operation Lifesaver, Inc.

SUBCHAPTER II—PARTICULAR ASPECTS OF SAFETY

§ 20131. Restricted access to rolling equipment

The Secretary of Transportation shall prescribe regulations and issue orders that may be necessary to require that when railroad carrier employees (except train or yard crews) assigned to inspect, test, repair, or service rolling equipment have to work on, under, or between that equipment, every manually operated switch, including each crossover switch, providing access to the track on which the equipment is located is lined against movement to that track and secured by an effective locking device that can be removed only by the class or craft of employees performing the inspection, testing, repair, or service.

§ 20132. Visible markers for rear cars

(a) GENERAL.—The Secretary of Transportation shall prescribe regulations and issue orders that may be necessary to require that—

(1) the rear car of each passenger and commuter train has at least one highly visible marker that is lighted during darkness and when weather conditions restrict clear visibility; and

(2) the rear car of each freight train has highly visible markers during darkness and when weather conditions restrict clear visibility.

(b) PREEMPTION.—Notwithstanding section 20106 of this title, subsection (a) of this section does not prohibit a State from continuing in force a law, regulation, or order in effect on July 8, 1976, related to lighted markers on the rear car of a freight train except to the extent it would cause the car to be in violation of this section.

§ 20133. Passenger cars

(a) MINIMUM STANDARDS.—The Secretary of Transportation shall prescribe regulations establishing minimum standards for the

safety of cars used by railroad carriers to transport passengers. Before prescribing such regulations, the Secretary shall consider—

- (1) the crashworthiness of the cars;
- (2) interior features (including luggage restraints, seat belts, and exposed surfaces) that may affect passenger safety;
- (3) maintenance and inspection of the cars;
- (4) emergency response procedures and equipment; and
- (5) any operating rules and conditions that directly affect safety not otherwise governed by regulations.

The Secretary may make applicable some or all of the standards established under this subsection to cars existing at the time the regulations are prescribed, as well as to new cars, and the Secretary shall explain in the rulemaking document the basis for making such standards applicable to existing cars.

(b) INITIAL AND FINAL REGULATIONS.—(1) The Secretary shall prescribe initial regulations under subsection (a) within 3 years after November 2, 1994. The initial regulations may exempt equipment used by tourist, historic, scenic, and excursion railroad carriers to transport passengers.

(2) The Secretary shall prescribe final regulations under subsection (a) within 5 years after November 2, 1994.

(c) PERSONNEL.—The Secretary may establish within the Department of Transportation 2 additional full-time equivalent positions beyond the number permitted under existing law to assist with the drafting, prescribing, and implementation of regulations under this section.

(d) CONSULTATION.—In prescribing regulations, issuing orders, and making amendments under this section, the Secretary may consult with Amtrak, public authorities operating railroad passenger service, other railroad carriers transporting passengers, organizations of passengers, and organizations of employees. A consultation is not subject to the Federal Advisory Committee Act (5 U.S.C. App.), but minutes of the consultation shall be placed in the public docket of the regulatory proceeding.

§ 20134. Grade crossings and railroad rights of way

(a) GENERAL.—To the extent practicable, the Secretary of Transportation shall maintain a coordinated effort to develop and carry out solutions to the railroad grade crossing problem and measures to protect pedestrians in densely populated areas along railroad rights of way. To carry out this subsection, the Secretary may use the authority of the Secretary under this chapter and over highway, traffic, and motor vehicle safety and over highway construction.

(b) SIGNAL SYSTEMS AND OTHER DEVICES.—Not later than June 22, 1989, the Secretary shall prescribe regulations and issue orders to ensure the safe maintenance, inspection, and testing of signal systems and devices at railroad highway grade crossings.

(c) DEMONSTRATION PROJECTS.—(1) The Secretary shall establish demonstration projects to evaluate whether accidents and incidents involving trains would be reduced by—

- (A) reflective markers installed on the road surface or on a signal post at railroad grade crossings;

(B) stop signs or yield signs installed at grade crossings;
and

(C) speed bumps or rumble strips installed on the road surfaces at the approaches to grade crossings.

(2) Not later than June 22, 1990, the Secretary shall submit a report on the results of the demonstration projects to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate.

§ 20135. Licensing or certification of locomotive operators

(a) GENERAL.—The Secretary of Transportation shall prescribe regulations and issue orders to establish a program requiring the licensing or certification, after one year after the program is established, of any operator of a locomotive.

(b) PROGRAM REQUIREMENTS.—The program established under subsection (a) of this section—

(1) shall be carried out through review and approval of each railroad carrier's operator qualification standards;

(2) shall provide minimum training requirements;

(3) shall require comprehensive knowledge of applicable railroad carrier operating practices and rules;

(4) except as provided in subsection (c)(1) of this section, shall require consideration, to the extent the information is available, of the motor vehicle driving record of each individual seeking licensing or certification, including—

(A) any denial, cancellation, revocation, or suspension of a motor vehicle operator's license by a State for cause within the prior 5 years; and

(B) any conviction within the prior 5 years of an offense described in section 30304(a)(3) (A) or (B) of this title;

(5) may require, based on the individual's driving record, disqualification or the granting of a license or certification conditioned on requirements the Secretary prescribes; and

(6) shall require an individual seeking a license or certification—

(A) to request the chief driver licensing official of each State in which the individual has held a motor vehicle operator's license within the prior 5 years to provide information about the individual's driving record to the individual's employer, prospective employer, or the Secretary, as the Secretary requires; and

(B) to make the request provided for in section 30305(b)(4) of this title for information to be sent to the individual's employer, prospective employer, or the Secretary, as the Secretary requires.

(c) WAIVERS.—(1) The Secretary shall prescribe standards and establish procedures for waiving subsection (b)(4) of this section for an individual or class of individuals who the Secretary decides are not currently unfit to operate a locomotive. However, the Secretary may waive subsection (b)(4) for an individual or class of individuals with a conviction, cancellation, revocation, or suspension described in paragraph (2) (A) or (B) of this subsection only if the individual

or class, after the conviction, cancellation, revocation, or suspension, successfully completes a rehabilitation program established by a railroad carrier or approved by the Secretary.

(2) If an individual, after the conviction, cancellation, revocation, or suspension, successfully completes a rehabilitation program established by a railroad carrier or approved by the Secretary, the individual may not be denied a license or certification under subsection (b)(4) of this section because of—

(A) a conviction for operating a motor vehicle when under the influence of, or impaired by, alcohol or a controlled substance; or

(B) the cancellation, revocation, or suspension of the individual's motor vehicle operator's license for operating a motor vehicle when under the influence of, or impaired by, alcohol or a controlled substance.

(d) OPPORTUNITY FOR HEARING.—An individual denied a license or certification or whose license or certification is conditioned on requirements prescribed under subsection (b)(4) of this section shall be entitled to a hearing under section 20103(e) of this title to decide whether the license has been properly denied or conditioned.

(e) OPPORTUNITY TO EXAMINE AND COMMENT ON INFORMATION.—The Secretary, employer, or prospective employer, as appropriate, shall make information obtained under subsection (b)(6) of this section available to the individual. The individual shall be given an opportunity to comment in writing about the information. Any comment shall be included in any record or file maintained by the Secretary, employer, or prospective employer that contains information to which the comment is related.

§ 20136. Automatic train control and related systems

The Secretary of Transportation shall prescribe regulations and issue orders to require that—

(1) an individual performing a test of an automatic train stop, train control, or cab signal apparatus required by the Secretary to be performed before entering territory where the apparatus will be used shall certify in writing that the test was performed properly; and

(2) the certification required under clause (1) of this section shall be maintained in the same way and place as the daily inspection report for the locomotive.

§ 20137. Event recorders

(a) DEFINITION.—In this section, “event recorder” means a device that—

(1) records train speed, hot box detection, throttle position, brake application, brake operations, and any other function the Secretary of Transportation considers necessary to record to assist in monitoring the safety of train operation, such as time and signal indication; and

(2) is designed to resist tampering.

(b) REGULATIONS AND ORDERS.—Not later than December 22, 1989, the Secretary shall prescribe regulations and issue orders that may be necessary to enhance safety by requiring that a train be equipped with an event recorder not later than one year after

the regulations are prescribed and the orders are issued. However, if the Secretary finds it is impracticable to equip trains within that one-year period, the Secretary may extend the period to a date that is not later than 18 months after the regulations are prescribed and the orders are issued.

§ 20138. Tampering with safety and operational monitoring devices

(a) GENERAL.—The Secretary of Transportation shall prescribe regulations and issue orders to prohibit the willful tampering with, or disabling of, any specified railroad safety or operational monitoring device.

(b) PENALTIES.—(1) A railroad carrier operating a train on which a safety or operational monitoring device is tampered with or disabled in violation of a regulation prescribed or order issued under subsection (a) of this section is liable to the United States Government for a civil penalty under section 21301 of this title.

(2) An individual tampering with or disabling a safety or operational monitoring device in violation of a regulation prescribed or order issued under subsection (a) of this section, or knowingly operating or allowing to be operated a train on which such a device has been tampered with or disabled, is liable for penalties established by the Secretary. The penalties may include—

- (A) a civil penalty under section 21301 of this title;
- (B) suspension from work; and
- (C) suspension or loss of a license or certification issued under section 20135 of this title.

§ 20139. Maintenance-of-way operations on railroad bridges

Not later than June 22, 1989, the Secretary of Transportation shall prescribe regulations and issue orders for the safety of maintenance-of-way employees on railroad bridges. The Secretary at least shall provide in those regulations standards for bridge safety equipment, including nets, walkways, handrails, and safety lines, and requirements for the use of vessels when work is performed on bridges located over bodies of water.

§ 20140. Alcohol and controlled substances testing

(a) DEFINITION.—In this section, “controlled substance” means any substance under section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802) specified by the Secretary of Transportation.

(b) GENERAL.—(1) In the interest of safety, the Secretary of Transportation shall prescribe regulations and issue orders, not later than October 28, 1992, related to alcohol and controlled substances use in railroad operations. The regulations shall establish a program requiring—

- (A) a railroad carrier to conduct preemployment, reasonable suspicion, random, and post-accident testing of all railroad employees responsible for safety-sensitive functions (as decided by the Secretary) for the use of a controlled substance in violation of law or a United States Government regulation, and to conduct reasonable suspicion, random, and post-accident testing of such employees for the use of alcohol in violation of law

or a United States Government regulation; the regulations shall permit such railroad carriers to conduct preemployment testing of such employees for the use of alcohol; and

(B) when the Secretary considers it appropriate, disqualification for an established period of time or dismissal of any employee found—

(i) to have used or been impaired by alcohol when on duty; or

(ii) to have used a controlled substance, whether or not on duty, except as allowed for medical purposes by law or a regulation or order under this chapter.

(2) When the Secretary of Transportation considers it appropriate in the interest of safety, the Secretary may prescribe regulations and issue orders requiring railroad carriers to conduct periodic recurring testing of railroad employees responsible for safety-sensitive functions (as decided by the Secretary) for the use of alcohol or a controlled substance in violation of law or a Government regulation.

(c) TESTING AND LABORATORY REQUIREMENTS.—In carrying out this section, the Secretary of Transportation shall develop requirements that shall—

(1) promote, to the maximum extent practicable, individual privacy in the collection of specimens;

(2) for laboratories and testing procedures for controlled substances, incorporate the Department of Health and Human Services scientific and technical guidelines dated April 11, 1988, and any amendments to those guidelines, including mandatory guidelines establishing—

(A) comprehensive standards for every aspect of laboratory controlled substances testing and laboratory procedures to be applied in carrying out this section, including standards requiring the use of the best available technology to ensure the complete reliability and accuracy of controlled substances tests and strict procedures governing the chain of custody of specimens collected for controlled substances testing;

(B) the minimum list of controlled substances for which individuals may be tested; and

(C) appropriate standards and procedures for periodic review of laboratories and criteria for certification and revocation of certification of laboratories to perform controlled substances testing in carrying out this section;

(3) require that a laboratory involved in controlled substances testing under this section have the capability and facility, at the laboratory, of performing screening and confirmation tests;

(4) provide that all tests indicating the use of alcohol or a controlled substance in violation of law or a Government regulation be confirmed by a scientifically recognized method of testing capable of providing quantitative information about alcohol or a controlled substance;

(5) provide that each specimen be subdivided, secured, and labeled in the presence of the tested individual and that a part of the specimen be retained in a secure manner to prevent the

possibility of tampering, so that if the individual's confirmation test results are positive the individual has an opportunity to have the retained part tested by a 2d confirmation test done independently at another certified laboratory if the individual requests the 2d confirmation test not later than 3 days after being advised of the results of the first confirmation test;

(6) ensure appropriate safeguards for testing to detect and quantify alcohol in breath and body fluid samples, including urine and blood, through the development of regulations that may be necessary and in consultation with the Secretary of Health and Human Services;

(7) provide for the confidentiality of test results and medical information (other than information about alcohol or a controlled substance) of employees, except that this clause does not prevent the use of test results for the orderly imposition of appropriate sanctions under this section; and

(8) ensure that employees are selected for tests by non-discriminatory and impartial methods, so that no employee is harassed by being treated differently from other employees in similar circumstances.

(d) REHABILITATION.—The Secretary of Transportation shall prescribe regulations or issue orders establishing requirements for rehabilitation programs that at least provide for the identification and opportunity for treatment of railroad employees responsible for safety-sensitive functions (as decided by the Secretary) in need of assistance in resolving problems with the use of alcohol or a controlled substance in violation of law or a Government regulation. The Secretary shall decide on the circumstances under which employees shall be required to participate in a program. Each railroad carrier is encouraged to make such a program available to all of its employees in addition to employees responsible for safety-sensitive functions. This subsection does not prevent a railroad carrier from establishing a program under this subsection in cooperation with another railroad carrier.

(e) INTERNATIONAL OBLIGATIONS AND FOREIGN LAWS AND REGULATIONS.—In carrying out this section, the Secretary of Transportation—

(1) shall establish only requirements that are consistent with international obligations of the United States; and

(2) shall consider applicable laws and regulations of foreign countries.

(f) OTHER REGULATIONS ALLOWED.—This section does not prevent the Secretary of Transportation from continuing in effect, amending, or further supplementing a regulation prescribed or order issued before October 28, 1991, governing the use of alcohol or a controlled substance in railroad operations.

§ 20141. Power brake safety

(a) REVIEW AND REVISION OF EXISTING REGULATIONS.—The Secretary of Transportation shall review existing regulations on railroad power brakes and, not later than December 31, 1993, revise the regulations based on safety information presented during the review. Where applicable, the Secretary shall prescribe regulations that establish standards on dynamic braking equipment.

(b) 2-WAY END-OF-TRAIN DEVICES.—(1) The Secretary shall require 2-way end-of-train devices (or devices able to perform the same function) on road trains, except locals, road switchers, or work trains, to enable the initiation of emergency braking from the rear of a train. The Secretary shall prescribe regulations as soon as possible, but not later than December 31, 1993, requiring the 2-way end-of-train devices. The regulations at least shall—

(A) establish standards for the devices based on performance;

(B) prohibit a railroad carrier, on or after the date that is one year after the regulations are prescribed, from acquiring any end-of-train device for use on trains that is not a 2-way device meeting the standards established under clause (A) of this paragraph;

(C) require that the trains be equipped with 2-way end-of-train devices meeting those standards not later than 4 years after the regulations are prescribed; and

(D) provide that any 2-way end-of-train device acquired for use on trains before the regulations are prescribed shall be deemed to meet the standards.

(2) The Secretary may consider petitions to amend the regulations prescribed under paragraph (1) of this subsection to allow the use of alternative technologies that meet the same basic performance requirements established by the regulations.

(3) In developing the regulations required by paragraph (1) of this subsection, the Secretary shall consider information presented under subsection (a) of this section.

(c) EXCLUSIONS.—The Secretary may exclude from regulations prescribed under subsections (a) and (b) of this section any category of trains or rail operations if the Secretary decides that the exclusion is in the public interest and is consistent with railroad safety. The Secretary shall make public the reasons for the exclusion. The Secretary at least shall exclude from the regulations prescribed under subsection (b)—

- (1) trains that have manned cabooses;
- (2) passenger trains with emergency brakes;
- (3) trains that operate only on track that is not part of the general railroad system;
- (4) trains that do not exceed 30 miles an hour and do not operate on heavy grades, except for any categories of trains specifically designated by the Secretary; and
- (5) trains that operate in a push mode.

§ 20142. Track safety

(a) REVIEW OF EXISTING REGULATIONS.—Not later than March 3, 1993, the Secretary of Transportation shall begin a review of Department of Transportation regulations related to track safety standards. The review at least shall include an evaluation of—

- (1) procedures associated with maintaining and installing continuous welded rail and its attendant structure, including cold weather installation procedures;
- (2) the need for revisions to regulations on track excepted from track safety standards; and
- (3) employee safety.

(b) REVISION OF REGULATIONS.—Not later than September 3, 1995, the Secretary shall prescribe regulations and issue orders to revise track safety standards, considering safety information presented during the review under subsection (a) of this section and the report of the Comptroller General submitted under subsection (c) of this section.

(c) COMPTROLLER GENERAL'S STUDY AND REPORT.—The Comptroller General shall study the effectiveness of the Secretary's enforcement of track safety standards, with particular attention to recent relevant railroad accident experience and information. Not later than September 3, 1993, the Comptroller General shall submit a report to Congress and the Secretary on the results of the study, with recommendations for improving enforcement of those standards.

(d) IDENTIFICATION OF INTERNAL RAIL DEFECTS.—In carrying out subsections (a) and (b), the Secretary shall consider whether or not to prescribe regulations and issue orders concerning—

(1) inspection procedures to identify internal rail defects, before they reach imminent failure size, in rail that has significant shelling; and

(2) any specific actions that should be taken when a rail surface condition, such as shelling, prevents the identification of internal defects.

§ 20143. Locomotive visibility

(a) DEFINITION.—In this section, “locomotive visibility” means the enhancement of day and night visibility of the front end unit of a train, considering in particular the visibility and perspective of a driver of a motor vehicle at a grade crossing.

(b) INTERIM REGULATIONS.—Not later than December 31, 1992, the Secretary of Transportation shall prescribe temporary regulations identifying ditch, crossing, strobe, and oscillating lights as temporary locomotive visibility measures and authorizing and encouraging the installation and use of those lights. Subchapter II of chapter 5 of title 5 does not apply to a temporary regulation or to an amendment to a temporary regulation.

(c) REVIEW OF REGULATIONS.—The Secretary shall review the Secretary's regulations on locomotive visibility. Not later than December 31, 1993, the Secretary shall complete the current research of the Department of Transportation on locomotive visibility. In conducting the review, the Secretary shall collect relevant information from operational experience by rail carriers using enhanced visibility measures.

(d) REGULATORY PROCEEDING.—Not later than June 30, 1994, the Secretary shall begin a regulatory proceeding to prescribe final regulations requiring substantially enhanced locomotive visibility measures. In the proceeding, the Secretary shall consider at least—

(1) revisions to the existing locomotive headlight standards, including standards for placement and intensity;

(2) requiring the use of reflective material to enhance locomotive visibility;

(3) requiring the use of additional alerting lights, including ditch, crossing, strobe, and oscillating lights;

(4) requiring the use of auxiliary lights to enhance locomotive visibility when viewed from the side;

(5) the effect of an enhanced visibility measure on the vision, health, and safety of train crew members; and

(6) separate standards for self-propelled, push-pull, and multi-unit passenger operations without a dedicated head end locomotive.

(e) FINAL REGULATIONS.—(1) Not later than June 30, 1995, the Secretary shall prescribe final regulations requiring enhanced locomotive visibility measures. The Secretary shall require that not later than December 31, 1997, a locomotive not excluded from the regulations be equipped with temporary visibility measures under subsection (b) of this section or the visibility measures the final regulations require.

(2) In prescribing regulations under paragraph (1) of this subsection, the Secretary may exclude a category of trains or rail operations from a specific visibility requirement if the Secretary decides the exclusion is in the public interest and is consistent with rail safety, including grade-crossing safety.

(3) A locomotive equipped with temporary visibility measures prescribed under subsection (b) of this section when final regulations are prescribed under paragraph (1) of this subsection is deemed to be complying with the final regulations for 4 years after the final regulations are prescribed.

§ 20144. Blue signal protection for on-track vehicles

The Secretary of Transportation shall prescribe regulations applying blue signal protection to on-track vehicles where rest is provided.

§ 20145. Report on bridge displacement detection systems

Not later than 18 months after November 2, 1994, the Secretary of Transportation shall transmit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report concerning any action that has been taken by the Secretary on railroad bridge displacement detection systems.

§ 20146. Institute for Railroad Safety

The Secretary of Transportation, in conjunction with a university or college having expertise in transportation safety, shall establish, within one year after November 2, 1994, an Institute for Railroad Safety. The Institute shall research, develop, fund, and test measures for reducing the number of fatalities and injuries relevant to railroad operations. There are authorized to be appropriated to the Secretary \$1,000,000 for each of the fiscal years 1996 through 2000 to fund activities carried out under this section by the Institute, which shall report at least once each year on its use of such funds in carrying out such activities and the results thereof to the Secretary of Transportation and the Congress.

§ 20147. Warning of civil liability

The Secretary of Transportation shall encourage railroad carriers to warn the public about potential liability for violation of reg-

ulations related to vandalism of railroad signs, devices, and equipment and to trespassing on railroad property.

§ 20148. Railroad car visibility

(a) REVIEW OF RULES.—The Secretary of Transportation shall conduct a review of the Department of Transportation's rules with respect to railroad car visibility. As part of this review, the Secretary shall collect relevant data from operational experience by railroads having enhanced visibility measures in service.

(b) REGULATIONS.—If the review conducted under subsection (a) establishes that enhanced railroad car visibility would likely improve safety in a cost-effective manner, the Secretary shall initiate a rulemaking proceeding to prescribe regulations requiring enhanced visibility standards for newly manufactured and remanufactured railroad cars. In such proceeding the Secretary shall consider, at a minimum—

(1) visibility of railroad cars from the perspective of non-railroad traffic;

(2) whether certain railroad car paint colors should be prohibited or required;

(3) the use of reflective materials;

(4) the visibility of lettering on railroad cars;

(5) the effect of any enhanced visibility measures on the health and safety of train crew members; and

(6) the cost/benefit ratio of any new regulations.

(c) EXCLUSIONS.—In prescribing regulations under subsection (b), the Secretary may exclude from any specific visibility requirement any category of trains or railroad operations if the Secretary determines that such an exclusion is in the public interest and is consistent with railroad safety.

§ 20149. Coordination with the Department of Labor

The Secretary of Transportation shall consult with the Secretary of Labor on a regular basis to ensure that all applicable laws affecting safe working conditions for railroad employees are appropriately enforced to ensure a safe and productive working environment for the railroad industry.

§ 20150. Positive train control system progress report

The Secretary of Transportation shall submit a report to the Congress on the development, deployment, and demonstration of positive train control systems by December 31, 1995.

§ 20151. Railroad trespassing and vandalism prevention strategy

(a) EVALUATION OF EXISTING LAWS.—In consultation with affected parties, the Secretary of Transportation shall evaluate and review current local, State, and Federal laws regarding trespassing on railroad property and vandalism affecting railroad safety, and develop model prevention strategies and enforcement laws to be used for the consideration of State and local legislatures and governmental entities. The first such evaluation and review shall be completed within 1 year after November 2, 1994. The Secretary

shall revise such model prevention strategies and enforcement codes periodically.

(b) **OUTREACH PROGRAM.**—The Secretary shall develop and maintain a comprehensive outreach program to improve communications among Federal railroad safety inspectors, State inspectors certified by the Federal Railroad Administration, railroad police, and State and local law enforcement officers, for the purpose of addressing trespassing and vandalism problems on railroad property, and strengthening relevant enforcement strategies. This program shall be designed to increase public and police awareness of the illegality of, dangers inherent in, and the extent of, trespassing on railroad rights-of-way, to develop strategies to improve the prevention of trespassing and vandalism, and to improve the enforcement of laws relating to railroad trespass, vandalism, and safety.

(c) **MODEL LEGISLATION.**—Within 18 months after November 2, 1994, the Secretary, after consultation with State and local governments and railroad carriers, shall develop and make available to State and local governments model State legislation providing for—

- (1) civil or criminal penalties, or both, for vandalism of railroad equipment or property which could affect the safety of the public or of railroad employees; and
- (2) civil or criminal penalties, or both, for trespassing on a railroad owned or leased right-of-way.

§ 20152. Emergency notification of grade crossing problems

(a) **PILOT PROGRAMS.**—The Secretary of Transportation shall conduct a pilot program to demonstrate an emergency notification system utilizing a toll free telephone number that the public can use to convey to railroad carriers, either directly or through public safety personnel, information about malfunctions or other safety problems at railroad-highway grade crossings. The pilot program, at a minimum—

- (1) shall include railroad-highway grade crossings in at least 2 States;
- (2) shall include provisions for public education and awareness of the program; and
- (3) shall require information to be posted at the railroad-highway grade crossing describing the emergency notification system and instructions on how to use the system.

The Secretary may, by grant, provide funding for the expense of information signs and public awareness campaigns necessary to demonstrate the notification system.

(b) **REPORT.**—The Secretary shall complete the pilot program not later than 24 months after November 2, 1994, and shall submit to the Congress not later than 30 months after November 2, 1994, an evaluation of the pilot program, together with findings as to the effectiveness of such emergency notification systems. The report shall compare and contrast the structure, cost, and effectiveness of the pilot program with other emergency notification systems in effect within other States. Such evaluation shall include analyses of the safety benefits derived from the programs, cost effectiveness, and the burdens on participants, including railroad carriers and law enforcement personnel.

§ 20153. Audible warnings at highway-rail grade crossings

(a) DEFINITIONS.—As used in this section—

(1) the term “highway-rail grade crossing” includes any street or highway crossing over a line of railroad at grade;

(2) the term “locomotive horn” refers to a train-borne audible warning device meeting standards specified by the Secretary of Transportation; and

(3) the term “supplementary safety measure” refers to a safety system or procedure, provided by the appropriate traffic control authority or law enforcement authority responsible for safety at the highway-rail grade crossing, that is determined by the Secretary to be an effective substitute for the locomotive horn in the prevention of highway-rail casualties. A traffic control arrangement that prevents careless movement over the crossing (e.g., as where adequate median barriers prevent movement around crossing gates extending over the full width of the lanes in the particular direction of travel), and that conforms to standards prescribed by the Secretary under this subsection, shall be deemed to constitute a supplementary safety measure. The following do not, individually or in combination, constitute supplementary safety measures within the meaning of this subsection: standard traffic control devices or arrangements such as reflectorized crossbucks, stop signs, flashing lights, flashing lights with gates that do not completely block travel over the line of railroad, or traffic signals.

(b) REQUIREMENT.—The Secretary of Transportation shall prescribe regulations requiring that a locomotive horn shall be sounded while each train is approaching and entering upon each public highway-rail grade crossing.

(c) EXCEPTION.—(1) In issuing such regulations, the Secretary may except from the requirement to sound the locomotive horn any categories of rail operations or categories of highway-rail grade crossings (by train speed or other factors specified by regulation)—

(A) that the Secretary determines not to present a significant risk with respect to loss of life or serious personal injury;

(B) for which use of the locomotive horn as a warning measure is impractical; or

(C) for which, in the judgment of the Secretary, supplementary safety measures fully compensate for the absence of the warning provided by the locomotive horn.

(2) In order to provide for safety and the quiet of communities affected by train operations, the Secretary may specify in such regulations that any supplementary safety measures must be applied to all highway-rail grade crossings within a specified distance along the railroad in order to be excepted from the requirement of this section.

(d) APPLICATION FOR WAIVER OR EXEMPTION.—Notwithstanding any other provision of this subchapter, the Secretary may not entertain an application for waiver or exemption of the regulations issued under this section unless such application shall have been submitted jointly by the railroad carrier owning, or controlling operations over, the crossing and by the appropriate traffic control authority or law enforcement authority. The Secretary shall not

grant any such application unless, in the judgment of the Secretary, the application demonstrates that the safety of highway users will not be diminished.

(e) DEVELOPMENT OF SUPPLEMENTARY SAFETY MEASURES.—(1) In order to promote the quiet of communities affected by rail operations and the development of innovative safety measures at highway-rail grade crossings, the Secretary may, in connection with demonstration of proposed new supplementary safety measures, order railroad carriers operating over one or more crossings to cease temporarily the sounding of locomotive horns at such crossings. Any such measures shall have been subject to testing and evaluation and deemed necessary by the Secretary prior to actual use in lieu of the locomotive horn.

(2) The Secretary may include in regulations issued under this subsection special procedures for approval of new supplementary safety measures meeting the requirements of subsection (c)(1) of this section following successful demonstration of those measures.

(f) SPECIFIC RULES.—The Secretary may, by regulation, provide that the following crossings over railroad lines shall be subject, in whole or in part, to the regulations required under this section:

(1) Private highway-rail grade crossings.

(2) Pedestrian crossings.

(3) Crossings utilized primarily by nonmotorized vehicles and other special vehicles.

Regulations issued under this subsection shall not apply to any location where persons are not authorized to cross the railroad.

(g) ISSUANCE.—The Secretary shall issue regulations required by this section pertaining to categories of highway-rail grade crossings that in the judgment of the Secretary pose the greatest safety hazard to rail and highway users not later than 24 months following November 2, 1994. The Secretary shall issue regulations pertaining to any other categories of crossings not later than 48 months following November 2, 1994.

(h) IMPACT OF REGULATIONS.—The Secretary shall include in regulations prescribed under this section a concise statement of the impact of such regulations with respect to the operation of section 20106 of this title (national uniformity of regulation).

(i) REGULATIONS.—In issuing regulations under this section, the Secretary—

(1) shall take into account the interest of communities that—

(A) have in effect restrictions on the sounding of a locomotive horn at highway-rail grade crossings; or

(B) have not been subject to the routine (as defined by the Secretary) sounding of a locomotive horn at highway-rail grade crossings;

(2) shall work in partnership with affected communities to provide technical assistance and shall provide a reasonable amount of time for local communities to install supplementary safety measures, taking into account local safety initiatives (such as public awareness initiatives and highway-rail grade crossing traffic law enforcement programs) subject to such terms and conditions as the Secretary deems necessary, to protect public safety; and

(3) may waive (in whole or in part) any requirement of this section (other than a requirement of this subsection or subsection (j)) that the Secretary determines is not likely to contribute significantly to public safety.

(j) EFFECTIVE DATE OF REGULATIONS.—Any regulations under this section shall not take effect before the 365th day following the date of publication of the final rule.

CHAPTER 203—SAFETY APPLIANCES

Sec.

- 20301. Definition and nonapplication.
- 20302. General requirements.
- 20303. Moving defective and insecure vehicles needing repairs.
- 20304. Assumption of risk by employees.
- 20305. Inspection of mail cars.
- 20306. Exemption for technological improvements.

§ 20301. Definition and nonapplication

(a) DEFINITION.—In this chapter, “vehicle” means a car, locomotive, tender, or similar vehicle.

(b) NONAPPLICATION.—This chapter does not apply to the following:

- (1) a train of 4-wheel coal cars.
- (2) a train of 8-wheel standard logging cars if the height of each car from the top of the rail to the center of the coupling is not more than 25 inches.
- (3) a locomotive used in hauling a train referred to in clause (2) of this subsection when the locomotive and cars of the train are used only to transport logs.
- (4) a car, locomotive, or train used on a street railway.

§ 20302. General requirements

(a) GENERAL.—Except as provided in subsection (c) of this section and section 20303 of this title, a railroad carrier may use or allow to be used on any of its railroad lines—

- (1) a vehicle only if it is equipped with—
 - (A) couplers coupling automatically by impact, and capable of being uncoupled, without the necessity of individuals going between the ends of the vehicles;
 - (B) secure sill steps and efficient hand brakes; and
 - (C) secure ladders and running boards when required by the Secretary of Transportation, and, if ladders are required, secure handholds or grab irons on its roof at the top of each ladder;
- (2) except as otherwise ordered by the Secretary, a vehicle only if it is equipped with secure grab irons or handholds on its ends and sides for greater security to individuals in coupling and uncoupling vehicles;
- (3) a vehicle only if it complies with the standard height of drawbars required by regulations prescribed by the Secretary;
- (4) a locomotive only if it is equipped with a power-driving wheel brake and appliances for operating the train-brake system; and
- (5) a train only if—

(A) enough of the vehicles in the train are equipped with power or train brakes so that the engineer on the locomotive hauling the train can control the train's speed without the necessity of brake operators using the common hand brakes for that purpose; and

(B) at least 50 percent of the vehicles in the train are equipped with power or train brakes and the engineer is using the power or train brakes on those vehicles and on all other vehicles equipped with them that are associated with those vehicles in the train.

(b) REFUSAL TO RECEIVE VEHICLES NOT PROPERLY EQUIPPED.—A railroad carrier complying with subsection (a)(5)(A) of this section may refuse to receive from a railroad line of a connecting railroad carrier or a shipper a vehicle that is not equipped with power or train brakes that will work and readily interchange with the power or train brakes in use on the vehicles of the complying railroad carrier.

(c) COMBINED VEHICLES LOADING AND HAULING LONG COMMODITIES.—Notwithstanding subsection (a)(1)(B) of this section, when vehicles are combined to load and haul long commodities, only one of the vehicles must have hand brakes during the loading and hauling.

(d) AUTHORITY TO CHANGE REQUIREMENTS.—The Secretary may—

(1) change the number, dimensions, locations, and manner of application prescribed by the Secretary for safety appliances required by subsection (a)(1)(B) and (C) and (2) of this section only for good cause and after providing an opportunity for a full hearing;

(2) amend regulations for installing, inspecting, maintaining, and repairing power and train brakes only for the purpose of achieving safety; and

(3) increase, after an opportunity for a full hearing, the minimum percentage of vehicles in a train that are required by subsection (a)(5)(B) of this section to be equipped and used with power or train brakes.

(e) SERVICES OF ASSOCIATION OF AMERICAN RAILROADS.—In carrying out subsection (d)(2) and (3) of this section, the Secretary may use the services of the Association of American Railroads.

§ 20303. Moving defective and insecure vehicles needing repairs

(a) GENERAL.—A vehicle that is equipped in compliance with this chapter whose equipment becomes defective or insecure nevertheless may be moved when necessary to make repairs, without a penalty being imposed under section 21302 of this title, from the place at which the defect or insecurity was first discovered to the nearest available place at which the repairs can be made—

(1) on the railroad line on which the defect or insecurity was discovered; or

(2) at the option of a connecting railroad carrier, on the railroad line of the connecting carrier, if not farther than the place of repair described in clause (1) of this subsection.

(b) **USE OF CHAINS INSTEAD OF DRAWBARS.**—A vehicle in a revenue train or in association with commercially-used vehicles may be moved under this section with chains instead of drawbars only when the vehicle contains livestock or perishable freight.

(c) **LIABILITY.**—The movement of a vehicle under this section is at the risk only of the railroad carrier doing the moving. This section does not relieve a carrier from liability in a proceeding to recover damages for death or injury of a railroad employee arising from the movement of a vehicle with equipment that is defective, insecure, or not maintained in compliance with this chapter.

§ 20304. Assumption of risk by employees

An employee of a railroad carrier injured by a vehicle or train used in violation of section 20302(a)(1)(A), (2), (4), or (5)(A) of this title does not assume the risk of injury resulting from the violation, even if the employee continues to be employed by the carrier after learning of the violation.

§ 20305. Inspection of mail cars

The Secretary of Transportation shall inspect the construction, adaptability, design, and condition of mail cars used on railroads in the United States. The Secretary shall make a report on the inspection and submit a copy of the report to the United States Postal Service.

§ 20306. Exemption for technological improvements

(a) **GENERAL.**—Subject to subsection (b) of this section, the Secretary of Transportation may exempt from the requirements of this chapter railroad equipment or equipment that will be operated on rails, when those requirements preclude the development or implementation of more efficient railroad transportation equipment or other transportation innovations under existing law.

(b) **CONDITIONS FOR EXEMPTION.**—The Secretary may grant an exemption under subsection (a) of this section only on the basis of—

- (1) findings based on evidence developed at a hearing; or
- (2) an agreement between national railroad labor representatives and the developer of the new equipment or technology.

CHAPTER 205—SIGNAL SYSTEMS

Sec.

20501. Definition.

20502. Requirements for installation and use.

20503. Amending regulations and changing requirements.

20504. Inspection, testing, and investigation.

20505. Reports of malfunctions and accidents.

§ 20501. Definition

In this chapter, “signal system” means a block signal system, an interlocking, automatic train stop, train control, or cab-signal device, or a similar appliance, method, device, or system intended to promote safety in railroad operations.

§ 20502. Requirements for installation and use

(a) **INSTALLATION.**—(1) When the Secretary of Transportation decides after an investigation that it is necessary in the public interest, the Secretary may order a railroad carrier to install, on any part of its railroad line, a signal system that complies with requirements of the Secretary. The order must allow the carrier a reasonable time to complete the installation. A carrier may discontinue or materially alter a signal system required under this paragraph only with the approval of the Secretary.

(2) A railroad carrier ordered under paragraph (1) of this subsection to install a signal system on one part of its railroad line may not be held negligent for not installing the system on any part of its line that was not included in the order. If an accident or incident occurs on a part of the line on which the signal system was not required to be installed and was not installed, the use of the system on another part of the line may not be considered in a civil action brought because of the accident or incident.

(b) **USE.**—A railroad carrier may allow a signal system to be used on its railroad line only when the system, including its controlling and operating appurtenances—

(1) may be operated safely without unnecessary risk of personal injury; and

(2) has been inspected and can meet any test prescribed under this chapter.

§ 20503. Amending regulations and changing requirements

The Secretary of Transportation may amend a regulation or change a requirement applicable to a railroad carrier for installing, maintaining, inspecting, or repairing a signal system under this chapter—

(1) when the carrier files with the Secretary a request for the amendment or change and the Secretary approves the request; or

(2) on the Secretary's own initiative for good cause shown.

§ 20504. Inspection, testing, and investigation

(a) **SYSTEMS IN USE.**—(1) The Secretary of Transportation may—

(A) inspect and test a signal system used by a railroad carrier; and

(B) decide whether the system is in safe operating condition.

(2) In carrying out this subsection, the Secretary may employ only an individual who—

(A) has no interest in a patented article required to be used on or with a signal system; and

(B) has no financial interest in a railroad carrier or in a concern dealing in railroad supplies.

(b) **SYSTEMS SUBMITTED FOR INVESTIGATION AND TESTING.**—The Secretary may investigate, test, and report on the use of and need for a signal system, without cost to the United States Government, when the system is submitted in completed shape for investigation and testing.

§ 20505. Reports of malfunctions and accidents

In the way and to the extent required by the Secretary of Transportation, a railroad carrier shall report to the Secretary a failure of a signal system to function as intended. If the failure results in an accident or incident causing injury to an individual or property that is required to be reported under regulations prescribed by the Secretary, the carrier owning or maintaining the signal system shall report to the Secretary immediately in writing the fact of the accident or incident.

CHAPTER 207—LOCOMOTIVES

Sec.

20701. Requirements for use.

20702. Inspections, repairs, and inspection and repair reports.

20703. Accident reports and investigations.

§ 20701. Requirements for use

A railroad carrier may use or allow to be used a locomotive or tender on its railroad line only when the locomotive or tender and its parts and appurtenances—

(1) are in proper condition and safe to operate without unnecessary danger of personal injury;

(2) have been inspected as required under this chapter and regulations prescribed by the Secretary of Transportation under this chapter; and

(3) can withstand every test prescribed by the Secretary under this chapter.

§ 20702. Inspections, repairs, and inspection and repair reports

(a) GENERAL.—The Secretary of Transportation shall—

(1) become familiar, so far as practicable, with the condition of every locomotive and tender and its parts and appurtenances;

(2) inspect every locomotive and tender and its parts and appurtenances as necessary to carry out this chapter, but not necessarily at stated times or at regular intervals; and

(3) ensure that every railroad carrier makes inspections of locomotives and tenders and their parts and appurtenances as required by regulations prescribed by the Secretary and repairs every defect that is disclosed by an inspection before a defective locomotive, tender, part, or appurtenance is used again.

(b) NONCOMPLYING LOCOMOTIVES, TENDERS, AND PARTS.—(1)

When the Secretary finds that a locomotive, tender, or locomotive or tender part or appurtenance owned or operated by a railroad carrier does not comply with this chapter or a regulation prescribed under this chapter, the Secretary shall give the carrier written notice describing any defect resulting in noncompliance. Not later than 5 days after receiving the notice of noncompliance, the carrier may submit a written request for a reinspection. On receiving the request, the Secretary shall provide for the reinspection by an officer or employee of the Department of Transportation who did not make the original inspection. The reinspection shall be made not

later than 15 days after the date the Secretary gives the notice of noncompliance.

(2) Immediately after the reinspection is completed, the Secretary shall give written notice to the railroad carrier stating whether the locomotive, tender, part, or appurtenance is in compliance. If the original finding of noncompliance is sustained, the carrier has 30 days after receipt of the notice to file an appeal with the Secretary. If the carrier files an appeal, the Secretary, after providing an opportunity for a proceeding, may revise or set aside the finding of noncompliance.

(3) A locomotive, tender, part, or appurtenance found not in compliance under this subsection may be used only after it is—

(A) repaired to comply with this chapter and regulations prescribed under this chapter; or

(B) found on reinspection or appeal to be in compliance.

(c) REPORTS.—A railroad carrier shall make and keep, in the way the Secretary prescribes by regulation, a report of every—

(1) inspection made under regulations prescribed by the Secretary; and

(2) repair made of a defect disclosed by such an inspection.

(d) CHANGES IN INSPECTION PROCEDURES.—A railroad carrier may change a rule or instruction of the carrier governing the inspection by the carrier of the locomotives and tenders and locomotive and tender parts and appurtenances of the carrier when the Secretary approves a request filed by the carrier to make the change.

§ 20703. Accident reports and investigations

(a) ACCIDENT REPORTS AND SCENE PRESERVATION.—When the failure of a locomotive, tender, or locomotive or tender part or appurtenance results in an accident or incident causing serious personal injury or death, the railroad carrier owning or operating the locomotive or tender—

(1) immediately shall file with the Secretary of Transportation a written statement of the fact of the accident or incident; and

(2) when the locomotive is disabled to the extent it cannot be operated under its own power, shall preserve intact all parts affected by the accident or incident, if possible without interfering with traffic, until an investigation of the accident or incident is completed.

(b) INVESTIGATIONS.—The Secretary shall—

(1) investigate each accident and incident reported under subsection (a) of this section;

(2) inspect each part affected by the accident or incident; and

(3) make a complete and detailed report on the cause of the accident or incident.

(c) PUBLICATION AND USE OF INVESTIGATION REPORTS.—When the Secretary considers publication to be in the public interest, the Secretary may publish a report of an investigation made under this section, stating the cause of the accident or incident and making appropriate recommendations. No part of a report may be admitted

into evidence or used in a civil action for damages resulting from a matter mentioned in the report.

CHAPTER 209—ACCIDENTS AND INCIDENTS

Sec.

20901. Reports.

20902. Investigations.

20903. Reports not evidence in civil actions for damages.

§ 20901. Reports

(a) GENERAL REQUIREMENTS.—Not later than 30 days after the end of each month, a railroad carrier shall file a report with the Secretary of Transportation on all accidents and incidents resulting in injury or death to an individual or damage to equipment or a roadbed arising from the carrier's operations during the month. The report shall be under oath and shall state the nature, cause, and circumstances of each reported accident or incident. If a railroad carrier assigns human error as a cause, the report shall include, at the option of each employee whose error is alleged, a statement by the employee explaining any factors the employee alleges contributed to the accident or incident.

(b) MONETARY THRESHOLD FOR REPORTING.—(1) In establishing or changing a monetary threshold for the reporting of a railroad accident or incident, the Secretary shall base damage cost calculations only on publicly available information obtained from—

(A) the Bureau of Labor Statistics; or

(B) another department, agency, or instrumentality of the United States Government if the information has been collected through objective, statistically sound survey methods or has been previously subject to a public notice and comment process in a proceeding of a Government department, agency, or instrumentality.

(2) If information is not available as provided in paragraph (1)(A) or (B) of this subsection, the Secretary may use any other source to obtain the information. However, use of the information shall be subject to public notice and an opportunity for written comment.

§ 20902. Investigations

(a) GENERAL AUTHORITY.—The Secretary of Transportation, or an impartial investigator authorized by the Secretary, may investigate—

(1) an accident or incident resulting in serious injury to an individual or to railroad property, occurring on the railroad line of a railroad carrier; and

(2) an accident or incident reported under section 20505 of this title.

(b) OTHER DUTIES AND POWERS.—In carrying out an investigation, the Secretary or authorized investigator may subpoena witnesses, require the production of records, exhibits, and other evidence, administer oaths, and take testimony. If the accident or incident is investigated by a commission of the State in which it occurred, the Secretary, if convenient, shall carry out the investigation at the same time as, and in coordination with, the commis-

sion's investigation. The railroad carrier on whose railroad line the accident or incident occurred shall provide reasonable facilities to the Secretary for the investigation.

(c) **REPORTS.**—When in the public interest, the Secretary shall make a report of the investigation, stating the cause of the accident or incident and making recommendations the Secretary considers appropriate. The Secretary shall publish the report in a way the Secretary considers appropriate.

§ 20903. Reports not evidence in civil actions for damages

No part of an accident or incident report filed by a railroad carrier under section 20901 of this title or made by the Secretary of Transportation under section 20902 of this title may be used in a civil action for damages resulting from a matter mentioned in the report.

CHAPTER 211—HOURS OF SERVICE

Sec.

- 21101. Definitions.
- 21102. Nonapplication and exemption.
- 21103. Limitations on duty hours of train employees.
- 21104. Limitations on duty hours of signal employees.
- 21105. Limitations on duty hours of dispatching service employees.
- 21106. Limitations on employee sleeping quarters.
- 21107. Maximum duty hours and subjects of collective bargaining.
- 21108. Pilot projects.

§ 21101. Definitions

In this chapter—

(1) “designated terminal” means the home or away-from-home terminal for the assignment of a particular crew.

(2) “dispatching service employee” means an operator, train dispatcher, or other train employee who by the use of an electrical or mechanical device dispatches, reports, transmits, receives, or delivers orders related to or affecting train movements.

(3) “employee” means a dispatching service employee, a signal employee, or a train employee.

(4) “signal employee” means an individual employed by a railroad carrier who is engaged in installing, repairing, or maintaining signal systems.

(5) “train employee” means an individual engaged in or connected with the movement of a train, including a hostler.

§ 21102. Nonapplication and exemption

(a) **GENERAL.**—This chapter does not apply to a situation involving any of the following:

- (1) a casualty.
- (2) an unavoidable accident.
- (3) an act of God.

(4) a delay resulting from a cause unknown and unforeseeable to a railroad carrier or its officer or agent in charge of the employee when the employee left a terminal.

(b) **EXEMPTION.**—The Secretary of Transportation may exempt a railroad carrier having not more than 15 employees covered by

this chapter from the limitations imposed by this chapter. The Secretary may allow the exemption after a full hearing, for good cause shown, and on deciding that the exemption is in the public interest and will not affect safety adversely. The exemption shall be for a specific period of time and is subject to review at least annually. The exemption may not authorize a carrier to require or allow its employees to be on duty more than a total of 16 hours in a 24-hour period.

§ 21103. Limitations on duty hours of train employees

(a) GENERAL.—Except as provided in subsection (c) of this section, a railroad carrier and its officers and agents may not require or allow a train employee to remain or go on duty—

(1) unless that employee has had at least 8 consecutive hours off duty during the prior 24 hours; or

(2) after that employee has been on duty for 12 consecutive hours, until that employee has had at least 10 consecutive hours off duty.

(b) DETERMINING TIME ON DUTY.—In determining under subsection (a) of this section the time a train employee is on or off duty, the following rules apply:

(1) Time on duty begins when the employee reports for duty and ends when the employee is finally released from duty.

(2) Time the employee is engaged in or connected with the movement of a train is time on duty.

(3) Time spent performing any other service for the railroad carrier during a 24-hour period in which the employee is engaged in or connected with the movement of a train is time on duty.

(4) Time spent in deadhead transportation to a duty assignment is time on duty, but time spent in deadhead transportation from a duty assignment to the place of final release is neither time on duty nor time off duty.

(5) An interim period available for rest at a place other than a designated terminal is time on duty.

(6) An interim period available for less than 4 hours rest at a designated terminal is time on duty.

(7) An interim period available for at least 4 hours rest at a place with suitable facilities for food and lodging is not time on duty when the employee is prevented from getting to the employee's designated terminal by any of the following:

(A) a casualty.

(B) a track obstruction.

(C) an act of God.

(D) a derailment or major equipment failure resulting from a cause that was unknown and unforeseeable to the railroad carrier or its officer or agent in charge of that employee when that employee left the designated terminal.

(c) EMERGENCIES.—A train employee on the crew of a wreck or relief train may be allowed to remain or go on duty for not more than 4 additional hours in any period of 24 consecutive hours when an emergency exists and the work of the crew is related to the emergency. In this subsection, an emergency ends when the track is cleared and the railroad line is open for traffic.

§ 21104. Limitations on duty hours of signal employees

(a) GENERAL.—(1) In paragraph (2)(C) of this subsection, “24-hour period” means the period beginning when a signal employee reports for duty immediately after 8 consecutive hours off duty or, when required under paragraph (2)(B) of this subsection, after 10 consecutive hours off duty.

(2) Except as provided in subsection (c) of this section, a railroad carrier and its officers and agents may not require or allow a signal employee to remain or go on duty—

(A) unless that employee has had at least 8 consecutive hours off duty during the prior 24 hours;

(B) after that employee has been on duty for 12 consecutive hours, until that employee has had at least 10 consecutive hours off duty; or

(C) after that employee has been on duty a total of 12 hours during a 24-hour period, or after the end of that 24-hour period, whichever occurs first, until that employee has had at least 8 consecutive hours off duty.

(b) DETERMINING TIME ON DUTY.—In determining under subsection (a) of this section the time a signal employee is on duty or off duty, the following rules apply:

(1) Time on duty begins when the employee reports for duty and ends when the employee is finally released from duty.

(2) Time spent performing any other service for the railroad carrier during a 24-hour period in which the employee is engaged in installing, repairing, or maintaining signal systems is time on duty.

(3) Time spent returning from a trouble call, whether the employee goes directly to the employee’s residence or by way of the employee’s headquarters, is neither time on duty nor time off duty, except that up to one hour of that time spent returning from the final trouble call of a period of continuous or broken service is time off duty.

(4) If, at the end of scheduled duty hours, an employee has not completed the trip from the final outlying worksite of the duty period to the employee’s headquarters or directly to the employee’s residence, the time after the scheduled duty hours necessarily spent in completing the trip to the residence or headquarters is neither time on duty nor time off duty.

(5) If an employee is released from duty at an outlying worksite before the end of the employee’s scheduled duty hours to comply with this section, the time necessary for the trip from the worksite to the employee’s headquarters or directly to the employee’s residence is neither time on duty nor time off duty.

(6) Time spent in transportation on an ontrack vehicle, including time referred to in paragraphs (3)–(5) of this subsection, is time on duty.

(7) A regularly scheduled meal period or another release period of at least 30 minutes but not more than one hour is time off duty and does not break the continuity of service of the employee under this section, but a release period of more

than one hour is time off duty and does break the continuity of service.

(c) EMERGENCIES.—A signal employee may be allowed to remain or go on duty for not more than 4 additional hours in any period of 24 consecutive hours when an emergency exists and the work of that employee is related to the emergency. In this subsection, an emergency ends when the signal system is restored to service.

§ 21105. Limitations on duty hours of dispatching service employees

(a) APPLICATION.—This section applies, rather than section 21103 or 21104 of this title, to a train employee or signal employee during any period of time the employee is performing duties of a dispatching service employee.

(b) GENERAL.—Except as provided in subsection (d) of this section, a dispatching service employee may not be required or allowed to remain or go on duty for more than—

(1) a total of 9 hours during a 24-hour period in a tower, office, station, or place at which at least 2 shifts are employed; or

(2) a total of 12 hours during a 24-hour period in a tower, office, station, or place at which only one shift is employed.

(c) DETERMINING TIME ON DUTY.—Under subsection (b) of this section, time spent performing any other service for the railroad carrier during a 24-hour period in which the employee is on duty in a tower, office, station, or other place is time on duty in that tower, office, station, or place.

(d) EMERGENCIES.—When an emergency exists, a dispatching service employee may be allowed to remain or go on duty for not more than 4 additional hours during a period of 24 consecutive hours for not more than 3 days during a period of 7 consecutive days.

§ 21106. Limitations on employee sleeping quarters

A railroad carrier and its officers and agents—

(1) may provide sleeping quarters (including crew quarters, camp or bunk cars, and trailers) for employees, and any individuals employed to maintain the right of way of a railroad carrier, only if the sleeping quarters are clean, safe, and sanitary and give those employees and individuals an opportunity for rest free from the interruptions caused by noise under the control of the carrier; and

(2) may not begin, after July 7, 1976, construction or reconstruction of sleeping quarters referred to in clause (1) of this section in an area or in the immediate vicinity of an area, as determined under regulations prescribed by the Secretary of Transportation, in which railroad switching or humping operations are performed.

§ 21107. Maximum duty hours and subjects of collective bargaining

The number of hours established by this chapter that an employee may be required or allowed to be on duty is the maximum

number of hours consistent with safety. Shorter hours of service and time on duty of an employee are proper subjects for collective bargaining between a railroad carrier and its employees.

§ 21108. Pilot projects

(a) **WAIVER.**—A railroad carrier or railroad carriers and all labor organizations representing any class or craft of directly affected covered service employees of the railroad carrier or railroad carriers, may jointly petition the Secretary of Transportation for approval of a waiver, in whole or in part, of compliance with this chapter, to enable the establishment of one or more pilot projects to demonstrate the possible benefits of implementing alternatives to the strict application of the requirements of this chapter to such class or craft of employees, including requirements concerning maximum on-duty and minimum off-duty periods. Based on such a joint petition, the Secretary may, after notice and opportunity for comment, waive in whole or in part compliance with this chapter for a period of no more than two years, if the Secretary determines that such waiver of compliance is in the public interest and is consistent with railroad safety. Any such waiver may, based on a new petition, be extended for additional periods of up to two years, after notice and opportunity for comment. An explanation of any waiver granted under this section shall be published in the Federal Register.

(b) **REPORT.**—The Secretary of Transportation shall submit to Congress, no later than January 1, 1997, a report that—

(1) explains and analyzes the effectiveness of all pilot projects established pursuant to a waiver granted under subsection (a);

(2) describes the status of all other waivers granted under subsection (a) and their related pilot projects, if any; and

(3) recommends appropriate legislative changes to this chapter.

(c) **DEFINITION.**—For purposes of this section, the term “directly affected covered service employees” means covered service employees to whose hours of service the terms of the waiver petitioned for specifically apply.

CHAPTER 213—PENALTIES

SUBCHAPTER I—CIVIL PENALTIES

Sec.

21301. Chapter 201 general violations.

21302. Chapter 201 accident and incident violations and chapter 203–209 violations.

21303. Chapter 211 violations.

21304. Willfulness requirement for penalties against individuals.

SUBCHAPTER II—CRIMINAL PENALTIES

21311. Records and reports.

SUBCHAPTER I—CIVIL PENALTIES

§ 21301. Chapter 201 general violations

(a) **PENALTY.**—(1) A person may not fail to comply with a regulation prescribed or order issued by the Secretary of Transportation

under chapter 201 of this title. Subject to section 21304 of this title, a person violating a regulation prescribed or order issued by the Secretary under chapter 201 is liable to the United States Government for a civil penalty. The Secretary shall impose the penalty applicable under paragraph (2) of this subsection. A separate violation occurs for each day the violation continues.

(2) The Secretary shall include in, or make applicable to, each regulation prescribed and order issued under chapter 201 of this title a civil penalty for a violation. The amount of the penalty shall be at least \$500 but not more than \$10,000. However, when a grossly negligent violation or a pattern of repeated violations has caused an imminent hazard of death or injury to individuals, or has caused death or injury, the amount may be not more than \$20,000.

(3) The Secretary may compromise the amount of a civil penalty imposed under this subsection to not less than \$500 before referring the matter to the Attorney General for collection. In determining the amount of a compromise, the Secretary shall consider—

(A) the nature, circumstances, extent, and gravity of the violation;

(B) with respect to the violator, the degree of culpability, any history of violations, the ability to pay, and any effect on the ability to continue to do business; and

(C) other matters that justice requires.

(b) SETOFF.—The Government may deduct the amount of a civil penalty imposed or compromised under this section from amounts it owes the person liable for the penalty.

(c) DEPOSIT IN TREASURY.—A civil penalty collected under this section or section 20113(b) of this title shall be deposited in the Treasury as miscellaneous receipts.

§ 21302. Chapter 201 accident and incident violations and chapter 203–209 violations

(a) PENALTY.—(1) Subject to section 21304 of this title, a person violating a regulation prescribed or order issued under chapter 201 of this title related to accident and incident reporting or investigation, or violating chapters 203–209 of this title or a regulation or requirement prescribed or order issued under chapters 203–209, is liable to the United States Government for a civil penalty. An act by an individual that causes a railroad carrier to be in violation is a violation. A separate violation occurs for each day the violation continues.

(2) The Secretary of Transportation imposes a civil penalty under this subsection. The amount of the penalty shall be at least \$500 but not more than \$10,000. However, when a grossly negligent violation or a pattern of repeated violations has caused an imminent hazard of death or injury to individuals, or has caused death or injury, the amount may be not more than \$20,000.

(3) The Secretary may compromise the amount of the civil penalty under section 3711 of title 31. In determining the amount of a compromise, the Secretary shall consider—

(A) the nature, circumstances, extent, and gravity of the violation;

(B) with respect to the violator, the degree of culpability, any history of violations, the ability to pay, and any effect on the ability to continue to do business; and

(C) other matters that justice requires.

(4) If the Secretary does not compromise the amount of the civil penalty, the Secretary shall refer the matter to the Attorney General for collection.

(b) CIVIL ACTIONS TO COLLECT.—The Attorney General shall bring a civil action in a district court of the United States to collect a civil penalty that is referred to the Attorney General for collection under subsection (a) of this section. The action may be brought in the judicial district in which the violation occurred or the defendant has its principal executive office. If the action is against an individual, the action also may be brought in the judicial district in which the individual resides.

§ 21303. Chapter 211 violations

(a) PENALTY.—(1) Subject to section 21304 of this title, a person violating chapter 211 of this title, or violating any provision of a waiver applicable to that person that has been granted under section 21108 of this title, is liable to the United States Government for a civil penalty. An act by an individual that causes a railroad carrier to be in violation is a violation. For a violation of section 21106 of this title, a separate violation occurs for each day a facility is not in compliance.

(2) The Secretary of Transportation imposes a civil penalty under this subsection. The amount of the penalty shall be at least \$500 but not more than \$10,000. However, when a grossly negligent violation or a pattern of repeated violations has caused an imminent hazard of death or injury to individuals, or has caused death or injury, the amount may be not more than \$20,000.

(3) The Secretary may compromise the amount of the civil penalty under section 3711 of title 31. In determining the amount of a compromise, the Secretary shall consider—

(A) the nature, circumstances, extent, and gravity of the violation;

(B) with respect to the violator, the degree of culpability, any history of violations, the ability to pay, and any effect on the ability to continue to do business; and

(C) other matters that justice requires.

(4) If the Secretary does not compromise the amount of the civil penalty, the Secretary shall refer the matter to the Attorney General for collection.

(b) CIVIL ACTIONS TO COLLECT.—(1) The Attorney General shall bring a civil action in a district court of the United States to collect a civil penalty that is referred to the Attorney General for collection under subsection (a) of this section after satisfactory information is presented to the Attorney General. The action may be brought in the judicial district in which the violation occurred or the defendant has its principal executive office. If the action is against an individual, the action also may be brought in the judicial district in which the individual resides.

(2) A civil action under this subsection must be brought not later than 2 years after the date of the violation unless administra-

tive notification under section 3711 of title 31 is given within that 2-year period to the person committing the violation. However, even if notification is given, the action must be brought within the period specified in section 2462 of title 28.

(c) **IMPUTATION OF KNOWLEDGE.**—In any proceeding under this section, a railroad carrier is deemed to know the acts of its officers and agents.

§ 21304. Willfulness requirement for penalties against individuals

A civil penalty under this subchapter may be imposed against an individual only for a willful violation. An individual is deemed not to have committed a willful violation if the individual was following the direct order of a railroad carrier official or supervisor under protest communicated to the official or supervisor. The individual is entitled to document the protest.

SUBCHAPTER II—CRIMINAL PENALTIES

§ 21311. Records and reports

(a) **RECORDS AND REPORTS UNDER CHAPTER 201.**—A person shall be fined under title 18, imprisoned for not more than 2 years, or both, if the person knowingly and willfully—

(1) makes a false entry in a record or report required to be made or preserved under chapter 201 of this title;

(2) destroys, mutilates, changes, or by another means falsifies such a record or report;

(3) does not enter required specified facts and transactions in such a record or report;

(4) makes or preserves such a record or report in violation of a regulation prescribed or order issued under chapter 201 of this title; or

(5) files a false record or report with the Secretary of Transportation.

(b) **ACCIDENT AND INCIDENT REPORTS.**—A railroad carrier not filing the report required by section 20901 of this title shall be fined not more than \$500 for each violation and not more than \$500 for each day during which the report is overdue.

PART B—ASSISTANCE

CHAPTER 221—LOCAL RAIL FREIGHT ASSISTANCE

Sec.	
22101.	Financial assistance for State projects.
22102.	Eligibility.
22103.	Applications.
22104.	State rail plan financing.
22105.	Sharing project costs.
22106.	Limitations on financial assistance.
22107.	Records, audits, and information.
22108.	Authorization of appropriations.

§ 22101. Financial assistance for State projects

(a) **GENERAL.**—The Secretary of Transportation shall provide financial assistance to a State, as provided under this chapter, for

a rail freight assistance project of the State when a rail carrier subject to part A of subtitle IV of this title maintains a rail line in the State. The assistance is for the cost of—

(1) acquiring, in any way the State considers appropriate, an interest in a rail line or rail property to maintain existing, or to provide future, rail freight transportation, but only if the Surface Transportation Board has authorized, or exempted from the requirements of that authorization, the abandonment of, or the discontinuance of rail transportation on, the rail line related to the project;

(2) improving and rehabilitating rail property on a rail line to the extent necessary to allow adequate and efficient rail freight transportation on the line, but only if the rail carrier certifies that the rail line related to the project carried not more than 5,000,000 gross ton-miles of freight a mile in the prior year; and

(3) building rail or rail-related facilities (including new connections between at least 2 existing rail lines, intermodal freight terminals, sidings, bridges, and relocation of existing lines) to improve the quality and efficiency of the rail freight transportation, but only if the rail carrier certifies that the rail line related to the project carried not more than 5,000,000 gross ton-miles of freight a mile in the prior year.

(b) **CALCULATING COST-BENEFIT RATIO.**—The Secretary shall establish a methodology for calculating the ratio of benefits to costs of projects proposed under this chapter. In establishing the methodology, the Secretary shall consider the need for equitable treatment of different regions of the United States and different commodities transported by rail. The establishment of the methodology is committed to the discretion of the Secretary.

(c) **CONDITIONS.**—(1) Assistance for a project shall be provided under this chapter only if—

(A) a rail carrier certifies that the rail line related to the project carried more than 20 carloads a mile during the most recent year during which transportation was provided by the carrier on the line; and

(B) the ratio of benefits to costs for the project, as calculated using the methodology established under subsection (b) of this section, is more than 1.0.

(2) If the rail carrier that provided the transportation on the rail line is no longer in existence, the applicant for the project shall provide the information required by the certification under paragraph (1)(A) of this subsection in the way the Secretary prescribes.

(3) The Secretary may waive the requirement of paragraph (1)(A) or (2) of this subsection if the Secretary—

(A) decides that the rail line has contractual guarantees of at least 40 carloads a mile for each of the first 2 years of operation of the proposed project; and

(B) finds that there is a reasonable expectation that the contractual guarantees will be fulfilled.

(d) **LIMITATIONS ON AMOUNTS.**—A State may not receive more than 15 percent of the amounts provided in a fiscal year under this chapter. Not more than 20 percent of the amounts available under this chapter may be provided in a fiscal year for any one project.

§ 22102. Eligibility

A State is eligible to receive financial assistance under this chapter only when the State complies with regulations the Secretary of Transportation prescribes under this chapter and the Secretary decides that—

(1) the State has an adequate plan for rail transportation in the State and a suitable process for updating, revising, and modifying the plan;

(2) the State plan is administered or coordinated by a designated State authority and provides for a fair distribution of resources;

(3) the State authority—

(A) is authorized to develop, promote, supervise, and support safe, adequate, and efficient rail transportation;

(B) employs or will employ sufficient qualified and trained personnel;

(C) maintains or will maintain adequate programs of investigation, research, promotion, and development with opportunity for public participation; and

(D) is designated and directed to take all practicable steps (by itself or with other State authorities) to improve rail transportation safety and reduce energy use and pollution related to transportation; and

(4) the State has ensured that it maintains or will maintain adequate procedures for financial control, accounting, and performance evaluation for the proper use of assistance provided by the United States Government.

§ 22103. Applications

(a) **FILING.**—A State must file an application with the Secretary of Transportation for financial assistance for a project described under section 22101(a) of this title not later than January 1 of the fiscal year for which amounts have been appropriated. However, for a fiscal year for which the authorization of appropriations for assistance under this chapter has not been enacted by the first day of the fiscal year, the State must file the application not later than 90 days after the date of enactment of a law authorizing the appropriations for that fiscal year. The Secretary shall prescribe the form of the application.

(b) **CONSIDERATIONS.**—In considering an application under this subsection, the Secretary shall consider the following:

(1) the percentage of rail lines that rail carriers have identified to the Surface Transportation Board for abandonment or potential abandonment in the State.

(2) the likelihood of future abandonments in the State.

(3) the ratio of benefits to costs for a proposed project calculated using the methodology established under section 22101(b) of this title.

(4) the likelihood that the rail line will continue operating with assistance.

(5) the impact of rail bankruptcies, rail restructuring, and rail mergers on the State.

§ 22104. State rail plan financing

(a) ENTITLEMENT AND USES.—On the first day of each fiscal year, each State is entitled to \$36,000 of the amounts made available under section 22108 of this title during that fiscal year to be used—

(1) to establish, update, revise, and modify the State plan required by section 22102 of this title; or

(2) to carry out projects described in section 22101(a)(1), (2), or (3) of this title, as designated by the State, if those projects meet the requirements of section 22101(c)(1)(B) of this title.

(b) APPLICATIONS.—Each State must apply for amounts under this section not later than the first day of the fiscal year for which the amounts are available. However, for any fiscal year for which the authorization of appropriations for financial assistance under this chapter has not been enacted by the first day of the fiscal year, the State must apply for amounts under this section not later than 60 days after the date of enactment of a law authorizing the appropriations for that fiscal year. Not later than 60 days after receiving an application, the Secretary of Transportation shall consider the application and notify the State of the approval or disapproval of the application.

(c) AVAILABILITY OF AMOUNTS.—Amounts provided under this section remain available to a State for obligation for the first 3 months after the end of the fiscal year for which the amounts were made available. Amounts not applied for under this section or that remain unobligated after the first 3 months after the end of the fiscal year for which the amounts were made available are available to the Secretary for projects meeting the requirements of this chapter.

§ 22105. Sharing project costs

(a) GENERAL.—(1) The United States Government's share of the costs of financial assistance for a project under this chapter is 50 percent, except that for assistance provided under section 22101(a)(2) of this title, the Government's share is 70 percent. The State may pay its share of the costs in cash or through the following benefits, to the extent that the benefits otherwise would not be provided:

(A) forgiveness of taxes imposed on a rail carrier or its property.

(B) real and tangible personal property (provided by the State or a person for the State) necessary for the safe and efficient operation of rail freight transportation.

(C) track rights secured by the State for a rail carrier.

(D) the cash equivalent of State salaries for State employees working on the State project, except overhead and general administrative costs.

(2) A State may pay more than its required percentage share of the costs of a project under this chapter. When a State, or a person acting for a State, pays more than the State share of the costs of its projects during a fiscal year, the excess amount shall be ap-

plied to the State share for the costs of the State projects for later fiscal years.

(b) AGREEMENTS TO COMBINE AMOUNTS.—States may agree to combine any part of the amounts made available under this chapter to carry out a project that is eligible for assistance under this chapter when—

- (1) the project will benefit each State making the agreement; and
- (2) the agreement is not a violation of State law.

§ 22106. Limitations on financial assistance

(a) GRANTS AND LOANS.—A State shall use financial assistance for projects under this chapter to make a grant or lend money to the owner of rail property, or a rail carrier providing rail transportation, related to a project being assisted. The State shall decide on the financial terms of the grant or loan, except that the time for making grant advances shall comply with regulations of the Secretary of the Treasury.

(b) HOLDING AND USE OF GOVERNMENT'S SHARE.—The State shall place the United States Government's share of money that is repaid in an interest-bearing account. However, the Secretary of Transportation may allow a borrower to place that money, for the benefit of the State, in a bank designated by the Secretary of the Treasury under section 10 of the Act of June 11, 1942 (12 U.S.C. 265). The State shall use the money and accumulated interest to make other grants and loans under this chapter in the same manner and under the same conditions as if they were originally granted to the State by the Secretary of Transportation.

(c) PAYMENT OF UNUSED MONEY AND ACCUMULATED INTEREST.—The State may pay the Secretary of Transportation the Government's share of unused money and accumulated interest at any time. However, the State must pay the unused money and accumulated interest to the Secretary when the State ends its participation under this chapter.

(d) ENCOURAGING PARTICIPATION.—To the maximum extent possible, the State shall encourage the participation of shippers, rail carriers, and local communities in paying the State share of assistance costs.

(e) RETENTION OF CONTINGENT INTEREST.—Each State shall retain a contingent interest (redeemable preference shares) for the Government's share of amounts in a rail line receiving assistance under this chapter. The State may collect its share of the amounts used for the rail line if—

- (1) an application for abandonment of the rail line is filed under chapter 109 of this title; or
- (2) the rail line is sold or disposed of after it has received assistance under this chapter.

§ 22107. Records, audits, and information

(a) RECORDS.—Each recipient of financial assistance through an arrangement under this chapter shall keep records required by the Secretary of Transportation. The records shall be kept for 3 years after a project is completed and shall disclose—

(1) the amount of, and disposition by the recipient, of the assistance;

(2) the total costs of the project for which the assistance was given or used;

(3) the amount of that part of the costs of the project paid by other sources; and

(4) any other records that will make an effective audit easier.

(b) AUDITS.—The Secretary shall make regular financial and performance audits, as provided under chapter 75 of title 31, of activities and transactions assisted under this chapter.

(c) INFORMATION.—The Surface Transportation Board shall provide the Secretary with information the Secretary requests to assist in carrying out this chapter. The Board shall provide the information not later than 30 days after receiving a request from the Secretary.

(d) LIST OF RAIL LINES.—Not later than August 1 of each year, each rail carrier subject to part A of subtitle IV of this title shall submit to the Secretary a list of the rail lines of the carrier that carried not more than 5,000,000 gross ton-miles of freight a mile in the prior year.

§ 22108. Authorization of appropriations

(a) GENERAL.—(1) Not more than the following amounts may be appropriated to the Secretary of Transportation to carry out this chapter:

(A) \$25,000,000 for the fiscal year ending September 30, 1993.

(B) \$30,000,000 for the fiscal year ending September 30, 1994.

(2) Amounts appropriated under paragraph (1) of this subsection remain available until expended.

(3) No amount may be appropriated under this subsection to the Secretary for any period after September 30, 1994, to carry out this chapter.

(b) DISTRIBUTION OF AMOUNTS.—The Secretary shall establish procedures necessary to ensure that amounts available to the Secretary for projects under this chapter are distributed not later than April 1 of the fiscal year for which the amounts are appropriated. If any amounts are not distributed by April 1, the Secretary shall report to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on the status of those amounts and the reasons for the delay in distribution.

(c) AVAILABILITY OF OTHER AMOUNTS.—Amounts appropriated to carry out section 5(i) of the Department of Transportation Act for fiscal year 1990 that are not applied for or that remain unobligated on January 1, 1991, are available to the Secretary for projects under this chapter.

CHAPTER 223—LIGHT DENSITY RAIL LINE PILOT PROJECTS

Sec.
22301. Light density rail line pilot projects.

§ 22301. Light density rail line pilot projects

(a) GRANTS.—The Secretary of Transportation may make grants to States that have State rail plans described in section 22102 (1) and (2), to fund pilot projects that demonstrate the relationship of light density railroad services to the statutory responsibilities of the Secretary, including those under title 23.

(b) LIMITATIONS.—Grants under this section may be made only for pilot projects for making capital improvements to, and rehabilitating, publicly and privately owned rail line structures, and may not be used for providing operating assistance.

(c) PRIVATE OWNER CONTRIBUTIONS.—Grants made under this section for projects on privately owned rail line structures shall include contributions by the owner of the rail line structures, based on the benefit to those structures, as determined by the Secretary.

(d) STUDY.—The Secretary shall conduct a study of the pilot projects carried out with grant assistance under this section to determine the public interest benefits associated with the light density railroad networks in the States and their contribution to a multimodal transportation system. Not later than March 31, 2003, the Secretary shall report to Congress any recommendations the Secretary considers appropriate regarding the eligibility of light density rail networks for Federal infrastructure financing.

(e) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to the Secretary to carry out this section \$17,500,000 for each of the fiscal years 1998, 1999, 2000, 2001, 2002, and 2003. Such funds shall remain available until expended.

PART C—PASSENGER TRANSPORTATION**CHAPTER 241—GENERAL**

Sec.

24101. Findings, purpose, and goals.

24102. Definitions.

24103. Enforcement.

24104. Authorization of appropriations.

§ 24101. Findings, purpose, and goals

(a) FINDINGS.—(1) Public convenience and necessity require that Amtrak, to the extent its budget allows, provide modern, cost-efficient, and energy-efficient intercity rail passenger transportation between crowded urban areas and in other areas of the United States.

(2) Rail passenger transportation can help alleviate overcrowding of airways and airports and on highways.

(3) A traveler in the United States should have the greatest possible choice of transportation most convenient to the needs of the traveler.

(4) A greater degree of cooperation is necessary among Amtrak, other rail carriers, State, regional, and local governments, the private sector, labor organizations, and suppliers of services and equipment to Amtrak to achieve a performance level sufficient to justify expending public money.

(5) Modern and efficient commuter rail passenger transportation is important to the viability and well-being of major urban areas and to the energy conservation and self-sufficiency goals of the United States.

(6) As a rail passenger transportation entity, Amtrak should be available to operate commuter rail passenger transportation through its subsidiary, Amtrak Commuter, under contract with commuter authorities that do not provide the transportation themselves as part of the governmental function of the State.

(7) The Northeast Corridor is a valuable resource of the United States used by intercity and commuter rail passenger transportation and freight transportation.

(8) Greater coordination between intercity and commuter rail passenger transportation is required.

(b) PURPOSE.—By using innovative operating and marketing concepts, Amtrak shall provide intercity and commuter rail passenger transportation that completely develops the potential of modern rail transportation to meet the intercity and commuter passenger transportation needs of the United States.

(c) GOALS.—Amtrak shall—

(1) use its best business judgment in acting to minimize United States Government subsidies, including—

(A) increasing fares;

(B) increasing revenue from the transportation of mail and express;

(C) reducing losses on food service;

(D) improving its contracts with operating rail carriers;

(E) reducing management costs; and

(F) increasing employee productivity;

(2) minimize Government subsidies by encouraging State, regional, and local governments and the private sector, separately or in combination, to share the cost of providing rail passenger transportation, including the cost of operating facilities;

(3) carry out strategies to achieve immediately maximum productivity and efficiency consistent with safe and efficient transportation;

(4) operate Amtrak trains, to the maximum extent feasible, to all station stops within 15 minutes of the time established in public timetables;

(5) develop transportation on rail corridors subsidized by States and private parties;

(6) implement schedules based on a systemwide average speed of at least 60 miles an hour that can be achieved with a degree of reliability and passenger comfort;

(7) encourage rail carriers to assist in improving intercity rail passenger transportation;

(8) improve generally the performance of Amtrak through comprehensive and systematic operational programs and employee incentives;

(9) carry out policies that ensure equitable access to the Northeast Corridor by intercity and commuter rail passenger transportation;

(10) coordinate the uses of the Northeast Corridor, particularly intercity and commuter rail passenger transportation; and

(11) maximize the use of its resources, including the most cost-effective use of employees, facilities, and real property.

(d) MINIMIZING GOVERNMENT SUBSIDIES.—To carry out subsection (c)(11) of this section, Amtrak is encouraged to make agreements with the private sector and undertake initiatives that are consistent with good business judgment and designed to maximize its revenues and minimize Government subsidies. Amtrak shall prepare a financial plan to operate within the funding levels authorized by section 24104 of this chapter, including budgetary goals for fiscal years 1998 through 2002. Commencing no later than the fiscal year following the fifth anniversary of the Amtrak Reform and Accountability Act of 1997, Amtrak shall operate without Federal operating grant funds appropriated for its benefit.

§ 24102. Definitions

In this part—

(1) “auto-ferry transportation” means intercity rail passenger transportation—

(A) of automobiles or recreational vehicles and their occupants; and

(B) when space is available, of used unoccupied vehicles.

(2) “basic system” means the system of intercity rail passenger transportation designated by the Secretary of Transportation under section 4 of the Amtrak Improvement Act of 1978 and approved by Congress, and transportation required to be provided under section 24705(a) of this title and section 4(g) of the Act, including changes in the system or transportation that Amtrak makes using the route and service criteria.

(3) “commuter authority” means a State, local, or regional entity established to provide, or make a contract providing for, commuter rail passenger transportation.

(4) “commuter rail passenger transportation” means short-haul rail passenger transportation in metropolitan and suburban areas usually having reduced fare, multiple-ride, and commuter tickets and morning and evening peak period operations.

(5) “intercity rail passenger transportation” means rail passenger transportation, except commuter rail passenger transportation.

(6) “Northeast Corridor” means Connecticut, Delaware, the District of Columbia, Maryland, Massachusetts, New Jersey, New York, Pennsylvania, and Rhode Island.

(7) “rail carrier” means a person, including a unit of State or local government, providing rail transportation for compensation.

(8) “rate” means a rate, fare, or charge for rail transportation.

(9) “regional transportation authority” means an entity established to provide passenger transportation in a region.

§ 24103. Enforcement

(a) GENERAL.—(1) Except as provided in paragraph (2) of this subsection, only the Attorney General may bring a civil action for equitable relief in a district court of the United States when Amtrak or a rail carrier—

(A) engages in or adheres to an action, practice, or policy inconsistent with this part;

(B) obstructs or interferes with an activity authorized under this part;

(C) refuses, fails, or neglects to discharge its duties and responsibilities under this part; or

(D) threatens—

(i) to engage in or adhere to an action, practice, or policy inconsistent with this part;

(ii) to obstruct or interfere with an activity authorized by this part; or

(iii) to refuse, fail, or neglect to discharge its duties and responsibilities under this part.

(2) An employee affected by any conduct or threat referred to in paragraph (1) of this subsection, or an authorized employee representative, may bring the civil action if the conduct or threat involves a labor agreement.

(b) REVIEW OF DISCONTINUANCE OR REDUCTION.—A discontinuance of a route, a train, or transportation, or a reduction in the frequency of transportation, by Amtrak is reviewable only in a civil action for equitable relief brought by the Attorney General.

(c) VENUE.—Except as otherwise prohibited by law, a civil action under this section may be brought in the judicial district in which Amtrak or the rail carrier resides or is found.

§ 24104. Authorization of appropriations

(a) IN GENERAL.—There are authorized to be appropriated to the Secretary of Transportation—

(1) \$1,138,000,000 for fiscal year 1998;

(2) \$1,058,000,000 for fiscal year 1999;

(3) \$1,023,000,000 for fiscal year 2000;

(4) \$989,000,000 for fiscal year 2001; and

(5) \$955,000,000 for fiscal year 2002,

for the benefit of Amtrak for capital expenditures under chapters 243, 247, and 249 of this title, operating expenses, and payments described in subsection (c)(1) (A) through (C). In fiscal years following the fifth anniversary of the enactment of the Amtrak Reform and Accountability Act of 1997 no funds authorized for Amtrak shall be used for operating expenses other than those prescribed for tax liabilities under section 3221 of the Internal Revenue Code of 1986 that are more than the amount needed for benefits of individuals who retire from Amtrak and for their beneficiaries.

(b) OPERATING EXPENSES.—(1) Not more than \$381,000,000 may be appropriated to the Secretary for each of the fiscal years ending September 30, 1993, and September 30, 1994, for the benefit of Amtrak for operating expenses. Not more than 5 percent of the amounts appropriated for each fiscal year shall be used to pay

operating expenses under section 24704 of this title for transportation in operation on September 30, 1992.

(2)(A) Not more than the following amounts may be appropriated to the Secretary for the benefit of Amtrak for operating losses under section 24704 of this title for transportation beginning after September 30, 1992:

(i) \$7,500,000 for the fiscal year ending September 30, 1993.

(ii) \$9,500,000 for the fiscal year ending September 30, 1994.

(B) The expenditure by Amtrak of an amount appropriated under subparagraph (A) of this paragraph is deemed not to be an operating expense when calculating the revenue-to-operating expense ratio of Amtrak.

(c) MANDATORY PAYMENTS.—(1) Not more than \$150,000,000 for the fiscal year ending September 30, 1993, and amounts that may be necessary for the fiscal year ending September 30, 1994, may be appropriated to the Secretary to pay—

(A) tax liabilities under section 3221 of the Internal Revenue Code of 1986 (26 U.S.C. 3221) due in those fiscal years that are more than the amount needed for benefits for individuals who retire from Amtrak and for their beneficiaries;

(B) obligations of Amtrak under section 8(a) of the Railroad Unemployment Insurance Act (45 U.S.C. 358(a)) due in those fiscal years that are more than obligations of Amtrak calculated on an experience-related basis; and

(C) obligations of Amtrak due under section 3321 of the Code (26 U.S.C. 3321).

(2) Amounts appropriated under this subsection are not a United States Government subsidy of Amtrak.

(d) PAYMENT TO AMTRAK.—Amounts appropriated under this section shall be paid to Amtrak under the budget request of the Secretary as approved or modified by Congress when the amounts are appropriated. A payment may not be made more frequently than once every 90 days, unless Amtrak, for good cause, requests more frequent payment before a 90-day period ends. In each fiscal year in which amounts are authorized to be appropriated under this section, amounts appropriated shall be paid to Amtrak as follows:

(1) 50 percent on October 1.

(2) 25 percent on January 1.

(3) 25 percent on April 1.

(e) AVAILABILITY OF AMOUNTS AND EARLY APPROPRIATIONS.—(1) Amounts appropriated under this section remain available until expended.

(2) Amounts for capital acquisitions and improvements may be appropriated in a fiscal year before the fiscal year in which the amounts will be obligated.

(f) LIMITATIONS ON USE.—Amounts appropriated under this section may not be used to subsidize operating losses of commuter rail passenger or rail freight transportation.

CHAPTER 243—AMTRAK

Sec.	
24301.	Status and applicable laws.
24302.	Board of directors.
24303.	Officers.
24304.	Employee stock ownership plans.
24305.	General authority.
24306.	Mail, express, and auto-ferry transportation.
24307.	Special transportation.
24308.	Use of facilities and providing services to Amtrak.
24309.	Retaining and maintaining facilities.

24311.	Acquiring interests in property by eminent domain.
24312.	Labor standards.
24313.	Rail safety system program.
24314.	[Repealed.]
24315.	Reports and audits.

§ 24301. Status and applicable laws**(a) STATUS.—Amtrak—**

(1) is a railroad carrier under section 20102(2) and chapters 261 and 281 of this title;

(2) shall be operated and managed as a for-profit corporation; and

(3) is not a department, agency, or instrumentality of the United States Government, and shall not be subject to title 31.

(b) PRINCIPAL OFFICE AND PLACE OF BUSINESS.—The principal office and place of business of Amtrak are in the District of Columbia. Amtrak is qualified to do business in each State in which Amtrak carries out an activity authorized under this part. Amtrak shall accept service of process by certified mail addressed to the secretary of Amtrak at its principal office and place of business. Amtrak is a citizen only of the District of Columbia when deciding original jurisdiction of the district courts of the United States in a civil action.

(c) APPLICATION OF SUBTITLE IV.—Subtitle IV of this title shall not apply to Amtrak, except for sections 11123, 11301, 11322(a), 11502, and 11706. Notwithstanding the preceding sentence, Amtrak shall continue to be considered an employer under the Railroad Retirement Act of 1974, the Railroad Unemployment Insurance Act, and the Railroad Retirement Tax Act.

(d) APPLICATION OF SAFETY AND EMPLOYEE RELATIONS LAWS AND REGULATIONS.—Laws and regulations governing safety, employee representation for collective bargaining purposes, the handling of disputes between carriers and employees, employee retirement, annuity, and unemployment systems, and other dealings with employees that apply to a rail carrier subject to part A of subtitle IV of this title apply to Amtrak.

(e) APPLICATION OF CERTAIN ADDITIONAL LAWS.—Section 552 of title 5, this part, and, to the extent consistent with this part, the District of Columbia Business Corporation Act (D.C. Code § 29–301 et seq.) apply to Amtrak. Section 552 of title 5, United States Code, applies to Amtrak for any fiscal year in which Amtrak receives a Federal subsidy.

(f) TAX EXEMPTION FOR CERTAIN COMMUTER AUTHORITIES.—A commuter authority that was eligible to make a contract with Am-

trak Commuter to provide commuter rail passenger transportation but which decided to provide its own rail passenger transportation beginning January 1, 1983, is exempt, effective October 1, 1981, from paying a tax or fee to the same extent Amtrak is exempt.

(g) NONAPPLICATION OF RATE, ROUTE, AND SERVICE LAWS.—A State or other law related to rates, routes, or service does not apply to Amtrak in connection with rail passenger transportation.

(h) NONAPPLICATION OF PAY PERIOD LAWS.—A State or local law related to pay periods or days for payment of employees does not apply to Amtrak. Except when otherwise provided under a collective bargaining agreement, an employee of Amtrak shall be paid at least as frequently as the employee was paid on October 1, 1979.

(i) PREEMPTION RELATED TO EMPLOYEE WORK REQUIREMENTS.—A State may not adopt or continue in force a law, rule, regulation, order, or standard requiring Amtrak to employ a specified number of individuals to perform a particular task, function, or operation.

(j) NONAPPLICATION OF LAWS ON JOINT USE OR OPERATION OF FACILITIES AND EQUIPMENT.—Prohibitions of law applicable to an agreement for the joint use or operation of facilities and equipment necessary to provide quick and efficient rail passenger transportation do not apply to a person making an agreement with Amtrak to the extent necessary to allow the person to make and carry out obligations under the agreement.

(k) EXEMPTION FROM ADDITIONAL TAXES.—(1) In this subsection—

(A) “additional tax” means a tax or fee—

(i) on the acquisition, improvement, ownership, or operation of personal property by Amtrak; and

(ii) on real property, except a tax or fee on the acquisition of real property or on the value of real property not attributable to improvements made, or the operation of those improvements, by Amtrak.

(B) “Amtrak” includes a rail carrier subsidiary of Amtrak and a lessor or lessee of Amtrak or one of its rail carrier subsidiaries.

(2) Amtrak is not required to pay an additional tax because of an expenditure to acquire or improve real property, equipment, a facility, or right-of-way material or structures used in providing rail passenger transportation, even if that use is indirect.

(1) EXEMPTION FROM TAXES LEVIED AFTER SEPTEMBER 30, 1981.—

(1) IN GENERAL.—Amtrak, a rail carrier subsidiary of Amtrak, and any passenger or other customer of Amtrak or such subsidiary, are exempt from a tax, fee, head charge, or other charge, imposed or levied by a State, political subdivision, or local taxing authority on Amtrak, a rail carrier subsidiary of Amtrak, or on persons traveling in intercity rail passenger transportation or on mail or express transportation provided by Amtrak or such a subsidiary, or on the carriage of such persons, mail, or express, or on the sale of any such transportation, or on the gross receipts derived therefrom after September 30, 1981. In the case of a tax or fee that Amtrak was required to pay as of September 10, 1982, Amtrak is not ex-

empt from such tax or fee if it was assessed before April 1, 1997.

(2) The district courts of the United States have original jurisdiction over a civil action Amtrak brings to enforce this subsection and may grant equitable or declaratory relief requested by Amtrak.

(m) WASTE DISPOSAL.—(1) An intercity rail passenger car manufactured after October 14, 1990, shall be built to provide for the discharge of human waste only at a servicing facility. Amtrak shall retrofit each of its intercity rail passenger cars that was manufactured after May 1, 1971, and before October 15, 1990, with a human waste disposal system that provides for the discharge of human waste only at a servicing facility. Subject to appropriations—

(A) the retrofit program shall be completed not later than October 15, 2001; and

(B) a car that does not provide for the discharge of human waste only at a servicing facility shall be removed from service after that date.

(2) Section 361 of the Public Health Service Act (42 U.S.C. 264) and other laws of the United States, States, and local governments do not apply to waste disposal from rail carrier vehicles operated in intercity rail passenger transportation. The district courts of the United States have original jurisdiction over a civil action Amtrak brings to enforce this paragraph and may grant equitable or declaratory relief requested by Amtrak.

(n) RAIL TRANSPORTATION TREATED EQUALLY.—When authorizing transportation in the continental United States for an officer, employee, or member of the uniformed services of a department, agency, or instrumentality of the Government, the head of that department, agency, or instrumentality shall consider rail transportation (including transportation by extra-fare trains) the same as transportation by another authorized mode. The Administrator of General Services shall include Amtrak in the contract air program of the Administrator in markets in which transportation provided by Amtrak is competitive with other carriers on fares and total trip times.

§ 24302. Board of Directors

(a) REFORM BOARD.—

(1) ESTABLISHMENT AND DUTIES.—The Reform Board described in paragraph (2) shall assume the responsibilities of the Board of Directors of Amtrak by March 31, 1998, or as soon thereafter as at least 4 members have been appointed and qualified. The Board appointed under prior law shall be abolished when the Reform Board assumes such responsibilities.

