NOTE: The information in this table was prepared by the U.S. Department of Transportation.

* Based on US DOT's job calculation models that assume every $1 billion in Federal highway funding that is matched by State and local investments supports 34,779 jobs through all sectors of the economy and every $1 billion in Federal transit funding that is similarly matched provides 37,500 jobs.

** Includes funding provided to territories; FHWA's allocated programs, undesignated High Priority Projects and transfers to sections 154 and 164; and FTA's undesignated discretionary grants in all accounts and oversight.
