Dear Chair Carper and Ranking Member Capito:

I certify that neither I nor my immediate family has a pecuniary interest in the congressionally directed spending project for environmental infrastructure that I have requested on behalf of El Paso County in the 2024 Water Resources Development Act legislation, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. This project is intended to address water supply and stormwater management needs in El Paso County, Colorado in light of the June 2023 flood.

Sincerely,

Michael F. Bennet
United States Senator