(2) MEMBERSHIP.—(A)(i) The Reform Board shall consist of 7 voting members appointed by the President, by and with the advice and consent of the Senate, for a term of 5 years.

(ii) Notwithstanding clause (i), if the Secretary of Transportation is appointed to the Reform Board, such appointment shall not be subject to the advice and consent of the Senate. If appointed, the Secretary may be represented at Board meetings by his designee.

(B) In selecting the individuals described in subparagraph (A) for nominations for appointments to the Reform Board, the President should consult with the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the Majority Leader of the Senate, and the Minority Leader of the Senate.

(C) Appointments under subparagraph (A) shall be made from among individuals who—

(i) have technical qualifications, professional standing, and demonstrated expertise in the fields of transportation or corporate or financial management;

(ii) are not representatives of rail labor or rail management; and

(iii) in the case of 6 of the 7 individuals selected, are not employees of Amtrak or of the United States.

(D) The President of Amtrak shall serve as an ex officio, nonvoting member of the Reform Board.

(3) CONFIRMATION PROCEDURE IN SENATE.—

(A) This paragraph is enacted by the Congress—

(i) as an exercise of the rulemaking power of the Senate, and as such it is deemed a part of the rules of the Senate, but applicable only with respect to the procedure to be followed in the Senate in the case of a motion to discharge; and it supersedes other rules only to the extent that it is inconsistent therewith; and

(ii) with full recognition of the constitutional right of the Senate to change the rules (so far as relating to the procedure of the Senate) at any time, in the same manner and to the same extent as in the case of any other rule of the Senate.

(B) If, by the first day of June on which the Senate is in session after a nomination is submitted to the Senate under this section, the committee to which the nomination was referred has not reported the nomination, then it shall be discharged from further consideration of the nomination and the nomination shall be placed on the Executive Calendar.

(C) It shall be in order at any time thereafter to move to proceed to the consideration of the nomination without any intervening action or debate.

(D) After no more than 10 hours of debate on the nomination, which shall be evenly divided between, and controlled by, the Majority Leader and the Minority Leader, the Senate shall proceed without intervening action to vote on the nomination.

(b) BOARD OF DIRECTORS.—Five years after the establishment of the Reform Board under subsection (a), a Board of Directors shall be selected—

(1) if Amtrak has, during the then current fiscal year, received Federal assistance, in accordance with the procedures set forth in subsection (a)(2); or

(2) if Amtrak has not, during the then current fiscal year, received Federal assistance, pursuant to bylaws adopted by the

Reform Board (which shall provide for employee representation), and the Reform Board shall be dissolved.

(c) **AUTHORITY TO RECOMMEND PLAN.**—The Reform Board shall have the authority to recommend to the Congress a plan to implement the recommendations of the 1997 Working Group on Inter-City Rail regarding the transfer of Amtrak's infrastructure assets and responsibilities to a new separately governed corporation.

§ 24303. Officers

(a) **APPOINTMENT AND TERMS.**—Amtrak has a President and other officers that are named and appointed by the board of directors of Amtrak. An officer of Amtrak must be a citizen of the United States. Officers of Amtrak serve at the pleasure of the board.

(b) **PAY.**—The board may fix the pay of the officers of Amtrak. An officer may not be paid more than the general level of pay for officers of rail carriers with comparable responsibility. The preceding sentence shall not apply for any fiscal year for which no Federal assistance is provided to Amtrak.

(c) **CONFLICTS OF INTEREST.**—When employed by Amtrak, an officer may not have a financial or employment relationship with another rail carrier, except that holding securities issued by a rail carrier is not deemed to be a violation of this subsection if the officer holding the securities makes a complete public disclosure of the holdings and does not participate in any decision directly affecting the rail carrier.

§ 24304. Employee stock ownership plans

In issuing stock pursuant to applicable corporate law, Amtrak is encouraged to include employee stock ownership plans.

§ 24305. General authority

(a) **ACQUISITION AND OPERATION OF EQUIPMENT AND FACILITIES.**—(1) Amtrak may acquire, operate, maintain, and make contracts for the operation and maintenance of equipment and facilities necessary for intercity and commuter rail passenger transportation, the transportation of mail and express, and auto-ferry transportation.

(2) Amtrak shall operate and control directly, to the extent practicable, all aspects of the rail passenger transportation it provides.

(3)(A) Except as provided in subsection (d)(2), Amtrak may enter into a contract with a motor carrier of passengers for the intercity transportation of passengers by motor carrier over regular routes only—

(i) if the motor carrier is not a public recipient of governmental assistance, as such term is defined in section 13902(b)(8)(A) of this title, other than a recipient of funds under section 5311 of this title;

(ii) for passengers who have had prior movement by rail or will have subsequent movement by rail; and

(iii) if the buses, when used in the provision of such transportation, are used exclusively for the transportation of passengers described in clause (ii).

(B) Subparagraph (A) shall not apply to transportation funded predominantly by a State or local government, or to ticket selling agreements.

(b) MAINTENANCE AND REHABILITATION.—Amtrak may maintain and rehabilitate rail passenger equipment and shall maintain a regional maintenance plan that includes—

(1) a review panel at the principal office of Amtrak consisting of members the President of Amtrak designates;

(2) a systemwide inventory of spare equipment parts in each operational region;

(3) enough maintenance employees for cars and locomotives in each region;

(4) a systematic preventive maintenance program;

(5) periodic evaluations of maintenance costs, time lags, and parts shortages and corrective actions; and

(6) other elements or activities Amtrak considers appropriate.

(c) MISCELLANEOUS AUTHORITY.—Amtrak may—

(1) make and carry out appropriate agreements;

(2) transport mail and express and shall use all feasible methods to obtain the bulk mail business of the United States Postal Service;

(3) improve its reservation system and advertising;

(4) provide food and beverage services on its trains only if revenues from the services each year at least equal the cost of providing the services;

(5) conduct research, development, and demonstration programs related to the mission of Amtrak; and

(6) buy or lease rail rolling stock and develop and demonstrate improved rolling stock.

(d) THROUGH ROUTES AND JOINT FARES.—(1) Establishing through routes and joint fares between Amtrak and other intercity rail passenger carriers and motor carriers of passengers is consistent with the public interest and the transportation policy of the United States. Congress encourages establishing those routes and fares.

(2) Amtrak may establish through routes and joint fares with any domestic or international motor carrier, air carrier, or water carrier.

(3) Congress encourages Amtrak and motor common carriers of passengers to use the authority conferred in sections 11322 and 14302 of this title for the purpose of providing improved service to the public and economy of operation.

(e) RAIL POLICE.—Amtrak may employ rail police to provide security for rail passengers and property of Amtrak. Rail police employed by Amtrak who have complied with a State law establishing requirements applicable to rail police or individuals employed in a similar position may be employed without regard to the law of another State containing those requirements.

(f) DOMESTIC BUYING PREFERENCES.—(1) In this subsection, “United States” means the States, territories, and possessions of the United States and the District of Columbia.

(2) Amtrak shall buy only—

(A) unmanufactured articles, material, and supplies mined or produced in the United States; or

(B) manufactured articles, material, and supplies manufactured in the United States substantially from articles, material, and supplies mined, produced, or manufactured in the United States.

(3) Paragraph (2) of this subsection applies only when the cost of those articles, material, or supplies bought is at least \$1,000,000.

(4) On application of Amtrak, the Secretary of Transportation may exempt Amtrak from this subsection if the Secretary decides that—

(A) for particular articles, material, or supplies—

(i) the requirements of paragraph (2) of this subsection are inconsistent with the public interest;

(ii) the cost of imposing those requirements is unreasonable; or

(iii) the articles, material, or supplies, or the articles, material, or supplies from which they are manufactured, are not mined, produced, or manufactured in the United States in sufficient and reasonably available commercial quantities and are not of a satisfactory quality; or

(B) rolling stock or power train equipment cannot be bought and delivered in the United States within a reasonable time.

§ 24306. Mail, express, and auto-ferry transportation

(a) **ACTIONS TO INCREASE REVENUES.**—Amtrak shall take necessary action to increase its revenues from the transportation of mail and express. To increase its revenues, Amtrak may provide auto-ferry transportation as part of the basic passenger transportation authorized by this part.

(b) **AUTHORITY OF OTHERS TO PROVIDE AUTO-FERRY TRANSPORTATION.**—State and local laws and regulations that impair the provision of auto-ferry transportation do not apply to Amtrak or a rail carrier providing auto-ferry transportation. A rail carrier may not refuse to participate with Amtrak in providing auto-ferry transportation because a State or local law or regulation makes the transportation unlawful.

§ 24307. Special transportation

(a) **REDUCED FARE PROGRAM.**—Amtrak shall maintain a reduced fare program for the following:

(1) individuals at least 65 years of age.

(2) individuals (except alcoholics and drug abusers) who—

(A) have a physical or mental impairment that substantially limits a major life activity of the individual;

(B) have a record of an impairment; or

(C) are regarded as having an impairment.

(b) **EMPLOYEE TRANSPORTATION.**—(1) In this subsection, “rail carrier employee” means—

(A) an active full-time employee of a rail carrier or terminal company and includes an employee on furlough or leave of absence;

(B) a retired employee of a rail carrier or terminal company; and

(C) a dependent of an employee referred to in clause (A) or (B) of this paragraph.

(2) Amtrak shall ensure that a rail carrier employee eligible for free or reduced-rate rail transportation on April 30, 1971, under an agreement in effect on that date is eligible, to the greatest extent practicable, for free or reduced-rate intercity rail passenger transportation provided by Amtrak under this part, if space is available, on terms similar to those available on that date under the agreement. However, Amtrak may apply to all rail carrier employees eligible to receive free or reduced-rate transportation under any agreement a single systemwide schedule of terms that Amtrak decides applied to a majority of employees on that date under all those agreements. Unless Amtrak and a rail carrier make a different agreement, the carrier shall reimburse Amtrak at the rate of 25 percent of the systemwide average monthly yield of each revenue passenger-mile. The reimbursement is in place of costs Amtrak incurs related to free or reduced-rate transportation, including liability related to travel of a rail carrier employee eligible for free or reduced-rate transportation.

(3) This subsection does not prohibit the Interstate Commerce Commission from ordering retroactive relief in a proceeding begun or reopened after October 1, 1981.

§ 24308. Use of facilities and providing services to Amtrak

(a) GENERAL AUTHORITY.—(1) Amtrak may make an agreement with a rail carrier or regional transportation authority to use facilities of, and have services provided by, the carrier or authority under terms on which the parties agree. The terms shall include a penalty for untimely performance.

(2)(A) If the parties cannot agree and if the Interstate Commerce Commission finds it necessary to carry out this part, the Commission shall—

(i) order that the facilities be made available and the services provided to Amtrak; and

(ii) prescribe reasonable terms and compensation for using the facilities and providing the services.

(B) When prescribing reasonable compensation under subparagraph (A) of this paragraph, the Commission shall consider quality of service as a major factor when determining whether, and the extent to which, the amount of compensation shall be greater than the incremental costs of using the facilities and providing the services.

(C) The Commission shall decide the dispute not later than 90 days after Amtrak submits the dispute to the Commission.

(3) Amtrak's right to use the facilities or have the services provided is conditioned on payment of the compensation. If the compensation is not paid promptly, the rail carrier or authority entitled to it may bring an action against Amtrak to recover the amount owed.

(4) Amtrak shall seek immediate and appropriate legal remedies to enforce its contract rights when track maintenance on a

route over which Amtrak operates falls below the contractual standard.

(b) OPERATING DURING EMERGENCIES.—To facilitate operation by Amtrak during an emergency, the Commission, on application by Amtrak, shall require a rail carrier to provide facilities immediately during the emergency. The Commission then shall promptly prescribe reasonable terms, including indemnification of the carrier by Amtrak against personal injury risk to which the carrier may be exposed. The rail carrier shall provide the facilities for the duration of the emergency.

(c) PREFERENCE OVER FREIGHT TRANSPORTATION.—Except in an emergency, intercity and commuter rail passenger transportation provided by or for Amtrak has preference over freight transportation in using a rail line, junction, or crossing unless the Secretary of Transportation orders otherwise under this subsection. A rail carrier affected by this subsection may apply to the Secretary for relief. If the Secretary, after an opportunity for a hearing under section 553 of title 5, decides that preference for intercity and commuter rail passenger transportation materially will lessen the quality of freight transportation provided to shippers, the Secretary shall establish the rights of the carrier and Amtrak on reasonable terms.

(d) ACCELERATED SPEEDS.—If a rail carrier refuses to allow accelerated speeds on trains operated by or for Amtrak, Amtrak may apply to the Secretary for an order requiring the carrier to allow the accelerated speeds. The Secretary shall decide whether accelerated speeds are unsafe or impracticable and which improvements would be required to make accelerated speeds safe and practicable. After an opportunity for a hearing, the Secretary shall establish the maximum allowable speeds of Amtrak trains on terms the Secretary decides are reasonable.

(e) ADDITIONAL TRAINS.—(1) When a rail carrier does not agree to provide, or allow Amtrak to provide, for the operation of additional trains over a rail line of the carrier, Amtrak may apply to the Secretary for an order requiring the carrier to provide or allow for the operation of the requested trains. After a hearing on the record, the Secretary may order the carrier, within 60 days, to provide or allow for the operation of the requested trains on a schedule based on legally permissible operating times. However, if the Secretary decides not to hold a hearing, the Secretary, not later than 30 days after receiving the application, shall publish in the Federal Register the reasons for the decision not to hold the hearing.

(2) The Secretary shall consider—

(A) when conducting a hearing, whether an order would impair unreasonably freight transportation of the rail carrier, with the carrier having the burden of demonstrating that the additional trains will impair the freight transportation; and

(B) when establishing scheduled running times, the statutory goal of Amtrak to implement schedules that attain a system-wide average speed of at least 60 miles an hour that can be adhered to with a high degree of reliability and passenger comfort.

(3) Unless the parties have an agreement that establishes the compensation Amtrak will pay the carrier for additional trains pro-

vided under an order under this subsection, the Commission shall decide the dispute under subsection (a) of this section.

§ 24309. Retaining and maintaining facilities

(a) DEFINITIONS.—In this section—

(1) “facility” means a rail line, right of way, fixed equipment, facility, or real property related to a rail line, right of way, fixed equipment, or facility, including a signal system, passenger station and repair tracks, a station building, a platform, and a related facility, including a water, fuel, steam, electric, and air line.

(2) downgrading a facility means reducing a track classification as specified in the Federal Railroad Administration track safety standards or altering a facility so that the time required for rail passenger transportation to be provided over the route on which a facility is located may be increased.

(b) APPROVAL REQUIRED FOR DOWNGRADING OR DISPOSAL.—A facility of a rail carrier or regional transportation authority that Amtrak used to provide rail passenger transportation on February 1, 1979, or on January 1, 1997, may be downgraded or disposed of only after approval by the Secretary of Transportation under this section.

(c) NOTIFICATION AND ANALYSIS.—(1) A rail carrier intending to downgrade or dispose of a facility Amtrak currently is not using to provide transportation shall notify Amtrak of its intention. If, not later than 60 days after Amtrak receives the notice, Amtrak and the carrier do not agree to retain or maintain the facility or to convey an interest in the facility to Amtrak, the carrier may apply to the Secretary for approval to downgrade or dispose of the facility.

(2) After a rail carrier notifies Amtrak of its intention to downgrade or dispose of a facility, Amtrak shall survey population centers with rail passenger transportation facilities to assist in preparing a valid and timely analysis of the need for the facility and shall update the survey as appropriate. Amtrak also shall maintain a system for collecting information gathered in the survey. The system shall collect the information based on geographic regions and on whether the facility would be part of a short haul or long haul route. The survey should facilitate an analysis of—

(A) ridership potential by ascertaining existing and changing travel patterns that would provide maximum efficient rail passenger transportation;

(B) the quality of transportation of competitors or likely competitors;

(C) the likelihood of Amtrak offering transportation at a competitive fare;

(D) opportunities to target advertising and fares to potential classes of riders;

(E) economic characteristics of rail passenger transportation related to the facility and the extent to which the characteristics are consistent with sound economic principles of short haul or long haul rail transportation; and

(F) the feasibility of applying effective internal cost controls to the facility and route served by the facility to improve the ratio of passenger revenue to transportation expenses (ex-

cluding maintenance of tracks, structures, and equipment and depreciation).

(d) APPROVAL OF APPLICATION AND PAYMENT OF AVOIDABLE COSTS.—(1) If Amtrak does not object to an application not later than 30 days after it is submitted, the Secretary shall approve the application promptly.

(2) If Amtrak objects to an application, the Secretary shall decide by not later than 180 days after the objection those costs the rail carrier may avoid if it does not have to retain or maintain a facility in the condition Amtrak requests. If Amtrak does not agree by not later than 60 days after the decision to pay the carrier these avoidable costs, the Secretary shall approve the application. When deciding whether to pay a carrier the avoidable costs of retaining or maintaining a facility, Amtrak shall consider—

(A) the potential importance of restoring rail passenger transportation on the route on which the facility is located;

(B) the market potential of the route;

(C) the availability, adequacy, and energy efficiency of an alternate rail line or alternate mode of transportation to provide passenger transportation to or near the places that would be served by the route;

(D) the extent to which major population centers would be served by the route;

(E) the extent to which providing transportation over the route would encourage the expansion of an intercity rail passenger system in the United States; and

(F) the possibility of increased ridership on a rail line that connects with the route.

(e) COMPLIANCE WITH OTHER OBLIGATIONS.—Downgrading or disposing of a facility under this section does not relieve a rail carrier from complying with its other common carrier or legal obligations related to the facility.

【Section 24310 repealed by section 403 of Public Law 105–134 (111 Stat. 2585).】

§ 24311. Acquiring interests in property by eminent domain

(a) GENERAL AUTHORITY.—(1) To the extent financial resources are available, Amtrak may acquire by eminent domain under subsection (b) of this section interests in property—

(A) necessary for intercity rail passenger transportation, except property of a rail carrier, a State, a political subdivision of a State, or a governmental authority; or

(B) requested by the Secretary of Transportation in carrying out the Secretary's duty to design and build an intermodal transportation terminal at Union Station in the District of Columbia if the Secretary assures Amtrak that the Secretary will reimburse Amtrak.

(2) Amtrak may exercise the power of eminent domain only if it cannot—

(A) acquire the interest in the property by contract; or

(B) agree with the owner on the purchase price for the interest.

(b) CIVIL ACTIONS.—(1) A civil action to acquire an interest in property by eminent domain under subsection (a) of this section

must be brought in the district court of the United States for the judicial district in which the property is located or, if a single piece of property is located in more than one judicial district, in any judicial district in which any piece of the property is located. An interest is condemned and taken by Amtrak for its use when a declaration of taking is filed under this subsection and an amount of money estimated in the declaration to be just compensation for the interest is deposited in the court. The declaration may be filed with the complaint in the action or at any time before judgment. The declaration must contain or be accompanied by—

(A) a statement of the public use for which the interest is taken;

(B) a description of the property sufficient to identify it;

(C) a statement of the interest in the property taken;

(D) a plan showing the interest taken; and

(E) a statement of the amount of money Amtrak estimates is just compensation for the interest.

(2) When the declaration is filed and the deposit is made under paragraph (1) of this subsection, title to the property vests in Amtrak in fee simple absolute or in the lesser interest shown in the declaration, and the right to the money vests in the person entitled to the money. When the declaration is filed, the court may decide—

(A) the time by which, and the terms under which, possession of the property is given to Amtrak; and

(B) the disposition of outstanding charges related to the property.

(3) After a hearing, the court shall make a finding on the amount that is just compensation for the interest in the property and enter judgment awarding that amount and interest on it. The rate of interest is 6 percent a year and is computed on the amount of the award less the amount deposited in the court from the date of taking to the date of payment.

(4) On application of a party, the court may order immediate payment of any part of the amount deposited in the court for the compensation to be awarded. If the award is more than the amount received, the court shall enter judgment against Amtrak for the deficiency.

(c) **AUTHORITY TO CONDEMN RAIL CARRIER PROPERTY INTERESTS.**—(1) If Amtrak and a rail carrier cannot agree on a sale to Amtrak of an interest in property of a rail carrier necessary for intercity rail passenger transportation, Amtrak may apply to the Interstate Commerce Commission for an order establishing the need of Amtrak for the interest and requiring the carrier to convey the interest on reasonable terms, including just compensation. The need of Amtrak is deemed to be established, and the Commission, after holding an expedited proceeding and not later than 120 days after receiving the application, shall order the interest conveyed unless the Commission decides that—

(A) conveyance would impair significantly the ability of the carrier to carry out its obligations as a common carrier; and

(B) the obligations of Amtrak to provide modern, efficient, and economical rail passenger transportation can be met adequately by acquiring an interest in other property, either by

sale or by exercising its right of eminent domain under subsection (a) of this section.

(2) If the amount of compensation is not determined by the date of the Commission's order, the order shall require, as part of the compensation, interest at 6 percent a year from the date prescribed for the conveyance until the compensation is paid.

(3) Amtrak subsequently may reconvey to a third party an interest conveyed to Amtrak under this subsection or prior comparable provision of law if the Commission decides that the reconveyance will carry out the purposes of this part, regardless of when the proceeding was brought (including a proceeding pending before a United States court on November 28, 1990).

§ 24312. Labor standards

(a) **PREVAILING WAGES AND HEALTH AND SAFETY STANDARDS.**—Amtrak shall ensure that laborers and mechanics employed by contractors and subcontractors in construction work financed under an agreement made under section 24308(a) of this title will be paid wages not less than those prevailing on similar construction in the locality, as determined by the Secretary of Labor under sections 3141–3144, 3146, and 3147 of title 40. Amtrak may make such an agreement only after being assured that required labor standards will be maintained on the construction work. Health and safety standards prescribed by the Secretary under section 3704 of title 40 apply to all construction work performed under such an agreement, except for construction work performed by a rail carrier.

(b) **WAGE RATES.**—Wage rates in a collective bargaining agreement negotiated under the Railway Labor Act (45 U.S.C. 151 et seq.) are deemed to comply with sections 3141–3144, 3146, and 3147 of title 40.

§ 24313. Rail safety system program

In consultation with rail labor organizations, Amtrak shall maintain a rail safety system program for employees working on property owned by Amtrak. The program shall be a model for other rail carriers to use in developing safety programs. The program shall include—

- (1) periodic analyses of accident information, including primary and secondary causes;
- (2) periodic evaluations of the activities of the program, particularly specific steps taken in response to an accident;
- (3) periodic reports on amounts spent for occupational health and safety activities of the program;
- (4) periodic reports on reduced costs and personal injuries because of accident prevention activities of the program;
- (5) periodic reports on direct accident costs, including claims related to accidents; and
- (6) reports and evaluations of other information Amtrak considers appropriate.

【Section 24314 repealed by section 404 of Public Law 105–134 (111 Stat. 2586).】

§ 24315. Reports and audits

(a) **AMTRAK ANNUAL OPERATIONS REPORT.**—Not later than February 15 of each year, Amtrak shall submit to Congress a report that—

(1) for each route on which Amtrak provided intercity rail passenger transportation during the prior fiscal year, includes information on—

- (A) ridership;
- (B) passenger-miles;
- (C) the short-term avoidable profit or loss for each passenger-mile;
- (D) the revenue-to-cost ratio;
- (E) revenues;
- (F) the United States Government subsidy;
- (G) the subsidy not provided by the United States Government; and
- (H) on-time performance;

(2) provides relevant information about a decision to pay an officer of Amtrak more than the rate for level I of the Executive Schedule under section 5312 of title 5; and

(3) specifies—

- (A) significant operational problems Amtrak identifies; and
- (B) proposals by Amtrak to solve those problems.

(b) **AMTRAK GENERAL AND LEGISLATIVE ANNUAL REPORT.**—(1) Not later than February 15 of each year, Amtrak shall submit to the President and Congress a complete report of its operations, activities, and accomplishments, including a statement of revenues and expenditures for the prior fiscal year. The report—

(A) shall include a discussion and accounting of Amtrak's success in meeting the goal of section 24902(b) of this title; and

(B) may include recommendations for legislation, including the amount of financial assistance needed for operations and capital improvements, the method of computing the assistance, and the sources of the assistance.

(2) Amtrak may submit reports to the President and Congress at other times Amtrak considers desirable.

(c) **SECRETARY'S REPORT ON EFFECTIVENESS OF THIS PART.**—The Secretary of Transportation shall prepare a report on the effectiveness of this part in meeting the requirements for a balanced transportation system in the United States. The report may include recommendations for legislation. The Secretary shall include this report as part of the annual report the Secretary submits under section 308(a) of this title.

(d) **INDEPENDENT AUDITS.**—An independent certified public accountant shall audit the financial statements of Amtrak each year. The audit shall be carried out at the place at which the financial statements normally are kept and under generally accepted auditing standards. A report of the audit shall be included in the report required by subsection (a) of this section.

(e) **COMPTROLLER GENERAL AUDITS.**—The Comptroller General may conduct performance audits of the activities and transactions of Amtrak. Each audit shall be conducted at the place at which the

Comptroller General decides and under generally accepted management principles. The Comptroller General may prescribe regulations governing the audit.

(f) AVAILABILITY OF RECORDS AND PROPERTY OF AMTRAK AND RAIL CARRIERS.—Amtrak and, if required by the Comptroller General, a rail carrier with which Amtrak has made a contract for intercity rail passenger transportation shall make available for an audit under subsection (d) or (e) of this section all records and property of, or used by, Amtrak or the carrier that are necessary for the audit. Amtrak and the carrier shall provide facilities for verifying transactions with the balances or securities held by depositories, fiscal agents, and custodians. Amtrak and the carrier may keep all reports and property.

(g) COMPTROLLER GENERAL'S REPORT TO CONGRESS.—The Comptroller General shall submit to Congress a report on each audit, giving comments and information necessary to inform Congress on the financial operations and condition of Amtrak and recommendations related to those operations and conditions. The report also shall specify any financial transaction or undertaking the Comptroller General considers is carried out without authority of law. When the Comptroller General submits a report to Congress, the Comptroller General shall submit a copy of it to the President, the Secretary, and Amtrak at the same time.

(h) ACCESS TO RECORDS AND ACCOUNTS.—A State shall have access to Amtrak's records, accounts, and other necessary documents used to determine the amount of any payment to Amtrak required of the State.

【Chapter 245 repealed by section 106(a) of Public Law 105–134 (111 Stat. 2573).】

CHAPTER 247—AMTRAK ROUTE SYSTEM

- Sec.
 24701. National rail passenger transportation system.
 24702. [Repealed.]
 24703. [Repealed.]
 24704. [Repealed.]
 24705. [Repealed.]
 24706. Discontinuance.
 24707. [Repealed.]
 24708. [Repealed.]
 24709. International transportation.

§ 24701. National rail passenger transportation system

Amtrak shall operate a national rail passenger transportation system which ties together existing and emergent regional rail passenger service and other intermodal passenger service.

【Section 24702 repealed by section 101(b) of Public Law 105–134 (111 Stat. 2572).】

【Section 24703 repealed by section 103 of Public Law 105–134 (111 Stat. 2572).】

【Section 24704 repealed by section 105(a) of Public Law 105–134 (111 Stat. 2573).】

【Section 24705 repealed by section 104 of Public Law 105–134 (111 Stat. 2573).】

§ 24706. Discontinuance

(a) NOTICE OF DISCONTINUANCE.—(1) Except as provided in subsection (b) of this section, at least 180 days before a discontinuance under section 24704 or or¹ discontinuing service over a route, Amtrak shall give notice of the discontinuance in the way Amtrak decides will give a State, a regional or local authority, or another person the opportunity to agree to share or assume the cost of any part of the train, route, or service to be discontinued.

(2) Notice of the discontinuance under section 24704 or paragraph (1) shall be posted in all stations served by the train to be discontinued at least 14 days before the discontinuance.

(b) DISCONTINUANCE FOR LACK OF APPROPRIATIONS.—(1) Amtrak may discontinue service under section 24704 or subsection (a)(1) during—

(A) the first month of a fiscal year if the authorization of appropriations and the appropriations for Amtrak are not enacted at least 90 days before the beginning of the fiscal year; and

(B) the 30 days following enactment of an appropriation for Amtrak or a rescission of an appropriation.

(2) Amtrak shall notify each affected State or regional or local transportation authority of a discontinuance under this subsection as soon as possible after Amtrak decides to discontinue the service.

【Section 24707 repealed by section 101(d) of Public Law 105–134 (111 Stat. 2572).】

【Section 24708 repealed by section 101(e) of Public Law 105–134 (111 Stat. 2572).】

§ 24709. International transportation

Amtrak may develop and operate international intercity rail passenger transportation between the United States and Canada and between the United States and Mexico. The Secretary of the Treasury and the Attorney General, in cooperation with Amtrak, shall maintain, consistent with the effective enforcement of the immigration and customs laws, en route customs inspection and immigration procedures for international intercity rail passenger transportation that will—

- (1) be convenient for passengers; and
- (2) result in the quickest possible international intercity rail passenger transportation.

CHAPTER 249—NORTHEAST CORRIDOR IMPROVEMENT PROGRAM

Sec.	
24901.	Definitions.
24902.	Goals and requirements.
24903.	[Repealed.]
24904.	General authority.
24905.	Coordination board and safety committee.
24906.	Eliminating highway at-grade crossings.
24907.	Note and mortgage.

¹ So in original. See the amendment made by section 101(c)(2) of the Amtrak Reform and Accountability Act of 1997 (Public Law 105–134).

24908. Transfer taxes and levies and recording charges.

24909. Authorization of appropriations.

§ 24901. Definitions

In this chapter—

(1) “final system plan” means the final system plan (including additions) adopted by the United States Railway Association under the Regional Rail Reorganization Act of 1973 (45 U.S.C. 701 et seq.).

(2) “rail carrier” means an express carrier and a rail carrier as defined in section 10102 of this title, including Amtrak.

§ 24902. Goals and requirements

(a) **MANAGING COSTS AND REVENUES.**—Amtrak shall manage its operating costs, pricing policies, and other factors with the goal of having revenues derived each fiscal year from providing intercity rail passenger transportation over the Northeast Corridor route between the District of Columbia and Boston, Massachusetts, equal at least the operating costs of providing that transportation in that fiscal year.

(b) **PRIORITIES IN SELECTING AND SCHEDULING PROJECTS.**—When selecting and scheduling specific projects, Amtrak shall apply the following considerations, in the following order of priority:

(1) Safety-related items should be completed before other items because the safety of the passengers and users of the Northeast Corridor is paramount.

(2) Activities that benefit the greatest number of passengers should be completed before activities involving fewer passengers.

(3) Reliability of intercity rail passenger transportation must be emphasized.

(4) Trip-time requirements of this section must be achieved to the extent compatible with the priorities referred to in paragraphs (1)–(3) of this subsection.

(5) Improvements that will pay for the investment by achieving lower operating or maintenance costs should be carried out before other improvements.

(6) Construction operations should be scheduled so that the fewest possible passengers are inconvenienced, transportation is maintained, and the on-time performance of Northeast Corridor commuter rail passenger and rail freight transportation is optimized.

(7) Planning should focus on completing activities that will provide immediate benefits to users of the Northeast Corridor.

(c) **COMPATIBILITY WITH FUTURE IMPROVEMENTS AND PRODUCTION OF MAXIMUM LABOR BENEFITS.**—Improvements under this section shall be compatible with future improvements in transportation and shall produce the maximum labor benefit from hiring individuals presently unemployed.

(d) **AUTOMATIC TRAIN CONTROL SYSTEMS.**—A train operating on the Northeast Corridor main line or between the main line and Atlantic City shall be equipped with an automatic train control sys-

tem designed to slow or stop the train in response to an external signal.

(e) HIGH-SPEED TRANSPORTATION.—If practicable, Amtrak shall establish intercity rail passenger transportation in the Northeast Corridor that carries out section 703(1)(E) of the Railroad Revitalization and Regulatory Reform Act of 1976 (Public Law 94–210, 90 Stat. 121).

(f) EQUIPMENT DEVELOPMENT.—Amtrak shall develop economical and reliable equipment compatible with track, operating, and marketing characteristics of the Northeast Corridor, including the capability to meet reliable trip times under section 703(1)(E) of the Railroad Revitalization and Regulatory Reform Act of 1976 (Public Law 94–210, 90 Stat. 121) in regularly scheduled revenue transportation in the Corridor, when the Northeast Corridor improvement program is completed. Amtrak must decide that equipment complies with this subsection before buying equipment with financial assistance of the Government. Amtrak shall submit a request for an authorization of appropriations for production of the equipment.

(g) AGREEMENTS FOR OFF-CORRIDOR ROUTING OF RAIL FREIGHT TRANSPORTATION.—(1) Amtrak may make an agreement with a rail freight carrier or a regional transportation authority under which the carrier will carry out an alternate off-corridor routing of rail freight transportation over rail lines in the Northeast Corridor between the District of Columbia and New York metropolitan areas, including intermediate points. The agreement shall be for at least 5 years.

(2) Amtrak shall apply to the Interstate Commerce Commission for approval of the agreement and all related agreements accompanying the application as soon as the agreement is made. If the Commission finds that approval is necessary to carry out this chapter, the Commission shall approve the application and related agreements not later than 90 days after receiving the application.

(3) If an agreement is not made under paragraph (1) of this subsection, Amtrak, with the consent of the other parties, may apply to the Interstate Commerce Commission. Not later than 90 days after the application, the Commission shall decide on the terms of an agreement if it decides that doing so is necessary to carry out this chapter. The decision of the Commission is binding on the other parties.

(h) COORDINATION.—(1) The Secretary of Transportation shall coordinate—

(A) transportation programs related to the Northeast Corridor to ensure that the programs are integrated and consistent with the Northeast Corridor improvement program; and

(B) amounts from departments, agencies, and instrumentalities of the Government to achieve urban redevelopment and revitalization in the vicinity of urban rail stations in the Northeast Corridor served by intercity and commuter rail passenger transportation.

(2) If the Secretary finds significant noncompliance with this section, the Secretary may deny financing to a noncomplying program until the noncompliance is corrected.

(i) COMPLETION.—Amtrak shall give the highest priority to completing the program.

(j) APPLICABLE PROCEDURES.—No State or local building, zoning, subdivision, or similar or related law, nor any other State or local law from which a project would be exempt if undertaken by the Federal Government or an agency thereof within a Federal enclave wherein Federal jurisdiction is exclusive, including without limitation with respect to all such laws referenced herein above requirements for permits, actions, approvals or filings, shall apply in connection with the construction, ownership, use, operation, financing, leasing, conveying, mortgaging or enforcing a mortgage of (i) any improvement undertaken by or for the benefit of Amtrak as part of, or in furtherance of, the Northeast Corridor Improvement Project (including without limitation maintenance, service, inspection or similar facilities acquired, constructed or used for high speed trainsets) or chapter 241, 243, or 247 of this title or (ii) any land (and right, title or interest created with respect thereto) on which such improvement is located and adjoining, surrounding or any related land. These exemptions shall remain in effect and be applicable with respect to such land and improvements for the benefit of any mortgagee before, upon and after coming into possession of such improvements or land, any third party purchasers thereof in foreclosure (or through a deed in lieu of foreclosure), and their respective successors and assigns, in each case to the extent the land or improvements are used, or held for use, for railroad purposes or purposes accessory thereto. This subsection shall not apply to any improvement or related land unless Amtrak receives a Federal operating subsidy in the fiscal year in which Amtrak commits to or initiates such improvement.

【Section 24903 repealed by section 405(a) of Public Law 105-134 (111 Stat. 2585).】

§ 24904. General authority

(a) GENERAL.—To carry out this chapter and the Regional Rail Reorganization Act of 1973 (45 U.S.C. 701 et seq.), Amtrak may—

(1) acquire, maintain, and dispose of any interest in property used to provide improved high-speed rail transportation under section 24902 of this title;

(2) acquire, by condemnation or otherwise, any interest in real property that Amtrak considers necessary to carry out the goals of section 24902;

(3) provide for rail freight, intercity rail passenger, and commuter rail passenger transportation over property acquired under this section;

(4) improve rail rights of way between Boston, Massachusetts, and the District of Columbia (including the route through Springfield, Massachusetts, and routes to Harrisburg, Pennsylvania, and Albany, New York, from the Northeast Corridor main line) to achieve the goals of section 24902 of providing improved high-speed rail passenger transportation between Boston, Massachusetts, and the District of Columbia, and intermediate intercity markets;

(5) acquire, build, improve, and install passenger stations, communications and electric power facilities and equipment, public and private highway and pedestrian crossings, and other facilities and equipment necessary to provide improved

high-speed rail passenger transportation over rights of way improved under clause (4) of this subsection;

(6) make agreements with other carriers and commuter authorities to grant, acquire, or make arrangements for rail freight or commuter rail passenger transportation over, rights of way and facilities acquired under the Regional Rail Reorganization Act of 1973 (45 U.S.C. 701 et seq.) and the Railroad Revitalization and Regulatory Reform Act of 1976 (45 U.S.C. 801 et seq.); and

(7) appoint a general manager of the Northeast Corridor improvement program.

(b) COMPENSATORY AGREEMENTS.—Rail freight and commuter rail passenger transportation provided under subsection (a)(3) of this section shall be provided under compensatory agreements with the responsible carriers.

(c) COMPENSATION FOR TRANSPORTATION OVER CERTAIN RIGHTS OF WAY AND FACILITIES.—(1) An agreement under subsection (a)(6) of this section shall provide for reasonable reimbursement of costs but may not cross-subsidize intercity rail passenger, commuter rail passenger, and rail freight transportation.

(2) If the parties do not agree, the Interstate Commerce Commission shall order that the transportation continue over facilities acquired under the Regional Rail Reorganization Act of 1973 (45 U.S.C. 701 et seq.) and the Railroad Revitalization and Regulatory Reform Act of 1976 (45 U.S.C. 801 et seq.) and shall determine compensation (without allowing cross-subsidization between intercity rail passenger and rail freight transportation) for the transportation not later than 120 days after the dispute is submitted. The Commission shall assign to a rail freight carrier obtaining transportation under this subsection the costs Amtrak incurs only for the benefit of the carrier, plus a proportionate share of all other costs of providing transportation under this paragraph incurred for the common benefit of Amtrak and the carrier. The proportionate share shall be based on relative measures of volume of car operations, tonnage, or other factors that reasonably reflect the relative use of rail property covered by this subsection.

(3) This subsection does not prevent the parties from making an agreement under subsection (a)(6) of this section after the Commission makes a decision under this subsection.

§ 24905. Coordination board and safety committee

(a) NORTHEAST CORRIDOR COORDINATION BOARD.—(1) The Northeast Corridor Coordination Board is composed of the following members:

(A) one individual from each commuter authority (as defined in section 1135(a) of the Omnibus Budget Reconciliation Act of 1981 (45 U.S.C. 1104)) that provides or makes a contract to provide commuter rail passenger transportation over the main line of the Northeast Corridor.

(B) 2 individuals selected by Amtrak.

(C) one individual selected by the Consolidated Rail Corporation.

(2) The Board shall recommend to Amtrak—

(A) policies that ensure equitable access to the Northeast Corridor, considering the need for equitable access by commuter and intercity rail passenger transportation and the requirements of section 24308(c) of this title; and

(B) equitable policies for the Northeast Corridor related to—

- (i) dispatching;
- (ii) public information;
- (iii) maintaining equipment and facilities;
- (iv) major capital facility investments; and
- (v) harmonizing equipment acquisitions, rates, and schedules.

(3) The Board may recommend to the board of directors and President of Amtrak action necessary to resolve differences on providing transportation, except for facilities and transportation matters under section 24308(a) or 24904(a)(5) and (c) of this title.

(b) NORTHEAST CORRIDOR SAFETY COMMITTEE.—(1) The Northeast Corridor Safety Committee is composed of members appointed by the Secretary of Transportation. The members shall be representatives of—

- (A) the Secretary;
- (B) Amtrak;
- (C) freight carriers operating more than 150,000 train miles a year on the main line of the Northeast Corridor;
- (D) commuter agencies;
- (E) rail passengers;
- (F) rail labor; and
- (G) other individuals and organizations the Secretary decides have a significant interest in rail safety.

(2) The Secretary shall consult with the Committee about safety improvements on the Northeast Corridor main line. The Committee shall meet at least once every 2 years to consider safety matters on the main line.

(3) At the beginning of the first session of each Congress, the Secretary shall submit a report to Congress on the status of efforts to improve safety on the Northeast Corridor main line. The report shall include the safety recommendations of the Committee and the comments of the Secretary on those recommendations.

(4) The Committee shall cease to exist on January 1, 1999, or on another date the Secretary decides is appropriate. The Secretary shall notify Congress in writing of a decision to terminate the Committee on another date.

§ 24906. Eliminating highway at-grade crossings

(a) PLAN.—In consultation with the States on the main line of the Northeast Corridor, the Secretary of Transportation shall develop a plan not later than September 30, 1993, to eliminate all highway at-grade crossings of the main line by not later than December 31, 1997. The plan may provide that eliminating a crossing is not required if—

- (1) impracticable or unnecessary; and
- (2) using the crossing is consistent with conditions the Secretary considers appropriate to ensure safety.

(b) **AMTRAK'S SHARE OF COSTS.**—Amtrak shall pay 20 percent of the cost of eliminating each highway at-grade crossing under the plan.

§ 24907. Note and mortgage

(a) **GENERAL AUTHORITY.**—To secure amounts expended by the United States Government to acquire and improve rail property designated under section 206(c)(1)(C) and (D) of the Regional Rail Reorganization Act of 1973 (45 U.S.C. 716(c)(1)(C) and (D)), the Secretary of Transportation may obtain a note of indebtedness from, and make a mortgage agreement with, Amtrak to establish a mortgage lien on the property for the Government. The note and mortgage may not supersede section 24904 of this title.

(b) **EXEMPTIONS FROM LAWS AND REGULATIONS.**—The note and agreement under subsection (a) of this section, and a transaction related to the note or agreement, are exempt from any United States, State, or local law or regulation that regulates securities or the issuance of securities. The note, agreement, or transaction under this section has the same immunities from other laws that section 601 of the Act (45 U.S.C. 791) gives to transactions that comply with or carry out the final system plan. The transfer of rail property because of the note, agreement, or transaction has the same exemptions, privileges, and immunities that the Act (45 U.S.C. 701 et seq.) gives to a transfer ordered or approved by the special court under section 303(b) of the Act (45 U.S.C. 743(b)).

(c) **IMMUNITY FROM LIABILITY AND INDEMNIFICATION.**—Amtrak, its board of directors, and its individual directors are not liable because Amtrak has given or issued the note or agreement to the Government under subsection (a) of this section. Immunity granted under this subsection also applies to a transaction related to the note or agreement. The Government shall indemnify Amtrak, its board, and individual directors against costs and expenses actually and reasonably incurred in defending a civil action testing the validity of the note, agreement, or transaction.

§ 24908. Transfer taxes and levies and recording charges

A transfer of an interest in rail property under this chapter is exempt from a tax or levy related to the transfer that is imposed by the United States Government, a State, or a political subdivision of a State. On payment of the appropriate and generally applicable charge for the service performed, a transferee or transferor may record an instrument and, consistent with the final system plan, the release or removal of a pre-existing lien or encumbrance of record related to the interest transferred.

§ 24909. Authorization of appropriations

(a) **GENERAL.**—(1) Not more than \$2,313,000,000 may be appropriated to the Secretary of Transportation to achieve the goals of section 24902(a)(1) of this title. From this amount, the following amounts shall be expended by Amtrak:

(A) at least \$27,000,000 for equipment modification and replacement that a State or a local or regional transportation authority must bear because of the electrification conversion system of the Northeast Corridor under this chapter.

(B) \$30,000,000—

(i) to improve the main line track between the Northeast Corridor main line and Atlantic City, New Jersey, to ensure that the track, consistent with a plan New Jersey developed in consultation with Amtrak to provide rail passenger transportation between the Northeast Corridor main line and Atlantic City, New Jersey, would be of sufficient quality to allow safe rail passenger transportation at a minimum of 79 miles an hour not later than September 30, 1985; and

(ii) to promote rail passenger use of the track.

(C) necessary amounts to—

(i) develop Union Station in the District of Columbia;

(ii) install 189 track-miles, and renew 133 track-miles, of concrete ties with continuously welded rail between the District of Columbia and New York, New York;

(iii) install reverse signaling between Philadelphia, Pennsylvania, and Morrisville, Pennsylvania, on numbers 2 and 3 track;

(iv) restore ditch drainage in concrete tie locations between the District of Columbia and New York, New York;

(v) undercut 83 track-miles between the District of Columbia and New York, New York;

(vi) rehabilitate bridges between the District of Columbia and New York, New York (including Hi line);

(vii) develop a maintenance of way equipment repair facility between the District of Columbia and New York, New York, and build maintenance of way bases at Philadelphia, Pennsylvania, Sunnyside, New York, and Cedar Hill, Connecticut;

(viii) stabilize the roadbed between the District of Columbia and New York, New York;

(ix) automate the Bush River Drawbridge at milepost 72.14;

(x) improve the New York Service Facility to develop rolling stock repair capability;

(xi) install a rail car washer facility at Philadelphia, Pennsylvania;

(xii) restore storage tracks and buildings at the Washington Service Facility;

(xiii) install centralized traffic control from Landlith, Delaware, to Philadelphia, Pennsylvania;

(xiv) improve track, including high speed surfacing, ballast cleaning, and associated equipment repair and material distribution;

(xv) rehabilitate interlockings between the District of Columbia and New York, New York;

(xvi) paint the Connecticut River, Groton, and Pelham Bay bridges;

(xvii) provide additional catenary renewal and power supply upgrading between the District of Columbia and New York, New York;

(xviii) rehabilitate structural, electrical, and mechanical systems at the 30th Street Station in Philadelphia, Pennsylvania;

(xix) install evacuation and fire protection facilities in tunnels in New York, New York;

(xx) improve the communication and signal systems between Wilmington, Delaware, and Boston, Massachusetts, on the Northeast Corridor main line, and between Philadelphia, Pennsylvania, and Harrisburg, Pennsylvania, on the Harrisburg Line;

(xxi) improve the electric traction systems between Wilmington, Delaware, and Newark, New Jersey;

(xxii) install baggage rack restraints, seat back guards, and seat lock devices on 348 passenger cars operating in the Northeast Corridor;

(xxiii) install 44 event recorders and 10 electronic warning devices on locomotives operating within the Northeast Corridor; and

(xxiv) acquire cab signal test boxes and install 9 way-side loop code transmitters for use within the Northeast Corridor.

(2) The following additional amounts may be appropriated to the Secretary for expenditure by Amtrak:

(A) not more than \$150,000,000 to achieve the goal of section 24902(a)(3) of this title.

(B) not more than \$120,000,000 to acquire interests in property in the Northeast Corridor.

(C) not more than \$650,000 to develop and use mobile radio frequencies for passenger radio mobile telephone service on high-speed rail passenger transportation.

(D) not more than \$20,000,000 to acquire and improve interests in rail property designated under section 206(c)(1)(D) of the Regional Rail Reorganization Act of 1973 (45 U.S.C. 716(c)(1)(D)).

(E) not more than \$37,000,000 to carry out section 24902(a)(7) and (j) of this title.

(b) EMERGENCY MAINTENANCE.—Not more than \$25,000,000 of the amount appropriated under the Act of February 28, 1975 (Public Law 94–6, 89 Stat. 11), may be used by Amtrak for emergency maintenance on rail property designated under section 206(c)(1)(C) of the Regional Rail Reorganization Act of 1973 (45 U.S.C. 716(c)(1)(C)).

(c) PRIORITY IN USING CERTAIN AMOUNTS.—Amounts appropriated under subsection (a)(2)(B) and (D) of this section shall be used first to repay, with interest, obligations guaranteed under section 602 of the Rail Passenger Service Act, if the proceeds of those obligations were used to pay the expenses of acquiring interests in property referred to in subsection (a)(2)(B) and (D).

(d) PROHIBITION ON SUBSIDIZING COMMUTER AND FREIGHT OPERATING LOSSES.—Amounts appropriated under this section may not be used to subsidize operating losses of commuter rail or rail freight transportation.

(e) SUBSTITUTING AND DEFERRING CERTAIN IMPROVEMENTS.—

(1) A project for which amounts are authorized under subsection

(a)(1)(C) of this section is a part of the Northeast Corridor improvement program and is not a substitute for improvements specified in the document “Corridor Master Plan II, NECIP Restructured Program” of January, 1982. However, Amtrak may defer the project to carry out the improvement and rehabilitation for which amounts are authorized under subsection (a)(1)(B) of this section. The total cost of the project that Amtrak defers may not be substantially more than the amount Amtrak is required to expend or reserve under subsection (a)(1)(B).

(2) Section 24902 of this title is deemed not to be fulfilled until the projects under subsection (a)(1)(C) of this section are completed.

(f) AVAILABILITY OF AMOUNTS.—Amounts appropriated under subsection (a)(1) and (2)(A) and (C)–(E) of this section remain available until expended.

(g) AUTHORIZATIONS INCREASED BY PRIOR YEAR DEFICIENCIES.—An amount greater than that authorized for a fiscal year may be appropriated to the extent that the amount appropriated for any prior fiscal year is less than the amount authorized for that year.

PART D—HIGH-SPEED RAIL

CHAPTER 261—HIGH-SPEED RAIL ASSISTANCE

Sec.

- 26101. Corridor planning.
- 26102. High-speed rail technology improvements.
- 26103. Safety regulations.
- 26104. Authorization of appropriations.
- 26105. Definitions.

§ 26101. Corridor planning

(a) CORRIDOR PLANNING ASSISTANCE.—(1) The Secretary may provide under this section financial assistance to a public agency or group of public agencies for corridor planning for up to 50 percent of the publicly financed costs associated with eligible activities.

(2) No less than 20 percent of the publicly financed costs associated with eligible activities shall come from State and local sources, which State and local sources may not include funds from any Federal program.

(b) ELIGIBLE ACTIVITIES.—(1) A corridor planning activity is eligible for financial assistance under subsection (a) if the Secretary determines that it is necessary to establish appropriate engineering, operational, financial, environmental, or socioeconomic projections for the establishment of high-speed rail service in the corridor and that it leads toward development of a prudent financial and institutional plan for implementation of specific high-speed rail improvements. Eligible corridor planning activities include—

- (A) environmental assessments;
- (B) feasibility studies emphasizing commercial technology improvements or applications;
- (C) economic analyses, including ridership, revenue, and operating expense forecasting;

(D) assessing the impact on rail employment of developing high-speed rail corridors;

(E) assessing community economic impacts;

(F) coordination with State and metropolitan area transportation planning and corridor planning with other States;

(G) operational planning;

(H) route selection analyses and purchase of rights-of-way for proposed high-speed rail service;

(I) preliminary engineering and design;

(J) identification of specific improvements to a corridor, including electrification, line straightening and other right-of-way improvements, bridge rehabilitation and replacement, use of advanced locomotives and rolling stock, ticketing, coordination with other modes of transportation, parking and other means of passenger access, track, signal, station, and other capital work, and use of intermodal terminals;

(K) preparation of financing plans and prospectuses; and

(L) creation of public/private partnerships.

(2) No financial assistance shall be provided under this section for corridor planning with respect to the main line of the Northeast Corridor, between Washington, District of Columbia, and Boston, Massachusetts.

(c) CRITERIA FOR DETERMINING FINANCIAL ASSISTANCE.—Selection by the Secretary of recipients of financial assistance under this section shall be based on such criteria as the Secretary considers appropriate, including—

(1) the relationship of the corridor to the Secretary's national high-speed ground transportation policy;

(2) the extent to which the proposed planning focuses on systems which will achieve sustained speeds of 125 mph or greater;

(3) the integration of the corridor into metropolitan area and statewide transportation planning;

(4) the potential interconnection of the corridor with other parts of the Nation's transportation system, including the interconnection with other countries;

(5) the anticipated effect of the corridor on the congestion of other modes of transportation;

(6) whether the work to be funded will aid the efforts of State and local governments to comply with the Clean Air Act (42 U.S.C. 7401 et seq.);

(7) the past and proposed financial commitments and other support of State and local governments and the private sector to the proposed high-speed rail program, including the acquisition of rolling stock;

(8) the estimated level of ridership;

(9) the estimated capital cost of corridor improvements, including the cost of closing, improving, or separating highway-rail grade crossings;

(10) rail transportation employment impacts;

(11) community economic impacts;

(12) the extent to which the projected revenues of the proposed high-speed rail service, along with any financial commitments of State or local governments and the private sector, are

expected to cover capital costs and operating and maintenance expenses;

(13) whether a specific route has been selected, specific improvements identified, and capacity studies completed; and

(14) whether the corridor has been designated as a high-speed rail corridor by the Secretary.

§ 26102. High-speed rail technology improvements

(a) **AUTHORITY.**—The Secretary may undertake activities for the improvement, adaptation, and integration of proven technologies for commercial application in high-speed rail service in the United States.

(b) **ELIGIBLE RECIPIENTS.**—In carrying out activities authorized by subsection (a), the Secretary may provide financial assistance to any United States private business, educational institution located in the United States, State or local government or public authority, or agency of the Federal Government.

(c) **CONSULTATION WITH OTHER AGENCIES.**—In carrying out activities authorized by subsection (a), the Secretary shall consult with such other governmental agencies as may be necessary concerning the availability of appropriate technologies for commercial application in high-speed rail service in the United States.

§ 26103. Safety regulations

The Secretary shall promulgate such safety regulations as may be necessary for high-speed rail services.

§ 26104. Authorization of appropriations

(a) **FISCAL YEAR 1995.**—There are authorized to be appropriated to the Secretary \$29,000,000 for fiscal year 1995, for carrying out sections 26101 and 26102 (including payment of administrative expenses related thereto).

(b) **FISCAL YEAR 1996.**—(1) There are authorized to be appropriated to the Secretary \$40,000,000 for fiscal year 1996, for carrying out section 26101 (including payment of administrative expenses related thereto).

(2) There are authorized to be appropriated to the Secretary \$30,000,000 for fiscal year 1996, for carrying out section 26102 (including payment of administrative expenses related thereto).

(c) **FISCAL YEAR 1997.**—(1) There are authorized to be appropriated to the Secretary \$45,000,000 for fiscal year 1997, for carrying out section 26101 (including payment of administrative expenses related thereto).

(2) There are authorized to be appropriated to the Secretary \$40,000,000 for fiscal year 1997, for carrying out section 26102 (including payment of administrative expenses related thereto).

(d) **FISCAL YEAR 1998.**—(1) There are authorized to be appropriated to the Secretary \$10,000,000 for fiscal year 1998, for carrying out section 26101 (including payment of administrative expenses related thereto).

(2) There are authorized to be appropriated to the Secretary \$25,000,000 for fiscal year 1998, for carrying out section 26102 (including payment of administrative expenses related thereto).

(e) FISCAL YEAR 1999.—(1) There are authorized to be appropriated to the Secretary \$10,000,000 for fiscal year 1999, for carrying out section 26101 (including payment of administrative expenses related thereto).

(2) There are authorized to be appropriated to the Secretary \$25,000,000 for fiscal year 1999, for carrying out section 26102 (including payment of administrative expenses related thereto).

(f) FISCAL YEAR 2000.—(1) There are authorized to be appropriated to the Secretary \$10,000,000 for fiscal year 2000, for carrying out section 26101 (including payment of administrative expenses related thereto).

(2) There are authorized to be appropriated to the Secretary \$25,000,000 for fiscal year 2000, for carrying out section 26102 (including payment of administrative expenses related thereto).

(g) FISCAL YEAR 2001.—(1) There are authorized to be appropriated to the Secretary \$10,000,000 for fiscal year 2001, for carrying out section 26101 (including payment of administrative expenses related thereto).

(2) There are authorized to be appropriated to the Secretary \$25,000,000 for fiscal year 2001, for carrying out section 26102 (including payment of administrative expenses related thereto).

(h) FUNDS TO REMAIN AVAILABLE.—Funds made available under this section shall remain available until expended.

§ 26105. Definitions

For purposes of this chapter—

(1) the term “financial assistance” includes grants, contracts, and cooperative agreements;

(2) the term “high-speed rail” means all forms of non-highway ground transportation that run on rails or electromagnetic guideways providing transportation service which is—

(A) reasonably expected to reach sustained speeds of more than 125 miles per hour; and

(B) made available to members of the general public as passengers, but does not include rapid transit operations within an urban area that are not connected to the general rail system of transportation;

(3) the term “publicly financed costs” means the costs funded after April 29, 1993, by Federal, State, and local governments;

(4) the term “Secretary” means the Secretary of Transportation;

(5) the term “State” means any of the several States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, the Virgin Islands, Guam, American Samoa, and any other territory or possession of the United States; and

(6) the term “United States private business” means a business entity organized under the laws of the United States, or of a State, and conducting substantial business operations in the United States.

PART E—MISCELLANEOUS

CHAPTER 281—LAW ENFORCEMENT

Sec.

28101. Rail police officers.

28102. Limit on certain accident or incident liability.

28103. Limitations on rail passenger transportation liability.

§ 28101. Rail police officers

Under regulations prescribed by the Secretary of Transportation, a rail police officer who is employed by a rail carrier and certified or commissioned as a police officer under the laws of a State may enforce the laws of any jurisdiction in which the rail carrier owns property, to the extent of the authority of a police officer certified or commissioned under the laws of that jurisdiction, to protect—

- (1) employees, passengers, or patrons of the rail carrier;
- (2) property, equipment, and facilities owned, leased, operated, or maintained by the rail carrier;
- (3) property moving in interstate or foreign commerce in the possession of the rail carrier; and
- (4) personnel, equipment, and material moving by rail that are vital to the national defense.

§ 28102. Limit on certain accident or incident liability

(a) GENERAL.—When a publicly financed commuter transportation authority established under Virginia law makes a contract to indemnify Amtrak for liability for operations conducted by or for the authority or to indemnify a rail carrier over whose tracks those operations are conducted, liability against Amtrak, the authority, or the carrier for all claims (including punitive damages) arising from an accident or incident in the District of Columbia related to those operations may not be more than the limits of the liability coverage the authority maintains to indemnify Amtrak or the carrier.

(b) MINIMUM REQUIRED LIABILITY COVERAGE.—A publicly financed commuter transportation authority referred to in subsection (a) of this section must maintain a total minimum liability coverage of at least \$200,000,000.

(c) EFFECTIVENESS.—This section is effective only after Amtrak or a rail carrier seeking an indemnification contract under this section makes an operating agreement with a publicly financed commuter transportation authority established under Virginia law to provide access to its property for revenue transportation related to the operations of the authority.

§ 28103. Limitations on rail passenger transportation liability

(a) LIMITATIONS.—(1) Notwithstanding any other statutory or common law or public policy, or the nature of the conduct giving rise to damages or liability, in a claim for personal injury to a passenger, death of a passenger, or damage to property of a passenger arising from or in connection with the provision of rail passenger transportation, or from or in connection with any rail passenger

transportation operations over or rail passenger transportation use of right-of-way or facilities owned, leased, or maintained by any high-speed railroad authority or operator, any commuter authority or operator, any rail carrier, or any State, punitive damages, to the extent permitted by applicable State law, may be awarded in connection with any such claim only if the plaintiff establishes by clear and convincing evidence that the harm that is the subject of the action was the result of conduct carried out by the defendant with a conscious, flagrant indifference to the rights or safety of others. If, in any case wherein death was caused, the law of the place where the act or omission complained of occurred provides, or has been construed to provide, for damages only punitive in nature, this paragraph shall not apply.

(2) The aggregate allowable awards to all rail passengers, against all defendants, for all claims, including claims for punitive damages, arising from a single accident or incident, shall not exceed \$200,000,000.

(b) **CONTRACTUAL OBLIGATIONS.**—A provider of rail passenger transportation may enter into contracts that allocate financial responsibility for claims.

(c) **MANDATORY COVERAGE.**—Amtrak shall maintain a total minimum liability coverage for claims through insurance and self-insurance of at least \$200,000,000 per accident or incident.

(d) **EFFECT ON OTHER LAWS.**—This section shall not affect the damages that may be recovered under the Act of April 27¹, 1908 (45 U.S.C. 51 et seq.; popularly known as the “Federal Employers’ Liability Act”) or under any workers compensation Act.

(e) **DEFINITION.**—For purposes of this section—

(1) the term “claim” means a claim made—

(A) against Amtrak, any high-speed railroad authority or operator, any commuter authority or operator, any rail carrier, or any State; or

(B) against an officer, employee, affiliate engaged in railroad operations, or agent, of Amtrak, any high-speed railroad authority or operator, any commuter authority or operator, any rail carrier, or any State;

(2) the term “punitive damages” means damages awarded against any person or entity to punish or deter such person or entity, or others, from engaging in similar behavior in the future; and

(3) the term “rail carrier” includes a person providing excursion, scenic, or museum train service, and an owner or operator of a privately owned rail passenger car.

CHAPTER 283—STANDARD WORK DAY

Sec.
28301. General.
28302. Penalties.

§ 28301. General

(a) **EIGHT HOUR DAY.**—In contracts for labor and service, 8 hours shall be a day’s work and the standard day’s work for deter-

¹ So in law. Probably should be “April 22”.

mining the compensation for services of an employee employed by a common carrier by railroad subject to subtitle IV of this title and actually engaged in any capacity in operating trains used for transporting passengers or property on railroads from—

(1) a State of the United States or the District of Columbia to any other State or the District of Columbia;

(2) one place in a territory or possession of the United States to another place in the same territory or possession;

(3) a place in the United States to an adjacent foreign country; or

(4) a place in the United States through a foreign country to any other place in the United States.

(b) APPLICATION.—Subsection (a) of this section—

(1) does not apply to—

(A) an independently owned and operated railroad not exceeding one hundred miles in length;

(B) an electric street railroad; and

(C) an electric interurban railroad; but

(2) does apply to an independently owned and operated railroad less than one hundred miles in length—

(A) whose principal business is leasing or providing terminal or transfer facilities to other railroads; or

(B) engaged in transfers of freight between railroads or between railroads and industrial plants.

§ 28302. Penalties

A person violating section 28301 of this title shall be fined under title 18, imprisoned not more than one year, or both.

CHAPTER 301—MOTOR VEHICLE SAFETY

SUBCHAPTER I—GENERAL

Sec.
30101. Purpose and policy.
30102. Definitions.
30103. Relationship to other laws.
30104. Authorization of appropriations.
30105. Restriction on lobbying activities.

SUBCHAPTER II—STANDARDS AND COMPLIANCE

30111. Standards.
30112. Prohibitions on manufacturing, selling, and importing noncomplying motor vehicles and equipment.
30113. General exemptions.
30114. Special exemptions.
30115. Certification of compliance.
30116. Defects and noncompliance found before sale to purchaser.
30117. Providing information to, and maintaining records on, purchasers.
30118. Notification of defects and noncompliance.
30119. Notification procedures.
30120. Remedies for defects and noncompliance.
30121. Provisional notification and civil actions to enforce.
30122. Making safety devices and elements inoperative.
30123. Tires.
30124. Buzzers indicating nonuse of safety belts.
30125. Schoolbuses and schoolbus equipment.
30126. Used motor vehicles.
30127. Automatic occupant crash protection and seat belt use.

SUBCHAPTER III—IMPORTING NONCOMPLYING MOTOR VEHICLES AND EQUIPMENT

- 30141. Importing motor vehicles capable of complying with standards.
- 30142. Importing motor vehicles for personal use.
- 30143. Motor vehicles imported by individuals employed outside the United States.
- 30144. Importing motor vehicles on a temporary basis.
- 30145. Importing motor vehicles or equipment requiring further manufacturing.
- 30146. Release of motor vehicles and bonds.
- 30147. Responsibility for defects and noncompliance.

SUBCHAPTER IV—ENFORCEMENT AND ADMINISTRATIVE

- 30161. Judicial review of standards.
- 30162. Petitions by interested persons for standards and enforcement.
- 30163. Actions by the Attorney General.
- 30164. Service of process.
- 30165. Civil penalty.
- 30166. Inspections, investigations, and records.
- 30167. Disclosure of information by the Secretary of Transportation.
- 30168. Research, testing, development, and training.
- 30169. Annual reports.
- 30170. Criminal penalties.

SUBCHAPTER I—GENERAL

§ 30101. Purpose and policy

The purpose of this chapter is to reduce traffic accidents and deaths and injuries resulting from traffic accidents. Therefore it is necessary—

- (1) to prescribe motor vehicle safety standards for motor vehicles and motor vehicle equipment in interstate commerce; and
- (2) to carry out needed safety research and development.

§ 30102. Definitions

(a) GENERAL DEFINITIONS.—In this chapter—

(1) “dealer” means a person selling and distributing new motor vehicles or motor vehicle equipment primarily to purchasers that in good faith purchase the vehicles or equipment other than for resale.

(2) “defect” includes any defect in performance, construction, a component, or material of a motor vehicle or motor vehicle equipment.

(3) “distributor” means a person primarily selling and distributing motor vehicles or motor vehicle equipment for resale.

(4) “interstate commerce” means commerce between a place in a State and a place in another State or between places in the same State through another State.

(5) “manufacturer” means a person—

(A) manufacturing or assembling motor vehicles or motor vehicle equipment; or

(B) importing motor vehicles or motor vehicle equipment for resale.

(6) “motor vehicle” means a vehicle driven or drawn by mechanical power and manufactured primarily for use on public streets, roads, and highways, but does not include a vehicle operated only on a rail line.

(7) “motor vehicle equipment” means—

(A) any system, part, or component of a motor vehicle as originally manufactured;

(B) any similar part or component manufactured or sold for replacement or improvement of a system, part, or component, or as an accessory or addition to a motor vehicle; or

(C) any device or an article or apparel (except medicine or eyeglasses prescribed by a licensed practitioner) that is not a system, part, or component of a motor vehicle and is manufactured, sold, delivered, offered, or intended to be used only to safeguard motor vehicles and highway users against risk of accident, injury, or death.

(8) "motor vehicle safety" means the performance of a motor vehicle or motor vehicle equipment in a way that protects the public against unreasonable risk of accidents occurring because of the design, construction, or performance of a motor vehicle, and against unreasonable risk of death or injury in an accident, and includes nonoperational safety of a motor vehicle.

(9) "motor vehicle safety standard" means a minimum standard for motor vehicle or motor vehicle equipment performance.

(10) "State" means a State of the United States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, Guam, American Samoa, and the Virgin Islands.

(11) "United States district court" means a district court of the United States, a United States court for Guam, the Virgin Islands, and American Samoa, and the district court for the Northern Mariana Islands.

(b) LIMITED DEFINITIONS.—(1) In sections 30117(b), 30118–30121, and 30166(f) of this title—

(A) "adequate repair" does not include repair resulting in substantially impaired operation of a motor vehicle or motor vehicle equipment;

(B) "first purchaser" means the first purchaser of a motor vehicle or motor vehicle equipment other than for resale;

(C) "original equipment" means motor vehicle equipment (including a tire) installed in or on a motor vehicle at the time of delivery to the first purchaser;

(D) "replacement equipment" means motor vehicle equipment (including a tire) that is not original equipment;

(E) a brand name owner of a tire marketed under a brand name not owned by the manufacturer of the tire is deemed to be the manufacturer of the tire;

(F) a defect in original equipment, or noncompliance of original equipment with a motor vehicle safety standard prescribed under this chapter, is deemed to be a defect or noncompliance of the motor vehicle in or on which the equipment was installed at the time of delivery to the first purchaser;

(G) a manufacturer of a motor vehicle in or on which original equipment was installed when delivered to the first purchaser is deemed to be the manufacturer of the equipment; and

(H) a retreader of a tire is deemed to be the manufacturer of the tire.

(2) The Secretary of Transportation may prescribe regulations changing paragraph (1)(C), (D), (F), or (G) of this subsection.

§ 30103. Relationship to other laws

(a) UNIFORMITY OF REGULATIONS.—The Secretary of Transportation may not prescribe a safety regulation related to a motor vehicle subject to subchapter I of chapter 135 of this title that differs from a motor vehicle safety standard prescribed under this chapter. However, the Secretary may prescribe, for a motor vehicle operated by a carrier subject to subchapter I of chapter 135, a safety regulation that imposes a higher standard of performance after manufacture than that required by an applicable standard in effect at the time of manufacture.

(b) PREEMPTION.—(1) When a motor vehicle safety standard is in effect under this chapter, a State or a political subdivision of a State may prescribe or continue in effect a standard applicable to the same aspect of performance of a motor vehicle or motor vehicle equipment only if the standard is identical to the standard prescribed under this chapter. However, the United States Government, a State, or a political subdivision of a State may prescribe a standard for a motor vehicle or motor vehicle equipment obtained for its own use that imposes a higher performance requirement than that required by the otherwise applicable standard under this chapter.

(2) A State may enforce a standard that is identical to a standard prescribed under this chapter.

(c) ANTITRUST LAWS.—This chapter does not—

(1) exempt from the antitrust laws conduct that is unlawful under those laws; or

(2) prohibit under the antitrust laws conduct that is lawful under those laws.

(d) WARRANTY OBLIGATIONS AND ADDITIONAL LEGAL RIGHTS AND REMEDIES.—Sections 30117(b), 30118–30121, 30166(f), and 30167(a) and (b) of this title do not establish or affect a warranty obligation under a law of the United States or a State. A remedy under those sections and sections 30161 and 30162 of this title is in addition to other rights and remedies under other laws of the United States or a State.

(e) COMMON LAW LIABILITY.—Compliance with a motor vehicle safety standard prescribed under this chapter does not exempt a person from liability at common law.

§ 30104. Authorization of appropriations

There is authorized to be appropriated to the Secretary \$98,313,500 for the National Highway Traffic Safety Administration to carry out this part in each fiscal year beginning in fiscal year 1999 and ending in fiscal year 2001.

§ 30105. Restriction on lobbying activities

(a) IN GENERAL.—No funds appropriated to the Secretary for the National Highway Traffic Safety Administration shall be available for any activity specifically designed to urge a State or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any State or local legislative body.

(b) APPEARANCE AS WITNESS NOT BARRED.—Subsection (a) does not prohibit officers or employees of the United States from testifying before any State or local legislative body in response to the invitation of any member of that legislative body or a State executive office.

SUBCHAPTER II—STANDARDS AND COMPLIANCE

§ 30111. Standards

(a) GENERAL REQUIREMENTS.—The Secretary of Transportation shall prescribe motor vehicle safety standards. Each standard shall be practicable, meet the need for motor vehicle safety, and be stated in objective terms.

(b) CONSIDERATIONS AND CONSULTATION.—When prescribing a motor vehicle safety standard under this chapter, the Secretary shall—

(1) consider relevant available motor vehicle safety information;

(2) consult with the agency established under the Act of August 20, 1958 (Public Law 85–684, 72 Stat. 635), and other appropriate State or interstate authorities (including legislative committees);

(3) consider whether a proposed standard is reasonable, practicable, and appropriate for the particular type of motor vehicle or motor vehicle equipment for which it is prescribed; and

(4) consider the extent to which the standard will carry out section 30101 of this title.

(c) COOPERATION.—The Secretary may advise, assist, and cooperate with departments, agencies, and instrumentalities of the United States Government, States, and other public and private agencies in developing motor vehicle safety standards.

(d) EFFECTIVE DATES OF STANDARDS.—The Secretary shall specify the effective date of a motor vehicle safety standard prescribed under this chapter in the order prescribing the standard. A standard may not become effective before the 180th day after the standard is prescribed or later than one year after it is prescribed. However, the Secretary may prescribe a different effective date after finding, for good cause shown, that a different effective date is in the public interest and publishing the reasons for the finding.

(e) 5-YEAR PLAN FOR TESTING STANDARDS.—The Secretary shall establish and periodically review and update on a continuing basis a 5-year plan for testing motor vehicle safety standards prescribed under this chapter that the Secretary considers capable of being tested. In developing the plan and establishing testing priorities, the Secretary shall consider factors the Secretary considers appropriate, consistent with section 30101 of this title and the Secretary's other duties and powers under this chapter. The Secretary may change at any time those priorities to address matters the Secretary considers of greater priority. The initial plan may be the 5-year plan for compliance testing in effect on December 18, 1991.

§ 30112. Prohibitions on manufacturing, selling, and importing noncomplying motor vehicles and equipment

(a) GENERAL.—Except as provided in this section, sections 30113 and 30114 of this title, and subchapter III of this chapter, a person may not manufacture for sale, sell, offer for sale, introduce or deliver for introduction in interstate commerce, or import into the United States, any motor vehicle or motor vehicle equipment manufactured on or after the date an applicable motor vehicle safety standard prescribed under this chapter takes effect unless the vehicle or equipment complies with the standard and is covered by a certification issued under section 30115 of this title.

(b) NONAPPLICATION.—This section does not apply to—

(1) the sale, offer for sale, or introduction or delivery for introduction in interstate commerce of a motor vehicle or motor vehicle equipment after the first purchase of the vehicle or equipment in good faith other than for resale;

(2) a person—

(A) establishing that the person had no reason to know, despite exercising reasonable care, that a motor vehicle or motor vehicle equipment does not comply with applicable motor vehicle safety standards prescribed under this chapter; or

(B) holding, without knowing about the noncompliance and before the vehicle or equipment is first purchased in good faith other than for resale, a certificate issued by a manufacturer or importer stating the vehicle or equipment complies with applicable standards prescribed under this chapter;

(3) a motor vehicle or motor vehicle equipment intended only for export, labeled for export on the vehicle or equipment and on the outside of any container of the vehicle or equipment, and exported;

(4) a motor vehicle the Secretary of Transportation decides under section 30141 of this title is capable of complying with applicable standards prescribed under this chapter;

(5) a motor vehicle imported for personal use by an individual who receives an exemption under section 30142 of this title;

(6) a motor vehicle under section 30143 of this title imported by an individual employed outside the United States;

(7) a motor vehicle under section 30144 of this title imported on a temporary basis;

(8) a motor vehicle or item of motor vehicle equipment under section 30145 of this title requiring further manufacturing; or

(9) a motor vehicle that is at least 25 years old.

§ 30113. General exemptions

(a) DEFINITION.—In this section, “low-emission motor vehicle” means a motor vehicle meeting the standards for new motor vehicles applicable to the vehicle under section 202 of the Clean Air Act (42 U.S.C. 7521) when the vehicle is manufactured and emitting an

air pollutant in an amount significantly below one of those standards.

(b) **AUTHORITY TO EXEMPT AND PROCEDURES.**—(1) The Secretary of Transportation may exempt, on a temporary basis, motor vehicles from a motor vehicle safety standard prescribed under this chapter or passenger motor vehicles from a bumper standard prescribed under chapter 325 of this title, on terms the Secretary considers appropriate. An exemption may be renewed. A renewal may be granted only on reapplication and must conform to the requirements of this subsection.

(2) The Secretary may begin a proceeding under this subsection when a manufacturer applies for an exemption or a renewal of an exemption. The Secretary shall publish notice of the application and provide an opportunity to comment. An application for an exemption or for a renewal of an exemption shall be filed at a time and in the way, and contain information, this section and the Secretary require.

(3) The Secretary may act under this subsection on finding that—

(A) an exemption is consistent with the public interest and this chapter or chapter 325 of this title (as applicable); and

(B)(i) compliance with the standard would cause substantial economic hardship to a manufacturer that has tried to comply with the standard in good faith;

(ii) the exemption would make easier the development or field evaluation of a new motor vehicle safety feature providing a safety level at least equal to the safety level of the standard;

(iii) the exemption would make the development or field evaluation of a low-emission motor vehicle easier and would not unreasonably lower the safety level of that vehicle; or

(iv) compliance with the standard would prevent the manufacturer from selling a motor vehicle with an overall safety level at least equal to the overall safety level of nonexempt vehicles.

(c) **CONTENTS OF APPLICATIONS.**—A manufacturer applying for an exemption under subsection (b) of this section shall include the following information in the application:

(1) if the application is made under subsection (b)(3)(B)(i) of this section, a complete financial statement describing the economic hardship and a complete description of the manufacturer's good faith effort to comply with each motor vehicle safety standard prescribed under this chapter, or a bumper standard prescribed under chapter 325 of this title, from which the manufacturer is requesting an exemption.

(2) if the application is made under subsection (b)(3)(B)(ii) of this section, a record of the research, development, and testing establishing the innovative nature of the safety feature and a detailed analysis establishing that the safety level of the feature at least equals the safety level of the standard.

(3) if the application is made under subsection (b)(3)(B)(iii) of this section, a record of the research, development, and testing establishing that the motor vehicle is a low-emission motor vehicle and that the safety level of the vehicle is not lowered unreasonably by exemption from the standard.

(4) if the application is made under subsection (b)(3)(B)(iv) of this section, a detailed analysis showing how the vehicle provides an overall safety level at least equal to the overall safety level of nonexempt vehicles.

(d) ELIGIBILITY.—A manufacturer is eligible for an exemption under subsection (b)(3)(B)(i) of this section (including an exemption under subsection (b)(3)(B)(i) relating to a bumper standard referred to in subsection (b)(1)) only if the Secretary determines that the manufacturer's total motor vehicle production in the most recent year of production is not more than 10,000. A manufacturer is eligible for an exemption under subsection (b)(3)(B)(ii), (iii), or (iv) of this section only if the Secretary determines the exemption is for not more than 2,500 vehicles to be sold in the United States in any 12-month period.

(e) MAXIMUM PERIOD.—An exemption or renewal under subsection (b)(3)(B)(i) of this section may be granted for not more than 3 years. An exemption or renewal under subsection (b)(3)(B)(ii), (iii), or (iv) of this section may be granted for not more than 2 years.

(f) DISCLOSURE.—The Secretary may make public, by the 10th day after an application is filed, information contained in the application or relevant to the application unless the information concerns or is related to a trade secret or other confidential information not relevant to the application.

(g) NOTICE OF DECISION.—The Secretary shall publish in the Federal Register a notice of each decision granting an exemption under this section and the reasons for granting it.

(h) PERMANENT LABEL REQUIREMENT.—The Secretary shall require a permanent label to be fixed to a motor vehicle granted an exemption under this section. The label shall either name or describe each motor vehicle safety standard prescribed under this chapter or bumper standard prescribed under chapter 325 of this title from which the vehicle is exempt. The Secretary may require that written notice of an exemption be delivered by appropriate means to the dealer and the first purchaser of the vehicle other than for resale.

§ 30114. Special exemptions

The Secretary of Transportation may exempt a motor vehicle or item of motor vehicle equipment from section 30112(a) of this title on terms the Secretary decides are necessary for research, investigations, demonstrations, training, competitive racing events, show, or display.

§ 30115. Certification of compliance

(a) IN GENERAL.—A manufacturer or distributor of a motor vehicle or motor vehicle equipment shall certify to the distributor or dealer at delivery that the vehicle or equipment complies with applicable motor vehicle safety standards prescribed under this chapter. A person may not issue the certificate if, in exercising reasonable care, the person has reason to know the certificate is false or misleading in a material respect. Certification of a vehicle must be shown by a label or tag permanently fixed to the vehicle. Certification of equipment may be shown by a label or tag on the equip-

ment or on the outside of the container in which the equipment is delivered.

(b) CERTIFICATION LABEL.—In the case of the certification label affixed by an intermediate or final stage manufacturer of a motor vehicle built in more than 1 stage, each intermediate or final stage manufacturer shall certify with respect to each applicable Federal motor vehicle safety standard—

(1) that it has complied with the specifications set forth in the compliance documentation provided by the incomplete motor vehicle manufacturer in accordance with regulations prescribed by the Secretary; or

(2) that it has elected to assume responsibility for compliance with that standard.

If the intermediate or final stage manufacturer elects to assume responsibility for compliance with the standard covered by the documentation provided by an incomplete motor vehicle manufacturer, the intermediate or final stage manufacturer shall notify the incomplete motor vehicle manufacturer in writing within a reasonable time of affixing the certification label. A violation of this subsection shall not be subject to a civil penalty under section 30165.

§ 30116. Defects and noncompliance found before sale to purchaser

(a) ACTIONS REQUIRED OF MANUFACTURERS AND DISTRIBUTORS.—If, after a manufacturer or distributor sells a motor vehicle or motor vehicle equipment to a distributor or dealer and before the distributor or dealer sells the vehicle or equipment, it is decided that the vehicle or equipment contains a defect related to motor vehicle safety or does not comply with applicable motor vehicle safety standards prescribed under this chapter—

(1) the manufacturer or distributor immediately shall repurchase the vehicle or equipment at the price paid by the distributor or dealer, plus transportation charges and reasonable reimbursement of at least one percent a month of the price paid prorated from the date of notice of noncompliance or defect to the date of repurchase; or

(2) if a vehicle, the manufacturer or distributor immediately shall give to the distributor or dealer at the manufacturer's or distributor's own expense, the part or equipment needed to make the vehicle comply with the standards or correct the defect.

(b) DISTRIBUTOR OR DEALER INSTALLATION.—The distributor or dealer shall install the part or equipment referred to in subsection (a)(2) of this section. If the distributor or dealer installs the part or equipment with reasonable diligence after it is received, the manufacturer shall reimburse the distributor or dealer for the reasonable value of the installation and a reasonable reimbursement of at least one percent a month of the manufacturer's or distributor's selling price prorated from the date of notice of noncompliance or defect to the date the motor vehicle complies with applicable motor vehicle safety standards prescribed under this chapter or the defect is corrected.

(c) ESTABLISHING AMOUNT DUE AND CIVIL ACTIONS.—The parties shall establish the value of installation and the amount of re-

imbursement under this section. If the parties do not agree, or if a manufacturer or distributor refuses to comply with subsection (a) or (b) of this section, the distributor or dealer purchasing the motor vehicle or motor vehicle equipment may bring a civil action. The action may be brought in a United States district court for the judicial district in which the manufacturer or distributor resides, is found, or has an agent, to recover damages, court costs, and a reasonable attorney's fee. An action under this section must be brought not later than 3 years after the claim accrues.

§ 30117. Providing information to, and maintaining records on, purchasers

(a) PROVIDING INFORMATION AND NOTICE.—The Secretary of Transportation may require that each manufacturer of a motor vehicle or motor vehicle equipment provide technical information related to performance and safety required to carry out this chapter. The Secretary may require the manufacturer to give the following notice of that information when the Secretary decides it is necessary:

(1) to each prospective purchaser of a vehicle or equipment before the first sale other than for resale at each location at which the vehicle or equipment is offered for sale by a person having a legal relationship with the manufacturer, in a way the Secretary decides is appropriate.

(2) to the first purchaser of a vehicle or equipment other than for resale when the vehicle or equipment is bought, in printed matter placed in the vehicle or attached to or accompanying the equipment.

(b) MAINTAINING PURCHASER RECORDS AND PROCEDURES.—(1) A manufacturer of a motor vehicle or tire (except a retreaded tire) shall cause to be maintained a record of the name and address of the first purchaser of each vehicle or tire it produces and, to the extent prescribed by regulations of the Secretary, shall cause to be maintained a record of the name and address of the first purchaser of replacement equipment (except a tire) that the manufacturer produces. The Secretary may prescribe by regulation the records to be maintained and reasonable procedures for maintaining the records under this subsection, including procedures to be followed by distributors and dealers to assist the manufacturer in obtaining the information required by this subsection. A procedure shall be reasonable for the type of vehicle or tire involved, and shall provide reasonable assurance that a customer list of a distributor or dealer, or similar information, will be made available to a person (except the distributor or dealer) only when necessary to carry out this subsection and sections 30118–30121, 30166(f), and 30167(a) and (b) of this title. Availability of assistance from a distributor or dealer does not affect an obligation of a manufacturer under this subsection.

(2)(A) Except as provided in paragraph (3) of this subsection, the Secretary may require a distributor or dealer to maintain a record under paragraph (1) of this subsection only if the business of the distributor or dealer is owned or controlled by a manufacturer of tires.

(B) The Secretary shall require each distributor and dealer whose business is not owned or controlled by a manufacturer of tires to give a registration form (containing the tire identification number) to the first purchaser of a tire. The Secretary shall prescribe the form, which shall be standardized for all tires and designed to allow the purchaser to complete and return it directly to the manufacturer of the tire. The manufacturer shall give sufficient copies of forms to distributors and dealers.

(3)(A) The Secretary shall evaluate from time to time how successful the procedures under paragraph (2) of this subsection have been in helping to maintain records about first purchasers of tires. After each evaluation, the Secretary shall decide—

(i) the extent to which distributors and dealers have complied with the procedures;

(ii) the extent to which distributors and dealers have encouraged first purchasers of tires to register the tires; and

(iii) whether to prescribe for manufacturers, distributors, or dealers other requirements that the Secretary decides will increase significantly the percentage of first purchasers of tires about whom records are maintained.

(B) The Secretary may prescribe a requirement under subparagraph (A) of this paragraph only if the Secretary decides it is necessary to reduce the risk to motor vehicle safety, after considering—

(i) the cost of the requirement to manufacturers and the burden of the requirement on distributors and dealers, compared to the increase in the percentage of first purchasers of tires about whom records would be maintained as a result of the requirement;

(ii) the extent to which distributors and dealers have complied with the procedures in paragraph (2) of this subsection; and

(iii) the extent to which distributors and dealers have encouraged first purchasers of tires to register the tires.

(C) A manufacturer of tires shall reimburse distributors and dealers of that manufacturer's tires for all reasonable costs incurred by the distributors and dealers in complying with a requirement prescribed by the Secretary under subparagraph (A) of this paragraph.

(D) After making a decision under subparagraph (A) of this paragraph, the Secretary shall submit to each House of Congress a report containing a detailed statement of the decision and an explanation of the reasons for the decision.

(c) ROLLOVER TESTS.—

(1) DEVELOPMENT.—Not later than 2 years from the date of the enactment of this subsection, the Secretary shall—

(A) develop a dynamic test on rollovers by motor vehicles for the purposes of a consumer information program; and

(B) carry out a program of conducting such tests.

(2) TEST RESULTS.—As the Secretary develops a test under paragraph (1)(A), the Secretary shall conduct a rulemaking to determine how best to disseminate test results to the public.

(3) MOTOR VEHICLES COVERED.—This subsection applies to motor vehicles, including passenger cars, multipurpose passenger vehicles, and trucks, with a gross vehicle weight rating of 10,000 pounds or less. A motor vehicle designed to provide temporary residential accommodations is not covered.

§ 30118. Notification of defects and noncompliance

(a) NOTIFICATION BY SECRETARY.—The Secretary of Transportation shall notify the manufacturer of a motor vehicle or replacement equipment immediately after making an initial decision (through testing, inspection, investigation, or research carried out under this chapter, examining communications under section 30166(f) of this title, or otherwise) that the vehicle or equipment contains a defect related to motor vehicle safety or does not comply with an applicable motor vehicle safety standard prescribed under this chapter. The notification shall include the information on which the decision is based. The Secretary shall publish a notice of each decision under this subsection in the Federal Register. Subject to section 30167(a) of this title, the notification and information are available to any interested person.

(b) DEFECT AND NONCOMPLIANCE PROCEEDINGS AND ORDERS.—
(1) The Secretary may make a final decision that a motor vehicle or replacement equipment contains a defect related to motor vehicle safety or does not comply with an applicable motor vehicle safety standard prescribed under this chapter only after giving the manufacturer an opportunity to present information, views, and arguments showing that there is no defect or noncompliance or that the defect does not affect motor vehicle safety. Any interested person also shall be given an opportunity to present information, views, and arguments.

(2) If the Secretary decides under paragraph (1) of this subsection that the vehicle or equipment contains the defect or does not comply, the Secretary shall order the manufacturer to—

(A) give notification under section 30119 of this title to the owners, purchasers, and dealers of the vehicle or equipment of the defect or noncompliance; and

(B) remedy the defect or noncompliance under section 30120 of this title.

(c) NOTIFICATION BY MANUFACTURER.—A manufacturer of a motor vehicle or replacement equipment shall notify the Secretary by certified mail, and the owners, purchasers, and dealers of the vehicle or equipment as provided in section 30119(d) of this section, if the manufacturer—

(1) learns the vehicle or equipment contains a defect and decides in good faith that the defect is related to motor vehicle safety; or

(2) decides in good faith that the vehicle or equipment does not comply with an applicable motor vehicle safety standard prescribed under this chapter.

(d) EXEMPTIONS.—On application of a manufacturer, the Secretary shall exempt the manufacturer from this section if the Secretary decides a defect or noncompliance is inconsequential to motor vehicle safety. The Secretary may take action under this subsection only after notice in the Federal Register and an oppor-

tunity for any interested person to present information, views, and arguments.

(e) **HEARINGS ABOUT MEETING NOTIFICATION REQUIREMENTS.**—On the motion of the Secretary or on petition of any interested person, the Secretary may conduct a hearing to decide whether the manufacturer has reasonably met the notification requirements under this section. Any interested person may make written and oral presentations of information, views, and arguments on whether the manufacturer has reasonably met the notification requirements. If the Secretary decides that the manufacturer has not reasonably met the notification requirements, the Secretary shall order the manufacturer to take specified action to meet those requirements and may take any other action authorized under this chapter.

§ 30119. Notification procedures

(a) **CONTENTS OF NOTIFICATION.**—Notification by a manufacturer required under section 30118 of this title of a defect or noncompliance shall contain—

- (1) a clear description of the defect or noncompliance;
- (2) an evaluation of the risk to motor vehicle safety reasonably related to the defect or noncompliance;
- (3) the measures to be taken to obtain a remedy of the defect or noncompliance;
- (4) a statement that the manufacturer giving notice will remedy the defect or noncompliance without charge under section 30120 of this title;
- (5) the earliest date on which the defect or noncompliance will be remedied without charge, and for tires, the period during which the defect or noncompliance will be remedied without charge under section 30120 of this title;
- (6) the procedure the recipient of a notice is to follow to inform the Secretary of Transportation when a manufacturer, distributor, or dealer does not remedy the defect or noncompliance without charge under section 30120 of this title; and
- (7) other information the Secretary prescribes by regulation.

(b) **EARLIEST REMEDY DATE.**—The date specified by a manufacturer in a notification under subsection (a)(5) of this section or section 30121(c)(2) of this title is the earliest date that parts and facilities reasonably can be expected to be available to remedy the defect or noncompliance. The Secretary may disapprove the date.

(c) **TIME FOR NOTIFICATION.**—Notification required under section 30118 of this title shall be given within a reasonable time—

- (1) prescribed by the Secretary, after the manufacturer receives notice of a final decision under section 30118(b) of this title; or
- (2) after the manufacturer first decides that a safety-related defect or noncompliance exists under section 30118(c) of this title.

