The Honorable Shelley Moore Capito

Dear Senator Carper and Senator Capito,

I certify that neither I nor my immediate family has a pecuniary interest in the Environmental Infrastructure authorization that I requested in the Water Resources Development Act of 2022, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Recipient: Mississippi Environmental Infrastructure Program (Section 592), Mississippi

Purpose: The Section 592 Program provides environmental infrastructure assistance to non-federal interests in Mississippi. This request would increase the authorization amount from \$200 million to \$300 million.

Sincerely,

Roger F. Wicker  
United States Senator
