The Honorable Shelly Moore Capito
Ranking Member
Committee on Environment and Public
Works
United States Senate
Washington, D.C. 20150

Dear Chairman Carper and Ranking Member Capito:

I certify that neither I nor my immediate family has a pecuniary interest in the Army Corps of Engineers' Western Rural Water Environmental Infrastructure program, as authorized by Section 595 of the Water Resources Development Act of 1999 and as amended in Section 352 of Water Resources Development Act of 2020 to carry out projects in the state of Arizona, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. If included in the Water Resource Development Act of 2022, this request would provide much needed resources to a program which helps Arizona communities invest in water and wastewater resources.

Sincerely,

Mark Kelly
United States Senator