(d) **MEANS OF PROVIDING NOTIFICATION.**—(1) Notification required under section 30118 of this title about a motor vehicle shall be sent by first class mail—

(A) to each person registered under State law as the owner and whose name and address are reasonably ascertainable by the manufacturer through State records or other available sources; or

(B) if a registered owner is not notified under clause (A)¹ of this paragraph, to the most recent purchaser known to the manufacturer.

(2) Notification required under section 30118 of this title about replacement equipment (except a tire) shall be sent by first class mail to the most recent purchaser known to the manufacturer. In addition, if the Secretary decides that public notice is required for motor vehicle safety, public notice shall be given in the way required by the Secretary after consulting with the manufacturer.

(3) Notification required under section 30118 of this title about a tire shall be sent by first class mail (or, if the manufacturer prefers, by certified mail) to the most recent purchaser known to the manufacturer. In addition, if the Secretary decides that public notice is required for motor vehicle safety, public notice shall be given in the way required by the Secretary after consulting with the manufacturer. In deciding whether public notice is required, the Secretary shall consider—

(A) the magnitude of the risk to motor vehicle safety caused by the defect or noncompliance; and

(B) the cost of public notice compared to the additional number of owners the notice may reach.

(4) A dealer to whom a motor vehicle or replacement equipment was delivered shall be notified by certified mail or quicker means if available.

(e) SECOND NOTIFICATION.—If the Secretary decides that a notification sent by a manufacturer under this section has not resulted in an adequate number of motor vehicles or items of replacement equipment being returned for remedy, the Secretary may order the manufacturer to send a 2d notification in the way the Secretary prescribes by regulation.

(f) NOTIFICATION BY LESSOR TO LESSEE.—(1) In this subsection, “leased motor vehicle” means a motor vehicle that is leased to a person for at least 4 months by a lessor that has leased at least 5 motor vehicles in the 12 months before the date of the notification.

(2) A lessor that receives a notification required by section 30118 of this title about a leased motor vehicle shall provide a copy of the notification to the lessee in the way the Secretary prescribes by regulation.

§ 30120. Remedies for defects and noncompliance

(a) WAYS TO REMEDY.—(1) Subject to subsections (f) and (g) of this section, when notification of a defect or noncompliance is required under section 30118(b) or (c) of this title, the manufacturer of the defective or noncomplying motor vehicle or replacement equipment shall remedy the defect or noncompliance without charge when the vehicle or equipment is presented for remedy. Subject to subsections (b) and (c) of this section, the manufacturer

¹ So in law. Should probably be “subparagraph (A)”.

shall remedy the defect or noncompliance in any of the following ways the manufacturer chooses:

- (A) if a vehicle—
 - (i) by repairing the vehicle;
 - (ii) by replacing the vehicle with an identical or reasonably equivalent vehicle; or
 - (iii) by refunding the purchase price, less a reasonable allowance for depreciation.
- (B) if replacement equipment, by repairing the equipment or replacing the equipment with identical or reasonably equivalent equipment.

(2) The Secretary of Transportation may prescribe regulations to allow the manufacturer to impose conditions on the replacement of a motor vehicle or refund of its price.

(b) TIRE REMEDIES.—(1) A manufacturer of a tire, including an original equipment tire, shall remedy a defective or noncomplying tire if the owner or purchaser presents the tire for remedy not later than 60 days after the later of—

- (A) the day the owner or purchaser receives notification under section 30119 of this title; or
- (B) if the manufacturer decides to replace the tire, the day the owner or purchaser receives notification that a replacement is available.

(2) If the manufacturer decides to replace the tire and the replacement is not available during the 60-day period, the owner or purchaser must present the tire for remedy during a subsequent 60-day period that begins only after the owner or purchaser receives notification that a replacement will be available during the subsequent period. If tires are available during the subsequent period, only a tire presented for remedy during that period must be remedied.

(c) ADEQUACY OF REPAIRS.—(1) If a manufacturer decides to repair a defective or noncomplying motor vehicle or replacement equipment and the repair is not done adequately within a reasonable time, the manufacturer shall—

- (A) replace the vehicle or equipment without charge with an identical or reasonably equivalent vehicle or equipment; or
- (B) for a vehicle, refund the purchase price, less a reasonable allowance for depreciation.

(2) Failure to repair a motor vehicle or replacement equipment adequately not later than 60 days after its presentation is prima facie evidence of failure to repair within a reasonable time. However, the Secretary may extend, by order, the 60-day period if good cause for an extension is shown and the reason is published in the Federal Register before the period ends. Presentation of a vehicle or equipment for repair before the date specified by a manufacturer in a notice under section 30119(a)(5) or 30121(c)(2) of this title is not a presentation under this subsection.

(3) If the Secretary determines that a manufacturer's remedy program is not likely to be capable of completion within a reasonable time, the Secretary may require the manufacturer to accelerate the remedy program if the Secretary finds—

- (A) that there is a risk of serious injury or death if the remedy program is not accelerated; and

(B) that acceleration of the remedy program can be reasonably achieved by expanding the sources of replacement parts, expanding the number of authorized repair facilities, or both. The Secretary may prescribe regulations to carry out this paragraph.

(d) **FILING MANUFACTURER'S REMEDY PROGRAM.**—A manufacturer shall file with the Secretary a copy of the manufacturer's program under this section for remedying a defect or noncompliance. The Secretary shall make the program available to the public and publish a notice of availability in the Federal Register. A manufacturer's remedy program shall include a plan for reimbursing an owner or purchaser who incurred the cost of the remedy within a reasonable time in advance of the manufacturer's notification under subsection (b) or (c) of section 30118. The Secretary may prescribe regulations establishing what constitutes a reasonable time for purposes of the preceding sentence and other reasonable conditions for the reimbursement plan. In the case of a remedy program involving the replacement of tires, the manufacturer shall include a plan addressing how to prevent, to the extent reasonably within the control of the manufacturer, replaced tires from being resold for installation on a motor vehicle, and how to limit, to the extent reasonably within the control of the manufacturer, the disposal of replaced tires in landfills, particularly through shredding, crumbling, recycling, recovery, and other alternative beneficial non-vehicular uses. The manufacturer shall include information about the implementation of such plan with each quarterly report to the Secretary regarding the progress of any notification or remedy campaigns.

(e) **HEARINGS ABOUT MEETING REMEDY REQUIREMENTS.**—On the motion of the Secretary or on application by any interested person, the Secretary may conduct a hearing to decide whether the manufacturer has reasonably met the remedy requirements under this section. Any interested person may make written and oral presentations of information, views, and arguments on whether the manufacturer has reasonably met the remedy requirements. If the Secretary decides a manufacturer has not reasonably met the remedy requirements, the Secretary shall order the manufacturer to take specified action to meet those requirements and may take any other action authorized under this chapter.

(f) **FAIR REIMBURSEMENT TO DEALERS.**—A manufacturer shall pay fair reimbursement to a dealer providing a remedy without charge under this section.

(g) **NONAPPLICATION.**—(1) The requirement that a remedy be provided without charge does not apply if the motor vehicle or replacement equipment was bought by the first purchaser more than 10 calendar years, or the tire, including an original equipment tire, was bought by the first purchaser more than 5 calendar years, before notice is given under section 30118(c) of this title or an order is issued under section 30118(b) of this title, whichever is earlier.

(2) This section does not apply during any period in which enforcement of an order under section 30118(b) of this title is restrained or the order is set aside in a civil action to which section 30121(d) of this title applies.

(h) **EXEMPTIONS.**—On application of a manufacturer, the Secretary shall exempt the manufacturer from this section if the Sec-

retary decides a defect or noncompliance is inconsequential to motor vehicle safety. The Secretary may take action under this subsection only after notice in the Federal Register and an opportunity for any interested person to present information, views, and arguments.

(i) **LIMITATION ON SALE OR LEASE.**—(1) If notification is required by an order under section 30118(b) of this title or is required under section 30118(c) of this title and the manufacturer has provided to a dealer (including retailers of motor vehicle equipment) notification about a new motor vehicle or new item of replacement equipment in the dealer's possession at the time of notification that contains a defect related to motor vehicle safety or does not comply with an applicable motor vehicle safety standard prescribed under this chapter, the dealer may sell or lease the motor vehicle or item of replacement equipment only if—

(A) the defect or noncompliance is remedied as required by this section before delivery under the sale or lease; or

(B) when the notification is required by an order under section 30118(b) of this title, enforcement of the order is restrained or the order is set aside in a civil action to which section 30121(d) of this title applies.

(2) This subsection does not prohibit a dealer from offering for sale or lease the vehicle or equipment.

(j) **PROHIBITION ON SALES OF REPLACED EQUIPMENT.**—No person may sell or lease any motor vehicle equipment (including a tire), for installation on a motor vehicle, that is the subject of a decision under section 30118(b) or a notice required under section 30118(c) in a condition that it may be reasonably used for its original purpose unless—

(1) the defect or noncompliance is remedied as required by this section before delivery under the sale or lease; or

(2) notification of the defect or noncompliance is required under section 30118(b) but enforcement of the order is set aside in a civil action to which section 30121(d) applies.

§ 30121. Provisional notification and civil actions to enforce

(a) **PROVISIONAL NOTIFICATION.**—(1) The Secretary of Transportation may order a manufacturer to issue a provisional notification if a civil action about an order issued under section 30118(b) of this title has been brought under section 30163 of this title. The provisional notification shall contain—

(A) a statement that the Secretary has decided that a defect related to motor vehicle safety or noncompliance with a motor vehicle safety standard prescribed under this chapter exists and that the manufacturer is contesting the decision in a civil action in a United States district court;

(B) a clear description of the Secretary's stated basis for the decision;

(C) the Secretary's evaluation of the risk to motor vehicle safety reasonably related to the defect or noncompliance;

(D) measures the Secretary considers necessary to avoid an unreasonable risk to motor vehicle safety resulting from the defect or noncompliance;

(E) a statement that the manufacturer will remedy the defect or noncompliance without charge under section 30120 of this title, but that the requirement to remedy without charge is conditioned on the outcome of the civil action; and

(F) other information the Secretary prescribes by regulation or includes in the order requiring the notice.

(2) A notification under this subsection does not relieve a manufacturer of liability for not giving notification required by an order under section 30118(b) of this title.

(b) CIVIL ACTIONS FOR NOT NOTIFYING.—(1) A manufacturer that does not notify owners and purchasers under section 30119(c) and (d) of this title is liable to the United States Government for a civil penalty, unless the manufacturer prevails in a civil action referred to in subsection (a) of this section or the court in that action enjoins enforcement of the order. Enforcement may be enjoined only if the court decides that the failure to notify is reasonable and that the manufacturer has demonstrated the likelihood of prevailing on the merits. If enforcement is enjoined, the manufacturer is not liable during the time the order is stayed.

(2) A manufacturer that does not notify owners and purchasers as required under subsection (a) of this section is liable for a civil penalty regardless of whether the manufacturer prevails in an action on the validity of the order issued under section 30118(b) of this title.

(c) ORDERS TO MANUFACTURERS.—If the Secretary prevails in a civil action referred to in subsection (a) of this section, the Secretary shall order the manufacturer—

(1) to notify each owner, purchaser, and dealer described in section 30119(d) of this title of the outcome of the action and other information the Secretary requires, and notification under this clause may be combined with notification required under section 30118(b) of this title;

(2) to specify the earliest date under section 30119(b) of this title on which the defect or noncompliance will be remedied without charge under section 30120 of this title; and

(3) if notification was required under subsection (a) of this section, to reimburse an owner or purchaser for reasonable and necessary expenses (in an amount that is not more than the amount specified in the order of the Secretary under subsection (a)) incurred for repairing the defect or noncompliance during the period beginning on the date that notification was required to be issued and ending on the date the owner or purchaser receives the notification under this subsection.

(d) VENUE.—Notwithstanding section 30163(c) of this title, a civil action about an order issued under section 30118(b) of this title must be brought in the United States district court for a judicial district in the State in which the manufacturer is incorporated or the District of Columbia. On motion of a party, the court may transfer the action to another district court if good cause is shown. All actions related to the same order under section 30118(b) shall be consolidated in an action in one judicial district under an order of the court in which the first action was brought. If the first action is transferred to another court, that court shall issue the consolidation order.

§ 30122. Making safety devices and elements inoperative

(a) DEFINITION.—In this section, “motor vehicle repair business” means a person holding itself out to the public to repair for compensation a motor vehicle or motor vehicle equipment.

(b) PROHIBITION.—A manufacturer, distributor, dealer, or motor vehicle repair business may not knowingly make inoperative any part of a device or element of design installed on or in a motor vehicle or motor vehicle equipment in compliance with an applicable motor vehicle safety standard prescribed under this chapter unless the manufacturer, distributor, dealer, or repair business reasonably believes the vehicle or equipment will not be used (except for testing or a similar purpose during maintenance or repair) when the device or element is inoperative.

(c) REGULATIONS.—The Secretary of Transportation may prescribe regulations—

(1) to exempt a person from this section if the Secretary decides the exemption is consistent with motor vehicle safety and section 30101 of this title; and

(2) to define “make inoperative”.

(d) NONAPPLICATION.—This section does not apply to a safety belt interlock or buzzer designed to indicate a safety belt is not in use as described in section 30124 of this title.

§ 30123. Tires

(a) REGROOVED TIRE LIMITATIONS.—(1) In this subsection, “regrooved tire” means a tire with a new tread produced by cutting into the tread of a worn tire.

(2) The Secretary may authorize the sale, offer for sale, introduction for sale, or delivery for introduction in interstate commerce, of a regrooved tire or a motor vehicle equipped with regrooved tires if the Secretary decides the tires are designed and made in a way consistent with section 30101 of this title. A person may not sell, offer for sale, introduce for sale, or deliver for introduction in interstate commerce, a regrooved tire or a vehicle equipped with regrooved tires unless authorized by the Secretary.

(b) UNIFORM QUALITY GRADING SYSTEM, NOMENCLATURE, AND MARKETING PRACTICES.—The Secretary shall prescribe through standards a uniform quality grading system for motor vehicle tires to help consumers make an informed choice when purchasing tires. The Secretary also shall cooperate with industry and the Federal Trade Commission to the greatest extent practicable to eliminate deceptive and confusing tire nomenclature and marketing practices. A tire standard or regulation prescribed under this chapter supersedes an order or administrative interpretation of the Commission.

(c) MAXIMUM LOAD STANDARDS.—The Secretary shall require a motor vehicle to be equipped with tires that meet maximum load standards when the vehicle is loaded with a reasonable amount of luggage and the total number of passengers the vehicle is designed to carry. The vehicle shall be equipped with those tires by the manufacturer or by the first purchaser when the vehicle is first bought in good faith other than for resale.

§ 30124. Buzzers indicating nonuse of safety belts

A motor vehicle safety standard prescribed under this chapter may not require or allow a manufacturer to comply with the standard by using a safety belt interlock designed to prevent starting or operating a motor vehicle if an occupant is not using a safety belt or a buzzer designed to indicate a safety belt is not in use, except a buzzer that operates only during the 8-second period after the ignition is turned to the “start” or “on” position.

§ 30125. Schoolbuses and schoolbus equipment

(a) DEFINITIONS.—In this section—

(1) “schoolbus” means a passenger motor vehicle designed to carry a driver and more than 10 passengers, that the Secretary of Transportation decides is likely to be used significantly to transport preprimary, primary, and secondary school students to or from school or an event related to school.

(2) “schoolbus equipment” means equipment designed primarily for a schoolbus or manufactured or sold to replace or improve a system, part, or component of a schoolbus or as an accessory or addition to a schoolbus.

(b) STANDARDS.—The Secretary shall prescribe motor vehicle safety standards for schoolbuses and schoolbus equipment manufactured in, or imported into, the United States. Standards shall include minimum performance requirements for—

- (1) emergency exits;
- (2) interior protection for occupants;
- (3) floor strength;
- (4) seating systems;
- (5) crashworthiness of body and frame (including protection against rollover hazards);
- (6) vehicle operating systems;
- (7) windows and windshields; and
- (8) fuel systems.

(c) TEST DRIVING BY MANUFACTURERS.—The Secretary may require by regulation a schoolbus to be test-driven by a manufacturer before introduction in commerce.

§ 30126. Used motor vehicles

To ensure a continuing and effective national safety program, it is the policy of the United States Government to encourage and strengthen State inspection of used motor vehicles. Therefore, the Secretary of Transportation shall prescribe uniform motor vehicle safety standards applicable to all used motor vehicles. The standards shall be stated in terms of motor vehicle safety performance.

§ 30127. Automatic occupant crash protection and seat belt use

(a) DEFINITIONS.—In this section—

(1) “bus” means a motor vehicle with motive power (except a trailer) designed to carry more than 10 individuals.

(2) “multipurpose passenger vehicle” means a motor vehicle with motive power (except a trailer), designed to carry not more than 10 individuals, that is constructed either on a truck

chassis or with special features for occasional off-road operation.

(3) “passenger car” means a motor vehicle with motive power (except a multipurpose passenger vehicle, motorcycle, or trailer) designed to carry not more than 10 individuals.

(4) “truck” means a motor vehicle with motive power (except a trailer) designed primarily to transport property or special purpose equipment.

(b) INFLATABLE RESTRAINT REQUIREMENTS.—(1) Not later than September 1, 1993, the Secretary of Transportation shall prescribe under this chapter an amendment to Federal Motor Vehicle Safety Standard 208 issued under the National Traffic and Motor Vehicle Safety Act of 1966. The amendment shall require that the automatic occupant crash protection system for both of the front outboard seating positions for each of the following vehicles be an inflatable restraint (with lap and shoulder belts) complying with the occupant protection requirements under section 4.1.2.1 of Standard 208:

(A) 95 percent of each manufacturer’s annual production of passenger cars manufactured after August 31, 1996, and before September 1, 1997.

(B) 80 percent of each manufacturer’s annual production of buses, multipurpose passenger vehicles, and trucks (except walk-in van-type trucks and vehicles designed to be sold only to the United States Postal Service) with a gross vehicle weight rating of not more than 8,500 pounds and an unloaded vehicle weight of not more than 5,500 pounds manufactured after August 31, 1997, and before September 1, 1998.

(C) 100 percent of each manufacturer’s annual production of passenger cars manufactured after August 31, 1997.

(D) 100 percent of each manufacturer’s annual production of vehicles described in clause (B) of this paragraph manufactured after August 31, 1998.

(2) Manufacturers may not use credits and incentives available before September 1, 1998, under the provisions of Standard 208 (as amended by this section) to comply with the requirements of paragraph (1)(D) of this subsection after August 31, 1998.

(c) OWNER MANUAL REQUIREMENTS.—In amending Standard 208, the Secretary of Transportation shall require, to be effective as soon as possible after the amendment is prescribed, that owner manuals for passenger cars, buses, multipurpose passenger vehicles, and trucks equipped with an inflatable restraint include a statement in an easily understandable format stating that—

(1) either or both of the front outboard seating positions of the vehicle are equipped with an inflatable restraint referred to as an “airbag” and a lap and shoulder belt;

(2) the “airbag” is a supplemental restraint and is not a substitute for lap and shoulder belts;

(3) lap and shoulder belts also must be used correctly by an occupant in a front outboard seating position to provide restraint or protection from frontal crashes as well as other types of crashes or accidents; and

(4) occupants should always wear their lap and shoulder belts, if available, or other safety belts, whether or not there is an inflatable restraint.

(d) SEAT BELT USE LAWS.—Congress finds that it is in the public interest for each State to adopt and enforce mandatory seat belt use laws and for the United States Government to adopt and enforce mandatory seat belt use regulations.

(e) TEMPORARY EXEMPTIONS.—(1) On application of a manufacturer, the Secretary of Transportation may exempt, on a temporary basis, motor vehicles of that manufacturer from any requirement under subsections (b) and (c) of this section on terms the Secretary considers appropriate. An exemption may be renewed.

(2) The Secretary of Transportation may grant an exemption under paragraph (1) of this subsection if the Secretary finds that there has been a disruption in the supply of any component of an inflatable restraint or in the use and installation of that component by the manufacturer because of an unavoidable event not under the control of the manufacturer that will prevent the manufacturer from meeting its anticipated production volume of vehicles with those restraints.

(3) Only an affected manufacturer may apply for an exemption. The Secretary of Transportation shall prescribe in the amendment to Standard 208 required under this section the information an affected manufacturer must include in its application under this subsection. The manufacturer shall specify in the application the models, lines, and types of vehicles affected. The Secretary may consolidate similar applications from different manufacturers.

(4) An exemption or renewal of an exemption is conditioned on the commitment of the manufacturer to recall the exempted vehicles for installation of the omitted inflatable restraints within a reasonable time that the manufacturer proposes and the Secretary of Transportation approves after the components become available in sufficient quantities to satisfy both anticipated production and recall volume requirements.

(5) The Secretary of Transportation shall publish in the Federal Register a notice of each application under this subsection and each decision to grant or deny a temporary exemption and the reasons for the decision.

(6) The Secretary of Transportation shall require a label for each exempted vehicle that can be removed only after recall and installation of the required inflatable restraint. The Secretary shall require that written notice of the exemption be provided to the dealer and the first purchaser of each exempted vehicle other than for resale, with the notice being provided in a way, and containing the information, the Secretary considers appropriate.

(f) APPLICATION.—(1) This section revises, but does not replace, Standard 208 as in effect on December 18, 1991, including the amendment of March 26, 1991 (56 Fed. Reg. 12472), to Standard 208, extending the requirements for automatic crash protection, with incentives for more innovative automatic crash protection, to trucks, buses, and multipurpose passenger vehicles. This section may not be construed as—

(A) affecting another provision of law carried out by the Secretary of Transportation applicable to passenger cars, buses, multipurpose passenger vehicles, or trucks; or

(B) establishing a precedent related to developing or prescribing a Government motor vehicle safety standard.

(2) This section and amendments to Standard 208 made under this section may not be construed as indicating an intention by Congress to affect any liability of a motor vehicle manufacturer under applicable law related to vehicles with or without inflatable restraints.

(g) REPORT.—(1) On October 1, 1992, and annually after that date through October 1, 2000, the Secretary of Transportation shall submit reports on the effectiveness of occupant restraint systems expressed as a percentage reduction in fatalities or injuries of restrained occupants compared to unrestrained occupants for—

(A) a combination of inflated restraints and lap and shoulder belts;

(B) inflated restraints only; and

(C) lap and shoulder belts only.

(2) In consultation with the Secretaries of Labor and Defense, the Secretary of Transportation also shall provide information and analysis on lap and shoulder belt use, nationally and in each State by—

(A) military personnel;

(B) Government, State, and local law enforcement officers;

(C) other Government and State employees; and

(D) the public.

(h) AIRBAGS FOR GOVERNMENT CARS.—In cooperation with the Administrator of General Services and the heads of appropriate departments, agencies, and instrumentalities of the Government, the Secretary of Transportation shall establish a program, consistent with applicable procurement laws of the Government and available appropriations, requiring that all passenger cars acquired—

(1) after September 30, 1994, for use by the Government be equipped, to the maximum extent practicable, with driver-side inflatable restraints; and

(2) after September 30, 1996, for use by the Government be equipped, to the maximum extent practicable, with inflatable restraints for both front outboard seating positions.

SUBCHAPTER III—IMPORTING NONCOMPLYING MOTOR VEHICLES AND EQUIPMENT

§ 30141. Importing motor vehicles capable of complying with standards

(a) GENERAL.—Section 30112(a) of this title does not apply to a motor vehicle if—

(1) on the initiative of the Secretary of Transportation or on petition of a manufacturer or importer registered under subsection (c) of this section, the Secretary decides—

(A) the vehicle is—

(i) substantially similar to a motor vehicle originally manufactured for import into and sale in the United States;

- (ii) certified under section 30115 of this title;
- (iii) the same model year (as defined under regulations of the Secretary of Transportation) as the model of the motor vehicle it is being compared to; and
- (iv) capable of being readily altered to comply with applicable motor vehicle safety standards prescribed under this chapter; or

(B) if there is no substantially similar United States motor vehicle, the safety features of the vehicle comply with or are capable of being altered to comply with those standards based on destructive test information or other evidence the Secretary of Transportation decides is adequate;

(2) the vehicle is imported by a registered importer; and

(3) the registered importer pays the annual fee the Secretary of Transportation establishes under subsection (e) of this section to pay for the costs of carrying out the registration program for importers under subsection (c) of this section and any other fees the Secretary of Transportation establishes to pay for the costs of—

(A) processing bonds provided to the Secretary of the Treasury under subsection (d) of this section; and

(B) making the decisions under this subchapter.

(b) PROCEDURES ON DECIDING ON MOTOR VEHICLE CAPABILITY.—(1) The Secretary of Transportation shall establish by regulation procedures for making a decision under subsection (a)(1) of this section and the information a petitioner must provide to show clearly that the motor vehicle is capable of being brought into compliance with applicable motor vehicle safety standards prescribed under this chapter. In establishing the procedures, the Secretary shall provide for a minimum period of public notice and written comment consistent with ensuring expeditious, but complete, consideration and avoiding delay by any person. In making a decision under those procedures, the Secretary shall consider test information and other information available to the Secretary, including any information provided by the manufacturer. If the Secretary makes a negative decision, the Secretary may not make another decision for the same model until at least 3 calendar months have elapsed after the negative decision.

(2) The Secretary of Transportation shall publish each year in the Federal Register a list of all decisions made under subsection (a)(1) of this section. Each published decision applies to the model of the motor vehicle for which the decision was made. A positive decision permits another importer registered under subsection (c) of this section to import a vehicle of the same model under this section if the importer complies with all the terms of the decision.

(c) REGISTRATION.—(1) The Secretary of Transportation shall establish procedures for registering a person who complies with requirements prescribed by the Secretary by regulation under this subsection, including—

(A) recordkeeping requirements;

(B) inspection of records and facilities related to motor vehicles the person has imported, altered, or both; and

(C) requirements that ensure that the importer (or a successor in interest) will be able technically and financially to carry out responsibilities under sections 30117(b), 30118–30121, and 30166(f) of this title.

(2) The Secretary of Transportation shall deny registration to a person whose registration is revoked under paragraph (4) of this subsection.

(3) The Secretary of Transportation may deny registration to a person that is or was owned or controlled by, or under common ownership or control with, a person whose registration was revoked under paragraph (4) of this subsection.

(4) The Secretary of Transportation shall establish procedures for—

(A) revoking or suspending a registration issued under paragraph (1) of this subsection for not complying with a requirement of this subchapter or any of sections 30112, 30115, 30117–30122, 30125(c), 30127, or 30166 of this title or regulations prescribed under this subchapter or any of those sections;

(B) automatically suspending a registration for not paying a fee under subsection (a)(3) of this section in a timely manner or for knowingly filing a false or misleading certification under section 30146 of this title; and

(C) reinstating suspended registrations.

(d) BONDS.—(1) A person importing a motor vehicle under this section shall provide a bond to the Secretary of the Treasury (acting for the Secretary of Transportation) and comply with the terms the Secretary of Transportation decides are appropriate to ensure that the vehicle—

(A) will comply with applicable motor vehicle safety standards prescribed under this chapter within a reasonable time (specified by the Secretary of Transportation) after the vehicle is imported; or

(B) will be exported (at no cost to the United States Government) by the Secretary of the Treasury or abandoned to the Government.

(2) The amount of the bond provided under this subsection shall be at least equal to the dutiable value of the motor vehicle (as determined by the Secretary of the Treasury) but not more than 150 percent of that value.

(e) FEE REVIEW, ADJUSTMENT, AND USE.—The Secretary of Transportation shall review and make appropriate adjustments at least every 2 years in the amounts of the fees required to be paid under subsection (a)(3) of this section. The Secretary of Transportation shall establish the fees for each fiscal year before the beginning of that year. All fees collected remain available until expended without fiscal year limit to the extent provided in advance by appropriation laws. The amounts are only for use by the Secretary of Transportation—

(1) in carrying out this section and sections 30146(a)–(c)(1), (d), and (e) and 30147(b) of this title; and

(2) in advancing to the Secretary of the Treasury amounts for costs incurred under this section and section 30146 of this title to reimburse the Secretary of the Treasury for those costs.

§ 30142. Importing motor vehicles for personal use

(a) GENERAL.—Section 30112(a) of this title does not apply to an imported motor vehicle if—

(1) the vehicle is imported for personal use, and not for resale, by an individual (except an individual described in sections 30143 and 30144 of this title);

(2) the vehicle is imported after January 31, 1990; and

(3) the individual takes the actions required under subsection (b) of this section to receive an exemption.

(b) EXEMPTIONS.—(1) To receive an exemption under subsection (a) of this section, an individual must—

(A) provide the Secretary of the Treasury (acting for the Secretary of Transportation) with—

(i) an appropriate bond in an amount determined under section 30141(d) of this title;

(ii) a copy of an agreement with an importer registered under section 30141(c) of this title for bringing the motor vehicle into compliance with applicable motor vehicle safety standards prescribed under this chapter; and

(iii) a certification that the vehicle meets the requirement of section 30141(a)(1)(A) or (B) of this title; and

(B) comply with appropriate terms the Secretary of Transportation imposes to ensure that the vehicle—

(i) will be brought into compliance with those standards within a reasonable time (specified by the Secretary of Transportation) after the vehicle is imported; or

(ii) will be exported (at no cost to the United States Government) by the Secretary of the Treasury or abandoned to the Government.

(2) For good cause shown, the Secretary of Transportation may allow an individual additional time, but not more than 30 days after the day on which the motor vehicle is offered for import, to comply with paragraph (1)(A)(ii) of this subsection.

§ 30143. Motor vehicles imported by individuals employed outside the United States

(a) DEFINITION.—In this section, “assigned place of employment” means—

(1) the principal location at which an individual is permanently or indefinitely assigned to work; and

(2) for a member of the uniformed services, the individual’s permanent duty station.

(b) GENERAL.—Section 30112(a) of this title does not apply to a motor vehicle imported for personal use, and not for resale, by an individual—

(1) whose assigned place of employment was outside the United States as of October 31, 1988, and who has not had an assigned place of employment in the United States from that date through the date the vehicle is imported into the United States;

(2) who previously had not imported a motor vehicle into the United States under this section or section 108(g) of the

National Traffic and Motor Vehicle Safety Act of 1966 or, before October 31, 1988, under section 108(b)(3) of that Act;

(3) who acquired, or made a binding contract to acquire, the vehicle before October 31, 1988;

(4) who imported the vehicle into the United States not later than October 31, 1992; and

(5) who satisfies section 108(b)(3) of that Act as in effect on October 30, 1988.

(c) CERTIFICATION.—Subsection (b) of this section is carried out by certification in the form the Secretary of Transportation or the Secretary of the Treasury may prescribe.

§ 30144. Importing motor vehicles on a temporary basis

(a) GENERAL.—Section 30112(a) of this title does not apply to a motor vehicle imported on a temporary basis for personal use by an individual who is a member of—

(1)(A) the personnel of the government of a foreign country on assignment in the United States or a member of the Secretariat of a public international organization designated under the International Organizations Immunities Act (22 U.S.C. 288 et seq.); and

(B) the class of individuals for whom the Secretary of State has authorized free importation of motor vehicles; or

(2) the armed forces of a foreign country on assignment in the United States.

(b) VERIFICATION.—The Secretary of Transportation or the Secretary of the Treasury may require verification, that the Secretary of Transportation considers appropriate, that an individual is a member described under subsection (a) of this section. The Secretary of Transportation shall ensure that a motor vehicle imported under this section will be exported (at no cost to the United States Government) or abandoned to the Government when the individual no longer—

(1) resides in the United States; and

(2) is a member described under subsection (a) of this section.

(c) SALE IN THE UNITED STATES.—A motor vehicle imported under this section may not be sold when in the United States.

§ 30145. Importing motor vehicles or equipment requiring further manufacturing

Section 30112(a) of this title does not apply to a motor vehicle or motor vehicle equipment if the vehicle or equipment—

(1) requires further manufacturing to perform its intended function as decided under regulations prescribed by the Secretary of Transportation; and

(2) is accompanied at the time of importation by a written statement issued by the manufacturer indicating the applicable motor vehicle safety standard prescribed under this chapter with which it does not comply.

§ 30146. Release of motor vehicles and bonds

(a) COMPLIANCE CERTIFICATION AND BOND.—(1) Except as provided in subsections (c) and (d) of this section, an importer reg-

istered under section 30141(c) of this title may license or register an imported motor vehicle for use on public streets, roads, or highways, or release custody of a motor vehicle imported by the registered importer or imported by an individual under section 30142 of this title and altered by the registered importer to meet applicable motor vehicle safety standards prescribed under this chapter to a person for license or registration for use on public streets, roads, or highways, only after 30 days after the registered importer certifies to the Secretary of Transportation, in the way the Secretary prescribes, that the motor vehicle complies with each standard prescribed in the year the vehicle was manufactured and that applies in that year to that vehicle. A vehicle may not be released if the Secretary gives written notice before the end of the 30-day period that the Secretary will inspect the vehicle under subsection (c) of this section.

(2) The Secretaries of Transportation and the Treasury shall prescribe regulations—

(A) ensuring the release of a motor vehicle and bond required under section 30141(d) of this title at the end of the 30-day period, unless the Secretary of Transportation issues a notice of an inspection under subsection (c) of this section; and

(B) providing that the Secretary of Transportation shall release the vehicle and bond promptly after an inspection under subsection (c) of this section showing compliance with the standards applicable to the vehicle.

(3) Each registered importer shall include on each motor vehicle released under this subsection a label prescribed by the Secretary of Transportation identifying the importer and stating that the vehicle has been altered by the importer to comply with the standards applicable to the vehicle.

(b) RELIANCE ON MANUFACTURER'S CERTIFICATION.—In making a certification under subsection (a)(1) of this section, the registered importer may rely on the manufacturer's certification for the model to which the motor vehicle involved is substantially similar if the importer certifies that any alteration made by the importer did not affect the compliance of the safety features of the vehicle and the importer keeps records verifying the certification for the period the Secretary of Transportation prescribes.

(c) EVIDENCE OF COMPLIANCE.—(1) The Secretary of Transportation may require that the certification under subsection (a)(1) of this section be accompanied by evidence of compliance the Secretary considers appropriate or may inspect the certified motor vehicle, or both. If the Secretary gives notice of an inspection, an importer may release the vehicle only after—

(A) an inspection showing the motor vehicle complies with applicable motor vehicle safety standards prescribed under this chapter for which the inspection was made; and

(B) release of the vehicle by the Secretary.

(2) The Secretary of Transportation shall inspect periodically a representative number of motor vehicles for which certifications have been filed under subsection (a)(1) of this section. In carrying out a motor vehicle testing program under this chapter, the Secretary shall include a representative number of motor vehicles for which certifications have been filed under subsection (a)(1).

(d) CHALLENGING THE CERTIFICATION.—A motor vehicle or bond may not be released under subsection (a) of this section if the Secretary of Transportation, not later than 30 days after receiving a certification under subsection (a)(1) of this section, gives written notice that the Secretary believes or has reason to believe that the certification is false or contains a misrepresentation. The vehicle and bond may be released only after the Secretary is satisfied with the certification and any modification of the certification.

(e) BOND RELEASE.—A release of a bond required under section 30141(d) of this title is deemed an acceptance of a certification or completion of an inspection under this section but is not a decision by the Secretary of Transportation under section 30118(a) or (b) of this title of compliance with applicable motor vehicle safety standards prescribed under this chapter.

§ 30147. Responsibility for defects and noncompliance

(a) DEEMING DEFECT OR NONCOMPLIANCE TO CERTAIN VEHICLES AND IMPORTER AS MANUFACTURER.—(1) In carrying out sections 30117(b), 30118–30121, and 30166(f) of this title—

(A) for a defect or noncompliance with an applicable motor vehicle safety standard prescribed under this chapter for a motor vehicle originally manufactured for import into the United States, an imported motor vehicle having a valid certification under section 30146(a)(1) of this title and decided to be substantially similar to that motor vehicle shall be deemed as having the same defect or as not complying with the same standard unless the manufacturer or importer registered under section 30141(c) of this title demonstrates otherwise to the Secretary of Transportation; and

(B) the registered importer shall be deemed to be the manufacturer of any motor vehicle that the importer imports or brings into compliance with the standards for an individual under section 30142 of this title.

(2) The Secretary shall publish in the Federal Register notice of any defect or noncompliance under paragraph (1)(A) of this subsection.

(b) FINANCIAL RESPONSIBILITY REQUIREMENT.—The Secretary shall require by regulation each registered importer (including any successor in interest) to provide and maintain evidence, satisfactory to the Secretary, of sufficient financial responsibility to meet its obligations under sections 30117(b), 30118–30121, and 30166(f) of this title.

SUBCHAPTER IV—ENFORCEMENT AND ADMINISTRATIVE

§ 30161. Judicial review of standards

(a) FILING AND VENUE.—A person adversely affected by an order prescribing a motor vehicle safety standard under this chapter may apply for review of the order by filing a petition for review in the court of appeals of the United States for the circuit in which the person resides or has its principal place of business. The petition must be filed not later than 59 days after the order is issued.

(b) NOTIFYING SECRETARY.—The clerk of the court shall send immediately a copy of the petition to the Secretary of Transpor-

tation. The Secretary shall file with the court a record of the proceeding in which the order was prescribed.

(c) **ADDITIONAL PROCEEDINGS.**—(1) On request of the petitioner, the court may order the Secretary to receive additional evidence and evidence in rebuttal if the court is satisfied that the additional evidence is material and there were reasonable grounds for not presenting the evidence in the proceeding before the Secretary.

(2) The Secretary may modify findings of fact or make new findings because of the additional evidence presented. The Secretary shall file a modified or new finding, a recommendation to modify or set aside the order, and the additional evidence with the court.

(d) **CERTIFIED COPIES OF RECORDS OF PROCEEDINGS.**—The Secretary shall give any interested person a certified copy of the transcript of the record in a proceeding under this section on request and payment of costs. A certified copy of the record of the proceeding is admissible in a proceeding arising out of a matter under this chapter, regardless of whether the proceeding under this section has begun or becomes final.

(e) **FINALITY OF JUDGMENT AND SUPREME COURT REVIEW.**—A judgment of a court under this section is final and may be reviewed only by the Supreme Court under section 1254 of title 28.

§ 30162. Petitions by interested persons for standards and enforcement

(a) **FILING.**—Any interested person may file a petition with the Secretary of Transportation requesting the Secretary to begin a proceeding—

(1) to prescribe a motor vehicle safety standard under this chapter; or

(2) to decide whether to issue an order under section 30118(b) of this title.

(b) **STATEMENT OF FACTS.**—The petition must state facts that the person claims establish that a motor vehicle safety standard or order referred to in subsection (a) of this section is necessary and briefly describe the order the Secretary should issue.

(c) **PROCEEDINGS.**—The Secretary may hold a public hearing or conduct an investigation or proceeding to decide whether to grant the petition.

(d) **ACTIONS OF SECRETARY.**—The Secretary shall grant or deny a petition not later than 120 days after the petition is filed. If a petition is granted, the Secretary shall begin the proceeding promptly. If a petition is denied, the Secretary shall publish the reasons for the denial in the Federal Register.

§ 30163. Actions by the Attorney General

(a) **CIVIL ACTIONS TO ENFORCE.**—The Attorney General may bring a civil action in a United States district court to enjoin—

(1) a violation of this chapter or a regulation prescribed or order issued under this chapter; and

(2) the sale, offer for sale, or introduction or delivery for introduction, in interstate commerce, or the importation into the United States, of a motor vehicle or motor vehicle equip-

ment for which it is decided, before the first purchase in good faith other than for resale, that the vehicle or equipment—

(A) contains a defect related to motor vehicle safety about which notice was given under section 30118(c) of this title or an order was issued under section 30118(b) of this title; or

(B) does not comply with an applicable motor vehicle safety standard prescribed under this chapter.

(b) **PRIOR NOTICE.**—When practicable, the Secretary of Transportation shall notify a person against whom a civil action under subsection (a) of this section is planned, give the person an opportunity to present that person's views, and, except for a knowing and willful violation of this chapter, give the person a reasonable opportunity to remedy the defect or comply with the applicable motor vehicle safety standard prescribed under this chapter. Failure to give notice and an opportunity to remedy the defect or comply with the applicable motor vehicle safety standard prescribed under this chapter does not prevent a court from granting appropriate relief.

(c) **VENUE.**—Except as provided in section 30121(d) of this title, a civil action under this section or section 30165(a) of this title may be brought in the judicial district in which the violation occurred or the defendant is found, resides, or does business. Process in the action may be served in any other judicial district in which the defendant resides or is found.

(d) **JURY TRIAL DEMAND.**—In a trial for criminal contempt for violating an injunction or restraining order issued under subsection (a) of this section, the violation of which is also a violation of this chapter, the defendant may demand a jury trial. The defendant shall be tried as provided in rule 42(b) of the Federal Rules of Criminal Procedure (18 App. U.S.C.).

(e) **SUBPENAS FOR WITNESSES.**—In a civil action brought under this section, a subpoena for a witness may be served in any judicial district.

§ 30164. Service of process

(a) **DESIGNATING AGENTS.**—A manufacturer offering a motor vehicle or motor vehicle equipment for import shall designate an agent on whom service of notices and process in administrative and judicial proceedings may be made. The designation shall be in writing and filed with the Secretary of Transportation. The designation may be changed in the same way as originally made.

(b) **SERVICE.**—An agent may be served at the agent's office or usual place of residence. Service on the agent is deemed to be service on the manufacturer. If a manufacturer does not designate an agent, service may be made by posting the notice or process in the office of the Secretary.

§ 30165. Civil penalty

(a) **CIVIL PENALTIES.**—

(1) **IN GENERAL.**—A person that violates any of section 30112, 30115, 30117 through 30122, 30123(d), 30125(c), 30127, or 30141 through 30147, or a regulation prescribed thereunder, is liable to the United States Government for a civil penalty of

not more than \$5,000 for each violation. A separate violation occurs for each motor vehicle or item of motor vehicle equipment and for each failure or refusal to allow or perform an act required by any of those sections. The maximum penalty under this subsection for a related series of violations is \$15,000,000.

(2) SECTION 30166.—A person who violates section 30166 or a regulation prescribed under that section is liable to the United States Government for a civil penalty for failing or refusing to allow or perform an act required under that section or regulation. The maximum penalty under this paragraph is \$5,000 per violation per day. The maximum penalty under this paragraph for a related series of daily violations is \$15,000,000.

(b) COMPROMISE AND SETOFF.—(1) The Secretary of Transportation may compromise the amount of a civil penalty imposed under this section.

(2) The Government may deduct the amount of a civil penalty imposed or compromised under this section from amounts it owes the person liable for the penalty.

(c) CONSIDERATIONS.—In determining the amount of a civil penalty or compromise, the appropriateness of the penalty or compromise to the size of the business of the person charged and the gravity of the violation shall be considered.

(d) SUBPENAS FOR WITNESSES.—In a civil action brought under this section, a subpoena for a witness may be served in any judicial district.

§ 30166. Inspections, investigations, and records

(a) DEFINITION.—In this section, “motor vehicle accident” means an occurrence associated with the maintenance or operation of a motor vehicle or motor vehicle equipment resulting in personal injury, death, or property damage.

(b) AUTHORITY TO INSPECT AND INVESTIGATE.—(1) The Secretary of Transportation may conduct an inspection or investigation—

(A) that may be necessary to enforce this chapter or a regulation prescribed or order issued under this chapter; or

(B) related to a motor vehicle accident and designed to carry out this chapter.

(2) The Secretary of Transportation shall cooperate with State and local officials to the greatest extent possible in an inspection or investigation under paragraph (1)(B) of this subsection.

(c) MATTERS THAT CAN BE INSPECTED AND IMPOUNDMENT.—In carrying out this chapter, an officer or employee designated by the Secretary of Transportation—

(1) at reasonable times, may inspect and copy any record related to this chapter;

(2) on request, may inspect records of a manufacturer, distributor, or dealer to decide whether the manufacturer, distributor, or dealer has complied or is complying with this chapter or a regulation prescribed or order issued under this chapter; and

(3) at reasonable times, in a reasonable way, and on display of proper credentials and written notice to an owner, operator, or agent in charge, may—

(A) enter and inspect with reasonable promptness premises in which a motor vehicle or motor vehicle equipment is manufactured, held for introduction in interstate commerce, or held for sale after introduction in interstate commerce;

(B) enter and inspect with reasonable promptness premises at which a vehicle or equipment involved in a motor vehicle accident is located;

(C) inspect with reasonable promptness that vehicle or equipment; and

(D) impound for not more than 72 hours a vehicle or equipment involved in a motor vehicle accident.

(d) REASONABLE COMPENSATION.—When a motor vehicle (except a vehicle subject to subchapter I of chapter 135 of this title) or motor vehicle equipment is inspected or temporarily impounded under subsection (c)(3) of this section, the Secretary of Transportation shall pay reasonable compensation to the owner of the vehicle if the inspection or impoundment results in denial of use, or reduction in value, of the vehicle.

(e) RECORDS AND MAKING REPORTS.—The Secretary of Transportation reasonably may require a manufacturer of a motor vehicle or motor vehicle equipment to keep records, and a manufacturer, distributor, or dealer to make reports, to enable the Secretary to decide whether the manufacturer, distributor, or dealer has complied or is complying with this chapter or a regulation prescribed or order issued under this chapter. This subsection does not impose a recordkeeping requirement on a distributor or dealer in addition to those imposed under subsection (f) of this section and section 30117(b) of this title or a regulation prescribed or order issued under subsection (f) or section 30117(b).

(f) PROVIDING COPIES OF COMMUNICATIONS ABOUT DEFECTS AND NONCOMPLIANCE.—A manufacturer shall give the Secretary of Transportation a true or representative copy of each communication to the manufacturer's dealers or to owners or purchasers of a motor vehicle or replacement equipment produced by the manufacturer about a defect or noncompliance with a motor vehicle safety standard prescribed under this chapter in a vehicle or equipment that is sold or serviced.

(g) ADMINISTRATIVE AUTHORITY ON REPORTS, ANSWERS, AND HEARINGS.—(1) In carrying out this chapter, the Secretary of Transportation may—

(A) require, by general or special order, any person to file reports or answers to specific questions, including reports or answers under oath; and

(B) conduct hearings, administer oaths, take testimony, and require (by subpoena or otherwise) the appearance and testimony of witnesses and the production of records the Secretary considers advisable.

(2) A witness summoned under this subsection is entitled to the same fee and mileage the witness would have been paid in a court of the United States.

(h) CIVIL ACTIONS TO ENFORCE AND VENUE.—A civil action to enforce a subpoena or order under subsection (g) of this section may be brought in the United States district court for any judicial district in which the proceeding is conducted. The court may punish a failure to obey an order of the court to comply with a subpoena or order as a contempt of court.

(i) GOVERNMENTAL COOPERATION.—The Secretary of Transportation may request a department, agency, or instrumentality of the United States Government to provide records the Secretary considers necessary to carry out this chapter. The head of the department, agency, or instrumentality shall provide the record on request, may detail personnel on a reimbursable basis, and otherwise shall cooperate with the Secretary. This subsection does not affect a law limiting the authority of a department, agency, or instrumentality to provide information to another department, agency, or instrumentality.

(j) COOPERATION OF SECRETARY.—The Secretary of Transportation may advise, assist, and cooperate with departments, agencies, and instrumentalities of the Government, States, and other public and private agencies in developing a method for inspecting and testing to determine compliance with a motor vehicle safety standard.

(k) PROVIDING INFORMATION.—The Secretary of Transportation shall provide the Attorney General and, when appropriate, the Secretary of the Treasury, information obtained that indicates a violation of this chapter or a regulation prescribed or order issued under this chapter.

(l) REPORTING OF DEFECTS IN MOTOR VEHICLES AND PRODUCTS IN FOREIGN COUNTRIES.—

(1) REPORTING OF DEFECTS, MANUFACTURER DETERMINATION.—Not later than 5 working days after determining to conduct a safety recall or other safety campaign in a foreign country on a motor vehicle or motor vehicle equipment that is identical or substantially similar to a motor vehicle or motor vehicle equipment offered for sale in the United States, the manufacturer shall report the determination to the Secretary.

(2) REPORTING OF DEFECTS, FOREIGN GOVERNMENT DETERMINATION.—Not later than 5 working days after receiving notification that the government of a foreign country has determined that a safety recall or other safety campaign must be conducted in the foreign country on a motor vehicle or motor vehicle equipment that is identical or substantially similar to a motor vehicle or motor vehicle equipment offered for sale in the United States, the manufacturer of the motor vehicle or motor vehicle equipment shall report the determination to the Secretary.

(3) REPORTING REQUIREMENTS.—The Secretary shall prescribe the contents of the notification required by this subsection.

(m) EARLY WARNING REPORTING REQUIREMENTS.—

(1) RULEMAKING REQUIRED.—Not later than 120 days after the date of the enactment of the Transportation Recall Enhancement, Accountability, and Documentation (TREAD) Act, the Secretary shall initiate a rulemaking proceeding to estab-

lish early warning reporting requirements for manufacturers of motor vehicles and motor vehicle equipment to enhance the Secretary's ability to carry out the provisions of this chapter.

(2) DEADLINE.—The Secretary shall issue a final rule under paragraph (1) not later than June 30, 2002.

(3) REPORTING ELEMENTS.—

(A) WARRANTY AND CLAIMS DATA.—As part of the final rule promulgated under paragraph (1), the Secretary shall require manufacturers of motor vehicles and motor vehicle equipment to report, periodically or upon request by the Secretary, information which is received by the manufacturer derived from foreign and domestic sources to the extent that such information may assist in the identification of defects related to motor vehicle safety in motor vehicles and motor vehicle equipment in the United States and which concerns—

(i) data on claims submitted to the manufacturer for serious injuries (including death) and aggregate statistical data on property damage from alleged defects in a motor vehicle or in motor vehicle equipment; or

(ii) customer satisfaction campaigns, consumer advisories, recalls, or other activity involving the repair or replacement of motor vehicles or items of motor vehicle equipment.

(B) OTHER DATA.—As part of the final rule promulgated under paragraph (1), the Secretary may, to the extent that such information may assist in the identification of defects related to motor vehicle safety in motor vehicles and motor vehicle equipment in the United States, require manufacturers of motor vehicles or motor vehicle equipment to report, periodically or upon request of the Secretary, such information as the Secretary may request.

(C) REPORTING OF POSSIBLE DEFECTS.—The manufacturer of a motor vehicle or motor vehicle equipment shall report to the Secretary, in such manner as the Secretary establishes by regulation, all incidents of which the manufacturer receives actual notice which involve fatalities or serious injuries which are alleged or proven to have been caused by a possible defect in such manufacturer's motor vehicle or motor vehicle equipment in the United States, or in a foreign country when the possible defect is in a motor vehicle or motor vehicle equipment that is identical or substantially similar to a motor vehicle or motor vehicle equipment offered for sale in the United States.

(4) HANDLING AND UTILIZATION OF REPORTING ELEMENTS.—

(A) SECRETARY'S SPECIFICATIONS.—In requiring the reporting of any information requested by the Secretary under this subsection, the Secretary shall specify in the final rule promulgated under paragraph (1)—

(i) how such information will be reviewed and utilized to assist in the identification of defects related to motor vehicle safety;

(ii) the systems and processes the Secretary will employ or establish to review and utilize such information; and

(iii) the manner and form of reporting such information, including in electronic form.

(B) INFORMATION IN POSSESSION OF MANUFACTURER.—

The regulations promulgated by the Secretary under paragraph (1) may not require a manufacturer of a motor vehicle or motor vehicle equipment to maintain or submit records respecting information not in the possession of the manufacturer.

(C) DISCLOSURE.—None of the information collected pursuant to the final rule promulgated under paragraph (1) shall be disclosed pursuant to section 30167(b) unless the Secretary determines the disclosure of such information will assist in carrying out sections 30117(b) and 30118 through 30121.

(D) BURDENSOME REQUIREMENTS.—In promulgating the final rule under paragraph (1), the Secretary shall not impose requirements unduly burdensome to a manufacturer of a motor vehicle or motor vehicle equipment, taking into account the manufacturer's cost of complying with such requirements and the Secretary's ability to use the information sought in a meaningful manner to assist in the identification of defects related to motor vehicle safety.

(5) PERIODIC REVIEW.—As part of the final rule promulgated pursuant to paragraph (1), the Secretary shall specify procedures for the periodic review and update of such rule.

(n) SALE OR LEASE OF DEFECTIVE OR NONCOMPLIANT TIRE.—

(1) IN GENERAL.—The Secretary shall, within 90 days of the date of the enactment of the Transportation Recall Enhancement, Accountability, and Documentation (TREAD) Act, issue a final rule requiring any person who knowingly and willfully sells or leases for use on a motor vehicle a defective tire or a tire which is not compliant with an applicable tire safety standard with actual knowledge that the manufacturer of such tire has notified its dealers of such defect or noncompliance as required under section 30118(c) or as required by an order under section 30118(b) to report such sale or lease to the Secretary.

(2) DEFECT OR NONCOMPLIANCE REMEDIED OR ORDER NOT IN EFFECT.—Regulations under paragraph (1) shall not require the reporting described in paragraph (1) where before delivery under a sale or lease of a tire—

(A) the defect or noncompliance of the tire is remedied as required by section 30120; or

(B) notification of the defect or noncompliance is required under section 30118(b) but enforcement of the order is restrained or the order is set aside in a civil action to which section 30121(d) applies.

§ 30167. Disclosure of information by the Secretary of Transportation

(a) CONFIDENTIALITY OF INFORMATION.—Information obtained under this chapter related to a confidential matter referred to in section 1905 of title 18 may be disclosed only in the following ways:

(1) to other officers and employees carrying out this chapter.

(2) when relevant to a proceeding under this chapter.

(3) to the public if the confidentiality of the information is preserved.

(4) to the public when the Secretary of Transportation decides that disclosure is necessary to carry out section 30101 of this title.

(b) DEFECT AND NONCOMPLIANCE INFORMATION.—Subject to subsection (a) of this section, the Secretary shall disclose information obtained under this chapter related to a defect or noncompliance that the Secretary decides will assist in carrying out sections 30117(b) and 30118–30121 of this title or that is required to be disclosed under section 30118(a) of this title. A requirement to disclose information under this subsection is in addition to the requirements of section 552 of title 5.

(c) INFORMATION ABOUT MANUFACTURER'S INCREASED COSTS.—A manufacturer opposing an action of the Secretary under this chapter because of increased cost shall submit to the Secretary information about the increased cost, including the manufacturer's cost and the cost to retail purchasers, that allows the public and the Secretary to evaluate the manufacturer's statement. The Secretary shall evaluate the information promptly and, subject to subsection (a) of this section, shall make the information and evaluation available to the public. The Secretary shall publish a notice in the Federal Register that the information is available.

(d) WITHHOLDING INFORMATION FROM CONGRESS.—This section does not authorize information to be withheld from a committee of Congress authorized to have the information.

§ 30168. Research, testing, development, and training

(a) GENERAL AUTHORITY.—(1) The Secretary of Transportation shall conduct research, testing, development, and training necessary to carry out this chapter. The research, development, testing, and training shall include—

(A) collecting information to determine the relationship between motor vehicle or motor vehicle equipment performance characteristics and—

(i) accidents involving motor vehicles; and

(ii) the occurrence of death or personal injury resulting from those accidents;

(B) obtaining experimental and other motor vehicles and motor vehicle equipment for research or testing; and

(C) selling or otherwise disposing of test motor vehicles and motor vehicle equipment and crediting the proceeds to current appropriations available to carry out this chapter.

(2) The Secretary may carry out this subsection through grants to States, interstate authorities, and nonprofit institutions.

(b) USE OF PUBLIC AGENCIES.—In carrying out this chapter, the Secretary shall use the services, research, and testing facilities of public agencies to the maximum extent practicable to avoid duplication.

(c) FACILITIES.—The Secretary may plan, design, and build a new facility or modify an existing facility to conduct research, development, and testing in traffic safety, highway safety, and motor vehicle safety. An expenditure of more than \$100,000 for planning, design, or construction may be made only if the planning, design, or construction is approved by substantially similar resolutions by the Committees on Commerce and Transportation and Infrastructure of the House of Representatives and the Committees on Commerce, Science, and Transportation and Environment and Public Works of the Senate. To obtain that approval, the Secretary shall submit to Congress a prospectus on the proposed facility. The prospectus shall include—

- (1) a brief description of the facility being planned, designed, or built;
- (2) the location of the facility;
- (3) an estimate of the maximum cost of the facility;
- (4) a statement identifying private and public agencies that will use the facility and the contribution each agency will make to the cost of the facility; and
- (5) a justification of the need for the facility.

(d) INCREASING COSTS OF APPROVED FACILITIES.—The estimated maximum cost of a facility approved under subsection (c) of this section may be increased by an amount equal to the percentage increase in construction costs from the date the prospectus is submitted to Congress. However, the increase in the cost of the facility may not be more than 10 percent of the estimated maximum cost included in the prospectus. The Secretary shall decide what increase in construction costs has occurred.

(e) AVAILABILITY OF INFORMATION, PATENTS, AND DEVELOPMENTS.—When the United States Government makes more than a minimal contribution to a research or development activity under this chapter, the Secretary shall include in the arrangement for the activity a provision to ensure that all information, patents, and developments related to the activity are available to the public. However, the owner of a background patent may not be deprived of a right under the patent.

§ 30169. Annual reports

(a) GENERAL REPORT.—The Secretary of Transportation shall submit to the President to submit to Congress on July 1 of each year a report on the administration of this chapter for the prior calendar year. The report shall include—

- (1) a thorough statistical compilation of accidents and injuries;
- (2) motor vehicle safety standards in effect or prescribed under this chapter;
- (3) the degree of observance of the standards;
- (4) a summary of current research grants and contracts and a description of the problems to be considered under those grants and contracts;

(5) an analysis and evaluation of research activities completed and technological progress achieved;

(6) enforcement actions;

(7) the extent to which technical information was given the scientific community and consumer-oriented information was made available to the public; and

(8) recommendations for legislation needed to promote cooperation among the States in improving traffic safety and strengthening the national traffic safety program.

(b) REPORT ON IMPORTING MOTOR VEHICLES.—Not later than 18 months after regulations are first prescribed under section 2(e)(1)(B) of the Imported Vehicle Safety Compliance Act of 1988, the Secretary shall submit to Congress a report of the actions taken to carry out subchapter III of this chapter and the effectiveness of those actions, including any testing by the Secretary under section 30146(c)(2) of this title. After the first report, the Secretary shall submit a report to Congress under this subsection not later than July 31 of each year.

§ 30170. Criminal Penalties¹

(a) CRIMINAL LIABILITY FOR FALSIFYING OR WITHHOLDING INFORMATION.—

(1) GENERAL RULE.—A person who violates section 1001 of title 18 with respect to the reporting requirements of section 30166, with the specific intention of misleading the Secretary with respect to motor vehicle or motor vehicle equipment safety related defects that have caused death or serious bodily injury to an individual (as defined in section 1365(g)(3) of title 18), shall be subject to criminal penalties of a fine under title 18, or imprisoned for not more than 15 years, or both.

(2) SAFE HARBOR TO ENCOURAGE REPORTING AND FOR WHISTLE BLOWERS.—

(A) CORRECTION.—A person described in paragraph (1) shall not be subject to criminal penalties under this subsection if: (1)¹ at the time of the violation, such person does not know that the violation would result in an accident causing death or serious bodily injury; and (2)² the person corrects any improper reports or failure to report within a reasonable time.

(B) REASONABLE TIME AND SUFFICIENCY OF CORRECTION.—The Secretary shall establish by regulation what constitutes a reasonable time for the purposes of subparagraph (A) and what manner of correction is sufficient for purposes of subparagraph (A). The Secretary shall issue a final rule under this subparagraph within 90 days of the date of the enactment of this section.

(C) EFFECTIVE DATE.—Subsection (a) shall not take effect before the final rule under subparagraph (B) takes effect.

(b) COORDINATION WITH DEPARTMENT OF JUSTICE.—The Attorney General may bring an action, or initiate grand jury pro-

¹So in law. Should probably be “Criminal penalties”.

¹So in law. Should probably be “(i)”.

²So in law. Should probably be “(ii)”.

ceedings, for a violation of subsection (a) only at the request of the Secretary of Transportation.

CHAPTER 303—NATIONAL DRIVER REGISTER

Sec.

- 30301. Definitions.
- 30302. National Driver Register.
- 30303. State participation.
- 30304. Reports by chief driver licensing officials.
- 30305. Access to Register information.
- 30306. National Driver Register Advisory Committee.
- 30307. Criminal penalties.
- 30308. Authorization of appropriations.

§ 30301. Definitions

In this chapter—

(1) “alcohol” has the same meaning given that term in regulations prescribed by the Secretary of Transportation.

(2) “chief driver licensing official” means the official in a State who is authorized to—

(A) maintain a record about a motor vehicle operator’s license issued by the State; and

(B) issue, deny, revoke, suspend, or cancel a motor vehicle operator’s license issued by the State.

(3) “controlled substance” has the same meaning given that term in section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802).

(4) “motor vehicle” means a vehicle, machine, tractor, trailer, or semitrailer propelled or drawn by mechanical power and used on public streets, roads, or highways, but does not include a vehicle operated only on a rail line.

(5) “motor vehicle operator’s license” means a license issued by a State authorizing an individual to operate a motor vehicle on public streets, roads, or highways.

(6) “participating State” means a State that has notified the Secretary under section 30303 of this title of its participation in the National Driver Register.

(7) “State” means a State of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, Guam, American Samoa, the Northern Mariana Islands, the Trust Territory of the Pacific Islands, and any other territory or possession of the United States.

(8) “State of record” means a State that has given the Secretary a report under section 30304 of this title about an individual who is the subject of a request for information made under section 30305 of this title.

§ 30302. National Driver Register

(a) ESTABLISHMENT AND CONTENTS.—The Secretary of Transportation shall establish as soon as practicable and maintain a National Driver Register to assist chief driver licensing officials of participating States in exchanging information about the motor vehicle driving records of individuals. The Register shall contain an index of the information reported to the Secretary under section 30304 of this title. The Register shall enable the Secretary (elec-

tronically or, until all States can participate electronically, by United States mail)—

(1) to receive information submitted under section 30304 of this title by the chief driver licensing official of a State of record;

(2) to receive a request for information made by the chief driver licensing official of a participating State under section 30305 of this title;

(3) to refer the request to the chief driver licensing official of a State of record; and

(4) in response to the request, to relay information provided by a chief driver licensing official of a State of record to the chief driver licensing official of a participating State, without interception of the information.

(b) ACCURACY OF INFORMATION.—The Secretary is not responsible for the accuracy of information relayed to the chief driver licensing official of a participating State. However, the Secretary shall maintain the Register in a way that ensures against inadvertent alteration of information during a relay.

(c) TRANSITION FROM PRIOR REGISTER.—(1) The Secretary shall provide by regulation for the orderly transition from the register maintained under the Act of July 14, 1960 (Public Law 86-660, 74 Stat. 526), as restated by section 401 of the National Traffic and Motor Vehicle Safety Act of 1966 (Public Law 89-563, 80 Stat. 730), to the Register maintained under this chapter.

(2)(A) The Secretary shall delete from the Register a report or information that was compiled under the Act of July 14, 1960 (Public Law 86-660, 74 Stat. 526), as restated by section 401 of the National Traffic and Motor Vehicle Safety Act of 1966 (Public Law 89-563, 80 Stat. 730), and transferred to the Register, after the earlier of—

(i) the date the State of record removes it from the State's file;

(ii) 7 years after the date the report or information is entered in the Register; or

(iii) the date a fully electronic Register system is established.

(B) The report or information shall be disposed of under chapter 33 of title 44.

(3) If the chief driver licensing official of a participating State finds that information provided for inclusion in the Register is erroneous or is related to a conviction of a traffic offense that subsequently is reversed, the official immediately shall notify the Secretary. The Secretary shall provide for the immediate deletion of the information from the Register.

(d) ASSIGNMENT OF PERSONNEL.—In carrying out this chapter, the Secretary shall assign personnel necessary to ensure the effective operation of the Register.

(e) TRANSFER OF SELECTED FUNCTIONS TO NON-FEDERAL MANAGEMENT.—

(1) AGREEMENT.—The Secretary may enter into an agreement with an organization that represents the interests of the States to manage, administer, and operate the National Driver Register's computer timeshare and user assistance functions. If

the Secretary decides to enter into such an agreement, the Secretary shall ensure that the management of these functions is compatible with this chapter and the regulations issued to implement this chapter.

(2) **REQUIRED DEMONSTRATION.**—Any transfer of the National Driver Register's computer timeshare and user assistance functions to an organization that represents the interests of the States shall begin only after a determination is made by the Secretary that all States are participating in the National Driver Register's "Problem Driver Pointer System" (the system used by the Register to effect the exchange of motor vehicle driving records) and that the system is functioning properly.

(3) **TRANSITION PERIOD.**—Any agreement entered into under this subsection shall include a provision for a transition period sufficient to allow the States to make the budgetary and legislative changes the States may need to pay fees charged by the organization representing their interests for their use of the National Driver Register's computer timeshare and user assistance functions. During this transition period, the Secretary shall continue to fund these transferred functions.

(4) **FEES.**—The total of the fees charged by the organization representing the interests of the States in any fiscal year for the use of the National Driver Register's computer timeshare and user assistance functions shall not exceed the total cost to the organization of performing these functions in such fiscal year.

(5) **LIMITATION ON STATUTORY CONSTRUCTION.**—Nothing in this subsection may be construed to diminish, limit, or otherwise affect the authority of the Secretary to carry out this chapter.

§ 30303. State participation

(a) **NOTIFICATION.**—A State may become a participating State under this chapter by notifying the Secretary of Transportation of its intention to be bound by section 30304 of this title.

(b) **WITHDRAWAL.**—A participating State may end its status as a participating State by notifying the Secretary of its withdrawal from participation in the National Driver Register.

(c) **FORM AND WAY OF NOTIFICATION.**—Notification by a State under this section shall be made in the form and way the Secretary prescribes by regulation.

§ 30304. Reports by chief driver licensing officials

(a) **INDIVIDUALS COVERED.**—As soon as practicable, the chief driver licensing official of each participating State shall submit to the Secretary of Transportation a report containing the information specified by subsection (b) of this section for each individual—

(1) who is denied a motor vehicle operator's license by that State for cause;

(2) whose motor vehicle operator's license is revoked, suspended, or canceled by that State for cause; or

(3) who is convicted under the laws of that State of any of the following motor vehicle-related offenses or comparable offenses:

- (A) operating a motor vehicle while under the influence of, or impaired by, alcohol or a controlled substance.
- (B) a traffic violation arising in connection with a fatal traffic accident, reckless driving, or racing on the highways.
- (C) failing to give aid or provide identification when involved in an accident resulting in death or personal injury.
- (D) perjury or knowingly making a false affidavit or statement to officials about activities governed by a law or regulation on the operation of a motor vehicle.
- (b) CONTENTS.—(1) Except as provided in paragraph (2) of this subsection, a report under subsection (a) of this section shall contain—
- (A) the individual's legal name, date of birth, sex, and, at the Secretary's discretion, height, weight, and eye and hair color;
- (B) the name of the State providing the information; and
- (C) the social security account number if used by the State for driver record or motor vehicle license purposes, and the motor vehicle operator's license number if different from the social security account number.
- (2) A report under subsection (a) of this section about an event that occurs during the 2-year period before the State becomes a participating State is sufficient if the report contains all of the information that is available to the chief driver licensing official when the State becomes a participating State.
- (c) TIME FOR FILING.—If a report under subsection (a) of this section is about an event that occurs—
- (1) during the 2-year period before the State becomes a participating State, the report shall be submitted not later than 6 months after the State becomes a participating State; or
- (2) after the State becomes a participating State, the report shall be submitted not later than 31 days after the motor vehicle department of the State receives any information specified in subsection (b)(1) of this section that is the subject of the report.
- (d) EVENTS OCCURRING BEFORE PARTICIPATION.—This section does not require a State to report information about an event that occurs before the 2-year period before the State becomes a participating State.
- (e) DRIVER RECORD INQUIRY.—Before issuing a motor vehicle operator's license to an individual or renewing such a license, a State shall request from the Secretary information from the National Driver Register under section 30302 and the commercial driver's license information system under section 31309 on the individual's driving record.

§ 30305. Access to Register information

- (a) REFERRALS OF INFORMATION REQUESTS.—(1) To carry out duties related to driver licensing, driver improvement, or transportation safety, the chief driver licensing official of a participating State may request the Secretary of Transportation to refer, elec-

tronically or by United States mail, a request for information about the motor vehicle driving record of an individual to the chief driver licensing official of a State of record.

(2) The Secretary of Transportation shall relay, electronically or by United States mail, information received from the chief driver licensing official of a State of record in response to a request under paragraph (1) of this subsection to the chief driver licensing official of the participating State requesting the information. However, the Secretary may refuse to relay information to the chief driver licensing official of a participating State that does not comply with section 30304 of this title.

(b) REQUESTS TO OBTAIN INFORMATION.—(1) The Chairman of the National Transportation Safety Board and the Administrator of the Federal Highway Administration may request the chief driver licensing official of a State to obtain information under subsection (a) of this section about an individual who is the subject of an accident investigation conducted by the Board or the Administrator. The Chairman and the Administrator may receive the information.

(2) An individual who is employed, or is seeking employment, as a driver of a motor vehicle may request the chief driver licensing official of the State in which the individual is employed or seeks employment to provide information about the individual under subsection (a) of this section to the individual's employer or prospective employer. An employer or prospective employer may receive the information and shall make the information available to the individual. Information may not be obtained from the National Driver Register under this paragraph if the information was entered in the Register more than 3 years before the request, unless the information is about a revocation or suspension still in effect on the date of the request.

(3) An individual who has received, or is applying for, an airman's certificate may request the chief driver licensing official of a State to provide information about the individual under subsection (a) of this section to the Administrator of the Federal Aviation Administration. The Administrator may receive the information and shall make the information available to the individual for review and written comment. The Administrator may use the information to verify information required to be reported to the Administrator by an airman applying for an airman medical certificate and to evaluate whether the airman meets the minimum standards prescribed by the Administrator to be issued an airman medical certificate. The Administrator may not otherwise divulge or use the information. Information may not be obtained from the Register under this paragraph if the information was entered in the Register more than 3 years before the request, unless the information is about a revocation or suspension still in effect on the date of the request.

(4) An individual who is employed, or is seeking employment, by a rail carrier as an operator of a locomotive may request the chief driver licensing official of a State to provide information about the individual under subsection (a) of this section to the individual's employer or prospective employer or to the Secretary of Transportation. Information may not be obtained from the Register under this paragraph if the information was entered in the Reg-

ister more than 3 years before the request, unless the information is about a revocation or suspension still in effect on the date of the request.

(5) An individual who holds, or is applying for, a license or certificate of registry under section 7101 of title 46, or a merchant mariner's document under section 7302 of title 46, may request the chief driver licensing official of a State to provide information about the individual under subsection (a) of this section to the Secretary of the department in which the Coast Guard is operating. The Secretary may receive the information and shall make the information available to the individual for review and written comment before denying, suspending, or revoking the license, certificate, or document of the individual based on the information and before using the information in an action taken under chapter 77 of title 46. The Secretary may not otherwise divulge or use the information, except for purposes of section 7101, 7302, or 7703 of title 46. Information may not be obtained from the Register under this paragraph if the information was entered in the Register more than 3 years before the request, unless the information is about a revocation or suspension still in effect on the date of the request.

(6) The head of a Federal department or agency that issues motor vehicle operator's licenses may request the chief driver licensing official of a State to obtain information under subsection (a) of this section about an individual applicant for a motor vehicle operator's license from such department or agency. The department or agency may receive the information, provided it transmits to the Secretary a report regarding any individual who is denied a motor vehicle operator's license by that department or agency for cause; whose motor vehicle operator's license is revoked, suspended, or canceled by that department or agency for cause; or about whom the department or agency has been notified of a conviction of any of the motor vehicle-related offenses or comparable offenses listed in section 30304(a)(3) and over whom the department or agency has licensing authority. The report shall contain the information specified in section 30304(b).

(7) An individual who is an officer, chief warrant officer, or enlisted member of the Coast Guard or Coast Guard Reserve (including a cadet or an applicant for appointment or enlistment of any of the foregoing and any member of a uniformed service who is assigned to the Coast Guard) may request the chief driver licensing official of a State to provide information about the individual under subsection (a) of this section to the Commandant of the Coast Guard. The Commandant may receive the information and shall make the information available to the individual. Information may not be obtained from the Register under this paragraph if the information was entered in the Register more than 3 years before the request, unless the information is about a revocation or suspension still in effect on the date of the request.

(8) An individual who is seeking employment by an air carrier as a pilot may request the chief driver licensing official of a State to provide information about the individual under subsection (a) of this section to the prospective employer of the individual or to the Secretary of Transportation. Information may not be obtained from the National Driver Register under this subsection if the informa-

tion was entered in the Register more than 5 years before the request unless the information is about a revocation or suspension still in effect on the date of the request.

(9) A request under this subsection shall be made in the form and way the Secretary of Transportation prescribes by regulation.

(10) An individual may request the chief driver licensing official of a State to obtain information about the individual under subsection (a) of this section—

(A) to learn whether information about the individual is being provided;

(B) to verify the accuracy of the information; or

(C) to obtain a certified copy of the information.

(11) The head of a Federal department or agency authorized to receive information regarding an individual from the Register under this section may request and receive such information from the Secretary.

(c) RELATIONSHIP TO OTHER LAWS.—A request for, or receipt of, information from the Register is subject to sections 552 and 552a of title 5, and other applicable laws of the United States or a State, except that—

(1) the Secretary of Transportation may not relay or otherwise provide information specified in section 30304(b)(1)(A) or (C) of this title to a person not authorized by this section to receive the information;

(2) a request for, or receipt of, information by a chief driver licensing official, or by a person authorized by subsection (b) of this section to request and receive the information, is deemed to be a routine use under section 552a(b) of title 5; and

(3) receipt of information by a person authorized by this section to receive the information is deemed to be a disclosure under section 552a(c) of title 5, except that the Secretary of Transportation is not required to retain the accounting made under section 552a(c)(1) for more than 7 years after the disclosure.

(d) AVAILABILITY OF INFORMATION PROVIDED UNDER PRIOR LAW.—Information provided by a State under the Act of July 14, 1960 (Public Law 86–660, 74 Stat. 526), as restated by section 401 of the National Traffic and Motor Vehicle Safety Act of 1966 (Public Law 89–563, 80 Stat. 730), and under this chapter, shall be available under this section during the transition from the register maintained under that Act to the Register maintained under this chapter.

§ 30306. National Driver Register Advisory Committee

(a) ORGANIZATION.—There is a National Driver Register Advisory Committee.

(b) DUTIES.—The Committee shall advise the Secretary of Transportation on—

(1) the efficiency of the maintenance and operation of the National Driver Register; and

(2) the effectiveness of the Register in assisting States in exchanging information about motor vehicle driving records.

(c) COMPOSITION AND APPOINTMENT.—The Committee is composed of 15 members appointed by the Secretary as follows:

(1) 3 members appointed from among individuals who are specially qualified to serve on the Committee because of their education, training, or experience, and who are not officers or employees of the United States Government or a State.

(2) 3 members appointed from among groups outside the Government that represent the interests of bus and trucking organizations, enforcement officials, labor, or safety organizations.

(3) 9 members, geographically representative of the participating States, appointed from among individuals who are chief driver licensing officials of participating States.

(d) TERMS.—(1) Except as provided in paragraph (2) of this subsection, the term of each member is 3 years.

(2) A vacancy on the Committee shall be filled in the same way as an original appointment. A member appointed to fill a vacancy serves for the remainder of the term of that member's predecessor. After a member's term ends, the member may continue to serve until a successor takes office.

(e) PAY AND EXPENSES.—Members of the Committee serve without pay. However, the Secretary may reimburse a member for reasonable travel expenses incurred by the member in attending meetings of the Committee.

(f) MEETINGS, CHAIRMAN, VICE CHAIRMAN, AND QUORUM.—(1) The Committee shall meet at least once a year.

(2) The Committee shall elect a Chairman and a Vice Chairman from among its members.

(3) Eight members are a quorum.

(4) The Committee shall meet at the call of the Chairman or a majority of the members.

(g) PERSONNEL AND SERVICES.—The Secretary may provide the Committee with personnel, penalty mail privileges, and similar services the Secretary considers necessary to assist the Committee in carrying out its duties and powers under this section.

(h) REPORTS.—At least once a year, the Committee shall submit to the Secretary a report on the matters specified in subsection (b) of this section. The report shall include any recommendations of the Committee for changes in the Register.

(i) RELATIONSHIP TO OTHER LAWS.—The Committee is exempt from sections 10(e) and (f) and 14 of the Federal Advisory Committee Act (5 App. U.S.C.).

§ 30307. Criminal penalties

(a) GENERAL PENALTY.—A person (except an individual described in section 30305(b)(6) of this title) shall be fined under title 18, imprisoned for not more than one year, or both, if—

(1) the person receives under section 30305 of this title information specified in section 30304(b)(1)(A) or (C) of this title;

(2) disclosure of the information is not authorized by section 30305 of this title; and

(3) the person willfully discloses the information knowing that disclosure is not authorized.

(b) INFORMATION PENALTY.—A person knowingly and willfully requesting, or under false pretenses obtaining, information specified in section 30304(b)(1)(A) or (C) of this title from a person re-

ceiving the information under section 30305 of this title shall be fined under title 18, imprisoned for not more than one year, or both.

§ 30308. Authorization of appropriations

(a) GENERAL.—The Secretary of Transportation shall make available from amounts made available to carry out section 402 of title 23 \$4,000,000 for each of the fiscal years ending September 30, 1993, and September 30, 1994, \$2,550,000 for each of fiscal years 1995, 1996, and 1997, and \$1,855,000 for the period of October 1, 1997, through March 31, 1998, to carry out this chapter.

(b) AVAILABILITY OF AMOUNTS.—Amounts authorized under this section remain available until expended.

CHAPTER 305—NATIONAL MOTOR VEHICLE TITLE INFORMATION SYSTEM

Sec.

30501. Definitions.

30502. National Motor Vehicle Title Information System.

30503. State participation.

30504. Reporting requirements.

30505. Penalties and enforcement.

§ 30501. Definitions

In this chapter—

(1) “automobile” has the same meaning given that term in section 32901(a) of this title.

(2) “certificate of title” means a document issued by a State showing ownership of an automobile.

(3) “insurance carrier” means an individual or entity engaged in the business of underwriting automobile insurance.

(4) “junk automobile” means an automobile that—
 (A) is incapable of operating on public streets, roads, and highways; and
 (B) has no value except as a source of parts or scrap.

(5) “junk yard” means an individual or entity engaged in the business of acquiring or owning junk automobiles for—
 (A) resale in their entirety or as spare parts; or
 (B) rebuilding, restoration, or crushing.

(6) “operator” means the individual or entity authorized or designated as the operator of the National Motor Vehicle Title Information System under section 30502(b) of this title, or the Attorney General, if there is no authorized or designated individual or entity.

(7) “salvage automobile” means an automobile that is damaged by collision, fire, flood, accident, trespass, or other event, to the extent that its fair salvage value plus the cost of repairing the automobile for legal operation on public streets, roads, and highways would be more than the fair market value of the automobile immediately before the event that caused the damage.

(8) “salvage yard” means an individual or entity engaged in the business of acquiring or owning salvage automobiles for—

- (A) resale in their entirety or as spare parts; or
- (B) rebuilding, restoration, or crushing.
- (9) "State" means a State of the United States or the District of Columbia.

§ 30502. National Motor Vehicle Title Information System

(a) ESTABLISHMENT OR DESIGNATION.—(1) In cooperation with the States and not later than December 31, 1997, the Attorney General shall establish a National Motor Vehicle Title Information System that will provide individuals and entities referred to in subsection (e) of this section with instant and reliable access to information maintained by the States related to automobile titling described in subsection (d) of this section. However, if the Attorney General decides that the existing information system meets the requirements of subsections (d) and (e) of this section and will permit the Attorney General to carry out this chapter as early as possible, the Attorney General, in consultation with the Secretary of Transportation, may designate an existing information system as the National Motor Vehicle Title Information System.

(2) In cooperation with the Secretary of Transportation and the States, the Attorney General shall ascertain the extent to which title and related information to be included in the system established under paragraph (1) of this subsection will be adequate, timely, reliable, uniform, and capable of assisting in efforts to prevent the introduction or reintroduction of stolen vehicles and parts into interstate commerce.

(b) OPERATION.—The Attorney General may authorize the operation of the System established or designated under subsection (a)(1) of this section by agreement with one or more States, or by designating, after consulting with the States, a third party that represents the interests of the States.

(c) USER FEES.—Operation of the System established or designated under subsection (a)(1) of this section shall be paid for by user fees and should be self-sufficient and not be dependent on amounts from the United States Government. The amount of fees the operator collects and keeps under this subsection subject to annual appropriation laws, excluding fees the operator collects and pays to an entity providing information to the operator, may be not more than the costs of operating the System.

(d) INFORMATION REQUIREMENTS.—The System established or designated under subsection (a)(1) of this section shall permit a user of the System at least to establish instantly and reliably—

- (1) the validity and status of a document purporting to be a certificate of title;
- (2) whether an automobile bearing a known vehicle identification number is titled in a particular State;
- (3) whether an automobile known to be titled in a particular State is or has been a junk automobile or a salvage automobile;
- (4) for an automobile known to be titled in a particular State, the odometer mileage disclosure required under section 32705 of this title for that automobile on the date the certificate of title for that automobile was issued and any later mileage information, if noted by the State; and

(5) whether an automobile bearing a known vehicle identification number has been reported as a junk automobile or a salvage automobile under section 30504 of this title.

(e) AVAILABILITY OF INFORMATION.—(1) The operator shall make available—

(A) to a participating State on request of that State, information in the System about any automobile;

(B) to a Government, State, or local law enforcement official on request of that official, information in the System about a particular automobile, junk yard, or salvage yard;

(C) to a prospective purchaser of an automobile on request of that purchaser, including an auction company or entity engaged in the business of purchasing used automobiles, information in the System about that automobile; and

(D) to a prospective or current insurer of an automobile on request of that insurer, information in the System about that automobile.

(2) The operator may release only the information reasonably necessary to satisfy the requirements of paragraph (1) of this subsection. The operator may not collect an individual's social security account number or permit users of the System to obtain an individual's address or social security account number.

(f) IMMUNITY.—Any person performing any activity under this section or sections 30503 or 30504 in good faith and with the reasonable belief that such activity was in accordance with this section or section 30503 or 30504, as the case may be, shall be immune from any civil action respecting such activity which is seeking money damages or equitable relief in any court of the United States or a State.

§ 30503. State participation

(a) STATE INFORMATION.—Each State shall make titling information maintained by that State available for use in operating the National Motor Vehicle Title Information System established or designated under section 30502 of this title.

(b) VERIFICATION CHECKS.—Each State shall establish a practice of performing an instant title verification check before issuing a certificate of title to an individual or entity claiming to have purchased an automobile from an individual or entity in another State. The check shall consist of—

(1) communicating to the operator—

(A) the vehicle identification number of the automobile for which the certificate of title is sought;

(B) the name of the State that issued the most recent certificate of title for the automobile; and

(C) the name of the individual or entity to whom the certificate of title was issued; and

(2) giving the operator an opportunity to communicate to the participating State the results of a search of the information.

(c) GRANTS TO STATES.—(1) In cooperation with the States and not later than January 1, 1994, the Attorney General shall—

(A) conduct a review of systems used by the States to compile and maintain information about the titling of automobiles; and

(B) determine for each State the cost of making titling information maintained by that State available to the operator to meet the requirements of section 30502(d) of this title.

(2) The Attorney General may make reasonable and necessary grants to participating States to be used in making titling information maintained by those States available to the operator.

(d) REPORT TO CONGRESS.—Not later than October 1, 1998, the Attorney General shall report to Congress on which States have met the requirements of this section. If a State has not met the requirements, the Attorney General shall describe the impediments that have resulted in the State's failure to meet the requirements.

§ 30504. Reporting requirements

(a) JUNK YARD AND SALVAGE YARD OPERATORS.—(1) Beginning at a time established by the Attorney General that is not sooner than the 3d month before the establishment or designation of the National Motor Vehicle Title Information System under section 30502 of this title, an individual or entity engaged in the business of operating a junk yard or salvage yard shall file a monthly report with the operator of the System. The report shall contain an inventory of all junk automobiles or salvage automobiles obtained by the junk yard or salvage yard during the prior month. The inventory shall contain—

(A) the vehicle identification number of each automobile obtained;

(B) the date on which the automobile was obtained;

(C) the name of the individual or entity from whom the automobile was obtained; and

(D) a statement of whether the automobile was crushed or disposed of for sale or other purposes.

(2) Paragraph (1) of this subsection does not apply to an individual or entity—

(A) required by State law to report the acquisition of junk automobiles or salvage automobiles to State or local authorities if those authorities make that information available to the operator; or

(B) issued a verification under section 33110 of this title stating that the automobile or parts from the automobile are not reported as stolen.

(b) INSURANCE CARRIERS.—Beginning at a time established by the Attorney General that is not sooner than the 3d month before the establishment or designation of the System, an individual or entity engaged in business as an insurance carrier shall file a monthly report with the operator. The report may be filed directly or through a designated agent. The report shall contain an inventory of all automobiles of the current model year or any of the 4 prior model years that the carrier, during the prior month, has obtained possession of and has decided are junk automobiles or salvage automobiles. The inventory shall contain—

(1) the vehicle identification number of each automobile obtained;

- (2) the date on which the automobile was obtained;
- (3) the name of the individual or entity from whom the automobile was obtained; and
- (4) the name of the owner of the automobile at the time of the filing of the report.

(c) PROCEDURES AND PRACTICES.—The Attorney General shall establish by regulation procedures and practices to facilitate reporting in the least burdensome and costly fashion.

§ 30505. Penalties and enforcement

(a) PENALTY.—An individual or entity violating this chapter is liable to the United States Government for a civil penalty of not more than \$1,000 for each violation.

(b) COLLECTION AND COMPROMISE.—(1) The Attorney General shall impose a civil penalty under this section. The Attorney General shall bring a civil action to collect the penalty. The Attorney General may compromise the amount of the penalty. In determining the amount of the penalty or compromise, the Attorney General shall consider the appropriateness of the penalty to the size of the business of the individual or entity charged and the gravity of the violation.

(2) The Government may deduct the amount of a civil penalty imposed or compromised under this section from amounts it owes the individual or entity liable for the penalty.

- 31142. Inspection of vehicles.
- 31143. Investigating complaints and protecting complainants.
- 31144. Safety fitness of owners and operators.
- 31145. Coordination of Governmental activities and paperwork.
- 31146. Relationship to other laws.
- 31147. Limitations on authority.
- 31148. Certified motor carrier safety auditors.

SUBCHAPTER I—STATE GRANTS AND OTHER COMMERCIAL MOTOR VEHICLE PROGRAMS

§ 31100. Purpose

The purpose of this subchapter is to ensure that the Secretary, States, and other political jurisdictions work in partnership to establish programs to improve motor carrier, commercial motor vehicle, and driver safety to support a safe and efficient transportation system by—

(1) focusing resources on strategic safety investments to promote safe for-hire and private transportation, including transportation of passengers and hazardous materials, to identify high-risk carriers and drivers, and to invest in activities likely to generate maximum reductions in the number and severity of commercial motor vehicle crashes;

(2) increasing administrative flexibility and developing and enforcing effective, compatible, and cost-beneficial motor carrier, commercial motor vehicle, and driver safety regulations and practices, including improving enforcement of State and local traffic safety laws and regulations;

(3) assessing and improving statewide program performance by setting program outcome goals, improving problem identification and countermeasures planning, designing appropriate performance standards, measures, and benchmarks, improving performance information and analysis systems, and monitoring program effectiveness;

(4) ensuring that drivers of commercial motor vehicles and enforcement personnel obtain adequate training in safe operational practices and regulatory requirements; and

(5) advancing promising technologies and encouraging adoption of safe operational practices.

§ 31101. Definitions

In this subchapter—

(1) “commercial motor vehicle” means (except in section 31106) a self-propelled or towed vehicle used on the highways in commerce principally to transport passengers or cargo, if the vehicle—

(A) has a gross vehicle weight rating or gross vehicle weight of at least 10,001 pounds, whichever is greater;

(B) is designed to transport more than 10 passengers including the driver; or

(C) is used in transporting material found by the Secretary of Transportation to be hazardous under section 5103 of this title and transported in a quantity requiring

placarding under regulations prescribed by the Secretary under section 5103.

(2) “employee” means a driver of a commercial motor vehicle (including an independent contractor when personally operating a commercial motor vehicle), a mechanic, a freight handler, or an individual not an employer, who—

(A) directly affects commercial motor vehicle safety in the course of employment by a commercial motor carrier; and

(B) is not an employee of the United States Government, a State, or a political subdivision of a State acting in the course of employment.

(3) “employer”—

(A) means a person engaged in a business affecting commerce that owns or leases a commercial motor vehicle in connection with that business, or assigns an employee to operate the vehicle in commerce; but

(B) does not include the Government, a State, or a political subdivision of a State.

(4) “State” means a State of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, American Samoa, Guam, and the Northern Mariana Islands.

§ 31102. Grants to States

(a) GENERAL AUTHORITY.—Subject to this section and the availability of amounts, the Secretary of Transportation may make grants to States for the development or implementation of programs for improving motor carrier safety and the enforcement of regulations, standards, and orders of the United States Government on commercial motor vehicle safety, hazardous materials transportation safety, and compatible State regulations, standards, and orders.

