The Honorable Shelley Moore Capito
Ranking Member
Committee on Environment and Public Works
456 Dirksen Senate Office Building
Washington, D.C. 20510

Dear Chairman Carper and Ranking Member Capito:

I certify that neither I nor my immediate family has a pecuniary interest in the Western Lee County Wastewater project, the congressionally directed spending item that I have requested in the Water Resources Development Act of 2022 and that the request is consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. The Western Lee County Wastewater project is located in Lee County, Virginia. The purpose for the new authorization is to complete both phases of the Western Lee Sewer Project. The new authorization limit to complete the locally requested service area for western Lee County sewer would increase authorization from \$20M to \$52M.

Sincerely,

Tim Kaine
