Dear Chairman Carper and Ranking Member Capito:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the 2022 Water Resources and Development Act, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. Specifically, I nor my immediate family have a pecuniary interest in the request regarding Environmental Infrastructure funding from the United States Army Corps of Engineers (USACE) to Lane County, Oregon. The request would allow Lane County to pursue critical USACE assistance and funding to support water supply and storage, treatment and distribution systems, and wastewater treatment systems.

Sincerely,

Ron Wyden
United States Senator