(b) STATE PLAN PROCEDURES AND CONTENTS.—(1) The Secretary shall prescribe procedures for a State to submit a plan under which the State agrees to assume responsibility for improving motor carrier safety and to adopt and enforce regulations, standards, and orders of the Government on commercial motor vehicle safety, hazardous materials transportation safety, or compatible State regulations, standards, and orders. The Secretary shall approve the plan if the Secretary decides the plan is adequate to promote the objectives of this section and the plan—

(A) implements performance-based activities by fiscal year 2000;

(B) designates the State motor vehicle safety agency responsible for administering the plan throughout the State;

(C) contains satisfactory assurances the agency has or will have the legal authority, resources, and qualified personnel necessary to enforce the regulations, standards, and orders;

(D) contains satisfactory assurances the State will devote adequate amounts to the administration of the plan and enforcement of the regulations, standards, and orders;

(E) provides that the total expenditure of amounts of the State and its political subdivisions (not including amounts of the Government) for commercial motor vehicle safety programs

for enforcement of commercial motor vehicle size and weight limitations, drug interdiction, and State traffic safety laws and regulations under subsection (c) of this section will be maintained at a level at least equal to the average level of that expenditure for its last 3 full fiscal years before December 18, 1991;

(F) provides a right of entry and inspection to carry out the plan;

(G) provides that all reports required under this section be submitted to the agency and that the agency will make the reports available to the Secretary on request;

(H) provides that the agency will adopt the reporting requirements and use the forms for recordkeeping, inspections, and investigations the Secretary prescribes;

(I) requires registrants of commercial motor vehicles to make a declaration of knowledge of applicable safety regulations, standards, and orders of the Government and the State;

(J) provides that the State will grant maximum reciprocity for inspections conducted under the North American Inspection Standard through the use of a nationally accepted system that allows ready identification of previously inspected commercial motor vehicles;

(K) ensures that activities described in subsection (c)(1) of this section, if financed with grants under subsection (a) of this section, will not diminish the effectiveness of the development and implementation of commercial motor vehicle safety programs described in subsection (a);

(L) ensures that the State agency will coordinate the plan, data collection, and information systems with State highway safety programs under title 23;

(M) ensures participation in SAFETYNET and other information systems by all appropriate jurisdictions receiving funding under this section;

(N) ensures that information is exchanged among the States in a timely manner;

(O) provides satisfactory assurances that the State will undertake efforts that will emphasize and improve enforcement of State and local traffic safety laws and regulations related to commercial motor vehicle safety;

(P) provides satisfactory assurances that the State will promote activities in support of national priorities and performance goals, including—

(i) activities aimed at removing impaired commercial motor vehicle drivers from the highways of the United States through adequate enforcement of regulations on the use of alcohol and controlled substances and by ensuring ready roadside access to alcohol detection and measuring equipment;

(ii) activities aimed at providing an appropriate level of training to State motor carrier safety assistance program officers and employees on recognizing drivers impaired by alcohol or controlled substances; and

(iii) interdiction activities affecting the transportation of controlled substances by commercial motor vehicle driv-

ers and training on appropriate strategies for carrying out those interdiction activities;

(Q) provides that the State will establish a program to ensure the proper and timely correction of commercial motor vehicle safety violations noted during an inspection carried out with funds authorized under section 31104;

(R) ¹ ensures that the State will cooperate in the enforcement of registration requirements under section 13902 and financial responsibility requirements under sections 13906, 31138, and 31139 and regulations issued thereunder;

(S) ensures consistent, effective, and reasonable sanctions; and

(T) ensures that roadside inspections will be conducted at a location that is adequate to protect the safety of drivers and enforcement personnel.

(2) If the Secretary disapproves a plan under this subsection, the Secretary shall give the State a written explanation and allow the State to modify and resubmit the plan for approval.

(3) In estimating the average level of State expenditure under paragraph (1)(D) of this subsection, the Secretary—

(A) may allow the State to exclude State expenditures for Government-sponsored demonstration or pilot programs; and

(B) shall require the State to exclude Government amounts and State matching amounts used to receive Government financing under subsection (a) of this section.

(c) USE OF GRANTS TO ENFORCE OTHER LAWS.—A State may use amounts received under a grant under subsection (a) of this section for the following activities if the activities are carried out in conjunction with an appropriate inspection of the commercial motor vehicle to enforce Government or State commercial motor vehicle safety regulations:

(1) enforcement of commercial motor vehicle size and weight limitations at locations other than fixed weight facilities, at specific locations such as steep grades or mountainous terrains where the weight of a commercial motor vehicle can significantly affect the safe operation of the vehicle, or at ports where intermodal shipping containers enter and leave the United States.

(2) detection of the unlawful presence of a controlled substance (as defined under section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802)) in a commercial motor vehicle or on the person of any occupant (including the operator) of the vehicle.

(3) enforcement of State traffic laws and regulations designed to promote the safe operation of commercial motor vehicles.

(d) CONTINUOUS EVALUATION OF PLANS.—On the basis of reports submitted by a State motor vehicle safety agency of a State with a plan approved under this section and the Secretary's own investigations, the Secretary shall make a continuing evaluation of the way the State is carrying out the plan. If the Secretary finds,

¹ Margin so in law.

after notice and opportunity for comment, the State plan previously approved is not being followed or has become inadequate to ensure enforcement of the regulations, standards, or orders, the Secretary shall withdraw approval of the plan and notify the State. The plan stops being effective when the notice is received. A State adversely affected by the withdrawal may seek judicial review under chapter 7 of title 5. Notwithstanding the withdrawal, the State may retain jurisdiction in administrative or judicial proceedings begun before the withdrawal if the issues involved are not related directly to the reasons for the withdrawal.

§ 31103. United States Government's share of costs

(a) **COMMERCIAL MOTOR VEHICLE SAFETY PROGRAMS AND ENFORCEMENT.**—The Secretary of Transportation shall reimburse a State, from a grant made under this subchapter, an amount that is not more than 80 percent of the costs incurred by the State in a fiscal year in developing and implementing programs to improve commercial motor vehicle safety and enforce commercial motor vehicle regulations, standards, or orders adopted under this subchapter or subchapter II of this chapter. In determining those costs, the Secretary shall include in-kind contributions by the State. Amounts of the State and its political subdivisions required to be expended under section 31102(b)(1)(D) of this title may not be included as part of the share not provided by the United States Government. The Secretary may allocate among the States whose applications for grants have been approved those amounts appropriated for grants to support those programs, under criteria that may be established.

(b) **OTHER ACTIVITIES.**—The Secretary may reimburse State agencies, local governments, or other persons up to 100 percent for public education activities authorized by section 31104(f)(2).

§ 31104. Availability of amounts

(a) **IN GENERAL.**—The following amounts are made available from the Highway Trust Fund (other than the Mass Transit Account) for the Secretary of Transportation to incur obligations to carry out section 31102:

- (1) Not more than \$79,000,000 for fiscal year 1998.
- (2) Not more than \$90,000,000 for fiscal year 1999.
- (3) Not more than \$95,000,000 for fiscal year 2000.
- (4) Not more than \$100,000,000 for fiscal year 2001.
- (5) Not more than \$105,000,000 for fiscal year 2002.
- (6) Not more than \$110,000,000 for fiscal year 2003.
- (7) Not more than \$98,352,000 for the period of October 1, 2003, through April 30, 2004.

(b) **AVAILABILITY AND REALLOCATION OF AMOUNTS.**—Amounts made available under subsection (a) of this section remain available until expended. Allocations to a State remain available for expenditure in the State for the fiscal year in which they are allocated and for the next fiscal year. Amounts not expended by a State during those 2 fiscal years are released to the Secretary for reallocation.

(c) **REIMBURSEMENT FOR GOVERNMENT'S SHARE OF COSTS.**—Amounts made available under subsection (a) of this section shall

be used to reimburse States proportionately for the United States Government's share of costs incurred.

(d) GRANTS AS CONTRACTUAL OBLIGATIONS.—Approval by the Secretary of a grant to a State under section 31102 of this title is a contractual obligation of the Government for payment of the Government's share of costs incurred by the State in developing, implementing, or developing and implementing programs to enforce commercial motor vehicle regulations, standards, and orders.

(e) DEDUCTION FOR ADMINISTRATIVE EXPENSES.—On October 1 of each fiscal year or as soon after that date as practicable, the Secretary may deduct, from amounts made available under subsection (a) of this section for that fiscal year, not more than 1.25 percent of those amounts for administrative expenses incurred in carrying out section 31102 of this title in that fiscal year. The Secretary shall use at least 75 percent of those deducted amounts to train non-Government employees and to develop related training materials in carrying out section 31102.

(f) ALLOCATION CRITERIA AND ELIGIBILITY.—

(1) IN GENERAL.—On October 1 of each fiscal year or as soon after that date as practicable and after making the deduction under subsection (e), the Secretary shall allocate amounts made available to carry out section 31102 for such fiscal year among the States with plans approved under section 31102. Such allocation shall be made under such criteria as the Secretary prescribes by regulation.

(2) HIGH-PRIORITY AND BORDER ACTIVITIES.—

(A) HIGH-PRIORITY ACTIVITIES AND PROJECTS.—The Secretary may designate up to 5 percent of amounts available for allocation under paragraph (1) for States, local governments, and other persons for carrying out high priority activities and projects that improve commercial motor vehicle safety and compliance with commercial motor vehicle safety regulations, including activities and projects that are national in scope, increase public awareness and education, or demonstrate new technologies. The amounts designated under this subparagraph shall be allocated by the Secretary to State agencies, local governments, and other persons that use and train qualified officers and employees in coordination with State motor vehicle safety agencies.

(B) BORDER COMMERCIAL MOTOR VEHICLE SAFETY AND ENFORCEMENT PROGRAMS.—The Secretary may designate up to 5 percent of amounts available for allocation under paragraph (1) for States, local governments, and other persons for carrying out border commercial motor vehicle safety programs and enforcement activities and projects. The amounts designated under this subparagraph shall be allocated by the Secretary to State agencies, local governments, and other persons that use and train qualified officers and employees in coordination with State motor vehicle safety agencies.

(g) PAYMENT TO STATES FOR COSTS.—Each State shall submit vouchers for costs the State incurs under this section and section 31102 of this title. The Secretary shall pay the State an amount

not more than the Government share of costs incurred as of the date of the vouchers.

(h) **INTRASTATE COMPATIBILITY.**—The Secretary shall prescribe regulations specifying tolerance guidelines and standards for ensuring compatibility of intrastate commercial motor vehicle safety laws and regulations with Government motor carrier safety regulations to be enforced under section 31102(a) of this title. To the extent practicable, the guidelines and standards shall allow for maximum flexibility while ensuring the degree of uniformity that will not diminish transportation safety. In reviewing State plans and allocating amounts or making grants under section 153 of title 23, the Secretary shall ensure that the guidelines and standards are applied uniformly.

§ 31105. Employee protections

(a) **PROHIBITIONS.**—(1) A person may not discharge an employee, or discipline or discriminate against an employee regarding pay, terms, or privileges of employment, because—

(A) the employee, or another person at the employee's request, has filed a complaint or begun a proceeding related to a violation of a commercial motor vehicle safety regulation, standard, or order, or has testified or will testify in such a proceeding; or

(B) the employee refuses to operate a vehicle because—

(i) the operation violates a regulation, standard, or order of the United States related to commercial motor vehicle safety or health; or

(ii) the employee has a reasonable apprehension of serious injury to the employee or the public because of the vehicle's unsafe condition.

(2) Under paragraph (1)(B)(ii) of this subsection, an employee's apprehension of serious injury is reasonable only if a reasonable individual in the circumstances then confronting the employee would conclude that the unsafe condition establishes a real danger of accident, injury, or serious impairment to health. To qualify for protection, the employee must have sought from the employer, and been unable to obtain, correction of the unsafe condition.

(b) **FILING COMPLAINTS AND PROCEDURES.**—(1) An employee alleging discharge, discipline, or discrimination in violation of subsection (a) of this section, or another person at the employee's request, may file a complaint with the Secretary of Labor not later than 180 days after the alleged violation occurred. On receiving the complaint, the Secretary shall notify the person alleged to have committed the violation of the filing of the complaint.

(2)(A) Not later than 60 days after receiving a complaint, the Secretary shall conduct an investigation, decide whether it is reasonable to believe the complaint has merit, and notify the complainant and the person alleged to have committed the violation of the findings. If the Secretary decides it is reasonable to believe a violation occurred, the Secretary shall include with the decision findings and a preliminary order for the relief provided under paragraph (3) of this subsection.

(B) Not later than 30 days after the notice under subparagraph (A) of this paragraph, the complainant and the person alleged to

have committed the violation may file objections to the findings or preliminary order, or both, and request a hearing on the record. The filing of objections does not stay a reinstatement ordered in the preliminary order. If a hearing is not requested within the 30 days, the preliminary order is final and not subject to judicial review.

(C) A hearing shall be conducted expeditiously. Not later than 120 days after the end of the hearing, the Secretary shall issue a final order. Before the final order is issued, the proceeding may be ended by a settlement agreement made by the Secretary, the complainant, and the person alleged to have committed the violation.

(3)(A) If the Secretary decides, on the basis of a complaint, a person violated subsection (a) of this section, the Secretary shall order the person to—

- (i) take affirmative action to abate the violation;
- (ii) reinstate the complainant to the former position with the same pay and terms and privileges of employment; and
- (iii) pay compensatory damages, including back pay.

(B) If the Secretary issues an order under subparagraph (A) of this paragraph and the complainant requests, the Secretary may assess against the person against whom the order is issued the costs (including attorney's fees) reasonably incurred by the complainant in bringing the complaint. The Secretary shall determine the costs that reasonably were incurred.

(c) JUDICIAL REVIEW AND VENUE.—A person adversely affected by an order issued after a hearing under subsection (b) of this section may file a petition for review, not later than 60 days after the order is issued, in the court of appeals of the United States for the circuit in which the violation occurred or the person resided on the date of the violation. The review shall be heard and decided expeditiously. An order of the Secretary subject to review under this subsection is not subject to judicial review in a criminal or other civil proceeding.

(d) CIVIL ACTIONS TO ENFORCE.—If a person fails to comply with an order issued under subsection (b) of this section, the Secretary shall bring a civil action to enforce the order in the district court of the United States for the judicial district in which the violation occurred.

§ 31106. Information systems

(a) INFORMATION SYSTEMS AND DATA ANALYSIS.—

(1) IN GENERAL.—Subject to the provisions of this section, the Secretary shall establish and operate motor carrier, commercial motor vehicle, and driver information systems and data analysis programs to support safety regulatory and enforcement activities required under this title.

(2) NETWORK COORDINATION.—In cooperation with the States, the information systems under this section shall be coordinated into a network providing accurate identification of motor carriers and drivers, commercial motor vehicle registration and license tracking, and motor carrier, commercial motor vehicle, and driver safety performance data.

(3) DATA ANALYSIS CAPACITY AND PROGRAMS.—The Secretary shall develop and maintain under this section data analysis capacity and programs that provide the means to—

- (A) identify and collect necessary motor carrier, commercial motor vehicle, and driver data;
- (B) evaluate the safety fitness of motor carriers and drivers;
- (C) develop strategies to mitigate safety problems and to use data analysis to address and measure the effectiveness of such strategies and related programs;
- (D) determine the cost-effectiveness of Federal and State safety compliance and enforcement programs and other countermeasures; and
- (E) adapt, improve, and incorporate other information and information systems as the Secretary determines appropriate.
- (4) STANDARDS.—To implement this section, the Secretary shall prescribe technical and operational standards to ensure—
- (A) uniform, timely, and accurate information collection and reporting by the States and other entities as determined appropriate by the Secretary;
- (B) uniform Federal, State, and local policies and procedures necessary to operate the information system; and
- (C) the reliability and availability of the information to the Secretary and States.
- (b) PERFORMANCE AND REGISTRATION INFORMATION PROGRAM.—
- (1) INFORMATION CLEARINGHOUSE.—The Secretary shall include, as part of the motor carrier information system authorized by this section, a program to establish and maintain a clearinghouse and repository of information related to State registration and licensing of commercial motor vehicles, the registrants of such vehicles, and the motor carriers operating such vehicles. The clearinghouse and repository may include information on the safety fitness of each of the motor carriers and registrants and other information the Secretary considers appropriate, including information on motor carrier, commercial motor vehicle, and driver safety performance.
- (2) DESIGN.—The program shall link Federal motor carrier safety information systems with State driver and commercial vehicle registration and licensing systems and shall be designed to enable a State to—
- (A) determine the safety fitness of a motor carrier or registrant when licensing or registering the registrant or motor carrier or while the license or registration is in effect; and
- (B) decide, in cooperation with the Secretary, whether and what types of sanctions or operating limitations to impose on the motor carrier or registrant to ensure safety.
- (3) CONDITIONS FOR PARTICIPATION.—The Secretary shall require States, as a condition of participation in the program, to—
- (A) comply with the uniform policies, procedures, and technical and operational standards prescribed by the Secretary under subsection (a)(4); and

(B) possess or seek authority to impose commercial motor vehicle registration sanctions on the basis of a Federal safety fitness determination.

(4) FUNDING.—The Secretary may make available up to 50 percent of the amounts available to carry out this section by section 31107 in each of fiscal years 1998, 1999, 2000, 2001, 2002, and 2003 to carry out this subsection. The Secretary is encouraged to direct no less than 80 percent of amounts made available to carry out this subsection to States that have not previously received financial assistance to develop or implement the information systems authorized by this section.

(c) COMMERCIAL MOTOR VEHICLE DRIVER SAFETY PROGRAM.—In coordination with the information system under section 31309, the Secretary is authorized to establish a program to improve commercial motor vehicle driver safety. The objectives of the program shall include—

(1) enhancing the exchange of driver licensing information among the States, the Federal Government, and foreign countries;

(2) providing information to the judicial system on commercial motor vehicle drivers;

(3) evaluating any aspect of driver performance that the Secretary determines appropriate; and

(4) developing appropriate strategies and countermeasures to improve driver safety.

(d) COOPERATIVE AGREEMENTS, GRANTS, AND CONTRACTS.—The Secretary may carry out this section either independently or in cooperation with other Federal departments, agencies, and instrumentalities, or by making grants to, and entering into contracts and cooperative agreements with, States, local governments, associations, institutions, corporations, and other persons.

(e) INFORMATION AVAILABILITY AND PRIVACY PROTECTION POLICY.—The Secretary shall develop a policy on making information available from the information systems authorized by this section and section 31309. The policy shall be consistent with existing Federal information laws, including regulations, and shall provide for review and correction of such information in a timely manner.

§ 31107. Contract authority funding for information systems

(a) FUNDING.—There shall be available from the Highway Trust Fund (other than the Mass Transit Account) to carry out sections 31106 and 31309 of this title—

(1) \$6,000,000 for fiscal year 1998;

(2) \$10,000,000 for each of fiscal years 1999 and 2000;

(3) \$12,000,000 for each of fiscal years 2001 through 2002;

(4) \$15,000,000 for fiscal year 2003; and

(5) \$11,639,000 for the period of October 1, 2003, through April 30, 2004.

The amounts made available under this subsection shall remain available until expended.

(b) CONTRACT AUTHORITY.—Approval by the Secretary of a grant with funds made available under this section imposes upon the United States Government a contractual obligation for payment

of the Government's share of costs incurred in carrying out the objectives of the grant.

(c) EMERGENCY CDL GRANTS.—From amounts made available by subsection (a) for a fiscal year, the Secretary of Transportation may make a grant of up to \$1,000,000 to a State whose commercial driver's license program may fail to meet the compliance requirements of section 31311(a).

§ 31108. Authorization of appropriations

Not more than \$———— may be appropriated to the Secretary of Transportation for the fiscal year ending September 30, 19—, to carry out the safety duties and powers of the Federal Highway Administration.

SUBCHAPTER II—LENGTH AND WIDTH LIMITATIONS

§ 31111. Length limitations

(a) DEFINITIONS.—In this section, the following definitions apply:

(1) AUTOMOBILE TRANSPORTER.—The term “automobile transporter” means any vehicle combination designed and used specifically for the transport of assembled highway vehicles, including truck camper units.

(2) MAXI-CUBE VEHICLE.—The term “maxi-cube vehicle” means a truck tractor combined with a semitrailer and a separable property-carrying unit designed to be loaded and unloaded through the semitrailer, with the length of the separable property-carrying unit being not more than 34 feet and the length of the vehicle combination being not more than 65 feet.

(3) TRUCK TRACTOR.—The term “truck tractor” means—

(A) a non-property-carrying power unit that operates in combination with a semitrailer or trailer; or

(B) a power unit that carries as property only motor vehicles when operating in combination with a semitrailer in transporting motor vehicles.

(b) GENERAL LIMITATIONS.—(1) Except as provided in this section, a State may not prescribe or enforce a regulation of commerce that—

(A) imposes a vehicle length limitation of less than 45 feet on a bus, of less than 48 feet on a semitrailer operating in a truck tractor-semitrailer combination, or of less than 28 feet on a semitrailer or trailer operating in a truck tractor-semitrailer-trailer combination, on any segment of the Dwight D. Eisenhower System of Interstate and Defense Highways (except a segment exempted under subsection (f) of this section) and those classes of qualifying Federal-aid Primary System highways designated by the Secretary of Transportation under subsection (e) of this section;

(B) imposes an overall length limitation on a commercial motor vehicle operating in a truck tractor-semitrailer or truck tractor-semitrailer-trailer combination;

(C) has the effect of prohibiting the use of a semitrailer or trailer of the same dimensions as those that were in actual and lawful use in that State on December 1, 1982;

(D) has the effect of prohibiting the use of an existing semitrailer or trailer, of not more than 28.5 feet in length, in a truck tractor-semitrailer-trailer combination if the semitrailer or trailer was operating lawfully on December 1, 1982, within a 65-foot overall length limit in any State; or

(E) imposes a limitation of less than 46 feet on the distance from the kingpin to the center of the rear axle on trailers used exclusively or primarily in connection with motorsports competition events.

(2) A length limitation prescribed or enforced by a State under paragraph (1)(A) of this subsection applies only to a semitrailer or trailer and not to a truck tractor.

(c) **MAXI-CUBE AND VEHICLE COMBINATION LIMITATIONS.**—A State may not prohibit a maxi-cube vehicle or a commercial motor vehicle combination consisting of a truck tractor and 2 trailing units on any segment of the Dwight D. Eisenhower System of Interstate and Defense Highways (except a segment exempted under subsection (f) of this section) and those classes of qualifying Federal-aid Primary System highways designated by the Secretary under subsection (e) of this section.

(d) **EXCLUSION OF SAFETY AND ENERGY CONSERVATION DEVICES.**—Length calculated under this section does not include a safety or energy conservation device the Secretary decides is necessary for safe and efficient operation of a commercial motor vehicle. However, such a device may not have by its design or use the ability to carry cargo.

(e) **QUALIFYING HIGHWAYS.**—The Secretary by regulation shall designate as qualifying Federal-aid Primary System highways those highways of the Federal-aid Primary System in existence on June 1, 1991, that can accommodate safely the applicable vehicle lengths provided in this section.

(f) **EXEMPTIONS.**—(1) If the chief executive officer of a State, after consulting under paragraph (2) of this subsection, decides a segment of the Dwight D. Eisenhower System of Interstate and Defense Highways is not capable of safely accommodating a commercial motor vehicle having a length described in subsection (b)(1)(A) of this section or the motor vehicle combination described in subsection (c) of this section, the chief executive officer may notify the Secretary of that decision and request the Secretary to exempt that segment from either or both provisions.

(2) Before making a decision under paragraph (1) of this subsection, the chief executive officer shall consult with units of local government in the State in which the segment of the Dwight D. Eisenhower System of Interstate and Defense Highways is located and with the chief executive officer of any adjacent State that may be directly affected by the exemption. As part of the consultations, consideration shall be given to any potential alternative route that serves the area in which the segment is located and can safely accommodate a commercial motor vehicle having a length described in subsection (b)(1)(A) of this section or the motor vehicle combination described in subsection (c) of this section.

(3) A chief executive officer's notification under this subsection must include specific evidence of safety problems supporting the officer's decision and the results of consultations about alternative routes.

(4)(A) If the Secretary decides, on request of a chief executive officer or on the Secretary's own initiative, a segment of the Dwight D. Eisenhower System of Interstate and Defense Highways is not capable of safely accommodating a commercial motor vehicle having a length described in subsection (b)(1)(A) of this section or the motor vehicle combination described in subsection (c) of this section, the Secretary shall exempt the segment from either or both of those provisions. Before making a decision under this paragraph, the Secretary shall consider any possible alternative route that serves the area in which the segment is located.

(B) The Secretary shall make a decision about a specific segment not later than 120 days after the date of receipt of notification from a chief executive officer under paragraph (1) of this subsection or the date on which the Secretary initiates action under subparagraph (A) of this paragraph, whichever is applicable. If the Secretary finds the decision will not be made in time, the Secretary immediately shall notify Congress, giving the reasons for the delay, information about the resources assigned, and the projected date for the decision.

(C) Before making a decision, the Secretary shall give an interested person notice and an opportunity for comment. If the Secretary exempts a segment under this subsection before the final regulations under subsection (e) of this section are prescribed, the Secretary shall include the exemption as part of the final regulations. If the Secretary exempts the segment after the final regulations are prescribed, the Secretary shall publish the exemption as an amendment to the final regulations.

(g) ACCOMMODATING SPECIALIZED EQUIPMENT.—In prescribing regulations to carry out this section, the Secretary may make decisions necessary to accommodate specialized equipment, including automobile and vessel transporters and maxi-cube vehicles.

§ 31112. Property-carrying unit limitation

(a) DEFINITIONS.—In this section—

(1) "property-carrying unit" means any part of a commercial motor vehicle combination (except the truck tractor) used to carry property, including a trailer, a semitrailer, or the property-carrying section of a single unit truck.

(2) the length of the property-carrying units of a commercial motor vehicle combination is the length measured from the front of the first property-carrying unit to the rear of the last property-carrying unit.

(b) GENERAL LIMITATIONS.—A State may not allow by any means the operation, on any segment of the Dwight D. Eisenhower System of Interstate and Defense Highways and those classes of qualifying Federal-aid Primary System highways designated by the Secretary of Transportation under section 31111(e) of this title, of any commercial motor vehicle combination (except a vehicle or load that cannot be dismantled easily or divided easily and that has been issued a special permit under applicable State law) with more

than one property-carrying unit (not including the truck tractor) whose property-carrying units are more than—

(1) the maximum combination trailer, semitrailer, or other type of length limitation allowed by law or regulation of that State before June 2, 1991; or

(2) the length of the property-carrying units of those commercial motor vehicle combinations, by specific configuration, in actual, lawful operation on a regular or periodic basis (including continuing seasonal operation) in that State before June 2, 1991.

(c) SPECIAL RULES FOR WYOMING, OHIO, ALASKA, AND IOWA.—In addition to the vehicles allowed under subsection (b) of this section—

(1) Wyoming may allow the operation of additional vehicle configurations not in actual operation on June 1, 1991, but authorized by State law not later than November 3, 1992, if the vehicle configurations comply with the single axle, tandem axle, and bridge formula limits in section 127(a) of title 23 and are not more than 117,000 pounds gross vehicle weight;

(2) Ohio may allow the operation of commercial motor vehicle combinations with 3 property-carrying units of 28.5 feet each (not including the truck tractor) not in actual operation on June 1, 1991, to be operated in Ohio on the 1-mile segment of Ohio State Route 7 that begins at and is south of exit 16 of the Ohio Turnpike;

(3) Alaska may allow the operation of commercial motor vehicle combinations that were not in actual operation on June 1, 1991, but were in actual operation before July 6, 1991; and

(4) Iowa may allow the operation on Interstate Route 29 between Sioux City, Iowa, and the border between Iowa and South Dakota or on Interstate Route 129 between Sioux City, Iowa, and the border between Iowa and Nebraska of commercial motor vehicle combinations with trailer length, semitrailer length, and property-carrying unit length allowed by law or regulation and in actual lawful operation on a regular or periodic basis (including continued seasonal operation) in South Dakota or Nebraska, respectively, before June 2, 1991.

(d) ADDITIONAL LIMITATIONS.—(1) A commercial motor vehicle combination whose operation in a State is not prohibited under subsections (b) and (c) of this section may continue to operate in the State on highways described in subsection (b) only if at least in compliance with all State laws, regulations, limitations, and conditions, including routing-specific and configuration-specific designations and all other restrictions in force in the State on June 1, 1991. However, subject to regulations prescribed by the Secretary under subsection (g)(2) of this section, the State may make minor adjustments of a temporary and emergency nature to route designations and vehicle operating restrictions in effect on June 1, 1991, for specific safety purposes and road construction.

(2) This section does not prevent a State from further restricting in any way or prohibiting the operation of any commercial motor vehicle combination subject to this section, except that a restriction or prohibition shall be consistent with this section and sections 31113(a) and (b) and 31114 of this title.

(3) A State making a minor adjustment of a temporary and emergency nature as authorized by paragraph (1) of this subsection or further restricting or prohibiting the operation of a commercial motor vehicle combination as authorized by paragraph (2) of this subsection shall advise the Secretary not later than 30 days after the action. The Secretary shall publish a notice of the action in the Federal Register.

(4) Nebraska may continue to allow to be operated under paragraphs (b)(1) and (b)(2) of this section, the State of Nebraska may allow longer combination vehicles that were not in actual operation on June 1, 1991 to be operated within its boundaries to transport sugar beets from the field where such sugar beets are harvested to storage, market, factory or stockpile or from stockpile to storage, market or factory. This provision shall expire on February 28, 1998.¹

(e) LIST OF STATE LENGTH LIMITATIONS.—(1) Not later than February 16, 1992, each State shall submit to the Secretary for publication a complete list of State length limitations applicable to commercial motor vehicle combinations operating in the State on the highways described in subsection (b) of this section. The list shall indicate the applicable State laws and regulations associated with the length limitations. If a State does not submit the information as required, the Secretary shall complete and file the information for the State.

(2) Not later than March 17, 1992, the Secretary shall publish an interim list in the Federal Register consisting of all information submitted under paragraph (1) of this subsection. The Secretary shall review for accuracy all information submitted by a State under paragraph (1) and shall solicit and consider public comment on the accuracy of the information.

(3) A law or regulation may not be included on the list submitted by a State or published by the Secretary merely because it authorized, or could have authorized, by permit or otherwise, the operation of commercial motor vehicle combinations not in actual operation on a regular or periodic basis before June 2, 1991.

(4) Except as revised under this paragraph or paragraph (5) of this subsection, the list shall be published as final in the Federal Register not later than June 15, 1992. In publishing the final list, the Secretary shall make any revisions necessary to correct inaccuracies identified under paragraph (2) of this subsection. After publication of the final list, commercial motor vehicle combinations prohibited under subsection (b) of this section may not operate on the Dwight D. Eisenhower System of Interstate and Defense Highways and other Federal-aid Primary System highways designated by the Secretary except as published on the list. The list may be combined by the Secretary with the list required under section 127(d) of title 23.

(5) On the Secretary's own motion or on request by any person (including a State), the Secretary shall review the list published

¹So in law. Section 352 of P.L. 104-205 (110 Stat. 2980) stated "49 U.S.C. 31112 is amended by adding the following new subsection:". The amendment is executed in this subsection to reflect the probable intent of Congress. Section 343 of P.L. 105-66 (111 Stat. 1449) amended "subsection (d)(4) of 49 U.S.C. 31112" by striking "September 30, 1997" and inserting "February 28, 1998".

under paragraph (4) of this subsection. If the Secretary decides there is reason to believe a mistake was made in the accuracy of the list, the Secretary shall begin a proceeding to decide whether a mistake was made. If the Secretary decides there was a mistake, the Secretary shall publish the correction.

(f) LIMITATIONS ON STATUTORY CONSTRUCTION.—This section may not be construed—

(1) to allow the operation on any segment of the Dwight D. Eisenhower System of Interstate and Defense Highways of a longer combination vehicle prohibited under section 127(d) of title 23;

(2) to affect in any way the operation of a commercial motor vehicle having only one property-carrying unit; or

(3) to affect in any way the operation in a State of a commercial motor vehicle with more than one property-carrying unit if the vehicle was in actual operation on a regular or periodic basis (including seasonal operation) in that State before June 2, 1991, that was authorized under State law or regulation or lawful State permit.

(g) REGULATIONS.—(1) In carrying out this section only, the Secretary shall define by regulation loads that cannot be dismantled easily or divided easily.

(2) Not later than June 15, 1992, the Secretary shall prescribe regulations establishing criteria for a State to follow in making minor adjustments under subsection (d) of this section.

§ 31113. Width limitations

(a) GENERAL LIMITATIONS.—(1) Except as provided in subsection (e) of this section, a State (except Hawaii) may not prescribe or enforce a regulation of commerce that imposes a vehicle width limitation of more or less than 102 inches on a commercial motor vehicle operating on—

(A) a segment of the Dwight D. Eisenhower System of Interstate and Defense Highways (except a segment exempted under subsection (e) of this section);

(B) a qualifying Federal-aid highway designated by the Secretary of Transportation, with traffic lanes designed to be at least 12 feet wide; or

(C) a qualifying Federal-aid Primary System highway designated by the Secretary if the Secretary decides the designation is consistent with highway safety.

(2) Notwithstanding paragraph (1) of this subsection, a State may continue to enforce a regulation of commerce in effect on April 6, 1983, that applies to a commercial motor vehicle of more than 102 inches in width, until the date on which the State prescribes a regulation of commerce that complies with this subsection.

(3) A Federal-aid highway (except an interstate highway) not designated under this subsection on June 5, 1984, may be designated under this subsection only with the agreement of the chief executive officer of the State in which the highway is located.

(b) EXCLUSION OF SAFETY AND ENERGY CONSERVATION DEVICES.—Width calculated under this section does not include a safety or energy conservation device the Secretary decides is necessary for safe and efficient operation of a commercial motor vehicle.

(c) SPECIAL USE PERMITS.—A State may grant a special use permit to a commercial motor vehicle that is more than 102 inches in width.

(d) STATE ENFORCEMENT.—Consistent with this section, a State may enforce a commercial motor vehicle width limitation of 102 inches on a segment of the Dwight D. Eisenhower System of Interstate and Defense Highways (except a segment exempted under subsection (e) of this section) or other qualifying Federal-aid highway designated by the Secretary.

(e) EXEMPTIONS.—(1) If the chief executive officer of a State, after consulting under paragraph (2) of this subsection, decides a segment of the Dwight D. Eisenhower System of Interstate and Defense Highways is not capable of safely accommodating a commercial motor vehicle having the width provided in subsection (a) of this section, the chief executive officer may notify the Secretary of that decision and request the Secretary to exempt that segment from subsection (a) to allow the State to impose a width limitation of less than 102 inches for a vehicle (except a bus) on that segment.

(2) Before making a decision under paragraph (1) of this subsection, the chief executive officer shall consult with units of local government in the State in which the segment of the Dwight D. Eisenhower System of Interstate and Defense Highways is located and with the chief executive officer of any adjacent State that may be directly affected by the exemption. As part of the consultations, consideration shall be given to any potential alternative route that serves the area in which the segment is located and can safely accommodate a commercial motor vehicle having the width provided for in subsection (a) of this section.

(3) A chief executive officer's notification under this subsection must include specific evidence of safety problems supporting the officer's decision and the results of consultations about alternative routes.

(4)(A) If the Secretary decides, on request of a chief executive officer or on the Secretary's own initiative, a segment of the Dwight D. Eisenhower System of Interstate and Defense Highways is not capable of safely accommodating a commercial motor vehicle having a width provided in subsection (a) of this section, the Secretary shall exempt the segment from subsection (a) to allow the State to impose a width limitation of less than 102 inches for a vehicle (except a bus) on that segment. Before making a decision under this paragraph, the Secretary shall consider any possible alternative route that serves the area in which the segment is located.

(B) The Secretary shall make a decision about a specific segment not later than 120 days after the date of receipt of notification from a chief executive officer under paragraph (1) of this subsection or the date on which the Secretary initiates action under subparagraph (A) of this paragraph, whichever is applicable. If the Secretary finds the decision will not be made in time, the Secretary immediately shall notify Congress, giving the reasons for the delay, information about the resources assigned, and the projected date for the decision.

(C) Before making a decision, the Secretary shall give an interested person notice and an opportunity for comment. If the Secretary exempts a segment under this subsection before the final

regulations under subsection (a) of this section are prescribed, the Secretary shall include the exemption as part of the final regulations. If the Secretary exempts the segment after the final regulations are prescribed, the Secretary shall publish the exemption as an amendment to the final regulations.

§ 31114. Access to the Interstate System

(a) PROHIBITION ON DENYING ACCESS.—A State may not enact or enforce a law denying to a commercial motor vehicle subject to this subchapter or subchapter I of this chapter reasonable access between—

(1) the Dwight D. Eisenhower System of Interstate and Defense Highways (except a segment exempted under section 31111(f) or 31113(e) of this title) and other qualifying Federal-aid Primary System highways designated by the Secretary of Transportation; and

(2) terminals, facilities for food, fuel, repairs, and rest, and points of loading and unloading for household goods carriers, motor carriers of passengers, or any truck tractor-semitrailer combination in which the semitrailer has a length of not more than 28.5 feet and that generally operates as part of a vehicle combination described in section 31111(c) of this title.

(b) EXCEPTION.—This section does not prevent a State or local government from imposing reasonable restrictions, based on safety considerations, on a truck tractor-semitrailer combination in which the semitrailer has a length of not more than 28.5 feet and that generally operates as part of a vehicle combination described in section 31111(c) of this title.

§ 31115. Enforcement

On the request of the Secretary of Transportation, the Attorney General shall bring a civil action for appropriate injunctive relief to ensure compliance with this subchapter or subchapter I of this chapter. The action may be brought in a district court of the United States in any State in which the relief is required. On a proper showing, the court shall issue a temporary restraining order or preliminary or permanent injunction. An injunction under this section may order a State or person to comply with this subchapter, subchapter I, or a regulation prescribed under this subchapter or subchapter I.

SUBCHAPTER III—SAFETY REGULATION

§ 31131. Purposes and findings

(a) PURPOSES.—The purposes of this subchapter are—

(1) to promote the safe operation of commercial motor vehicles;

(2) to minimize dangers to the health of operators of commercial motor vehicles and other employees whose employment directly affects motor carrier safety; and

(3) to ensure increased compliance with traffic laws and with the commercial motor vehicle safety and health regulations and standards prescribed and orders issued under this chapter.

(b) FINDINGS.—Congress finds—

(1) it is in the public interest to enhance commercial motor vehicle safety and thereby reduce highway fatalities, injuries, and property damage;

(2) improved, more uniform commercial motor vehicle safety measures and strengthened enforcement would reduce the number of fatalities and injuries and the level of property damage related to commercial motor vehicle operations;

(3) enhanced protection of the health of commercial motor vehicle operators is in the public interest; and

(4) interested State governments can provide valuable assistance to the United States Government in ensuring that commercial motor vehicle operations are conducted safely and healthfully.

§ 31132. Definitions

In this subchapter—

(1) “commercial motor vehicle” means a self-propelled or towed vehicle used on the highways in interstate commerce to transport passengers or property, if the vehicle—

(A) has a gross vehicle weight rating or gross vehicle weight of at least 10,001 pounds, whichever is greater;

(B) is designed or used to transport more than 8 passengers (including the driver) for compensation;¹

(C) is designed or used to transport more than 15 passengers, including the driver, and is not used to transport passengers for compensation; or

(D) is used in transporting material found by the Secretary of Transportation to be hazardous under section 5103 of this title and transported in a quantity requiring placarding under regulations prescribed by the Secretary under section 5103.

(2) “employee” means an operator of a commercial motor vehicle (including an independent contractor when operating a commercial motor vehicle), a mechanic, a freight handler, or an individual not an employer, who—

(A) directly affects commercial motor vehicle safety in the course of employment; and

(B) is not an employee of the United States Government, a State, or a political subdivision of a State acting in the course of the employment by the Government, a State, or a political subdivision of a State.

(3) “employer”—

(A) means a person engaged in a business affecting interstate commerce that owns or leases a commercial motor vehicle in connection with that business, or assigns an employee to operate it; but

(B) does not include the Government, a State, or a political subdivision of a State.

¹Section 4008(a)(2) of the Transportation Equity Act for the 21st Century (P.L. 105-178) amended this subparagraph by striking “passengers” and all that follows through the semicolon at the end and inserting “more than 8 passengers (including the driver) for compensation;”. The word “passengers” was struck the first occurrence of such word to reflect the probable intent of Congress.

(4) “interstate commerce” means trade, traffic, or transportation in the United States between a place in a State and—

(A) a place outside that State (including a place outside the United States); or

(B) another place in the same State through another State or through a place outside the United States.

(5) “intrastate commerce” means trade, traffic, or transportation in a State that is not interstate commerce.

(6) “regulation” includes a standard or order.

(7) “State” means a State of the United States, the District of Columbia, and, in sections 31136 and 31140–31142 of this title, a political subdivision of a State.

(8) “State law” includes a law enacted by a political subdivision of a State.

(9) “State regulation” includes a regulation prescribed by a political subdivision of a State.

(10) “United States” means the States of the United States and the District of Columbia.

§ 31133. General powers of the Secretary of Transportation

(a) GENERAL.—In carrying out this subchapter and regulations prescribed under section 31102 of this title, the Secretary of Transportation may—

(1) conduct and make contracts for inspections and investigations;

(2) compile statistics;

(3) make reports;

(4) issue subpoenas;

(5) require production of records and property;

(6) take depositions;

(7) hold hearings;

(8) prescribe recordkeeping and reporting requirements;

(9) conduct or make contracts for studies, development, testing, evaluation, and training; and

(10) perform other acts the Secretary considers appropriate.

(b) CONSULTATION.—In conducting inspections and investigations under subsection (a) of this section, the Secretary shall consult, as appropriate, with employers and employees and their authorized representatives and offer them a right of accompaniment.

(c) DELEGATION.—The Secretary may delegate to a State receiving a grant under section 31102 of this title those duties and powers related to enforcement (including conducting investigations) of this subchapter and regulations prescribed under this subchapter that the Secretary considers appropriate.

[Section 31134—repealed by P.L. 105–178]

§ 31135. Duties of employers and employees

Each employer and employee shall comply with regulations on commercial motor vehicle safety prescribed by the Secretary of Transportation under this subchapter that apply to the employer’s or employee’s conduct.

§ 31136. United States Government regulations

(a) **MINIMUM SAFETY STANDARDS.**—Subject to section 30103(a) of this title, the Secretary of Transportation shall prescribe regulations on commercial motor vehicle safety. The regulations shall prescribe minimum safety standards for commercial motor vehicles. At a minimum, the regulations shall ensure that—

(1) commercial motor vehicles are maintained, equipped, loaded, and operated safely;

(2) the responsibilities imposed on operators of commercial motor vehicles do not impair their ability to operate the vehicles safely;

(3) the physical condition of operators of commercial motor vehicles is adequate to enable them to operate the vehicles safely; and

(4) the operation of commercial motor vehicles does not have a deleterious effect on the physical condition of the operators.

(b) **ELIMINATING AND AMENDING EXISTING REGULATIONS.**—The Secretary may not eliminate or amend an existing motor carrier safety regulation related only to the maintenance, equipment, loading, or operation (including routing) of vehicles carrying material found to be hazardous under section 5103 of this title until an equivalent or more stringent regulation has been prescribed under section 5103.

(c) **PROCEDURES AND CONSIDERATIONS.**—(1) A regulation under this section shall be prescribed under section 553 of title 5 (without regard to sections 556 and 557 of title 5).

(2) Before prescribing regulations under this section, the Secretary shall consider, to the extent practicable and consistent with the purposes of this chapter—

(A) costs and benefits; and

(B) State laws and regulations on commercial motor vehicle safety, to minimize their unnecessary preemption.

(d) **EFFECT OF EXISTING REGULATIONS.**—If the Secretary does not prescribe regulations on commercial motor vehicle safety under this section, regulations on commercial motor vehicle safety prescribed by the Secretary before October 30, 1984, and in effect on October 30, 1984, shall be deemed in this subchapter to be regulations prescribed by the Secretary under this section.

(e) **EXEMPTIONS.**—The Secretary may grant in accordance with section 31315 waivers and exemptions from, or conduct pilot programs with respect to, any regulations prescribed under this section.

(f) **LIMITATIONS ON MUNICIPALITY AND COMMERCIAL ZONE EXEMPTIONS AND WAIVERS.**—(1) The Secretary may not—

(A) exempt a person or commercial motor vehicle from a regulation related to commercial motor vehicle safety only because the operations of the person or vehicle are entirely in a municipality or commercial zone of a municipality; or

(B) waive application to a person or commercial motor vehicle of a regulation related to commercial motor vehicle safety only because the operations of the person or vehicle are entirely in a municipality or commercial zone of a municipality.

(2) If a person was authorized to operate a commercial motor vehicle in a municipality or commercial zone of a municipality in the United States for the entire period from November 19, 1987, through November 18, 1988, and if the person is otherwise qualified to operate a commercial motor vehicle, the person may operate a commercial motor vehicle entirely in a municipality or commercial zone of a municipality notwithstanding—

- (A) paragraph (1) of this subsection;
- (B) a minimum age requirement of the United States Government for operation of the vehicle; and
- (C) a medical or physical condition that—
 - (i) would prevent an operator from operating a commercial motor vehicle under the commercial motor vehicle safety regulations in title 49, Code of Federal Regulations;
 - (ii) existed on July 1, 1988;
 - (iii) has not substantially worsened; and
 - (iv) does not involve alcohol or drug abuse.

(3) This subsection does not affect a State commercial motor vehicle safety law applicable to intrastate commerce.

§ 31137. Monitoring device and brake maintenance regulations

(a) USE OF MONITORING DEVICES.—If the Secretary of Transportation prescribes a regulation about the use of monitoring devices on commercial motor vehicles to increase compliance by operators of the vehicles with hours of service regulations of the Secretary, the regulation shall ensure that the devices are not used to harass vehicle operators. However, the devices may be used to monitor productivity of the operators.

(b) BRAKES AND BRAKE SYSTEMS MAINTENANCE REGULATIONS.—Not later than December 31, 1990, the Secretary shall prescribe regulations on improved standards or methods to ensure that brakes and brake systems of commercial motor vehicles are maintained properly and inspected by appropriate employees. At a minimum, the regulations shall establish minimum training requirements and qualifications for employees responsible for maintaining and inspecting the brakes and brake systems.

§ 31138. Minimum financial responsibility for transporting passengers

(a) GENERAL REQUIREMENT.—The Secretary of Transportation shall prescribe regulations to require minimum levels of financial responsibility sufficient to satisfy liability amounts established by the Secretary covering public liability and property damage for the transportation of passengers for compensation by motor vehicle in the United States between a place in a State and—

- (1) a place in another State;
- (2) another place in the same State through a place outside of that State; or
- (3) a place outside the United States.

(b) MINIMUM AMOUNTS.—The level of financial responsibility established under subsection (a) of this section for a motor vehicle with a seating capacity of—

- (1) at least 16 passengers shall be at least \$5,000,000; and

(2) not more than 15 passengers shall be at least \$1,500,000.

(c) EVIDENCE OF FINANCIAL RESPONSIBILITY.—(1) Subject to paragraph (2) of this subsection, financial responsibility may be established by evidence of one or a combination of the following if acceptable to the Secretary of Transportation:

(A) insurance, including high self-retention.

(B) a guarantee.

(C) a surety bond issued by a bonding company authorized to do business in the United States.

(2) A person domiciled in a country contiguous to the United States and providing transportation to which a minimum level of financial responsibility under this section applies shall have evidence of financial responsibility in the motor vehicle when the person is providing the transportation. If evidence of financial responsibility is not in the vehicle, the Secretary of Transportation and the Secretary of the Treasury shall deny entry of the vehicle into the United States.

(3) A motor carrier may obtain the required amount of financial responsibility from more than one source provided the cumulative amount is equal to the minimum requirements of this section.

(d) CIVIL PENALTY.—(1) If, after notice and an opportunity for a hearing, the Secretary of Transportation finds that a person (except an employee acting without knowledge) has knowingly violated this section or a regulation prescribed under this section, the person is liable to the United States Government for a civil penalty of not more than \$10,000 for each violation. A separate violation occurs for each day the violation continues.

(2) The Secretary of Transportation shall impose the penalty by written notice. In determining the amount of the penalty, the Secretary shall consider—

(A) the nature, circumstances, extent, and gravity of the violation;

(B) with respect to the violator, the degree of culpability, any history of prior violations, the ability to pay, and any effect on the ability to continue doing business; and

(C) other matters that justice requires.

(3) The Secretary of Transportation may compromise the penalty before referring the matter to the Attorney General for collection.

(4) The Attorney General shall bring a civil action in an appropriate district court of the United States to collect a penalty referred to the Attorney General for collection under this subsection.

(5) The amount of the penalty may be deducted from amounts the Government owes the person. An amount collected under this section shall be deposited in the Treasury as miscellaneous receipts.

(e) NONAPPLICATION.—This section does not apply to a motor vehicle—

(1) transporting only school children and teachers to or from school;

(2) providing taxicab service (as defined in section 13102);

(3) carrying not more than 15 individuals in a single, daily round trip to and from work; or

(4) providing transportation service within a transit service area under an agreement with a Federal, State, or local government funded, in whole or in part, with a grant under section 5307, 5310, or 5311, including transportation designed and carried out to meet the special needs of elderly individuals and individuals with disabilities; except that, in any case in which the transit service area is located in more than 1 State, the minimum level of financial responsibility for such motor vehicle will be at least the highest level required for any of such States.

§31139. Minimum financial responsibility for transporting property

(a) DEFINITIONS.—In this section—

(1) “farm vehicle” means a vehicle—

(A) designed or adapted and used only for agriculture;

(B) operated by a motor private carrier (as defined in section 10102 of this title); and

(C) operated only incidentally on highways.

(2) “interstate commerce” includes transportation between a place in a State and a place outside the United States, to the extent the transportation is in the United States.

(3) “State” means a State of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, American Samoa, Guam, and the Northern Mariana Islands.

(b) GENERAL REQUIREMENT AND MINIMUM AMOUNT.—(1) The Secretary of Transportation shall prescribe regulations to require minimum levels of financial responsibility sufficient to satisfy liability amounts established by the Secretary covering public liability, property damage, and environmental restoration for the transportation of property for compensation by motor vehicle in the United States between a place in a State and—

(A) a place in another State;

(B) another place in the same State through a place outside of that State; or

(C) a place outside the United States.

(2) The level of financial responsibility established under paragraph (1) of this subsection shall be at least \$750,000.

(c) REQUIREMENTS FOR HAZARDOUS MATTER AND OIL.—(1) The Secretary of Transportation shall prescribe regulations to require minimum levels of financial responsibility sufficient to satisfy liability amounts established by the Secretary covering public liability, property damage, and environmental restoration for the transportation by motor vehicle in interstate or intrastate commerce of—

(A) hazardous material (as defined by the Secretary);

(B) oil or hazardous substances (as defined by the Administrator of the Environmental Protection Agency); or

(C) hazardous wastes (as defined by the Administrator).

(2)(A) Except as provided in subparagraph (B) of this paragraph, the level of financial responsibility established under paragraph (1) of this subsection shall be at least \$5,000,000 for the transportation—

(i) of hazardous substances (as defined by the Administrator) in cargo tanks, portable tanks, or hopper-type vehicles, with capacities of more than 3,500 water gallons;

(ii) in bulk of class A explosives, poison gas, liquefied gas, or compressed gas; or

(iii) of large quantities of radioactive material.

(B) The Secretary of Transportation by regulation may reduce the minimum level in subparagraph (A) of this paragraph (to an amount not less than \$1,000,000) for transportation described in subparagraph (A) in any of the territories of Puerto Rico, the Virgin Islands, American Samoa, Guam, and the Northern Mariana Islands if—

(i) the chief executive officer of the territory requests the reduction;

(ii) the reduction will prevent a serious disruption in transportation service and will not adversely affect public safety; and

(iii) insurance of \$5,000,000 is not readily available.

(3) The level of financial responsibility established under paragraph (1) of this subsection for the transportation of a material, oil, substance, or waste not subject to paragraph (2) of this subsection shall be at least \$1,000,000. However, if the Secretary of Transportation finds it will not adversely affect public safety, the Secretary by regulation may reduce the amount for—

(A) a class of vehicles transporting such a material, oil, substance, or waste in intrastate commerce (except in bulk); and

(B) a farm vehicle transporting such a material or substance in interstate commerce (except in bulk).

(d) FOREIGN MOTOR CARRIERS AND PRIVATE CARRIERS.—Regulations prescribed under this section may allow foreign motor carriers and foreign motor private carriers (as those terms are defined in section 10530 of this title) providing transportation of property under a certificate of registration issued under section 10530 to meet the minimum levels of financial responsibility under this section only when those carriers are providing transportation for property in the United States.

(e) EVIDENCE OF FINANCIAL RESPONSIBILITY.—(1) Subject to paragraph (2) of this subsection, financial responsibility may be established by evidence of one or a combination of the following if acceptable to the Secretary of Transportation:

(A) insurance.

(B) a guarantee.

(C) a surety bond issued by a bonding company authorized to do business in the United States.

(D) qualification as a self-insurer.

(2) A person domiciled in a country contiguous to the United States and providing transportation to which a minimum level of financial responsibility under this section applies shall have evidence of financial responsibility in the motor vehicle when the person is providing the transportation. If evidence of financial responsibility is not in the vehicle, the Secretary of Transportation and the Secretary of the Treasury shall deny entry of the vehicle into the United States.

(3) A motor carrier may obtain the required amount of financial responsibility from more than one source provided the cumulative amount is equal to the minimum requirements of this section.

(f) CIVIL PENALTY.—(1) If, after notice and an opportunity for a hearing, the Secretary of Transportation finds that a person (except an employee acting without knowledge) has knowingly violated this section or a regulation prescribed under this section, the person is liable to the United States Government for a civil penalty of not more than \$10,000 for each violation. A separate violation occurs for each day the violation continues.

(2) The Secretary of Transportation shall impose the penalty by written notice. In determining the amount of the penalty, the Secretary shall consider—

(A) the nature, circumstances, extent, and gravity of the violation;

(B) with respect to the violator, the degree of culpability, any history of prior violations, the ability to pay, and any effect on the ability to continue doing business; and

(C) other matters that justice requires.

(3) The Secretary of Transportation may compromise the penalty before referring the matter to the Attorney General for collection.

(4) The Attorney General shall bring a civil action in an appropriate district court of the United States to collect a penalty referred to the Attorney General for collection under this subsection.

(5) The amount of the penalty may be deducted from amounts the Government owes the person. An amount collected under this section shall be deposited in the Treasury as miscellaneous receipts.

(g) NONAPPLICATION.—This section does not apply to a motor vehicle having a gross vehicle weight rating of less than 10,000 pounds if the vehicle is not used to transport in interstate or foreign commerce—

(1) class A or B explosives;

(2) poison gas; or

(3) a large quantity of radioactive material.

【Section 31140—repealed by P.L. 105–178】

§ 31141. Review and preemption of State laws and regulations

(a) PREEMPTION AFTER DECISION.—A State may not enforce a State law or regulation on commercial motor vehicle safety that the Secretary of Transportation decides under this section may not be enforced.

(b) SUBMISSION OF REGULATION.—A State receiving funds made available under section 31104 that enacts a State law or issues a regulation on commercial motor vehicle safety shall submit a copy of the law or regulation to the Secretary immediately after the enactment or issuance.

(c) REVIEW AND DECISIONS BY SECRETARY.—

(1) REVIEW.—The Secretary shall review State laws and regulations on commercial motor vehicle safety. The Secretary shall decide whether the State law or regulation—

- (A) has the same effect as a regulation prescribed by the Secretary under section 31136;
- (B) is less stringent than such regulation; or
- (C) is additional to or more stringent than such regulation.
- (2) REGULATIONS WITH SAME EFFECT.—If the Secretary decides a State law or regulation has the same effect as a regulation prescribed by the Secretary under section 31136 of this title, the State law or regulation may be enforced.
- (3) LESS STRINGENT REGULATIONS.—If the Secretary decides a State law or regulation is less stringent than a regulation prescribed by the Secretary under section 31136 of this title, the State law or regulation may not be enforced.
- (4) ADDITIONAL OR MORE STRINGENT REGULATIONS.—If the Secretary decides a State law or regulation is additional to or more stringent than a regulation prescribed by the Secretary under section 31136 of this title, the State law or regulation may be enforced unless the Secretary also decides that—
- (A) the State law or regulation has no safety benefit;
- (B) the State law or regulation is incompatible with the regulation prescribed by the Secretary; or
- (C) enforcement of the State law or regulation would cause an unreasonable burden on interstate commerce.
- (5) CONSIDERATION OF EFFECT ON INTERSTATE COMMERCE.—In deciding under paragraph (4) whether a State law or regulation will cause an unreasonable burden on interstate commerce, the Secretary may consider the effect on interstate commerce of implementation of that law or regulation with the implementation of all similar laws and regulations of other States.
- (d) WAIVERS.—(1) A person (including a State) may petition the Secretary for a waiver of a decision of the Secretary that a State law or regulation may not be enforced under this section. The Secretary shall grant the waiver, as expeditiously as possible, if the person demonstrates to the satisfaction of the Secretary that the waiver is consistent with the public interest and the safe operation of commercial motor vehicles.
- (2) Before deciding whether to grant or deny a petition for a waiver under this subsection, the Secretary shall give the petitioner an opportunity for a hearing on the record.
- (e) WRITTEN NOTICE OF DECISIONS.—Not later than 10 days after making a decision under subsection (c) of this section that a State law or regulation may not be enforced, the Secretary shall give written notice to the State of that decision.
- (f) JUDICIAL REVIEW AND VENUE.—(1) Not later than 60 days after the Secretary makes a decision under subsection (c) of this section, or grants or denies a petition for a waiver under subsection (d) of this section, a person (including a State) adversely affected by the decision, grant, or denial may file a petition for judicial review. The petition may be filed in the court of appeals of the United States for the District of Columbia Circuit or in the court of appeals of the United States for the circuit in which the person resides or has its principal place of business.

(2) The court has jurisdiction to review the decision, grant, or denial and to grant appropriate relief, including interim relief, as provided in chapter 7 of title 5.

(3) A judgment of a court under this subsection may be reviewed only by the Supreme Court under section 1254 of title 28.

(4) The remedies provided for in this subsection are in addition to other remedies provided by law.

(g) INITIATING REVIEW PROCEEDINGS.—To review a State law or regulation on commercial motor vehicle safety under this section, the Secretary may initiate a regulatory proceeding on the Secretary's own initiative or on petition of an interested person (including a State).

§ 31142. Inspection of vehicles

(a) INSPECTION OF SAFETY EQUIPMENT.—On the instruction of an authorized enforcement official of a State or of the United States Government, a commercial motor vehicle is required to pass an inspection of all safety equipment required under the regulations issued under section 31136.

(b) INSPECTION OF VEHICLES AND RECORD RETENTION.—The Secretary of Transportation shall prescribe regulations on Government standards for inspection of commercial motor vehicles and retention by employers of records of an inspection. The standards shall provide for annual or more frequent inspections of a commercial motor vehicle unless the Secretary finds that another inspection system is as effective as an annual or more frequent inspection system. Regulations prescribed under this subsection are deemed to be regulations prescribed under section 31136 of this title.

(c) PREEMPTION.—(1) Except as provided in paragraph (2) of this subsection, this subchapter and section 31102 of this title do not—

(A) prevent a State or voluntary group of States from imposing more stringent standards for use in their own periodic roadside inspection programs of commercial motor vehicles;

(B) prevent a State from enforcing a program for inspection of commercial motor vehicles that the Secretary decides is as effective as the Government standards prescribed under subsection (b) of this section;

(C)¹ prevent a State from participating in the activities of a voluntary group of States enforcing a program for inspection of commercial motor vehicles; or

(D) require a State that is enforcing a program described in clause (B) or (C) of this paragraph to enforce a Government standard prescribed under subsection (b) of this section or to adopt a provision on inspection of commercial motor vehicles in addition to that program to comply with the Government standards.

(2) The Government standards prescribed under subsection (b) of this section shall preempt a program of a State described in paragraph (1)(C) of this subsection as the program applies to the inspection of commercial motor vehicles in that State. The State may not enforce the program if the Secretary—

¹ Margin so in law.

(A) decides, after notice and an opportunity for a hearing, that the State is not enforcing the program in a way that achieves the objectives of this section; and

(B) after making a decision under clause (A) of this paragraph, provides the State with a 6-month period to improve the enforcement of the program to achieve the objectives of this section.

(d) **INSPECTION TO BE ACCEPTED AS ADEQUATE IN ALL STATES.**—A periodic inspection of a commercial motor vehicle under the Government standards prescribed under subsection (b) of this section or a program described in subsection (c)(1)(B) or (C) of this section that is being enforced shall be recognized as adequate in every State for the period of the inspection. This subsection does not prohibit a State from making random inspections of commercial motor vehicles.

(e) **EFFECT OF GOVERNMENT STANDARDS.**—The Government standards prescribed under subsection (b) of this section may not be enforced as the standards apply to the inspection of commercial motor vehicles in a State enforcing a program described in subsection (c)(1)(B) or (C) of this section if the Secretary decides that it is in the public interest and consistent with public safety for the Government standards not to be enforced as they apply to that inspection.

(f) **APPLICATION OF STATE REGULATIONS TO GOVERNMENT-LEASED VEHICLES AND OPERATORS.**—A State receiving financial assistance under section 31102 of this title in a fiscal year may enforce in that fiscal year a regulation on commercial motor vehicle safety adopted by the State as the regulation applies to commercial motor vehicles and operators leased to the Government.

§ 31143. Investigating complaints and protecting complainants

(a) **INVESTIGATING COMPLAINTS.**—The Secretary of Transportation shall conduct a timely investigation of a nonfrivolous written complaint alleging that a substantial violation of a regulation prescribed under this subchapter is occurring or has occurred within the prior 60 days. The Secretary shall give the complainant timely notice of the findings of the investigation. The Secretary is not required to conduct separate investigations of duplicative complaints.

(b) **PROTECTING COMPLAINANTS.**—Notwithstanding section 552 of title 5, the Secretary may disclose the identity of a complainant only if disclosure is necessary to prosecute a violation. If disclosure becomes necessary, the Secretary shall take every practical means within the Secretary's authority to ensure that the complainant is not subject to harassment, intimidation, disciplinary action, discrimination, or financial loss because of the disclosure.

§ 31144. Safety fitness of owners and operators

(a) **IN GENERAL.**—The Secretary shall—

- (1) determine whether an owner or operator is fit to operate safely commercial motor vehicles;
- (2) periodically update such safety fitness determinations;
- (3) make such final safety fitness determinations readily available to the public; and

(4) prescribe by regulation penalties for violations of this section consistent with section 521.

(b) PROCEDURE.—The Secretary shall maintain by regulation a procedure for determining the safety fitness of an owner or operator. The procedure shall include, at a minimum, the following elements:

(1) Specific initial and continuing requirements with which an owner or operator must comply to demonstrate safety fitness.

(2) A methodology the Secretary will use to determine whether an owner or operator is fit.

(3) Specific time frames within which the Secretary will determine whether an owner or operator is fit.

(c) PROHIBITED TRANSPORTATION.—

(1) IN GENERAL.—Except as provided in sections 521(b)(5)(A) and 5113 and this subsection, an owner or operator who the Secretary determines is not fit may not operate commercial motor vehicles in interstate commerce beginning on the 61st day after the date of such fitness determination and until the Secretary determines such owner or operator is fit.

(2) OWNERS OR OPERATORS TRANSPORTING PASSENGERS.—With regard to owners or operators of commercial motor vehicles designed or used to transport passengers, an owner or operator who the Secretary determines is not fit may not operate in interstate commerce beginning on the 46th day after the date of such fitness determination and until the Secretary determines such owner or operator is fit.

(3) OWNERS OR OPERATORS TRANSPORTING HAZARDOUS MATERIAL.—With regard to owners or operators of commercial motor vehicles designed or used to transport hazardous material for which placarding of a motor vehicle is required under regulations prescribed under chapter 51, an owner or operator who the Secretary determines is not fit may not operate in interstate commerce beginning on the 46th day after the date of such fitness determination and until the Secretary determines such owner or operator is fit.

(4) SECRETARY'S DISCRETION.—Except for owners or operators described in paragraphs (2) and (3), the Secretary may allow an owner or operator who is not fit to continue operating for an additional 60 days after the 61st day after the date of the Secretary's fitness determination, if the Secretary determines that such owner or operator is making a good faith effort to become fit.

(d) REVIEW OF FITNESS DETERMINATIONS.—

(1) IN GENERAL.—Not later than 45 days after an unfit owner or operator requests a review, the Secretary shall review such owner's or operator's compliance with those requirements with which the owner or operator failed to comply and resulted in the Secretary determining that the owner or operator was not fit.

(2) OWNERS OR OPERATORS TRANSPORTING PASSENGERS.—Not later than 30 days after an unfit owner or operator of commercial motor vehicles designed or used to transport pas-

sengers requests a review, the Secretary shall review such owner's or operator's compliance with those requirements with which the owner or operator failed to comply and resulted in the Secretary determining that the owner or operator was not fit.

(3) OWNERS OR OPERATORS TRANSPORTING HAZARDOUS MATERIAL.—Not later than 30 days after an unfit owner or operator of commercial motor vehicles designed or used to transport hazardous material for which placarding of a motor vehicle is required under regulations prescribed under chapter 51, the Secretary shall review such owner's or operator's compliance with those requirements with which the owner or operator failed to comply and resulted in the Secretary determining that the owner or operator was not fit.

(e) PROHIBITED GOVERNMENT USE.—A department, agency, or instrumentality of the United States Government may not use to provide any transportation service an owner or operator who the Secretary has determined is not fit until the Secretary determines such owner or operator is fit.

(c)¹ SAFETY REVIEWS OF NEW OPERATORS.—

(1) IN GENERAL.—The Secretary shall require, by regulation, each owner and each operator granted new operating authority, after the date on which section 31148(b) is first implemented, to undergo a safety review within the first 18 months after the owner or operator, as the case may be, begins operations under such authority.

(2) ELEMENTS.—In the regulations issued pursuant to paragraph (1), the Secretary shall establish the elements of the safety review, including basic safety management controls. In establishing such elements, the Secretary shall consider their effects on small businesses and shall consider establishing alternate locations where such reviews may be conducted for the convenience of small businesses.

(3) PHASE-IN OF REQUIREMENT.—The Secretary shall phase in the requirements of paragraph (1) in a manner that takes into account the availability of certified motor carrier safety auditors.

(4) NEW ENTRANT AUTHORITY.—Notwithstanding any other provision of this title, any new operating authority granted after the date on which section 31148(b) is first implemented shall be designated as new entrant authority until the safety review required by paragraph (1) is completed.

§ 31145. Coordination of Governmental activities and paperwork

The Secretary of Transportation shall coordinate the activities of departments, agencies, and instrumentalities of the United States Government to ensure adequate protection of the safety and health of operators of commercial motor vehicles. The Secretary shall attempt to minimize paperwork burdens to ensure maximum coordination and to avoid overlap and the imposition of unreason-

¹ So in law. Should probably be designated subsection "(f)".

able burdens on persons subject to regulations under this subchapter.

§ 31146. Relationship to other laws

Except as provided in section 31136(b) of this title, this subchapter and the regulations prescribed under this subchapter do not affect chapter 51 of this title or a regulation prescribed under chapter 51.

§ 31147. Limitations on authority

(a) **TRAFFIC REGULATIONS.**—This subchapter does not authorize the Secretary of Transportation to prescribe traffic safety regulations or preempt State traffic regulations. However, the Secretary may prescribe traffic regulations to the extent their subject matter was regulated under parts 390–399 of title 49, Code of Federal Regulations, on October 30, 1984.

(b) **REGULATING THE MANUFACTURING OF VEHICLES.**—This subchapter does not authorize the Secretary to regulate the manufacture of commercial motor vehicles for any purpose, including fuel economy, safety, or emission control.

§ 31148. Certified motor carrier safety auditors

(a) **IN GENERAL.**—Not later than 1 year after the date of the enactment of this section, the Secretary of Transportation shall complete a rulemaking to improve training and provide for the certification of motor carrier safety auditors, including private contractors, to conduct safety inspection audits and reviews described in subsection (b).

(b) **CERTIFIED INSPECTION AUDIT REQUIREMENT.**—Not later than 1 year after completion of the rulemaking required by subsection (a), any safety inspection audit or review required by, or based on the authority of, this chapter or chapter 5, 313, or 315 of this title and performed after December 31, 2002, shall be conducted by—

(1) a motor carrier safety auditor certified under subsection (a); or

(2) a Federal or State employee who, on the date of the enactment of this section, was qualified to perform such an audit or review.

(c) **EXTENSION.**—If the Secretary determines that subsection (b) cannot be implemented within the 1-year period established by that subsection and notifies the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives of the determination and the reasons therefor, the Secretary may extend the deadline for compliance with subsection (b) by not more than 12 months.

(d) **APPLICATION WITH OTHER AUTHORITY.**—The Secretary may not delegate the Secretary's authority to private contractors to issue ratings or operating authority, and nothing in this section authorizes any private contractor to issue ratings or operating authority.

(e) **OVERSIGHT RESPONSIBILITY.**—The Secretary shall have authority over any motor carrier safety auditor certified under sub-

section (a), including the authority to decertify a motor carrier safety auditor.

- 31316. Limitation on statutory construction.
- 31317. Procedure for prescribing regulations.

§ 31301. Definitions

In this chapter—

(1) “alcohol” has the same meaning given the term “alcoholic beverage” in section 158(c) of title 23.

(2) “commerce” means trade, traffic, and transportation—

(A) in the jurisdiction of the United States between a place in a State and a place outside that State (including a place outside the United States); or

(B) in the United States that affects trade, traffic, and transportation described in subclause (A) of this clause.

(3) “commercial driver's license” means a license issued by a State to an individual authorizing the individual to operate a class of commercial motor vehicles.

(4) “commercial motor vehicle” means a motor vehicle used in commerce to transport passengers or property that—

(A) has a gross vehicle weight rating or gross vehicle weight of at least 26,001 pounds, whichever is greater, or a lesser gross vehicle weight rating or gross vehicle weight the Secretary of Transportation prescribes by regulation, but not less than a gross vehicle weight rating of 10,001 pounds;

(B) is designed to transport at least 16 passengers including the driver; or

(C) is used to transport material found by the Secretary to be hazardous under section 5103 of this title, except that a vehicle shall not be included as a commercial motor vehicle under this subclause if—

(i) the vehicle does not satisfy the weight requirements of subclause (A) of this clause;

(ii) the vehicle is transporting material listed as hazardous under section 306(a) of the Comprehensive Environmental Response, Compensation, and Liability

Act of 1980 (42 U.S.C. 9656(a)) and is not otherwise regulated by the Secretary or is transporting a consumer commodity or limited quantity of hazardous material as defined in section 171.8 of title 49, Code of Federal Regulations; and

(iii) the Secretary does not deny the application of this exception to the vehicle (individually or as part of a class of motor vehicles) in the interest of safety.

(5) except in section 31306, “controlled substance” has the same meaning given that term in section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802).

(6) “driver’s license” means a license issued by a State to an individual authorizing the individual to operate a motor vehicle on highways.

(7) “employee” means an operator of a commercial motor vehicle (including an independent contractor when operating a commercial motor vehicle) who is employed by an employer.

(8) “employer” means a person (including the United States Government, a State, or a political subdivision of a State) that owns or leases a commercial motor vehicle or assigns employees to operate a commercial motor vehicle.

(9) “felony” means an offense under a law of the United States or a State that is punishable by death or imprisonment for more than one year.

(10) “hazardous material” has the same meaning given that term in section 5102 of this title.

(11) “motor vehicle” means a vehicle, machine, tractor, trailer, or semitrailer propelled or drawn by mechanical power and used on public streets, roads, or highways, but does not include a vehicle, machine, tractor, trailer, or semitrailer operated only on a rail line or custom harvesting farm machinery.

(12) “serious traffic violation” means—

(A) excessive speeding, as defined by the Secretary by regulation;

(B) reckless driving, as defined under State or local law;

(C) a violation of a State or local law on motor vehicle traffic control (except a parking violation) and involving a fatality, other than a violation to which section 31310(b)(1)(E) or 31310(c)(1)(E) applies;

(D)¹ driving a commercial motor vehicle when the individual has not obtained a commercial driver’s license;

(E)¹ driving a commercial motor vehicle when the individual does not have in his or her possession a commercial driver’s license unless the individual provides, by the date that the individual must appear in court or pay any fine with respect to the citation, to the enforcement authority that issued the citation proof that the individual held a valid commercial driver’s license on the date of the citation;

(F)¹ driving a commercial motor vehicle when the individual has not met the minimum testing standards—

¹Margin so in law.

- (i) under section 31305(a)(3) for the specific class of vehicle the individual is operating; or
 - (ii) under section 31305(a)(5) for the type of cargo the vehicle is carrying; and
 - (G) any other similar violation of a State or local law on motor vehicle traffic control (except a parking violation) that the Secretary designates by regulation as serious.
- (13) “State” means a State of the United States and the District of Columbia.
- (14) “United States” means the States of the United States and the District of Columbia.

§ 31302. Commercial driver’s license requirement

No individual shall operate a commercial motor vehicle without a valid commercial driver’s license issued in accordance with section 31308. An individual operating a commercial motor vehicle may have only one driver’s license at any time.

§ 31303. Notification requirements

(a) VIOLATIONS.—An individual operating a commercial motor vehicle, having a driver’s license issued by a State, and violating a State or local law on motor vehicle traffic control (except a parking violation) shall notify the individual’s employer of the violation. If the violation occurred in a State other than the issuing State, the individual also shall notify a State official designated by the issuing State. The notifications required by this subsection shall be made not later than 30 days after the date the individual is found to have committed the violation.

(b) REVOCATIONS, SUSPENSIONS, AND CANCELLATIONS.—An employee who has a driver’s license revoked, suspended, or canceled by a State, who loses the right to operate a commercial motor vehicle in a State for any period, or who is disqualified from operating a commercial motor vehicle for any period, shall notify the employee’s employer of the action not later than 30 days after the date of the action.

(c) PREVIOUS EMPLOYMENT.—(1) Subject to paragraph (2) of this subsection, an individual applying for employment as an operator of a commercial motor vehicle shall notify the prospective employer, at the time of the application, of any previous employment as an operator of a commercial motor vehicle.

(2) The Secretary of Transportation shall prescribe by regulation the period for which notice of previous employment must be given under paragraph (1) of this subsection. However, the period may not be less than the 10-year period ending on the date of the application.

§ 31304. Employer responsibilities

An employer may not knowingly allow an employee to operate a commercial motor vehicle in the United States during a period in which the employee—

- (1) has a driver’s license revoked, suspended, or canceled by a State, has lost the right to operate a commercial motor vehicle in a State, or has been disqualified from operating a commercial motor vehicle; or

(2) has more than one driver's license (except as allowed under section 31302 of this title).

§ 31305. General driver fitness and testing

(a) **MINIMUM STANDARDS FOR TESTING AND FITNESS.**—The Secretary of Transportation shall prescribe regulations on minimum standards for testing and ensuring the fitness of an individual operating a commercial motor vehicle. The regulations—

(1) shall prescribe minimum standards for written and driving tests of an individual operating a commercial motor vehicle;

(2) shall require an individual who operates or will operate a commercial motor vehicle to take a driving test in a vehicle representative of the type of vehicle the individual operates or will operate;

(3) shall prescribe minimum testing standards for the operation of a commercial motor vehicle and may prescribe different minimum testing standards for different classes of commercial motor vehicles;

(4) shall ensure that an individual taking the tests has a working knowledge of—

(A) regulations on the safe operation of a commercial motor vehicle prescribed by the Secretary and contained in title 49, Code of Federal Regulations; and

(B) safety systems of the vehicle;

(5) shall ensure that an individual who operates or will operate a commercial motor vehicle carrying a hazardous material—

(A) is qualified to operate the vehicle under regulations on motor vehicle transportation of hazardous material prescribed under chapter 51 of this title;

(B) has a working knowledge of—

(i) those regulations;

(ii) the handling of hazardous material;

(iii) the operation of emergency equipment used in response to emergencies arising out of the transportation of hazardous material; and

(iv) appropriate response procedures to follow in those emergencies; and

(C) is licensed by a State to operate the vehicle after having first been determined under section 5103a of this title as not posing a security risk warranting denial of the license.¹

(6) shall establish minimum scores for passing the tests;

(7) shall ensure that an individual taking the tests is qualified to operate a commercial motor vehicle under regulations prescribed by the Secretary and contained in title 49, Code of Federal Regulations, to the extent the regulations apply to the individual; and

(8) may require—

¹ So in law. Should probably be a semicolon.

(A) issuance of a certification of fitness to operate a commercial motor vehicle to an individual passing the tests; and

(B) the individual to have a copy of the certification in the individual's possession when the individual is operating a commercial motor vehicle.

(b) REQUIREMENTS FOR OPERATING VEHICLES.—(1) Except as provided in paragraph (2) of this subsection, an individual may operate a commercial motor vehicle only if the individual has passed written and driving tests that meet the minimum standards prescribed by the Secretary under subsection (a) of this section to operate the vehicle and has a commercial driver's license to operate the vehicle.

(2) The Secretary may prescribe regulations providing that an individual may operate a commercial motor vehicle for not more than 90 days if the individual—

(A) passes a driving test for operating a commercial motor vehicle that meets the minimum standards prescribed under subsection (a) of this section; and

(B) has a driver's license that is not suspended, revoked, or canceled.

§ 31306. Alcohol and controlled substances testing

(a) DEFINITION.—In this section, “controlled substance” means any substance under section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802) specified by the Secretary of Transportation.

(b) TESTING PROGRAM FOR OPERATORS OF COMMERCIAL MOTOR VEHICLES.—(1)(A) In the interest of commercial motor vehicle safety, the Secretary of Transportation shall prescribe regulations that establish a program requiring motor carriers to conduct preemployment, reasonable suspicion, random, and post-accident testing of operators of commercial motor vehicles for the use of a controlled substance in violation of law or a United States Government regulation and to conduct reasonable suspicion, random, and post-accident testing of such operators for the use of alcohol in violation of law or a United States Government regulation. The regulations shall permit such motor carriers to conduct preemployment testing of such employees for the use of alcohol.

(B) When the Secretary of Transportation considers it appropriate in the interest of safety, the Secretary may prescribe regulations for conducting periodic recurring testing of operators of commercial motor vehicles for the use of alcohol or a controlled substance in violation of law or a Government regulation.

(2) In prescribing regulations under this subsection, the Secretary of Transportation—

(A) shall require that post-accident testing of an operator of a commercial motor vehicle be conducted when loss of human life occurs in an accident involving a commercial motor vehicle; and

(B) may require that post-accident testing of such an operator be conducted when bodily injury or significant property damage occurs in any other serious accident involving a commercial motor vehicle.

(c) TESTING AND LABORATORY REQUIREMENTS.—In carrying out subsection (b) of this section, the Secretary of Transportation shall develop requirements that shall—

(1) promote, to the maximum extent practicable, individual privacy in the collection of specimens;

(2) for laboratories and testing procedures for controlled substances, incorporate the Department of Health and Human Services scientific and technical guidelines dated April 11, 1988, and any amendments to those guidelines, including mandatory guidelines establishing—

(A) comprehensive standards for every aspect of laboratory controlled substances testing and laboratory procedures to be applied in carrying out this section, including standards requiring the use of the best available technology to ensure the complete reliability and accuracy of controlled substances tests and strict procedures governing the chain of custody of specimens collected for controlled substances testing;

(B) the minimum list of controlled substances for which individuals may be tested; and

(C) appropriate standards and procedures for periodic review of laboratories and criteria for certification and revocation of certification of laboratories to perform controlled substances testing in carrying out this section;

(3) require that a laboratory involved in testing under this section have the capability and facility, at the laboratory, of performing screening and confirmation tests;

(4) provide that any test indicating the use of alcohol or a controlled substance in violation of law or a Government regulation be confirmed by a scientifically recognized method of testing capable of providing quantitative information about alcohol or a controlled substance;

(5) provide that each specimen be subdivided, secured, and labeled in the presence of the tested individual and that a part of the specimen be retained in a secure manner to prevent the possibility of tampering, so that if the individual's confirmation test results are positive the individual has an opportunity to have the retained part tested by a 2d confirmation test done independently at another certified laboratory if the individual requests the 2d confirmation test not later than 3 days after being advised of the results of the first confirmation test;

(6) ensure appropriate safeguards for testing to detect and quantify alcohol in breath and body fluid samples, including urine and blood, through the development of regulations that may be necessary and in consultation with the Secretary of Health and Human Services;

(7) provide for the confidentiality of test results and medical information (except information about alcohol or a controlled substance) of employees, except that this clause does not prevent the use of test results for the orderly imposition of appropriate sanctions under this section; and

(8) ensure that employees are selected for tests by non-discriminatory and impartial methods, so that no employee is

harassed by being treated differently from other employees in similar circumstances.

(d) TESTING AS PART OF MEDICAL EXAMINATION.—The Secretary of Transportation may provide that testing under subsection (a) of this section for operators subject to subpart E of part 391 of title 49, Code of Federal Regulations, be conducted as part of the medical examination required under that subpart.

(e) REHABILITATION.—The Secretary of Transportation shall prescribe regulations establishing requirements for rehabilitation programs that provide for the identification and opportunity for treatment of operators of commercial motor vehicles who are found to have used alcohol or a controlled substance in violation of law or a Government regulation. The Secretary shall decide on the circumstances under which those operators shall be required to participate in a program. This section does not prevent a motor carrier from establishing a program under this section in cooperation with another motor carrier.

(f) SANCTIONS.—The Secretary of Transportation shall decide on appropriate sanctions for a commercial motor vehicle operator who is found, based on tests conducted and confirmed under this section, to have used alcohol or a controlled substance in violation of law or a Government regulation but who is not under the influence of alcohol or a controlled substance as provided in this chapter.

(g) EFFECT ON STATE AND LOCAL GOVERNMENT REGULATIONS.—A State or local government may not prescribe or continue in effect a law, regulation, standard, or order that is inconsistent with regulations prescribed under this section. However, a regulation prescribed under this section may not be construed to preempt a State criminal law that imposes sanctions for reckless conduct leading to loss of life, injury, or damage to property.

(h) INTERNATIONAL OBLIGATIONS AND FOREIGN LAWS.—In prescribing regulations under this section, the Secretary of Transportation—

(1) shall establish only requirements that are consistent with international obligations of the United States; and

(2) shall consider applicable laws and regulations of foreign countries.

(i) OTHER REGULATIONS ALLOWED.—This section does not prevent the Secretary of Transportation from continuing in effect, amending, or further supplementing a regulation prescribed before October 28, 1991, governing the use of alcohol or a controlled substance by commercial motor vehicle employees.

(j) APPLICATION OF PENALTIES.—This section does not supersede a penalty applicable to an operator of a commercial motor vehicle under this chapter or another law.

§ 31307. Minimum training requirements for operators of longer combination vehicles

(a) DEFINITION.—In this section, “longer combination vehicle” means a vehicle consisting of a truck tractor and more than one trailer or semitrailer that operates on the Dwight D. Eisenhower System of Interstate and Defense Highways with a gross vehicle weight of more than 80,000 pounds.

(b) REQUIREMENTS.—Not later than December 18, 1994, the Secretary of Transportation shall prescribe regulations establishing minimum training requirements for operators of longer combination vehicles. The training shall include certification of an operator's proficiency by an instructor who has met the requirements established by the Secretary.

§ 31308. Commercial driver's license

After consultation with the States, the Secretary of Transportation shall prescribe regulations on minimum uniform standards for the issuance of commercial drivers' licenses by the States and for information to be contained on each of the licenses. The standards shall require at a minimum that—

(1) an individual issued a commercial driver's license pass written and driving tests for the operation of a commercial motor vehicle that comply with the minimum standards prescribed by the Secretary under section 31305(a) of this title;

(2) the license be tamperproof to the maximum extent practicable and each license issued after January 1, 2001, include unique identifiers (which may include biometric identifiers) to minimize fraud and duplication; and

(3) the license contain—

(A) the name and address of the individual issued the license and a physical description of the individual;

(B) the social security account number or other number or information the Secretary decides is appropriate to identify the individual;

(C) the class or type of commercial motor vehicle the individual is authorized to operate under the license;

(D) the name of the State that issued the license; and

(E) the dates between which the license is valid.

§ 31309. Commercial driver's license information system

(a) GENERAL REQUIREMENT.—The Secretary of Transportation shall maintain an information system that will serve as a clearinghouse and depository of information about the licensing, identification, and disqualification of operators of commercial motor vehicles. The system shall be coordinated with activities carried out under section 31106. The Secretary shall consult with the States in carrying out this section.

(b) CONTENTS.—(1) At a minimum, the information system under this section shall include for each operator of a commercial motor vehicle—

(A) information the Secretary considers appropriate to ensure identification of the operator;

(B) the name, address, and physical description of the operator;

(C) the social security account number of the operator or other number or information the Secretary considers appropriate to identify the operator;

(D) the name of the State that issued the license to the operator;

(E) the dates between which the license is valid; and

(F) whether the operator had a commercial motor vehicle driver's license revoked, suspended, or canceled by a State, lost the right to operate a commercial motor vehicle in a State for any period, or has been disqualified from operating a commercial motor vehicle.

(2) The information system under this section must accommodate any unique identifiers required to minimize fraud or duplication of a commercial driver's license under section 31308(2).

(c) AVAILABILITY OF INFORMATION.—Information in the information system shall be made available and subject to review and correction in accordance with the policy developed under section 31106(e).

(d) FEE SYSTEM.—The Secretary may establish a fee system for using the information system. Fees collected under this subsection in a fiscal year shall equal as nearly as possible the costs of operating the information system in that fiscal year. The Secretary shall deposit fees collected under this subsection in the Highway Trust Fund (except the Mass Transit Account).

§ 31310. Disqualifications

(a) BLOOD ALCOHOL CONCENTRATION LEVEL.—In this section, the blood alcohol concentration level at or above which an individual when operating a commercial motor vehicle is deemed to be driving under the influence of alcohol is .04 percent.

(b) FIRST VIOLATION OR COMMITTING FELONY.—(1) Except as provided in paragraph (2) of this subsection and subsection (c) of this section, the Secretary of Transportation shall disqualify from operating a commercial motor vehicle for at least one year an individual—

(A) committing a first violation of driving a commercial motor vehicle under the influence of alcohol or a controlled substance;

(B) committing a first violation of leaving the scene of an accident involving a commercial motor vehicle operated by the individual;

(C) using a commercial motor vehicle in committing a felony (except a felony described in subsection (d) of this section);

(D) committing a first violation of driving a commercial motor vehicle when the individual's commercial driver's license is revoked, suspended, or canceled based on the individual's operation of a commercial motor vehicle or when the individual is disqualified from operating a commercial motor vehicle based on the individual's operation of a commercial motor vehicle; or

(E) convicted of causing a fatality through negligent or criminal operation of a commercial motor vehicle.

(2) If the vehicle involved in a violation referred to in paragraph (1) of this subsection is transporting hazardous material required to be placarded under section 5103 of this title, the Secretary shall disqualify the individual for at least 3 years.

(c) SECOND AND MULTIPLE VIOLATIONS.—(1) Subject to paragraph (2) of this subsection, the Secretary shall disqualify from operating a commercial motor vehicle for life an individual—

(A) committing more than one violation of driving a commercial motor vehicle under the influence of alcohol or a controlled substance;

(B) committing more than one violation of leaving the scene of an accident involving a commercial motor vehicle operated by the individual;

(C) using a commercial motor vehicle in committing more than one felony arising out of different criminal episodes;

(D) committing more than one violation of driving a commercial motor vehicle when the individual's commercial driver's license is revoked, suspended, or canceled based on the individual's operation of a commercial motor vehicle or when the individual is disqualified from operating a commercial motor vehicle based on the individual's operation of a commercial motor vehicle;

(E) convicted of more than one offense of causing a fatality through negligent or criminal operation of a commercial motor vehicle; or

(F) committing any combination of single violations or use described in subparagraphs (A) through (E).

(2) The Secretary may prescribe regulations establishing guidelines (including conditions) under which a disqualification for life under paragraph (1) of this subsection may be reduced to a period of not less than 10 years.

(d) CONTROLLED SUBSTANCE VIOLATIONS.—The Secretary shall disqualify from operating a commercial motor vehicle for life an individual who uses a commercial motor vehicle in committing a felony involving manufacturing, distributing, or dispensing a controlled substance, or possession with intent to manufacture, distribute, or dispense a controlled substance.

(e) SERIOUS TRAFFIC VIOLATIONS.—(1) The Secretary shall disqualify from operating a commercial motor vehicle for at least 60 days an individual who, in a 3-year period, commits 2 serious traffic violations involving a commercial motor vehicle operated by the individual.

(2) The Secretary shall disqualify from operating a commercial motor vehicle for at least 120 days an individual who, in a 3-year period, commits 3 serious traffic violations involving a commercial motor vehicle operated by the individual.

(f) EMERGENCY DISQUALIFICATION.—

(1) LIMITED DURATION.—The Secretary shall disqualify an individual from operating a commercial motor vehicle for not to exceed 30 days if the Secretary determines that allowing the individual to continue to operate a commercial motor vehicle would create an imminent hazard (as such term is defined in section 5102).

(2) AFTER NOTICE AND HEARING.—The Secretary shall disqualify an individual from operating a commercial motor vehicle for more than 30 days if the Secretary determines, after notice and an opportunity for a hearing, that allowing the individual to continue to operate a commercial motor vehicle would create an imminent hazard (as such term is defined in section 5102).

(g) NONCOMMERCIAL MOTOR VEHICLE CONVICTIONS.—

(1) ISSUANCE OF REGULATIONS.—Not later than 1 year after the date of the enactment of this Act, the Secretary shall issue regulations providing for the disqualification by the Secretary from operating a commercial motor vehicle of an individual who holds a commercial driver's license and who has been convicted of—

(A) a serious offense involving a motor vehicle (other than a commercial motor vehicle) that has resulted in the revocation, cancellation, or suspension of the individual's license; or

(B) a drug or alcohol related offense involving a motor vehicle (other than a commercial motor vehicle).

(2) REQUIREMENTS FOR REGULATIONS.—Regulations issued under paragraph (1) shall establish the minimum periods for which the disqualifications shall be in effect, but in no case shall the time periods for disqualification for noncommercial motor vehicle violations be more stringent than those for offenses or violations involving a commercial motor vehicle. The Secretary shall determine such periods based on the seriousness of the offenses on which the convictions are based.

(h) STATE DISQUALIFICATION.—Notwithstanding subsections (b) through (g) of this section, the Secretary does not have to disqualify an individual from operating a commercial motor vehicle if the State that issued the individual a license authorizing the operation has disqualified the individual from operating a commercial motor vehicle under subsections (b) through (g). Revocation, suspension, or cancellation of the license is deemed to be disqualification under this subsection.

