

Ranking Member Tom Carper
United States Senate Environment and Public Works Committee
513 Hart Senate Office Building
Washington, DC 20510

Dec. 14, 2017

Dear Ranking Member Carper,

The responses I provided to you and the Committee are my views. Furthermore, it should not be a surprise that I share the views of my fellow nominees on a number of issues. In preparing my responses, I sought to reiterate positions already stated that are reflective of my own.

My understanding is that this is not unusual and was the case for the CEQ Chair Nancy Sutley and EPA Administrator Lisa Jackson in responses provided to you and other Senators during their confirmation proceedings.

Should I be confirmed, I look forward to working with you and others on the Committee.

Sincerely,
