RE: Pending Federal Regulation of HFC: S. 2754, American Innovation and Manufacturing Act of 2019: Written Testimony and Questions for the Record.

Dear Sir / Madam:

I am an employee of Compsys, Inc Producer of Prisma Preforms. I live in Brevard County Florida and have worked for Compsys for 21 Years.

I produce Composite Preforms to make boats, semi-trailers, and truck bodies lighter and more fuel efficient and reduce their environmental impacts. I depend on Prisma preforms for my livelihood. If HFC 134a is banned for this process, I will no longer have a job.

I have read Structural Composites/ Compsys, Inc's comments on pending regulation of 134a. We agree with the comments and urge Congress to provide an exemption for Structural Composite Preforming as requested.

Thank you

Bill Holtz