(i) OUT-OF-SERVICE ORDERS.—(1)(A) To enforce section 392.5 of title 49, Code of Federal Regulations, the Secretary shall prescribe regulations establishing and enforcing an out-of-service period of 24 hours for an individual who violates section 392.5. An individual may not violate an out-of-service order issued under those regulations.

(B) The Secretary shall prescribe regulations establishing and enforcing requirements for reporting out-of-service orders issued under regulations prescribed under subparagraph (A) of this paragraph. Regulations prescribed under this subparagraph shall require at least that an operator of a commercial motor vehicle who is issued an out-of-service order to report the issuance to the individual's employer and to the State that issued the operator a driver's license.

(2) Not later than December 18, 1992, the Secretary shall prescribe regulations establishing sanctions and penalties related to violations of out-of-service orders by individuals operating commercial motor vehicles. The regulations shall require at least that—

(A) an operator of a commercial motor vehicle found to have committed a first violation of an out-of-service order shall be disqualified from operating such a vehicle for at least 90 days and liable for a civil penalty of at least \$1,000;

(B) an operator of a commercial motor vehicle found to have committed a 2d violation of an out-of-service order shall be disqualified from operating such a vehicle for at least one

year and not more than 5 years and liable for a civil penalty of at least \$1,000; and

(C) an employer that knowingly allows or requires an employee to operate a commercial motor vehicle in violation of an out-of-service order shall be liable for a civil penalty of not more than \$10,000.

(j) GRADE-CROSSING VIOLATIONS.—

(1) SANCTIONS.—The Secretary shall issue regulations establishing sanctions and penalties relating to violations, by persons operating commercial motor vehicles, of laws and regulations pertaining to railroad-highway grade crossings.

(2) MINIMUM REQUIREMENTS.—The regulations issued under paragraph (1) shall, at a minimum, require that—

(A) the penalty for a single violation is not less than a 60-day disqualification of the driver's commercial driver's license; and

(B) any employer that knowingly allows, permits, authorizes, or requires an employee to operate a commercial motor vehicle in violation of such a law or regulation shall be subject to a civil penalty of not more than \$10,000.

§ 31311. Requirements for State participation

(a) GENERAL.—To avoid having amounts withheld from apportionment under section 31314 of this title, a State shall comply with the following requirements:

(1) The State shall adopt and carry out a program for testing and ensuring the fitness of individuals to operate commercial motor vehicles consistent with the minimum standards prescribed by the Secretary of Transportation under section 31305(a) of this title.

(2) The State may issue a commercial driver's license to an individual only if the individual passes written and driving tests for the operation of a commercial motor vehicle that comply with the minimum standards.

(3) The State shall have in effect and enforce a law providing that an individual with a blood alcohol concentration level at or above the level established by section 31310(a) of this title when operating a commercial motor vehicle is deemed to be driving under the influence of alcohol.

(4) The State shall authorize an individual to operate a commercial motor vehicle only by issuing a commercial driver's license containing the information described in section 31308(3) of this title.

(5) At least 60 days before issuing a commercial driver's license (or a shorter period the Secretary prescribes by regulation), the State shall notify the Secretary or the operator of the information system under section 31309 of this title, as the case may be, of the proposed issuance of the license and other information the Secretary may require to ensure identification of the individual applying for the license.

(6) Before issuing a commercial driver's license to an individual or renewing such a license, the State shall request from any other State that has issued a driver's license to the indi-

vidual all information about the driving record of the individual.

(7) Not later than 30 days after issuing a commercial driver's license, the State shall notify the Secretary or the operator of the information system under section 31309 of this title, as the case may be, of the issuance.

(8) Not later than 10 days after disqualifying the holder of a commercial driver's license from operating a commercial motor vehicle (or after revoking, suspending, or canceling the license) for at least 60 days, the State shall notify the Secretary or the operator of the information system under section 31309 of this title, as the case may be, and the State that issued the license, of the disqualification, revocation, suspension, or cancellation, and the violation that resulted in the disqualification, revocation, suspension, or cancellation shall be recorded.

(9) If an individual violates a State or local law on motor vehicle traffic control (except a parking violation) and the individual—

(A) has a commercial driver's license issued by another State; or

(B) is operating a commercial vehicle without a commercial driver's license and has a driver's license issued by another State,

the State in which the violation occurred shall notify a State official designated by the issuing State of the violations not later than 10 days after the date the individual is found to have committed the violation.

(10)(A) The State may not issue a commercial driver's license to an individual during a period in which the individual is disqualified from operating a commercial motor vehicle or the individual's driver's license is revoked, suspended, or canceled.

(B) The State may not issue a special license or permit (including a provisional or temporary license) to an individual who holds a commercial driver's license that permits the individual to drive a commercial motor vehicle during a period in which—

(i) the individual is disqualified from operating a commercial motor vehicle; or

(ii) the individual's driver's license is revoked, suspended, or canceled.

(11) The State may issue a commercial driver's license to an individual who has a commercial driver's license issued by another State only if the individual first returns the driver's license issued by the other State.

(12) The State may issue a commercial driver's license only to an individual who operates or will operate a commercial motor vehicle and is domiciled in the State, except that, under regulations the Secretary shall prescribe, the State may issue a commercial driver's license to an individual who operates or will operate a commercial motor vehicle and is not domiciled in a State that issues commercial drivers' licenses.

(13) The State shall impose penalties consistent with this chapter that the State considers appropriate and the Secretary approves for an individual operating a commercial motor vehicle.

(14) The State shall allow an individual to operate a commercial motor vehicle in the State if—

(A) the individual has a commercial driver's license issued by another State under the minimum standards prescribed by the Secretary under section 31305(a) of this title;

(B) the license is not revoked, suspended, or canceled; and

(C) the individual is not disqualified from operating a commercial motor vehicle.

(15) The State shall disqualify an individual from operating a commercial motor vehicle for the same reasons and time periods for which the Secretary shall disqualify the individual under subsections (b)–(e), (g)(1)(A), and (g)(2) of section 31310.

(16)(A) Before issuing a commercial driver's license to an individual, the State shall request the Secretary for information from the National Driver Register maintained under chapter 303 of this title (after the Secretary decides the Register is operational) on whether the individual—

(i) has been disqualified from operating a motor vehicle (except a commercial motor vehicle);

(ii) has had a license (except a license authorizing the individual to operate a commercial motor vehicle) revoked, suspended, or canceled for cause in the 3-year period ending on the date of application for the commercial driver's license; or

(iii) has been convicted of an offense specified in section 30304(a)(3) of this title.

(B) The State shall give full weight and consideration to that information in deciding whether to issue the individual a commercial driver's license.

(17) The State shall adopt and enforce regulations prescribed by the Secretary under section 31310(h) of this title.

(18) The State shall maintain, as part of its driver information system, a record of each violation of a State or local motor vehicle traffic control law while operating a motor vehicle (except a parking violation) for each individual who holds a commercial driver's license. The record shall be available upon request to the individual, the Secretary, employers, prospective employers, State licensing and law enforcement agencies, and their authorized agents.

(19) The State shall—

(A) record in the driving record of an individual who has a commercial driver's license issued by the State; and

(B) make available to all authorized persons and governmental entities having access to such record,

all information the State receives under paragraph (9) with respect to the individual and every violation by the individual involving a motor vehicle (including a commercial motor vehicle)

of a State or local law on traffic control (except a parking violation), not later than 10 days after the date of receipt of such information or the date of such violation, as the case may be. The State may not allow information regarding such violations to be withheld or masked in any way from the record of an individual possessing a commercial driver's license.

(20) The State shall revoke, suspend, or cancel the commercial driver's license of an individual in accordance with regulations issued by the Secretary to carry out section 31310(g).

(b) STATE SATISFACTION OF REQUIREMENTS.—A State may satisfy the requirements of subsection (a) of this section that the State disqualify an individual from operating a commercial motor vehicle by revoking, suspending, or canceling the driver's license issued to the individual.

(c) NOTIFICATION.—Not later than 30 days after being notified by a State of the proposed issuance of a commercial driver's license to an individual, the Secretary or the operator of the information system under section 31309 of this title, as the case may be, shall notify the State whether the individual has a commercial driver's license issued by another State or has been disqualified from operating a commercial motor vehicle by another State or the Secretary.

§ 31312. Decertification authority

(a) IN GENERAL.—If the Secretary of Transportation determines that a State is in substantial noncompliance with this chapter, the Secretary shall issue an order to—

(1) prohibit that State from carrying out licensing procedures under this chapter; and

(2) prohibit that State from issuing any commercial driver's licenses until such time the Secretary determines such State is in substantial compliance with this chapter.

(b) EFFECT ON OTHER STATES.—A State (other than a State subject to an order under subsection (a)) may issue a non-resident commercial driver's license to an individual domiciled in a State that is prohibited from such activities under subsection (a) if that individual meets all requirements of this chapter and the non-resident licensing requirements of the issuing State.

(c) PREVIOUSLY ISSUED LICENSES.—Nothing in this section shall be construed as invalidating or otherwise affecting commercial driver's licenses issued by a State before the date of issuance of an order under subsection (a) with respect to the State.

[Section 31313—repealed by P.L. 105–178]

§ 31314. Withholding amounts for State noncompliance

(a) FIRST FISCAL YEAR.—The Secretary of Transportation shall withhold 5 percent of the amount required to be apportioned to a State under section 104(b)(1), (3), and (4) of title 23 on the first day of the fiscal year after the first fiscal year beginning after September 30, 1992, throughout which the State does not comply substantially with a requirement of section 31311(a) of this title.

(b) SECOND FISCAL YEAR.—The Secretary shall withhold 10 percent of the amount required to be apportioned to a State under section 104(b)(1), (3), and (4) of title 23 on the first day of each fis-

cal year after the 2d fiscal year beginning after September 30, 1992, throughout which the State does not comply substantially with a requirement of section 31311(a) of this title.

(c) AVAILABILITY FOR APPORTIONMENT.—Amounts withheld under this section from apportionment to a State after September 30, 1995, are not available for apportionment to the State.

§ 31315. Waivers, exemptions, and pilot programs

(a) WAIVERS.—The Secretary may grant a waiver that relieves a person from compliance in whole or in part with a regulation issued under this chapter or section 31136 if the Secretary determines that it is in the public interest to grant the waiver and that the waiver is likely to achieve a level of safety that is equivalent to, or greater than, the level of safety that would be obtained in the absence of the waiver—

- (1) for a period not in excess of 3 months;
- (2) limited in scope and circumstances;
- (3) for nonemergency and unique events; and
- (4) subject to such conditions as the Secretary may impose.

(b) EXEMPTIONS.—

(1) IN GENERAL.—Upon receipt of a request pursuant to paragraph (3), the Secretary of Transportation may grant to a person or class of persons an exemption from a regulation prescribed under this chapter or section 31136 if the Secretary finds such exemption would likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption. An exemption may be granted for no longer than 2 years from its approval date and may be renewed upon application to the Secretary.

(2) AUTHORITY TO REVOKE EXEMPTION.—The Secretary shall immediately revoke an exemption if—

- (A) the person fails to comply with the terms and conditions of such exemption;
- (B) the exemption has resulted in a lower level of safety than was maintained before the exemption was granted; or
- (C) continuation of the exemption would not be consistent with the goals and objectives of this chapter or section 31136, as the case may be.

(3) REQUESTS FOR EXEMPTION.—Not later than 180 days after the date of enactment of this section and after notice and an opportunity for public comment, the Secretary shall specify by regulation the procedures by which a person may request an exemption. Such regulations shall, at a minimum, require the person to provide the following information for each exemption request:

- (A) The provisions from which the person requests exemption.
- (B) The time period during which the requested exemption would apply.
- (C) An analysis of the safety impacts the requested exemption may cause.

(D) The specific countermeasures the person would undertake to ensure an equivalent or greater level of safety than would be achieved absent the requested exemption.

(4) NOTICE AND COMMENT.—

(A) UPON RECEIPT OF A REQUEST.—Upon receipt of an exemption request, the Secretary shall publish in the Federal Register a notice explaining the request that has been filed and shall give the public an opportunity to inspect the safety analysis and any other relevant information known to the Secretary and to comment on the request. This subparagraph does not require the release of information protected by law from public disclosure.

(B) UPON GRANTING A REQUEST.—Upon granting a request for exemption, the Secretary shall publish in the Federal Register the name of the person granted the exemption, the provisions from which the person will be exempt, the effective period, and all terms and conditions of the exemption.

(C) AFTER DENYING A REQUEST.—After denying a request for exemption, the Secretary shall publish in the Federal Register the name of the person denied the exemption and the reasons for such denial. The Secretary may meet the requirement of this subparagraph by periodically publishing in the Federal Register the names of persons denied exemptions and the reasons for such denials.

(5) APPLICATIONS TO BE DEALT WITH PROMPTLY.—The Secretary shall grant or deny an exemption request after a thorough review of its safety implications, but in no case later than 180 days after the filing date of such request.

(6) TERMS AND CONDITIONS.—The Secretary shall establish terms and conditions for each exemption to ensure that it will likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption. The Secretary shall monitor the implementation of the exemption to ensure compliance with its terms and conditions.

(7) NOTIFICATION OF STATE COMPLIANCE AND ENFORCEMENT PERSONNEL.—Before granting a request for exemption, the Secretary shall notify State safety compliance and enforcement personnel, including roadside inspectors, and the public that a person will be operating pursuant to an exemption and any terms and conditions that will apply to the exemption.

(c) PILOT PROGRAMS.—

(1) IN GENERAL.—The Secretary may conduct pilot programs to evaluate alternatives to regulations relating to, or innovative approaches to, motor carrier, commercial motor vehicle, and driver safety. Such pilot programs may include exemptions from a regulation prescribed under this chapter or section 31136 if the pilot program contains, at a minimum, the elements described in paragraph (2). The Secretary shall publish in the Federal Register a detailed description of each pilot program, including the exemptions to be considered, and provide notice and an opportunity for public comment before the effective date of the program.

(2) PROGRAM ELEMENTS.—In proposing a pilot program and before granting exemptions for purposes of a pilot program, the Secretary shall require, as a condition of approval of the project, that the safety measures in the project are designed to achieve a level of safety that is equivalent to, or greater than, the level of safety that would otherwise be achieved through compliance with the regulations prescribed under this chapter or section 31136. The Secretary shall include, at a minimum, the following elements in each pilot program plan:

(A) A scheduled life of each pilot program of not more than 3 years.

(B) A specific data collection and safety analysis plan that identifies a method for comparison.

(C) A reasonable number of participants necessary to yield statistically valid findings.

(D) An oversight plan to ensure that participants comply with the terms and conditions of participation.

(E) Adequate countermeasures to protect the health and safety of study participants and the general public.

(F) A plan to inform State partners and the public about the pilot program and to identify approved participants to safety compliance and enforcement personnel and to the public.

(3) AUTHORITY TO REVOKE PARTICIPATION.—The Secretary shall immediately revoke participation in a pilot program of a motor carrier, commercial motor vehicle, or driver for failure to comply with the terms and conditions of the pilot program or if continued participation would not be consistent with the goals and objectives of this chapter or section 31136, as the case may be.

(4) AUTHORITY TO TERMINATE PROGRAM.—The Secretary shall immediately terminate a pilot program if its continuation would not be consistent with the goals and objectives of this chapter or section 31136, as the case may be.

(5) REPORT TO CONGRESS.—At the conclusion of each pilot program, the Secretary shall report to Congress the findings, conclusions, and recommendations of the program, including suggested amendments to laws and regulations that would enhance motor carrier, commercial motor vehicle, and driver safety and improve compliance with national safety standards.

(d) PREEMPTION OF STATE RULES.—During the time period that a waiver, exemption, or pilot program is in effect under this chapter or section 31136, no State shall enforce any law or regulation that conflicts with or is inconsistent with the waiver, exemption, or pilot program with respect to a person operating under the waiver or exemption or participating in the pilot program.

§ 31316. Limitation on statutory construction

This chapter does not affect the authority of the Secretary of Transportation to regulate commercial motor vehicle safety involving motor vehicles with a gross vehicle weight rating of less than 26,001 pounds or a lesser gross vehicle weight rating the Secretary decides is appropriate under section 31301(4)(A) of this title.

§ 31317. Procedure for prescribing regulations

Regulations prescribed by the Secretary of Transportation to carry out this chapter (except section 31307) shall be prescribed under section 553 of title 5 without regard to sections 556 and 557 of title 5.

CHAPTER 315—MOTOR CARRIER SAFETY

Sec.

31501. Definitions.

31502. Requirements for qualifications, hours of service, safety, and equipment standards.

31503. Research, investigation, and testing.

31504. Identification of motor vehicles.

§ 31501. Definitions

In this chapter—

(1) “migrant worker” means an individual going to or from employment in agriculture as provided under section 3121(g) of the Internal Revenue Code of 1986 (26 U.S.C. 3121(g)) or section 3(f) of the Fair Labor Standards Act of 1938 (29 U.S.C. 203(f)).

(2) “motor carrier”, “motor common carrier”, “motor private carrier”, “motor vehicle”, and “United States” have the same meanings given those terms in section 13102 of this title.

(3) “motor carrier of migrant workers”—

(A) means a person (except a motor common carrier) providing transportation referred to in section 13501 of this title by a motor vehicle (except a passenger automobile or station wagon) for at least 3 migrant workers at a time to or from their employment; but

(B) does not include a migrant worker providing transportation for migrant workers and their immediate families.

§ 31502. Requirements for qualifications, hours of service, safety, and equipment standards

(a) APPLICATION.—This section applies to transportation—

(1) described in sections 13501 and 13502 of this title; and

(2) to the extent the transportation is in the United States and is between places in a foreign country, or between a place in a foreign country and a place in another foreign country.

(b) MOTOR CARRIER AND PRIVATE MOTOR CARRIER REQUIREMENTS.—The Secretary of Transportation may prescribe requirements for—

(1) qualifications and maximum hours of service of employees of, and safety of operation and equipment of, a motor carrier; and

(2) qualifications and maximum hours of service of employees of, and standards of equipment of, a motor private carrier, when needed to promote safety of operation.

(c) MIGRANT WORKER MOTOR CARRIER REQUIREMENTS.—The Secretary may prescribe requirements for the comfort of passengers, qualifications and maximum hours of service of operators, and safety of operation and equipment of a motor carrier of mi-

grant workers. The requirements only apply to a carrier transporting a migrant worker—

- (1) at least 75 miles; and
 - (2) across the boundary of a State, territory, or possession of the United States.
- (d) CONSIDERATIONS.—Before prescribing or revising any requirement under this section, the Secretary shall consider the costs and benefits of the requirement.

(e) EXCEPTION.—

(1) IN GENERAL.—Notwithstanding any other provision of law, regulations issued under this section or section 31136 regarding—

- (A) maximum driving and on-duty times applicable to operators of commercial motor vehicles,
- (B) physical testing, reporting, or recordkeeping, and
- (C) the installation of automatic recording devices associated with establishing the maximum driving and on-duty times referred to in subparagraph (A),

shall not apply to any driver of a utility service vehicle during an emergency period of not more than 30 days declared by an elected State or local government official under paragraph (2) in the area covered by the declaration.

(2) DECLARATION OF EMERGENCY.—An elected State or local government official or elected officials of more than one State or local government jointly may issue an emergency declaration for purposes of paragraph (1) after notice to the Regional Director of the Federal Highway Administration with jurisdiction over the area covered by the declaration.

(3) INCIDENT REPORT.—Within 30 days after the end of the declared emergency period the official who issued the emergency declaration shall file with the Regional Director a report of each safety-related incident or accident that occurred during the emergency period involving—

- (A) a utility service vehicle driver to which the declaration applied; or
- (B) a utility service vehicle of the driver to which the declaration applied.

(4) DEFINITIONS.—In this subsection, the following definitions apply:

(A) DRIVER OF A UTILITY SERVICE VEHICLE.—The term “driver of a utility service vehicle” means any driver who is considered to be a driver of a utility service vehicle for purposes of section 345(a)(4) of the National Highway System Designation Act of 1995 (49 U.S.C. 31136 note; 109 Stat. 613).

(B) UTILITY SERVICE VEHICLE.—The term “utility service vehicle” has the meaning that term has under section 345(e)(6) of the National Highway System Designation Act of 1995 (49 U.S.C. 31136 note; 109 Stat 614–615).

§ 31503. Research, investigation, and testing

(a) GENERAL AUTHORITY.—The Secretary of Transportation may investigate and report on the need for regulation by the United States Government of sizes, weight, and combinations of

motor vehicles and qualifications and maximum hours of service of employees of a motor carrier subject to subchapter I of chapter 135 of this title and a motor private carrier. The Secretary shall use the services of each department, agency, or instrumentality of the Government and each organization of motor carriers having special knowledge of a matter being investigated.

(b) **USE OF SERVICES.**—In carrying out this chapter, the Secretary may use the services of a department, agency, or instrumentality of the Government having special knowledge about safety, to conduct scientific and technical research, investigation, and testing when necessary to promote safety of operation and equipment of motor vehicles. The Secretary may reimburse the department, agency, or instrumentality for the services provided.

§ 31504. Identification of motor vehicles

(a) **GENERAL AUTHORITY.**—The Secretary of Transportation may—

(1) issue and require the display of an identification plate on a motor vehicle used in transportation provided by a motor private carrier and a motor carrier of migrant workers subject to section 31502(c) of this title, except a motor contract carrier; and

(2) require each of those motor private carriers and motor carriers of migrant workers to pay the reasonable cost of the plate.

(b) **LIMITATION.**—A motor private carrier or a motor carrier of migrant workers may use an identification plate only as authorized by the Secretary.

CHAPTER 317—PARTICIPATION IN INTERNATIONAL REGISTRATION PLAN AND INTERNATIONAL FUEL TAX AGREEMENT

Sec.	
31701.	Definitions.
31702.	[Repealed.]
31703.	[Repealed.]
31704.	Vehicle registration.
31705.	Fuel use tax.
31706.	Enforcement.
31707.	Limitations on statutory construction.
31708.	[Repealed.]

§ 31701. Definitions

In this chapter—

- (1) “commercial motor vehicle”, with respect to—
 - (A) the International Registration Plan, has the same meaning given the term “apportionable vehicle” under the Plan; and
 - (B) the International Fuel Tax Agreement, has the same meaning given the term “qualified motor vehicle” under the Agreement.
- (2) “fuel use tax” means a tax imposed on or measured by the consumption of fuel in a motor vehicle.
- (3) “International Fuel Tax Agreement” means the interstate agreement on collecting and distributing fuel use taxes

paid by motor carriers, developed under the auspices of the National Governors' Association.

(4) "International Registration Plan" means the interstate agreement on apportioning vehicle registration fees paid by motor carriers, developed by the American Association of Motor Vehicle Administrators.

(5) "Regional Fuel Tax Agreement" means the interstate agreement on collecting and distributing fuel use taxes paid by motor carriers in the States of Maine, Vermont, and New Hampshire.

(6) "State" means the 48 contiguous States and the District of Columbia.

【Sections 31702–31703—repealed by P.L. 105–178】

§ 31704. Vehicle registration

After September 30, 1996, a State that is not participating in the International Registration Plan may not establish, maintain, or enforce a commercial motor vehicle registration law, regulation, or agreement that limits the operation in that State of a commercial motor vehicle that is not registered under the laws of the State, if the vehicle is registered under the laws of a State participating in the Plan.

§ 31705. Fuel use tax

(a) **REPORTING REQUIREMENTS.**—After September 30, 1996, a State may establish, maintain, or enforce a law or regulation that has a fuel use tax reporting requirement (including any tax reporting form) only if the requirement conforms with the International Fuel Tax Agreement.

(b) **PAYMENT.**—After September 30, 1996, a State may establish, maintain, or enforce a law or regulation that provides for the payment of a fuel use tax only if the law or regulation conforms with the International Fuel Tax Agreement as it applies to collection of a fuel use tax by a single base State and proportional sharing of fuel use taxes charged among the States where a commercial motor vehicle is operated.

(c) **LIMITATION.**—If the International Fuel Tax Agreement is amended, a State not participating in the Agreement when the amendment is made is not subject to the conformity requirements of subsections (a) and (b) of this section in regard to the amendment until after a reasonable time, but not earlier than the expiration of—

(1) the 365-day period beginning on the first day that States participating in the Agreement are required to comply with the amendment; or

(2) the 365-day period beginning on the day the relevant office of the State receives written notice of the amendment from the Secretary of Transportation.

(d) **NONAPPLICATION.**—This section does not apply to a State that was participating in the Regional Fuel Tax Agreement on January 1, 1991, and that continues to participate in that Agreement after that date.

§ 31706. Enforcement

(a) CIVIL ACTIONS.—On request of the Secretary of Transportation, the Attorney General may bring a civil action in a court of competent jurisdiction to enforce compliance with sections 31704 and 31705 of this title.

(b) VENUE.—An action under this section may be brought only in the State in which an order is required to enforce compliance.

(c) RELIEF.—Subject to section 1341 of title 28, the court, on a proper showing—

(1) shall issue a temporary restraining order or a preliminary or permanent injunction; and

(2) may require by the injunction that the State or any person comply with sections 31704 and 31705 of this title.

§ 31707. Limitations on statutory construction

Sections 31704 and 31705 of this title do not limit the amount of money a State may charge for registration of a commercial motor vehicle or the amount of any fuel use tax a State may impose.

【Section 31708—repealed by P.L. 105–178】

PART C—INFORMATION, STANDARDS, AND REQUIREMENTS

CHAPTER 321—GENERAL

Sec.

32101. Definitions.

32102. Authorization of appropriations.

§ 32101. Definitions

In this part (except chapter 329 and except as provided in section 33101)—

(1) “bumper standard” means a minimum performance standard that substantially reduces—

(A) the damage to the front or rear end of a passenger motor vehicle from a low-speed collision (including a collision with a fixed barrier) or from towing the vehicle; or

(B) the cost of repairing the damage.

(2) “insurer” means a person in the business of issuing, or reinsuring any part of, a passenger motor vehicle insurance policy.

(3) “interstate commerce” means commerce between a place in a State and—

(A) a place in another State; or

(B) another place in the same State through another State.

(4) “make”, when describing a passenger motor vehicle, means the trade name of the manufacturer of the vehicle.

(5) “manufacturer” means a person—

(A) manufacturing or assembling passenger motor vehicles or passenger motor vehicle equipment; or

(B) importing motor vehicles or motor vehicle equipment for resale.

(6) “model”, when describing a passenger motor vehicle, means a category of passenger motor vehicles based on the size, style, and type of a make of vehicle.

(7) “motor vehicle” means a vehicle driven or drawn by mechanical power and manufactured primarily for use on public streets, roads, and highways, but does not include a vehicle operated only on a rail line.

(8) “motor vehicle accident” means an accident resulting from the maintenance or operation of a passenger motor vehicle or passenger motor vehicle equipment.

(9) “multipurpose passenger vehicle” means a passenger motor vehicle constructed on a truck chassis or with special features for occasional off-road operation.

(10) “passenger motor vehicle” means a motor vehicle with motive power designed to carry not more than 12 individuals, but does not include—

(A) a motorcycle; or

(B) a truck not designed primarily to carry its operator or passengers.

(11) “passenger motor vehicle equipment” means—

(A) a system, part, or component of a passenger motor vehicle as originally made;

(B) a similar part or component made or sold for replacement or improvement of a system, part, or component, or as an accessory or addition to a passenger motor vehicle; or

(C) a device made or sold for use in towing a passenger motor vehicle.

(12) “State” means a State of the United States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, Guam, American Samoa, and the Virgin Islands.

(13) “United States district court” means a district court of the United States, a United States court for Guam, the Virgin Islands, and American Samoa, and the district court for the Northern Mariana Islands.

§ 32102. Authorization of appropriations

There is authorized to be appropriated to the Secretary \$9,562,500 for the National Highway Traffic Safety Administration to carry out this part in each fiscal year beginning in fiscal year 1999 and ending in fiscal year 2001.

CHAPTER 323—CONSUMER INFORMATION

Sec.

32301. Definitions.

32302. Passenger motor vehicle information.

32303. Insurance information.

32304. Passenger motor vehicle country of origin labeling.

32305. Information and assistance from other departments, agencies, and instrumentalities.

32306. Personnel.

32307. Investigative powers.

32308. General prohibitions, civil penalty, and enforcement.

32309. Civil penalty for labeling violations.

§ 32301. Definitions

In this chapter—

(1) “crashworthiness” means the protection a passenger motor vehicle gives its passengers against personal injury or death from a motor vehicle accident.

(2) “damage susceptibility” means the susceptibility of a passenger motor vehicle to damage in a motor vehicle accident.

§ 32302. Passenger motor vehicle information

(a) INFORMATION PROGRAM.—The Secretary of Transportation shall maintain a program for developing the following information on passenger motor vehicles:

(1) damage susceptibility.

(2) crashworthiness.

(3) the degree of difficulty of diagnosis and repair of damage to, or failure of, mechanical and electrical systems.

(4) vehicle operating costs dependent on the characteristics referred to in clauses (1)–(3) of this subsection, including insurance information obtained under section 32303 of this title.

(b) MOTOR VEHICLE INFORMATION.—To assist a consumer in buying a passenger motor vehicle, the Secretary shall provide to the public information developed under subsection (a) of this section. The information shall be in a simple and understandable form that allows comparison of the characteristics referred to in subsection (a)(1)–(3) of this section among the makes and models of passenger motor vehicles. The Secretary may require passenger motor vehicle dealers to distribute the information to prospective buyers.

(c) INSURANCE COST INFORMATION.—The Secretary shall prescribe regulations that require passenger motor vehicle dealers to distribute to prospective buyers information the Secretary develops and provides to the dealers that compares insurance costs for different makes and models of passenger motor vehicles based on damage susceptibility and crashworthiness.

§ 32303. Insurance information

(a) GENERAL REPORTS AND INFORMATION REQUIREMENTS.—(1) In carrying out this chapter, the Secretary of Transportation may require an insurer, or a designated agent of the insurer, to make reports and provide the Secretary with information. The reports and information may include accident claim information by make, model, and model year of passenger motor vehicle about the kind and extent of—

(A) physical damage and repair costs; and

(B) personal injury.

(2) In deciding which reports and information are to be provided under this subsection, the Secretary shall—

(A) consider the cost of preparing and providing the reports and information;

(B) consider the extent to which the reports and information will contribute to carrying out this chapter; and

(C) consult with State authorities and public and private agencies the Secretary considers appropriate.

(3) To the extent possible, the Secretary shall obtain reports and information under this subsection on a voluntary basis.

(b) REQUESTED INFORMATION ON CRASHWORTHINESS, DAMAGE SUSCEPTIBILITY, AND REPAIR AND PERSONAL INJURY COST.—When requested by the Secretary, an insurer shall give the Secretary information—

(1) about the extent to which the insurance premiums charged by the insurer are affected by damage susceptibility, crashworthiness, and the cost of repair and personal injury, for each make and model of passenger motor vehicle; and

(2) available to the insurer about the effect of damage susceptibility, crashworthiness, and the cost of repair and personal injury for each make and model of passenger motor vehicle on the risk incurred by the insurer in insuring that make and model.

(c) DISCLOSURE.—In distributing information received under this section, the Secretary may disclose identifying information about a person that may be an insured, a claimant, a passenger, an owner, a witness, or an individual involved in a motor vehicle accident, only with the consent of the person.

§ 32304. Passenger motor vehicle country of origin labeling

(a) DEFINITIONS.—In this section—

(1) “allied supplier” means a supplier of passenger motor vehicle equipment that is wholly owned by the manufacturer, or if a joint venture vehicle assembly arrangement, a supplier that is wholly owned by one member of the joint venture arrangement.

(2)(A) “carline”—

(i) means a name given a group of passenger motor vehicles that has a degree of commonality in construction such as body and chassis;

(ii) does not consider a level of decor or opulence; and

(iii) except for light duty trucks, is not generally distinguished by characteristics such as roof line, number of doors, seats, or windows; and

(B) light duty trucks are different carlines than passenger motor vehicles.

(3) “country of origin”, when referring to the origin of an engine or transmission, means the country from which the largest share of the dollar value added to an engine or transmission has originated—

(A) with the United States and Canada treated as separate countries; and

(B) the estimate of the percentage of the dollar value shall be based on the purchase price of direct materials, as received at individual engine or transmission plants, of engines of the same displacement and transmissions of the same transmission type, plus the assembly and labor costs incurred for the final assembly of such engines and transmissions.

(4) “dealer” means a person residing or located in the United States, including the District of Columbia or a territory or possession of the United States, and engaged in selling or

distributing new passenger motor vehicles to the ultimate purchaser.

(5) “final assembly place” means the plant, factory, or other place at which a new passenger motor vehicle is produced or assembled by a manufacturer, and from which the vehicle is delivered to a dealer or importer with all component parts necessary for the mechanical operation of the vehicle included with the vehicle, whether or not the component parts are permanently installed in or on the vehicle. Such term does not include facilities for engine and transmission fabrication and assembly and the facilities for fabrication of motor vehicle equipment component parts which are produced at the same final assembly place using forming processes such as stamping, machining, or molding processes.

(6) “foreign content” means passenger motor vehicle equipment that is not of United States/Canadian origin.

(7) “manufacturer” means a person—

(A) engaged in manufacturing or assembling new passenger motor vehicles;

(B) importing new passenger motor vehicles for resale;

or

(C) acting for and under the control of such a manufacturer, assembler, or importer in connection with the distribution of new passenger motor vehicles.

(8) “new passenger motor vehicle” means a passenger motor vehicle for which a manufacturer, distributor, or dealer has never transferred the equitable or legal title to the vehicle to an ultimate purchaser.

(9) “of United States/Canadian origin”, when referring to passenger motor vehicle equipment, means—

(A) for an outside supplier—

(i) the full purchase price of passenger motor vehicle equipment whose purchase price contains at least 70 percent value added in the United States and Canada; or

(ii) that portion of the purchase price of passenger motor vehicle equipment containing less than 70 percent value added in the United States and Canada that is attributable to the percent value added in the United States and Canada when such percent is expressed to the nearest 5 percent; and

(B) for an allied supplier, that part of the individual passenger motor vehicle equipment whose purchase price the manufacturer determines remains after subtracting the total of the purchase prices of all material of foreign content purchased from outside suppliers, with the determination of the United States/Canadian origin or of the foreign content from outside suppliers being consistent with subclause (A) of this clause¹.

(10) “outside supplier” means a supplier of passenger motor vehicle equipment to a manufacturer’s allied supplier, or

¹ So in law. Probably should be “subparagraph (A) of this paragraph”.

a person other than an allied supplier, who ships directly to the manufacturer's final assembly place.

(11) "passenger motor vehicle" has the same meaning given that term in section 32101(10) of this title, except that it includes any multi-purpose vehicle or light duty truck when that vehicle or truck is rated at not more than 8,500 pounds gross vehicle weight.

(12) "passenger motor vehicle equipment"—

(A) means a system, subassembly, or component received at the final vehicle assembly place for installation on, or attachment to, a passenger motor vehicle at the time of its first shipment by the manufacturer to a dealer for sale to an ultimate purchaser; but

(B) does not include minor parts (including nuts, bolts, clips, screws, pins, braces, and other attachment hardware) and other similar items the Secretary of Transportation may prescribe by regulation after consulting with manufacturers and labor.

(13) "percentage (by value)", when referring to passenger motor vehicle equipment of United States/Canadian origin, means the percentage remaining after subtracting the percentage (by value) of passenger motor vehicle equipment that is not of United States/Canadian origin that will be installed or included on those vehicles produced in a carline, from 100 percent—

(A) with value being expressed in terms of the purchase price; and

(B) for outside suppliers and allied suppliers, the value used is the purchase price of the equipment paid at the final assembly place.

(14) "State" means a State of the United States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, Guam, American Samoa, and the Virgin Islands.

(15) "value added in the United States and Canada" means a percentage determined by subtracting the total purchase price of foreign content from the total purchase price, and dividing the remainder by the total purchase price, excluding costs incurred or profits made at the final assembly place and beyond (including advertising, assembly, labor, interest payments, and profits), with the following groupings being used:

(A) engines of same displacement produced at the same plant.

(B) transmissions of the same type produced at the same plant.

(b) MANUFACTURER REQUIREMENT.—(1) Each manufacturer of a new passenger motor vehicle manufactured after September 30, 1994, and distributed in commerce for sale in the United States, shall establish each year for each model year and cause to be attached in a prominent place on each of those vehicles, at least one label. The label shall contain the following information:

(A) the percentage (by value) of passenger motor vehicle equipment of United States/Canadian origin installed on vehicles in the carline to which that vehicle belongs, identified by the words "U.S./Canadian content".

(B) the final assembly place for that vehicle by city, State (where appropriate) and country.

(C) if at least 15 percent (by value) of equipment installed on passenger motor vehicles in a carline originated in any country other than the United States and Canada, the names of at least the 2 countries in which the greatest amount (by value) of that equipment originated and the percentage (by value) of the equipment originating in each country.

(D) the country of origin of the engine and the transmission for each vehicle.

(2) At the beginning of each model year, each manufacturer shall establish the percentages required for each carline to be indicated on the label under this subsection. Those percentages are applicable to that carline for the entire model year. A manufacturer may round those percentages to the nearest 5 percent.

(3) A manufacturer complying with the requirement of paragraph (1)(B) of this subsection satisfies the disclosure requirement of section 3(b) of the Automobile Information Disclosure Act (15 U.S.C. 1232(b)).

(c) VEHICLE CONTENT PERCENTAGE BY ASSEMBLY PLANT.—A manufacturer may display separately on the label required by subsection (b) the domestic content of a vehicle based on the assembly plant. Such display shall occur after the matter required to be in the label by subsection (b)(1)(A).

(d) VALUE ADDED DETERMINATION.—If a manufacturer or allied supplier requests information in a timely manner from one or more of its outside suppliers concerning the United States/Canadian content of particular equipment, but does not receive that information despite a good faith effort to obtain it, the manufacturer or allied supplier may make its own good faith value added determinations, subject to the following:

(1) The manufacturer or allied supplier shall make the same value added determinations as would be made by the outside supplier, that is, whether 70 percent or more of the value of equipment is added in the United States and/or Canada.

(2) The manufacturer or allied supplier shall consider the amount of value added and the location in which the value was added for all of the stages that the outside supplier would be required to consider.

(3) The manufacturer or allied supplier may determine that the value added in the United States and/or Canada is 70 percent or more only if it has a good faith basis to make that determination.

(4) A manufacturer and its allied suppliers may, on a combined basis, make value added determinations for no more than 10 percent, by value, of a carline's total parts content from outside suppliers.

(5) Value added determinations made by a manufacturer or allied supplier under this paragraph shall have the same effect as if they were made by the outside supplier.

(6) This provision does not affect the obligation of outside suppliers to provide the requested information.

(e) **SMALL PARTS.**—The country of origin of nuts, bolts, clips, screws, pins, braces, gasoline, oil, blackout, phosphate rinse, windshield washer fluid, fasteners, tire assembly fluid, rivets, adhesives, and grommets, of any system, subassembly, or component installed in a vehicle shall be considered to be the country in which such parts were included in the final assembly of such vehicle.

(f) **DEALER REQUIREMENT.**—Each dealer engaged in the sale or distribution of a new passenger motor vehicle manufactured after September 30, 1994, shall cause to be maintained on that vehicle the label required to be attached to that vehicle under subsection (b) of this section.

(g) **FORM AND CONTENT OF LABEL.**—The Secretary of Transportation shall prescribe by regulation the form and content of the label required under subsection (b) of this section and the manner and location in which the label is attached. The Secretary shall permit a manufacturer to comply with this section by allowing the manufacturer to disclose the information required under subsection (b)(1) on the label required by section 3 of the Automobile Information Disclosure Act (15 U.S.C. 1232), on the label required by section 32908 of this title, or on a separate label that is readily visible. A manufacturer may add to the label required under subsection (b) a line stating the country in which vehicle assembly was completed.

(h) **REGULATIONS.**—In consultation with the Secretaries of Commerce and the Treasury, the Secretary of Transportation shall prescribe regulations necessary to carry out this section, including regulations establishing a procedure to verify the label information required under subsection (b)(1) of this section. Those regulations shall provide the ultimate purchaser of a new passenger motor vehicle with the best and most understandable information possible about the foreign content and United States/Canadian origin of the equipment of the vehicles without imposing costly and unnecessary burdens on the manufacturers. The Secretary of Transportation shall prescribe the regulations promptly to provide adequate lead time for each manufacturer to comply with this section. The regulations shall include provisions applicable to outside suppliers and allied suppliers to require those suppliers to certify whether passenger motor vehicle equipment provided by those suppliers is of United States origin, of United States/Canadian origin, or of foreign content and to provide other information the Secretary of Transportation decides is necessary to allow each manufacturer to comply reasonably with this section and to rely on that certification and information.

(i) **PREEMPTION.**—(1) When a label content requirement prescribed under this section is in effect, a State or a political subdivision of a State may not adopt or enforce a law or regulation related to the content of vehicles covered by a requirement under this section.

(2) A State or a political subdivision of a State may prescribe requirements related to the content of passenger motor vehicles obtained for its own use.

§ 32305. Information and assistance from other departments, agencies, and instrumentalities

(a) **AUTHORITY TO REQUEST.**—The Secretary of Transportation may request information necessary to carry out this chapter from a department, agency, or instrumentality of the United States Government. The head of the department, agency, or instrumentality shall provide the information.

(b) **DETAILING PERSONNEL.**—The head of a department, agency, or instrumentality may detail, on a reimbursable basis, personnel to assist the Secretary in carrying out this chapter.

§ 32306. Personnel

(a) **GENERAL AUTHORITY.**—In carrying out this chapter, the Secretary of Transportation may—

(1) appoint and fix the pay of employees without regard to the provisions of title 5 governing appointment in the competitive service and chapter 51 and subchapter III of chapter 53 of title 5; and

(2) make contracts with persons for research and preparation of reports.

(b) **STATUS OF ADVISORY COMMITTEE MEMBERS.**—A member of an advisory committee appointed under section 325 of this title to carry out this chapter is a special United States Government employee under chapter 11 of title 18.

§ 32307. Investigative powers

(a) **GENERAL AUTHORITY.**—In carrying out this chapter, the Secretary of Transportation may—

(1) inspect and copy records of any person at reasonable times;

(2) order a person to file written reports or answers to specific questions, including reports or answers under oath; and

(3) conduct hearings, administer oaths, take testimony, and require (by subpoena or otherwise) the appearance and testimony of witnesses and the production of records the Secretary considers advisable.

(b) **WITNESS FEES AND MILEAGE.**—A witness summoned under subsection (a) of this section is entitled to the same fee and mileage the witness would have been paid in a court of the United States.

(c) **CIVIL ACTIONS TO ENFORCE.**—A civil action to enforce a subpoena or order of the Secretary under subsection (a) of this section may be brought in the United States district court for the judicial district in which the proceeding by the Secretary is conducted. The court may punish a failure to obey an order of the court to comply with the subpoena or order of the Secretary as a contempt of court.

(d) **CONFIDENTIALITY OF INFORMATION.**—Information obtained by the Secretary under this section related to a confidential matter referred to in section 1905 of title 18 may be disclosed only to another officer or employee of the United States Government for use in carrying out this chapter. This subsection does not authorize information to be withheld from a committee of Congress authorized to have the information.

§ 32308. General prohibitions, civil penalty, and enforcement

(a) PROHIBITIONS.—A person may not—

(1) fail to provide the Secretary of Transportation with information requested by the Secretary in carrying out this chapter; or

(2) fail to comply with applicable regulations prescribed by the Secretary in carrying out this chapter.

(b) CIVIL PENALTY.—(1) A person that violates subsection (a) of this section is liable to the United States Government for a civil penalty of not more than \$1,000 for each violation. Each failure to provide information or comply with a regulation in violation of subsection (a) is a separate violation. The maximum penalty under this subsection for a related series of violations is \$400,000.

(2) The Secretary may compromise the amount of a civil penalty imposed under this section.

(3) In determining the amount of a penalty or compromise, the appropriateness of the penalty or compromise to the size of the business of the person charged and the gravity of the violation shall be considered.

(4) The Government may deduct the amount of a civil penalty imposed or compromised under this section from amounts it owes the person liable for the penalty.

(c) CIVIL ACTIONS TO ENFORCE.—(1) The Attorney General may bring a civil action in a United States district court to enjoin a violation of subsection (a) of this section.

(2) When practicable, the Secretary shall—

(A) notify a person against whom an action under this subsection is planned;

(B) give the person an opportunity to present that person's views; and

(C) give the person a reasonable opportunity to comply.

(3) The failure of the Secretary to comply with paragraph (2) of this subsection does not prevent a court from granting appropriate relief.

(d) VENUE AND SERVICE.—A civil action under this section may be brought in the judicial district in which the violation occurred or the defendant is found, resides, or does business. Process in the action may be served in any other judicial district in which the defendant resides or is found. A subpoena for a witness in the action may be served in any judicial district.

§ 32309. Civil penalty for labeling violations

(a) DEFINITIONS.—The definitions in section 32304 of this title apply to this section.

(b) PENALTIES.—A manufacturer of a passenger motor vehicle distributed in commerce for sale in the United States that willfully fails to attach the label required under section 32304 of this title to a new passenger motor vehicle that the manufacturer manufactures or imports, or a dealer that fails to maintain that label as required under section 32304, is liable to the United States Government for a civil penalty of not more than \$1,000 for each violation.

Each failure to attach or maintain that label for each vehicle is a separate violation.

CHAPTER 325—BUMPER STANDARDS

Sec.

- 32501. Purpose.
- 32502. Bumper standards.
- 32503. Judicial review of bumper standards.
- 32504. Certificates of compliance.
- 32505. Information and compliance requirements.
- 32506. Prohibited acts.
- 32507. Penalties and enforcement.
- 32508. Civil actions by owners of passenger motor vehicles.
- 32509. Information and assistance from other departments, agencies, and instrumentalities.
- [32510. Repealed.]
- 32511. Relationship to other motor vehicle standards.

§ 32501. Purpose

The purpose of this chapter is to reduce economic loss resulting from damage to passenger motor vehicles involved in motor vehicle accidents by providing for the maintenance and enforcement of bumper standards.

§ 32502. Bumper standards

(a) GENERAL REQUIREMENTS AND NONAPPLICATION.—The Secretary of Transportation shall prescribe by regulation bumper standards for passenger motor vehicles and may prescribe by regulation bumper standards for passenger motor vehicle equipment manufactured in, or imported into, the United States. A standard does not apply to a passenger motor vehicle or passenger motor vehicle equipment—

- (1) intended only for export;
- (2) labeled for export on the vehicle or equipment and the outside of any container of the vehicle or equipment; and
- (3) exported.

(b) LIMITATIONS.—A standard under this section—

- (1) may not conflict with a motor vehicle safety standard prescribed under chapter 301 of this title;
- (2) may not specify a dollar amount for the cost of repairing damage to a passenger motor vehicle; and
- (3) to the greatest practicable extent, may not preclude the attachment of a detachable hitch.

(c) EXEMPTIONS.—For good cause, the Secretary may exempt from all or any part of a standard—

- (1) a multipurpose passenger vehicle;
- (2) a make, model, or class of a passenger motor vehicle manufactured for a special use, if the standard would interfere unreasonably with the special use of the vehicle; or
- (3) a passenger motor vehicle for which an application for an exemption under section 30013(b)¹ of this title has been filed in accordance with the requirements of that section.

(d) COST REDUCTION AND CONSIDERATIONS.—When prescribing a standard under this section, the Secretary shall design the stand-

¹ So in original. Probably should be “30113(b)”.

ard to obtain the maximum feasible reduction of costs to the public, considering—

- (1) the costs and benefits of carrying out the standard;
- (2) the effect of the standard on insurance costs and legal fees and costs;
- (3) savings in consumer time and inconvenience; and
- (4) health and safety, including emission standards.

(e) PROCEDURES.—Section 553 of title 5 applies to a standard prescribed under this section. However, the Secretary shall give an interested person an opportunity to make oral and written presentations of information, views, and arguments. A transcript of each oral presentation shall be kept. Under conditions prescribed by the Secretary, the Secretary may conduct a hearing to resolve an issue of fact material to a standard.

(f) EFFECTIVE DATE.—The Secretary shall prescribe an effective date for a standard under this section. That date may not be earlier than the date the standard is prescribed nor later than 18 months after the date the standard is prescribed. However, the Secretary may prescribe a later date when the Secretary submits to Congress and publishes the reasons for the later date. A standard only applies to a passenger motor vehicle or passenger motor vehicle equipment manufactured on or after the effective date.

(g) RESEARCH.—The Secretary shall conduct research necessary to carry out this chapter.

§ 32503. Judicial review of bumper standards

(a) FILING AND VENUE.—A person that may be adversely affected by a standard prescribed under section 32502 of this title may apply for review of the standard by filing a petition for review in the United States Court of Appeals for the District of Columbia Circuit or in the court of appeals of the United States for the circuit in which the person resides or has its principal place of business. The petition must be filed not later than 59 days after the standard is prescribed.

(b) NOTIFYING SECRETARY.—The clerk of the court shall send immediately a copy of the petition to the Secretary of Transportation. The Secretary shall file with the court a record of the proceeding in which the standard was prescribed.

(c) ADDITIONAL PROCEEDINGS.—(1) On request of the petitioner, the court may order the Secretary to receive additional evidence and evidence in rebuttal if the court is satisfied the additional evidence is material and there were reasonable grounds for not presenting the evidence in the proceeding before the Secretary.

(2) The Secretary may modify findings of fact or make new findings because of the additional evidence presented. The Secretary shall file a modified or new finding, a recommendation to modify or set aside a standard, and the additional evidence with the court.

(d) SUPREME COURT REVIEW AND ADDITIONAL REMEDIES.—A judgment of a court under this section may be reviewed only by the Supreme Court under section 1254 of title 28. A remedy under this section is in addition to any other remedies provided by law.

§ 32504. Certificates of compliance

Under regulations prescribed by the Secretary of Transportation, a manufacturer or distributor of a passenger motor vehicle or passenger motor vehicle equipment subject to a standard prescribed under section 32502 of this title shall give the distributor or dealer at the time of delivery a certificate that the vehicle or equipment complies with the standard.

§ 32505. Information and compliance requirements

(a) GENERAL AUTHORITY.—(1) To enable the Secretary of Transportation to decide whether a manufacturer of passenger motor vehicles or passenger motor vehicle equipment is complying with this chapter and standards prescribed under this chapter, the Secretary may require the manufacturer to—

- (A) keep records;
- (B) make reports;
- (C) provide items and information, including vehicles and equipment for testing at a negotiated price not more than the manufacturer's cost; and
- (D) allow an officer or employee designated by the Secretary to inspect vehicles and relevant records of the manufacturer.

(2) To enforce this chapter, an officer or employee designated by the Secretary, on presenting appropriate credentials and a written notice to the owner, operator, or agent in charge, may inspect a facility in which passenger motor vehicles or passenger motor vehicle equipment is manufactured, held for introduction in interstate commerce, or held for sale after introduction in interstate commerce. An inspection shall be conducted at a reasonable time, in a reasonable way, and with reasonable promptness.

(b) POWERS OF SECRETARY AND CIVIL ACTIONS TO ENFORCE.—

(1) In carrying out this chapter, the Secretary may—

- (A) inspect and copy records of any person at reasonable times;
- (B) order a person to file written reports or answers to specific questions, including reports or answers under oath; and
- (C) conduct hearings, administer oaths, take testimony, and require (by subpoena or otherwise) the appearance and testimony of witnesses and the production of records the Secretary considers advisable.

(2) A witness summoned under this subsection is entitled to the same fee and mileage the witness would have been paid in a court of the United States.

(3) A civil action to enforce a subpoena or order of the Secretary under this subsection may be brought in the United States district court for any judicial district in which the proceeding by the Secretary is conducted. The court may punish a failure to obey an order of the court to comply with the subpoena or order of the Secretary as a contempt of court.

(c) CONFIDENTIALITY OF INFORMATION.—(1) Information obtained by the Secretary under this chapter related to a confidential matter referred to in section 1905 of title 18 may be disclosed only—

(A) to another officer or employee of the United States Government for use in carrying out this chapter; or

(B) in a proceeding under this chapter.

(2) This subsection does not authorize information to be withheld from a committee of Congress authorized to have the information.

(3) Subject to paragraph (1) of this subsection, the Secretary, on request, shall make available to the public at cost information the Secretary submits or receives in carrying out this chapter.

§ 32506. Prohibited acts

(a) GENERAL.—Except as provided in this section and section 32502 of this title, a person may not—

(1) manufacture for sale, sell, offer for sale, introduce or deliver for introduction in interstate commerce, or import into the United States, a passenger motor vehicle or passenger motor vehicle equipment manufactured on or after the date an applicable standard under section 32502 of this title takes effect, unless it conforms to the standard;

(2) fail to comply with an applicable regulation prescribed by the Secretary of Transportation under this chapter;

(3) fail to keep records, refuse access to or copying of records, fail to make reports or provide items or information, or fail or refuse to allow entry or inspection, as required by this chapter or a regulation prescribed under this chapter; or

(4) fail to provide the certificate required by section 32504 of this title, or provide a certificate that the person knows, or in the exercise of reasonable care has reason to know, is false or misleading in a material respect.

(b) NONAPPLICATION.—Subsection (a)(1) of this section does not apply to—

(1) the sale, offer for sale, or introduction or delivery for introduction in interstate commerce of a passenger motor vehicle or passenger motor vehicle equipment after the first purchase of the vehicle or equipment in good faith other than for resale (but this clause does not prohibit a standard from requiring that a vehicle or equipment be manufactured to comply with the standard over a specified period of operation or use); or

(2) a person—

(A) establishing that the person had no reason to know, by exercising reasonable care, that the vehicle or equipment does not comply with the standard; or

(B) holding, without knowing about a noncompliance and before that first purchase, a certificate issued under section 32504 of this title stating that the vehicle or equipment complies with the standard.

(c) IMPORTING NONCOMPLYING VEHICLES AND EQUIPMENT.—(1) The Secretaries of Transportation and the Treasury may prescribe joint regulations authorizing a passenger motor vehicle or passenger motor vehicle equipment not complying with a standard prescribed under section 32502 of this title to be imported into the United States subject to conditions (including providing a bond) the

Secretaries consider appropriate to ensure that the vehicle or equipment will—

- (A) comply, after importation, with the standards prescribed under section 32502 of this title;
- (B) be exported; or
- (C) be abandoned to the United States Government.

(2) The Secretaries may prescribe joint regulations that allow a passenger motor vehicle or passenger motor vehicle equipment to be imported into the United States after the first purchase in good faith other than for resale.

(d) LIABILITY UNDER OTHER LAW.—Compliance with a standard under this chapter does not exempt a person from liability provided by law.

§ 32507. Penalties and enforcement

(a) CIVIL PENALTY.—(1) A person that violates section 32506(a) of this title is liable to the United States Government for a civil penalty of not more than \$1,000 for each violation. A separate violation occurs for each passenger motor vehicle or item of passenger motor vehicle equipment involved in a violation of section 32506(a)(1) or (4) of this title—

- (A) that does not comply with a standard prescribed under section 32502 of this title; or
- (B) for which a certificate is not provided, or for which a false or misleading certificate is provided, under section 32504 of this title.

(2) The maximum civil penalty under this subsection for a related series of violations is \$800,000.

(3) The Secretary of Transportation imposes a civil penalty under this subsection. The Attorney General or the Secretary, with the concurrence of the Attorney General, shall bring a civil action in a United States district court to collect the penalty.

(b) CRIMINAL PENALTY.—A person knowingly and willfully violating section 32506(a)(1) of this title after receiving a notice of noncompliance from the Secretary shall be fined under title 18, imprisoned for not more than one year, or both. If the person is a corporation, the penalties of this subsection also apply to a director, officer, or individual agent of the corporation who, with knowledge of the Secretary's notice, knowingly and willfully authorizes, orders, or performs an act that is any part of the violation.

(c) CIVIL ACTIONS TO ENFORCE.—(1) The Secretary or the Attorney General may bring a civil action in a United States district court to enjoin a violation of this chapter or the sale, offer for sale, introduction or delivery for introduction in interstate commerce, or importation into the United States, of a passenger motor vehicle or passenger motor vehicle equipment that is found, before the first purchase in good faith other than for resale, not to comply with a standard prescribed under section 32502 of this title.

(2) When practicable, the Secretary shall—

- (A) notify a person against whom an action under this subsection is planned;
- (B) give the person an opportunity to present that person's views; and

(C) except for a knowing and willful violation, give the person a reasonable opportunity to comply.

(3) The failure of the Secretary to comply with paragraph (2) of this subsection does not prevent a court from granting appropriate relief.

(d) JURY TRIAL DEMAND.—In a trial for criminal contempt for violating an injunction or restraining order issued under subsection (c) of this section, the violation of which is also a violation of this chapter, the defendant may demand a jury trial. The defendant shall be tried as provided in rule 42(b) of the Federal Rules of Criminal Procedure (18 App. U.S.C.).

(e) VENUE.—A civil action under subsection (a) or (c) of this section may be brought in the judicial district in which the violation occurred or the defendant is found, resides, or does business. Process in the action may be served in any other judicial district in which the defendant resides or is found. A subpoena for a witness in the action may be served in any judicial district.

§ 32508. Civil actions by owners of passenger motor vehicles

When an owner of a passenger motor vehicle sustains damages as a result of a motor vehicle accident because the vehicle did not comply with a standard prescribed under section 32502 of this title, the owner may bring a civil action against the manufacturer to recover the damages. The action may be brought in the United States District Court for the District of Columbia or in the United States district court for the judicial district in which the owner resides. The action must be brought not later than 3 years after the date of the accident. The court shall award costs and a reasonable attorney's fee to the owner when a judgment is entered for the owner.

§ 32509. Information and assistance from other departments, agencies, and instrumentalities

(a) GENERAL AUTHORITY.—The Secretary of Transportation may request information necessary to carry out this chapter from a department, agency, or instrumentality of the United States Government. The head of the department, agency, or instrumentality shall provide the information.

(b) DETAILING PERSONNEL.—The head of a department, agency, or instrumentality may detail, on a reimbursable basis, personnel to assist the Secretary in carrying out this chapter.

[§ 32510. Repealed by P.L. 105-362, § 1501(e).]

§ 32511. Relationship to other motor vehicle standards

(a) PREEMPTION.—Except as provided in this section, a State or a political subdivision of a State may prescribe or enforce a bumper standard for a passenger motor vehicle or passenger motor vehicle equipment only if the standard is identical to a standard prescribed under section 32502 of this title.

(b) ENFORCEMENT.—This chapter and chapter 301 of this title do not affect the authority of a State to enforce a bumper standard about an aspect of performance of a passenger motor vehicle or passenger motor vehicle equipment not covered by a standard pre-

scribed under section 32502 of this title if the State bumper standard—

(1) does not conflict with a standard prescribed under chapter 301 of this title; and

(2) was in effect or prescribed by the State on October 20, 1972.

(c) **ADDITIONAL AND HIGHER STANDARDS OF PERFORMANCE.**—The United States Government, a State, or a political subdivision of a State may prescribe a bumper standard for a passenger motor vehicle or passenger motor vehicle equipment obtained for its own use that imposes additional or higher standards of performance than a standard prescribed under section 32502 of this title.

CHAPTER 327—ODOMETERS

Sec.

- 32701. Findings and purposes.
- 32702. Definitions.
- 32703. Preventing tampering.
- 32704. Service, repair, and replacement.
- 32705. Disclosure requirements on transfer of motor vehicles.
- 32706. Inspections, investigations, and records.
- 32707. Administrative warrants.
- 32708. Confidentiality of information.
- 32709. Penalties and enforcement.
- 32710. Civil actions by private persons.
- 32711. Relationship to State law.

§ 32701. Findings and purposes

(a) **FINDINGS.**—Congress finds that—

(1) buyers of motor vehicles rely heavily on the odometer reading as an index of the condition and value of a vehicle;

(2) buyers are entitled to rely on the odometer reading as an accurate indication of the mileage of the vehicle;

(3) an accurate indication of the mileage assists a buyer in deciding on the safety and reliability of the vehicle; and

(4) motor vehicles move in, or affect, interstate and foreign commerce.

(b) **PURPOSES.**—The purposes of this chapter are—

(1) to prohibit tampering with motor vehicle odometers; and

(2) to provide safeguards to protect purchasers in the sale of motor vehicles with altered or reset odometers.

§ 32702. Definitions

In this chapter—

(1) “auction company” means a person taking possession of a motor vehicle owned by another to sell at an auction.

(2) “dealer” means a person that sold at least 5 motor vehicles during the prior 12 months to buyers that in good faith bought the vehicles other than for resale.

(3) “distributor” means a person that sold at least 5 motor vehicles during the prior 12 months for resale.

(4) “leased motor vehicle” means a motor vehicle leased to a person for at least 4 months by a lessor that leased at least 5 vehicles during the prior 12 months.

(5) “odometer” means an instrument for measuring and recording the distance a motor vehicle is driven, but does not include an auxiliary instrument designed to be reset by the operator of the vehicle to record mileage of a trip.

(6) “repair” and “replace” mean to restore to a sound working condition by replacing any part of an odometer or by correcting any inoperative part of an odometer.

(7) “title” means the certificate of title or other document issued by the State indicating ownership.

(8) “transfer” means to change ownership by sale, gift, or any other means.

§ 32703. Preventing tampering

A person may not—

(1) advertise for sale, sell, use, install, or have installed, a device that makes an odometer of a motor vehicle register a mileage different from the mileage the vehicle was driven, as registered by the odometer within the designed tolerance of the manufacturer of the odometer;

(2) disconnect, reset, alter, or have disconnected, reset, or altered, an odometer of a motor vehicle intending to change the mileage registered by the odometer;

(3) with intent to defraud, operate a motor vehicle on a street, road, or highway if the person knows that the odometer of the vehicle is disconnected or not operating; or

(4) conspire to violate this section or section 32704 or 32705 of this title.

§ 32704. Service, repair, and replacement

(a) ADJUSTING MILEAGE.—A person may service, repair, or replace an odometer of a motor vehicle if the mileage registered by the odometer remains the same as before the service, repair, or replacement. If the mileage cannot remain the same—

(1) the person shall adjust the odometer to read zero; and

(2) the owner of the vehicle or agent of the owner shall attach a written notice to the left door frame of the vehicle specifying the mileage before the service, repair, or replacement and the date of the service, repair, or replacement.

(b) REMOVING OR ALTERING NOTICE.—A person may not, with intent to defraud, remove or alter a notice attached to a motor vehicle as required by this section.

§ 32705. Disclosure requirements on transfer of motor vehicles

(a)(1) DISCLOSURE REQUIREMENTS.—Under regulations prescribed by the Secretary of Transportation that include the way in which information is disclosed and retained under this section, a person transferring ownership of a motor vehicle shall give the transferee the following written disclosure:

(A) Disclosure of the cumulative mileage registered on the odometer.

(B) Disclosure that the actual mileage is unknown, if the transferor knows that the odometer reading is different from the number of miles the vehicle has actually traveled.

(2) A person transferring ownership of a motor vehicle may not violate a regulation prescribed under this section or give a false statement to the transferee in making the disclosure required by such a regulation.

(3) A person acquiring a motor vehicle for resale may not accept a written disclosure under this section unless it is complete.

(4)(A) This subsection shall apply to all transfers of motor vehicles (unless otherwise exempted by the Secretary by regulation), except in the case of transfers of new motor vehicles from a vehicle manufacturer jointly to a dealer and a person engaged in the business of renting or leasing vehicles for a period of 30 days or less.

(B) For purposes of subparagraph (A), the term “new motor vehicle” means any motor vehicle driven with no more than the limited use necessary in moving, transporting, or road testing such vehicle prior to delivery from the vehicle manufacturer to a dealer, but in no event shall the odometer reading of such vehicle exceed 300 miles.

(5) The Secretary may exempt such classes or categories of vehicles as the Secretary deems appropriate from these requirements. Until such time as the Secretary amends or modifies the regulations set forth in 49 CFR 580.6, such regulations shall have full force and effect.

(b) MILEAGE STATEMENT REQUIREMENT FOR LICENSING.—(1) A motor vehicle the ownership of which is transferred may not be licensed for use in a State unless the transferee, in submitting an application to a State for the title on which the license will be issued, includes with the application the transferor’s title and, if that title contains the space referred to in paragraph (3)(A)(iii) of this subsection, a statement, signed and dated by the transferor, of the mileage disclosure required under subsection (a) of this section. This paragraph does not apply to a transfer of ownership of a motor vehicle that has not been licensed before the transfer.

(2)(A) Under regulations prescribed by the Secretary, if the title to a motor vehicle issued to a transferor by a State is in the possession of a lienholder when the transferor transfers ownership of the vehicle, the transferor may use a written power of attorney (if allowed by State law) in making the mileage disclosure required under subsection (a) of this section. Regulations prescribed under this paragraph—

- (i) shall prescribe the form of the power of attorney;
- (ii) shall provide that the form be printed by means of a secure printing process (or other secure process);
- (iii) shall provide that the State issue the form to the transferee;
- (iv) shall provide that the person exercising the power of attorney retain a copy and submit the original to the State with a copy of the title showing the restatement of the mileage;
- (v) may require that the State retain the power of attorney and the copy of the title for an appropriate period or that the State adopt alternative measures consistent with section 32701(b) of this title, after considering the costs to the State;
- (vi) shall ensure that the mileage at the time of transfer be disclosed on the power of attorney document;

(vii) shall ensure that the mileage be restated exactly by the person exercising the power of attorney in the space referred to in paragraph (3)(A)(iii) of this subsection;

(viii) may not require that a motor vehicle be titled in the State in which the power of attorney was issued;

(ix) shall consider the need to facilitate normal commercial transactions in the sale or exchange of motor vehicles; and

(x) shall provide other conditions the Secretary considers appropriate.

(B) Section 32709(a) and (b) applies to a person granting or granted a power of attorney under this paragraph.

(3)(A) A motor vehicle the ownership of which is transferred may not be licensed for use in a State unless the title issued by the State to the transferee—

(i) is produced by means of a secure printing process (or other secure process);

(ii) indicates the mileage disclosure required to be made under subsection (a) of this section; and

(iii) contains a space for the transferee to disclose the mileage at the time of a future transfer and to sign and date the disclosure.

(B) Subparagraph (A) of this paragraph does not require a State to verify, or preclude a State from verifying, the mileage information contained in the title.

(c) LEASED MOTOR VEHICLES.—(1) For a leased motor vehicle, the regulations prescribed under subsection (a) of this section shall require written disclosure about mileage to be made by the lessee to the lessor when the lessor transfers ownership of that vehicle.

(2) Under those regulations, the lessor shall provide written notice to the lessee of—

(A) the lessee's mileage disclosure requirements under paragraph (1) of this subsection; and

(B) the penalties for failure to comply with those requirements.

(3) The lessor shall retain the disclosures made by a lessee under paragraph (1) of this subsection for at least 4 years following the date the lessor transfers the leased motor vehicle.

(4) If the lessor transfers ownership of a leased motor vehicle without obtaining possession of the vehicle, the lessor, in making the disclosure required by subsection (a) of this section, may indicate on the title the mileage disclosed by the lessee under paragraph (1) of this subsection unless the lessor has reason to believe that the disclosure by the lessee does not reflect the actual mileage of the vehicle.

(d) STATE ALTERNATE VEHICLE MILEAGE DISCLOSURE REQUIREMENTS.—The requirements of subsections (b) and (c)(1) of this section on the disclosure of motor vehicle mileage when motor vehicles are transferred or leased apply in a State unless the State has in effect alternate motor vehicle mileage disclosure requirements approved by the Secretary. The Secretary shall approve alternate motor vehicle mileage disclosure requirements submitted by a State unless the Secretary decides that the requirements are not consistent with the purpose of the disclosure required by subsection (b) or (c), as the case may be.

(e) AUCTION SALES.—If a motor vehicle is sold at an auction, the auction company conducting the auction shall maintain the following records for at least 4 years after the date of the sale:

(1) the name of the most recent owner of the motor vehicle (except the auction company) and the name of the buyer of the motor vehicle.

(2) the vehicle identification number required under chapter 301 or 331 of this title.

(3) the odometer reading on the date the auction company took possession of the motor vehicle.

(f) APPLICATION AND REVISION OF STATE LAW.—(1) Except as provided in paragraph (2) of this subsection, subsections (b)–(e) of this section apply to the transfer of a motor vehicle after April 28, 1989.

(2) If a State requests, the Secretary shall assist the State in revising its laws to comply with subsection (b) of this section. If a State requires time beyond April 28, 1989, to revise its laws to achieve compliance, the Secretary, on request of the State, may grant additional time that the Secretary considers reasonable by publishing a notice in the Federal Register. The notice shall include the reasons for granting the additional time. In granting additional time, the Secretary shall ensure that the State is making reasonable efforts to achieve compliance.

§ 32706. Inspections, investigations, and records

(a) AUTHORITY TO INSPECT AND INVESTIGATE.—Subject to section 32707 of this title, the Secretary of Transportation may conduct an inspection or investigation necessary to carry out this chapter or a regulation prescribed or order issued under this chapter. The Secretary shall cooperate with State and local officials to the greatest extent possible in conducting an inspection or investigation. The Secretary may give the Attorney General information about a violation of this chapter or a regulation prescribed or order issued under this chapter.

(b) ENTRY, INSPECTION, AND IMPOUNDMENT.—(1) In carrying out subsection (a) of this section, an officer or employee designated by the Secretary, on display of proper credentials and written notice to the owner, operator, or agent in charge, may—

(A) enter and inspect commercial premises in which a motor vehicle or motor vehicle equipment is manufactured, held for shipment or sale, maintained, or repaired;

(B) enter and inspect noncommercial premises in which the Secretary reasonably believes there is a motor vehicle or motor vehicle equipment that is an object of a violation of this chapter;

(C) inspect that motor vehicle or motor vehicle equipment; and

(D) impound for not more than 72 hours for inspection a motor vehicle or motor vehicle equipment that the Secretary reasonably believes is an object of a violation of this chapter.

(2) An inspection or impoundment under this subsection shall be conducted at a reasonable time, in a reasonable way, and with reasonable promptness. The written notice may consist of a warrant issued under section 32707 of this title.

(c) REASONABLE COMPENSATION.—When the Secretary impounds for inspection a motor vehicle (except a vehicle subject to subchapter I of chapter 135 of this title) or motor vehicle equipment under subsection (b)(1)(D) of this section, the Secretary shall pay reasonable compensation to the owner of the vehicle or equipment if the inspection or impoundment results in denial of use, or reduction in value, of the vehicle or equipment.

(d) RECORDS AND INFORMATION REQUIREMENTS.—(1) To enable the Secretary to decide whether a dealer or distributor is complying with this chapter and regulations prescribed and orders issued under this chapter, the Secretary may require the dealer or distributor—

(A) to keep records;

(B) to provide information from those records if the Secretary states the purpose for requiring the information and identifies the information to the fullest extent practicable; and

(C) to allow an officer or employee designated by the Secretary to inspect relevant records of the dealer or distributor.

(2) This subsection and subsection (e)(1)(B) of this section do not authorize the Secretary to require a dealer or distributor to provide information on a regular periodic basis.

(e) ADMINISTRATIVE AUTHORITY AND CIVIL ACTIONS TO ENFORCE.—(1) In carrying out this chapter, the Secretary may—

(A) inspect and copy records of any person at reasonable times;

(B) order a person to file written reports or answers to specific questions, including reports or answers under oath; and

(C) conduct hearings, administer oaths, take testimony, and require (by subpoena or otherwise) the appearance and testimony of witnesses and the production of records the Secretary considers advisable.

(2) A witness summoned under this subsection is entitled to the same fee and mileage the witness would have been paid in a court of the United States.

(3) A civil action to enforce a subpoena or order of the Secretary under this subsection may be brought in the United States district court for any judicial district in which the proceeding by the Secretary is conducted. The court may punish a failure to obey an order of the court to comply with the subpoena or order of the Secretary as a contempt of court.

(f) PROHIBITIONS.—A person may not fail to keep records, refuse access to or copying of records, fail to make reports or provide information, fail to allow entry or inspection, or fail to permit impoundment, as required under this section.

§ 32707. Administrative warrants

(a) DEFINITION.—In this section, “probable cause” means a valid public interest in the effective enforcement of this chapter or a regulation prescribed under this chapter sufficient to justify the inspection or impoundment in the circumstances stated in an application for a warrant under this section.

(b) WARRANT REQUIREMENT AND ISSUANCE.—(1) Except as provided in paragraph (4) of this subsection, an inspection or impound-

ment under section 32706 of this title may be carried out only after a warrant is obtained.

(2) A judge of a court of the United States or a State court of record or a United States magistrate may issue a warrant for an inspection or impoundment under section 32706 of this title within the territorial jurisdiction of the court or magistrate. The warrant must be based on an affidavit that—

(A) establishes probable cause to issue the warrant; and

(B) is sworn to before the judge or magistrate by an officer or employee who knows the facts alleged in the affidavit.

(3) The judge or magistrate shall issue the warrant when the judge or magistrate decides there is a reasonable basis for believing that probable cause exists to issue the warrant. The warrant must—

(A) identify the premises, property, or motor vehicle to be inspected and the items or type of property to be impounded;

(B) state the purpose of the inspection, the basis for issuing the warrant, and the name of the affiant;

(C) direct an individual authorized under section 32706 of this title to inspect the premises, property, or vehicle for the purpose stated in the warrant and, when appropriate, to impound the property specified in the warrant;

(D) direct that the warrant be served during the hours specified in the warrant; and

(E) name the judge or magistrate with whom proof of service is to be filed.

(4) A warrant under this section is not required when—

(A) the owner, operator, or agent in charge of the premises consents;

(B) it is reasonable to believe that the mobility of the motor vehicle to be inspected makes it impractical to obtain a warrant;

(C) an application for a warrant cannot be made because of an emergency;

(D) records are to be inspected and copied under section 32706(e)(1)(A) of this title; or

(E) a warrant is not constitutionally required.

(c) SERVICE AND IMPOUNDMENT OF PROPERTY.—(1) A warrant issued under this section must be served and proof of service filed not later than 10 days after its issuance date. The judge or magistrate may allow additional time in the warrant if the Secretary of Transportation demonstrates a need for additional time. Proof of service must be filed promptly with a written inventory of the property impounded under the warrant. The inventory shall be made in the presence of the individual serving the warrant and the individual from whose possession or premises the property was impounded, or if that individual is not present, a credible individual except the individual making the inventory. The individual serving the warrant shall verify the inventory. On request, the judge or magistrate shall send a copy of the inventory to the individual from whose possession or premises the property was impounded and to the applicant for the warrant.

(2) When property is impounded under a warrant, the individual serving the warrant shall—

(A) give the person from whose possession or premises the property was impounded a copy of the warrant and a receipt for the property; or

(B) leave the copy and receipt at the place from which the property was impounded.

(3) The judge or magistrate shall file the warrant, proof of service, and all documents filed about the warrant with the clerk of the United States district court for the judicial district in which the inspection is made.

§ 32708. Confidentiality of information

(a) GENERAL.—Information obtained by the Secretary of Transportation under this chapter related to a confidential matter referred to in section 1905 of title 18 may be disclosed only—

(1) to another officer or employee of the United States Government for use in carrying out this chapter; or

(2) in a proceeding under this chapter.

(b) WITHHOLDING INFORMATION FROM CONGRESS.—This section does not authorize information to be withheld from a committee of Congress authorized to have the information.

§ 32709. Penalties and enforcement

(a) CIVIL PENALTY.—(1) A person that violates this chapter or a regulation prescribed or order issued under this chapter is liable to the United States Government for a civil penalty of not more than \$2,000 for each violation. A separate violation occurs for each motor vehicle or device involved in the violation. The maximum penalty under this subsection for a related series of violations is \$100,000.

(2) The Secretary of Transportation shall impose a civil penalty under this subsection. The Attorney General shall bring a civil action to collect the penalty. Before referring a penalty claim to the Attorney General, the Secretary may compromise the amount of the penalty. Before compromising the amount of the penalty, the Secretary shall give the person charged with a violation an opportunity to establish that the violation did not occur.

(3) In determining the amount of a civil penalty under this subsection, the Secretary shall consider—

(A) the nature, circumstances, extent, and gravity of the violation;

(B) with respect to the violator, the degree of culpability, any history of prior violations, the ability to pay, and any effect on the ability to continue doing business; and

(C) other matters that justice requires.

(b) CRIMINAL PENALTY.—A person that knowingly and willfully violates this chapter or a regulation prescribed or order issued under this chapter shall be fined under title 18, imprisoned for not more than 3 years, or both. If the person is a corporation, the penalties of this subsection also apply to a director, officer, or individual agent of a corporation who knowingly and willfully authorizes, orders, or performs an act in violation of this chapter or a regulation prescribed or order issued under this chapter without regard to penalties imposed on the corporation.

(c) CIVIL ACTIONS BY ATTORNEY GENERAL.—The Attorney General may bring a civil action to enjoin a violation of this chapter or a regulation prescribed or order issued under this chapter. The action may be brought in the United States district court for the judicial district in which the violation occurred or the defendant is found, resides, or does business. Process in the action may be served in any other judicial district in which the defendant resides or is found. A subpoena for a witness in the action may be served in any judicial district.

(d) CIVIL ACTIONS BY STATES.—(1) When a person violates this chapter or a regulation prescribed or order issued under this chapter, the chief law enforcement officer of the State in which the violation occurs may bring a civil action—

(A) to enjoin the violation; or

(B) to recover amounts for which the person is liable under section 32710 of this title for each person on whose behalf the action is brought.

(2) An action under this subsection may be brought in an appropriate United States district court or in a State court of competent jurisdiction. The action must be brought not later than 2 years after the claim accrues.

§ 32710. Civil actions by private persons

(a) VIOLATION AND AMOUNT OF DAMAGES.—A person that violates this chapter or a regulation prescribed or order issued under this chapter, with intent to defraud, is liable for 3 times the actual damages or \$1,500, whichever is greater.

(b) CIVIL ACTIONS.—A person may bring a civil action to enforce a claim under this section in an appropriate United States district court or in another court of competent jurisdiction. The action must be brought not later than 2 years after the claim accrues. The court shall award costs and a reasonable attorney's fee to the person when a judgment is entered for that person.

§ 32711. Relationship to State law

Except to the extent that State law is inconsistent with this chapter, this chapter does not—

(1) affect a State law on disconnecting, altering, or tampering with an odometer with intent to defraud; or

(2) exempt a person from complying with that law.

CHAPTER 329—AUTOMOBILE FUEL ECONOMY

Sec.

- 32901. Definitions.
- 32902. Average fuel economy standards.
- 32903. Credits for exceeding average fuel economy standards.
- 32904. Calculation of average fuel economy.
- 32905. Manufacturing incentives for alternative fuel automobiles.
- 32906. Maximum fuel economy increase for alternative fuel automobiles.
- 32907. Reports and tests of manufacturers.
- 32908. Fuel economy information.
- 32909. Judicial review of regulations.
- 32910. Administrative.
- 32911. Compliance.
- 32912. Civil penalties.
- 32913. Compromising and remitting civil penalties.

- 32914. Collecting civil penalties.
- 32915. Appealing civil penalties.
- 32916. Reports to Congress.
- 32917. Standards for executive agency automobiles.
- 32918. Retrofit devices.
- 32919. Preemption.

§ 32901. Definitions

- (a) GENERAL.—In this chapter—
- (1) “alternative fuel” means—
 - (A) methanol;
 - (B) denatured ethanol;
 - (C) other alcohols;
 - (D) except as provided in subsection (b) of this section, a mixture containing at least 85 percent of methanol, denatured ethanol, and other alcohols by volume with gasoline or other fuels;
 - (E) natural gas;
 - (F) liquefied petroleum gas;
 - (G) hydrogen;
 - (H) coal derived liquid fuels;
 - (I) fuels (except alcohol) derived from biological materials;
 - (J) electricity (including electricity from solar energy);and
 - (K) any other fuel the Secretary of Transportation prescribes by regulation that is not substantially petroleum and that would yield substantial energy security and environmental benefits.
 - (2) “alternative fueled automobile” means an automobile that is a—
 - (A) dedicated automobile; or
 - (B) dual fueled automobile.
 - (3) except as provided in section 32908 of this title, “automobile” means a 4-wheeled vehicle that is propelled by fuel, or by alternative fuel, manufactured primarily for use on public streets, roads, and highways (except a vehicle operated only on a rail line), and rated at—
 - (A) not more than 6,000 pounds gross vehicle weight;or
 - (B) more than 6,000, but less than 10,000, pounds gross vehicle weight, if the Secretary decides by regulation that—
 - (i) an average fuel economy standard under this chapter for the vehicle is feasible; and
 - (ii) an average fuel economy standard under this chapter for the vehicle will result in significant energy conservation or the vehicle is substantially used for the same purposes as a vehicle rated at not more than 6,000 pounds gross vehicle weight.
 - (4) “automobile manufactured by a manufacturer” includes every automobile manufactured by a person that controls, is controlled by, or is under common control with the manufacturer, but does not include an automobile manufactured by the

person that is exported not later than 30 days after the end of the model year in which the automobile is manufactured.

(5) “average fuel economy” means average fuel economy determined under section 32904 of this title.

(6) “average fuel economy standard” means a performance standard specifying a minimum level of average fuel economy applicable to a manufacturer in a model year.

(7) “dedicated automobile” means an automobile that operates only on alternative fuel.

(8) “dual fueled automobile” means an automobile that—

(A) is capable of operating on alternative fuel and on gasoline or diesel fuel;

(B) provides equal or superior energy efficiency, as calculated for the applicable model year during fuel economy testing for the United States Government, when operating on alternative fuel as when operating on gasoline or diesel fuel;

(C) for model years 1993–1995 for an automobile capable of operating on a mixture of an alternative fuel and gasoline or diesel fuel and if the Administrator of the Environmental Protection Agency decides to extend the application of this subclause, for an additional period ending not later than the end of the last model year to which section 32905(b) and (d) of this title applies, provides equal or superior energy efficiency, as calculated for the applicable model year during fuel economy testing for the Government, when operating on a mixture of alternative fuel and gasoline or diesel fuel containing exactly 50 percent gasoline or diesel fuel as when operating on gasoline or diesel fuel; and

(D) for a passenger automobile, meets or exceeds the minimum driving range prescribed under subsection (c) of this section.

(9) “fuel” means—

(A) gasoline;

(B) diesel oil; or

(C) other liquid or gaseous fuel that the Secretary decides by regulation to include in this definition as consistent with the need of the United States to conserve energy.

(10) “fuel economy” means the average number of miles traveled by an automobile for each gallon of gasoline (or equivalent amount of other fuel) used, as determined by the Administrator under section 32904(c) of this title.

(11) “import” means to import into the customs territory of the United States.

(12) “manufacture” (except under section 32902(d) of this title) means to produce or assemble in the customs territory of the United States or to import.

(13) “manufacturer” means—

(A) a person engaged in the business of manufacturing automobiles, including a predecessor or successor of the

person to the extent provided under regulations prescribed by the Secretary; and

(B) if more than one person is the manufacturer of an automobile, the person specified under regulations prescribed by the Secretary.

(14) “model” means a class of automobiles as decided by regulation by the Administrator after consulting and coordinating with the Secretary.

(15) “model year”, when referring to a specific calendar year, means—

(A) the annual production period of a manufacturer, as decided by the Administrator, that includes January 1 of that calendar year; or

(B) that calendar year if the manufacturer does not have an annual production period.

(16) “passenger automobile” means an automobile that the Secretary decides by regulation is manufactured primarily for transporting not more than 10 individuals, but does not include an automobile capable of off-highway operation that the Secretary decides by regulation—

(A) has a significant feature (except 4-wheel drive) designed for off-highway operation; and

(B) is a 4-wheel drive automobile or is rated at more than 6,000 pounds gross vehicle weight.

(b) **AUTHORITY TO CHANGE PERCENTAGE.**—The Secretary may prescribe regulations changing the percentage referred to in subsection (a)(1)(D) of this section to not less than 70 percent because of requirements relating to cold start, safety, or vehicle functions.

(c) **MINIMUM DRIVING RANGES FOR DUAL FUELED PASSENGER AUTOMOBILES.**—(1) The Secretary shall prescribe by regulation the minimum driving range that dual fueled automobiles that are passenger automobiles must meet when operating on alternative fuel to be dual fueled automobiles under sections 32905 and 32906 of this title. A determination whether a dual fueled automobile meets the minimum driving range requirement under this paragraph shall be based on the combined Agency city/highway fuel economy as determined for average fuel economy purposes for those automobiles.

(2)(A) The Secretary may prescribe a lower range for a specific model than that prescribed under paragraph (1) of this subsection. A manufacturer may petition for a lower range than that prescribed under paragraph (1) for a specific model.

(B) The minimum driving range prescribed for dual fueled automobiles (except electric automobiles) under subparagraph (A) of this paragraph or paragraph (1) of this subsection must be at least 200 miles.

(C) If the Secretary prescribes a minimum driving range of 200 miles for dual fueled automobiles (except electric automobiles) under paragraph (1) of this subsection, subparagraph (A) of this paragraph does not apply to dual fueled automobiles (except electric automobiles).

(3) In prescribing a minimum driving range under paragraph (1) of this subsection and in taking an action under paragraph (2) of this subsection, the Secretary shall consider the purpose set forth in section 3 of the Alternative Motor Fuels Act of 1988 (Public Law 100-494, 102 Stat. 2442), consumer acceptability, economic practicability, technology, environmental impact, safety, drivability, performance, and other factors the Secretary considers relevant.

§ 32902. Average fuel economy standards

(a) NON-PASSENGER AUTOMOBILES.—At least 18 months before the beginning of each model year, the Secretary of Transportation shall prescribe by regulation average fuel economy standards for automobiles (except passenger automobiles) manufactured by a manufacturer in that model year. Each standard shall be the maximum feasible average fuel economy level that the Secretary decides the manufacturers can achieve in that model year. The Secretary may prescribe separate standards for different classes of automobiles.

(b) PASSENGER AUTOMOBILES.—Except as provided in this section, the average fuel economy standard for passenger automobiles manufactured by a manufacturer in a model year after model year 1984 shall be 27.5 miles a gallon.

(c) AMENDING PASSENGER AUTOMOBILE STANDARDS.—(1) Subject to paragraph (2) of this subsection, the Secretary of Transportation may prescribe regulations amending the standard under subsection (b) of this section for a model year to a level that the Secretary decides is the maximum feasible average fuel economy level for that model year. Section 553 of title 5 applies to a proceeding to amend the standard. However, any interested person may make an oral presentation and a transcript shall be taken of that presentation.

(2) If an amendment increases the standard above 27.5 miles a gallon or decreases the standard below 26.0 miles a gallon, the Secretary of Transportation shall submit the amendment to Congress. The procedures of section 551 of the Energy Policy and Conservation Act (42 U.S.C. 6421) apply to an amendment, except that the 15 calendar days referred to in section 551(c) and (d) of the Act (42 U.S.C. 6421(c), (d)) are deemed to be 60 calendar days, and the 5 calendar days referred to in section 551(f)(4)(A) of the Act (42 U.S.C. 6421(f)(4)(A)) are deemed to be 20 calendar days. If either House of Congress disapproves the amendment under those procedures, the amendment does not take effect.

(d) EXEMPTIONS.—(1) Except as provided in paragraph (3) of this subsection, on application of a manufacturer that manufactured (whether in the United States or not) fewer than 10,000 passenger automobiles in the model year 2 years before the model year for which the application is made, the Secretary of Transportation may exempt by regulation the manufacturer from a standard under subsection (b) or (c) of this section. An exemption for a model year applies only if the manufacturer manufactures (whether in the United States or not) fewer than 10,000 passenger automobiles in the model year. The Secretary may exempt a manufacturer only if the Secretary—

(A) finds that the applicable standard under those subsections is more stringent than the maximum feasible average fuel economy level that the manufacturer can achieve; and

(B) prescribes by regulation an alternative average fuel economy standard for the passenger automobiles manufactured by the exempted manufacturer that the Secretary decides is the maximum feasible average fuel economy level for the manufacturers to which the alternative standard applies.

(2) An alternative average fuel economy standard the Secretary of Transportation prescribes under paragraph (1)(B) of this subsection may apply to an individually exempted manufacturer, to all automobiles to which this subsection applies, or to classes of passenger automobiles, as defined under regulations of the Secretary, manufactured by exempted manufacturers.

(3) Notwithstanding paragraph (1) of this subsection, an importer registered under section 30141(c) of this title may not be exempted as a manufacturer under paragraph (1) for a motor vehicle that the importer—

(A) imports; or

(B) brings into compliance with applicable motor vehicle safety standards prescribed under chapter 301 of this title for an individual under section 30142 of this title.

(4) The Secretary of Transportation may prescribe the contents of an application for an exemption.

(e) EMERGENCY VEHICLES.—(1) In this subsection, “emergency vehicle” means an automobile manufactured primarily for use—

(A) as an ambulance or combination ambulance-hearse;

(B) by the United States Government or a State or local government for law enforcement; or

(C) for other emergency uses prescribed by regulation by the Secretary of Transportation.

(2) A manufacturer may elect to have the fuel economy of an emergency vehicle excluded in applying a fuel economy standard under subsection (a), (b), (c), or (d) of this section. The election is made by providing written notice to the Secretary of Transportation and to the Administrator of the Environmental Protection Agency.

(f) CONSIDERATIONS ON DECISIONS ON MAXIMUM FEASIBLE AVERAGE FUEL ECONOMY.—When deciding maximum feasible average fuel economy under this section, the Secretary of Transportation shall consider technological feasibility, economic practicability, the effect of other motor vehicle standards of the Government on fuel economy, and the need of the United States to conserve energy.

(g) REQUIREMENTS FOR OTHER AMENDMENTS.—(1) The Secretary of Transportation may prescribe regulations amending an average fuel economy standard prescribed under subsection (a) or (d) of this section if the amended standard meets the requirements of subsection (a) or (d), as appropriate.

(2) When the Secretary of Transportation prescribes an amendment under this section that makes an average fuel economy standard more stringent, the Secretary shall prescribe the amendment (and submit the amendment to Congress when required under subsection (c)(2) of this section) at least 18 months before the beginning of the model year to which the amendment applies.

