The Honorable Shelly Moore Capito
Ranking Member
Committee on Environment and Public

United States Senate
Washington, D.C. 20150

Dear Chairman Carper and Ranking Member Capito:

I certify that neither I nor my immediate family has a pecuniary interest in the City of Glendale Bethany Home Road and 51st Avenue Drainage Environmental Infrastructure Project, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. If included in the Water Resource Development Act of 2024, this request would provide much needed resources to a program which helps Arizona communities invest in water and wastewater resources.

Sincerely,

Mark Kelly
United States Senator