(h) LIMITATIONS.—In carrying out subsections (c), (f), and (g) of this section, the Secretary of Transportation—

(1) may not consider the fuel economy of dedicated automobiles; and

(2) shall consider dual fueled automobiles to be operated only on gasoline or diesel fuel.

(i) CONSULTATION.—The Secretary of Transportation shall consult with the Secretary of Energy in carrying out this section and section 32903 of this title.

(j) SECRETARY OF ENERGY COMMENTS.—(1) Before issuing a notice proposing to prescribe or amend an average fuel economy standard under subsection (a), (c), or (g) of this section, the Secretary of Transportation shall give the Secretary of Energy at least 10 days from the receipt of the notice during which the Secretary of Energy may, if the Secretary of Energy concludes that the proposed standard would adversely affect the conservation goals of the Secretary of Energy, provide written comments to the Secretary of Transportation about the impact of the standard on those goals. To the extent the Secretary of Transportation does not revise a proposed standard to take into account comments of the Secretary of Energy on any adverse impact of the standard, the Secretary of Transportation shall include those comments in the notice.

(2) Before taking final action on a standard or an exemption from a standard under this section, the Secretary of Transportation shall notify the Secretary of Energy and provide the Secretary of Energy a reasonable time to comment.

§ 32903. Credits for exceeding average fuel economy standards

(a) EARNING AND PERIOD FOR APPLYING CREDITS.—When the average fuel economy of passenger automobiles manufactured by a manufacturer in a particular model year exceeds an applicable average fuel economy standard under section 32902(b)–(d) of this title (determined by the Secretary of Transportation without regard to credits under this section), the manufacturer earns credits. The credits may be applied to—

(1) any of the 3 consecutive model years immediately before the model year for which the credits are earned; and

(2) to the extent not used under clause (1)¹ of this subsection, any of the 3 consecutive model years immediately after the model year for which the credits are earned.

(b) PERIOD OF AVAILABILITY AND PLAN FOR FUTURE CREDITS.—

(1) Except as provided in paragraph (2) of this subsection, credits under this section are available to a manufacturer at the end of the model year in which earned.

(2)(A) Before the end of a model year, if a manufacturer has reason to believe that its average fuel economy for passenger automobiles will be less than the applicable standard for that model year, the manufacturer may submit a plan to the Secretary of Transportation demonstrating that the manufacturer will earn sufficient credits under this section within the next 3 model years to allow the manufacturer to meet that standard for the model year

¹ So in law. Probably should be “paragraph (1)”.

involved. Unless the Secretary finds that the manufacturer is unlikely to earn sufficient credits under the plan, the Secretary shall approve the plan. Those credits are available for the model year involved if—

- (i) the Secretary approves the plan; and
- (ii) the manufacturer earns those credits as provided by the plan.

(B) If the average fuel economy of a manufacturer is less than the applicable standard under section 32902(b)–(d) of this title after applying credits under subsection (a)(1) of this section, the Secretary of Transportation shall notify the manufacturer and give the manufacturer a reasonable time (of at least 60 days) to submit a plan.

(c) DETERMINING NUMBER OF CREDITS.—The number of credits a manufacturer earns under this section equals the product of—

- (1) the number of tenths of a mile a gallon by which the average fuel economy of the passenger automobiles manufactured by the manufacturer in the model year in which the credits are earned exceeds the applicable average fuel economy standard under section 32902(b)–(d) of this title; times

- (2) the number of passenger automobiles manufactured by the manufacturer during that model year.

(d) APPLYING CREDITS FOR PASSENGER AUTOMOBILES.—The Secretary of Transportation shall apply credits to a model year on the basis of the number of tenths of a mile a gallon by which the manufacturer involved was below the applicable average fuel economy standard for that model year and the number of passenger automobiles manufactured that model year by the manufacturer. Credits applied to a model year are no longer available for another model year. Before applying credits, the Secretary shall give the manufacturer written notice and reasonable opportunity to comment.

(e) APPLYING CREDITS FOR NON-PASSENGER AUTOMOBILES.—Credits for a manufacturer of automobiles that are not passenger automobiles are earned and applied to a model year in which the average fuel economy of that class of automobiles is below the applicable average fuel economy standard under section 32902(a) of this title, to the same extent and in the same way as provided in this section for passenger automobiles.

(f) REFUND OF COLLECTED PENALTY.—When a civil penalty has been collected under this chapter from a manufacturer that has earned credits under this section, the Secretary of the Treasury shall refund to the manufacturer the amount of the penalty to the extent the penalty is attributable to credits available under this section.

§ 32904. Calculation of average fuel economy

(a) METHOD OF CALCULATION.—(1) The Administrator of the Environmental Protection Agency shall calculate the average fuel economy of a manufacturer subject to—

- (A) section 32902(a) of this title in a way prescribed by the Administrator; and

- (B) section 32902(b)–(d) of this title by dividing—

(i) the number of passenger automobiles manufactured by the manufacturer in a model year; by

(ii) the sum of the fractions obtained by dividing the number of passenger automobiles of each model manufactured by the manufacturer in that model year by the fuel economy measured for that model.

(2)(A) In this paragraph, “electric vehicle” means a vehicle powered primarily by an electric motor drawing electrical current from a portable source.

(B) If a manufacturer manufactures an electric vehicle, the Administrator shall include in the calculation of average fuel economy under paragraph (1) of this subsection equivalent petroleum based fuel economy values determined by the Secretary of Energy for various classes of electric vehicles. The Secretary shall review those values each year and determine and propose necessary revisions based on the following factors:

(i) the approximate electrical energy efficiency of the vehicle, considering the kind of vehicle and the mission and weight of the vehicle.

(ii) the national average electrical generation and transmission efficiencies.

(iii) the need of the United States to conserve all forms of energy and the relative scarcity and value to the United States of all fuel used to generate electricity.

(iv) the specific patterns of use of electric vehicles compared to petroleum-fueled vehicles.

(b) SEPARATE CALCULATIONS FOR PASSENGER AUTOMOBILES MANUFACTURED DOMESTICALLY AND NOT DOMESTICALLY.—(1)(A) Except as provided in paragraphs (6) and (7) of this subsection, the Administrator shall make separate calculations under subsection (a)(1)(B) of this section for—

(i) passenger automobiles manufactured domestically by a manufacturer (or included in this category under paragraph (5) of this subsection); and

(ii) passenger automobiles not manufactured domestically by that manufacturer (or excluded from this category under paragraph (5) of this subsection).

(B) Passenger automobiles described in subparagraph (A) (i) and (ii) of this paragraph are deemed to be manufactured by separate manufacturers under this chapter.

(2) In this subsection (except as provided in paragraph (3)), a passenger automobile is deemed to be manufactured domestically in a model year if at least 75 percent of the cost to the manufacturer is attributable to value added in the United States or Canada, unless the assembly of the automobile is completed in Canada and the automobile is imported into the United States more than 30 days after the end of the model year.

(3)(A) In this subsection, a passenger automobile is deemed to be manufactured domestically in a model year, as provided in subparagraph (B) of this paragraph, if at least 75 percent of the cost to the manufacturer is attributable to value added in the United States, Canada, or Mexico, unless the assembly of the automobile is completed in Canada or Mexico and the automobile is imported

into the United States more than 30 days after the end of the model year.

(B) Subparagraph (A) of this paragraph applies to automobiles manufactured by a manufacturer and sold in the United States, regardless of the place of assembly, as follows:

(i) A manufacturer that began assembling automobiles in Mexico before model year 1992 may elect, during the period from January 1, 1997, through January 1, 2004, to have subparagraph (A) of this paragraph apply to all automobiles manufactured by that manufacturer beginning with the model year that begins after the date of the election.

(ii) For a manufacturer that began assembling automobiles in Mexico after model year 1991, subparagraph (A) of this paragraph applies to all automobiles manufactured by that manufacturer beginning with the model year that begins after January 1, 1994, or the model year beginning after the date the manufacturer begins assembling automobiles in Mexico, whichever is later.

(iii) A manufacturer not described in clause (i) or (ii) of this subparagraph that assembles automobiles in the United States or Canada, but not in Mexico, may elect, during the period from January 1, 1997, through January 1, 2004, to have subparagraph (A) of this paragraph apply to all automobiles manufactured by that manufacturer beginning with the model year that begins after the date of the election. However, if the manufacturer begins assembling automobiles in Mexico before making an election under this subparagraph, this clause does not apply, and the manufacturer is subject to clause (ii) of this subparagraph.

(iv) For a manufacturer that does not assemble automobiles in the United States, Canada, or Mexico, subparagraph (A) of this paragraph applies to all automobiles manufactured by that manufacturer beginning with the model year that begins after January 1, 1994.

(v) For a manufacturer described in clause (i) or (iii) of this subparagraph that does not make an election within the specified period, subparagraph (A) of this paragraph applies to all automobiles manufactured by that manufacturer beginning with the model year that begins after January 1, 2004.

(C) The Secretary of Transportation shall prescribe reasonable procedures for elections under subparagraph (B) of this paragraph.

(4) In this subsection, the fuel economy of a passenger automobile that is not manufactured domestically is deemed to be equal to the average fuel economy of all passenger automobiles manufactured by the same manufacturer that are not manufactured domestically.

(5)(A) A manufacturer may submit to the Secretary of Transportation for approval a plan, including supporting material, stating the actions and the deadlines for taking the actions, that will ensure that the model or models referred to in subparagraph (B) of this paragraph will be manufactured domestically before the end of the 4th model year covered by the plan. The Secretary promptly shall consider and act on the plan. The Secretary shall approve the plan unless—

(i) the Secretary finds that the plan is inadequate to meet the requirements of this paragraph; or

(ii) the manufacturer previously has submitted a plan approved by the Secretary under this paragraph.

(B) If the plan is approved, the Administrator shall include under paragraph (1)(A)(i) and exclude under paragraph (1)(A)(ii) of this subsection, for each of the 4 model years covered by the plan, not more than 150,000 passenger automobiles manufactured by that manufacturer but not qualifying as domestically manufactured if—

(i) the model or models involved previously have not been manufactured domestically;

(ii) at least 50 percent of the cost to the manufacturer of each of the automobiles is attributable to value added in the United States or Canada;

(iii) the automobiles, if their assembly was completed in Canada, are imported into the United States not later than 30 days after the end of the model year; and

(iv) the model or models are manufactured domestically before the end of the 4th model year covered by the plan.

(6)(A) A manufacturer may file with the Secretary of Transportation a petition for an exemption from the requirement of separate calculations under paragraph (1)(A) of this subsection if the manufacturer began automobile production or assembly in the United States—

(i) after December 22, 1975, and before May 1, 1980; or

(ii) after April 30, 1980, if the manufacturer has engaged in the production or assembly in the United States for at least one model year ending before January 1, 1986.

(B) The Secretary of Transportation shall grant the exemption unless the Secretary finds that the exemption would result in reduced employment in the United States related to motor vehicle manufacturing during the period of the exemption. An exemption under this paragraph is effective for 5 model years or, if requested by the manufacturer, a longer period provided by the Secretary in the order granting the exemption. The exemption applies to passenger automobiles manufactured by that manufacturer during the period of the exemption.

(C) Before granting an exemption, the Secretary of Transportation shall provide notice of, and reasonable opportunity for, written or oral comment about the petition. The period for comment shall end not later than 60 days after the petition is filed, except that the Secretary may extend the period for not more than another 30 days. The Secretary shall decide whether to grant or deny the exemption, and publish notice of the decision in the Federal Register, not later than 90 days after the petition is filed, except that the Secretary may extend the time for decision to a later date (not later than 150 days after the petition is filed) if the Secretary publishes notice of, and reasons for, the extension in the Federal Register. If the Secretary does not make a decision within the time provided in this subparagraph, the petition is deemed to have been granted. Not later than 30 days after the end of the decision period, the Secretary shall submit a written statement of the reasons for not making a decision to the Committee on Commerce, Science,

and Transportation of the Senate and the Committee on Commerce of the House of Representatives.

(7)(A) A person adversely affected by a decision of the Secretary of Transportation granting or denying an exemption may file, not later than 30 days after publication of the notice of the decision, a petition for review in the United States Court of Appeals for the District of Columbia Circuit. That court has exclusive jurisdiction to review the decision and to affirm, remand, or set aside the decision under section 706(2)(A)–(D) of title 5.

(B) A judgment of the court under this subparagraph may be reviewed by the Supreme Court under section 1254 of title 28. Application for review by the Supreme Court must be made not later than 30 days after entry of the court's judgment.

(C) A decision of the Secretary of Transportation on a petition for an exemption under this paragraph may be reviewed administratively or judicially only as provided in this paragraph.

(8) Notwithstanding section 32903 of this title, during a model year when an exemption under this paragraph is effective for a manufacturer—

(A) credit may not be earned under section 32903(a) of this title by the manufacturer; and

(B) credit may not be made available under section 32903(b)(2) of this title for the manufacturer.

(c) TESTING AND CALCULATION PROCEDURES.—The Administrator shall measure fuel economy for each model and calculate average fuel economy for a manufacturer under testing and calculation procedures prescribed by the Administrator. However, except under section 32908 of this title, the Administrator shall use the same procedures for passenger automobiles the Administrator used for model year 1975 (weighted 55 percent urban cycle and 45 percent highway cycle), or procedures that give comparable results. A measurement of fuel economy or a calculation of average fuel economy (except under section 32908) shall be rounded off to the nearest .1 of a mile a gallon. The Administrator shall decide on the quantity of other fuel that is equivalent to one gallon of gasoline. To the extent practicable, fuel economy tests shall be carried out with emissions tests under section 206 of the Clean Air Act (42 U.S.C. 7525).

(d) EFFECTIVE DATE OF PROCEDURE OR AMENDMENT.—The Administrator shall prescribe a procedure under this section, or an amendment (except a technical or clerical amendment) in a procedure, at least 12 months before the beginning of the model year to which the procedure or amendment applies.

(e) REPORTS AND CONSULTATION.—The Administrator shall report measurements and calculations under this section to the Secretary of Transportation and shall consult and coordinate with the Secretary in carrying out this section.

§ 32905. Manufacturing incentives for alternative fuel automobiles

(a) DEDICATED AUTOMOBILES.—Except as provided in subsection (c) of this section or section 32904(a)(2) of this title, for any model of dedicated automobile manufactured by a manufacturer after model year 1992, the fuel economy measured for that model

shall be based on the fuel content of the alternative fuel used to operate the automobile. A gallon of a liquid alternative fuel used to operate a dedicated automobile is deemed to contain .15 gallon of fuel.

(b) **DUAL FUELED AUTOMOBILES.**—Except as provided in subsection (d) of this section or section 32904(a)(2) of this title, for any model of dual fueled automobile manufactured by a manufacturer in model years 1993–2004, the Administrator of the Environmental Protection Agency shall measure the fuel economy for that model by dividing 1.0 by the sum of—

(1) .5 divided by the fuel economy measured under section 32904(c) of this title when operating the model on gasoline or diesel fuel; and

(2) .5 divided by the fuel economy measured under subsection (a) of this section when operating the model on alternative fuel.

(c) **GASEOUS FUEL DEDICATED AUTOMOBILES.**—For any model of gaseous fuel dedicated automobile manufactured by a manufacturer after model year 1992, the Administrator shall measure the fuel economy for that model based on the fuel content of the gaseous fuel used to operate the automobile. One hundred cubic feet of natural gas is deemed to contain .823 gallon equivalent of natural gas. The Secretary of Transportation shall determine the appropriate gallon equivalent of other gaseous fuels. A gallon equivalent of gaseous fuel is deemed to have a fuel content of .15 gallon of fuel.

(d) **GASEOUS FUEL DUAL FUELED AUTOMOBILES.**—For any model of gaseous fuel dual fueled automobile manufactured by a manufacturer in model years 1993–2004, the Administrator shall measure the fuel economy for that model by dividing 1.0 by the sum of—

(1) .5 divided by the fuel economy measured under section 32904(c) of this title when operating the model on gasoline or diesel fuel; and

(2) .5 divided by the fuel economy measured under subsection (c) of this section when operating the model on gaseous fuel.

(e) **FUEL ECONOMY CALCULATIONS.**—The Administrator shall calculate the manufacturer's average fuel economy under section 32904(a)(1) of this title for each model described under subsections (a)–(d) of this section by using as the denominator the fuel economy measured for each model under subsections (a)–(d).

(f) **EXTENDING APPLICATION OF SUBSECTIONS (b) AND (d).**—Not later than December 31, 2001, the Secretary of Transportation shall—

(1) extend by regulation the application of subsections (b) and (d) of this section for not more than 4 consecutive model years immediately after model year 2004 and explain the basis on which the extension is granted; or

(2) publish a notice explaining the reasons for not extending the application of subsections (b) and (d) of this section.

(g) **STUDY AND REPORT.**—Not later than September 30, 2000, the Secretary of Transportation, in consultation with the Secretary of Energy and the Administrator, shall complete a study of the suc-

cess of the policy of subsections (b) and (d) of this title, and submit to the Committees on Commerce, Science, and Transportation and Governmental Affairs of the Senate and the Committee on Commerce of the House of Representatives a report on the results of the study, including preliminary conclusions on whether the application of subsections (b) and (d) should be extended for up to 4 more model years. The study and conclusions shall consider—

- (1) the availability to the public of alternative fueled automobiles and alternative fuel;
- (2) energy conservation and security;
- (3) environmental considerations; and
- (4) other relevant factors.

§ 32906. Maximum fuel economy increase for alternative fuel automobiles

(a) **MAXIMUM INCREASES.**—(1)(A) For each of the model years 1993–2004 for each category of automobile (except an electric automobile), the maximum increase in average fuel economy for a manufacturer attributable to dual fueled automobiles is 1.2 miles a gallon.

(B) If the application of section 32905(b) and (d) of this title is extended under section 32905(f) of this title, for each category of automobile (except an electric automobile) the maximum increase in average fuel economy for a manufacturer for each of the model years 2005–2008 attributable to dual fueled automobiles is .9 mile a gallon.

(2) In applying paragraph (1) of this subsection, the Administrator of the Environmental Protection Agency shall determine the increase in a manufacturer's average fuel economy attributable to dual fueled automobiles by subtracting from the manufacturer's average fuel economy calculated under section 32905(e) of this title the number equal to what the manufacturer's average fuel economy would be if it were calculated by the formula in section 32904(a)(1) of this title by including as the denominator for each model of dual fueled automobile the fuel economy when the automobiles are operated on gasoline or diesel fuel. If the increase attributable to dual fueled automobiles for any model year described—

(A) in paragraph (1)(A) of this subsection is more than 1.2 miles a gallon, the limitation in paragraph (1)(A) applies; and

(B) in paragraph (1)(B) of this subsection is more than .9 mile a gallon, the limitation in paragraph (1)(B) applies.

(b) **OFFSETS.**—Notwithstanding this section and sections 32901(c) and 32905 of this title, if the Secretary of Transportation reduces the average fuel economy standard for passenger automobiles for any model year below 27.5 miles a gallon, an increase in average fuel economy for passenger automobiles of more than .7 mile a gallon to which a manufacturer of dual fueled automobiles would otherwise be entitled is reduced by an amount equal to the amount of the reduction in the standard. However, the increase may not be reduced to less than .7 mile a gallon.

§ 32907. Reports and tests of manufacturers

(a) **MANUFACTURER REPORTS.**—(1) A manufacturer shall report to the Secretary of Transportation on—

- (A) whether the manufacturer will comply with an applicable average fuel economy standard under section 32902 of this title for the model year for which the report is made;
- (B) the actions the manufacturer has taken or intends to take to comply with the standard; and
- (C) other information the Secretary requires by regulation.
- (2) A manufacturer shall submit a report under paragraph (1) of this subsection during the 30 days—
- (A) before the beginning of each model year; and
- (B) beginning on the 180th day of the model year.
- (3) When a manufacturer decides that actions reported under paragraph (1)(B) of this subsection are not sufficient to ensure compliance with that standard, the manufacturer shall report to the Secretary additional actions the manufacturer intends to take to comply with the standard and include a statement about whether those actions are sufficient to ensure compliance.
- (4) This subsection does not apply to a manufacturer for a model year for which the manufacturer is subject to an alternative average fuel economy standard under section 32902(d) of this title.
- (b) RECORDS, REPORTS, TESTS, INFORMATION, AND INSPECTION.—(1) Under regulations prescribed by the Secretary or the Administrator of the Environmental Protection Agency to carry out this chapter, a manufacturer shall keep records, make reports, conduct tests, and provide items and information. On request and display of proper credentials, an officer or employee designated by the Secretary or Administrator may inspect automobiles and records of the manufacturer. An inspection shall be made at a reasonable time and in a reasonable way.
- (2) The district courts of the United States may—
- (A) issue an order enforcing a requirement or request under paragraph (1) of this subsection; and
- (B) punish a failure to obey the order as a contempt of court.

§ 32908. Fuel economy information

- (a) DEFINITIONS.—In this section—
- (1) “automobile” includes an automobile rated at not more than 8,500 pounds gross vehicle weight regardless of whether the Secretary of Transportation has applied this chapter to the automobile under section 32901(a)(3)(B) of this title.
- (2) “dealer” means a person residing or located in a State, the District of Columbia, or a territory or possession of the United States, and engaged in the sale or distribution of new automobiles to the first person (except a dealer buying as a dealer) that buys the automobile in good faith other than for resale.
- (b) LABELING REQUIREMENTS AND CONTENTS.—(1) Under regulations of the Administrator of the Environmental Protection Agency, a manufacturer of automobiles shall attach a label to a prominent place on each automobile manufactured in a model year. The dealer shall maintain the label on the automobile. The label shall contain the following information:
- (A) the fuel economy of the automobile.

(B) the estimated annual fuel cost of operating the automobile.

(C) the range of fuel economy of comparable automobiles of all manufacturers.

(D) a statement that a booklet is available from the dealer to assist in making a comparison of fuel economy of other automobiles manufactured by all manufacturers in that model year.

(E) the amount of the automobile fuel efficiency tax imposed on the sale of the automobile under section 4064 of the Internal Revenue Code of 1986 (26 U.S.C. 4064).

(F) other information required or authorized by the Administrator that is related to the information required by clauses (A)–(D)¹ of this paragraph.

(2) The Administrator may allow a manufacturer to comply with this subsection by—

(A) disclosing the information on the label required under section 3 of the Automobile Information Disclosure Act (15 U.S.C. 1232); and

(B) including the statement required by paragraph (1)(E) of this subsection at a time and in a way that takes into account special circumstances or characteristics.

(3) For dedicated automobiles manufactured after model year 1992, the fuel economy of those automobiles under paragraph (1)(A) of this subsection is the fuel economy for those automobiles when operated on alternative fuel, measured under section 32905(a) or (c) of this title, multiplied by .15. Each label required under paragraph (1) of this subsection for dual fueled automobiles shall—

(A) indicate the fuel economy of the automobile when operated on gasoline or diesel fuel;

(B) clearly identify the automobile as a dual fueled automobile;

(C) clearly identify the fuels on which the automobile may be operated; and

(D) contain a statement informing the consumer that the additional information required by subsection (c)(2) of this section is published and distributed by the Secretary of Energy.

(c) FUEL ECONOMY INFORMATION BOOKLET.—(1) The Administrator shall prepare the booklet referred to in subsection (b)(1)(D) of this section. The booklet—

(A) shall be simple and readily understandable;

(B) shall contain information on fuel economy and estimated annual fuel costs of operating automobiles manufactured in each model year; and

(C) may contain information on geographical or other differences in estimated annual fuel costs.

(2)(A) For dual fueled automobiles manufactured after model year 1992, the booklet published under paragraph (1) shall contain additional information on—

(i) the energy efficiency and cost of operation of those automobiles when operated on gasoline or diesel fuel as compared to those automobiles when operated on alternative fuel; and

¹ So in law. Probably should be “subparagraphs (A)–(D)”.

(ii) the driving range of those automobiles when operated on gasoline or diesel fuel as compared to those automobiles when operated on alternative fuel.

(B) For dual fueled automobiles, the booklet published under paragraph (1) also shall contain—

(i) information on the miles a gallon achieved by the automobiles when operated on alternative fuel; and

(ii) a statement explaining how the information made available under this paragraph can be expected to change when the automobile is operated on mixtures of alternative fuel and gasoline or diesel fuel.

(3) The Secretary of Energy shall publish and distribute the booklet. The Administrator shall prescribe regulations requiring dealers to make the booklet available to prospective buyers.

(d) DISCLOSURE.—A disclosure about fuel economy or estimated annual fuel costs under this section does not establish a warranty under a law of the United States or a State.

(e) VIOLATIONS.—A violation of subsection (b) of this section is—

(1) a violation of section 3 of the Automobile Information Disclosure Act (15 U.S.C. 1232); and

(2) an unfair or deceptive act or practice in or affecting commerce under the Federal Trade Commission Act (15 U.S.C. 41 et seq.), except sections 5(m) and 18 (15 U.S.C. 45(m), 57a).

(f) CONSULTATION.—The Administrator shall consult with the Federal Trade Commission and the Secretaries of Transportation and Energy in carrying out this section.

§ 32909. Judicial review of regulations

(a) FILING AND VENUE.—(1) A person that may be adversely affected by a regulation prescribed in carrying out any of sections 32901–32904 or 32908 of this title may apply for review of the regulation by filing a petition for review in the United States Court of Appeals for the District of Columbia Circuit or in the court of appeals of the United States for the circuit in which the person resides or has its principal place of business.

(2) A person adversely affected by a regulation prescribed under section 32912(c)(1) of this title may apply for review of the regulation by filing a petition for review in the court of appeals of the United States for the circuit in which the person resides or has its principal place of business.

(b) TIME FOR FILING AND JUDICIAL PROCEDURES.—The petition must be filed not later than 59 days after the regulation is prescribed, except that a petition for review of a regulation prescribing an amendment of a standard submitted to Congress under section 32902(c)(2) of this title must be filed not later than 59 days after the end of the 60-day period referred to in section 32902(c)(2). The clerk of the court shall send immediately a copy of the petition to the Secretary of Transportation or the Administrator of the Environmental Protection Agency, whoever prescribed the regulation. The Secretary or the Administrator shall file with the court a record of the proceeding in which the regulation was prescribed.

(c) ADDITIONAL PROCEEDINGS.—(1) When reviewing a regulation under subsection (a)(1) of this section, the court, on request of

the petitioner, may order the Secretary or the Administrator to receive additional submissions if the court is satisfied the additional submissions are material and there were reasonable grounds for not presenting the submissions in the proceeding before the Secretary or Administrator.

(2) The Secretary or the Administrator may amend or set aside the regulation, or prescribe a new regulation because of the additional submissions presented. The Secretary or Administrator shall file an amended or new regulation and the additional submissions with the court. The court shall review a changed or new regulation.

(d) SUPREME COURT REVIEW AND ADDITIONAL REMEDIES.—A judgment of a court under this section may be reviewed only by the Supreme Court under section 1254 of title 28. A remedy under subsections (a)(1) and (c) of this section is in addition to any other remedies provided by law.

§ 32910. Administrative

(a) GENERAL POWERS.—(1) In carrying out this chapter, the Secretary of Transportation or the Administrator of the Environmental Protection Agency may—

(A) inspect and copy records of any person at reasonable times;

(B) order a person to file written reports or answers to specific questions, including reports or answers under oath; and

(C) conduct hearings, administer oaths, take testimony, and subpoena witnesses and records the Secretary or Administrator considers advisable.

(2) A witness summoned under paragraph (1)(C) of this subsection is entitled to the same fee and mileage the witness would have been paid in a court of the United States.

(b) CIVIL ACTIONS TO ENFORCE.—A civil action to enforce a subpoena or order of the Secretary or Administrator under subsection (a) of this section may be brought in the district court of the United States for any judicial district in which the proceeding by the Secretary or Administrator is conducted. The court may punish a failure to obey an order of the court to comply with the subpoena or order of the Secretary or Administrator as a contempt of court.

(c) DISCLOSURE OF INFORMATION.—The Secretary and the Administrator each shall disclose information obtained under this chapter (except information obtained under section 32904(c) of this title) under section 552 of title 5. However, the Secretary or Administrator may withhold information under section 552(b)(4) of title 5 only if the Secretary or Administrator decides that disclosure of the information would cause significant competitive damage. A matter referred to in section 552(b)(4) and relevant to an administrative or judicial proceeding under this chapter may be disclosed in that proceeding. A measurement or calculation under section 32904(c) of this title shall be disclosed under section 552 of title 5 without regard to section 552(b).

(d) REGULATIONS.—The Administrator may prescribe regulations to carry out duties of the Administrator under this chapter.

§ 32911. Compliance

(a) GENERAL.—A person commits a violation if the person fails to comply with this chapter and regulations and standards prescribed and orders issued under this chapter (except sections 32902, 32903, 32908(b), 32917(b), and 32918 and regulations and standards prescribed and orders issued under those sections). The Secretary of Transportation shall conduct a proceeding, with an opportunity for a hearing on the record, to decide whether a person has committed a violation. Any interested person may participate in a proceeding under this subsection.

(b) AUTOMOBILE MANUFACTURERS.—A manufacturer of automobiles commits a violation if the manufacturer fails to comply with an applicable average fuel economy standard under section 32902 of this title. Compliance is determined after considering credits available to the manufacturer under section 32903 of this title. If average fuel economy calculations under section 32904(c) of this title indicate that a manufacturer has violated this subsection, the Secretary shall conduct a proceeding, with an opportunity for a hearing on the record, to decide whether a violation has been committed. The Secretary may not conduct the proceeding if further measurements of fuel economy, further calculations of average fuel economy, or other information indicates a violation has not been committed. The results of the measurements and calculations and the information shall be published in the Federal Register. Any interested person may participate in a proceeding under this subsection.

§ 32912. Civil penalties

(a) GENERAL PENALTY.—A person that violates section 32911(a) of this title is liable to the United States Government for a civil penalty of not more than \$10,000 for each violation. A separate violation occurs for each day the violation continues.

(b) PENALTY FOR MANUFACTURER VIOLATIONS OF FUEL ECONOMY STANDARDS.—Except as provided in subsection (c) of this section, a manufacturer that violates a standard prescribed for a model year under section 32902 of this title is liable to the Government for a civil penalty of \$5 multiplied by each .1 of a mile a gallon by which the applicable average fuel economy standard under that section exceeds the average fuel economy—

(1) calculated under section 32904(a)(1)(A) or (B) of this title for automobiles to which the standard applies manufactured by the manufacturer during the model year;

(2) multiplied by the number of those automobiles; and

(3) reduced by the credits available to the manufacturer under section 32903 of this title for the model year.

(c) HIGHER PENALTY AMOUNTS.—(1)(A) The Secretary of Transportation shall prescribe by regulation a higher amount for each .1 of a mile a gallon to be used in calculating a civil penalty under subsection (b) of this section, if the Secretary decides that the increase in the penalty—

(i) will result in, or substantially further, substantial energy conservation for automobiles in model years in which the increased penalty may be imposed; and

- (ii) will not have a substantial deleterious impact on the economy of the United States, a State, or a region of a State.
- (B) The amount prescribed under subparagraph (A) of this paragraph may not be more than \$10 for each .1 of a mile a gallon.
- (C) The Secretary may make a decision under subparagraph (A)(ii) of this paragraph only when the Secretary decides that it is likely that the increase in the penalty will not—
- (i) cause a significant increase in unemployment in a State or a region of a State;
 - (ii) adversely affect competition; or
 - (iii) cause a significant increase in automobile imports.
- (D) A higher amount prescribed under subparagraph (A) of this paragraph is effective for the model year beginning at least 18 months after the regulation stating the higher amount becomes final.
- (2) The Secretary shall publish in the Federal Register a proposed regulation under this subsection and a statement of the basis for the regulation and provide each manufacturer of automobiles a copy of the proposed regulation and the statement. The Secretary shall provide a period of at least 45 days for written public comments on the proposed regulation. The Secretary shall submit a copy of the proposed regulation to the Federal Trade Commission and request the Commission to comment on the proposed regulation within that period. After that period, the Secretary shall give interested persons and the Commission an opportunity at a public hearing to present oral information, views, and arguments and to direct questions about disputed issues of material fact to—
- (A) other interested persons making oral presentations;
 - (B) employees and contractors of the Government that made written comments or an oral presentation or participated in the development or consideration of the proposed regulation; and
 - (C) experts and consultants that provided information to a person that the person includes, or refers to, in an oral presentation.
- (3) The Secretary may restrict the questions of an interested person and the Commission when the Secretary decides that the questions are duplicative or not likely to result in a timely and effective resolution of the issues. A transcript shall be kept of a public hearing under this subsection. A copy of the transcript and written comments shall be available to the public at the cost of reproduction.
- (4) The Secretary shall publish a regulation prescribed under this subsection in the Federal Register with the decisions required under paragraph (1) of this subsection.
- (5) An officer or employee of a department, agency, or instrumentality of the Government violates section 1905 of title 18 by disclosing, except in an in camera proceeding by the Secretary or a court, information—
- (A) provided to the Secretary or the court during consideration or review of a regulation prescribed under this subsection; and

(B) decided by the Secretary to be confidential under section 11(d) of the Energy Supply and Environmental Coordination Act of 1974 (15 U.S.C. 796(d)).

(d) WRITTEN NOTICE REQUIREMENT.—The Secretary shall impose a penalty under this section by written notice.

§ 32913. Compromising and remitting civil penalties

(a) GENERAL AUTHORITY AND LIMITATIONS.—The Secretary of Transportation may compromise or remit the amount of a civil penalty imposed under section 32912(a) or (b) of this title. However, the amount of a penalty imposed under section 32912(b) may be compromised or remitted only to the extent—

(1) necessary to prevent the insolvency or bankruptcy of the manufacturer of automobiles;

(2) the manufacturer shows that the violation was caused by an act of God, a strike, or a fire; or

(3) the Federal Trade Commission certifies under subsection (b)(1) of this section that a reduction in the penalty is necessary to prevent a substantial lessening of competition.

(b) CERTIFICATION BY COMMISSION.—(1) A manufacturer liable for a civil penalty under section 32912(b) of this title may apply to the Commission for a certification that a reduction in the penalty is necessary to prevent a substantial lessening of competition in the segment of the motor vehicle industry subject to the standard that was violated. The Commission shall make the certification when it finds that reduction is necessary to prevent the lessening. The Commission shall state in the certification the maximum amount by which the penalty may be reduced.

(2) An application under this subsection must be made not later than 30 days after the Secretary decides that the manufacturer has violated section 32911(b) of this title. To the maximum extent practicable, the Commission shall make a decision on an application by the 90th day after the application is filed. A proceeding under this subsection may not delay the manufacturer's liability for the penalty for more than 90 days after the application is filed.

(3) When a civil penalty is collected in a civil action under this chapter before a decision of the Commission under this subsection is final, the payment shall be paid to the court in which the action was brought. The court shall deposit the payment in the general fund of the Treasury on the 90th day after the decision of the Commission becomes final. When the court is holding payment of a penalty reduced under subsection (a)(3) of this section, the Secretary shall direct the court to remit the appropriate amount of the penalty to the manufacturer.

§ 32914. Collecting civil penalties

(a) CIVIL ACTIONS.—If a person does not pay a civil penalty after it becomes a final order of the Secretary of Transportation or a judgment of a court of appeals of the United States for a circuit, the Attorney General shall bring a civil action in an appropriate district court of the United States to collect the penalty. The validity and appropriateness of the final order imposing the penalty is not reviewable in the action.

(b) **PRIORITY OF CLAIMS.**—A claim of a creditor against a bankrupt or insolvent manufacturer of automobiles has priority over a claim of the United States Government against the manufacturer for a civil penalty under section 32912(b) of this title when the creditor's claim is for credit extended before a final judgment (without regard to section 32913(b)(1) and (2) of this title) in an action to collect under subsection (a) of this section.

§ 32915. Appealing civil penalties

Any interested person may appeal a decision of the Secretary of Transportation to impose a civil penalty under section 32912(a) or (b) of this title, or of the Federal Trade Commission under section 32913(b)(1) of this title, in the United States Court of Appeals for the District of Columbia Circuit or in the court of appeals of the United States for the circuit in which the person resides or has its principal place of business. A person appealing a decision must file a notice of appeal with the court not later than 30 days after the decision and, at the same time, send a copy of the notice by certified mail to the Secretary or the Commission. The Secretary or the Commission promptly shall file with the court a certified copy of the record of the proceeding in which the decision was made.

§ 32916. Reports to Congress

(a) **ANNUAL REPORT.**—Not later than January 15 of each year, the Secretary of Transportation shall submit to each House of Congress, and publish in the Federal Register, a report on the review by the Secretary of average fuel economy standards prescribed under this chapter.

(b) **JOINT EXAMINATIONS AFTER GRANTING EXEMPTIONS.**—(1) After an exemption has been granted under section 32904(b)(6) of this title, the Secretaries of Transportation and Labor shall conduct annually a joint examination of the extent to which section 32904(b)(6)—

- (A) achieves the purposes of this chapter;
- (B) improves fuel efficiency (thereby facilitating conservation of petroleum and reducing petroleum imports);
- (C) has promoted employment in the United States related to automobile manufacturing;
- (D) has not caused unreasonable harm to the automobile manufacturing sector in the United States; and
- (E) has permitted manufacturers that have assembled passenger automobiles deemed to be manufactured domestically under section 32904(b)(2) of this title thereafter to assemble in the United States passenger automobiles of the same model that have less than 75 percent of their value added in the United States or Canada, together with the reasons.

(2) The Secretary of Transportation shall include the results of the examination under paragraph (1) of this subsection in each report submitted under subsection (a) of this section more than 180 days after an exemption has been granted under section 32904(b)(6) of this title, or submit the results of the examination directly to Congress before the report is submitted when circumstances warrant.

§ 32917. Standards for executive agency automobiles

(a) DEFINITION.—In this section, “executive agency” has the same meaning given that term in section 105 of title 5.

(b) FLEET AVERAGE FUEL ECONOMY.—(1) The President shall prescribe regulations that require passenger automobiles leased for at least 60 consecutive days or bought by executive agencies in a fiscal year to achieve a fleet average fuel economy (determined under paragraph (2) of this subsection) for that year of at least the greater of—

(A) 18 miles a gallon; or

(B) the applicable average fuel economy standard under section 32902(b) or (c) of this title for the model year that includes January 1 of that fiscal year.

(2) Fleet average fuel economy is—

(A) the total number of passenger automobiles leased for at least 60 consecutive days or bought by executive agencies in a fiscal year (except automobiles designed for combat-related missions, law enforcement work, or emergency rescue work); divided by

(B) the sum of the fractions obtained by dividing the number of automobiles of each model leased or bought by the fuel economy of that model.

§ 32918. Retrofit devices

(a) DEFINITION.—In this section, the term “retrofit device” means any component, equipment, or other device—

(1) that is designed to be installed in or on an automobile (as an addition to, as a replacement for, or through alteration or modification of, any original component, equipment, or other device); and

(2) that any manufacturer, dealer, or distributor of the device represents will provide higher fuel economy than would have resulted with the automobile as originally equipped, as determined under regulations of the Administrator of the Environmental Protection Agency. The term also includes a fuel additive for use in an automobile.

(b) EXAMINATION OF FUEL ECONOMY REPRESENTATIONS.—The Federal Trade Commission shall establish a program for systematically examining fuel economy representations made with respect to retrofit devices. Whenever the Commission has reason to believe that any representation may be inaccurate, the Commission shall request the Administrator to evaluate, in accordance with subsection (c) of this section, the retrofit device with respect to which the representation was made.

(c) EVALUATION OF RETROFIT DEVICES.—(1) On application of any manufacturer of a retrofit device (or prototype of a retrofit device), on request of the Commission under subsection (b) of this section, or on the motion of the Administrator, the Administrator shall evaluate, in accordance with regulations prescribed under subsection (e) of this section, any retrofit device to determine whether the retrofit device increases fuel economy and to determine whether the representations, if any, made with respect to the retrofit device are accurate.

(2) If under paragraph (1) of this subsection, the Administrator tests, or causes to be tested, any retrofit device on the application of a manufacturer of the device, the manufacturer shall supply, at the manufacturer's expense, one or more samples of the device to the Administrator and shall be liable for the costs of testing incurred by the Administrator. The procedures for testing retrofit devices so supplied may include a requirement for preliminary testing by a qualified independent testing laboratory, at the expense of the manufacturer of the device.

(d) RESULTS OF TESTS AND PUBLICATION IN FEDERAL REGISTER.—(1) The Administrator shall publish in the Federal Register a summary of the results of all tests conducted under this section, together with the Administrator's conclusions as to—

(A) the effect of any retrofit device on fuel economy;

(B) the effect of the device on emissions of air pollutants;

and

(C) any other information the Administrator determines to be relevant in evaluating the device.

(2) The summary and conclusions shall also be submitted to the Secretary of Transportation and the Commission.

(e) REGULATIONS ESTABLISHING TESTS AND PROCEDURES FOR EVALUATION OF RETROFIT DEVICES.—The Administrator shall prescribe regulations establishing—

(1) testing and other procedures for evaluating the extent to which retrofit devices affect fuel economy and emissions of air pollutants; and

(2) criteria for evaluating the accuracy of fuel economy representations made with respect to retrofit devices.

§ 32919. Preemption

(a) GENERAL.—When an average fuel economy standard prescribed under this chapter is in effect, a State or a political subdivision of a State may not adopt or enforce a law or regulation related to fuel economy standards or average fuel economy standards for automobiles covered by an average fuel economy standard under this chapter.

(b) REQUIREMENTS MUST BE IDENTICAL.—When a requirement under section 32908 of this title is in effect, a State or a political subdivision of a State may adopt or enforce a law or regulation on disclosure of fuel economy or fuel operating costs for an automobile covered by section 32908 only if the law or regulation is identical to that requirement.

(c) STATE AND POLITICAL SUBDIVISION AUTOMOBILES.—A State or a political subdivision of a State may prescribe requirements for fuel economy for automobiles obtained for its own use.

- 33118. Preemption of State and local law.

§ 33101. Definitions

In this chapter—

(1) “chop shop” means a building, lot, facility, or other structure or premise at which at least one person engages in receiving, concealing, destroying, disassembling, dismantling, reassembling, or storing a passenger motor vehicle or passenger motor vehicle part that has been unlawfully obtained—

(A) to alter, counterfeit, deface, destroy, disguise, falsify, forge, obliterate, or remove the identity of the vehicle or part, including the vehicle identification number or a derivative of that number; and

(B) to distribute, sell, or dispose of the vehicle or part in interstate or foreign commerce.

(2) “covered major part” means a major part selected under section 33104 of this title for coverage by the vehicle theft prevention standard prescribed under section 33102 or 33103 of this title.

(3) “existing line” means a line introduced into commerce before January 1, 1990.

(4) “first purchaser” means the person making the first purchase other than for resale.

(5) “line” means a name that a manufacturer of motor vehicles applies to a group of motor vehicle models of the same make that have the same body or chassis, or otherwise are similar in construction or design.

(6) “major part” means—

(A) the engine;

(B) the transmission;

(C) each door to the passenger compartment;

(D) the hood;

(E) the grille;

(F) each bumper;

(G) each front fender;

(H) the deck lid, tailgate, or hatchback;

(I) each rear quarter panel;

(J) the trunk floor pan;

(K) the frame or, for a unitized body, the supporting structure serving as the frame; and

(L) any other part of a passenger motor vehicle that the Secretary of Transportation by regulation specifies as comparable in design or function to any of the parts listed in subclauses (A)–(K) of this clause¹.

¹ So in law. Probably should be “subparagraphs (A)–(K) of this paragraph”.

- (7) “major replacement part” means a major part that is—
- (A) an original major part in or on a completed motor vehicle and customized or modified after manufacture of the vehicle but before the time of its delivery to the first purchaser; or
 - (B) not installed in or on a motor vehicle at the time of its delivery to the first purchaser and the equitable or legal title to the vehicle has not been transferred to a first purchaser.
- (8) “model year” has the same meaning given that term in section 32901(a) of this title.
- (9) “new line” means a line introduced into commerce after December 31, 1989.
- (10) “passenger motor vehicle” includes a multipurpose passenger vehicle or light duty truck when that vehicle or truck is rated at not more than 6,000 pounds gross vehicle weight.
- (11) “vehicle theft prevention standard” means a minimum performance standard for identifying major parts of new motor vehicles and major replacement parts by inscribing or affixing numbers or symbols on those parts.

§ 33102. Theft prevention standard for high theft lines

(a) GENERAL.—(1) The Secretary of Transportation by regulation shall prescribe a vehicle theft prevention standard that conforms to the requirements of this chapter. The standard shall apply to—

(A) covered major parts that manufacturers install in passenger motor vehicles in lines designated under section 33104 of this title as high theft lines; and

(B) major replacement parts for the major parts described in clause (A)² of this paragraph.

(2) The standard may apply only to—

(A) major parts that manufacturers install in passenger motor vehicles having a model year designation later than the calendar year in which the standard takes effect; and

(B) major replacement parts manufactured after the standard takes effect.

(b) STANDARD REQUIREMENTS.—The standard shall be practicable and provide relevant objective criteria.

(c) LIMITATIONS ON MAJOR PART AND REPLACEMENT PART STANDARDS.—(1) For a major part installed by the manufacturer of the motor vehicle, the standard may not require a part to have more than one identification.

(2) For a major replacement part, the standard may not require—

(A) identification of a part not designed as a replacement for a major part required to be identified under the standard; or

(B) the inscribing or affixing of identification except a symbol identifying the manufacturer and a common symbol identifying the part as a major replacement part.

² So in law. Probably should be “subparagraph (A)”.

(d) RECORDS AND REPORTS.—This chapter does not authorize the Secretary to require a person to keep records or make reports, except as provided in sections 33104(c), 33106(c), 33108(a), and 33112 of this title.

§ 33103. Theft prevention standard for other lines

(a) GENERAL.—Not later than October 25, 1994, the Secretary of Transportation shall prescribe a vehicle theft standard that conforms to the requirements of this chapter for covered major parts that manufacturers install in passenger motor vehicles (except light duty trucks) in not more than 50 percent of the lines not designated under section 33104 of this title as high theft lines.

(b) EXTENSION OF APPLICATION.—(1) Not later than 3 years after the standard is prescribed under subsection (a) of this section and based on the finding of the Attorney General under subsection (c) of this section to apply the standard, the Secretary shall apply that standard to covered major parts and major replacement parts for covered parts that manufacturers install in the lines of passenger motor vehicles (except light duty trucks)—

(A) not designated under section 33104 of this title as high theft lines; and

(B) not covered by the standard prescribed under subsection (a) of this section.

(2) The Secretary shall include as part of the regulatory proceeding under this subsection the finding of, and the record developed by, the Attorney General under subsection (c) of this section.

(c) INITIAL REVIEW OF EFFECTIVENESS.—Before the Secretary begins a regulatory proceeding under subsection (b) of this section, the Attorney General shall make a finding that the Secretary shall apply the standard prescribed under subsection (a) of this section unless the Attorney General finds, based on information collected and analyzed under section 33112 of this title and other information the Attorney General develops after providing notice and an opportunity for a public hearing, that applying the standard prescribed in subsection (a) to the remaining lines of passenger motor vehicles (except light duty trucks) not covered by that standard would not substantially inhibit chop shop operations and motor vehicle thefts. The Attorney General also shall consider and include in the record additional costs, effectiveness, competition, and available alternative factors. The Attorney General shall submit to the Secretary the finding and record on which the finding is based.

(d) LONG RANGE REVIEW OF EFFECTIVENESS.—(1) Not later than December 31, 1999, the Attorney General shall make separate findings, after notice and an opportunity for a public hearing, on the following:

(A) whether the application of the standard under subsection (a) or (b) of this subsection, or both, have been effective in substantially inhibiting the operation of chop shops and motor vehicle theft.

(B) whether the anti-theft devices for which the Secretary has granted exemptions under section 33106 of this title are an effective substitute for parts marking in substantially inhibiting motor vehicle theft.

(2)(A) In making the finding under paragraph (1)(A) of this subsection, the Attorney General shall—

(i) consider the additional cost, competition, and available alternatives;

(ii) base that finding on information collected and analyzed under section 33112 of this title;

(iii) consider the effectiveness, the extent of use, and the extent to which civil and criminal penalties under section 33115(b) of this title and section 2322 of title 18 on chop shops have been effective in substantially inhibiting operation of chop shops and motor vehicle theft;

(iv) base that finding on the 3-year and 5-year reports issued by the Secretary under section 33113 of this title; and

(v) base that finding on other information the Attorney General develops and includes in the public record.

(B) The Attorney General shall submit a finding under paragraph (1)(A) of this subsection promptly to the Secretary. If the Attorney General finds that the application of the standard under subsection (a) or (b) of this section, or both, has not been effective, the Secretary shall issue, not later than 180 days after receiving that finding, an order terminating the standard the Attorney General found was ineffective. The termination is effective for the model year beginning after the order is issued.

(3) In making a finding under paragraph (1)(B) of this subsection, the Secretary shall consider the additional cost, competition, and available alternatives. If the Attorney General finds that the anti-theft devices are an effective substitute, the Secretary shall continue to grant exemptions under section 33106 of this title for the model years after model year 2000 at one of the following levels that the Attorney General decides: at the level authorized before October 25, 1992, or at the level provided in section 33106(b)(2)(C) of this title for model year 2000.

(e) EFFECTIVE DATE OF STANDARD.—A standard prescribed under this section takes effect at least 6 months after the date the standard is prescribed, except that the Secretary may prescribe an earlier effective date if the Secretary—

(1) decides with good cause that the earlier date is in the public interest; and

(2) publishes the reasons for the decision.

(f) NOTIFICATION OF CONGRESS.—The Secretary and the Attorney General shall inform the appropriate legislative committees of Congress with jurisdiction over this part and section 2322 of title 18 of actions taken or planned under this section.

§ 33104. Designation of high theft vehicle lines and parts

(a) DESIGNATION, NONAPPLICATION, SELECTION, AND PROCEDURES.—(1) For purposes of the standard under section 33102 of this title, the following are high theft lines:

(A) a passenger motor vehicle line determined under subsection (b) of this section to have had a new passenger motor vehicle theft rate in the 2-year period covering calendar years 1990 and 1991 greater than the median theft rate for all new passenger motor vehicle thefts in that 2-year period.

(B) a passenger motor vehicle line initially introduced into commerce in the United States after December 31, 1989, that is selected under paragraph (3) of this subsection as likely to have a theft rate greater than the median theft rate referred to in clause (A)¹ of this paragraph.

(C) subject to paragraph (2) of this subsection, a passenger motor vehicle line having (for existing lines) or likely to have (for new lines) a theft rate below the median theft rate referred to in clause (A)¹ of this paragraph, if the major parts in the vehicles are selected under paragraph (3) of this subsection as interchangeable with the majority of the major parts that are subject to the standard and are contained in the motor vehicles of a line described in clause (A)¹ or (B) of this paragraph.

(2) The standard may not apply to any major part of a line described in paragraph (1)(C) of this subsection if all the passenger motor vehicles of lines that are, or are likely to be, below the median theft rate, and that contain parts interchangeable with the major parts of the line involved, account (for existing lines), or the Secretary of Transportation determines they are likely to account (for new lines), for more than 90 percent of the total annual production of all lines of that manufacturer containing those interchangeable parts.

(3) The lines, and the major parts of the passenger motor vehicles in those lines, that are to be subject to the standard may be selected by agreement between the manufacturer and the Secretary. If the manufacturer and the Secretary disagree on the selection, the Secretary shall select the lines and parts, after notice to the manufacturer and opportunity for written comment, and subject to the confidentiality requirements of this chapter.

(4) To the maximum extent practicable, the Secretary shall prescribe reasonable procedures designed to ensure that a selection under paragraph (3) of this subsection is made at least 6 months before the first applicable model year beginning after the selection.

(5) A manufacturer may not be required to comply with the standard under a selection under paragraph (3) of this subsection for a model year beginning earlier than 6 months after the date of the selection.

(6) A passenger motor vehicle line subject on October 25, 1992, to parts marking requirements under sections 602 and 603 of the Motor Vehicle Information and Cost Savings Act (Public Law 92-513, 86 Stat. 947), as added by section 101(a) of the Motor Vehicle Theft Law Enforcement Act of 1984 (Public Law 98-547, 98 Stat. 2756), continues to be subject to the requirements of this section and section 33102 of this title unless the line is exempted under section 33106 of this title.

(b) DETERMINING THEFT RATE FOR PASSENGER VEHICLES.—(1) In this subsection, “new passenger motor vehicle thefts”, when used in reference to a calendar year, means thefts in the United States in that year of passenger motor vehicles with the same model-year designation as that calendar year.

(2) Under subsection (a) of this section, the theft rate for passenger motor vehicles of a line shall be determined by a fraction—

¹ So in law. Probably should be “subparagraph (A)”.

(A) the numerator of which is the number of new passenger motor vehicle thefts for that line during the 2-year period referred to in subsection (a)(1)(A) of this section; and

(B) the denominator of which is the sum of the respective production volumes of all passenger motor vehicles of that line (as reported to the Administrator of the Environmental Protection Agency under chapter 329 of this title) that are of model years 1990 and 1991 and are distributed for sale in commerce in the United States.

(3) Under subsection (a) of this section, the median theft rate for all new passenger motor vehicle thefts during that 2-year period is the theft rate midway between the highest and the lowest theft rates determined under paragraph (2) of this subsection. If there is an even number of theft rates determined under paragraph (2), the median theft rate is the arithmetic average of the 2 adjoining theft rates midway between the highest and the lowest of those theft rates.

(4) In consultation with the Director of the Federal Bureau of Investigation, the Secretary periodically shall obtain from the most reliable source accurate and timely theft and recovery information and publish the information for review and comment. To the greatest extent possible, the Secretary shall use theft information reported by United States Government, State, and local police. After publication and opportunity for comment, the Secretary shall use the theft information to determine the median theft rate under this subsection. The Secretary and the Director shall take any necessary actions to improve the accuracy, reliability, and timeliness of the information, including ensuring that vehicles represented as stolen are really stolen.

(5) The Secretary periodically (but not more often than once every 2 years) may redetermine and prescribe by regulation the median theft rate under this subsection.

(c) PROVIDING INFORMATION.—The Secretary by regulation shall require each manufacturer to provide information necessary to select under subsection (a)(3) of this section the high theft lines and the major parts to be subject to the standard.

(d) APPLICATION.—Except as provided in section 33106 of this title, the Secretary may not make the standard inapplicable to a line that has been subject to the standard.

§ 33105. Cost limitations

(a) MAXIMUM MANUFACTURER COSTS.—A standard under section 33102 or 33103 of this title may not impose—

(1) on a manufacturer of motor vehicles, compliance costs of more than \$15 a motor vehicle; or

(2) on a manufacturer of major replacement parts, compliance costs for each part of more than the reasonable amount (but less than \$15) that the Secretary of Transportation specifies in the standard.

(b) COSTS INVOLVED IN ENGINES AND TRANSMISSIONS.—For a manufacturer engaged in identifying engines or transmissions on October 25, 1984, in a way that substantially complies with the standard—

(1) the costs of identifying engines and transmissions may not be considered in calculating the manufacturer's costs under subsection (a) of this section; and

(2) the manufacturer may not be required under the standard to conform to any identification system for engines and transmissions that imposes greater costs on the manufacturer than are incurred under the identification system used by the manufacturer on October 25, 1984.

(c) COST ADJUSTMENTS.—(1) In this subsection—

(A) “base period” means calendar year 1984.

(B) “price index” means the average over a calendar year of the Consumer Price Index (all items—United States city average) published monthly by the Secretary of Labor.

(2) At the beginning of each calendar year, as necessary data become available from the Bureau of Labor Statistics, the Secretary of Labor shall certify to the Secretary of Transportation and publish in the Federal Register the percentage difference between the price index for the 12 months before the beginning of the calendar year and the price index for the base period. For model years beginning in that calendar year, the amounts specified in subsection (a) of this section shall be adjusted by the percentage difference.

§ 33106. Exemption for passenger motor vehicles equipped with anti-theft devices

(a) DEFINITIONS.—In this section—

(1) “anti-theft device” means a device to reduce or deter theft that—

(A) is in addition to the theft-deterrent devices required by motor vehicle safety standard numbered 114 in section 571.114 of title 49, Code of Federal Regulations;

(B) the manufacturer believes will be effective in reducing or deterring theft of motor vehicles; and

(C) does not use a signaling device reserved by State law for use on police, emergency, or official vehicles, or on schoolbuses.

(2) “standard equipment” means equipment already installed in a motor vehicle when it is delivered from the manufacturer and not an accessory or other item that the first purchaser customarily has the option to have installed.

(b) GRANTING EXEMPTIONS AND LIMITATIONS.—(1) A manufacturer may petition the Secretary of Transportation for an exemption from a requirement of a standard prescribed under section 33102 or 33103 of this title for a line of passenger motor vehicles equipped as standard equipment with an anti-theft device that the Secretary decides is likely to be as effective in reducing and deterring motor vehicle theft as compliance with the standard.

(2) The Secretary may grant an exemption—

(A) for model year 1987, for not more than 2 lines of a manufacturer;

(B) for each of the model years 1988–1996, for not more than 2 additional lines of a manufacturer;

(C) for each of the model years 1997–2000, for not more than one additional line of a manufacturer; and

(D) for each of the model years after model year 2000, for the number of lines that the Attorney General decides under section 33103(d)(3) of this title.

(3) An additional exemption granted under paragraph (2)(B) or (C) of this subsection does not affect an exemption previously granted.

(c) PETITIONING PROCEDURE.—A petition must be filed not later than 8 months before the start of production for the first model year covered by the petition. The petition must include—

- (1) a detailed description of the device;
- (2) the reasons for the manufacturer's conclusion that the device will be effective in reducing and deterring theft of motor vehicles; and
- (3) additional information the Secretary reasonably may require to make the decision described in subsection (b)(1) of this section.

(d) DECISIONS AND APPROVALS.—The Secretary shall make a decision about a petition filed under this section not later than 120 days after the date the petition is filed. A decision approving a petition must be based on substantial evidence. The Secretary may approve a petition in whole or in part. If the Secretary does not make a decision within the 120-day period, the petition shall be deemed to be approved and the manufacturer shall be exempt from the standard for the line covered by the petition for the subsequent model year.

(e) RESCISSIONS.—The Secretary may rescind an exemption if the Secretary decides that the anti-theft device has not been as effective in reducing and deterring motor vehicle theft as compliance with the standard. A rescission may be effective only—

- (1) for a model year after the model year in which the rescission occurs; and
- (2) at least 6 months after the manufacturer receives written notice of the rescission from the Secretary.

§ 33107. Voluntary vehicle identification standards

(a) ELECTION TO INSCRIBE OR AFFIX IDENTIFYING MARKS.—The Secretary of Transportation by regulation may prescribe a vehicle theft prevention standard under which a person may elect to inscribe or affix an identifying number or symbol on major parts of a motor vehicle manufactured or owned by the person for purposes of section 511 of title 18 and related provisions. The standard may include provisions for registration of the identification with the Secretary or a person designated by the Secretary.

(b) STANDARD REQUIREMENTS.—The standard under this section shall be practicable and provide relevant objective criteria.

(c) VOLUNTARY COMPLIANCE.—Compliance with the standard under this section is voluntary. Failure to comply does not subject a person to a penalty or enforcement under this chapter.

(d) COMPLIANCE WITH OTHER STANDARDS.—Compliance with the standard under this section does not relieve a manufacturer from a requirement of a standard prescribed under section 33102 or 33103 of this title.

§ 33108. Monitoring compliance of manufacturers

(a) RECORDS, REPORTS, INFORMATION, AND INSPECTION.—To enable the Secretary of Transportation to decide whether a manufacturer of motor vehicles containing a part subject to a standard prescribed under section 33102 or 33103 of this title, or a manufacturer of major replacement parts subject to the standard, is complying with this chapter and the standard, the Secretary may require the manufacturer to—

- (1) keep records;
- (2) make reports;
- (3) provide items and information; and
- (4) allow an officer or employee designated by the Secretary to inspect the vehicles and parts and relevant records of the manufacturer.

(b) ENTRY AND INSPECTION.—To enforce this chapter, an officer or employee designated by the Secretary, on presenting appropriate credentials and a written notice to the owner, operator, or agent in charge, may inspect a facility in which motor vehicles containing major parts subject to the standard, or major replacement parts subject to the standard, are manufactured, held for introduction into interstate commerce, or held for sale after introduction into interstate commerce. An inspection shall be conducted at a reasonable time, in a reasonable way, and with reasonable promptness.

(c) CERTIFICATION OF COMPLIANCE.—(1) A manufacturer of a motor vehicle subject to the standard, and a manufacturer of a major replacement part subject to the standard, shall provide at the time of delivery of the vehicle or part a certification that the vehicle or part conforms to the applicable motor vehicle theft prevention standard. The certification shall accompany the vehicle or part until its delivery to the first purchaser. The Secretary by regulation may prescribe the type and form of the certification.

(2) This subsection does not apply to a motor vehicle or major replacement part that is—

- (A) intended only for export;
- (B) labeled only for export on the vehicle or replacement part and the outside of any container until exported; and
- (C) exported.

(d) NOTIFICATION OF ERROR.—A manufacturer shall notify the Secretary if the manufacturer discovers that—

- (1) there is an error in the identification (required by the standard) applied to a major part installed by the manufacturer in a motor vehicle during its assembly, or to a major replacement part manufactured by the manufacturer; and
- (2) the motor vehicle or major replacement part has entered interstate commerce.

§ 33109. National Stolen Passenger Motor Vehicle Information System

(a) GENERAL REQUIREMENTS.—(1) Not later than July 25, 1993, the Attorney General shall establish, and thereafter maintain, a National Stolen Passenger Motor Vehicle Information System containing the vehicle identification numbers of stolen passenger motor vehicles and stolen passenger motor vehicle parts. The Sys-

tem shall be located in the National Crime Information Center and shall include at least the following information on each passenger motor vehicle reported to a law enforcement authority as stolen and not recovered:

- (A) the vehicle identification number.
- (B) the make and model year.
- (C) the date on which the vehicle was reported as stolen.
- (D) the location of the law enforcement authority that received the report of the theft of the vehicle.
- (E) the identification numbers of the vehicle parts (or derivatives of those numbers), at the time of the theft, if those numbers are different from the vehicle identification number of the vehicle.

(2) In establishing the System, the Attorney General shall consult with—

- (A) State and local law enforcement authorities; and
- (B) the National Crime Information Center Policy Advisory Board to ensure the security of the information in the System and that the System will not compromise the security of stolen passenger motor vehicle and passenger motor vehicle parts information in the System.

(3) If the Attorney General decides that the Center is not able to perform the functions of the System, the Attorney General shall make an agreement for the operation of the System separate from the Center.

(4) The Attorney General shall prescribe by regulation the effective date of the System.

(b) REQUESTS FOR INFORMATION.—(1) The Attorney General shall prescribe by regulation procedures under which an individual or entity intending to transfer a passenger motor vehicle or passenger motor vehicle part may obtain information on whether the vehicle or part is listed in the System as stolen.

(2) On request of an insurance carrier, a person lawfully selling or distributing passenger motor vehicle parts in interstate commerce, or an individual or enterprise engaged in the business of repairing passenger motor vehicles, the Attorney General (or the entity the Attorney General designates) immediately shall inform the insurance carrier, person, individual, or enterprise whether the System has a record of a vehicle or vehicle part with a particular vehicle identification number (or derivative of that number) being reported as stolen. The Attorney General may require appropriate verification to ensure that the request is legitimate and will not compromise the security of the System.

(c) ADVISORY COMMITTEE.—(1) Not later than December 24, 1992, the Attorney General shall establish in the Department of Justice an advisory committee. The Attorney General shall develop the System with the advice and recommendations of the committee.

- (2)(A) The committee is composed of the following 10 members:
- (i) the Attorney General.
 - (ii) the Secretary of Transportation.
 - (iii) one individual who is qualified to represent the interests of the law enforcement community at the State level.
 - (iv) one individual who is qualified to represent the interests of the law enforcement community at the local level.

(v) one individual who is qualified to represent the interests of the automotive recycling industry.

(vi) one individual who is qualified to represent the interests of the automotive repair industry.

(vii) one individual who is qualified to represent the interests of the automotive rebuilders industry.

(viii) one individual who is qualified to represent the interests of the automotive parts suppliers industry.

(ix) one individual who is qualified to represent the interests of the insurance industry.

(x) one individual who is qualified to represent the interests of consumers.

(B) The Attorney General shall appoint the individuals described in subparagraph (A)(iii)–(x) of this paragraph and shall serve as chairman of the committee.

(3) The committee shall make recommendations on developing and carrying out—

(A) the National Stolen Passenger Motor Vehicle Information System; and

(B) the verification system under section 33110 of this title.

(4) Not later than April 25, 1993, the committee shall submit to the Attorney General, the Secretary, and Congress a report including the recommendations of the committee.

(d) IMMUNITY.—Any person performing any activity under this section or section 33110 or 33111 in good faith and with the reasonable belief that such activity was in accordance with such section shall be immune from any civil action respecting such activity which is seeking money damages or equitable relief in any court of the United States or a State.

§ 33110. Verifications involving junk and salvage motor vehicles

(a) DEFINITION.—In this section, “vehicle identification number” means a unique identification number (or derivative of that number) assigned to a passenger motor vehicle by a manufacturer in compliance with applicable regulations.

(b) GENERAL REQUIREMENTS.—(1) If an insurance carrier selling comprehensive motor vehicle insurance coverage obtains possession of and transfers a junk motor vehicle or a salvage motor vehicle, the carrier shall—

(A) under procedures the Attorney General prescribes by regulation under section 33109 of this title in consultation with the Secretary of Transportation, verify whether the vehicle is reported as stolen; and

(B) provide the purchaser or transferee of the vehicle from the insurance carrier verification identifying the vehicle identification number and verifying that the vehicle has not been reported as stolen or, if reported as stolen, that the carrier has recovered the vehicle and has proper legal title to the vehicle.

(2)(A) This subsection does not prohibit an insurance carrier from transferring a motor vehicle if, within a reasonable period of time during normal business operations (as decided by the Attor-

ney General under section 33109 of this title) using reasonable efforts, the carrier—

(i) has not been informed under the procedures prescribed in section 33109 of this title that the vehicle has not been reported as stolen; or

(ii) has not otherwise established whether the vehicle has been reported as stolen.

(B) When a carrier transfers a motor vehicle for which the carrier has not established whether the vehicle has been reported as stolen, the carrier shall provide written certification to the transferee that the carrier has not established whether the vehicle has been reported as stolen.

(c) REGULATIONS.—In consultation with the Secretary, the Attorney General shall prescribe regulations necessary to ensure that verification performed and provided by an insurance carrier under subsection (b)(1)(B) of this section is uniform, effective, and resistant to fraudulent use.

§ 33111. Verifications involving motor vehicle major parts

(a) GENERAL REQUIREMENTS.—A person engaged in the business of salvaging, dismantling, recycling, or repairing passenger motor vehicles may not knowingly sell in commerce or transfer or install a major part marked with an identification number without—

(1) first establishing, through a procedure the Attorney General by regulation prescribes in consultation with the Secretary of Transportation under section 33109 of this title, that the major part has not been reported as stolen; and

(2) providing the purchaser or transferee with a verification—

(A) identifying the vehicle identification number (or derivative of that number) of that major part; and

(B) verifying that the major part has not been reported as stolen.

(b) NONAPPLICATION.—(1) Subsection (a) of this section does not apply to a person that—

(A) is the manufacturer of the major part;

(B) has purchased the major part directly from the manufacturer; or

(C) has received a verification from an insurance carrier under section 33110 of this title that the motor vehicle from which the major part is derived has not been reported as stolen, or that the carrier has not established whether that vehicle has been stolen.

(2) A person described under paragraph (1)(C) of this subsection that subsequently transfers or sells in commerce the motor vehicle or a major part of the vehicle shall provide the verification received from the carrier to the person to whom the vehicle or part is transferred or sold.

(c) REGULATIONS.—The Attorney General shall prescribe regulations to carry out this section. The regulations shall include regulations prescribed in consultation with the Secretary that are necessary to ensure that a verification a person provides under sub-

section (a)(2) of this section is uniform, effective, and resistant to fraudulent use.

§ 33112. Insurance reports and information

(a) PURPOSES.—The purposes of this section are—

(1) to prevent or discourage the theft of motor vehicles, particularly those stolen for the removal of certain parts;

(2) to prevent or discourage the sale and distribution in interstate commerce of used parts that are removed from those vehicles; and

(3) to help reduce the cost to consumers of comprehensive insurance coverage for motor vehicles.

(b) DEFINITIONS.—In this section—

(1) “insurer” includes a person (except a governmental authority) having a fleet of at least 20 motor vehicles that are used primarily for rental or lease and are not covered by a theft insurance policy issued by an insurer of passenger motor vehicles.

(2) “motor vehicle” includes a truck, a multipurpose passenger vehicle, and a motorcycle.

(c) ANNUAL INFORMATION REQUIREMENT.—(1) An insurer providing comprehensive coverage for motor vehicles shall provide annually to the Secretary of Transportation information on—

(A) the thefts and recoveries (in any part) of motor vehicles;

(B) the number of vehicles that have been recovered intact;

(C) the rating rules and plans, such as loss information and rating characteristics, used by the insurer to establish premiums for comprehensive coverage, including the basis for the premiums, and premium penalties for motor vehicles considered by the insurer as more likely to be stolen;

(D) the actions taken by the insurer to reduce the premiums, including changing rate levels for comprehensive coverage because of a reduction in thefts of motor vehicles;

(E) the actions taken by the insurer to assist in deterring or reducing thefts of motor vehicles; and

(F) other information the Secretary requires to carry out this chapter and to make the report and findings required by this chapter.

(2) The information on thefts and recoveries shall include an explanation on how the information is obtained, the accuracy and timeliness of the information, and the use made of the information, including the extent and frequency of reporting the information to national, public, and private entities such as the Federal Bureau of Investigation and State and local police.

(d) REPORTS ON REDUCED CLAIMS PAYMENTS.—An insurer shall report promptly in writing to the Secretary if the insurer, in paying a claim under an adjustment or negotiation between the insurer and the insured for a stolen motor vehicle—

(1) reduces the payment to the insured by the amount of the value, salvage or otherwise, of a recovered part subject to a standard prescribed under section 33102 or 33103 of this title; and

(2) the reduction is not made at the express election of the insured.

(e) GENERAL EXEMPTIONS.—The Secretary shall exempt from this section, for one or more years, an insurer that the Secretary decides should be exempted because—

(1) the cost of preparing and providing the information is excessive in relation to the size of the insurer's business; and

(2) the information from that insurer will not contribute significantly to carrying out this chapter.

(f) SMALL INSURER EXEMPTIONS.—(1) In this subsection, "small insurer" means an insurer whose premiums for motor vehicle insurance issued directly or through an affiliate, including a pooling arrangement established under State law or regulation for the issuance of motor vehicle insurance, account for—

(A) less than one percent of the total premiums for all forms of motor vehicle insurance issued by insurers in the United States; and

(B) less than 10 percent of the total premiums for all forms of motor vehicle insurance issued by insurers in any State.

(2) The Secretary shall exempt by regulation a small insurer from this section if the Secretary finds that the exemption will not significantly affect the validity or usefulness of the information collected and compiled under this section, nationally or State-by-State. However, the Secretary may not exempt an insurer under this paragraph that is considered an insurer only because of subsection (b)(1) of this section.

(3) Regulations under this subsection shall provide that eligibility as a small insurer shall be based on the most recent calendar year for which adequate information is available, and that, once attained, the eligibility shall continue without further demonstration of eligibility for one or more years, as the Secretary considers appropriate.

(g) PRESCRIBED FORM.—Information required by this section shall be provided in the form the Secretary prescribes.

(h) PERIODIC COMPILATIONS.—Subject to section 552 of title 5, the Secretary periodically shall compile and publish information obtained by the Secretary under this section, in a form that will be helpful to the public, the police, and Congress.

(i) CONSULTATION.—In carrying out this section, the Secretary shall consult with public and private agencies and associations the Secretary considers appropriate.

§ 33113. Theft reports

(a) TRUCK, MULTIPURPOSE PASSENGER VEHICLE, AND MOTORCYCLE REPORT.—Not later than October 25, 1995, the Secretary of Transportation shall submit a report to Congress that includes—

(1) information on the number of trucks, multipurpose passenger vehicles, and motorcycles distributed for sale in interstate commerce that are stolen and recovered annually, compiled by model, make, and line;

(2) information on the extent to which trucks, multipurpose passenger vehicles, and motorcycles stolen annually are dismantled to recover parts or are exported;

(3) a description of the market for the stolen parts;

(4) information on the premiums charged by insurers of comprehensive coverage of trucks, multipurpose passenger vehicles, or motorcycles, including any increase in the premiums charged because any of those motor vehicles is a likely candidate for theft;

(5) an assessment of whether the identification of parts of trucks, multipurpose passenger vehicles, and motorcycles is likely—

(A) to decrease the theft rate of those motor vehicles;

(B) to increase the recovery rate of those motor vehicles;

(C) to decrease the trafficking in stolen parts of those motor vehicles;

(D) to stem the export and import of those stolen motor vehicles or parts; or

(E) to have benefits greater than the costs of the identification; and

(6) recommendations on whether, and to what extent, the identification of trucks, multipurpose passenger vehicles, and motorcycles should be required by law.

(b) MOTOR VEHICLE REPORT.—Not later than October 25, 1997, the Secretary shall submit a report to Congress that includes—

(1) information on—

(A) the methods and procedures used by public and private entities to collect, compile, and disseminate information on the theft and recovery of motor vehicles, including classes of motor vehicles; and

(B) the reliability and timeliness of the information and how the information can be improved;

(2) information on the number of motor vehicles distributed for sale in interstate commerce that are stolen and recovered annually, compiled by class, model, make, and line;

(3) information on the extent to which motor vehicles stolen annually are dismantled to recover parts or are exported;

(4) a description of the market for the stolen parts;

(5) information on—

(A) the costs to manufacturers and purchasers of passenger motor vehicles of compliance with the standards prescribed under this chapter;

(B) the beneficial impacts of the standards and the monetary value of the impacts; and

(C) the extent to which the monetary value is greater than the costs;

(6) information on the experience of officials of the United States Government, States, and localities in—

(A) making arrests and successfully prosecuting persons for violating a law set forth in title II or III of the Motor Vehicle Theft Law Enforcement Act of 1984;

(B) preventing or reducing the number and rate of thefts of motor vehicles that are dismantled for parts subject to this chapter; and

(C) preventing or reducing the availability of used parts that are stolen from motor vehicles subject to this chapter;

(7) information on the premiums charged by insurers of comprehensive coverage of motor vehicles subject to this chapter, including any increase in the premiums charged because a motor vehicle is a likely candidate for theft, and the extent to which the insurers have reduced for the benefit of consumers the premiums, or foregone premium increases, because of this chapter;

(8) information on the adequacy and effectiveness of laws of the United States and the States aimed at preventing the distribution and sale of used parts that have been removed from stolen motor vehicles and the adequacy of systems available to enforcement personnel for tracing parts to determine if they have been stolen from a motor vehicle;

(9) an assessment of whether the identification of parts of other classes of motor vehicles is likely—

(A) to decrease the theft rate of those vehicles;

(B) to increase the recovery rate of those vehicles;

(C) to decrease the trafficking in stolen parts of those vehicles;

(D) to stem the export and import of those stolen vehicles, parts, or components; or

(E) to have benefits greater than the costs of the identification; and¹

(10) other relevant and reliable information available to the Secretary about the impact, including the beneficial impact, of the laws set forth in titles II and III of the Motor Vehicle Theft Law Enforcement Act of 1984 on law enforcement, consumers, and manufacturers; and

(11) recommendations (including, as appropriate, legislative and administrative recommendations) for—

(A) continuing without change the standards prescribed under this chapter;

(B) amending this chapter to cover more or fewer lines of passenger motor vehicles;

(C) amending this chapter to cover other classes of motor vehicles; or

(D) ending the standards for all future motor vehicles.

(c) BASES OF REPORTS.—(1) The reports under subsections (a) and (b) of this section each shall be based on—

(A) information reported under this chapter by insurers of motor vehicles and manufacturers of motor vehicles and major replacement parts;

(B) information provided by the Federal Bureau of Investigation;

(C) experience obtained in carrying out this chapter;

(D) experience of the Government under the laws set forth in titles II and III of the Motor Vehicle Theft Law Enforcement Act of 1984; and

(E) other relevant and reliable information available to the Secretary.

¹ So in law. The word “and” probably should not appear after the semicolon.

(2) In preparing each report, the Secretary shall consult with the Attorney General and State and local law enforcement officials, as appropriate.

(3) The report under subsection (b) of this section shall—

(A) cover a period of at least 4 years after the standards required by this chapter are prescribed; and

(B) reflect any information, as appropriate, from the report under subsection (a) of this section, updated from the date of the report.

(4) At least 90 days before submitting each report to Congress, the Secretary shall publish a proposed report for public review and an opportunity of at least 45 days for written comment. The Secretary shall consider those comments in preparing the report to be submitted and include a summary of the comments with the submitted report.

§ 33114. Prohibited acts

(a) GENERAL.—A person may not—

(1) manufacture for sale, sell, offer for sale, introduce or deliver for introduction in interstate commerce, or import into the United States, a motor vehicle or major replacement part subject to a standard prescribed under section 33102 or 33103 of this title, unless it conforms to the standard;

(2) fail to comply with a regulation prescribed by the Secretary of Transportation or Attorney General under this chapter;

(3) fail to keep specified records, refuse access to or copying of records, fail to make reports or provide items or information, or fail or refuse to allow entry or inspection, as required by this chapter;

(4) fail to provide the certification required by section 33108(c) of this title, or provide a certification that the person knows, or in the exercise of reasonable care has reason to know, is false or misleading in a material respect; or

(5) knowingly—

(A) own, operate, maintain, or control a chop shop;

(B) conduct operations in a chop shop; or

(C) transport a passenger motor vehicle or passenger motor vehicle part to or from a chop shop.

(b) NONAPPLICATION.—Subsection (a)(1) of this section does not apply to a person establishing that in the exercise of reasonable care the person did not have reason to know that the motor vehicle or major replacement part was not in conformity with the standard.

§ 33115. Civil penalties and enforcement

(a) GENERAL PENALTY AND CIVIL ACTIONS TO COLLECT.—(1) A person that violates section 33114(a)(1)–(4) of this title is liable to the United States Government for a civil penalty of not more than \$1,000 for each violation. The failure of more than one part of a single motor vehicle to conform to an applicable standard under section 33102 or 33103 of this title is only a single violation. The maximum penalty under this subsection for a related series of violations is \$250,000.

(2) The Secretary of Transportation imposes a civil penalty under this subsection. The Secretary may compromise the amount of a penalty.

(3) In determining the amount of a civil penalty or compromise under this subsection, the Secretary shall consider the size of the person's business and the gravity of the violation.

(4) The Attorney General shall bring a civil action in a United States district court to collect a civil penalty imposed under this subsection.

(5) The Government may deduct the amount of a civil penalty imposed or compromised under this subsection from amounts it owes the person liable for the penalty.

(b) CHOP SHOP PENALTY AND ENFORCEMENT.—(1) A person that violates section 33114(a)(5) of this title is liable to the Government for a civil penalty of not more than \$100,000 a day for each violation.

(2) As appropriate and in consultation with the Attorney General, the Secretary shall—

(A) bring a civil action for a temporary or permanent injunction to restrain a person violating section 33114(a)(5) of this section;

(B) impose and recover the penalty described in paragraph (1) of this subsection; or

(C) take both the actions described in clauses (A) and (B)¹ of this paragraph.

(c) CIVIL ACTIONS TO ENFORCE.—(1) The Attorney General may bring a civil action in a United States district court to enjoin a violation of this chapter or the sale, offer for sale, introduction or delivery for introduction in interstate commerce, or importation into the United States, of a passenger motor vehicle containing a major part, or of a major replacement part, that is subject to the standard and is determined before the sale of the vehicle or part to a first purchaser not to conform to the standard.

(2)(A) When practicable, the Secretary—

(i) shall notify a person against whom an action under this subsection is planned;

(ii) shall give the person an opportunity to present that person's views; and

(iii) except for a knowing and willful violation, shall give the person a reasonable opportunity to comply.

(B) The failure of the Secretary to comply with subparagraph (A) of this paragraph does not prevent a court from granting appropriate relief.

(d) JURY TRIAL DEMAND.—In a trial for criminal contempt for violating an injunction or restraining order issued under subsection (c) of this section, the violation of which is also a violation of this chapter, the defendant may demand a jury trial. The defendant shall be tried as provided in rule 42(b) of the Federal Rules of Criminal Procedure (18 App. U.S.C.).

(e) VENUE.—A civil action under subsection (a) or (c) of this section may be brought in the judicial district in which the violation occurred or the defendant resides, is found, or transacts busi-

¹ So in law. Probably should be "subparagraphs (A) and (B)".

ness. Process in the action may be served in any other judicial district in which the defendant resides or is found. A subpoena for a witness in the action may be served in any judicial district.

§ 33116. Confidentiality of information

(a) GENERAL.—Information obtained by the Secretary of Transportation under this chapter related to a confidential matter referred to in section 1905 of title 18 may be disclosed only—

(1) to another officer or employee of the United States Government for use in carrying out this chapter; or

(2) in a proceeding under this chapter (except a proceeding under section 33104(a)(3)).

(b) WITHHOLDING INFORMATION FROM CONGRESS.—This section does not authorize information to be withheld from a committee of Congress authorized to have the information.

§ 33117. Judicial review

A person that may be adversely affected by a regulation prescribed under this chapter may obtain judicial review of the regulation under section 32909 of this title. A remedy under this section is in addition to any other remedies provided by law.

§ 33118. Preemption of State and local law

When a motor vehicle theft prevention standard prescribed under section 33102 or 33103 of this title is in effect, a State or political subdivision of a State may not have a different motor vehicle theft prevention standard for a motor vehicle or major replacement part.

§ 60101. Definitions

- (a) GENERAL.—In this chapter—
- (1) “existing liquefied natural gas facility”—
- (A) means a liquefied natural gas facility for which an application to approve the site, construction, or operation of the facility was filed before March 1, 1978, with—
- (i) the Federal Energy Regulatory Commission (or any predecessor); or
- (ii) the appropriate State or local authority, if the facility is not subject to the jurisdiction of the Com-

- mission under the Natural Gas Act (15 U.S.C. 717 et seq.); but
- (B) does not include a facility on which construction is begun after November 29, 1979, without the approval;
- (2) “gas” means natural gas, flammable gas, or toxic or corrosive gas;
- (3) “gas pipeline facility” includes a pipeline, a right of way, a facility, a building, or equipment used in transporting gas or treating gas during its transportation;
- (4) “hazardous liquid” means—
- (A) petroleum or a petroleum product; and
- (B) a substance the Secretary of Transportation decides may pose an unreasonable risk to life or property when transported by a hazardous liquid pipeline facility in a liquid state (except for liquefied natural gas);
- (5) “hazardous liquid pipeline facility” includes a pipeline, a right of way, a facility, a building, or equipment used or intended to be used in transporting hazardous liquid;
- (6) “interstate gas pipeline facility”—
- (A) means a gas pipeline facility—
- (i) used to transport gas; and
- (ii) subject to the jurisdiction of the Commission under the Natural Gas Act (15 U.S.C. 717 et seq.); but
- (B) does not include a gas pipeline facility transporting gas from an interstate gas pipeline in a State to a direct sales customer in that State buying gas for its own consumption;
- (7) “interstate hazardous liquid pipeline facility” means a hazardous liquid pipeline facility used to transport hazardous liquid in interstate or foreign commerce;
- (8) “interstate or foreign commerce”—
- (A) related to gas, means commerce—
- (i) between a place in a State and a place outside that State; or
- (ii) that affects any commerce described in subclause (A)(i) of this clause; and
- (B) related to hazardous liquid, means commerce between—
- (i) a place in a State and a place outside that State; or
- (ii) places in the same State through a place outside the State;
- (9) “intrastate gas pipeline facility” means—
- (A) a gas pipeline facility and transportation of gas within a State not subject to the jurisdiction of the Commission under the Natural Gas Act (15 U.S.C. 717 et seq.); and
- (B) a gas pipeline facility transporting gas from an interstate gas pipeline in a State to a direct sales customer in that State buying gas for its own consumption;
- (10) “intrastate hazardous liquid pipeline facility” means a hazardous liquid pipeline facility that is not an interstate hazardous liquid pipeline facility;

(11) “liquefied natural gas” means natural gas in a liquid or semisolid state;

(12) “liquefied natural gas accident” means a release, burning, or explosion of liquefied natural gas from any cause, except a release, burning, or explosion that, under regulations prescribed by the Secretary, does not pose a threat to public health or safety, property, or the environment;

(13) “liquefied natural gas conversion” means conversion of natural gas into liquefied natural gas or conversion of liquefied natural gas into natural gas;

(14) “liquefied natural gas pipeline facility”—

(A) means a gas pipeline facility used for transporting or storing liquefied natural gas, or for liquefied natural gas conversion, in interstate or foreign commerce; but

(B) does not include any part of a structure or equipment located in navigable waters (as defined in section 3 of the Federal Power Act (16 U.S.C. 796));

(15) “municipality” means a political subdivision of a State;

(16) “new liquefied natural gas pipeline facility” means a liquefied natural gas pipeline facility except an existing liquefied natural gas pipeline facility;

(17) “person”, in addition to its meaning under section 1 of title 1 (except as to societies), includes a State, a municipality, and a trustee, receiver, assignee, or personal representative of a person;

(18) “pipeline facility” means a gas pipeline facility and a hazardous liquid pipeline facility;

(19) “pipeline transportation” means transporting gas and transporting hazardous liquid;

(20) “State” means a State of the United States, the District of Columbia, and Puerto Rico;

(21)¹ “transporting gas”—

(A) means the gathering, transmission, or distribution of gas by pipeline, or the storage of gas, in interstate or foreign commerce; but

(B) does not include the gathering of gas, other than gathering through regulated gathering lines, in those rural

¹Section 4(s) of P.L. 103-272 (108 Stat. 1371) provides as follows:

(s) Effective on the date the regulations required under section 60101(b) of title 49, United States Code, as enacted by section 1 of this Act, are effective, section 60101(a)(21) and (22) of title 49, as enacted by section 1, is amended to read as follows:

“(21) ‘transporting gas’—

“(A) means—

“(i) the gathering, transmission, or distribution of gas by pipeline, or the storage of gas, in interstate or foreign commerce; and

“(ii) the movement of gas through regulated gathering lines; but

“(B) does not include gathering gas (except through regulated gathering lines) in a rural area outside a populated area designated by the Secretary as a nonrural area.

“(22) ‘transporting hazardous liquid’—

“(A) means—

“(i) the movement of hazardous liquid by pipeline, or the storage of hazardous liquid incidental to the movement of hazardous liquid by pipeline, in or affecting interstate or foreign commerce; and

“(ii) the movement of hazardous liquid through regulated gathering lines; but

“(B) does not include moving hazardous liquid through—

“(i) gathering lines (except regulated gathering lines) in a rural area;

“(ii) onshore production, refining, or manufacturing facilities; or

“(iii) storage or in-plant piping systems associated with onshore production, refining, or manufacturing facilities.”.

locations that are located outside the limits of any incorporated or unincorporated city, town, or village, or any other designated residential or commercial area (including a subdivision, business, shopping center, or community development) or any similar populated area that the Secretary of Transportation determines to be a nonrural area, except that the term “transporting gas” includes the movement of gas through regulated gathering lines;

(22)¹ “transporting hazardous liquid”—

(A) means the movement of hazardous liquid by pipeline, or the storage of hazardous liquid incidental to the movement of hazardous liquid by pipeline, in or affecting interstate or foreign commerce; but

(B) does not include moving hazardous liquid through—

(i) gathering lines in a rural area;

(ii) onshore production, refining, or manufacturing facilities; or

(iii) storage or in-plant piping systems associated with onshore production, refining, or manufacturing facilities;

(23) “risk management” means the systematic application, by the owner or operator of a pipeline facility, of management policies, procedures, finite resources, and practices to the tasks of identifying, analyzing, assessing, reducing, and controlling risk in order to protect employees, the general public, the environment, and pipeline facilities;

(24) “risk management plan” means a management plan utilized by a gas or hazardous liquid pipeline facility owner or operator that encompasses risk management; and

(25) “Secretary” means the Secretary of Transportation.

(b) GATHERING LINES.—(1)(A) Not later than October 24, 1994, the Secretary shall prescribe standards defining the term “gathering line”.

(B) In defining “gathering line” for gas, the Secretary—

(i) shall consider functional and operational characteristics of the lines to be included in the definition; and

(ii) is not bound by a classification the Commission establishes under the Natural Gas Act (15 U.S.C. 717 et seq.).

(2)(A) Not later than October 24, 1995, the Secretary, if appropriate, shall prescribe standards defining the term “regulated gathering line”. In defining the term, the Secretary shall consider factors such as location, length of line from the well site, operating pressure, throughput, and the composition of the transported gas or hazardous liquid, as appropriate, in deciding on the types of lines that functionally are gathering but should be regulated under this chapter because of specific physical characteristics.

(B)(i) The Secretary also shall consider diameter when defining “regulated gathering line” for hazardous liquid.

(ii) The definition of “regulated gathering line” for hazardous liquid may not include a crude oil gathering line that has a nominal diameter of not more than 6 inches, is operated at low pressure, and is located in a rural area that is not unusually sensitive to environmental damage.

§ 60102. Purpose and general authority**(a) PURPOSE AND MINIMUM SAFETY STANDARDS.—**

(1) **PURPOSE.**—The purpose of this chapter is to provide adequate protection against risks to life and property posed by pipeline transportation and pipeline facilities by improving the regulatory and enforcement authority of the Secretary of Transportation.

(2) **MINIMUM SAFETY STANDARDS.**—The Secretary shall prescribe minimum safety standards for pipeline transportation and for pipeline facilities. The standards—

(A) apply to owners and operators of pipeline facilities;

(B) may apply to the design, installation, inspection, emergency plans and procedures, testing, construction, extension, operation, replacement, and maintenance of pipeline facilities; and

(C) shall include a requirement that all individuals who operate and maintain pipeline facilities shall be qualified to operate and maintain the pipeline facilities.

(3) **QUALIFICATIONS OF PIPELINE OPERATORS.**—The qualifications applicable to an individual who operates and maintains a pipeline facility shall address the ability to recognize and react appropriately to abnormal operating conditions that may indicate a dangerous situation or a condition exceeding design limits. The operator of a pipeline facility shall ensure that employees who operate and maintain the facility are qualified to operate and maintain the pipeline facilities.

(b) PRACTICABILITY AND SAFETY NEEDS STANDARDS.—

(1) **IN GENERAL.**—A standard prescribed under subsection (a) shall be—

(A) practicable; and

(B) designed to meet the need for—

(i) gas pipeline safety, or safely transporting hazardous liquids, as appropriate; and

(ii) protecting the environment.

(2) **FACTORS FOR CONSIDERATION.**—When prescribing any standard under this section or section 60101(b), 60103, 60108, 60109, 60110, or 60113, the Secretary shall consider—

(A) relevant available—

(i) gas pipeline safety information;

(ii) hazardous liquid pipeline safety information;

and

(iii) environmental information;

(B) the appropriateness of the standard for the particular type of pipeline transportation or facility;

(C) the reasonableness of the standard;

(D) based on a risk assessment, the reasonably identifiable or estimated benefits expected to result from implementation or compliance with the standard;

(E) based on a risk assessment, the reasonably identifiable or estimated costs expected to result from implementation or compliance with the standard;

(F) comments and information received from the public; and

(G) the comments and recommendations of the Technical Pipeline Safety Standards Committee, the Technical Hazardous Liquid Pipeline Safety Standards Committee, or both, as appropriate.

(3) RISK ASSESSMENT.—In conducting a risk assessment referred to in subparagraphs (D) and (E) of paragraph (2), the Secretary shall—

(A) identify the regulatory and nonregulatory options that the Secretary considered in prescribing a proposed standard;

(B) identify the costs and benefits associated with the proposed standard;

(C) include—

(i) an explanation of the reasons for the selection of the proposed standard in lieu of the other options identified; and

(ii) with respect to each of those other options, a brief explanation of the reasons that the Secretary did not select the option; and

(D) identify technical data or other information upon which the risk assessment information and proposed standard is based.

(4) REVIEW.—

(A) IN GENERAL.—The Secretary shall—

(i) submit any risk assessment information prepared under paragraph (3) of this subsection to the Technical Pipeline Safety Standards Committee, the Technical Hazardous Liquid Pipeline Safety Standards Committee, or both, as appropriate; and

(ii) make that risk assessment information available to the general public.

(B) PEER REVIEW PANELS.—The committees referred to in subparagraph (A) shall serve as peer review panels to review risk assessment information prepared under this section. Not later than 90 days after receiving risk assessment information for review pursuant to subparagraph (A), each committee that receives that risk assessment information shall prepare and submit to the Secretary a report that includes—

(i) an evaluation of the merit of the data and methods used; and

(ii) any recommended options relating to that risk assessment information and the associated standard that the committee determines to be appropriate.

(C) REVIEW BY SECRETARY.—Not later than 90 days after receiving a report submitted by a committee under subparagraph (B), the Secretary—

(i) shall review the report;

(ii) shall provide a written response to the committee that is the author of the report concerning all significant peer review comments and recommended alternatives contained in the report; and

(iii) may revise the risk assessment and the proposed standard before promulgating the final standard.

(5) SECRETARIAL DECISIONMAKING.—Except where otherwise required by statute, the Secretary shall propose or issue a standard under this Chapter¹ only upon a reasoned determination that the benefits of the intended standard justify its costs.

(6) EXCEPTIONS FROM APPLICATION.—The requirements of subparagraphs (D) and (E) of paragraph (2) do not apply when—

(A) the standard is the product of a negotiated rulemaking, or other rulemaking including the adoption of industry standards that receives no significant adverse comment within 60 days of notice in the Federal Register;

(B) based on a recommendation (in which three-fourths of the members voting concur) by the Technical Pipeline Safety Standards Committee, the Technical Hazardous Liquid Pipeline Safety Standards Committee, or both, as applicable, the Secretary waives the requirements; or

(C) the Secretary finds, pursuant to section 553(b)(3)(B) of title 5, United States Code, that notice and public procedure are not required.

(7) REPORT.—Not later than March 31, 2000, the Secretary shall transmit to the Congress a report that—

(A) describes the implementation of the risk assessment requirements of this section, including the extent to which those requirements have affected regulatory decisionmaking and pipeline safety; and

(B) includes any recommendations that the Secretary determines would make the risk assessment process conducted pursuant to the requirements under this chapter a more effective means of assessing the benefits and costs associated with alternative regulatory and nonregulatory options in prescribing standards under the Federal pipeline safety regulatory program under this chapter.

(c) PUBLIC SAFETY PROGRAM REQUIREMENTS.—(1) The Secretary shall include in the standards prescribed under subsection (a) of this section a requirement that an operator of a gas pipeline facility participate in a public safety program that—

(A) notifies an operator of proposed demolition, excavation, tunneling, or construction near or affecting the facility;

(B) requires an operator to identify a pipeline facility that may be affected by the proposed demolition, excavation, tunneling, or construction, to prevent damaging the facility; and

(C) the Secretary decides will protect a facility adequately against a hazard caused by demolition, excavation, tunneling, or construction.

(2) To the extent a public safety program referred to in paragraph (1) of this subsection is not available, the Secretary shall prescribe standards requiring an operator to take action the Sec-

¹ So in original. Probably should read “chapter”.

retary prescribes to provide services comparable to services that would be available under a public safety program.

(3) The Secretary may include in the standards prescribed under subsection (a) of this section a requirement that an operator of a hazardous liquid pipeline facility participate in a public safety program meeting the requirements of paragraph (1) of this subsection or maintain and carry out a damage prevention program that provides services comparable to services that would be available under a public safety program.

(4) PROMOTING PUBLIC AWARENESS.—

(A) Not later than one year after the date of enactment of the Accountable Pipeline Safety and Accountability Act of 1996¹, and annually thereafter, the owner or operator of each interstate gas pipeline facility shall provide to the governing body of each municipality in which the interstate gas pipeline facility is located, a map identifying the location of such facility.

(B)(i) Not later than June 1, 1998, the Secretary shall survey and assess the public education programs under section 60116 and the public safety programs under section 60102(c) and determine their effectiveness and applicability as components of a model program. In particular, the survey shall include the methods by which operators notify residents of the location of the facility and its right of way, public information regarding existing One-Call programs, and appropriate procedures to be followed by residents of affected municipalities in the event of accidents involving interstate gas pipeline facilities.

(ii) Not later than one year after the survey and assessment are completed, the Secretary shall institute a rulemaking to determine the most effective public safety and education program components and promulgate if appropriate, standards implementing those components on a nationwide basis. In the event that the Secretary finds that promulgation of such standards are not appropriate, the Secretary shall report to Congress the reasons for that finding.

(d) FACILITY OPERATION INFORMATION STANDARDS.—The Secretary shall prescribe minimum standards requiring an operator of a pipeline facility subject to this chapter to maintain, to the extent practicable, information related to operating the facility as required by the standards prescribed under this chapter and, when requested, to make the information available to the Secretary and an appropriate State official as determined by the Secretary. The information shall include—

(1) the business name, address, and telephone number, including an operations emergency telephone number, of the operator;

(2) accurate maps and a supplementary geographic description, including an identification of areas described in regu-

¹So in law. Probably should refer to the “Accountable Pipeline Safety and Partnership Act of 1996”.

lations prescribed under section 60109 of this title, that show the location in the State of—

- (A) major gas pipeline facilities of the operator, including transmission lines and significant distribution lines; and
- (B) major hazardous liquid pipeline facilities of the operator;
- (3) a description of—
 - (A) the characteristics of the operator's pipelines in the State; and
 - (B) products transported through the operator's pipelines in the State;
- (4) the manual that governs operating and maintaining pipeline facilities in the State;
- (5) an emergency response plan describing the operator's procedures for responding to and containing releases, including—
 - (A) identifying specific action the operator will take on discovering a release;
 - (B) liaison procedures with State and local authorities for emergency response; and
 - (C) communication and alert procedures for immediately notifying State and local officials at the time of a release; and
- (6) other information the Secretary considers useful to inform a State of the presence of pipeline facilities and operations in the State.

(e) PIPE INVENTORY STANDARDS.—The Secretary shall prescribe minimum standards requiring an operator of a pipeline facility subject to this chapter to maintain for the Secretary, to the extent practicable, an inventory with appropriate information about the types of pipe used for the transportation of gas or hazardous liquid, as appropriate, in the operator's system and additional information, including the material's history and the leak history of the pipe. The inventory—

- (1) for a gas pipeline facility, shall include an identification of each facility passing through an area described in regulations prescribed under section 60109 of this title but shall exclude equipment used with the compression of gas; and
- (2) for a hazardous liquid pipeline facility, shall include an identification of each facility and gathering line passing through an area described in regulations prescribed under section 60109 of this title, whether the facility or gathering line otherwise is subject to this chapter, but shall exclude equipment associated only with the pipeline pumps or storage facilities.

(f) STANDARDS AS ACCOMMODATING “SMART PIGS”.—

(1) MINIMUM SAFETY STANDARDS.—The Secretary shall prescribe minimum safety standards requiring that—

- (A) the design and construction of new natural gas transmission pipeline or hazardous liquid pipeline facilities, and
- (B) when the replacement of existing natural gas transmission pipeline or hazardous liquid pipeline facilities

or equipment is required, the replacement of such existing facilities be carried out, to the extent practicable, in a manner so as to accommodate the passage through such natural gas transmission pipeline or hazardous liquid pipeline facilities of instrumented internal inspection devices (commonly referred to as “smart pigs”). The Secretary may extend such standards to require existing natural gas transmission pipeline or hazardous liquid pipeline facilities, whose basic construction would accommodate an instrumented internal inspection device to be modified to permit the inspection of such facilities with instrumented internal inspection devices.

(2) PERIODIC INSPECTIONS.—Not later than October 24, 1995, the Secretary shall prescribe, if necessary, additional standards requiring the periodic inspection of each pipeline the operator of the pipeline identifies under section 60109 of this title. The standards shall include any circumstances under which an inspection shall be conducted with an instrumented internal inspection device and, if the device is not required, use of an inspection method that is at least as effective as using the device in providing for the safety of the pipeline.

(g) EFFECTIVE DATES.—A standard prescribed under this section and section 60110 of this title is effective on the 30th day after the Secretary prescribes the standard. However, the Secretary for good cause may prescribe a different effective date when required because of the time reasonably necessary to comply with the standard. The different date must be specified in the regulation prescribing the standard.

(h) SAFETY CONDITION REPORTS.—(1) The Secretary shall prescribe regulations requiring each operator of a pipeline facility (except a master meter) to submit to the Secretary a written report on any—

(A) condition that is a hazard to life, property, or the environment; and

(B) safety-related condition that causes or has caused a significant change or restriction in the operation of a pipeline facility.

(2) The Secretary must receive the report not later than 5 working days after a representative of a person to which this section applies first establishes that the condition exists. Notice of the condition shall be given concurrently to appropriate State authorities.

(i) CARBON DIOXIDE REGULATION.—The Secretary shall regulate carbon dioxide transported by a hazardous liquid pipeline facility. The Secretary shall prescribe standards related to hazardous liquid to ensure the safe transportation of carbon dioxide by such a facility.

(j) EMERGENCY FLOW RESTRICTING DEVICES.—(1) Not later than October 24, 1994, the Secretary shall survey and assess the effectiveness of emergency flow restricting devices (including remotely controlled valves and check valves) and other procedures, systems, and equipment used to detect and locate hazardous liquid pipeline ruptures and minimize product releases from hazardous liquid pipeline facilities.

(2) Not later than 2 years after the survey and assessment are completed, the Secretary shall prescribe standards on the circumstances under which an operator of a hazardous liquid pipeline facility must use an emergency flow restricting device or other procedure, system, or equipment described in paragraph (1) of this subsection on the facility.

(3) REMOTELY CONTROLLED VALVES.—(A) Not later than June 1, 1998, the Secretary shall survey and assess the effectiveness of remotely controlled valves to shut off the flow of natural gas in the event of a rupture of an interstate natural gas pipeline facility and shall make a determination about whether the use of remotely controlled valves is technically and economically feasible and would reduce risks associated with a rupture of an interstate natural gas pipeline facility.

(B) Not later than one year after the survey and assessment are completed, if the Secretary has determined that the use of remotely controlled valves is technically and economically feasible and would reduce risks associated with a rupture of an interstate natural gas pipeline facility, the Secretary shall prescribe standards under which an operator of an interstate natural gas pipeline facility must use a remotely controlled valve. These standards shall include, but not be limited to, requirements for high-density population areas.

(k) PROHIBITION AGAINST LOW INTERNAL STRESS EXCEPTION.—The Secretary may not provide an exception to this chapter for a hazardous liquid pipeline facility only because the facility operates at low internal stress.

(l) UPDATING STANDARDS.—The Secretary shall, to the extent appropriate and practicable, update incorporated industry standards that have been adopted as part of the Federal pipeline safety regulatory program under this chapter.

(m) INSPECTIONS BY DIRECT ASSESSMENT.—Not later than 1 year after the date of the enactment of this subsection, the Secretary shall issue regulations prescribing standards for inspection of a pipeline facility by direct assessment.

§ 60103. Standards for liquefied natural gas pipeline facilities

(a) LOCATION STANDARDS.—The Secretary of Transportation shall prescribe minimum safety standards for deciding on the location of a new liquefied natural gas pipeline facility. In prescribing a standard, the Secretary shall consider the—

- (1) kind and use of the facility;
- (2) existing and projected population and demographic characteristics of the location;
- (3) existing and proposed land use near the location;
- (4) natural physical aspects of the location;
- (5) medical, law enforcement, and fire prevention capabilities near the location that can cope with a risk caused by the facility; and
- (6) need to encourage remote siting.

(b) DESIGN, INSTALLATION, CONSTRUCTION, INSPECTION, AND TESTING STANDARDS.—The Secretary of Transportation shall prescribe minimum safety standards for designing, installing, con-

structing, initially inspecting, and initially testing a new liquefied natural gas pipeline facility. When prescribing a standard, the Secretary shall consider—

- (1) the characteristics of material to be used in constructing the facility and of alternative material;
- (2) design factors;
- (3) the characteristics of the liquefied natural gas to be stored or converted at, or transported by, the facility; and
- (4) the public safety factors of the design and of alternative designs, particularly the ability to prevent and contain a liquefied natural gas spill.

(c) NONAPPLICATION.—(1) Except as provided in paragraph (2) of this subsection, a design, location, installation, construction, initial inspection, or initial testing standard prescribed under this chapter after March 1, 1978, does not apply to an existing liquefied natural gas pipeline facility if the standard is to be applied because of authority given—

- (A) under this chapter; or
 - (B) under another law, and the standard is not prescribed at the time the authority is applied.
- (2)(A) Any design, installation, construction, initial inspection, or initial testing standard prescribed under this chapter after March 1, 1978, may provide that the standard applies to any part of a replacement component of a liquefied natural gas pipeline facility if the component or part is placed in service after the standard is prescribed and application of the standard—

- (i) does not make the component or part incompatible with other components or parts; or
- (ii) is not impracticable otherwise.

(B) Any location standard prescribed under this chapter after March 1, 1978, does not apply to any part of a replacement component of an existing liquefied natural gas pipeline facility.

(3) A design, installation, construction, initial inspection, or initial testing standard does not apply to a liquefied natural gas pipeline facility existing when the standard is adopted.

(d) OPERATION AND MAINTENANCE STANDARDS.—The Secretary of Transportation shall prescribe minimum operating and maintenance standards for a liquefied natural gas pipeline facility. In prescribing a standard, the Secretary shall consider—

- (1) the conditions, features, and type of equipment and structures that make up or are used in connection with the facility;
- (2) the fire prevention and containment equipment at the facility;
- (3) security measures to prevent an intentional act that could cause a liquefied natural gas accident;
- (4) maintenance procedures and equipment;
- (5) the training of personnel in matters specified by this subsection; and
- (6) other factors and conditions related to the safe handling of liquefied natural gas.

(e) EFFECTIVE DATES.—A standard prescribed under this section is effective on the 30th day after the Secretary of Transportation prescribes the standard. However, the Secretary for good

cause may prescribe a different effective date when required because of the time reasonably necessary to comply with the standard. The different date must be specified in the regulation prescribing the standard.

(f) CONTINGENCY PLANS.—A new liquefied natural gas pipeline facility may be operated only after the operator submits an adequate contingency plan that states the action to be taken if a liquefied natural gas accident occurs. The Secretary of Energy or appropriate State or local authority shall decide if the plan is adequate.

(g) EFFECT ON OTHER STANDARDS.—This section does not preclude applying a standard prescribed under section 60102 of this title to a gas pipeline facility (except a liquefied natural gas pipeline facility) associated with a liquefied natural gas pipeline facility.

§ 60104. Requirements and limitations

(a) OPPORTUNITY TO PRESENT VIEWS.—The Secretary of Transportation shall give an interested person an opportunity to make oral and written presentations of information, views, and arguments when prescribing a standard under this chapter.

(b) NONAPPLICATION.—A design, installation, construction, initial inspection, or initial testing standard does not apply to a pipeline facility existing when the standard is adopted.

(c) PREEMPTION.—A State authority that has submitted a current certification under section 60105(a) of this title may adopt additional or more stringent safety standards for intrastate pipeline facilities and intrastate pipeline transportation only if those standards are compatible with the minimum standards prescribed under this chapter. A State authority may not adopt or continue in force safety standards for interstate pipeline facilities or interstate pipeline transportation. Notwithstanding the preceding sentence, a State authority may enforce a requirement of a one-call notification program of the State if the program meets the requirements for one-call notification programs under this chapter or chapter 61.

(d) CONSULTATION.—(1) When continuity of gas service is affected by prescribing a standard or waiving compliance with standards under this chapter, the Secretary of Transportation shall consult with and advise the Federal Energy Regulatory Commission or a State authority having jurisdiction over the affected gas pipeline facility before prescribing the standard or waiving compliance. The Secretary shall delay the effective date of the standard or waiver until the Commission or State authority has a reasonable opportunity to grant an authorization it considers necessary.

(2) In a proceeding under section 3 or 7 of the Natural Gas Act (15 U.S.C. 717b or 717f), each applicant for authority to import natural gas or to establish, construct, operate, or extend a gas pipeline facility subject to an applicable safety standard shall certify that it will design, install, inspect, test, construct, operate, replace, and maintain a gas pipeline facility under those standards and plans for inspection and maintenance under section 60108 of this title. The certification is binding on the Secretary of Energy and the Commission except when an appropriate enforcement agency has given timely written notice to the Commission that the applicant has violated a standard prescribed under this chapter.

(e) LOCATION AND ROUTING OF FACILITIES.—This chapter does not authorize the Secretary of Transportation to prescribe the location or routing of a pipeline facility.

§ 60105. State pipeline safety program certifications

(a) GENERAL REQUIREMENTS AND SUBMISSION.—Except as provided in this section and sections 60114 and 60121 of this title, the Secretary of Transportation may not prescribe or enforce safety standards and practices for an intrastate pipeline facility or intrastate pipeline transportation to the extent that the safety standards and practices are regulated by a State authority (including a municipality if the standards and practices apply to intrastate gas pipeline transportation) that submits to the Secretary annually a certification for the facilities and transportation that complies with subsections (b) and (c) of this section.

(b) CONTENTS.—Each certification submitted under subsection (a) of this section shall state that the State authority—

(1) has regulatory jurisdiction over the standards and practices to which the certification applies;

(2) has adopted, by the date of certification, each applicable standard prescribed under this chapter or, if a standard under this chapter was prescribed not later than 120 days before certification, is taking steps to adopt that standard;

(3) is enforcing each adopted standard through ways that include inspections conducted by State employees meeting the qualifications the Secretary prescribes under section 60107(d)(1)(C) of this title;

(4) is encouraging and promoting programs designed to prevent damage by demolition, excavation, tunneling, or construction activity to the pipeline facilities to which the certification applies;

(5) may require record maintenance, reporting, and inspection substantially the same as provided under section 60117 of this title;

(6) may require that plans for inspection and maintenance under section 60108 (a) and (b) of this title be filed for approval; and

(7) may enforce safety standards of the authority under a law of the State by injunctive relief and civil penalties substantially the same as provided under sections 60120 and 60122(a)(1) and (b)–(f) of this title.

(c) REPORTS.—(1) Each certification submitted under subsection (a) of this section shall include a report that contains—

(A) the name and address of each person to whom the certification applies that is subject to the safety jurisdiction of the State authority;

(B) each accident or incident reported during the prior 12 months by that person involving a fatality, personal injury requiring hospitalization, or property damage or loss of more than an amount the Secretary establishes (even if the person sustaining the fatality, personal injury, or property damage or loss is not subject to the safety jurisdiction of the authority), any other accident the authority considers significant, and a

summary of the investigation by the authority of the cause and circumstances surrounding the accident or incident;

(C) the record maintenance, reporting, and inspection practices conducted by the authority to enforce compliance with safety standards prescribed under this chapter to which the certification applies, including the number of inspections of pipeline facilities the authority made during the prior 12 months; and

(D) any other information the Secretary requires.

(2) The report included in the first certification submitted under subsection (a) of this section is only required to state information available at the time of certification.

(d) APPLICATION.—A certification in effect under this section does not apply to safety standards prescribed under this chapter after the date of certification. This chapter applies to each applicable safety standard prescribed after the date of certification until the State authority adopts the standard and submits the appropriate certification to the Secretary under subsection (a) of this section.

(e) MONITORING.—The Secretary may monitor a safety program established under this section to ensure that the program complies with the certification. A State authority shall cooperate with the Secretary under this subsection.

(f) REJECTIONS OF CERTIFICATION.—If after receiving a certification the Secretary decides the State authority is not enforcing satisfactorily compliance with applicable safety standards prescribed under this chapter, the Secretary may reject the certification, assert United States Government jurisdiction, or take other appropriate action to achieve adequate enforcement. The Secretary shall give the authority notice and an opportunity for a hearing before taking final action under this subsection. When notice is given, the burden of proof is on the authority to demonstrate that it is enforcing satisfactorily compliance with the prescribed standards.

§ 60106. State pipeline safety agreements

(a) AGREEMENTS WITHOUT CERTIFICATION.—If the Secretary of Transportation does not receive a certification under section 60105 of this title, the Secretary may make an agreement with a State authority (including a municipality if the agreement applies to intrastate gas pipeline transportation) authorizing it to take necessary action. Each agreement shall—

(1) establish an adequate program for record maintenance, reporting, and inspection designed to assist compliance with applicable safety standards prescribed under this chapter; and

(2) prescribe procedures for approval of plans of inspection and maintenance substantially the same as required under section 60108 (a) and (b) of this title.

(b) AGREEMENTS WITH CERTIFICATION.—

(1) IN GENERAL.—If the Secretary accepts a certification under section 60105 and makes the determination required under this subsection, the Secretary may make an agreement with a State authority authorizing it to participate in the oversight of interstate pipeline transportation. Each such agreement shall include a plan for the State authority to participate

in special investigations involving incidents or new construction and allow the State authority to participate in other activities overseeing interstate pipeline transportation or to assume additional inspection or investigatory duties. Nothing in this section modifies section 60104(c) or authorizes the Secretary to delegate the enforcement of safety standards for interstate pipeline facilities prescribed under this chapter to a State authority.

(2) DETERMINATIONS REQUIRED.—The Secretary may not enter into an agreement under this subsection, unless the Secretary determines in writing that—

(A) the agreement allowing participation of the State authority is consistent with the Secretary's program for inspection and consistent with the safety policies and provisions provided under this chapter;

(B) the interstate participation agreement would not adversely affect the oversight responsibilities of intrastate pipeline transportation by the State authority;

(C) the State is carrying out a program demonstrated to promote preparedness and risk prevention activities that enable communities to live safely with pipelines;

(D) the State meets the minimum standards for State one-call notification set forth in chapter 61; and

(E) the actions planned under the agreement would not impede interstate commerce or jeopardize public safety.

(3) EXISTING AGREEMENTS.—If requested by the State authority, the Secretary shall authorize a State authority which had an interstate agreement in effect after January 31, 1999, to oversee interstate pipeline transportation pursuant to the terms of that agreement until the Secretary determines that the State meets the requirements of paragraph (2) and executes a new agreement, or until December 31, 2003, whichever is sooner. Nothing in this paragraph shall prevent the Secretary, after affording the State notice, hearing, and an opportunity to correct any alleged deficiencies, from terminating an agreement that was in effect before enactment of the Pipeline Safety Improvement Act of 2002 if—

(A) the State authority fails to comply with the terms of the agreement;

(B) implementation of the agreement has resulted in a gap in the oversight responsibilities of intrastate pipeline transportation by the State authority; or

(C) continued participation by the State authority in the oversight of interstate pipeline transportation has had an adverse impact on pipeline safety.

(c) NOTIFICATION.—

(1) IN GENERAL.—Each agreement shall require the State authority to notify the Secretary promptly of a violation or probable violation of an applicable safety standard discovered as a result of action taken in carrying out an agreement under this section.

(2) RESPONSE BY SECRETARY.—If a State authority notifies the Secretary under paragraph (1) of a violation or probable

violation of an applicable safety standard, the Secretary, not later than 60 days after the date of receipt of the notification, shall—

- (A) issue an order under section 60118(b) or take other appropriate enforcement actions to ensure compliance with this chapter; or
 - (B) provide the State authority with a written explanation as to why the Secretary has determined not to take such actions.
- (d) **MONITORING.**—The Secretary may monitor a safety program established under this section to ensure that the program complies with the agreement. A State authority shall cooperate with the Secretary under this subsection.
- (e) **ENDING AGREEMENTS.**—
- (1) **PERMISSIVE TERMINATION.**—The Secretary may end an agreement under this section when the Secretary finds that the State authority has not complied with any provision of the agreement.
 - (2) **MANDATORY TERMINATION OF AGREEMENT.**—The Secretary shall end an agreement for the oversight of interstate pipeline transportation if the Secretary finds that—
 - (A) implementation of such agreement has resulted in a gap in the oversight responsibilities of intrastate pipeline transportation by the State authority;
 - (B) the State actions under the agreement have failed to meet the requirements under subsection (b); or
 - (C) continued participation by the State authority in the oversight of interstate pipeline transportation would not promote pipeline safety.
 - (3) **PROCEDURAL REQUIREMENTS.**—The Secretary shall give notice and an opportunity for a hearing to a State authority before ending an agreement under this section. The Secretary may provide a State an opportunity to correct any deficiencies before ending an agreement. The finding and decision to end the agreement shall be published in the Federal Register and may not become effective for at least 15 days after the date of publication unless the Secretary finds that continuation of an agreement poses an imminent hazard.

§ 60107. State pipeline safety grants

- (a) **GENERAL AUTHORITY.**—If a State authority files an application not later than September 30 of a calendar year, the Secretary of Transportation shall pay not more than 50 percent of the cost of the personnel, equipment, and activities the authority reasonably requires during the next calendar year—
- (1) to carry out a safety program under a certification under section 60105 of this title or an agreement under section 60106 of this title; or
 - (2) to act as an agent of the Secretary on interstate gas pipeline facilities or interstate hazardous liquid pipeline facilities.
- (b) **PAYMENTS.**—After notifying and consulting with a State authority, the Secretary may withhold any part of a payment when the Secretary decides that the authority is not carrying out satis-

factorily a safety program or not acting satisfactorily as an agent. The Secretary may pay an authority under this section only when the authority ensures the Secretary that it will provide the remaining costs of a safety program and that the total State amount spent for a safety program (excluding grants of the United States Government) will at least equal the average amount spent—

(1) for a gas safety program, for the fiscal years that ended June 30, 1967, and June 30, 1968; and

(2) for a hazardous liquid safety program, for the fiscal years that ended September 30, 1978, and September 30, 1979.

(c) APPORTIONMENT AND METHOD OF PAYMENT.—The Secretary shall apportion the amount appropriated to carry out this section among the States. A payment may be made under this section in installments, in advance, or on a reimbursable basis.

(d) ADDITIONAL AUTHORITY AND CONSIDERATIONS.—(1) The Secretary may prescribe—

(A) the form of, and way of filing, an application under this section;

(B) reporting and fiscal procedures the Secretary considers necessary to ensure the proper accounting of money of the Government; and

(C) qualifications for a State to meet to receive a payment under this section, including qualifications for State employees who perform inspection activities under section 60105 or 60106 of this title.

(2) The qualifications prescribed under paragraph (1)(C) of this subsection may—

(A) consider the experience and training of the employee;

(B) order training or other requirements; and

(C) provide for approval of qualifications on a conditional basis until specified requirements are met.

§ 60108. Inspection and maintenance

(a) PLANS.—(1) Each person owning or operating an intrastate gas pipeline facility or hazardous liquid pipeline facility shall carry out a current written plan (including any changes) for inspection and maintenance of each facility used in the transportation and owned or operated by the person. A copy of the plan shall be kept at any office of the person the Secretary of Transportation considers appropriate. The Secretary also may require a person owning or operating a pipeline facility subject to this chapter to file a plan for inspection and maintenance for approval.

(2) If the Secretary or a State authority responsible for enforcing standards prescribed under this chapter decides that a plan required under paragraph (1) of this subsection is inadequate for safe operation, the Secretary or authority shall require the person to revise the plan. Revision may be required only after giving notice and an opportunity for a hearing. A plan required under paragraph (1) must be practicable and designed to meet the need for pipeline safety and must include terms designed to enhance the ability to discover safety-related conditions described in section 60102(h)(1) of this title. In deciding on the adequacy of a plan, the Secretary or authority shall consider—

(A) relevant available pipeline safety information;

(B) the appropriateness of the plan for the particular kind of pipeline transportation or facility;

(C) the reasonableness of the plan; and

(D) the extent to which the plan will contribute to public safety and the protection of the environment.

(3) A plan required under this subsection shall be made available to the Secretary or State authority on request under section 60117 of this title.

(b) INSPECTION AND TESTING.—(1) The Secretary shall inspect and require appropriate testing of a pipeline facility subject to this chapter that is not covered by a certification under section 60105 of this title or an agreement under section 60106 of this title. The Secretary shall decide on the frequency and type of inspection and testing under this subsection on a case-by-case basis after considering the following:

(A) the location of the pipeline facility.

(B) the type, size, age, manufacturer, method of construction, and condition of the pipeline facility.

(C) the nature and volume of material transported through the pipeline facility.

(D) the pressure at which that material is transported.

(E) climatic, geologic, and seismic characteristics (including soil characteristics) and conditions of the area in which the pipeline facility is located.

(F) existing and projected population and demographic characteristics of the area in which the pipeline facility is located.

(G) for a hazardous liquid pipeline facility, the proximity of the area in which the facility is located to an area that is unusually sensitive to environmental damage.

(H) the frequency of leaks.

(I) other factors the Secretary decides are relevant to the safety of pipeline facilities.

(2) To the extent and in amounts provided in advance in an appropriation law, the Secretary shall decide on the frequency of inspection under paragraph (1) of this subsection. The Secretary may reduce the frequency of an inspection of a master meter system.

(3) Testing under this subsection shall use the most appropriate technology practicable.

(c) PIPELINE FACILITIES OFFSHORE AND IN OTHER WATERS.—(1) In this subsection—

(A) “abandoned” means permanently removed from service.

(B) “pipeline facility” includes an underwater abandoned pipeline facility.

(C) if a pipeline facility has no operator, the most recent operator of the facility is deemed to be the operator of the facility.

(2)(A) Not later than May 16, 1993, on the basis of experience with the inspections under section 3(h)(1)(A) of the Natural Gas Pipeline Safety Act of 1968 or section 203(l)(1)(A) of the Hazardous Liquid Pipeline Safety Act of 1979, as appropriate, and any other information available to the Secretary, the Secretary shall establish a mandatory, systematic, and, where appropriate, periodic inspection program of—

- (i) all offshore pipeline facilities; and
- (ii) any other pipeline facility crossing under, over, or through waters where a substantial likelihood of commercial navigation exists, if the Secretary decides that the location of the facility in those waters could pose a hazard to navigation or public safety.
- (B) In prescribing standards to carry out subparagraph (A) of this paragraph—
- (i) the Secretary shall identify what is a hazard to navigation with respect to an underwater abandoned pipeline facility; and
- (ii) for an underwater pipeline facility abandoned after October 24, 1992, the Secretary shall include requirements that will lessen the potential that the facility will pose a hazard to navigation and shall consider the relationship between water depth and navigational safety and factors relevant to the local marine environment.
- (3)(A) The Secretary shall establish by regulation a program requiring an operator of a pipeline facility described in paragraph (2) of this subsection to report a potential or existing navigational hazard involving that pipeline facility to the Secretary through the appropriate Coast Guard office.
- (B) The operator of a pipeline facility described in paragraph (2) of this subsection that discovers any part of the pipeline facility that is a hazard to navigation shall mark the location of the hazardous part with a Coast-Guard-approved marine buoy or marker and immediately shall notify the Secretary as provided by the Secretary under subparagraph (A) of this paragraph. A marine buoy or marker used under this subparagraph is deemed a pipeline sign or right-of-way marker under section 60123(c) of this title.
- (4)(A) The Secretary shall establish a standard that each pipeline facility described in paragraph (2) of this subsection that is a hazard to navigation is buried not later than 6 months after the date the condition of the facility is reported to the Secretary. The Secretary may extend that 6-month period for a reasonable period to ensure compliance with this paragraph.
- (B) In prescribing standards for subparagraph (A) of this paragraph for an underwater pipeline facility abandoned after October 24, 1992, the Secretary shall include requirements that will lessen the potential that the facility will pose a hazard to navigation and shall consider the relationship between water depth and navigational safety and factors relevant to the local marine environment.
- (5)(A) Not later than October 24, 1994, the Secretary shall establish standards on what is an exposed offshore pipeline facility and what is a hazard to navigation under this subsection.
- (B) Not later than 6 months after the Secretary establishes standards under subparagraph (A) of this paragraph, or October 24, 1995, whichever occurs first, the operator of each offshore pipeline facility not described in section 3(h)(1)(A) of the Natural Gas Pipeline Safety Act of 1968 or section 203(l)(1)(A) of the Hazardous Liquid Pipeline Safety Act of 1979, as appropriate, shall inspect the facility and report to the Secretary on any part of the facility that is exposed or is a hazard to navigation. This subparagraph applies only to a facility that is between the high water mark and the

point at which the subsurface is under 15 feet of water, as measured from mean low water. An inspection that occurred after October 3, 1989, may be used for compliance with this subparagraph if the inspection conforms to the requirements of this subparagraph.

(C) The Secretary may extend the time period specified in subparagraph (B) of this paragraph for not more than 6 months if the operator of a facility satisfies the Secretary that the operator has made a good faith effort, with reasonable diligence, but has been unable to comply by the end of that period.

(6)(A) The operator of a pipeline facility abandoned after October 24, 1992, shall report the abandonment to the Secretary in a way that specifies whether the facility has been abandoned properly according to applicable United States Government and State requirements.

(B) Not later than October 24, 1995, the operator of a pipeline facility abandoned before October 24, 1992, shall report to the Secretary reasonably available information related to the facility, including information that a third party possesses. The information shall include the location, size, date, and method of abandonment, whether the facility has been abandoned properly under applicable law, and other relevant information the Secretary may require. Not later than April 24, 1994, the Secretary shall specify how the information shall be reported. The Secretary shall ensure that the Government maintains the information in a way accessible to appropriate Government agencies and State authorities.

(C) The Secretary shall request that a State authority having information on a collision between a vessel and an underwater pipeline facility report the information to the Secretary in a timely way and make a reasonable effort to specify the location, date, and severity of the collision. Chapter 35 of title 44 does not apply to this subparagraph.

(7) The Secretary may not exempt from this chapter an offshore hazardous liquid pipeline facility only because the pipeline facility transfers hazardous liquid in an underwater pipeline between a vessel and an onshore facility.

(d) REPLACING CAST IRON GAS PIPELINES.—(1) The Secretary shall publish a notice on the availability of industry guidelines, developed by the Gas Piping Technology Committee, for replacing cast iron pipelines. Not later than 2 years after the guidelines become available, the Secretary shall conduct a survey of gas pipeline operators with cast iron pipe in their systems to establish—

(A) the extent to which each operator has adopted a plan for the safe management and replacement of cast iron;

(B) the elements of the plan, including the anticipated rate of replacement; and

(C) the progress that has been made.

(2) Chapter 35 of title 44 does not apply to the conduct of the survey.

(3) This subsection does not prevent the Secretary from developing Government guidelines or standards for cast iron gas pipelines as the Secretary considers appropriate.

§ 60109. High-density population areas and environmentally sensitive areas

(a) IDENTIFICATION REQUIREMENTS.—Not later than October 24, 1994, the Secretary of Transportation shall prescribe standards that—

(1) establish criteria for identifying—

(A) by operators of gas pipeline facilities, each gas pipeline facility (except a natural gas distribution line) located in a high-density population area; and

(B) by operators of hazardous liquid pipeline facilities and gathering lines—

(i) each hazardous liquid pipeline facility, whether otherwise subject to this chapter, that crosses waters where a substantial likelihood of commercial navigation exists or that is located in an area described in the criteria as a high-density population area; and

(ii) each hazardous liquid pipeline facility and gathering line, whether otherwise subject to this chapter, located in an area that the Secretary, in consultation with the Administrator of the Environmental Protection Agency, describes as unusually sensitive to environmental damage if there is a hazardous liquid pipeline accident; and

(2) provide that the identification be carried out through the inventory required under section 60102(e) of this title.

(b) AREAS TO BE INCLUDED AS UNUSUALLY SENSITIVE.—When describing areas that are unusually sensitive to environmental damage if there is a hazardous liquid pipeline accident, the Secretary shall consider areas where a pipeline rupture would likely cause permanent or long-term environmental damage, including—

(1) locations near pipeline rights-of-way that are critical to drinking water, including intake locations for community water systems and critical sole source aquifer protection areas; and

(2) locations near pipeline rights-of-way that have been identified as critical wetlands, riverine or estuarine systems, national parks, wilderness areas, wildlife preservation areas or refuges, wild and scenic rivers, or critical habitat areas for threatened and endangered species.

(c) RISK ANALYSIS AND INTEGRITY MANAGEMENT PROGRAMS.—

(1) REQUIREMENT.—Each operator of a gas pipeline facility shall conduct an analysis of the risks to each facility of the operator located in an area identified pursuant to subsection (a)(1) and defined in chapter 192 of title 49, Code of Federal Regulations, including any subsequent modifications, and shall adopt and implement a written integrity management program for such facility to reduce the risks.

(2) REGULATIONS.—

(A) IN GENERAL.—Not later than 12 months after the date of enactment of this subsection, the Secretary shall issue regulations prescribing standards to direct an operator's conduct of a risk analysis and adoption and implementation of an integrity management program under this subsection. The regulations shall require an operator to

conduct a risk analysis and adopt an integrity management program within a time period prescribed by the Secretary, ending not later than 24 months after such date of enactment. Not later than 18 months after such date of enactment, each operator of a gas pipeline facility shall begin a baseline integrity assessment described in paragraph (3).

(B) **AUTHORITY TO ISSUE REGULATIONS.**—The Secretary may satisfy the requirements of this paragraph through the issuance of regulations under this paragraph or under other authority of law.

(3) **MINIMUM REQUIREMENTS OF INTEGRITY MANAGEMENT PROGRAMS.**—An integrity management program required under paragraph (1) shall include, at a minimum, the following requirements:

(A) A baseline integrity assessment of each of the operator's facilities in areas identified pursuant to subsection (a)(1) and defined in chapter 192 of title 49, Code of Federal Regulations, including any subsequent modifications, by internal inspection device, pressure testing, direct assessment, or an alternative method that the Secretary determines would provide an equal or greater level of safety. The operator shall complete such assessment not later than 10 years after the date of enactment of this subsection. At least 50 percent of such facilities shall be assessed not later than 5 years after such date of enactment. The operator shall prioritize such facilities for assessment based on all risk factors, including any previously discovered defects or anomalies and any history of leaks, repairs, or failures. The operator shall ensure that assessments of facilities with the highest risks are given priority for completion and that such assessments will be completed not later than 5 years after such date of enactment.

(B) Subject to paragraph (5), periodic reassessment of the facility, at a minimum of once every 7 years, using methods described in subparagraph (A).

(C) Clearly defined criteria for evaluating the results of assessments conducted under subparagraphs (A) and (B) and for taking actions based on such results.

(D) A method for conducting an analysis on a continuing basis that integrates all available information about the integrity of the facility and the consequences of releases from the facility.

(E) A description of actions to be taken by the operator to promptly address any integrity issue raised by an evaluation conducted under subparagraph (C) or the analysis conducted under subparagraph (D).

(F) A description of measures to prevent and mitigate the consequences of releases from the facility.

(G) A method for monitoring cathodic protection systems throughout the pipeline system of the operator to the extent not addressed by other regulations.

(H) If the Secretary raises a safety concern relating to the facility, a description of the actions to be taken by the operator to address the safety concern, including issues

raised with the Secretary by States and local authorities under an agreement entered into under section 60106.

(4) TREATMENT OF BASELINE INTEGRITY ASSESSMENTS.—In the case of a baseline integrity assessment conducted by an operator in the period beginning on the date of enactment of this subsection and ending on the date of issuance of regulations under this subsection, the Secretary shall accept the assessment as complete, and shall not require the operator to repeat any portion of the assessment, if the Secretary determines that the assessment was conducted in accordance with the requirements of this subsection.

(5) WAIVERS AND MODIFICATIONS.—In accordance with section 60118(c), the Secretary may waive or modify any requirement for reassessment of a facility under paragraph (3)(B) for reasons that may include the need to maintain local product supply or the lack of internal inspection devices if the Secretary determines that such waiver is not inconsistent with pipeline safety.

(6) STANDARDS.—The standards prescribed by the Secretary under paragraph (2) shall address each of the following factors:

(A) The minimum requirements described in paragraph (3).

(B) The type or frequency of inspections or testing of pipeline facilities, in addition to the minimum requirements of paragraph (3)(B).

(C) The manner in which the inspections or testing are conducted.

(D) The criteria used in analyzing results of the inspections or testing.

(E) The types of information sources that must be integrated in assessing the integrity of a pipeline facility as well as the manner of integration.

(F) The nature and timing of actions selected to address the integrity of a pipeline facility.

(G) Such other factors as the Secretary determines appropriate to ensure that the integrity of a pipeline facility is addressed and that appropriate mitigative measures are adopted to protect areas identified under subsection (a)(1).

In prescribing those standards, the Secretary shall ensure that all inspections required are conducted in a manner that minimizes environmental and safety risks, and shall take into account the applicable level of protection established by national consensus standards organizations.

(7) ADDITIONAL OPTIONAL STANDARDS.—The Secretary may also prescribe standards requiring an operator of a pipeline facility to include in an integrity management program under this subsection—

(A) changes to valves or the establishment or modification of systems that monitor pressure and detect leaks based on the operator's risk analysis; and

(B) the use of emergency flow restricting devices.

(8) LACK OF REGULATIONS.—In the absence of regulations addressing the elements of an integrity management program

described in this subsection, the operator of a pipeline facility shall conduct a risk analysis and adopt and implement an integrity management program described in this subsection not later than 24 months after the date of enactment of this subsection and shall complete the baseline integrity assessment described in this subsection not later than 10 years after such date of enactment. At least 50 percent of such facilities shall be assessed not later than 5 years after such date of enactment. The operator shall prioritize such facilities for assessment based on all risk factors, including any previously discovered defects or anomalies and any history of leaks, repairs, or failures. The operator shall ensure that assessments of facilities with the highest risks are given priority for completion and that such assessments will be completed not later than 5 years after such date of enactment.

(9) REVIEW OF INTEGRITY MANAGEMENT PROGRAMS.—

(A) REVIEW OF PROGRAMS.—

(i) IN GENERAL.—The Secretary shall review a risk analysis and integrity management program under paragraph (1) and record the results of that review for use in the next review of an operator's program.

(ii) CONTEXT OF REVIEW.—The Secretary may conduct a review under clause (i) as an element of the Secretary's inspection of an operator.

(iii) INADEQUATE PROGRAMS.—If the Secretary determines that a risk analysis or integrity management program does not comply with the requirements of this subsection or regulations issued as described in paragraph (2), or is inadequate for the safe operation of a pipeline facility, the Secretary shall act under section 60108(a)(2) to require the operator to revise the risk analysis or integrity management program.

(B) AMENDMENTS TO PROGRAMS.—In order to facilitate reviews under this paragraph, an operator of a pipeline facility shall notify the Secretary of any amendment made to the operator's integrity management program not later than 30 days after the date of adoption of the amendment. The Secretary shall review any such amendment in accordance with this paragraph.

(C) TRANSMITTAL OF PROGRAMS TO STATE AUTHORITIES.—The Secretary shall provide a copy of each risk analysis and integrity management program reviewed by the Secretary under this paragraph to any appropriate State authority with which the Secretary has entered into an agreement under section 60106.

(10) STATE REVIEW OF INTEGRITY MANAGEMENT PLANS.—A State authority that enters into an agreement pursuant to section 60106, permitting the State authority to review the risk analysis and integrity management program pursuant to paragraph (9), may provide the Secretary with a written assessment of the risk analysis and integrity management program, make recommendations, as appropriate, to address safety concerns not adequately addressed by the operator's risk analysis or integrity management program, and submit documentation

explaining the State-proposed revisions. The Secretary shall consider carefully the State's proposals and work in consultation with the States and operators to address safety concerns.

(11) APPLICATION OF STANDARDS.—Section 60104(b) shall not apply to this section.

(d) EVALUATION OF INTEGRITY MANAGEMENT REGULATIONS.—Not later than 4 years after the date of enactment of this subsection, the Comptroller General shall complete an assessment and evaluation of the effects on public safety and the environment of the requirements for the implementation of integrity management programs contained in the standards prescribed as described in subsection (c)(2).

§ 60110. Excess flow valves

(a) APPLICATION.—This section applies only to—

(1) a natural gas distribution system installed after the effective date of regulations prescribed under this section; and

(2) any other natural gas distribution system when repair to the system requires replacing a part to accommodate installing excess flow valves.

(b) INSTALLATION REQUIREMENTS AND CONSIDERATIONS.—Not later than April 24, 1994, the Secretary of Transportation shall prescribe standards on the circumstances, if any, under which an operator of a natural gas distribution system must install excess flow valves in the system. The Secretary shall consider—

(1) the system design pressure;

(2) the system operating pressure;

(3) the types of customers to which the distribution system supplies gas, including hospitals, schools, and commercial enterprises;

(4) the technical feasibility and cost of installing, operating, and maintaining the valve;

(5) the public safety benefits of installing the valve;

(6) the location of customer meters; and

(7) other factors the Secretary considers relevant.

(c) NOTIFICATION OF AVAILABILITY.—(1) Not later than October 24, 1994, the Secretary shall prescribe standards requiring an operator of a natural gas distribution system to notify in writing its customers having lines in which excess flow valves are not required by law but can be installed according to the standards prescribed under subsection (e) of this section, of—

(A) the availability of excess flow valves for installation in the system;

(B) safety benefits to be derived from installation; and

(C) costs associated with installation, maintenance, and replacement.

(2) The standards shall provide that, except when installation is required under subsection (b) of this section, excess flow valves shall be installed at the request of the customer if the customer will pay all costs associated with installation.

(d) REPORT.—If the Secretary decides under subsection (b) of this section that there are no circumstances under which an operator must install excess flow valves, the Secretary shall submit to

Congress a report on the reasons for the decision not later than 30 days after the decision is made.

(e) **PERFORMANCE STANDARDS.**—Not later than April 24, 1994, the Secretary shall develop standards for the performance of excess flow valves used to protect lines in a natural gas distribution system. The Secretary may adopt industry accepted performance standards in order to comply with the requirement under the preceding sentence. The standards shall be incorporated into regulations the Secretary prescribes under this section. All excess flow valves shall be installed according to the standards.

§ 60111. Financial responsibility for liquefied natural gas facilities

(a) **NOTICE.**—When the Secretary of Transportation believes that an operator of a liquefied natural gas facility does not have adequate financial responsibility for the facility, the Secretary may issue a notice to the operator about the inadequacy and the amount of financial responsibility the Secretary considers adequate.

(b) **HEARINGS.**—An operator receiving a notice under subsection (a) of this section may have a hearing on the record not later than 30 days after receiving the notice. The operator may show why the Secretary should not issue an order requiring the operator to demonstrate and maintain financial responsibility in at least the amount the Secretary considers adequate.

(c) **ORDERS.**—After an opportunity for a hearing on the record, the Secretary may issue the order if the Secretary decides it is justified in the public interest.

§ 60112. Pipeline facilities hazardous to life and property

(a) **GENERAL AUTHORITY.**—After notice and an opportunity for a hearing, the Secretary of Transportation may decide that a pipeline facility is hazardous if the Secretary decides that—

(1) operation of the facility is or would be hazardous to life, property, or the environment; or

(2) the facility is or would be constructed or operated, or a component of the facility is or would be constructed or operated, with equipment, material, or a technique that the Secretary decides is hazardous to life, property, or the environment.

(b) **CONSIDERATIONS.**—In making a decision under subsection (a) of this section, the Secretary shall consider, if relevant—

(1) the characteristics of the pipe and other equipment used in the pipeline facility, including the age, manufacture, physical properties, and method of manufacturing, constructing, or assembling the equipment;

(2) the nature of the material the pipeline facility transports, the corrosive and deteriorative qualities of the material, the sequence in which the material are transported, and the pressure required for transporting the material;

(3) the aspects of the area in which the pipeline facility is located, including climatic and geologic conditions and soil characteristics;

(4) the proximity of the area in which the hazardous liquid pipeline facility is located to environmentally sensitive areas;

(5) the population density and population and growth patterns of the area in which the pipeline facility is located;

(6) any recommendation of the National Transportation Safety Board made under another law; and

(7) other factors the Secretary considers appropriate.

(c) OPPORTUNITY FOR STATE COMMENT.—The Secretary shall provide, to any appropriate official of a State in which a pipeline facility is located and about which a proceeding has begun under this section, notice and an opportunity to comment on an agreement the Secretary proposes to make to resolve the proceeding. State comment shall incorporate comments of affected local officials.

(d) CORRECTIVE ACTION ORDERS.—

(1) IN GENERAL.—If the Secretary decides under subsection (a) of this section that a pipeline facility is or would be hazardous, the Secretary shall order the operator of the facility to take necessary corrective action, including suspended or restricted use of the facility, physical inspection, testing, repair, replacement, or other appropriate action.

(2) ACTIONS ATTRIBUTABLE TO AN EMPLOYEE.—If, in the case of a corrective action order issued following an accident, the Secretary determines that the actions of an employee carrying out an activity regulated under this chapter, including duties under section 60102(a), may have contributed substantially to the cause of the accident, the Secretary shall direct the operator to relieve the employee from performing those activities, reassign the employee, or place the employee on leave until the earlier of the date on which—

(A) the Secretary, after notice and an opportunity for a hearing, determines that the employee's actions did not contribute substantially to the cause of the accident; or

(B) the Secretary determines the employee has been re-qualified or re-trained as provided for in section 60131 and can safely perform those activities.

(3) EFFECT OF COLLECTIVE BARGAINING AGREEMENTS.—An action taken by an operator under paragraph (2) shall be in accordance with the terms and conditions of any applicable collective bargaining agreement.

(e) WAIVER OF NOTICE AND HEARING IN EMERGENCY.—The Secretary may waive the requirements for notice and an opportunity for a hearing under this section and issue expeditiously an order under this section if the Secretary decides failure to issue the order expeditiously will result in likely serious harm to life, property, or the environment. An order under this subsection shall provide an opportunity for a hearing as soon as practicable after the order is issued.

§ 60113. Customer-owned natural gas service lines

Not later than October 24, 1993, the Secretary of Transportation shall prescribe standards requiring an operator of a natural gas distribution pipeline that does not maintain customer-owned natural gas service lines up to building walls to advise its customers of—

(1) the requirements for maintaining those lines;

- (2) any resources known to the operator that could assist customers in carrying out the maintenance;
- (3) information the operator has on operating and maintaining its lines that could assist customers; and
- (4) the potential hazards of not maintaining the lines.

§ 60114. One-call notification systems

(a) **MINIMUM REQUIREMENTS.**—The Secretary of Transportation shall prescribe regulations providing minimum requirements for establishing and operating a one-call notification system for a State to adopt that will notify an operator of a pipeline facility of activity in the vicinity of the facility that could threaten the safety of the facility. The regulations shall include the following:

- (1) a requirement that the system apply to all areas of the State containing underground pipeline facilities.
- (2) a requirement that a person, including a government employee or contractor, intending to engage in an activity the Secretary decides could cause physical damage to an underground facility must contact the appropriate system to establish if there are underground facilities present in the area of the intended activity.
- (3) a requirement that all operators of underground pipeline facilities participate in an appropriate one-call notification system.
- (4) qualifications for an operator of a facility, a private contractor, or a State or local authority to operate a system.
- (5) procedures for advertisement and notice of the availability of a system.
- (6) a requirement about the information to be provided by a person contacting the system under clause (2) of this subsection.
- (7) a requirement for the response of the operator of the system and of the facility after they are contacted by an individual under this subsection.
- (8) a requirement that each State decide whether the system will be toll free.
- (9) a requirement for sanctions substantially the same as provided under sections 60120 and 60122 of this title.

(b) **MARKING FACILITIES.**—On notification by an operator of a damage prevention program or by a person planning to carry out demolition, excavation, tunneling, or construction in the vicinity of a pipeline facility, the operator of the facility shall mark accurately, in a reasonable and timely way, the location of the pipeline facilities in the vicinity of the demolition, excavation, tunneling, or construction.

(c) **RELATIONSHIP TO OTHER LAWS.**—This section and regulations prescribed under this section do not affect the liability established under a law of the United States or a State for damage caused by an activity described in subsection (a)(2) of this section.

§ 60115. Technical safety standards committees

(a) **ORGANIZATION.**—The Technical Pipeline Safety Standards Committee and the Technical Hazardous Liquid Pipeline Safety Standards Committee are committees in the Department of Trans-

portation. The committees referred to in the preceding sentence shall serve as peer review committees for carrying out this chapter. Peer reviews conducted by the committees shall be treated for purposes of all Federal laws relating to risk assessment and peer review (including laws that take effect after the date of the enactment of the Accountable Pipeline Safety and Partnership Act of 1996) as meeting any peer review requirements of such laws.

(b) COMPOSITION AND APPOINTMENT.—(1) The Technical Pipeline Safety Standards Committee is composed of 15 members appointed by the Secretary of Transportation after consulting with public and private agencies concerned with the technical aspect of transporting gas or operating a gas pipeline facility. Each member must be experienced in the safety regulation of transporting gas and of gas pipeline facilities or technically qualified, by training, experience, or knowledge in at least one field of engineering applicable to transporting gas or operating a gas pipeline facility, to evaluate gas pipeline safety standards or risk management principles.

(2) The Technical Hazardous Liquid Pipeline Safety Standards Committee is composed of 15 members appointed by the Secretary after consulting with public and private agencies concerned with the technical aspect of transporting hazardous liquid or operating a hazardous liquid pipeline facility. Each member must be experienced in the safety regulation of transporting hazardous liquid and of hazardous liquid pipeline facilities or technically qualified, by training, experience, or knowledge in at least one field of engineering applicable to transporting hazardous liquid or operating a hazardous liquid pipeline facility, to evaluate hazardous liquid pipeline safety standards or risk management principles.

(3) The members of each committee are appointed as follows:

(A) 5 individuals selected from departments, agencies, and instrumentalities of the United States Government and of the States.

(B) 5 individuals selected from the natural gas or hazardous liquid industry, as appropriate, after consulting with industry representatives.

(C) 5 individuals selected from the general public.

(4)(A) Two of the individuals selected for each committee under paragraph (3)(A) of this subsection must be State commissioners. The Secretary shall consult with the national organization of State commissions before selecting those 2 individuals.

(B) At least 3 of the individuals selected for each committee under paragraph (3)(B) of this subsection must be currently in the active operation of natural gas pipelines or hazardous liquid pipeline facilities, as appropriate. At least 1 of the individuals selected for each committee under paragraph (3)(B) shall have education, background, or experience in risk assessment and cost-benefit analysis. The Secretary shall consult with the national organizations representing the owners and operators of pipeline facilities before selecting individuals under paragraph (3)(B).

(C) Two of the individuals selected for each committee under paragraph (3)(C) of this subsection must have education, background, or experience in environmental protection or public safety. At least 1 of the individuals selected for each committee under

paragraph (3)(C) shall have education, background, or experience in risk assessment and cost-benefit analysis. At least one individual selected for each committee under paragraph (3)(C) may not have a financial interest in the pipeline, petroleum, or natural gas industries.

(D) None of the individuals selected for a committee under paragraph (3)(C) may have a significant financial interest in the pipeline, petroleum, or gas industry.

(c) COMMITTEE REPORTS ON PROPOSED STANDARDS.—(1) The Secretary shall give to—

(A) the Technical Pipeline Safety Standards Committee each standard proposed under this chapter for transporting gas and for gas pipeline facilities including the risk assessment information and other analyses supporting each proposed standard; and

(B) the Technical Hazardous Liquid Pipeline Safety Standards Committee each standard proposed under this chapter for transporting hazardous liquid and for hazardous liquid pipeline facilities including the risk assessment information and other analyses supporting each proposed standard.

(2) Not later than 90 days after receiving the proposed standard and supporting analyses, the appropriate committee shall prepare and submit to the Secretary a report on the technical feasibility, reasonableness, cost-effectiveness, and practicability of the proposed standard and include in the report recommended actions. The Secretary shall publish each report, including any recommended actions and minority views. The report if timely made is part of the proceeding for prescribing the standard. The Secretary is not bound by the conclusions of the committee. However, if the Secretary rejects the conclusions of the committee, the Secretary shall publish the reasons.

(3) The Secretary may prescribe a standard after the end of the 90-day period.

(d) PROPOSED COMMITTEE STANDARDS AND POLICY DEVELOPMENT RECOMMENDATIONS.—(1) The Technical Pipeline Safety Standards Committee may propose to the Secretary a safety standard for transporting gas and for gas pipeline facilities. The Technical Hazardous Liquid Pipeline Safety Standards Committee may propose to the Secretary a safety standard for transporting hazardous liquid and for hazardous liquid pipeline facilities.

(2) If requested by the Secretary, a committee shall make policy development recommendations to the Secretary.

(e) MEETINGS.—Each committee shall meet with the Secretary at least up to 4 times annually. Each committee proceeding shall be recorded. The record of the proceeding shall be available to the public.

(f) EXPENSES.—A member of a committee under this section is entitled to expenses under section 5703 of title 5. A payment under this subsection does not make a member an officer or employee of the Government. This subsection does not apply to members regularly employed by the Government.

§ 60116. Public education programs

(a) **IN GENERAL.**—Each owner or operator of a gas or hazardous liquid pipeline facility shall carry out a continuing program to educate the public on the use of a one-call notification system prior to excavation and other damage prevention activities, the possible hazards associated with unintended releases from the pipeline facility, the physical indications that such a release may have occurred, what steps should be taken for public safety in the event of a pipeline release, and how to report such an event.

(b) **MODIFICATION OF EXISTING PROGRAMS.**—Not later than 12 months after the date of enactment of the Pipeline Safety Improvement Act of 2002, each owner or operator of a gas or hazardous liquid pipeline facility shall review its existing public education program for effectiveness and modify the program as necessary. The completed program shall include activities to advise affected municipalities, school districts, businesses, and residents of pipeline facility locations. The completed program shall be submitted to the Secretary or, in the case of an intrastate pipeline facility operator, the appropriate State agency, and shall be periodically reviewed by the Secretary or, in the case of an intrastate pipeline facility operator, the appropriate State agency.

(c) **STANDARDS.**—The Secretary may issue standards prescribing the elements of an effective public education program. The Secretary may also develop material for use in the program.

§ 60117. Administrative

(a) **GENERAL AUTHORITY.**—To carry out this chapter, the Secretary of Transportation may conduct investigations, make reports, issue subpoenas, conduct hearings, require the production of records, take depositions, and conduct research, testing, development, demonstration, and training activities and promotional activities relating to prevention of damage to pipeline facilities. The Secretary may not charge a tuition-type fee for training State or local government personnel in the enforcement of regulations prescribed under this chapter.

(b) **RECORDS, REPORTS, AND INFORMATION.**—To enable the Secretary to decide whether a person owning or operating a pipeline facility is complying with this chapter and standards prescribed or orders issued under this chapter, the person shall—

(1) maintain records, make reports, and provide information the Secretary requires; and

(2) make the records, reports, and information available when the Secretary requests.

The Secretary may require owners and operators of gathering lines to provide the Secretary information pertinent to the Secretary's ability to make a determination as to whether and to what extent to regulate gathering lines.¹

(c) **ENTRY AND INSPECTION.**—An officer, employee, or agent of the Department of Transportation designated by the Secretary, on display of proper credentials to the individual in charge, may enter

¹The amendment made by section 12(1) of the Accountable Pipeline Safety and Partnership Act of 1996 (P.L. 104-304; 110 Stat. 3802) to subsection (b) was not clear as to the indentation, but was executed so that the margin for this sentence is flush full measure.

premises to inspect the records and property of a person at a reasonable time and in a reasonable way to decide whether a person is complying with this chapter and standards prescribed or orders issued under this chapter.

(d) CONFIDENTIALITY OF INFORMATION.—Information related to a confidential matter referred to in section 1905 of title 18 that is obtained by the Secretary or an officer, employee, or agent in carrying out this section may be disclosed only to another officer or employee concerned with carrying out this chapter or in a proceeding under this chapter.

(e) USE OF ACCIDENT REPORTS.—(1) Each accident report made by an officer, employee, or agent of the Department may be used in a judicial proceeding resulting from the accident. The officer, employee, or agent may be required to testify in the proceeding about the facts developed in investigating the accident. The report shall be made available to the public in a way that does not identify an individual.

(2) Each report related to research and demonstration projects and related activities is public information.

(f) TESTING FACILITIES INVOLVED IN ACCIDENTS.—The Secretary may require testing of a part of a pipeline facility subject to this chapter that has been involved in or affected by an accident only after—

(1) notifying the appropriate State official in the State in which the facility is located; and

(2) attempting to negotiate a mutually acceptable plan for testing with the owner of the facility and, when the Secretary considers appropriate, the National Transportation Safety Board.

(g) PROVIDING SAFETY INFORMATION.—On request, the Secretary shall provide the Federal Energy Regulatory Commission or appropriate State authority with information the Secretary has on the safety of material, operations, devices, or processes related to pipeline transportation or operating a pipeline facility.

(h) COOPERATION.—The Secretary may—

(1) advise, assist, and cooperate with other departments, agencies, and instrumentalities of the United States Government, the States, and public and private agencies and persons in planning and developing safety standards and ways to inspect and test to decide whether those standards have been complied with;

(2) consult with and make recommendations to other departments, agencies, and instrumentalities of the Government, State and local governments, and public and private agencies and persons to develop and encourage activities, including the enactment of legislation, that will assist in carrying out this chapter and improve State and local pipeline safety programs; and

(3) participate in a proceeding involving safety requirements related to a liquefied natural gas facility before the Commission or a State authority.

(i) PROMOTING COORDINATION.—(1) After consulting with appropriate State officials, the Secretary shall establish procedures to promote more effective coordination between departments, agen-

cies, and instrumentalities of the Government and State authorities with regulatory authority over pipeline facilities about responses to a pipeline accident.

(2) In consultation with the Occupational Safety and Health Administration, the Secretary shall establish procedures to notify the Administration of any pipeline accident in which an excavator that has caused damage to a pipeline may have violated a regulation of the Administration.

(j) WITHHOLDING INFORMATION FROM CONGRESS.—This section does not authorize information to be withheld from a committee of Congress authorized to have the information.

(k) AUTHORITY FOR COOPERATIVE AGREEMENTS.—To carry out this chapter, the Secretary may enter into grants, cooperative agreements, and other transactions with any person, agency, or instrumentality of the United States, any unit of State or local government, any educational institution, or any other entity to further the objectives of this chapter. The objectives of this chapter include the development, improvement, and promotion of one-call damage prevention programs, research, risk assessment, and mapping.

(l) SAFETY ORDERS.—If the Secretary decides that a pipeline facility has a potential safety-related condition, the Secretary may order the operator of the facility to take necessary corrective action, including physical inspection, testing, repair, replacement, or other appropriate action to remedy the safety-related condition.

§ 60118. Compliance and waivers

(a) GENERAL REQUIREMENTS.—A person owning or operating a pipeline facility shall—

(1) comply with applicable safety standards prescribed under this chapter, except as provided in this section or in section 60126;

(2) prepare and carry out a plan for inspection and maintenance required under section 60108(a) and (b) of this title;

(3) allow access to or copying of records, make reports and provide information, and allow entry or inspection required under section 60117(a)–(d) of this title; and

(4) conduct a risk analysis, and adopt and implement an integrity management program, for pipeline facilities as required under section 60109(c).

(b) COMPLIANCE ORDERS.—The Secretary of Transportation may issue orders directing compliance with this chapter, an order under section 60126, or a regulation prescribed under this chapter. An order shall state clearly the action a person must take to comply.

(c) WAIVERS BY SECRETARY.—On application of a person owning or operating a pipeline facility, the Secretary by order may waive compliance with any part of an applicable standard prescribed under this chapter on terms the Secretary considers appropriate, if the waiver is not inconsistent with pipeline safety. The Secretary shall state the reasons for granting a waiver under this subsection. The Secretary may act on a waiver only after notice and an opportunity for a hearing.

(d) WAIVERS BY STATE AUTHORITIES.—If a certification under section 60105 of this title or an agreement under section 60106 of

this title is in effect, the State authority may waive compliance with a safety standard to which the certification or agreement applies in the same way and to the same extent the Secretary may waive compliance under subsection (c) of this section. However, the authority must give the Secretary written notice of the waiver at least 60 days before its effective date. If the Secretary makes a written objection before the effective date of the waiver, the waiver is stayed. After notifying the authority of the objection, the Secretary shall provide a prompt opportunity for a hearing. The Secretary shall make the final decision on granting the waiver.

(e) OPERATOR ASSISTANCE IN INVESTIGATIONS.—If the Secretary or the National Transportation Safety Board investigate an accident involving a pipeline facility, the operator of the facility shall make available to the Secretary or the Board all records and information that in any way pertain to the accident (including integrity management plans and test results), and shall afford all reasonable assistance in the investigation of the accident.

(f) LIMITATION ON STATUTORY CONSTRUCTION.—Nothing in this section may be construed to infringe upon the constitutional rights of an operator or its employees.

§ 60119. Judicial review

(a) REVIEW OF REGULATIONS AND WAIVER ORDERS.—(1) Except as provided in subsection (b) of this section, a person adversely affected by a regulation prescribed under this chapter or an order issued about an application for a waiver under section 60118(c) or (d) of this title may apply for review of the regulation or order by filing a petition for review in the United States Court of Appeals for the District of Columbia Circuit or in the court of appeals of the United States for the circuit in which the person resides or has its principal place of business. The petition must be filed not later than 89 days after the regulation is prescribed or order is issued. The clerk of the court immediately shall send a copy of the petition to the Secretary of Transportation.

(2) A judgment of a court under paragraph (1) of this subsection may be reviewed only by the Supreme Court under section 1254 of title 28. A remedy under paragraph (1) is in addition to any other remedies provided by law.

(b) REVIEW OF FINANCIAL RESPONSIBILITY ORDERS.—(1) A person adversely affected by an order issued under section 60111 of this title may apply for review of the order by filing a petition for review in the appropriate court of appeals of the United States. The petition must be filed not later than 60 days after the order is issued. Findings of fact the Secretary makes are conclusive if supported by substantial evidence.

(2) A judgment of a court under paragraph (1) of this subsection may be reviewed only by the Supreme Court under section 1254(1) of title 28.

§ 60120. Enforcement

(a) CIVIL ACTIONS.—

(1) CIVIL ACTIONS TO ENFORCE THIS CHAPTER.—At the request of the Secretary of Transportation, the Attorney General may bring a civil action in an appropriate district court of the

United States to enforce this chapter, including section 60112, or a regulation prescribed or order issued under this chapter. The court may award appropriate relief, including a temporary or permanent injunction, punitive damages, and assessment of civil penalties, considering the same factors as prescribed for the Secretary in an administrative case under section 60122.

(2) CIVIL ACTIONS TO REQUIRE COMPLIANCE WITH SUBPOENAS OR ALLOW FOR INSPECTIONS.—At the request of the Secretary, the Attorney General may bring a civil action in a district court of the United States to require a person to comply immediately with a subpoena or to allow an officer, employee, or agent authorized by the Secretary to enter the premises, and inspect the records and property, of the person to decide whether the person is complying with this chapter. The action may be brought in the judicial district in which the defendant resides, is found, or does business. The court may punish a failure to obey the order as a contempt of court.

(b) JURY TRIAL DEMAND.—In a trial for criminal contempt for violating an injunction issued under this section, the violation of which is also a violation of this chapter, the defendant may demand a jury trial. The defendant shall be tried as provided in rule 42(b) of the Federal Rules of Criminal Procedure (18 App. U.S.C.).

(c) EFFECT ON TORT LIABILITY.—This chapter does not affect the tort liability of any person.

§ 60121. Actions by private persons

(a) GENERAL AUTHORITY.—(1) A person may bring a civil action in an appropriate district court of the United States for an injunction against another person (including the United States Government and other governmental authorities to the extent permitted under the 11th amendment to the Constitution) for a violation of this chapter or a regulation prescribed or order issued under this chapter. However, the person—

(A) may bring the action only after 60 days after the person has given notice of the violation to the Secretary of Transportation or to the appropriate State authority (when the violation is alleged to have occurred in a State certified under section 60105 of this title) and to the person alleged to have committed the violation;

(B) may not bring the action if the Secretary or authority has begun and diligently is pursuing an administrative proceeding for the violation; and

(C) may not bring the action if the Attorney General of the United States, or the chief law enforcement officer of a State, has begun and diligently is pursuing a judicial proceeding for the violation.

(2) The Secretary shall prescribe the way in which notice is given under this subsection.

(3) The Secretary, with the approval of the Attorney General, or the Attorney General may intervene in an action under paragraph (1) of this subsection.

(b) COSTS AND FEES.—The court may award costs, reasonable expert witness fees, and a reasonable attorney's fee to a prevailing plaintiff in a civil action under this section. The court may award

costs to a prevailing defendant when the action is unreasonable, frivolous, or meritless. In this subsection, a reasonable attorney's fee is a fee—

(1) based on the actual time spent and the reasonable expenses of the attorney for legal services provided to a person under this section; and

(2) computed at the rate prevailing for providing similar services for actions brought in the court awarding the fee.

(c) STATE VIOLATIONS AS VIOLATIONS OF THIS CHAPTER.—In this section, a violation of a safety standard or practice of a State is deemed to be a violation of this chapter or a regulation prescribed or order issued under this chapter only to the extent the standard or practice is not more stringent than a comparable minimum safety standard prescribed under this chapter.

(d) ADDITIONAL REMEDIES.—A remedy under this section is in addition to any other remedies provided by law. This section does not restrict a right to relief that a person or a class of persons may have under another law or at common law.

§ 60122. Civil penalties

(a) GENERAL PENALTIES.—(1) A person that the Secretary of Transportation decides, after written notice and an opportunity for a hearing, has violated section 60114(b) or 60118(a) of this title or a regulation prescribed or order issued under this chapter is liable to the United States Government for a civil penalty of not more than \$100,000 for each violation. A separate violation occurs for each day the violation continues. The maximum civil penalty under this paragraph for a related series of violations is \$1,000,000.

(2) A person violating a standard or order under section 60103 or 60111 of this title is liable to the Government for a civil penalty of not more than \$50,000 for each violation. A penalty under this paragraph may be imposed in addition to penalties imposed under paragraph (1) of this subsection.

(3) A person violating section 60129, or an order issued thereunder, is liable to the Government for a civil penalty of not more than \$1,000 for each violation. The penalties provided by paragraph (1) do not apply to a violation of section 60129 or an order issued thereunder.

(b) PENALTY CONSIDERATIONS.—In determining the amount of a civil penalty under this section—

(1) the Secretary shall consider—

(A) the nature, circumstances, and gravity of the violation, including adverse impact on the environment;

(B) with respect to the violator, the degree of culpability, any history of prior violations, the ability to pay, and any effect on ability to continue doing business; and

(C) good faith in attempting to comply; and

(2) the Secretary may consider—

(A) the economic benefit gained from the violation without any reduction because of subsequent damages; and

(B) other matters that justice requires.

(c) COLLECTION AND COMPROMISE.—(1) The Secretary may request the Attorney General to bring a civil action in an appropriate

district court of the United States to collect a civil penalty imposed under this section.

(2) The Secretary may compromise the amount of a civil penalty imposed under this section before referral to the Attorney General.

(d) SETOFF.—The Government may deduct the amount of a civil penalty imposed or compromised under this section from amounts it owes the person liable for the penalty.

(e) DEPOSIT IN TREASURY.—Amounts collected under this section shall be deposited in the Treasury as miscellaneous receipts.

(f) PROHIBITION ON MULTIPLE PENALTIES FOR SAME ACT.—Separate penalties for violating a regulation prescribed under this chapter and for violating an order under section 60112 or 60118(b) of this title may not be imposed under this chapter if both violations are based on the same act.

§ 60123. Criminal penalties

(a) GENERAL PENALTY.—A person knowingly and willfully violating section 60114(b), 60118(a), or 60128 of this title or a regulation prescribed or order issued under this chapter shall be fined under title 18, imprisoned for not more than 5 years, or both.

(b) PENALTY FOR DAMAGING OR DESTROYING FACILITY.—A person knowingly and willfully damaging or destroying an interstate gas pipeline facility, an interstate hazardous liquid pipeline facility, or either an intrastate gas pipeline facility or intrastate hazardous liquid pipeline facility that is used in interstate or foreign commerce or in any activity affecting interstate or foreign commerce, or attempting or conspiring to do such an act, shall be fined under title 18, imprisoned for not more than 20 years, or both, and, if death results to any person, shall be imprisoned for any term of years or for life.

(c) PENALTY FOR DAMAGING OR DESTROYING SIGN.—A person knowingly and willfully defacing, damaging, removing, or destroying a pipeline sign or right-of-way marker required by a law or regulation of the United States shall be fined under title 18, imprisoned for not more than one year, or both.

(d) PENALTY FOR NOT USING ONE-CALL NOTIFICATION SYSTEM OR NOT HEEDING LOCATION INFORMATION OR MARKINGS.—A person shall be fined under title 18, imprisoned for not more than 5 years, or both, if the person—

(1) knowingly and willfully engages in an excavation activity—

(A) without first using an available one-call notification system to establish the location of underground facilities in the excavation area; or

(B) without paying attention to appropriate location information or markings the operator of a pipeline facility establishes; and

(2) subsequently damages—

(A) a pipeline facility that results in death, serious bodily harm, or actual damage to property of more than \$50,000;

(B) a pipeline facility, and knows or has reason to know of the damage, but does not report the damage

promptly to the operator of the pipeline facility and to other appropriate authorities; or

(C) a hazardous liquid pipeline facility that results in the release of more than 50 barrels of product.

§ 60124. Biennial reports

(a) SUBMISSION AND CONTENTS.—Not later than August 15, 1997, and every 2 years thereafter, the Secretary of Transportation shall submit to Congress a report on carrying out this chapter for the 2 immediately preceding calendar years for gas and a report on carrying out this chapter for such period for hazardous liquid. Each report shall include the following information about the prior year for gas or hazardous liquid, as appropriate:

(1) a thorough compilation of the leak repairs, accidents, and casualties and a statement of cause when investigated and established by the National Transportation Safety Board.

(2) a list of applicable pipeline safety standards prescribed under this chapter including identification of standards prescribed during the year.

(3) a summary of the reasons for each waiver granted under section 60118(c) and (d) of this title.

(4) an evaluation of the degree of compliance with applicable safety standards, including a list of enforcement actions and compromises of alleged violations by location and company name.

(5) a summary of outstanding problems in carrying out this chapter, in order of priority.

(6) an analysis and evaluation of—

(A) research activities, including their policy implications, completed as a result of the United States Government and private sponsorship; and

(B) technological progress in safety achieved.

(7) a list, with a brief statement of the issues, of completed or pending judicial actions under this chapter.

(8) the extent to which technical information was distributed to the scientific community and consumer-oriented information was made available to the public.

(9) a compilation of certifications filed under section 60105 of this title that were—

(A) in effect; or

(B) rejected in any part by the Secretary and a summary of the reasons for each rejection.

(10) a compilation of agreements made under section 60106 of this title that were—

(A) in effect; or

(B) ended in any part by the Secretary and a summary of the reasons for ending each agreement.

(11) a description of the number and qualifications of State pipeline safety inspectors in each State for which a certification under section 60105 of this title or an agreement under section 60106 of this title is in effect and the number and qualifications of inspectors the Secretary recommends for that State.

(12) recommendations for legislation the Secretary considers necessary—

(A) to promote cooperation among the States in improving—

(i) gas pipeline safety; or

(ii) hazardous liquid pipeline safety programs; and

(B) to strengthen the national gas pipeline safety program.

(b) SUBMISSION OF ONE REPORT.—The Secretary may submit one report to carry out subsection (a) of this section.

§ 60125. Authorization of appropriations

(a) GAS AND HAZARDOUS LIQUID.—To carry out this chapter (except for section 60107) related to gas and hazardous liquid, the following amounts are authorized to be appropriated to the Department of Transportation:

(1) \$45,800,000 for fiscal year 2003, of which \$31,900,000 is to be derived from user fees for fiscal year 2003 collected under section 60301 of this title.

(2) \$46,800,000 for fiscal year 2004, of which \$35,700,000 is to be derived from user fees for fiscal year 2004 collected under section 60301 of this title.

(3) \$47,100,000 for fiscal year 2005, of which \$41,100,000 is to be derived from user fees for fiscal year 2005 collected under section 60301 of this title.

(4) \$50,000,000 for fiscal year 2006, of which \$45,000,000 is to be derived from user fees for fiscal year 2006 collected under section 60301 of this title.

(b) STATE GRANTS.—(1) Not more than the following amounts may be appropriated to the Secretary to carry out section 60107 of this title:

(A) \$19,800,000 for fiscal year 2003, of which \$14,800,000 is to be derived from user fees for fiscal year 2003 collected under section 60301 of this title.

(B) \$21,700,000 for fiscal year 2004, of which \$16,700,000 is to be derived from user fees for fiscal year 2004 collected under section 60301 of this title.

(C) \$24,600,000 for fiscal year 2005, of which \$19,600,000 is to be derived from user fees for fiscal year 2005 collected under section 60301 of this title.

(D) \$26,500,000 for fiscal year 2006, of which \$21,500,000 is to be derived from user fees for fiscal year 2006 collected under section 60301 of this title.

(2) At least 5 percent of amounts appropriated to carry out United States Government grants-in-aid programs for a fiscal year are available only to carry out section 60107 of this title related to hazardous liquid.

(3) Not more than 20 percent of a pipeline safety program grant under section 60107 of this title may be allocated to indirect expenses.

(c) OIL SPILL LIABILITY TRUST FUND.—Of the amounts available in the Oil Spill Liability Trust Fund, \$8,000,000 shall be transferred to the Secretary of Transportation, as provided in appropriation Acts, to carry out programs authorized in this chapter for each of fiscal years 2003 through 2006.

(d) EMERGENCY RESPONSE GRANTS.—

(1) IN GENERAL.—The Secretary may establish a program for making grants to State, county, and local governments in high consequence areas, as defined by the Secretary, for emergency response management, training, and technical assistance.

(2) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated \$6,000,000 for each of fiscal years 2003 through 2006 to carry out this subsection.

(e) CREDITING APPROPRIATIONS FOR EXPENDITURES FOR TRAINING.—The Secretary may credit to an appropriation authorized under subsection (a) amounts received from sources other than the Government for reimbursement for expenses incurred by the Secretary in providing training.

§ 60126. Risk management

(a) RISK MANAGEMENT PROGRAM DEMONSTRATION PROJECTS.—

(1) IN GENERAL.—The Secretary shall establish risk management demonstration projects—

(A) to demonstrate, through the voluntary participation by owners and operators of gas pipeline facilities and hazardous liquid pipeline facilities, the application of risk management; and

(B) to evaluate the safety and cost-effectiveness of the program.

(2) EXEMPTIONS.—In carrying out a demonstration project under this subsection, the Secretary, by order—

(A) may exempt an owner or operator of the pipeline facility covered under the project (referred to in this subsection as a “covered pipeline facility”), from the applicability of all or a portion of the requirements under this chapter that would otherwise apply to the covered pipeline facility; and

(B) shall exempt, for the period of the project, an owner or operator of the covered pipeline facility, from the applicability of any new standard that the Secretary promulgates under this chapter during the period of that participation, with respect to the covered facility.

(b) REQUIREMENTS.—In carrying out a demonstration project under this section, the Secretary shall—

(1) invite owners and operators of pipeline facilities to submit risk management plans for timely approval by the Secretary;

(2) require, as a condition of approval, that a risk management plan submitted under this subsection contain measures that are designed to achieve an equivalent or greater overall level of safety than would otherwise be achieved through compliance with the standards contained in this chapter or promulgated by the Secretary under this chapter;

(3) provide for—

(A) collaborative government and industry training;

(B) methods to measure the safety performance of risk management plans;

(C) the development and application of new technologies;

(D) the promotion of community awareness concerning how the overall level of safety will be maintained or enhanced by the demonstration project;

(E) the development of models that categorize the risks inherent to each covered pipeline facility, taking into consideration the location, volume, pressure, and material transported or stored by that pipeline facility;

(F) the application of risk assessment and risk management methodologies that are suitable to the inherent risks that are determined to exist through the use of models developed under subparagraph (E);

(G) the development of project elements that are necessary to ensure that—

(i) the owners and operators that participate in the demonstration project demonstrate that they are effectively managing the risks referred to in subparagraph (E); and

(ii) the risk management plans carried out under the demonstration project under this subsection can be audited;

(H) a process whereby an owner or operator of a pipeline facility is able to terminate a risk management plan or, with the approval of the Secretary, to amend, modify, or otherwise adjust a risk management plan referred to in paragraph (1) that has been approved by the Secretary pursuant to that paragraph to respond to—

(i) changed circumstances; or

(ii) a determination by the Secretary that the owner or operator is not achieving an overall level of safety that is at least equivalent to the level that would otherwise be achieved through compliance with the standards contained in this chapter or promulgated by the Secretary under this chapter;

(I) such other elements as the Secretary, with the agreement of the owners and operators that participate in the demonstration project under this section, determines to further the purposes of this section; and

(J) an opportunity for public comment in the approval process; and

(4) in selecting participants for the demonstration project, take into consideration the past safety and regulatory performance of each applicant who submits a risk management plan pursuant to paragraph (1).

(c) EMERGENCIES AND REVOCATIONS.—Nothing in this section diminishes or modifies the Secretary's authority under this title to act in case of an emergency. The Secretary may revoke any exemption granted under this section for substantial noncompliance with the terms and conditions of an approved risk management plan.

(d) PARTICIPATION BY STATE AUTHORITY.—In carrying out this section, the Secretary may provide for consultation by a State that has in effect a certification under section 60105. To the extent that a demonstration project comprises an intrastate natural gas pipeline or an intrastate hazardous liquid pipeline facility, the Secretary may make an agreement with the State agency to carry out

the duties of the Secretary for approval and administration of the project.

(e) REPORT.—Not later than March 31, 2000, the Secretary shall transmit to the Congress a report on the results of the demonstration projects carried out under this section that includes—

(1) an evaluation of each such demonstration project, including an evaluation of the performance of each participant in that project with respect to safety and environmental protection; and

(2) recommendations concerning whether the applications of risk management demonstrated under the demonstration project should be incorporated into the Federal pipeline safety program under this chapter on a permanent basis.

§ 60127. Population encroachment and rights-of-way

(a) STUDY.—The Secretary of Transportation, in conjunction with the Federal Energy Regulatory Commission and in consultation with appropriate Federal agencies and State and local governments, shall undertake a study of land use practices, zoning ordinances, and preservation of environmental resources with regard to pipeline rights-of-way and their maintenance.

(b) PURPOSE OF STUDY.—The purpose of the study shall be to gather information on land use practices, zoning ordinances, and preservation of environmental resources—

(1) to determine effective practices to limit encroachment on existing pipeline rights-of-way;

(2) to address and prevent the hazards and risks to the public, pipeline workers, and the environment associated with encroachment on pipeline rights-of-way;

(3) to raise the awareness of the risks and hazards of encroachment on pipeline rights-of-way; and

(4) to address how to best preserve environmental resources in conjunction with maintaining pipeline rights-of-way, recognizing pipeline operators' regulatory obligations to maintain rights-of-way and to protect public safety.

(c) CONSIDERATIONS.—In conducting the study, the Secretary shall consider, at a minimum, the following:

(1) The legal authority of Federal agencies and State and local governments in controlling land use and the limitations on such authority.

(2) The current practices of Federal agencies and State and local governments in addressing land use issues involving a pipeline easement.

(3) The most effective way to encourage Federal agencies and State and local governments to monitor and reduce encroachment upon pipeline rights-of-way.

(d) REPORT.—

(1) IN GENERAL.—Not later than 1 year after the date of enactment of this subsection, the Secretary shall publish a report identifying practices, laws, and ordinances that are most successful in addressing issues of encroachment and maintenance on pipeline rights-of-way so as to more effectively protect public safety, pipeline workers, and the environment.

(2) DISTRIBUTION OF REPORT.—The Secretary shall provide a copy of the report to—

- (A) Congress and appropriate Federal agencies; and
- (B) States for further distribution to appropriate local authorities.

(3) ADOPTION OF PRACTICES, LAWS, AND ORDINANCES.—The Secretary shall encourage Federal agencies and State and local governments to adopt and implement appropriate practices, laws, and ordinances, as identified in the report, to address the risks and hazards associated with encroachment upon pipeline rights-of-way and to address the potential methods of preserving environmental resources while maintaining pipeline rights-of-way, consistent with pipeline safety.

§ 60128. Dumping within pipeline rights-of-way

(a) PROHIBITION.—No person shall excavate for the purpose of unauthorized disposal within the right-of-way of an interstate gas pipeline facility or interstate hazardous liquid pipeline facility, or any other limited area in the vicinity of any such interstate pipeline facility established by the Secretary of Transportation, and dispose solid waste therein.

(b) DEFINITION.—For purposes of this section, the term “solid waste” has the meaning given that term in section 1004(27) of the Solid Waste Disposal Act (42 U.S.C. 6903(27)).

§ 60129. Protection of employees providing pipeline safety information

(a) DISCRIMINATION AGAINST EMPLOYEE.—

(1) IN GENERAL.—No employer may discharge any employee or otherwise discriminate against any employee with respect to his compensation, terms, conditions, or privileges of employment because the employee (or any person acting pursuant to a request of the employee)—

(A) provided, caused to be provided, or is about to provide or cause to be provided, to the employer or the Federal Government information relating to any violation or alleged violation of any order, regulation, or standard under this chapter or any other Federal law relating to pipeline safety;

(B) refused to engage in any practice made unlawful by this chapter or any other Federal law relating to pipeline safety, if the employee has identified the alleged illegality to the employer;

(C) provided, caused to be provided, or is about to provide or cause to be provided, testimony before Congress or at any Federal or State proceeding regarding any provision (or proposed provision) of this chapter or any other Federal law relating to pipeline safety;

(D) commenced, caused to be commenced, or is about to commence or cause to be commenced a proceeding under this chapter or any other Federal law relating to pipeline safety, or a proceeding for the administration or enforcement of any requirement imposed under this chapter or any other Federal law relating to pipeline safety;

(E) provided, caused to be provided, or is about to provide or cause to be provided, testimony in any proceeding described in subparagraph (D); or

(F) assisted or participated or is about to assist or participate in any manner in such a proceeding or in any other manner in such a proceeding or in any other action to carry out the purposes of this chapter or any other Federal law relating to pipeline safety.

(2) EMPLOYER DEFINED.—In this section, the term “employer” means—

(A) a person owning or operating a pipeline facility; or

(B) a contractor or subcontractor of such a person.

(b) DEPARTMENT OF LABOR COMPLAINT PROCEDURE.—

(1) FILING AND NOTIFICATION.—A person who believes that he or she has been discharged or otherwise discriminated against by any person in violation of subsection (a) may, not later than 180 days after the date on which such violation occurs, file (or have any person file on his or her behalf) a complaint with the Secretary of Labor alleging such discharge or discrimination. Upon receipt of such a complaint, the Secretary of Labor shall notify, in writing, the person or persons named in the complaint and the Secretary of Transportation of the filing of the complaint, of the allegations contained in the complaint, of the substance of evidence supporting the complaint, and of the opportunities that will be afforded to such person or persons under paragraph (2).

(2) INVESTIGATION; PRELIMINARY ORDER.—

(A) IN GENERAL.—Not later than 60 days after the date of receipt of a complaint filed under paragraph (1) and after affording the person or persons named in the complaint an opportunity to submit to the Secretary of Labor a written response to the complaint and an opportunity to meet with a representative of the Secretary of Labor to present statements from witnesses, the Secretary of Labor shall conduct an investigation and determine whether there is reasonable cause to believe that the complaint has merit and notify in writing the complainant and the person or persons alleged to have committed a violation of subsection (a) of the Secretary of Labor’s findings. If the Secretary of Labor concludes that there is reasonable cause to believe that a violation of subsection (a) has occurred, the Secretary of Labor shall include with the Secretary of Labor’s findings with a preliminary order providing the relief prescribed by paragraph (3)(B). Not later than 60 days after the date of notification of findings under this subparagraph, any person alleged to have committed a violation or the complainant may file objections to the findings or preliminary order, or both, and request a hearing on the record. The filing of such objections shall not operate to stay any reinstatement remedy contained in the preliminary order. Such hearings shall be conducted expeditiously. If a hearing is not requested in such 60-day period, the preliminary order shall be deemed a final order that is not subject to judicial review.

(B) REQUIREMENTS.—

(i) REQUIRED SHOWING BY COMPLAINANT.—The Secretary of Labor shall dismiss a complaint filed under this subsection and shall not conduct an investigation otherwise required under subparagraph (A) unless the complainant makes a prima facie showing that any behavior described in subsection (a) was a contributing factor in the unfavorable personnel action alleged in the complaint.

(ii) SHOWING BY EMPLOYER.—Notwithstanding a finding by the Secretary of Labor that the complainant has made the showing required under clause (i), no investigation otherwise required under subparagraph (A) shall be conducted if the employer demonstrates, by clear and convincing evidence, that the employer would have taken the same unfavorable personnel action in the absence of that behavior.

(iii) CRITERIA FOR DETERMINATION BY SECRETARY.—The Secretary of Labor may determine that a violation of subsection (a) has occurred only if the complainant demonstrates that any behavior described in subsection (a) was a contributing factor in the unfavorable personnel action alleged in the complaint.

(iv) PROHIBITION.—Relief may not be ordered under subparagraph (A) if the employer demonstrates by clear and convincing evidence that the employer would have taken the same unfavorable personnel action in the absence of that behavior.

(3) FINAL ORDER.—

(A) DEADLINE FOR ISSUANCE; SETTLEMENT AGREEMENTS.—Not later than 90 days after the date of conclusion of a hearing under paragraph (2), the Secretary of Labor shall issue a final order providing the relief prescribed by this paragraph or denying the complaint. At any time before issuance of a final order, a proceeding under this subsection may be terminated on the basis of a settlement agreement entered into by the Secretary of Labor, the complainant, and the person or persons alleged to have committed the violation.

(B) REMEDY.—If, in response to a complaint filed under paragraph (1), the Secretary of Labor determines that a violation of subsection (a) has occurred, the Secretary of Labor shall order the person or persons who committed such violation to—

(i) take affirmative action to abate the violation;

(ii) reinstate the complainant to his or her former position together with the compensation (including back pay) and restore the terms, conditions, and privileges associated with his or her employment; and

(iii) provide compensatory damages to the complainant.

If such an order is issued under this paragraph, the Secretary of Labor, at the request of the complainant, shall assess against the person or persons against whom the

order is issued a sum equal to the aggregate amount of all costs and expenses (including attorney's and expert witness fees) reasonably incurred, as determined by the Secretary of Labor, by the complainant for, or in connection with, the bringing the complaint upon which the order was issued.

(C) FRIVOLOUS COMPLAINTS.—If the Secretary of Labor finds that a complaint under paragraph (1) is frivolous or has been brought in bad faith, the Secretary of Labor may award to the prevailing employer a reasonable attorney's fee not exceeding \$1,000.

(4) REVIEW.—

(A) APPEAL TO COURT OF APPEALS.—Any person adversely affected or aggrieved by an order issued under paragraph (3) may obtain review of the order in the United States Court of Appeals for the circuit in which the violation, with respect to which the order was issued, allegedly occurred or the circuit in which the complainant resided on the date of such violation. The petition for review must be filed not later than 60 days after the date of issuance of the final order of the Secretary of Labor. Review shall conform to chapter 7 of title 5, United States Code. The commencement of proceedings under this subparagraph shall not, unless ordered by the court, operate as a stay of the order.

(B) LIMITATION ON COLLATERAL ATTACK.—An order of the Secretary of Labor with respect to which review could have been obtained under subparagraph (A) shall not be subject to judicial review in any criminal or other civil proceeding.

(5) ENFORCEMENT OF ORDER BY SECRETARY OF LABOR.—Whenever any person has failed to comply with an order issued under paragraph (3), the Secretary of Labor may file a civil action in the United States district court for the district in which the violation was found to occur to enforce such order. In actions brought under this paragraph, the district courts shall have jurisdiction to grant all appropriate relief, including, but not to be limited to, injunctive relief and compensatory damages.

(6) ENFORCEMENT OF ORDER BY PARTIES.—

(A) COMMENCEMENT OF ACTION.—A person on whose behalf an order was issued under paragraph (3) may commence a civil action against the person or persons to whom such order was issued to require compliance with such order. The appropriate United States district court shall have jurisdiction, without regard to the amount in controversy or the citizenship of the parties, to enforce such order.

(B) ATTORNEY FEES.—The court, in issuing any final order under this paragraph, may award costs of litigation (including reasonable attorney and expert witness fees) to any party whenever the court determines such award of costs is appropriate.

(c) MANDAMUS.—Any nondiscretionary duty imposed by this section shall be enforceable in a mandamus proceeding brought under section 1361 of title 28, United States Code.

(d) NONAPPLICABILITY TO DELIBERATE VIOLATIONS.—Subsection (a) shall not apply with respect to an action of an employee of an employer who, acting without direction from the employer (or such employer's agent), deliberately causes a violation of any requirement relating to pipeline safety under this chapter or any other law of the United States.

§ 60130. Pipeline safety information grants to communities

(a) GRANT AUTHORITY.—

(1) IN GENERAL.—The Secretary of Transportation may make grants for technical assistance to local communities and groups of individuals (not including for-profit entities) relating to the safety of pipeline facilities in local communities, other than facilities regulated under Public Law 93–153 (43 U.S.C. 1651 et seq.). The Secretary shall establish competitive procedures for awarding grants under this section and criteria for selecting grant recipients. The amount of any grant under this section may not exceed \$50,000 for a single grant recipient. The Secretary shall establish appropriate procedures to ensure the proper use of funds provided under this section.

(2) TECHNICAL ASSISTANCE DEFINED.—In this subsection, the term “technical assistance” means engineering and other scientific analysis of pipeline safety issues, including the promotion of public participation in official proceedings conducted under this chapter.

(b) PROHIBITED USES.—Funds provided under this section may not be used for lobbying or in direct support of litigation.

(c) ANNUAL REPORT.—

(1) IN GENERAL.—Not later than 90 days after the last day of each fiscal year for which grants are made by the Secretary under this section, the Secretary shall report to the Committees on Commerce, Science, and Transportation and Energy and Natural Resources of the Senate and the Committees on Transportation and Infrastructure and Energy and Commerce of the House of Representatives on grants made under this section in the preceding fiscal year.

(2) CONTENTS.—The report shall include—

(A) a listing of the identity and location of each recipient of a grant under this section in the preceding fiscal year and the amount received by the recipient;

(B) a description of the purpose for which each grant was made; and

(C) a description of how each grant was used by the recipient.

(d) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to the Secretary of Transportation for carrying out this section \$1,000,000 for each of the fiscal years 2003 through 2006. Such amounts shall not be derived from user fees collected under section 60301.

§ 60131. Verification of pipeline qualification programs

(a) **IN GENERAL.**—Subject to the requirements of this section, the Secretary of Transportation shall require the operator of a pipeline facility to develop and adopt a qualification program to ensure that the individuals who perform covered tasks are qualified to conduct such tasks.

(b) **STANDARDS AND CRITERIA.**—

(1) **DEVELOPMENT.**—Not later than 1 year after the date of enactment of this section, the Secretary shall ensure that the Department of Transportation has in place standards and criteria for qualification programs referred to in subsection (a).

(2) **CONTENTS.**—The standards and criteria shall include the following:

(A) The establishment of methods for evaluating the acceptability of the qualifications of individuals described in subsection (a).

(B) A requirement that pipeline operators develop and implement written plans and procedures to qualify individuals described in subsection (a) to a level found acceptable using the methods established under subparagraph (A) and evaluate the abilities of individuals described in subsection (a) according to such methods.

(C) A requirement that the plans and procedures adopted by a pipeline operator under subparagraph (B) be reviewed and verified under subsection (e).

(c) **DEVELOPMENT OF QUALIFICATION PROGRAMS BY PIPELINE OPERATORS.**—The Secretary shall require each pipeline operator to develop and adopt, not later than 2 years after the date of enactment of this section, a qualification program that complies with the standards and criteria described in subsection (b).

(d) **ELEMENTS OF QUALIFICATION PROGRAMS.**—A qualification program adopted by an operator under subsection (a) shall include, at a minimum, the following elements:

(1) A method for examining or testing the qualifications of individuals described in subsection (a). The method may include written examination, oral examination, observation during on-the-job performance, on-the-job training, simulations, and other forms of assessment. The method may not be limited to observation of on-the-job performance, except with respect to tasks for which the Secretary has determined that such observation is the best method of examining or testing qualifications. The Secretary shall ensure that the results of any such observations are documented in writing.

(2) A requirement that the operator complete the qualification of all individuals described in subsection (a) not later than 18 months after the date of adoption of the qualification program.

(3) A periodic requalification component that provides for examination or testing of individuals in accordance with paragraph (1).

(4) A program to provide training, as appropriate, to ensure that individuals performing covered tasks have the nec-

essary knowledge and skills to perform the tasks in a manner that ensures the safe operation of pipeline facilities.

(e) REVIEW AND VERIFICATION OF PROGRAMS.—

(1) IN GENERAL.—The Secretary shall review the qualification program of each pipeline operator and verify its compliance with the standards and criteria described in subsection (b) and that it includes the elements described in subsection (d). The Secretary shall record the results of that review for use in the next review of an operator's program.

(2) DEADLINE FOR COMPLETION.—Reviews and verifications under this subsection shall be completed not later than 3 years after the date of the enactment of this section.

(3) INADEQUATE PROGRAMS.—If the Secretary decides that a qualification program is inadequate for the safe operation of a pipeline facility, the Secretary shall act as under section 60108(a)(2) to require the operator to revise the qualification program.

(4) PROGRAM MODIFICATIONS.—If the operator of a pipeline facility significantly modifies a program that has been verified under this subsection, the operator shall notify the Secretary of the modifications. The Secretary shall review and verify such modifications in accordance with paragraph (1).

(5) WAIVERS AND MODIFICATIONS.—In accordance with section 60118(c), the Secretary may waive or modify any requirement of this section if the waiver or modification is not inconsistent with pipeline safety.

(6) INACTION BY THE SECRETARY.—Notwithstanding any failure of the Secretary to prescribe standards and criteria as described in subsection (b), an operator of a pipeline facility shall develop and adopt a qualification program that complies with the requirement of subsection (b)(2)(B) and includes the elements described in subsection (d) not later than 2 years after the date of enactment of this section.

(f) INTRASTATE PIPELINE FACILITIES.—In the case of an intrastate pipeline facility operator, the duties and powers of the Secretary under this section with respect to the qualification program of the operator shall be vested in the appropriate State regulatory agency, consistent with this chapter.

(g) COVERED TASK DEFINED.—In this section, the term “covered task”—

(1) with respect to a gas pipeline facility, has the meaning such term has under section 192.801 of title 49, Code of Federal Regulations, including any subsequent modifications; and

(2) with respect to a hazardous liquid pipeline facility, has the meaning such term has under section 195.501 of such title, including any subsequent modifications.

(h) REPORT.—Not later than 4 years after the date of enactment of this section, the Secretary shall transmit to Congress a report on the status and results to date of the personnel qualification regulations issued under this chapter.

§ 60132. National pipeline mapping system

(a) INFORMATION TO BE PROVIDED.—Not later than 6 months after the date of enactment of this section, the operator of a pipe-

line facility (except distribution lines and gathering lines) shall provide to the Secretary of Transportation the following information with respect to the facility:

(1) Geospatial data appropriate for use in the National Pipeline Mapping System or data in a format that can be readily converted to geospatial data.

(2) The name and address of the person with primary operational control to be identified as its operator for purposes of this chapter.

(3) A means for a member of the public to contact the operator for additional information about the pipeline facilities it operates.

(b) UPDATES.—A person providing information under subsection (a) shall provide to the Secretary updates of the information to reflect changes in the pipeline facility owned or operated by the person and as otherwise required by the Secretary.

(c) TECHNICAL ASSISTANCE TO IMPROVE LOCAL RESPONSE CAPABILITIES.—The Secretary may provide technical assistance to State and local officials to improve local response capabilities for pipeline emergencies by adapting information available through the National Pipeline Mapping System to software used by emergency response personnel responding to pipeline emergencies.

§ 60133. Coordination of environmental reviews

(a) INTERAGENCY COMMITTEE.—

(1) ESTABLISHMENT AND PURPOSE.—Not later than 30 days after the date of enactment of this section, the President shall establish an Interagency Committee to develop and ensure implementation of a coordinated environmental review and permitting process in order to enable pipeline operators to commence and complete all activities necessary to carry out pipeline repairs within any time periods specified by rule by the Secretary.

(2) MEMBERSHIP.—The Chairman of the Council on Environmental Quality (or a designee of the Chairman) shall chair the Interagency Committee, which shall consist of representatives of Federal agencies with responsibilities relating to pipeline repair projects, including each of the following persons (or a designee thereof):

(A) The Secretary of Transportation.

(B) The Administrator of the Environmental Protection Agency.

(C) The Director of the United States Fish and Wildlife Service.

(D) The Assistant Administrator for Fisheries of the National Oceanic and Atmospheric Administration.

(E) The Director of the Bureau of Land Management.

(F) The Director of the Minerals Management Service.

(G) The Assistant Secretary of the Army for Civil Works.

(H) The Chairman of the Federal Energy Regulatory Commission.

(3) EVALUATION.—The Interagency Committee shall evaluate Federal permitting requirements to which access, exca-

vation, and restoration activities in connection with pipeline repairs described in paragraph (1) may be subject. As part of its evaluation, the Interagency Committee shall examine the access, excavation, and restoration practices of the pipeline industry in connection with such pipeline repairs, and may develop a compendium of best practices used by the industry to access, excavate, and restore the site of a pipeline repair.

(4) MEMORANDUM OF UNDERSTANDING.—Based upon the evaluation required under paragraph (3) and not later than 1 year after the date of enactment of this section, the members of the Interagency Committee shall enter into a memorandum of understanding to provide for a coordinated and expedited pipeline repair permit review process to carry out the purpose set forth in paragraph (1). The Interagency Committee shall include provisions in the memorandum of understanding identifying those repairs or categories of repairs described in paragraph (1) for which the best practices identified under paragraph (3), when properly employed by a pipeline operator, would result in no more than minimal adverse effects on the environment and for which discretionary administrative reviews may therefore be minimized or eliminated. With respect to pipeline repairs described in paragraph (1) to which the preceding sentence would not be applicable, the Interagency Committee shall include provisions to enable pipeline operators to commence and complete all activities necessary to carry out pipeline repairs within any time periods specified by rule by the Secretary. The Interagency Committee shall include in the memorandum of understanding criteria under which permits required for such pipeline repair activities should be prioritized over other less urgent agency permit application reviews. The Interagency Committee shall not enter into a memorandum of understanding under this paragraph except by unanimous agreement of the members of the Interagency Committee.

(5) STATE AND LOCAL CONSULTATION.—In carrying out this subsection, the Interagency Committee shall consult with appropriate State and local environmental, pipeline safety, and emergency response officials, and such other officials as the Interagency Committee considers appropriate.

(b) IMPLEMENTATION.—Not later than 180 days after the completion of the memorandum of understanding required under subsection (a)(4), each agency represented on the Interagency Committee shall revise its regulations as necessary to implement the provisions of the memorandum of understanding.

(c) SAVINGS PROVISIONS; NO PREEMPTION.—Nothing in this section shall be construed—

(1) to require a pipeline operator to obtain a Federal permit, if no Federal permit would otherwise have been required under Federal law; or

(2) to preempt applicable Federal, State, or local environmental law.

(d) INTERIM OPERATIONAL ALTERNATIVES.—

(1) IN GENERAL.—Not later than 30 days after the date of enactment of this section, and subject to the limitations in paragraph (2), the Secretary of Transportation shall revise the

regulations of the Department, to the extent necessary, to permit a pipeline operator subject to time periods for repair specified by rule by the Secretary to implement alternative mitigation measures until all applicable permits have been granted.

(2) LIMITATIONS.—The regulations issued by the Secretary pursuant to this subsection shall not allow an operator to implement alternative mitigation measures pursuant to paragraph (1) unless—

(A) allowing the operator to implement such measures would be consistent with the protection of human health, public safety, and the environment;

(B) the operator, with respect to a particular repair project, has applied for and is pursuing diligently and in good faith all required Federal, State, and local permits to carry out the project; and

(C) the proposed alternative mitigation measures are not incompatible with pipeline safety.

(e) OMBUDSMAN.—The Secretary shall designate an ombudsman to assist in expediting pipeline repairs and resolving disagreements between Federal, State, and local permitting agencies and the pipeline operator during agency review of any pipeline repair activity, consistent with protection of human health, public safety, and the environment.

(f) STATE AND LOCAL PERMITTING PROCESSES.—The Secretary shall encourage States and local governments to consolidate their respective permitting processes for pipeline repair projects subject to any time periods for repair specified by rule by the Secretary. The Secretary may request other relevant Federal agencies to provide technical assistance to States and local governments for the purpose of encouraging such consolidation.

CHAPTER 603—USER FEES

Sec.
60301. User fees.

§ 60301. User fees

(a) SCHEDULE OF FEES.—The Secretary of Transportation shall prescribe a schedule of fees for all natural gas and hazardous liquids transported by pipelines subject to chapter 601 of this title. The fees shall be based on usage (in reasonable relationship to volume-miles, miles, revenues, or a combination of volume-miles, miles, and revenues) of the pipelines. The Secretary shall consider the allocation of resources of the Department of Transportation when establishing the schedule.

(b) IMPOSITION AND TIME OF COLLECTION.—A fee shall be imposed on each person operating a gas pipeline transmission facility, a liquefied natural gas pipeline facility, or a hazardous liquid pipeline facility to which chapter 601 of this title applies. The fee shall be collected before the end of the fiscal year to which it applies.

(c) MEANS OF COLLECTION.—The Secretary shall prescribe procedures to collect fees under this section. The Secretary may use a department, agency, or instrumentality of the United States Government or of a State or local government to collect the fee and

may reimburse the department, agency, or instrumentality a reasonable amount for its services.

(d) USE OF FEES.—A fee collected under this section—

(1)(A) related to a gas pipeline facility may be used only for an activity related to gas under chapter 601 of this title; and

(B) related to a hazardous liquid pipeline facility may be used only for an activity related to hazardous liquid under chapter 601 of this title; and

(2) may be used only to the extent provided in advance in an appropriation law.

(e) LIMITATIONS.—Fees prescribed under subsection (a) of this section shall be sufficient to pay for the costs of activities described in subsection (d) of this section. However, the total amount collected for a fiscal year may not be more than 105 percent of the total amount of the appropriations made for the fiscal year for activities to be financed by the fees.

CHAPTER 605—INTERSTATE COMMERCE REGULATION

Sec.

60501. Secretary of Energy.

60502. Federal Energy Regulatory Commission.

60503. Effect of enactment.

§ 60501. Secretary of Energy

Except as provided in section 60502 of this title, the Secretary of Energy has the duties and powers related to the transportation of oil by pipeline that were vested on October 1, 1977, in the Interstate Commerce Commission or the chairman or a member of the Commission.

§ 60502. Federal Energy Regulatory Commission

The Federal Energy Regulatory Commission has the duties and powers related to the establishment of a rate or charge for the transportation of oil by pipeline or the valuation of that pipeline that were vested on October 1, 1977, in the Interstate Commerce Commission or an officer or component of the Interstate Commerce Commission.

§ 60503. Effect of enactment

The enactment of the Act of October 17, 1978 (Public Law 95-473, 92 Stat. 1337), the Act of January 12, 1983 (Public Law 97-449, 96 Stat. 2413), and the Act enacting this section does not repeal, and has no substantive effect on, any right, obligation, liability, or remedy of an oil pipeline, including a right, obligation, liability, or remedy arising under the Interstate Commerce Act or the Act of August 29, 1916 (known as the Pomerene Bills of Lading Act), before any department, agency, or instrumentality of the United States Government, an officer or employee of the Government, or a court of competent jurisdiction.

SUBTITLE IX—COMMERCIAL SPACE TRANSPORTATION

CHAPTER	Sec.
701. COMMERCIAL SPACE LAUNCH ACTIVITIES	70101
703. SPACE TRANSPORTATION INFRASTRUCTURE MATCHING GRANTS	70301

CHAPTER 701—COMMERCIAL SPACE LAUNCH ACTIVITIES

Sec.	Sec.
70101. Findings and purposes.	
70102. Definitions.	
70103. General authority.	
70104. Restrictions on launches, operations, and reentries.	
70105. License applications and requirements.	
70106. Monitoring activities.	
70107. Effective periods, and modifications, suspensions, and revocations, of licenses.	
70108. Prohibition, suspension, and end of launches, operation of launch sites and reentry sites, and reentries.	
70109. Preemption of scheduled launches or reentries.	
70109a.—Space advertising.	
70110. Administrative hearings and judicial review.	
70111. Acquiring United States Government property and services.	
70112. Liability insurance and financial responsibility requirements.	
70113. Paying claims exceeding liability insurance and financial responsibility requirements.	
70114. Disclosing information.	
70115. Enforcement and penalty.	
70116. Consultation.	
70117. Relationship to other executive agencies, laws, and international obligations.	
70118. User fees.	
70119. Office of Commercial Space Transportation.	
70120. Regulations.	
70121. Report to Congress.	

§ 70101. Findings and purposes

(a) FINDINGS.—Congress finds that—

(1) the peaceful uses of outer space continue to be of great value and to offer benefits to all mankind;

(2) private applications of space technology have achieved a significant level of commercial and economic activity and offer the potential for growth in the future, particularly in the United States;

(3) new and innovative equipment and services are being sought, produced, and offered by entrepreneurs in telecommunications, information services, microgravity research, and remote sensing technologies;

(4) the private sector in the United States has the capability of developing and providing private satellite launching, reentry, and associated services that would complement the

launching, reentry, and associated services now available from the United States Government;

(5) the development of commercial launch vehicles, reentry vehicles, and associated services would enable the United States to retain its competitive position internationally, contributing to the national interest and economic well-being of the United States;

(6) providing launch services and reentry services by the private sector is consistent with the national security and foreign policy interests of the United States and would be facilitated by stable, minimal, and appropriate regulatory guidelines that are fairly and expeditiously applied;

(7) the United States should encourage private sector launches, reentries, and associated services and, only to the extent necessary, regulate those launches, reentries, and services to ensure compliance with international obligations of the United States and to protect the public health and safety, safety of property, and national security and foreign policy interests of the United States;

(8) space transportation, including the establishment and operation of launch sites, reentry sites, and complementary facilities, the providing of launch services and reentry services, the establishment of support facilities, and the providing of support services, is an important element of the transportation system of the United States, and in connection with the commerce of the United States there is a need to develop a strong space transportation infrastructure with significant private sector involvement; and

(9) the participation of State governments in encouraging and facilitating private sector involvement in space-related activity, particularly through the establishment of a space transportation-related infrastructure, including launch sites, reentry sites, complementary facilities, and launch site and reentry site support facilities, is in the national interest and is of significant public benefit.

(b) PURPOSES.—The purposes of this chapter are—

(1) to promote economic growth and entrepreneurial activity through use of the space environment for peaceful purposes;

(2) to encourage the United States private sector to provide launch vehicles, reentry vehicles, and associated services by—

(A) simplifying and expediting the issuance and transfer of commercial licenses; and

(B) facilitating and encouraging the use of Government-developed space technology;

(3) to provide that the Secretary of Transportation is to oversee and coordinate the conduct of commercial launch and reentry operations, issue and transfer commercial licenses authorizing those operations, and protect the public health and safety, safety of property, and national security and foreign policy interests of the United States; and

(4) to facilitate the strengthening and expansion of the United States space transportation infrastructure, including the enhancement of United States launch sites and launch-site support facilities, and development of reentry sites, with Gov-

ernment, State, and private sector involvement, to support the full range of United States space-related activities.

§ 70102. Definitions

In this chapter—

- (1) “citizen of the United States” means—
 - (A) an individual who is a citizen of the United States;
 - (B) an entity organized or existing under the laws of the United States or a State; or
 - (C) an entity organized or existing under the laws of a foreign country if the controlling interest (as defined by the Secretary of Transportation) is held by an individual or entity described in subclause (A) or (B) of this clause.
- (2) “executive agency” has the same meaning given that term in section 105 of title 5.
- (3) “launch” means to place or try to place a launch vehicle or reentry vehicle and any payload from Earth—
 - (A) in a suborbital trajectory;
 - (B) in Earth orbit in outer space; or
 - (C) otherwise in outer space,including activities involved in the preparation of a launch vehicle or payload for launch, when those activities take place at a launch site in the United States.
- (4) “launch property” means an item built for, or used in, the launch preparation or launch of a launch vehicle.
- (5) “launch services” means—
 - (A) activities involved in the preparation of a launch vehicle and payload for launch; and
 - (B) the conduct of a launch.
- (6) “launch site” means the location on Earth from which a launch takes place (as defined in a license the Secretary issues or transfers under this chapter) and necessary facilities at that location.
- (7) “launch vehicle” means—
 - (A) a vehicle built to operate in, or place a payload in, outer space; and
 - (B) a suborbital rocket.
- (8) “obtrusive space advertising” means advertising in outer space that is capable of being recognized by a human being on the surface of the Earth without the aid of a telescope or other technological device.
- (9) “payload” means an object that a person undertakes to place in outer space by means of a launch vehicle or reentry vehicle, including components of the vehicle specifically designed or adapted for that object.
- (10) “person” means an individual and an entity organized or existing under the laws of a State or country.
- (11) “reenter” and “reentry” mean to return or attempt to return, purposefully, a reentry vehicle and its payload, if any, from Earth orbit or from outer space to Earth.
- (12) “reentry services” means—
 - (A) activities involved in the preparation of a reentry vehicle and its payload, if any, for reentry; and
 - (B) the conduct of a reentry.

(13) “reentry site” means the location on Earth to which a reentry vehicle is intended to return (as defined in a license the Secretary issues or transfers under this chapter).

(14) “reentry vehicle” means a vehicle designed to return from Earth orbit or outer space to Earth, or a reusable launch vehicle designed to return from Earth orbit or outer space to Earth, substantially intact.

(15) “State” means a State of the United States, the District of Columbia, and a territory or possession of the United States.

(16) “third party” means a person except—

(A) the United States Government or the Government’s contractors or subcontractors involved in launch services or reentry services;

(B) a licensee or transferee under this chapter;

(C) a licensee’s or transferee’s contractors, subcontractors, or customers involved in launch services or reentry services; or

(D) the customer’s contractors or subcontractors involved in launch services or reentry services.

(17) “United States” means the States of the United States, the District of Columbia, and the territories and possessions of the United States.

§ 70103. General authority

(a) GENERAL.—The Secretary of Transportation shall carry out this chapter.

(b) FACILITATING COMMERCIAL LAUNCHES AND REENTRIES.—In carrying out this chapter, the Secretary shall—

(1) encourage, facilitate, and promote commercial space launches and reentries by the private sector; and

(2) take actions to facilitate private sector involvement in commercial space transportation activity, and to promote public-private partnerships involving the United States Government, State governments, and the private sector to build, expand, modernize, or operate a space launch and reentry infrastructure.

(c) EXECUTIVE AGENCY ASSISTANCE.—When necessary, the head of an executive agency shall assist the Secretary in carrying out this chapter.

§ 70104. Restrictions on launches, operations, and reentries

(a) LICENSE REQUIREMENT.—A license issued or transferred under this chapter is required for the following:

(1) for a person to launch a launch vehicle or to operate a launch site or reentry site, or to reenter a reentry vehicle, in the United States.

(2) for a citizen of the United States (as defined in section 70102(1)(A) or (B) of this title) to launch a launch vehicle or to operate a launch site or reentry site, or to reenter a reentry vehicle, outside the United States.

(3) for a citizen of the United States (as defined in section 70102(1)(C) of this title) to launch a launch vehicle or to operate a launch site or reentry site, or to reenter a reentry vehicle,

outside the United States and outside the territory of a foreign country unless there is an agreement between the United States Government and the government of the foreign country providing that the government of the foreign country has jurisdiction over the launch or operation or reentry.

(4) for a citizen of the United States (as defined in section 70102(1)(C) of this title) to launch a launch vehicle or to operate a launch site or reentry site, or to reenter a reentry vehicle, in the territory of a foreign country if there is an agreement between the United States Government and the government of the foreign country providing that the United States Government has jurisdiction over the launch or operation or reentry.

(b) **COMPLIANCE WITH PAYLOAD REQUIREMENTS.**—The holder of a license under this chapter may launch or reenter a payload only if the payload complies with all requirements of the laws of the United States related to launching or reentering a payload.

(c) **PREVENTING LAUNCHES AND REENTRIES.**—The Secretary of Transportation shall establish whether all required licenses, authorizations, and permits required for a payload have been obtained. If no license, authorization, or permit is required, the Secretary may prevent the launch or reentry if the Secretary decides the launch or reentry would jeopardize the public health and safety, safety of property, or national security or foreign policy interest of the United States.

§ 70105. License applications and requirements

(a) **APPLICATIONS.**—(1) A person may apply to the Secretary of Transportation for a license or transfer of a license under this chapter in the form and way the Secretary prescribes. Consistent with the public health and safety, safety of property, and national security and foreign policy interests of the United States, the Secretary, not later than 180 days after accepting an application in accordance with criteria established pursuant to subsection (b)(2)(D), shall issue or transfer a license if the Secretary decides in writing that the applicant complies, and will continue to comply, with this chapter and regulations prescribed under this chapter. The Secretary shall inform the applicant of any pending issue and action required to resolve the issue if the Secretary has not made a decision not later than 120 days after accepting an application in accordance with criteria established pursuant to subsection (b)(2)(D). The Secretary shall transmit to the Committee on Science of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a written notice not later than 30 days after any occurrence when a license is not issued within the deadline established by this subsection.

(2) In carrying out paragraph (1), the Secretary may establish procedures for safety approvals of launch vehicles, reentry vehicles, safety systems, processes, services, or personnel that may be used in conducting licensed commercial space launch or reentry activities.

(b) **REQUIREMENTS.**—(1) Except as provided in this subsection, all requirements of the laws of the United States applicable to the launch of a launch vehicle or the operation of a launch site or a

reentry site, or the reentry of a reentry vehicle, are requirements for a license under this chapter.

(2) The Secretary may prescribe—

(A) any term necessary to ensure compliance with this chapter, including on-site verification that a launch, operation, or reentry complies with representations stated in the application;

(B) an additional requirement necessary to protect the public health and safety, safety of property, national security interests, and foreign policy interests of the United States;

(C) by regulation that a requirement of a law of the United States not be a requirement for a license if the Secretary, after consulting with the head of the appropriate executive agency, decides that the requirement is not necessary to protect the public health and safety, safety of property, and national security and foreign policy interests of the United States; and

(D) regulations establishing criteria for accepting or rejecting an application for a license under this chapter within 60 days after receipt of such application.

(3) The Secretary may waive a requirement, including the requirement to obtain a license, for an individual applicant if the Secretary decides that the waiver is in the public interest and will not jeopardize the public health and safety, safety of property, and national security and foreign policy interests of the United States.

(c) PROCEDURES AND TIMETABLES.—The Secretary shall establish procedures and timetables that expedite review of a license application and reduce the regulatory burden for an applicant.

§ 70106. Monitoring activities

(a) GENERAL REQUIREMENTS.—A licensee under this chapter must allow the Secretary of Transportation to place an officer or employee of the United States Government or another individual as an observer at a launch site or reentry site the licensee uses, at a production facility or assembly site a contractor of the licensee uses to produce or assemble a launch vehicle or reentry vehicle, or at a site at which a payload is integrated with a launch vehicle or reentry vehicle. The observer will monitor the activity of the licensee or contractor at the time and to the extent the Secretary considers reasonable to ensure compliance with the license or to carry out the duties of the Secretary under section 70104(c) of this title. A licensee must cooperate with an observer carrying out this subsection.

(b) CONTRACTS.—To the extent provided in advance in an appropriation law, the Secretary may make a contract with a person to carry out subsection (a) of this section.

§ 70107. Effective periods, and modifications, suspensions, and revocations, of licenses

(a) EFFECTIVE PERIODS OF LICENSES.—The Secretary of Transportation shall specify the period for which a license issued or transferred under this chapter is in effect.

(b) MODIFICATIONS.—On the initiative of the Secretary or on application of the licensee, the Secretary may modify a license

issued or transferred under this chapter if the Secretary decides the modification will comply with this chapter.

(c) **SUSPENSIONS AND REVOCATIONS.**—The Secretary may suspend or revoke a license if the Secretary decides that—

(1) the licensee has not complied substantially with a requirement of this chapter or a regulation prescribed under this chapter; or

(2) the suspension or revocation is necessary to protect the public health and safety, the safety of property, or a national security or foreign policy interest of the United States.

(d) **EFFECTIVE PERIODS OF MODIFICATIONS, SUSPENSIONS, AND REVOCATIONS.**—Unless the Secretary specifies otherwise, a modification, suspension, or revocation under this section takes effect immediately and remains in effect during a review under section 70110 of this title.

(e) **NOTIFICATION.**—The Secretary shall notify the licensee in writing of the decision of the Secretary under this section and any action the Secretary takes or proposes to take based on the decision.

§ 70108. Prohibition, suspension, and end of launches, operation of launch sites and reentry sites, and reentries

(a) **GENERAL AUTHORITY.**—The Secretary of Transportation may prohibit, suspend, or end immediately the launch of a launch vehicle or the operation of a launch site or reentry site, or reentry of a reentry vehicle, licensed under this chapter if the Secretary decides the launch or operation or reentry is detrimental to the public health and safety, the safety of property, or a national security or foreign policy interest of the United States.

(b) **EFFECTIVE PERIODS OF ORDERS.**—An order under this section takes effect immediately and remains in effect during a review under section 70110 of this title.

§ 70109. Preemption of scheduled launches or reentries

(a) **GENERAL.**—With the cooperation of the Secretary of Defense and the Administrator of the National Aeronautics and Space Administration, the Secretary of Transportation shall act to ensure that a launch or reentry of a payload is not preempted from access to a United States Government launch site, reentry site, or launch property, except for imperative national need, when a launch date commitment or reentry date commitment from the Government has been obtained for a launch or reentry licensed under this chapter. A licensee or transferee preempted from access to a launch site, reentry site, or launch property does not have to pay the Government any amount for launch services, or services related to a reentry, attributable only to the scheduled launch or reentry prevented by the preemption.

(b) **IMPERATIVE NATIONAL NEED DECISIONS.**—In consultation with the Secretary of Transportation, the Secretary of Defense or the Administrator shall decide when an imperative national need requires preemption under subsection (a) of this section. That decision may not be delegated.

(c) REPORTS.—In cooperation with the Secretary of Transportation, the Secretary of Defense or the Administrator, as appropriate, shall submit to Congress not later than 7 days after a decision to preempt under subsection (a) of this section, a report that includes an explanation of the circumstances justifying the decision and a schedule for ensuring the prompt launching or reentry of a preempted payload.

§ 70109a. Space advertising

(a) LICENSING.—Notwithstanding the provisions of this chapter or any other provision of law, the Secretary may not, for the launch of a payload containing any material to be used for the purposes of obtrusive space advertising—

- (1) issue or transfer a license under this chapter; or
- (2) waive the license requirements of this chapter.

(b) LAUNCHING.—No holder of a license under this chapter may launch a payload containing any material to be used for purposes of obtrusive space advertising.

(c) COMMERCIAL SPACE ADVERTISING.—Nothing in this section shall apply to nonobtrusive commercial space advertising, including advertising on—

- (1) commercial space transportation vehicles;
- (2) space infrastructure payloads;
- (3) space launch facilities; and
- (4) launch support facilities.

§ 70110. Administrative hearings and judicial review

(a) ADMINISTRATIVE HEARINGS.—The Secretary of Transportation shall provide an opportunity for a hearing on the record to—

(1) an applicant under this chapter, for a decision of the Secretary under section 70105(a) of this title to issue or transfer a license with terms or deny the issuance or transfer of a license;

(2) an owner or operator of a payload under this chapter, for a decision of the Secretary under section 70104(c) of this title to prevent the launch or reentry of the payload; and

(3) a licensee under this chapter, for a decision of the Secretary under—

(A) section 70107 (b) or (c) of this title to modify, suspend, or revoke a license; or

(B) section 70108(a) of this title to prohibit, suspend, or end a launch or operation of a launch site or reentry site, or reentry of a reentry vehicle, licensed by the Secretary.

(b) JUDICIAL REVIEW.—A final action of the Secretary under this chapter is subject to judicial review as provided in chapter 7 of title 5.

§ 70111. Acquiring United States Government property and services

(a) GENERAL REQUIREMENTS AND CONSIDERATIONS.—(1) The Secretary of Transportation shall facilitate and encourage the acquisition by the private sector and State governments of—

(A) launch or reentry property of the United States Government that is excess or otherwise is not needed for public use; and

(B) launch services and reentry services, including utilities, of the Government otherwise not needed for public use.

(2) In acting under paragraph (1) of this subsection, the Secretary shall consider the commercial availability on reasonable terms of substantially equivalent launch property or launch services or reentry services from a domestic source, whether such source is located on or off a Federal range.

(b) PRICE.—(1) In this subsection, “direct costs” means the actual costs that—

(A) can be associated unambiguously with a commercial launch or reentry effort; and

(B) the Government would not incur if there were no commercial launch or reentry effort.

(2) In consultation with the Secretary, the head of the executive agency providing the property or service under subsection (a) of this section shall establish the price for the property or service. The price for—

(A) acquiring launch property by sale or transaction instead of sale is the fair market value;

(B) acquiring launch property (except by sale or transaction instead of sale) is an amount equal to the direct costs, including specific wear and tear and property damage, the Government incurred because of acquisition of the property; and

(C) launch services or reentry services is an amount equal to the direct costs, including the basic pay of Government civilian and contractor personnel, the Government incurred because of acquisition of the services.

(3) The Secretary shall ensure the establishment of uniform guidelines for, and consistent implementation of, this section by all Federal agencies.

(c) COLLECTION BY SECRETARY.—The Secretary may collect a payment under this section with the consent of the head of the executive agency establishing the price. Amounts collected under this subsection shall be deposited in the Treasury. Amounts (except for excess launch property) shall be credited to the appropriation from which the cost of providing the property or services was paid.

(d) COLLECTION BY OTHER GOVERNMENTAL HEADS.—The head of a department, agency, or instrumentality of the Government may collect a payment for an activity involved in producing a launch vehicle or reentry vehicle, or the payload of either, for launch or reentry if the activity was agreed to by the owner or manufacturer of the launch vehicle, reentry vehicle, or payload.

§ 70112. Liability insurance and financial responsibility requirements

(a) GENERAL REQUIREMENTS.—(1) When a launch or reentry license is issued or transferred under this chapter, the licensee or transferee shall obtain liability insurance or demonstrate financial responsibility in amounts to compensate for the maximum probable loss from claims by—

(A) a third party for death, bodily injury, or property damage or loss resulting from an activity carried out under the license; and

(B) the United States Government against a person for damage or loss to Government property resulting from an activity carried out under the license.

(2) The Secretary of Transportation shall determine the amounts required under paragraph (1)(A) and (B) of this subsection, after consulting with the Administrator of the National Aeronautics and Space Administration, the Secretary of the Air Force, and the heads of other appropriate executive agencies.

(3) For the total claims related to one launch or reentry, a licensee or transferee is not required to obtain insurance or demonstrate financial responsibility of more than—

(A)(i) \$500,000,000 under paragraph (1)(A) of this subsection; or

(ii) \$100,000,000 under paragraph (1)(B) of this subsection;

or

(B) the maximum liability insurance available on the world market at reasonable cost if the amount is less than the applicable amount in clause (A)(i) or (ii) of this paragraph.

(4) An insurance policy or demonstration of financial responsibility under this subsection shall protect the following, to the extent of their potential liability for involvement in launch services or reentry services, at no cost to the Government:

(A) the Government.

(B) executive agencies and personnel, contractors, and subcontractors of the Government.

(C) contractors, subcontractors, and customers of the licensee or transferee.

(D) contractors and subcontractors of the customer.

(b) RECIPROCAL WAIVER OF CLAIMS.—(1) A launch or reentry license issued or transferred under this chapter shall contain a provision requiring the licensee or transferee to make a reciprocal waiver of claims with its contractors, subcontractors, and customers, and contractors and subcontractors of the customers, involved in launch services or reentry services under which each party to the waiver agrees to be responsible for property damage or loss it sustains, or for personal injury to, death of, or property damage or loss sustained by its own employees resulting from an activity carried out under the applicable license.

(2) The Secretary of Transportation shall make, for the Government, executive agencies of the Government involved in launch services or reentry services, and contractors and subcontractors involved in launch services or reentry services, a reciprocal waiver of claims with the licensee or transferee, contractors, subcontractors, and customers of the licensee or transferee, and contractors and subcontractors of the customers, involved in launch services or reentry services under which each party to the waiver agrees to be responsible for property damage or loss it sustains, or for personal injury to, death of, or property damage or loss sustained by its own employees resulting from an activity carried out under the applicable license. The waiver applies only to the extent that claims are more than the amount of insurance or demonstration of financial

responsibility required under subsection (a)(1)(B) of this section. After consulting with the Administrator and the Secretary of the Air Force, the Secretary of Transportation may waive, for the Government and a department, agency, and instrumentality of the Government, the right to recover damages for damage or loss to Government property to the extent insurance is not available because of a policy exclusion the Secretary of Transportation decides is usual for the type of insurance involved.

(c) DETERMINATION OF MAXIMUM PROBABLE LOSSES.—The Secretary of Transportation shall determine the maximum probable losses under subsection (a)(1)(A) and (B) of this section associated with an activity under a license not later than 90 days after a licensee or transferee requires a determination and submits all information the Secretary requires. The Secretary shall amend the determination as warranted by new information.

(d) ANNUAL REPORT.—(1) Not later than November 15 of each year, the Secretary of Transportation shall submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Science of the House of Representatives a report on current determinations made under subsection (c) of this section related to all issued licenses and the reasons for the determinations.

(2) Not later than May 15 of each year, the Secretary of Transportation shall review the amounts specified in subsection (a)(3)(A) of this section and submit a report to Congress that contains proposed adjustments in the amounts to conform with changed liability expectations and availability of insurance on the world market. The proposed adjustment takes effect 30 days after a report is submitted.

(e) LAUNCHES OR REENTRIES INVOLVING GOVERNMENT FACILITIES AND PERSONNEL.—The Secretary of Transportation shall establish requirements consistent with this chapter for proof of financial responsibility and other assurances necessary to protect the Government and its executive agencies and personnel from liability, death, bodily injury, or property damage or loss as a result of a launch or operation of a launch site or reentry site or a reentry involving a facility or personnel of the Government. The Secretary may not relieve the Government of liability under this subsection for death, bodily injury, or property damage or loss resulting from the willful misconduct of the Government or its agents.

(f) COLLECTION AND CREDITING PAYMENTS.—The head of a department, agency, or instrumentality of the Government shall collect a payment owed for damage or loss to Government property under its jurisdiction or control resulting from an activity carried out under a launch or reentry license issued or transferred under this chapter. The payment shall be credited to the current applicable appropriation, fund, or account of the department, agency, or instrumentality.

§ 70113. Paying claims exceeding liability insurance and financial responsibility requirements

(a) GENERAL REQUIREMENTS.—(1) To the extent provided in advance in an appropriation law or to the extent additional legislative authority is enacted providing for paying claims in a compensation

plan submitted under subsection (d) of this section, the Secretary of Transportation shall provide for the payment by the United States Government of a successful claim (including reasonable litigation or settlement expenses) of a third party against a licensee or transferee under this chapter, a contractor, subcontractor, or customer of the licensee or transferee, or a contractor or subcontractor of a customer, resulting from an activity carried out under the license issued or transferred under this chapter for death, bodily injury, or property damage or loss resulting from an activity carried out under the license. However, claims may be paid under this section only to the extent the total amount of successful claims related to one launch or reentry—

(A) is more than the amount of insurance or demonstration of financial responsibility required under section 70112(a)(1)(A) of this title; and

(B) is not more than \$1,500,000,000 (plus additional amounts necessary to reflect inflation occurring after January 1, 1989) above that insurance or financial responsibility amount.

(2) The Secretary may not provide for paying a part of a claim for which death, bodily injury, or property damage or loss results from willful misconduct by the licensee or transferee. To the extent insurance required under section 70112(a)(1)(A) of this title is not available to cover a successful third party liability claim because of an insurance policy exclusion the Secretary decides is usual for the type of insurance involved, the Secretary may provide for paying the excluded claims without regard to the limitation contained in section 70112(a)(1).

(b) NOTICE, PARTICIPATION, AND APPROVAL.—Before a payment under subsection (a) of this section is made—

(1) notice must be given to the Government of a claim, or a civil action related to the claim, against a party described in subsection (a)(1) of this section for death, bodily injury, or property damage or loss;

(2) the Government must be given an opportunity to participate or assist in the defense of the claim or action; and

(3) the Secretary must approve any part of a settlement to be paid out of appropriations of the Government.

(c) WITHHOLDING PAYMENTS.—The Secretary may withhold a payment under subsection (a) of this section if the Secretary certifies that the amount is not reasonable. However, the Secretary shall deem to be reasonable the amount of a claim finally decided by a court of competent jurisdiction.

(d) SURVEYS, REPORTS, AND COMPENSATION PLANS.—(1) If as a result of an activity carried out under a license issued or transferred under this chapter the total of claims related to one launch or reentry is likely to be more than the amount of required insurance or demonstration of financial responsibility, the Secretary shall—

(A) survey the causes and extent of damage; and

(B) submit expeditiously to Congress a report on the results of the survey.

(2) Not later than 90 days after a court determination indicates that the liability for the total of claims related to one launch or re-

entry may be more than the required amount of insurance or demonstration of financial responsibility, the President, on the recommendation of the Secretary, shall submit to Congress a compensation plan that—

- (A) outlines the total dollar value of the claims;
- (B) recommends sources of amounts to pay for the claims;
- (C) includes legislative language required to carry out the plan if additional legislative authority is required; and
- (D) for a single event or incident, may not be for more than \$1,500,000,000.

(3) A compensation plan submitted to Congress under paragraph (2) of this subsection shall—

- (A) have an identification number; and
- (B) be submitted to the Senate and the House of Representatives on the same day and when the Senate and House are in session.

(e) CONGRESSIONAL RESOLUTIONS.—(1) In this subsection, “resolution”—

(A) means a joint resolution of Congress the matter after the resolving clause of which is as follows: “That the Congress approves the compensation plan numbered _____ submitted to the Congress on _____, 20____.”, with the blank spaces being filled appropriately; but

(B) does not include a resolution that includes more than one compensation plan.

(2) The Senate shall consider under this subsection a compensation plan requiring additional appropriations or legislative authority not later than 60 calendar days of continuous session of Congress after the date on which the plan is submitted to Congress.

(3) A resolution introduced in the Senate shall be referred immediately to a committee by the President of the Senate. All resolutions related to the same plan shall be referred to the same committee.

(4)(A) If the committee of the Senate to which a resolution has been referred does not report the resolution within 20 calendar days after it is referred, a motion is in order to discharge the committee from further consideration of the resolution or to discharge the committee from further consideration of the plan.

(B) A motion to discharge may be made only by an individual favoring the resolution and is highly privileged (except that the motion may not be made after the committee has reported a resolution on the plan). Debate on the motion is limited to one hour, to be divided equally between those favoring and those opposing the resolution. An amendment to the motion is not in order. A motion to reconsider the vote by which the motion is agreed to or disagreed to is not in order.

(C) If the motion to discharge is agreed to or disagreed to, the motion may not be renewed and another motion to discharge the committee from another resolution on the same plan may not be made.

(5)(A) After a committee of the Senate reports, or is discharged from further consideration of, a resolution, a motion to proceed to the consideration of the resolution is in order at any time, even

though a similar previous motion has been disagreed to. The motion is highly privileged and is not debatable. An amendment to the motion is not in order. A motion to reconsider the vote by which the motion is agreed to or disagreed to is not in order.

(B) Debate on the resolution referred to in subparagraph (A) of this paragraph is limited to not more than 10 hours, to be divided equally between those favoring and those opposing the resolution. A motion further to limit debate is not debatable. An amendment to, or motion to recommit, the resolution is not in order. A motion to reconsider the vote by which the resolution is agreed to or disagreed to is not in order.

(6) The following shall be decided in the Senate without debate:

(A) a motion to postpone related to the discharge from committee.

(B) a motion to postpone consideration of a resolution.

(C) a motion to proceed to the consideration of other business.

(D) an appeal from a decision of the chair related to the application of the rules of the Senate to the procedures related to a resolution.

(f) APPLICATION.—This section applies to a license issued or transferred under this chapter for which the Secretary receives a complete and valid application not later than December 31, 2004.

§ 70114. Disclosing information

The Secretary of Transportation, an officer or employee of the United States Government, or a person making a contract with the Secretary under section 70106(b) of this title may disclose information under this chapter that qualifies for an exemption under section 552(b)(4) of title 5 or is designated as confidential by the person or head of the executive agency providing the information only if the Secretary decides withholding the information is contrary to the public or national interest.

§ 70115. Enforcement and penalty

(a) PROHIBITIONS.—A person may not violate this chapter, a regulation prescribed under this chapter, or any term of a license issued or transferred under this chapter.

(b) GENERAL AUTHORITY.—(1) In carrying out this chapter, the Secretary of Transportation may—

(A) conduct investigations and inquiries;

(B) administer oaths;

(C) take affidavits; and

(D) under lawful process—

(i) enter at a reasonable time a launch site, reentry site, production facility, assembly site of a launch vehicle or reentry vehicle, or site at which a payload is integrated with a launch vehicle or reentry vehicle to inspect an object to which this chapter applies or a record or report the Secretary requires be made or kept under this chapter; and

(ii) seize the object, record, or report when there is probable cause to believe the object, record, or report was

used, is being used, or likely will be used in violation of this chapter.

(2) The Secretary may delegate a duty or power under this chapter related to enforcement to an officer or employee of another executive agency with the consent of the head of the agency.

(c) CIVIL PENALTY.—(1) After notice and an opportunity for a hearing on the record, a person the Secretary finds to have violated subsection (a) of this section is liable to the United States Government for a civil penalty of not more than \$100,000. A separate violation occurs for each day the violation continues.

(2) In conducting a hearing under paragraph (1) of this subsection, the Secretary may—

(A) subpoena witnesses and records; and

(B) enforce a subpoena in an appropriate district court of the United States.

(3) The Secretary shall impose the civil penalty by written notice. The Secretary may compromise or remit a penalty imposed, or that may be imposed, under this section.

(4) The Secretary shall recover a civil penalty not paid after the penalty is final or after a court enters a final judgment for the Secretary.

§ 70116. Consultation

(a) MATTERS AFFECTING NATIONAL SECURITY.—The Secretary of Transportation shall consult with the Secretary of Defense on a matter under this chapter affecting national security. The Secretary of Defense shall identify and notify the Secretary of Transportation of a national security interest relevant to an activity under this chapter.

(b) MATTERS AFFECTING FOREIGN POLICY.—The Secretary of Transportation shall consult with the Secretary of State on a matter under this chapter affecting foreign policy. The Secretary of State shall identify and notify the Secretary of Transportation of a foreign policy interest or obligation relevant to an activity under this chapter.

(c) OTHER MATTERS.—In carrying out this chapter, the Secretary of Transportation shall consult with the head of another executive agency—

(1) to provide consistent application of licensing requirements under this chapter;

(2) to ensure fair treatment for all license applicants; and

(3) when appropriate.

§ 70117. Relationship to other executive agencies, laws, and international obligations

(a) EXECUTIVE AGENCIES.—Except as provided in this chapter, a person is not required to obtain from an executive agency a license, approval, waiver, or exemption to launch a launch vehicle or operate a launch site or reentry site, or to reenter a reentry vehicle.

(b) FEDERAL COMMUNICATIONS COMMISSION AND SECRETARY OF COMMERCE.—This chapter does not affect the authority of—

(1) the Federal Communications Commission under the Communications Act of 1934 (47 U.S.C. 151 et seq.); or

(2) the Secretary of Commerce under the Land Remote Sensing Policy Act of 1992 (15 U.S.C. 5601 et seq.).

(c) STATES AND POLITICAL SUBDIVISIONS.—A State or political subdivision of a State—

(1) may not adopt or have in effect a law, regulation, standard, or order inconsistent with this chapter; but

(2) may adopt or have in effect a law, regulation, standard, or order consistent with this chapter that is in addition to or more stringent than a requirement of, or regulation prescribed under, this chapter.

(d) CONSULTATION.—The Secretary of Transportation is encouraged to consult with a State to simplify and expedite the approval of a space launch or reentry activity.

(e) FOREIGN COUNTRIES.—The Secretary of Transportation shall—

(1) carry out this chapter consistent with an obligation the United States Government assumes in a treaty, convention, or agreement in force between the Government and the government of a foreign country; and

(2) consider applicable laws and requirements of a foreign country when carrying out this chapter.

(f) LAUNCH NOT AN EXPORT; REENTRY NOT AN IMPORT.—A launch vehicle, reentry vehicle, or payload that is launched or reentered is not, because of the launch or reentry, an export or import, respectively, for purposes of a law controlling exports or imports, except that payloads launched pursuant to foreign trade zone procedures as provided for under the Foreign Trade Zones Act (19 U.S.C. 81a–81u) shall be considered exports with regard to customs entry.

(g) NONAPPLICATION.—This chapter does not apply to—

(1) a launch, reentry, operation of a launch vehicle or reentry vehicle, operation of a launch site or reentry site, or other space activity the Government carries out for the Government; or

(2) planning or policies related to the launch, reentry, operation, or activity.

§ 70118. User fees

The Secretary of Transportation may collect a user fee for a regulatory or other service conducted under this chapter only if specifically authorized by this chapter.

§ 70119. Office of Commercial Space Transportation

There are authorized to be appropriated to the Secretary of Transportation for the activities of the Office of the Associate Administrator for Commercial Space Transportation—

(1) \$12,607,000 for fiscal year 2001; and

(2) \$16,478,000 for fiscal year 2002.

§ 70120. Regulations

(a) IN GENERAL.—The Secretary of Transportation, within 9 months after the date of the enactment of this section, shall issue regulations to carry out this chapter that include—

(1) guidelines for industry and State governments to obtain sufficient insurance coverage for potential damages to third parties;

(2) procedures for requesting and obtaining licenses to launch a commercial launch vehicle;

(3) procedures for requesting and obtaining operator licenses for launch;

(4) procedures for requesting and obtaining launch site operator licenses; and

(5) procedures for the application of government indemnification.

(b) REENTRY.—The Secretary of Transportation, within 6 months after the date of the enactment of this section, shall issue a notice of proposed rulemaking to carry out this chapter that includes—

(1) procedures for requesting and obtaining licenses to reenter a reentry vehicle;

(2) procedures for requesting and obtaining operator licenses for reentry; and

(3) procedures for requesting and obtaining reentry site operator licenses.

§ 70121. Report to Congress

The Secretary of Transportation shall submit to Congress an annual report to accompany the President's budget request that—

(1) describes all activities undertaken under this chapter, including a description of the process for the application for and approval of licenses under this chapter and recommendations for legislation that may further commercial launches and reentries; and

(2) reviews the performance of the regulatory activities and the effectiveness of the Office of Commercial Space Transportation.

CHAPTER 703—SPACE TRANSPORTATION INFRASTRUCTURE MATCHING GRANTS

Sec.

70301. Definitions.

70302. Grant authority.

70303. Grant applications.

70304. Environmental requirements.

70305. Authorization of appropriations.

§ 70301. Definitions

In this chapter—

(1) the definitions in section 502 of the National Aeronautics and Space Administration Authorization Act, Fiscal Year 1993 (15 U.S.C. 5802) apply.

(2) “commercial space transportation infrastructure development” includes—

(A) construction, improvement, design, and engineering of space transportation infrastructure in the United States; and

(B) technical studies to define how new or enhanced space transportation infrastructure can best meet the needs of the United States commercial space transportation industry.

(3) “project” means a project (or separate projects submitted together) to carry out commercial space transportation infrastructure development, including the combined submission of all projects to be undertaken at a particular site in a fiscal year.

(4) “project grant” means a grant of an amount by the Secretary of Transportation to a sponsor for one or more projects.

(5) “public agency” means a State or an agency of a State, a political subdivision of a State, or a tax-supported organization.

(6) “sponsor” means a public agency that, individually or jointly with one or more other public agencies, submits to the Secretary under this chapter an application for a project grant.

§ 70302. Grant authority

(a) GENERAL AUTHORITY.—To ensure the resiliency of the space transportation infrastructure of the United States, the Secretary of Transportation may make project grants to sponsors as provided in this chapter.

(b) LIMITATIONS.—The Secretary may make a project grant under this chapter only if—

(1) at least 10 percent of the total cost of the project will be paid by the private sector; and

(2) the grant will not be for more than 50 percent of the total cost of the project.

§ 70303. Grant applications

(a) GENERAL.—A sponsor may submit to the Secretary of Transportation an application for a project grant. The application must state the project to be undertaken and be in the form and contain the information the Secretary requires.

(b) CONSIDERATIONS AND CONSULTATION.—(1) In selecting proposed projects for grants under this section, the Secretary of Transportation shall consider—

(A) the contribution of the project to industry capabilities that serve the United States Government’s space transportation needs;

(B) the extent of industry’s financial contribution to the project;

(C) the extent of industry’s participation in the project;

(D) the positive impact of the project on the international competitiveness of the United States space transportation industry;

(E) the extent of State contributions to the project; and

(F) the impact of the project on launch operations and other activities at Government launch ranges.

(2) The Secretary of Transportation shall consult with the Secretary of Defense, the Administrator of the National Space and Aeronautics Administration, and the heads of other appropriate

agencies of the Government about paragraph (1)(A) and (F) of this subsection.

(c) REQUIREMENTS.—The Secretary of Transportation may approve an application only if the Secretary is satisfied that—

(1) the project will contribute to the purposes of this chapter;

(2) the project is reasonably consistent with plans (existing at the time of approval of the project) of public agencies that are—

(A) authorized by the State in which the project is located; and

(B) responsible for the development of the area surrounding the project site;

(3) if the application proposes to use Government property, the specific consent of the head of the appropriate agency has been obtained;

(4) the project will be completed without unreasonable delay;

(5) the sponsor submitting the application has the legal authority to engage in the project; and

(6) any additional requirements prescribed by the Secretary have been met.

(d) PREFERENCE FOR INDUSTRY CONTRIBUTIONS.—The Secretary of Transportation shall give preference to applications for projects for which there will be greater industry financial contributions, all other factors being equal.

§ 70304. Environmental requirements

(a) POLICY.—It is the policy of the United States that projects selected under this chapter shall provide for the protection and enhancement of the natural resources and the quality of the environment of the United States. In carrying out this policy, the Secretary of Transportation shall consult with the Secretary of the Interior and the Administrator of the Environmental Protection Agency about a project that may have a significant effect on natural resources, including fish and wildlife, natural, scenic, and recreational assets, water and air quality, and other factors affecting the environment. If the Secretary of Transportation finds that a project will have a significant adverse effect, the Secretary may approve the application for the project only if, after a complete review that is a matter of public record, the Secretary makes a written finding that no feasible and prudent alternative to the project exists and that all reasonable steps have been taken to minimize the adverse effect.

(b) PUBLIC HEARING REQUIREMENT.—The Secretary of Transportation may approve an application only if the sponsor of the project certifies to the Secretary that an opportunity for a public hearing has been provided to consider the economic, social, and environmental effects of the project and its consistency with the goals of any planning carried out by the community. When a hearing is held under this paragraph, the sponsor shall submit a copy of the transcript of the hearing to the Secretary.

(c) COMPLIANCE WITH AIR AND WATER QUALITY STANDARDS.—

(1) The Secretary of Transportation may approve an application

only if the chief executive officer of the State in which the project is located certifies in writing to the Secretary that there is reasonable assurance that the project will be located, designed, constructed, and operated to comply with applicable air and water quality standards. If the Administrator has not prescribed those standards, certification shall be obtained from the Administrator. Notice of certification or refusal to certify shall be provided not later than 60 days after the Secretary receives the application.

(2) The Secretary of Transportation shall condition the approval of an application on compliance with applicable air and water quality standards during construction and operation.

(d) COMPLIANCE WITH LAWS AND REGULATIONS.—The Secretary of Transportation may require a certification from a sponsor that the sponsor will comply with all applicable laws and regulations. The Secretary may rescind at any time acceptance of a certification from a sponsor under this subsection. This subsection does not affect any responsibility of the Secretary under another law, including—

- (1) section 303 of this title;
- (2) title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.);
- (3) title VIII of the Act of April 11, 1968 (42 U.S.C. 3601 et seq.);
- (4) the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.); and
- (5) the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. 4601 et seq.).

§ 70305. Authorization of appropriations

Not more than \$10,000,000 may be appropriated to the Secretary of Transportation to make grants under this chapter. Amounts appropriated under this section remain available until expended.

80113. Liability for nonreceipt, misdescription, and improper loading.
80114. Lost, stolen, and destroyed negotiable bills.
80115. Limitation on use of judicial process to obtain possession of goods from common carriers.
80116. Criminal penalty.

§ 80101. Definitions

In this chapter—

(1) “consignee” means the person named in a bill of lading as the person to whom the goods are to be delivered.

(2) “consignor” means the person named in a bill of lading as the person from whom the goods have been received for shipment.

(3) “goods” means merchandise or personal property that has been, is being, or will be transported.

(4) “holder” means a person having possession of, and a property right in, a bill of lading.

(5) “order” means an order by indorsement on a bill of lading.

(6) “purchase” includes taking by mortgage or pledge.

(7) “State” means a State of the United States, the District of Columbia, and a territory or possession of the United States.

§ 80102. Application

This chapter applies to a bill of lading when the bill is issued by a common carrier for the transportation of goods—

(1) between a place in the District of Columbia and another place in the District of Columbia;

(2) between a place in a territory or possession of the United States and another place in the same territory or possession;

(3) between a place in a State and a place in another State;

(4) between a place in a State and a place in the same State through another State or a foreign country; or

(5) from a place in a State to a place in a foreign country.

§ 80103. Negotiable and nonnegotiable bills

(a) NEGOTIABLE BILLS.—(1) A bill of lading is negotiable if the bill—

(A) states that the goods are to be delivered to the order of a consignee; and

(B) does not contain on its face an agreement with the shipper that the bill is not negotiable.

(2) Inserting in a negotiable bill of lading the name of a person to be notified of the arrival of the goods—

(A) does not limit its negotiability; and

(B) is not notice to the purchaser of the goods of a right the named person has to the goods.

(b) NONNEGOTIABLE BILLS.—(1) A bill of lading is nonnegotiable if the bill states that the goods are to be delivered to a consignee. The indorsement of a nonnegotiable bill does not—

(A) make the bill negotiable; or

(B) give the transferee any additional right.

(2) A common carrier issuing a nonnegotiable bill of lading must put “nonnegotiable” or “not negotiable” on the bill. This paragraph does not apply to an informal memorandum or acknowledgment.

§ 80104. Form and requirements for negotiation

(a) GENERAL RULES.—(1) A negotiable bill of lading may be negotiated by indorsement. An indorsement may be made in blank or to a specified person. If the goods are deliverable to the order of a specified person, then the bill must be indorsed by that person.

(2) A negotiable bill of lading may be negotiated by delivery when the common carrier, under the terms of the bill, undertakes to deliver the goods to the order of a specified person and that person or a subsequent indorsee has indorsed the bill in blank.

(3) A negotiable bill of lading may be negotiated by a person possessing the bill, regardless of the way in which the person got possession, if—

(A) a common carrier, under the terms of the bill, undertakes to deliver the goods to that person; or

(B) when the bill is negotiated, it is in a form that allows it to be negotiated by delivery.

(b) VALIDITY NOT AFFECTED.—The validity of a negotiation of a bill of lading is not affected by the negotiation having been a breach of duty by the person making the negotiation, or by the owner of the bill having been deprived of possession by fraud, accident, mistake, duress, loss, theft, or conversion, if the person to whom the bill is negotiated, or a person to whom the bill is subsequently negotiated, gives value for the bill in good faith and with-

out notice of the breach of duty, fraud, accident, mistake, duress, loss, theft, or conversion.

(c) NEGOTIATION BY SELLER, MORTGAGOR, OR PLEDGOR TO PERSON WITHOUT NOTICE.—When goods for which a negotiable bill of lading has been issued are in a common carrier's possession, and the person to whom the bill has been issued retains possession of the bill after selling, mortgaging, or pledging the goods or bill, the subsequent negotiation of the bill by that person to another person receiving the bill for value, in good faith, and without notice of the prior sale, mortgage, or pledge has the same effect as if the first purchaser of the goods or bill had expressly authorized the subsequent negotiation.

§ 80105. Title and rights affected by negotiation

(a) TITLE.—When a negotiable bill of lading is negotiated—

(1) the person to whom it is negotiated acquires the title to the goods that—

(A) the person negotiating the bill had the ability to convey to a purchaser in good faith for value; and

(B) the consignor and consignee had the ability to convey to such a purchaser; and

(2) the common carrier issuing the bill becomes obligated directly to the person to whom the bill is negotiated to hold possession of the goods under the terms of the bill the same as if the carrier had issued the bill to that person.

(b) SUPERIORITY OF RIGHTS.—When a negotiable bill of lading is negotiated to a person for value in good faith, that person's right to the goods for which the bill was issued is superior to a seller's lien or to a right to stop the transportation of the goods. This subsection applies whether the negotiation is made before or after the common carrier issuing the bill receives notice of the seller's claim. The carrier may deliver the goods to an unpaid seller only if the bill first is surrendered for cancellation.

(c) MORTGAGEE AND LIEN HOLDER RIGHTS NOT AFFECTED.—Except as provided in subsection (b) of this section, this chapter does not limit a right of a mortgagee or lien holder having a mortgage or lien on goods against a person that purchased for value in good faith from the owner, and got possession of the goods immediately before delivery to the common carrier.

§ 80106. Transfer without negotiation

(a) DELIVERY AND AGREEMENT.—The holder of a bill of lading may transfer the bill without negotiating it by delivery and agreement to transfer title to the bill or to the goods represented by it. Subject to the agreement, the person to whom the bill is transferred has title to the goods against the transferor.

(b) COMPELLING INDORSEMENT.—When a negotiable bill of lading is transferred for value by delivery without being negotiated and indorsement of the transferor is essential for negotiation, the transferee may compel the transferor to indorse the bill unless a contrary intention appears. The negotiation is effective when the indorsement is made.

(c) EFFECT OF NOTIFICATION.—(1) When a transferee notifies the common carrier that a nonnegotiable bill of lading has been

transferred under subsection (a) of this section, the carrier is obligated directly to the transferee for any obligations the carrier owed to the transferor immediately before the notification. However, before the carrier is notified, the transferee's title to the goods and right to acquire the obligations of the carrier may be defeated by—

(A) garnishment, attachment, or execution on the goods by a creditor of the transferor; or

(B) notice to the carrier by the transferor or a purchaser from the transferor of a later purchase of the goods from the transferor.

(2) A common carrier has been notified under this subsection only if—

(A) an officer or agent of the carrier, whose actual or apparent authority includes acting on the notification, has been notified; and

(B) the officer or agent has had time, exercising reasonable diligence, to communicate with the agent having possession or control of the goods.

§ 80107. Warranties and liability

(a) GENERAL RULE.—Unless a contrary intention appears, a person negotiating or transferring a bill of lading for value warrants that—

(1) the bill is genuine;

(2) the person has the right to transfer the bill and the title to the goods described in the bill;

(3) the person does not know of a fact that would affect the validity or worth of the bill; and

(4) the goods are merchantable or fit for a particular purpose when merchantability or fitness would have been implied if the agreement of the parties had been to transfer the goods without a bill of lading.

(b) SECURITY FOR DEBT.—A person holding a bill of lading as security for a debt and in good faith demanding or receiving payment of the debt from another person does not warrant by the demand or receipt—

(1) the genuineness of the bill; or

(2) the quantity or quality of the goods described in the bill.

(c) DUPLICATES.—A common carrier issuing a bill of lading, on the face of which is the word “duplicate” or another word indicating that the bill is not an original bill, is liable the same as a person that represents and warrants that the bill is an accurate copy of an original bill properly issued. The carrier is not otherwise liable under the bill.

(d) INDORSER LIABILITY.—Indorsement of a bill of lading does not make the indorser liable for failure of the common carrier or a previous indorser to fulfill its obligations.

§ 80108. Alterations and additions

An alteration or addition to a bill of lading after its issuance by a common carrier, without authorization from the carrier in writing or noted on the bill, is void. However, the original terms of the bill are enforceable.

§ 80109. Liens under negotiable bills

A common carrier issuing a negotiable bill of lading has a lien on the goods covered by the bill for—

(1) charges for storage, transportation, and delivery (including demurrage and terminal charges), and expenses necessary to preserve the goods or incidental to transporting the goods after the date of the bill; and

(2) other charges for which the bill expressly specifies a lien is claimed to the extent the charges are allowed by law and the agreement between the consignor and carrier.

§ 80110. Duty to deliver goods

(a) **GENERAL RULES.**—Except to the extent a common carrier establishes an excuse provided by law, the carrier must deliver goods covered by a bill of lading on demand of the consignee named in a nonnegotiable bill or the holder of a negotiable bill for the goods when the consignee or holder—

(1) offers in good faith to satisfy the lien of the carrier on the goods;

(2) has possession of the bill and, if a negotiable bill, offers to indorse and give the bill to the carrier; and

(3) agrees to sign, on delivery of the goods, a receipt for delivery if requested by the carrier.

(b) **PERSONS TO WHOM GOODS MAY BE DELIVERED.**—Subject to section 80111 of this title, a common carrier may deliver the goods covered by a bill of lading to—

(1) a person entitled to their possession;

(2) the consignee named in a nonnegotiable bill; or

(3) a person in possession of a negotiable bill if—

(A) the goods are deliverable to the order of that person; or

(B) the bill has been indorsed to that person or in blank by the consignee or another indorsee.

(c) **COMMON CARRIER CLAIMS OF TITLE AND POSSESSION.**—A claim by a common carrier that the carrier has title to goods or right to their possession is an excuse for nondelivery of the goods only if the title or right is derived from—

(1) a transfer made by the consignor or consignee after the shipment; or

(2) the carrier's lien.

(d) **ADVERSE CLAIMS.**—If a person other than the consignee or the person in possession of a bill of lading claims title to or possession of goods and the common carrier knows of the claim, the carrier is not required to deliver the goods to any claimant until the carrier has had a reasonable time to decide the validity of the adverse claim or to bring a civil action to require all claimants to interplead.

(e) **INTERPLEADER.**—If at least 2 persons claim title to or possession of the goods, the common carrier may—

(1) bring a civil action to interplead all known claimants to the goods; or

(2) require those claimants to interplead as a defense in an action brought against the carrier for nondelivery.

(f) **THIRD PERSON CLAIMS NOT A DEFENSE.**—Except as provided in subsections (b), (d), and (e) of this section, title or a right of a third person is not a defense to an action brought by the consignee of a nonnegotiable bill of lading or by the holder of a negotiable bill against the common carrier for failure to deliver the goods on demand unless enforced by legal process.

§ 80111. Liability for delivery of goods

(a) **GENERAL RULES.**—A common carrier is liable for damages to a person having title to, or right to possession of, goods when—

(1) the carrier delivers the goods to a person not entitled to their possession unless the delivery is authorized under section 80110(b)(2) or (3) of this title;

(2) the carrier makes a delivery under section 80110(b)(2) or (3) of this title after being requested by or for a person having title to, or right to possession of, the goods not to make the delivery; or

(3) at the time of delivery under section 80110(b)(2) or (3) of this title, the carrier has information it is delivering the goods to a person not entitled to their possession.

(b) **EFFECTIVENESS OF REQUEST OR INFORMATION.**—A request or information is effective under subsection (a)(2) or (3) of this section only if—

(1) an officer or agent of the carrier, whose actual or apparent authority includes acting on the request or information, has been given the request or information; and

(2) the officer or agent has had time, exercising reasonable diligence, to stop delivery of the goods.

(c) **FAILURE TO TAKE AND CANCEL BILLS.**—Except as provided in subsection (d) of this section, if a common carrier delivers goods for which a negotiable bill of lading has been issued without taking and canceling the bill, the carrier is liable for damages for failure to deliver the goods to a person purchasing the bill for value in good faith whether the purchase was before or after delivery and even when delivery was made to the person entitled to the goods. The carrier also is liable under this paragraph if part of the goods are delivered without taking and canceling the bill or plainly noting on the bill that a partial delivery was made and generally describing the goods or the remaining goods kept by the carrier.

(d) **EXCEPTIONS TO LIABILITY.**—A common carrier is not liable for failure to deliver goods to the consignee or owner of the goods or a holder of the bill if—

(1) a delivery described in subsection (c) of this section was compelled by legal process;

(2) the goods have been sold lawfully to satisfy the carrier's lien;

(3) the goods have not been claimed; or

(4) the goods are perishable or hazardous.

§ 80112. Liability under negotiable bills issued in parts, sets, or duplicates

(a) **PARTS AND SETS.**—A negotiable bill of lading issued in a State for the transportation of goods to a place in the 48 contiguous States or the District of Columbia may not be issued in parts or

sets. A common carrier issuing a bill in violation of this subsection is liable for damages for failure to deliver the goods to a purchaser of one part for value in good faith even though the purchase occurred after the carrier delivered the goods to a holder of one of the other parts.

(b) **DUPLICATES.**—When at least 2 negotiable bills of lading are issued in a State for the same goods to be transported to a place in the 48 contiguous States or the District of Columbia, the word “duplicate” or another word indicating that the bill is not an original must be put plainly on the face of each bill except the original. A common carrier violating this subsection is liable for damages caused by the violation to a purchaser of the bill for value in good faith as an original bill even though the purchase occurred after the carrier delivered the goods to the holder of the original bill.

§ 80113. Liability for nonreceipt, misdescription, and improper loading

(a) **LIABILITY FOR NONRECEIPT AND MISDESCRIPTION.**—Except as provided in this section, a common carrier issuing a bill of lading is liable for damages caused by nonreceipt by the carrier of any part of the goods by the date shown in the bill or by failure of the goods to correspond with the description contained in the bill. The carrier is liable to the owner of goods transported under a nonnegotiable bill (subject to the right of stoppage in transit) or to the holder of a negotiable bill if the owner or holder gave value in good faith relying on the description of the goods in the bill or on the shipment being made on the date shown in the bill.

(b) **NONLIABILITY OF CARRIERS.**—A common carrier issuing a bill of lading is not liable under subsection (a) of this section—

- (1) when the goods are loaded by the shipper;
- (2) when the bill—

(A) describes the goods in terms of marks or labels, or in a statement about kind, quantity, or condition; or

(B) is qualified by “contents or condition of contents of packages unknown”, “said to contain”, “shipper’s weight, load, and count”, or words of the same meaning; and

- (3) to the extent the carrier does not know whether any part of the goods were received or conform to the description.

(c) **LIABILITY FOR IMPROPER LOADING.**—A common carrier issuing a bill of lading is not liable for damages caused by improper loading if—

- (1) the shipper loads the goods; and

(2) the bill contains the words “shipper’s weight, load, and count”, or words of the same meaning indicating the shipper loaded the goods.

(d) **CARRIER’S DUTY TO DETERMINE KIND, QUANTITY, AND NUMBER.**—(1) When bulk freight is loaded by a shipper that makes available to the common carrier adequate facilities for weighing the freight, the carrier must determine the kind and quantity of the freight within a reasonable time after receiving the written request of the shipper to make the determination. In that situation, inserting the words “shipper’s weight” or words of the same meaning in the bill of lading has no effect.

(2) When goods are loaded by a common carrier, the carrier must count the packages of goods, if package freight, and determine the kind and quantity, if bulk freight. In that situation, inserting in the bill of lading or in a notice, receipt, contract, rule, or tariff, the words “shipper’s weight, load, and count” or words indicating that the shipper described and loaded the goods, has no effect except for freight concealed by packages.

§ 80114. Lost, stolen, and destroyed negotiable bills

(a) DELIVERY ON COURT ORDER AND SURETY BOND.—If a negotiable bill of lading is lost, stolen, or destroyed, a court of competent jurisdiction may order the common carrier to deliver the goods if the person claiming the goods gives a surety bond, in an amount approved by the court, to indemnify the carrier or a person injured by delivery against liability under the outstanding original bill. The court also may order payment of reasonable costs and attorney’s fees to the carrier. A voluntary surety bond, without court order, is binding on the parties to the bond.

(b) LIABILITY TO HOLDER.—Delivery of goods under a court order under subsection (a) of this section does not relieve a common carrier from liability to a person to whom the negotiable bill has been or is negotiated for value without notice of the court proceeding or of the delivery of the goods.

§ 80115. Limitation on use of judicial process to obtain possession of goods from common carriers

(a) ATTACHMENT AND LEVY.—Except when a negotiable bill of lading was issued originally on delivery of goods by a person that did not have the power to dispose of the goods, goods in the possession of a common carrier for which a negotiable bill has been issued may be attached through judicial process or levied on in execution of a judgment only if the bill is surrendered to the carrier or its negotiation is enjoined.

(b) DELIVERY.—A common carrier may be compelled by judicial process to deliver goods under subsection (a) of this section only when the bill is surrendered to the carrier or impounded by the court.

§ 80116. Criminal penalty

A person shall be fined under title 18, imprisoned for not more than 5 years, or both, if the person—

- (1) violates this chapter with intent to defraud; or
- (2) knowingly or with intent to defraud—
 - (A) falsely makes, alters, or copies a bill of lading subject to this chapter;
 - (B) utters, publishes, or issues a falsely made, altered, or copied bill subject to this chapter; or
 - (C) negotiates or transfers for value a bill containing a false statement.

CHAPTER 803—CONTRABAND

Sec.
80301. Definitions.
80302. Prohibitions.

80303. Seizure and forfeiture.
80304. Administrative.
80305. Availability of certain appropriations.
80306. Relationship to other laws.

§ 80301. Definitions

In this chapter—

(1) “aircraft” means a contrivance used, or capable of being used, for transportation in the air.

(2) “vehicle” means a contrivance used, or capable of being used, for transportation on, below, or above land, but does not include aircraft.

(3) “vessel” means a contrivance used, or capable of being used, for transportation in water, but does not include aircraft.

§ 80302. Prohibitions

(a) DEFINITION.—In this section, “contraband” means—

(1) a narcotic drug (as defined in section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802)), including marihuana (as defined in section 102 of that Act (21 U.S.C. 802)), that—

(A) is possessed with intent to sell or offer for sale in violation of the laws and regulations of the United States;

(B) is acquired, possessed, sold, transferred, or offered for sale in violation of those laws;

(C) is acquired by theft, robbery, or burglary and transported—

(i) in the District of Columbia or a territory or possession of the United States; or

(ii) from a place in a State, the District of Columbia, or a territory or possession of the United States, to a place in another State, the District of Columbia, or a territory or possession; or

(D) does not bear tax-paid internal revenue stamps required by those laws or regulations;

(2) a firearm involved in a violation of chapter 53 of the Internal Revenue Code of 1986 (26 U.S.C. 5801 et seq.);

(3) a forged, altered, or counterfeit—

(A) coin or an obligation or other security of the United States Government (as defined in section 8 of title 18); or

(B) coin, obligation, or other security of the government of a foreign country;

(4) material or equipment used, or intended to be used, in making a coin, obligation, or other security referred to in clause (3) of this subsection;

(5) a cigarette involved in a violation of chapter 114 of title 18 or a regulation prescribed under chapter 114; or

(6)(A) a counterfeit label for a phonorecord, copy of a computer program or computer program documentation or packaging, or copy of a motion picture or other audiovisual work (as defined in section 2318 of title 18);

(B) a phonorecord or copy in violation of section 2319 of title 18;

(C) a fixation of a sound recording or music video of a live musical performance in violation of section 2319A of title 18; or

(D) any good bearing a counterfeit mark (as defined in section 2320 of title 18).

(b) PROHIBITIONS.—A person may not—

(1) transport contraband in an aircraft, vehicle, or vessel;

(2) conceal or possess contraband on an aircraft, vehicle, or vessel; or

(3) use an aircraft, vehicle, or vessel to facilitate the transportation, concealment, receipt, possession, purchase, sale, exchange, or giving away of contraband.

§ 80303. Seizure and forfeiture

The Secretary of the Treasury or the Governor of Guam or of the Northern Mariana Islands as provided in section 80304 of this title, or, when the violation of this chapter involves contraband described in paragraph (2) or (5) of section 80302(a), the Attorney General¹ or a person authorized by another law to enforce section 80302 of this title, shall seize an aircraft, vehicle, or vessel involved in a violation of section 80302 and place it in the custody of a person designated by the Secretary, the Attorney General, or appropriate Governor, as the case may be. The seized aircraft, vehicle, or vessel shall be forfeited, except when the owner establishes that a person except the owner committed the violation when the aircraft, vehicle, or vessel was in the possession of a person who got possession by violating a criminal law of the United States or a State. However, an aircraft, vehicle, or vessel used by a common carrier to provide transportation for compensation may be forfeited only when—

(1) the owner, conductor, driver, pilot, or other individual in charge of the aircraft or vehicle (except a rail car or engine) consents to, or knows of, the alleged violation when the violation occurs;

(2) the owner of the rail car or engine consents to, or knows of, the alleged violation when the violation occurs; or

(3) the master or owner of the vessel consents to, or knows of, the alleged violation when the violation occurs.

§ 80304. Administrative

(a) GENERAL.—Except as provided in subsections (b), (c), and (d) of this section, the Secretary of the Treasury—

(1) may designate officers, employees, agents, or other persons to carry out this chapter; and

(2) shall prescribe regulations to carry out this chapter.

(b) IN GUAM.—The Governor of Guam—

(1) or officers of the government of Guam designated by the Governor shall carry out this chapter in Guam;

¹ Section 1112(q)(1) of the Homeland Security Act of 2002 (P.L. 107–296; 116 Stat. 2278) amended this section by inserting “or, when the violation of this chapter involves contraband described in paragraph (2) or (5) of section 80302(a), the Attorney General” after “section 80304 of this title.” The amendment should have been to insert “or, when the violation of this chapter involves contraband described in paragraph (2) or (5) of section 80302(a), the Attorney General” after “section 80304 of this title.” The amendment has been executed to reflect the probable intent of Congress.

(2) may carry out laws referred to in section 80306(b) of this title with modifications the Governor decides are necessary to meet conditions in Guam; and

(3) may prescribe regulations to carry out this chapter in Guam.

(c) IN NORTHERN MARIANA ISLANDS.—The Governor of the Northern Mariana Islands—

(1) or officers of the government of the Northern Mariana Islands designated by the Governor shall carry out this chapter in the Northern Mariana Islands;

(2) may carry out laws referred to in section 80306(b) of this title with modifications the Governor decides are necessary to meet conditions in the Northern Mariana Islands; and

(3) may prescribe regulations to carry out this chapter in the Northern Mariana Islands.

(d) ATTORNEY GENERAL.—The Attorney General, or officers, employees, or agents of the Bureau of Alcohol, Tobacco, Firearms, and Explosives, Department of Justice designated by the Attorney General, shall carry out the laws referred to in section 80306(b) of this title to the extent that the violation of this chapter involves contraband described in section 80302 (a)(2) or (a)(5).

(e) CUSTOMS LAWS ON SEIZURE AND FORFEITURE.—The Secretary, or the Governor of Guam or of the Northern Mariana Islands as provided in subsections (b) and (c) of this section, shall carry out the customs laws on the seizure and forfeiture of aircraft, vehicles, and vessels under this chapter.

§ 80305. Availability of certain appropriations

Appropriations for enforcing customs, narcotics, counterfeiting, or internal revenue laws are available to carry out this chapter.

§ 80306. Relationship to other laws

(a) CHAPTER AS ADDITIONAL LAW.—This chapter is in addition to another law—

(1) imposing, or authorizing the compromise of, fines, penalties, or forfeitures; or

(2) providing for seizure, condemnation, or disposition of forfeited property, or the proceeds from the property.

(b) LAWS APPLICABLE TO SEIZURES AND FORFEITURES.—To the extent applicable and consistent with this chapter, the following apply to a seizure or forfeiture under this chapter:

(1) provisions of law related to the seizure, forfeiture, and condemnation of vehicles and vessels violating the customs laws.

(2) provisions of law related to the disposition of those vehicles or vessels or the proceeds from the sale of those vehicles or vessels.

(3) provisions of law related to the compromise of those forfeitures or claims related to those forfeitures.

(4) provisions of law related to the award of compensation to an informer about those forfeitures.

CHAPTER 805—MISCELLANEOUS

Sec.

80501. Damage to transported property.

80502. Transportation of animals.

80503. Payments for inspection and quarantine services.

80504. Medals of honor.

§ 80501. Damage to transported property

(a) **CRIMINAL PENALTY.**—A person willfully damaging, or attempting to damage, property in the possession of an air carrier, motor carrier, or rail carrier and being transported in interstate or foreign commerce, shall be fined under title 18, imprisoned for not more than 10 years, or both. In a criminal proceeding under this section, a shipping document for the property is prima facie evidence of the places to which and from which the property was being transported.

(b) **PROHIBITION AGAINST MULTIPLE PROSECUTIONS FOR SAME ACT.**—A person may not be prosecuted for an act under this section when the person has been convicted or acquitted on the merits for the same act under the laws of a State, the District of Columbia, or a territory or possession of the United States.

§ 80502. Transportation of animals

(a) **CONFINEMENT.**—(1) Except as provided in this section, a rail carrier, express carrier, or common carrier (except by air or water), a receiver, trustee, or lessee of one of those carriers, or an owner or master of a vessel transporting animals from a place in a State, the District of Columbia, or a territory or possession of the United States through or to a place in another State, the District of Columbia, or a territory or possession, may not confine animals in a vehicle or vessel for more than 28 consecutive hours without unloading the animals for feeding, water, and rest.

(2) Sheep may be confined for an additional 8 consecutive hours without being unloaded when the 28-hour period of confinement ends at night. Animals may be confined for—

(A) more than 28 hours when the animals cannot be unloaded because of accidental or unavoidable causes that could not have been anticipated or avoided when being careful; and

(B) 36 consecutive hours when the owner or person having custody of animals being transported requests, in writing and separate from a bill of lading or other rail form, that the 28-hour period be extended to 36 hours.

(3) Time spent in loading and unloading animals is not included as part of a period of confinement under this subsection.

(b) **UNLOADING, FEEDING, WATERING, AND REST.**—Animals being transported shall be unloaded in a humane way into pens equipped for feeding, water, and rest for at least 5 consecutive hours. The owner or person having custody of the animals shall feed and water the animals. When the animals are not fed and watered by the owner or person having custody, the rail carrier, express carrier, or common carrier (except by air or water), the receiver, trustee, or lessee of one of those carriers, or the owner or master of a vessel transporting the animals—

(1) shall feed and water the animals at the reasonable expense of the owner or person having custody, except that the owner or shipper may provide food;

(2) has a lien on the animals for providing food, care, and custody that may be collected at the destination in the same way that a transportation charge is collected; and

(3) is not liable for detaining the animals for a reasonable period to comply with subsection (a) of this section.

(c) NONAPPLICATION.—This section does not apply when animals are transported in a vehicle or vessel in which the animals have food, water, space, and an opportunity for rest.

(d) CIVIL PENALTY.—A rail carrier, express carrier, or common carrier (except by air or water), a receiver, trustee, or lessee of one of those carriers, or an owner or master of a vessel that knowingly and willfully violates this section is liable to the United States Government for a civil penalty of at least \$100 but not more than \$500 for each violation. On learning of a violation, the Attorney General shall bring a civil action to collect the penalty in the district court of the United States for the judicial district in which the violation occurred or the defendant resides or does business.

§ 80503. Payments for inspection and quarantine services

(a) GENERAL.—(1) In this subsection—

(A) “private aircraft” means a civilian aircraft not being used to transport passengers or property for compensation.

(B) “private vessel” means a civilian vessel not being used—

(i) to transport passengers or property for compensation; or

(ii) in fishing or fish processing operations.

(2) Notwithstanding section 451 of the Tariff Act of 1930 (19 U.S.C. 1451), the owner, operator, or agent of a private aircraft or private vessel may pay not more than \$25 for the services of an officer or employee of the Department of Agriculture, the Customs Service, the Immigration and Naturalization Service, or the Public Health Service (including an independent contractor performing an inspection service for the Public Health Service) when the services are performed on a Sunday, holiday, or from 5 p.m. through 8 a.m. on a weekday, and are related to the aircraft’s or vessel’s arrival in, or departure from, the United States. However, the owner, operator, or agent does not have to pay for the services from 5 p.m. through 8 a.m. on a weekday when an officer or employee on regular duty is available at the place of arrival or departure to perform services.

(3) The head of a department, agency, or instrumentality of the United States Government providing services under paragraph (2) of this subsection shall collect the amount paid for the services and deposit the amount in the Treasury. The amount shall be credited to the appropriation of the department, agency, or instrumentality against which the expense of those services was charged.

(b) LIMITATIONS ON REIMBURSEMENT.—(1) An owner or operator of an aircraft is required to reimburse the head of a department, agency, or instrumentality of the Government for the expenses of performing an inspection or quarantine service related to

the aircraft at a place of inspection during regular service hours on a Sunday or holiday only to the same extent that an owner or operator makes reimbursement for the service during regular service hours on a weekday. The head of the department, agency, or instrumentality may not assess an owner or operator of an aircraft for administrative overhead expenses for inspection or quarantine service provided by the department, agency, or instrumentality at an entry airport.

(2) This subsection does not require reimbursement for costs incurred by the Secretary of the Treasury in providing customs services described in section 13031(e)(1) of the Consolidated Omnibus Budget Reconciliation Act of 1985 (19 U.S.C. 58c(e)(1)).

§ 80504. Medals of honor

(a) **MEDALS.**—The President may prepare and give a bronze medal of honor with emblematic devices to an individual who by extreme daring endangers that individual's life in trying to prevent, or save the life of another in, a grave accident in the United States involving a rail carrier providing transportation in interstate commerce or involving a motor vehicle on the public streets, roads, or highways. The President may give a medal only when sufficient evidence that the individual deserves the medal has been filed under regulations prescribed by the President.

(b) **RIBBONS, KNOTS, AND ROSETTES.**—The President may give an individual who receives a medal a ribbon to be worn with the medal and a knot or rosette to be worn in place of the medal. The President shall prescribe the design for the ribbon, knot, and rosette. If the ribbon is lost, destroyed, or made unfit for use and the individual receiving the medal is not negligent, the President shall issue a new ribbon without charge to the individual.

(c) **AVAILABILITY OF APPROPRIATIONS.**—Appropriations made to the Secretary of Transportation are available to carry out this section.
